1980 s trivia questions and answers: *Sorry, Wrong Answer* Rod L. Evans Ph.D., 2010-06-01 Where were Venetian blinds invented? What color is the black box on a commercial airplane? Where did India ink originate? *Most of us know more than we think we know. We also think we know more than we actually do--because some of what we think we know simply ain't so. We all harbor misconceptions that are accepted not only because they are popular but also because they make sense. It makes sense to believe, for example, that German chocolate originated in Germany rather than the truth: that German chocolate is so named because it was created by Sam German. It seems logical to believe that Mercury is the hottest planet because of its proximity to the sun, or that buttermilk contains butter, that Danish pastry is from Denmark, and that the boat race America's Cup was named after the United States of America. In *Sorry, Wrong Answer*, Rod Evans takes readers on a tour of misleading trivia, debunking commonly held assumptions and sharing surprising right answers. *Answers: Japan; Orange; China

1980 s trivia questions and answers: Factfulness Hans Rosling, Anna Rosling Rönnlund, Ola Rosling, 2018-04-03 INSTANT NEW YORK TIMES BESTSELLER “One of the most important books I’ve ever read—an indispensable guide to thinking clearly about the world.” – Bill Gates “Hans Rosling tells the story of ‘the secret silent miracle of human progress’ as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly.” —Melinda Gates Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases. - Former U.S. President Barack Obama Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world’s population live in poverty; why the world’s population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don’t know what we don’t know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn’t mean there aren’t real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, Factfulness is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- “This book is my last battle in my life-long mission to fight devastating ignorance...Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn’t enough. But I hope this book will be.” Hans Rosling, February 2017.

1980 s trivia questions and answers: Bedrock Faith Eric Charles May, 2014-02-10 An ex-convict returns to his Chicago community a changed man—but maybe not for the better—in this “vivid, suspenseful, funny, and compassionate novel” (Booklist). One of Booklist’s Top 10 First Novels of the Year One of Roxane Gay’s Top 10 Books of the Year After fourteen years in prison, Gerald “Stew Pot” Reeves, age thirty-one, returns home to live with his mom in Parkland, a black middle-class neighborhood on Chicago’s South Side. The residents are in a tailspin, dreading the arrival of the man they remember as a frightening delinquent. The anxiety only grows when Stew Pot announces that he experienced a religious awakening in prison. Most folks are skeptical, with one notable exception: Mrs. Motley, a widowed retired librarian and the Reeves’ next-door neighbor, who loans Stew Pot a Bible, which is seen by him and many in the community as a friendly gesture. With uncompromising fervor (and with a new pit bull named John the Baptist), Stew Pot soon appoints himself the moral judge of Parkland—and starts wreaking havoc on people’s lives. Before long, tension and suspicion reign, and this close-knit community must reckon with questions of faith, fear, and forgiveness . . . “[A] novel of epiphanies, tragedies, and transformations . . . perfect for book clubs.” —Booklist, starred review “May slowly builds suspense as he persuasively unfolds the narrative in this work that reads like an Agatha Christie mystery.” —Library Journal “A wonderful

urban novel full of vitality and pathos and grit.” —Dennis Lehane

1980 s trivia questions and answers: The Book of Questions Gregory Stock, 2013-09-10 The phenomenon returns! Originally published in 1987, The Book of Questions, a New York Times bestseller, has been completely revised and updated to incorporate the myriad cultural shifts and hot-button issues of the past twenty-five years, making it current and even more appealing. This is a book for personal growth, a tool for deepening relationships, a lively conversation starter for the family dinner table, a fun way to pass the time in the car. It poses over 300 questions that invite people to explore the most fascinating of subjects: themselves and how they really feel about the world. The revised edition includes more than 100 all-new questions that delve into such topics as the disappearing border between man and machine—How would you react if you learned that a sad and beautiful poem that touched you deeply had been written by a computer? The challenges of being a parent—Would you completely rewrite your child's college-application essays if it would help him get into a better school? The never-endingly interesting topic of sex—Would you be willing to give up sex for a year if you knew it would give you a much deeper sense of peace than you now have? And of course the meaning of it all—If you were handed an envelope with the date of your death inside, and you knew you could do nothing to alter your fate, would you look? The Book of Questions may be the only publication that challenges—and even changes—the way you view the world, without offering a single opinion of its own.

