Escape the Everyday: Your Ultimate Guide to a Transformative 30-Day Wellness Retreat

Are you feeling overwhelmed, burnt out, or simply disconnected from yourself? Do you crave a profound shift in your well-being, a chance to truly reset and recharge? Then a 30-day wellness retreat might be the answer you've been searching for. This comprehensive guide dives deep into what you can expect from a month-long immersion in wellness, exploring the transformative benefits, potential locations, and everything you need to know before embarking on this life-changing journey. We'll cover everything from choosing the right retreat to preparing yourself mentally and physically, ensuring you get the most out of your 30-day wellness retreat.

Understanding the Power of a 30-Day Wellness Retreat

Unlike shorter retreats, a 30-day program offers unparalleled depth and transformative potential. This extended period allows for significant shifts in habits, deeper self-discovery, and lasting changes to your physical and mental health. Instead of a quick fix, you're investing in a sustained period of self-care, fostering a genuine and lasting connection with your inner self.

What to Expect: A 30-day wellness retreat typically incorporates a variety of practices designed to promote holistic well-being. This might include:

Yoga and Meditation: Daily practices to cultivate mindfulness, reduce stress, and improve flexibility and strength.

Healthy Eating: Nutritious, often plant-based, meals designed to nourish your body and boost energy levels. Many retreats offer cooking classes to help you integrate healthy eating into your life after the retreat.

Fitness Activities: Hiking, swimming, Pilates, or other activities tailored to your fitness level, promoting physical health and connecting you with nature.

Mindfulness and Self-Reflection: Journaling, guided meditations, workshops, and individual sessions designed to help you understand your thoughts, emotions, and behaviors.

Therapeutic Modalities: Some retreats offer access to therapies such as massage, acupuncture, or energy healing, promoting deep relaxation and physical healing.

Nature Immersion: Many retreats are located in beautiful natural settings, allowing you to connect with the healing power of nature.

Choosing the Right 30-Day Wellness Retreat for You

The key to a successful retreat is finding one that aligns with your individual needs and goals. Consider these factors:

Location: Do you prefer a tropical beach setting, a serene mountain retreat, or a bustling urban center with access to cultural experiences? The environment significantly impacts the overall experience.

Program Focus: Some retreats specialize in yoga, others in detox, while some offer a more holistic approach encompassing various modalities. Identify your priorities – stress reduction, weight loss, spiritual growth, etc. – and choose a program that aligns with them.

Accommodation: From luxurious private villas to comfortable shared rooms, accommodation options vary widely. Consider your budget and comfort preferences.

Instructors and Staff: Research the qualifications and experience of the instructors and staff. Look for retreats with experienced and compassionate professionals.

Reviews and Testimonials: Read reviews from previous participants to gauge their experience and get a sense of the retreat's atmosphere and effectiveness.

Preparing for Your 30-Day Wellness Retreat

The preparation phase is crucial for maximizing the benefits of your retreat. Consider these steps:

Physical Preparation: Begin incorporating healthy habits into your routine weeks before the retreat, such as increased water intake, mindful eating, and regular exercise. This will help your body adapt more easily to the retreat's program.

Mental Preparation: Start practicing mindfulness techniques, such as meditation or deep breathing, to prepare yourself for the introspection and self-reflection that will be part of the experience.

Practical Preparations: Make arrangements for your work, family responsibilities, and travel. Pack lightly, focusing on comfortable clothing suitable for the activities planned. Let go of any unnecessary commitments or distractions.

Beyond the Retreat: Integrating Wellness into Your Life

The true value of a 30-day wellness retreat lies in its lasting impact. To sustain the positive changes you've experienced, consider these strategies:

Maintain Healthy Habits: Continue practicing yoga, meditation, and mindful eating.

Connect with Your Support System: Share your experience with friends and

family who understand and support your wellness journey.

Seek Ongoing Support: Consider joining a support group or working with a coach or therapist to maintain your momentum.

Incorporate Nature: Find ways to incorporate nature into your daily life, even if it's just a short walk in the park.

Conclusion

A 30-day wellness retreat is a significant investment in yourself, a journey of self-discovery and transformation. It's an opportunity to prioritize your well-being, break free from unhealthy patterns, and cultivate a deeper connection with yourself and the world around you. By carefully choosing the right retreat and preparing yourself adequately, you can embark on a truly life-changing experience. Remember, the journey to lasting wellness is a continuous process, and a 30-day retreat serves as a powerful catalyst for positive, lasting change.

