7675 wellness way west chester oh 45069: *Diffuse Cystic Lung Diseases* Nishant Gupta, Kathryn A. Wikenheiser-Brokamp, Francis X. McCormack, 2021-01-28 This book is a comprehensive reference on diffuse cystic lung diseases (DCLDs). DCLDs are a group of pathophysiologically heterogeneous processes that are characterized by the presence of multiple spherical or irregularly shaped, thin-walled, air-filled spaces within the pulmonary parenchyma. In recent years, tremendous advancements have been made in these diseases leading to improved understanding of the underlying pathophysiology, and improved outcomes with targeted therapies. The authors, who are leading experts in the field, delineate DCLDs as a separate category distinct from other interstitial lung diseases, and have created this textbook specifically dedicated to this disease group. This book begins with a chapter introducing the definition and classification of DCLDs. Subsequent chapters address the pathogenic mechanisms underlying pulmonary cyst formation and provide a detailed overview of the radiological and pathological features of DCLDs. The common as well as uncommon causes of DCLDs are comprehensively reviewed in individual chapters, as are the varied clinical presentations and extrapulmonary manifestations, and approaches to management and treatment. The book culminates in a final chapter that presents a practical algorithmic approach to diagnosis that progresses from least invasive to most invasive approaches. This textbook provides a one-stop, comprehensive and integrated, clinical, radiologic, and pathologic overview of DCLDs that will be as useful to the practicing clinician as it is to the clinical investigator.

Stein, 2020-01-24 In spring 2016, Sohrab Hura traveled the lower Mississippi with Postcards from America, a loosely collaborative documentary project conceived in 2011 by Alec Soth and Jim Goldberg and funded by Pier 24 Photography. Hura's trip down the levees had been shortly preceded by his father's journey on the river itself, on a commercial ship navigating up to New Orleans from the Gulf of Mexico. The work that resulted, The Levee, embodies the artist's impressions of place through the prism of his relationship with his father. The first museum exhibition dedicated to Hura's work, The Levee: A Photographer in the American South (October 5, 2019-February 2, 2020) celebrates the Cincinnati Art Museum's acquisition of the complete eighty-three-picture suite. Co-published with Candor Arts and enabled in part by the support of Peter and Betsy Niehoff, The Levee: A Photographer in the American South includes original scholarship by exhibition curator Nathaniel M. Stein and contributions from photographers Jim Goldberg, An-My Lê, Alec Soth, and Mikhael Subotzky and writer Chris Klatell. It is the first major publication about Sohrab Hura and one of few to document the history of Postcards from America.

7675 wellness way west chester oh 45069: The Attachment Parenting Book William Sears, Martha Sears, 2001-08-07 America's foremost baby and childcare experts, William Sears M.D. and Martha Sears, R.N., explain the benefits -- for both you and your child -- of connecting with your baby early. Would you and your baby both sleep better if you shared a bed? How old is too old for breastfeeding? What is a father's role in nurturing a newborn? How does early attachment foster a child's eventual independence? Dr. Bill and Martha Sears -- the doctor-and-nurse, husband-and-wife team who coined the term attachment parenting -- answer these and many more questions in this practical, inspiring guide. Attachment parenting is a style of parenting that encourages a strong early attachment, and advocates parental responsiveness to babies' dependency needs. The Attachment Parenting Book clearly explains the six Baby B's that form the basis of this popular parenting style: Bonding, Breastfeeding, Babywearing, Bedding close to baby, Belief in the language value of baby's cry, and Beware of baby trainers. Here's all the information you need to achieve your most important goals as a new parent: to know your child, to help your child feel right, and to enjoy parenting.

7675 wellness way west chester oh 45069: Mannheim Steamroller Christmas Chip Davis, 2008-11-19 Do you hear what I hear? From the founder of Mannheim Steamroller, the music group that has redefined Christmas with their innovative sound, comes a heartwarming novel about the spirit of the holidays -- complete with an exclusive Mannheim Steamroller CD! When Evan Darling realizes that his children have become so focused on gifts that they've completely lost sight of the true meaning of Christmas, he knows he has to do something to help them see the wonder of it all. As a blizzard rages, Evan sits the family down and tells them the extraordinary tale of a young boy's magical experience during another blizzard long ago. When that boy was ten years old, he, too, thought Christmas traditions were pointless and dumb. The only thing he liked was the music. But when a magical snow globe opened his eyes to the magic of Christmas and the perils of greed, he found himself waging a dramatic battle to save Christmas for all time. It's time for Evan's children to learn the story of that brave young boy and to discover the mystery of his identity, for it is the story that inspires Evan himself to hold Christmas so close to his heart. Enhanced by original music and Christmas favorites performed by Mannheim Steamroller, this magical story provides the gift of a moving, uplifting Christmas experience to families everywhere.