1980 s trivia questions and answers: The Totally Sweet 90s Gael Fashingbauer Cooper, Brian Belmont, 2013-06-04 If you can tell the difference between the Petes in Pete & Pete, know every step to the Macarena by heart, and remember when The Real World was about more than just drunken hookups, The Totally Sweet '90s will be a welcome trip down memory lane. With this hella cool guide, you'll reminisce about that glorious decade when Beanie Babies seemed like a smart economic investment and Kris Kross had you wearing your pants backward. Whether you contracted dysentery on the Oregon Trail or longed to attend Janet Reno's Dance Party, you'll get a kick out of seeing which toys, treats, and trends stayed around, and which flopped. So throw your ponytail into a scrunchie, take a swig from your can of Surge, and join us on this ride through the unforgettable (and sometimes unforgivable) trends of the '90s.

1980 s trivia questions and answers: The Other Wes Moore Wes Moore, 2011-01-11 NEW YORK TIMES BESTSELLER • From the governor of Maryland, the “compassionate” (People), “startling” (Baltimore Sun), “moving” (Chicago Tribune) true story of two kids with the same name: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn't

shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they'd hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world.

1980 s trivia questions and answers: *One Crazy Summer* Rita Williams-Garcia, 2010-01-26 Eleven-year-old Delphine has it together. Even though her mother, Cecile, abandoned her and her younger sisters, Vonetta and Fern, seven years ago. Even though her father and Big Ma will send them from Brooklyn to Oakland, California, to stay with Cecile for the summer. And even though Delphine will have to take care of her sisters, as usual, and learn the truth about the missing pieces of the past. When the girls arrive in Oakland in the summer of 1968, Cecile wants nothing to do with

them. She makes them eat Chinese takeout dinners, forbids them to enter her kitchen, and never explains the strange visitors with Afros and black berets who knock on her door. Rather than spend time with them, Cecile sends Delphine, Vonetta, and Fern to a summer camp sponsored by a revolutionary group, the Black Panthers, where the girls get a radical new education. Set during one of the most tumultuous years in recent American history, one crazy summer is the heartbreaking, funny tale of three girls in search of the mother who abandoned them—an unforgettable story told by a distinguished author of books for children and teens, Rita Williams-Garcia.

1980 s trivia questions and answers: The Giver Lois Lowry, 2014 *The Giver*, the 1994 Newbery Medal winner, has become one of the most influential novels of our time. The haunting story centers on twelve-year-old Jonas, who lives in a seemingly ideal, if colorless, world of conformity and contentment. Not until he is given his life assignment as the Receiver of Memory does he begin to understand the dark, complex secrets behind his fragile community. This movie tie-in edition features cover art from the movie and exclusive Q&A with members of the cast, including Taylor Swift, Brenton Thwaites and Cameron Monaghan.