Frequently Asked Questions (FAQs)

1. How much does a 30-day wellness retreat cost? The cost varies significantly depending on the location, amenities, and program offered. Prices can range from a few thousand dollars to tens of thousands.
1. What if I have pre-existing health conditions? It's crucial to inform the retreat organizers about any health conditions before booking. Many retreats can accommodate various needs, but some may not be suitable for certain conditions.
1. Will I be able to stay connected with the outside world? The level of connectivity varies between retreats. Some offer limited internet access, while others encourage a complete digital detox. Clarify this with the organizers beforehand.
1. What if I don't like the retreat or the program? Most reputable retreats offer clear cancellation policies. However, it's wise to thoroughly research and choose a retreat that aligns with your needs and expectations before booking.

1. What kind of clothing should I pack? Pack comfortable, loose-fitting clothing suitable for yoga, exercise, and relaxation. Consider the climate of the location and pack accordingly, including layers for cooler evenings.

30 day wellness retreat: ZEN JUNGLE | the Holistic Masterclass in How to Truly LOVE LIFE Zen Jungle, 2020-12-07 Includes FREE online members only area with materials to assist transformation and learning. Does anybody truly and deeply love life? Or is that simply a story, a pipe dream, told by people who want to sell you something? This masterclass began with an ultimate belief that there must be something more, something we are all missing. After all, how could life be such a mess of roles to play, expectations to meet, anxiety, blame, guilt, opinion and conflict; causing endless and involuntary overthinking? We seem to live a cycle of perpetual optimism that we never satisfy; we chase happiness for tomorrow, rarely experiencing it right now, in the present moment. It turns out, the problem is not the problem, the problem is your thoughts about the problem. The mind is the most powerful tool on the planet and we were never taught to use it. We can't choose our thoughts or even choose when and when not to think. It is not life, but our thoughts about life that take our peace, and make true happiness hard to find or sustain. Zen Jungle is an 11 step masterclass. A transformational journey through wisdom that works. The secrets of the mind, thought and the universe itself are unlocked, as you unlearn lifelong conditioning and create a whole

new relationship between the world outside and yourself inside. Diverse and comprehensive, this masterclass helps you to discover a state of being where fulfilment, joy, love, adventure and peace reign. It's a path to the only true freedom, freedom from your mind and that voice in your head. If you want the secret of how to truly love life, or seek truth, awakening, enlightenment and deep moment to moment fulfilment, this will surely become your go to manual. Find out more on the Zen Jungle website where helpful supplemental materials are also available. An online course and international retreats are also coming soon.

30 day wellness retreat: Dr. Kellyann's Cleanse and Reset Kellyann Petrucci, MS, ND, 2019-12-03 Combat and prevent the effects of burnout with a detoxifying and nourishing cleanse program that liberates your body from poisons that make you sick, tired, and overweight—from the New York Times bestselling author of Dr. Kellyann's Bone Broth Diet and The 10-Day Belly Slimdown “If you are feeling tired, unhealthy, and emotionally burned-out and want a fresh way to rejuvenate, Kellyann has a message for you: she’s been where you are. And she knows the way out.”—Mehmet Oz, MD “Dr. Kellyann Petrucci has done a terrific job bringing the science of detoxification to the table. This is a top-notch way to deal with the multiple toxic challenges posed by our modern world.”—David Perlmutter, MD, #1 New York Times bestselling author of Grain Brain and Brain Wash Whether from stressful times like the holidays or from the demands of your regular routine, your body naturally becomes depleted over time, making it even more difficult to lose weight and maintain the energy and vitality you need to get through the day. This is something Dr. Kellyann Petrucci experienced firsthand in 2017 while she was writing her last book, doing nonstop TV appearances, and running her business. She gained 20 pounds, her hormones went haywire, and she was at a loss for how to turn things around. She decided it was time to hit the reset button and created her simplest plan yet, specifically designed to help the millions of women who are overweight, overworked, and overextended get reenergized both physically and mentally. This is a comfortable, incredibly powerful 5-day cleanse protocol that resets your metabolism, giving you the kind of quick, confidence-boosting results you need to get back on a healthy track. The power ingredient in the Cleanse and Reset is collagen, which improves skin elasticity and brings back that coveted youthful glow, eases joint pain, heals leaky gut, supports weight management, and has anti-inflammatory properties. The healing and reparative smoothies, shakes, soups, and bone broth blends that you’ll enjoy on the 5-day cleanse are packed with collagen and can be adapted to any diet, with a focus on modifying the cleanse for the keto diet (along with great collagen alternatives for vegetarians and vegans!). The program also includes an optional 1-day “keto push” that you can follow for an extra boost the day before you begin your cleanse. Dr. Kellyann's Cleanse and Reset will help you slim your body, deep-cleanse your cells, and reclaim your energy and focus so you can start feeling truly good again.