7675 wellness way west chester oh 45069: The First Forty Days Heng Ou, Amely Greeven, Marisa Belger, 2016-04-26 After labor, it's time for rest: A gentle guide to zuo yuezi, the ancient Chinese practice of postpartum self-care, including sixty simple recipes. The first forty days after the birth of a child offer an essential and fleeting period of rest and recovery for the new mother. Based on Heng Ou's own postpartum experience with zuo yuezi, a set period of "confinement" in which a woman remains at home focusing on healing and bonding with her baby, The First Forty Days revives the lost art of caring for the mother after birth. As modern mothers are pushed to prematurely "bounce back" after delivering their babies, and are often left alone to face the physical and emotional challenges of this new stage of their lives, the first forty days provide a lifeline—a source of connection, nourishment, and guidance. This book includes sixty simple recipes for healing soups, replenishing meals and snacks, and calming and lactation-boosting teas, all formulated to support the unique needs of the new mother. In addition to recipes, this warm and encouraging guide offers advice on arranging a system of help during the postpartum period, navigating relationship challenges, and honoring the significance of pregnancy and birth. Fully illustrated, it is a practical guide and inspirational read for all new mothers and mothers-to-be—the perfect ally during the first weeks with a new baby. 7675 wellness way west chester oh 45069: Getting Your Baby to Sleep the Baby Sleep Trainer Way Natalie Willes, 2017-05-22 Certified sleep consultant Natalie Willes, known also as The Baby Sleep Trainer, shares her effective and efficient sleep training method in her new book, *Getting Your Baby to Sleep the Baby Sleep Trainer Way*. Thousands of families throughout the world have used the Baby Sleep Trainer method to help their infants and toddlers learn to sleep through the night and take healthy naps, all with the fewest tears possible. Backed by thorough scientific data and years of professional experience, the Baby Sleep Trainer Method offers parents a tried and true solution for children aged 16 weeks through 3.5 years. Step-by-step, comprehensive contents include: The science of baby sleep habits How to prepare your child's room for optimal sleep Discussions on cortisol and crying in babies Creating healthy sleep habits with newborns Exactly when and how to start sleep training for nighttime sleep and naps Tips and tricks for multiples Troubleshooting common sleep training issues and pitfalls Detailed eat-wake-sleep schedules for children on 3, 2, and 1 nap Sleep training toddlers and children in beds Praise for the Baby Sleep Trainer method: My 5 month old was waking up every 2-3 hours at night and I was seriously sleep deprived. My sleep deprivation was affecting every aspect of my life. I read several books on sleep training, as well as blogs and websites. I was at my wits end. After following the program for two weeks, my child was consistently sleeping 11-12 hours a night and was on a consistent schedule during the day! This program has literally given me my life back. - McKel Neilsen Two months ago I was at the end of my sleep rope with our 6-month-old, boy/girl twins. Exhausted doesn't begin to explain it, I felt desperate. After using the Baby Sleep Trainer Method we feel like we have our lives back. The babies are happy and well rested, and so are we! We have our evenings back to cook dinner, spend time with our 4-year-old daughter, hang out together, and actually do things we enjoy. The process took commitment but has been absolutely worth every bit of it. - Beth Oller, MD Using the Baby Sleep Trainer Method, my daughter quickly went to a routine nap schedule during the day and sleeping through the night from 6:30pm to 6:30am! Also, rather than the exhausting and often unsuccessful rocking or soothing or feeding to sleep, we were able to put her down awake in her crib and she would fall asleep on her own in just a few minutes. It was just incredible. - Online Review

Konin, 2024-11-04 For more than a decade, Sports Emergency Care: A Team Approach has filled a void in athletic training education on the subject of emergency care. Now, this updated Third Edition continues to pave the way to prepare athletic training students beyond traditional first aid training as well as providing specific information on emergency situations in sports for emergency medical services (EMS) professionals. In this updated Third Edition, Dr. Robb S. Rehberg and Dr. Jeff G. Konin, along with their 13 contributors, have created a resource that can be used in athletic training education programs as a core text in a sports emergency care course; a supplemental text in several courses that address immediate care within an athletic training education curriculum; and it can be used by EMS educators in developing continuing education programs for prehospital providers. Some of the topics included in the Third Edition: Assessment of Sports Emergencies Cardiovascular Emergencies Management of Traumatic Brain Injury Fractures and Soft Tissue Injuries Managing Mental Health Emergencies Care of Athletes with Disabilities Emergencies in Sports for the Aging Athlete Regardless of discipline, it is important for all health care providers caring for ill or injured athletes to be knowledgeable and proficient in managing sports emergencies. This ability can only be achieved through preparation and practice, and Sports Emergency Care: A Team Approach, Third Edition continues to be a groundbreaking text that gives access to the essential resources health care providers need to address sports emergencies. This includes but is not limited to athletic trainers, emergency medical technicians and paramedics, and physicians. From the Foreword: Emergencies can occur anytime and anywhere in sports, including at a practice or on the bus traveling to an event. After nearly 40 years as a professional sports athletic trainer, these emergency moments give me pause. Preparation is the key to successful outcomes in all emergencies. --Ronnie P.