1980 s trivia questions and answers: The Penguin Book Quiz James Walton, 2019-10-03 THE PERFECT QUIZ BOOK FOR BOOKWORMS! Which Haruki Murakami novel shares its title with a Beatles song? In Roald Dahl's *Charlie and the Chocolate Factory*, what is Charlie's surname? What is heavy-drinking Rachel Watson known as in the title of a 21st-century bestseller? And what do you get if you add the number of Bennet sisters in Jane Austen's *Pride and Prejudice* to the number of Karamazov brothers in Fyodor Dostoevsky's *The Brothers Karamazov*? With four hundred questions covering books from literary classics to modern bestsellers, through iconic children's books and books you say that you've read but really you haven't, *The Penguin Book Quiz* is as appropriate for a making you look well-read at a party as it is for a book-loving family to tuck into after Christmas dinner: it's as enjoyable to read as it is to play. 1980 s trivia questions and answers: New York Times: The Times of the Eighties The New York Times, William Grimes, 2013-07-08 From our nation's best source of in-depth daily reporting comes this sweeping retrospective of the news, culture, and personalities of the decade of the 1980s, as told through hundreds of handselected articles and compelling original commentary in this unique and fascinating book. There is no better record of history than the archives of The New York Times. Now, more than 200 articles from the great decade of the 1980s are culled from these archives and carefully curated, by editor and Times writer William Grimes, to create one complete, compelling, historical and nostalgic collection. Organized by sections such as politics, business, science & health, sports, arts & entertainment, food, obituaries, and more, *The Times of the Eighties* covers the biggest stories that shaped the 1980s. Articles include coverage of historic events like Wall Street's Black Monday, the Iran-Contra scandal, Tiananmen Square, the Challenger disaster,

the Human Genome Project, the collapse of communism, and the introduction of the personal computer by IBM; cultural highlights like the launch of MTV, Ted Turner's establishment of CNN, the Cabbage Patch doll craze, reviews of movies like E.T., Terminator, Raging Bull, and Tootsie, and features on musicians like Michael Jackson, Joan Jett, U2, Wham, Blondie, and more; plus pieces on personalities like Mikhail Gorbachev, Princess Diana, Ronald Reagan, Margaret Thatcher, Pete Rose, Bill Cosby, and more. The stories are penned by well-known Times writers like William Safire, Frank Rich, Anna Quindlen, Serge Schmemmann, Russell Baker, Nan C. Robertson, Thomas L. Friedman, Linda Greenhouse, Bill Keller, Clyde Haberman, Paul Goldberger, Francis X. Clines, John Noble Wilford, Nicholas Kristof, Fox Butterfield, John Rockwell, Anthony Lewis, and many more. Grimes guides readers through the articles he's selected with commentary that puts the stories into historical context and explores the impact that these events and individuals eventually had on the future. Hundreds of color photographs from the Times and other sources illuminate the stories throughout.

1980 s trivia questions and answers: Why We Remember Charan Ranganath, 2024-02-20 NEW YORK TIMES BESTSELLER • LOS ANGELES TIMES BESTSELLER • Memory is far more than a record of the past. In this groundbreaking tour of the mind and brain, one of the world's top memory researchers reveals the powerful role memory plays in nearly every aspect of our lives, from recalling faces and names, to learning, decision-making, trauma and healing. Why We Remember offers a radically new and engaging explanation of how and why we remember. —Dr. Matthew Walker, author of Why We Sleep Prominent neuroscientist and Guggenheim Fellow Charan Ranganath guides us through the science of our memories with incredible insight and clear science. He combines fascinating tales of the peculiarities of memory with practical, actionable steps. Not only will every reader remember better afterward, they'll also never forget this life-changing book.” —Siddhartha Mukherjee, Pulitzer Prize-winning author of The Emperor of Maladies and Gene A new understanding of memory is emerging from the latest scientific research. In Why We Remember, pioneering neuroscientist and psychologist Charan Ranganath radically reframes the way we think about the everyday act of remembering. Combining accessible language with cutting-edge research, he reveals the surprising ways our brains record the past and how we use that information to understand who we are in the present, and to imagine and plan for the future. Memory, Dr. Ranganath shows, is a highly transformative force that shapes how we experience the world in often invisible and sometimes destructive ways. Knowing this can help us with daily remembering tasks, like finding our keys, and with the challenge of memory loss as we age. What's more, when we work with the brain's ability to learn and reinterpret past events, we can heal trauma, shed our biases, learn faster, and grow in self-awareness. Including fascinating studies and examples from pop

culture, and drawing on Ranganath's life as a scientist, father, and child of immigrants, *Why We Remember* is a captivating read that unveils the hidden role memory plays throughout our lives. When we understand its power-- and its quirks--we can cut through the clutter and remember the things we want to remember. We can make freer choices and plan a happier future.