30 day wellness retreat: Choose Again Diederik J. Wolsak, 2018-05 Diederik Wolsak's Choose Again Six-Step Process has been quietly transforming lives for more than 20 years. His clients have begged him to write a book so that his life-changing technique can be widely shared, and now here it is CHOOSE AGAIN tells the inspiring story of Diederik's journey from childhood in a Japanese concentration camp to his healing center in Costa Rica. As he transformed himself from a self-destructive, self-loathing bully to an extraordinary healer, he devised the Process that turned his life around-and which can dramatically increase the joy and peace in your life. By mastering the Choose Again Six-Step process, you can expect to decrease stress, increase joy, improve all your relationships, and transform your life for good. This deceptively simple method is now yours, to enable you to discover greater happiness than you ever thought possible. It is with great enthusiasm that we recommend this book to you. Treat it with utmost respect, for it has the power and the potential to truly change your life. - from the Foreword by Gerald Jampolsky, M.D., Founder of Attitudinal Healing, Author of Love is Letting Go of Fear From his early sorrows, and from the later suffering he engendered for himself as a result, Diederik Wolsak has fashioned a practical, six-step program to self-liberation. He transmits his teaching directly and eloquently, and with unsparing honesty. He has already helped many fellow humans; with this book he can help many more. - Gabor

30 day wellness retreat: ChiWalking Danny Dreyer, Katherine Dreyer, 2009-11-24 From the authors of the bestselling *ChiRunning* comes a revolutionary program that blends the health benefits of walking with the core principles of T'ai Chi to deliver maximum physical, mental, and spiritual fitness. The low-impact health benefits of walking have made it one of the most popular forms of daily exercise. Yet few people experience all the benefits that walking can offer. In *ChiWalking*, Danny and Katherine Dreyer, well-known walking and running coaches, teach the walking technique they created that transforms walking from a mundane means of locomotion into an intensely rewarding practice that enhances mental, emotional, and physical well-being. Similar to Pilates, yoga, and T'ai Chi, *ChiWalking* emphasizes body alignment and mindfulness while strengthening the core muscles of the body. The five mindful steps of the *ChiWalking* program will get anyone, regardless of age or athletic ability, into great shape from head to toe, inside and out. 1. Get aligned. Develop great posture and better balance. 2. Engage your core. Make back and knee pain disappear. 3. Create balance. Walk faster, farther, and with less effort. 4. Make a choice. Choose from a menu of twelve great walks such as the Cardio Walk, the Energizing Walk, or the Walking Meditation, to keep your exercise program fresh. 5. Move forward. Make walking any distance a mindful, enjoyable experience, whether you're a beginner or a seasoned walker.

30 day wellness retreat: The Hoffman Process Tim Laurence, 2007-12-18 For more than 35 years, the Hoffman Process has been recognized as one of the most potent transformational processes; however, the 8-day residential program is out of reach for most people. Now, Tim Laurence reveals this powerful methodology with warmth and clarity. Using practical exercises, personal stories, case histories, and insightful commentary, Laurence skillfully teaches how to identify and resolve the inherited patterns of behavior that cause emotional and spiritual pain. In this book readers will learn powerful ways to: Break the compulsive patterns that run your life, exercise your own free will, and regain control of your thoughts and behavior Free up energy by releasing your pent-up resentments and directly experience your own spirituality Identify what you really want in life, and finally make the changes you have been putting off for years The Hoffman Process is endorsed by an extraordinary array of experts and leaders from all walks of life, and it includes the results of a grant research study proving the long-term effectiveness of the Process.

30 day wellness retreat: Refuge Recovery Noah Levine, 2014-06-10 Bestselling author and renowned Buddhist teacher Noah Levine adapts the Buddha's Four Noble Truths and Eight Fold Path into a proven and systematic approach to recovery from alcohol and drug addiction—an indispensable alternative to the 12-step program. While many desperately need the help of the 12-step recovery program, the traditional AA model's focus on an external higher power can alienate people who don't connect with its religious tenets. *Refuge Recovery* is a systematic method based on Buddhist principles, which integrates scientific, non-theistic, and psychological insight. Viewing addiction as cravings in the mind and body, Levine shows how a path of meditative awareness can alleviate those desires and ease suffering. *Refuge Recovery* includes daily meditation practices, written investigations that explore the causes and conditions of our addictions, and advice and inspiration for finding or creating a community to help you heal and awaken. Practical yet compassionate, Levine's successful *Refuge Recovery* system is designed for anyone interested in a non-theistic approach to recovery and requires no previous experience or knowledge of Buddhism or meditation.