1980 s trivia questions and answers: The Will of the Creator Sammy Levitt, 2021-03-21 *The Will of the Creator* is the story of a serial killer in Philadelphia in the early 1980s. Charley, a Vietnam veteran who was sent home from the war after sustaining a gunshot wound to his head, is a main character. Charley, back in the States, receives brain surgery and is saved. Unfortunately, during his operation, Charley had a stroke. He opens a luncheonette along with his wife. The business fails, and Charley loses his mind. He blames homeless people for his failure and goes on a murderous rampage. The main character of the novel is Augie. He is a Philadelphia-area boxer who had his promising career obstructed by alcohol and drugs. Augie (based on a real boxer) made an unlikely and remarkable comeback in his thirties, going to the top of the charts. Augie got his chance at the title but lost it at the Philadelphia Spectrum. He fought once more and won a narrow decision but didn't look good. He retired and worked selling soft pretzels and water ice from a wooden cart in west Philadelphia just as his Greek immigrant father had. He was in his mid 30's and worked out at a local gym. One day while sparring with a younger boxer he was hit in the head with a jarring left-hook. He collapsed unconscious in the ring. Then, he was rushed by ambulance to the hospital. It was determined that a major blood vessel near his brain had been ruptured. A major surgery was performed and he was saved. However a severe stroke occurred during the operation and Augie came out of it unable to walk or even communicate. Augie learn to walk again first with a cane, then independently. He reads, listens to a lot of talk radio, plays the horses, and seriously follows baseball. He pursues his dream of being a baseball writer and even begins to write a book about his life and remarkable career. Augie learns from his best friend about a series of murders in the city. The victims are vagrants who are all stabbed in a unique way. There are four victims when Augie learns of them. Charley, like Augie, listens to a lot of local talk radio. Augie hears Charley inadvertently say things that link him to the murders. And by the condition of the bodies, which rise to the number of ten over three years, Augie determines that Charley is the killer. The book also tells the story of local and international R&B singer Teddy Pendergrass, who has a car accident and is paralyzed. His story post-accident fits into this theme of faith, rehabilitation, and hope.

1980 s trivia questions and answers: The Game Boy Encyclopedia Chris Scullion, 2024-11-30 *The Game Boy Encyclopedia* is the sixth book in Scottish author and journalist Chris Scullion's critically-acclaimed series of video game encyclopedias. There are few video game systems as iconic and important as the Nintendo Game Boy. Released in 1989, the handheld's humble green-tinted display allowed for a low-cost portable console that won over players where it mattered most: the quality of its games. From huge early successes like the iconic Tetris and Super Mario Land to its revival years later with the groundbreaking Pokémon games, the Game Boy stands proudly as one of the greatest gaming systems ever. Its 1998 successor, the Game Boy Color, addressed the one main weak spot in the Game Boy's armor and offered full-color games. Combined, nearly 120 million Game Boy and Game Boy Color handhelds were sold worldwide, with

both models playing a huge role in so many childhoods (and adulthoods). This book contains every game released in the west for both handhelds: around 580 on the Game Boy and around 560 on the Game Boy Color. With around 1,150 games covered in total, screenshots and trivia factoids for every single title and a light-hearted writing style designed for an informative but entertaining read, The Game Boy Encyclopedia is the definitive guide to a legendary gaming platform.

Many of the biographies are accompanied by interviews with the host or his family and friends.

1980 s trivia questions and answers: Out of Time? Elena Backhausen, Benjamin Wihstutz, Noa Winter, 2023-07-10 Out of Time? has many different meanings, amongst them outmoded, out of step, under time pressure, no time left, or simply delayed. In the disability context, it may also refer to resistant attitudes of living in "crip time" that contradict time as a linear process with a more or less predictable future. According to Alison Kafer, "crip time bends the clock to meet disabled bodies and minds." What does this mean in the disability arts? What new concepts of accessibility, crip futures, and crip resistance can be staged or created by disability performance? And how does the notion of "out of time" connect crip time with pandemic time in disability performance? The collective volume seeks to respond to these questions by exploring crip time in disability performance as both a concept and a phenomenon. The book tackles the topic from two angles: on the one hand from a theoretical point of view that connects performance analysis with crip and performance theory, on the other hand from a practice-based perspective of disability artists who develop new concepts and dramaturgies of crip time based on their own lived experiences and observations in the field of the performing and disability arts. The book gathers different types of text genres, forms, and styles that mirror the diversity of their authors. Besides theoretical and academic chapters on disability performance, the book also includes essays, poems, dramatic texts, and choreographic concepts that reflect upon the alternative knowledge in the disability arts.

1980 s trivia questions and answers: Happiness by Design Paul Dolan, 2014-08-28 As a Professor of Behavioural Science at the London School of Economics, Dolan conducts original research into the measurement of happiness and its causes and consequences, including the effects of our behaviour. Here he creates a new outlook on the pursuit of happiness - it's not just how you feel, it's how you act. Happiness by Design shows that being happier requires us to actively re-design our immediate environment. Enough has been written on how to think happy. Happiness by Design is about how to behave happy and how to incorporate the most recent research findings into our everyday lives.

1980 s trivia questions and answers: *They Call Me Baba Booe* Gary Dell'Abate, Chad Millman, 2011-05-31 NEW YORK TIMES BESTSELLER Includes all-new ma-ma-material! ALL NEW CHAPTER: Baba Booe's Afghanistan Journal! and . . . the Shvoogie Buzzer story! One of pop culture's great enduring unsung heroes: Gary Dell'Abate, Howard Stern Show producer, miracle worker, professional good sport, and servant to the King of All Media, tells the story of his early years and reveals how his chaotic childhood and early obsessions prepared him for life at the center of the greatest show on earth. Baba Booe! Baba Booe! It was a slip of the tongue—that unfortunately was heard by a few million listeners—but in that split second a nickname, a persona, a rallying cry, and a phenomenon was born. Some would say it was the moment Gary Dell'Abate, the long-suffering heroic producer of *The Howard Stern Show*, for better or worse, finally came into his own. In *They Call Me Baba Booe*, Dell'Abate explains how his early life was the perfect training ground for the day-to-day chaos that comes with producing the most popular radio show on earth. Growing up on Long Island in the 1970s, the youngest of three boys born to a clinically depressed mother, Gary learned how to fend for himself when under attack. Obsessed with music, he listened with religious intensity to Casey Kasem's Top 40 every Sunday morning, compulsively bought 45s of

his favorite songs, and nerdily copied the lyrics into a notebook. Music became an ordering principle to his life, even as the chaos at home got out of hand. Dell'Abate's memoir sketches the trajectory from the obsessive pop-music trivia buff to the man in the beekeeper's mask who handily defeats his opponents playing "Stump the Booe." We learn about the memorable moments in his life that taught him to endure epic bouts of humiliation and get his unique perspective on some of his favorite Stern show episodes—such as the day he nearly killed the Mets mascot while throwing out the first pitch, or the time his mother called Howard's mother and demanded an apology. Hilarious, painful, and eye-opening, it's Gary as you've never seen him before, telling a story that even Stern show insiders can't begin to imagine.

1980 s trivia questions and answers: QUIZSHEETS Graham Redman, 2013-11 These sheets should be useful to anybody who writes pub quizzes or a quiz for a charity fund-raising event, or they can be used as a bank of questions, or even just to challenge yourself. They are designed to be photocopied as a written quiz and hence they have spaces for the answers and team names. There are 80 sheets with an average of about 25 questions on each, that's over 2000 questions. They are called 'Half Time Quiz' because you can use them for the written part of the quiz which is usually handed in at 'half time' or the interval for marking. This is the part of the quiz that can take much longer to compile.