30 day wellness retreat: The 4 Day Diet Ian K. Smith, M.D., 2010-04-01 Dr. Ian demands big results from his diet plans: whether on VH1's *Celebrity Fit Club*, State Farm's 50 Million Pound Challenge or his numerous inspirational appearances across the country, his advice has helped countless numbers of dieters lose millions of pounds. With over twenty years of experience watching how and why dieters lose weight—and how they don't—Dr. Ian developed a program that actually retrains the brain to diet naturally. In *The 4 Day Diet*, Dr. Ian distills that program into the acronym SMARTER: --Sense of where you are: don't fool yourself about your habits and what kind of shape you're in --Make realistic goals: don't sabotage your success by trying to do too much too fast

--Activate your motivational engine: learn how to be your own best diet coach --Resist temptation: how to put yourself in an environment that supports your diet and keeps you disciplined --Think thin: why visualization works --Every bite counts: track your intake, but learn how to enjoy what you eat more at the same time --Reward yourself: indulge yourself in small and big ways along the road to permanent weight loss

30 day wellness retreat: Sanatoriums of New Mexico Richard Melzer, 2014 Tuberculosis, also known as consumption, the White Plague, or simply TB, was the number-one killer in the United States in the late 19th and early 20th centuries. Many physicians of the era advised their patients to chase the cure for tuberculosis in the Southwest, where the regions clean, dry, fresh air, high altitude, and sunshine offered relief for most and recovery for some. New Mexico, called the well country, was particularly eager to promote itself as a mecca for lungers with the coming of the railroad to the territory in 1880 and the creation of many new hospitals, known as sanitariums or sanatoriums (sans), which specialized in the treatment of TB. This is a brief history of New Mexico sans, their patients, and the doctors, nurses, and staff who served them during the golden age of the TB industry, from the turn of the 20th century to the eve of World War II.--

30 day wellness retreat: 21 Pounds in 21 Days Roni DeLuz, James Hester, 2009-12-29 Detox diets are making news as the quickest, easiest way to shed pounds, boost your energy, and get yourself on a wellness track. Popular in the 1970s, cleansing fasts are again all the rage among celebrities like Gisele Bundchen, Gwyneth Paltrow, Stella McCartney, and Madonna. One of the key advocates of the health benefits of cleansing detoxes is Roni DeLuz, ND, a licensed naturopathic and health practitioner at Martha's Vineyard Holistic Retreat, part of the renowned Martha's Vineyard Inn. The idea behind DeLuz's new detox plan is the belief that the foods we eat (along with the coffee, tea, and alcohol we drink and the air we breathe) contain harmful and toxic substances that accumulate in our bodies and need to be removed in some way. In 21 Pounds in 21 Days, DeLuz offers three different detox programs, including the original and most effective 21-day MasterFast, which promises a 21-pound weight loss in just three weeks and focuses on detoxification through antioxidants, fasting, stress reduction, and lifestyle changes. Also included in the book are: *maintenance plans *dozens of easy, delicious recipes *real-life tips *an extensive glossary of terms *a guide to supplements Meals consist of supplement-laden drinks, herbal teas, thick, delicious vegetable purees, and live juices, along with nutritional supplements, vitamins, and enzymes designed to keep the body's systems stable and its cells nourished while harmful toxins are flushed out. 21 Pounds in 21 Days isn't just for those looking to lose weight; everyone can benefit from this

revolutionary detox diet that results in a clean, refreshed system that functions at its best.

30 day wellness retreat: *Inner Engineering* Sadhguru, 2016-09-20 NEW YORK TIMES BESTSELLER • Thought leader, visionary, philanthropist, mystic, and yogi Sadhguru presents Western readers with a time-tested path to achieving absolute well-being: the classical science of yoga. “A loving invitation to live our best lives and a profound reassurance of why and how we can.”—Sir Ken Robinson, author of *The Element*, *Finding Your Element*, and *Out of Our Minds: Learning to Be Creative* NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY SPIRITUALITY & HEALTH The practice of hatha yoga, as we commonly know it, is but one of eight branches of the body of knowledge that is yoga. In fact, yoga is a sophisticated system of self-empowerment that is capable of harnessing and activating inner energies in such a way that your body and mind function at their optimal capacity. It is a means to create inner situations exactly the way you want them, turning you into the architect of your own joy. A yogi lives life in this expansive state, and in this transformative book Sadhguru tells the story of his own awakening, from a boy with an unusual affinity for the natural world to a young daredevil who crossed the Indian continent on his motorcycle. He relates the moment of his enlightenment on a mountaintop in southern India, where time stood still and he emerged radically changed. Today, as the founder of Isha, an organization devoted to humanitarian causes, he lights the path for millions. The term guru, he notes, means “dispeller of darkness, someone who opens the door for you. . . . As a guru, I have no doctrine to teach, no philosophy to impart, no belief to propagate. And that is because the only solution for all the ills that plague humanity is self-transformation. Self-transformation means that nothing of the old remains. It is a dimensional shift in the way you perceive and experience life.” The wisdom distilled in this accessible, profound, and engaging book offers readers time-tested tools that are fresh, alive, and radiantly new. *Inner Engineering* presents a revolutionary way of thinking about our agency and our humanity and the opportunity to achieve nothing less than a life of joy.

30 day wellness retreat: *InnerFitness* Nordine Zouareg, 2021-01-26 The goal to improving one's life begins internally. By addressing the quality of your mental state—whether fear, doubt, anxiety, depression—you can achieve a positive self-worth and improve your quality of life. It all begins with you! All of us, at one point in our lives, have wondered if we are able to make the decisions or choices that will turn our lives around. Can I begin that work project I have been putting off? What about the diet that will help me lose weight and get healthy? Can I salvage the marriage that's ripping at the seams? What do I do after losing my job? The hardest part can be taking that first step toward such a goal, and the fear can be overpowering. That is the goal of *InnerFitness*. Former Mr. Universe, Nordine Zouareg, learned that while his outer self was chiseled out of stone, his inner self was crumbling. Rather than giving up, Nordine looked back on his life and actively reflected on the emotions that affected who he had become. From that point forward, his goal was not only to improve the quality of his life, but that of others. During such self-exploration, he noted five key issues to personal improvement. They are: self-worth trust tranquility body desire to fight By exposing these five basic issues which hold us back, Nordine shows how to be empowered, have emotional clarity, and consistently choose freedom over fear, success over self-sabotage, confidence over insecurity, and courage over passivity. In essence, retraining your brain from “I'm not enough” to “I'm good enough.” *InnerFitness* explains how to manage your inner voice—the one which tells us we're not good enough, that we cannot succeed. By taking such steps, like celebrating victories (large or small) and seeing failures only as temporary and instructional, you will be on a path to loving yourself for who you are...which is the first step to a happier life.

30 day wellness retreat: Speaking with Nature Sandra Ingerman, Llyn Roberts, 2015-04-23 Connecting with nature and nature beings to help heal us and the Earth • Provides experiential practices to communicate with nature and access the creative power of the Earth • Shares transformative wisdom teachings from conversations with nature beings, such as Snowy Owl, Snake, Blackberry, Mushroom, and Glacial Silt, exploring the role of each in bringing balance to the planet Nature and the Earth are conscious. They speak to us through our dreams, intuition, and deep longings. By opening our minds, hearts, and senses we can consciously awaken to the magic of the wild, the rhythms of nature, and the profound feminine wisdom of the Earth. We can connect with nature spirits who have deep compassion and love for us, offering their guidance and support as we each make our journey through life. Renowned shamanic teachers Sandra Ingerman and Llyn Roberts explain how anyone can access the spirit of nature whether through animals, plants, trees, or insects, or through other nature beings such as Mist or Sand. They share transformative wisdom teachings from their own conversations with nature spirits, such as Snowy Owl, Snake, Blackberry, Mushroom, and Glacial Silt, revealing powerful lessons about the feminine qualities of nature and about the reader's role in the healing of the Earth. They provide a wealth of experiential practices that allow each of us to connect with the creative power of nature. Full of rich imagery, these approaches can be used in a backyard, in the wilderness, in a city park, or even purely through imagination, allowing anyone to communicate with and seek guidance from nature beings no matter where you live. By communing and musing with nature, we learn how to speak to the spirit that lives in all things, bringing balance to us and the planet. By tapping into the feminine wisdom of the Earth, we evoke a deep sense of belonging with the natural world and cultivate our inner landscape, planting the seeds for harmony and a natural state of joy.

30 day wellness retreat: Mr Hudson Explores Gestalten, Robert Klanten, 2019-04-23 Based on Mr Hudson's identity, the book is featuring destinations for gays, but not necessarily gay destinations. It is about travelling in style for everyone who is looking for something different and special - no matter if men or women, travelling solo or as a couple. *Mr Hudson Explores* shows that every part of a trip is an incredible experience. The core content of the book will consist of 20 cities in the Northern Hemisphere and showcases the very best the destination has to offer. Each guide will give a general introduction to the city and, if applicable, its relevance for the gay community. It showcases various locations on culture and art, the most inspiring museum to visit, traditional and upcoming food places, best shopping experiences, music and nightlife: Where to go out, which bars do have the best drinks, and clubs you can have the most fun at the city's best parties and concerts. Depending on the location, day trips and activities can be included. Luxury accommodations and places to stay complete the range. The book will not just give descriptions of the places but also

background information, telling the story of the owner, history or anecdotes.

30 day wellness retreat: *The Placebo Diet* Janet Thomson, MSc, 2016-02-02 Fed up with endless fad diets that never deliver the results you want, and leave you lunging for the chocolate with a guilty conscience? It's time to stop looking to crazy regimes for weight-loss solutions, and to start recognizing that the solutions are actually within you - in your own mind. In *The Placebo Diet*, life coach and nutritionist Janet Thomson explains that the key to losing weight is not calorie-counting but identifying and re-shaping your attitudes towards your body. This book will help you do just that, by utilizing the most powerful mind-tool we have - the placebo effect. This occurs when we have an absolute belief that something will work, which generates a feeling so powerful that it changes our physiology, often spontaneously. Using this tool *The Placebo Diet* incorporates a range of psychological techniques that will change the structure of your thoughts towards food, generating brand new beliefs and habits. Combined with a simple-to-follow nutrition plan that will maximize fat loss and increase energy levels, you will change not only your body, but also your entire outlook on life. Ditch the fad diets, deprivation, and guilt, and prepare to fall back in love with food and your own body, once and for all! This is an updated edition of *Think More, Eat Less* with all-new material focusing on the placebo effect.

30 day wellness retreat: Dawn of an Era of Wellbeing Ervin Laszlo, Frederick Tsao, 2021 Dawn of An Era of Well-Being does not offer a forecast. It respects the saying, The future is not to be predicted, but created. Humankind is facing monumental challenges--the sustainability of our natural resources, climate change, wealth inequalities, breakdowns in social structures, the impact of artificial intelligence, and of course the threat of pandemics. What we need to understand is that with each of these challenges is an opportunity to create a better future for our Earth. But first we need to open our eyes and understand how the old normal--the conventions and assumptions about how our systems work--are no longer sustainable. Change is going to occur, and a new normal is not simply necessary; it is also imminent. The authors of Dawn of An Era of Well-Being offer a unique worldview called the quantum paradigm that is emerging in society. Their concepts and principles are drawn from theories of Western science and Eastern wisdom traditions of human spirituality. These compass points for navigating the uncharted waters we are entering will be of interest and value to all who want to find a path to a better world for all beings who inhabit it. In this critically important work of advocacy for the possibilities of the human race, authors Ervin Laszlo and Frederick Tsao are joined by several contributors representing a wide range of views by Deepak Chopra, Jean Houston, Neale Donald Walsch and other well-known thought leaders.

30 day wellness retreat: The Burning Light of Two Stars Laura Davis, 2021-10-19 This riveting memoir by Laura Davis, the author of *The Courage to Heal*, examines the endurance of mother-daughter love, how memory protects and betrays us, and the determination it takes to fulfill a promise when ghosts from the past come knocking. When she published *The Courage to Heal* in 1988, Laura Davis helped more than a million women work through the trauma of childhood sexual abuse. But her decision to go public with her grandfather's incest deepened an already painful estrangement with her mother, Temme. Over the next twenty years, from a safe distance of three thousand miles, Laura and Temme reconciled their volatile relationship and believed that their difficult past was behind them. But when Temme moves across the country to entrust her daughter

with the rest of her life, she brings a faltering mind, a fierce need for independence, and the seeds of a second war between them. As the stresses of caregiving rekindle Laura's rage over past betrayals, they threaten her intention to finally love her mother without reservation. Will she learn what it means to be truly openhearted before it's too late?
