A Touch Above Wellness: Elevating Your Self-Care Journey

Are you tired of the same old wellness routines that leave you feeling...meh? Do you crave a deeper, more meaningful connection to your well-being, something that truly elevates you beyond the surface level? Then you've come to the right place. This comprehensive guide explores what it means to achieve "A Touch Above Wellness," offering practical strategies and insightful perspectives to help you transform your self-care journey from ordinary to extraordinary. We'll delve into holistic approaches, mindset shifts, and actionable steps to not just maintain your well-being, but to actively cultivate a vibrant and fulfilling life.

Understanding "A Touch Above Wellness"

The phrase "A Touch Above Wellness" signifies a conscious commitment to surpassing the bare minimum of self-care. It's about moving beyond simply ticking boxes on a to-do list – meditation app checked, yoga class attended, healthy smoothie consumed – and delving into a deeper understanding of your unique needs and aspirations. It's about cultivating a holistic approach that integrates physical, mental, emotional, and spiritual well-being. This isn't about perfection; it's about progress, intentionality, and a genuine pursuit of a more vibrant, joyful life.

Beyond the Buzzwords: Defining Your Personal Wellness

The wellness industry is saturated with buzzwords and fleeting trends. "A Touch Above Wellness" challenges you to move beyond these trends and define wellness on your own terms. What does true well-being look like for you? This requires introspection and honest self-assessment. Consider these questions:

What brings you genuine joy and fulfillment? Is it spending time in nature, creating art, connecting with loved ones, or pursuing a passion project?

What areas of your life feel depleted or unbalanced? Are you neglecting your physical health, experiencing chronic stress, or struggling with relationships?

What are your core values? Understanding your values provides a compass to guide your wellness journey and ensure your actions align with your deepest beliefs.

Answering these questions honestly provides a powerful foundation for building a personalized wellness plan that resonates deeply with your authentic self.

Mindset: The Foundation of A Touch Above Wellness

Your mindset plays a crucial role in achieving “A Touch Above Wellness.” A negative or limiting mindset can sabotage even the best intentions. Cultivating a positive and growth-oriented mindset involves:

Practicing gratitude: Regularly acknowledging the good things in your life, no matter how small, shifts your focus from what’s lacking to what you already possess.

Challenging negative self-talk: Become aware of your inner critic and actively challenge its negativity with positive affirmations and self-compassion.

Embracing self-acceptance: Acknowledge your imperfections and embrace them as part of your unique journey. Self-acceptance is not about complacency; it's about self-love and understanding.

Developing resilience: Life inevitably throws curveballs. Building resilience helps you bounce back from setbacks and navigate challenges with grace and strength.

Holistic Practices: Nourishing Your Whole Self

"A Touch Above Wellness" isn't just about physical fitness; it's about nourishing your entire being. Incorporate holistic practices into your routine, such as:

Mindfulness meditation: Regular meditation cultivates inner peace, reduces stress, and enhances self-awareness.

Yoga and movement: Find an activity that you enjoy, whether it's yoga, Pilates, dance, or simply a daily walk in nature. Movement nourishes the body and mind.

Healthy eating: Focus on nourishing your body with whole, unprocessed foods that provide sustained energy and support overall well-being.

Adequate sleep: Prioritize getting sufficient, high-quality sleep to allow your body and mind to rest and repair.

Connecting with nature: Spend time outdoors, whether it's hiking, gardening, or simply relaxing in a park. Nature has a restorative power that can significantly enhance well-being.

Setting Intentions and Tracking Progress

Without intentionality, even the best-laid plans can fall by the wayside. Set clear, achievable goals for your wellness journey. Break down larger goals into smaller, manageable steps. Track your progress – using a journal, app, or simply mentally reviewing your accomplishments – to celebrate your successes and identify areas for improvement. Regular reflection is crucial for continuous growth and adaptation.

Seeking Support: Building Your Wellness Community

Surrounding yourself with supportive individuals who share your values and encourage your growth is invaluable. This could involve connecting with like-minded friends, joining a wellness group, or working

with a coach or therapist. Sharing your journey with others can provide accountability, encouragement, and a sense of community.

Conclusion: Embracing the Journey of A Touch Above Wellness

"A Touch Above Wellness" isn't a destination; it's a continuous journey of self-discovery, growth, and evolution. It's about cultivating a deep and meaningful connection to your well-being, prioritizing your needs, and actively creating a life that is both fulfilling and vibrant. By embracing the practices and perspectives outlined in this guide, you can embark on a transformative path towards a richer, more meaningful life, one that truly elevates you above the ordinary.

FAQs

1. Is "A Touch Above Wellness" expensive to achieve? Not necessarily. Many of the practices discussed, like mindfulness meditation and connecting with nature, are free or very affordable. The cost comes in prioritizing your well-being and making conscious choices aligned with your values.

1. How long will it take to see results? Everyone's journey is unique. You may see changes in your mood and energy levels relatively quickly, while deeper shifts in mindset and habits may take longer. Be patient and persistent.

1. What if I slip up? Setbacks are a natural part of any journey. Don't beat yourself up over occasional lapses. Learn from them, forgive yourself, and get back on track.

1. How can I know if I'm truly achieving "A Touch Above Wellness"? Pay attention to your overall sense of well-being, happiness, and fulfillment. Do you feel more balanced, resilient, and connected to yourself and others? If so, you're likely on the right path.

1. Is this approach suitable for everyone? While the principles are applicable to most, individual needs vary. If you have underlying health conditions, it's crucial to consult with a healthcare professional before making significant lifestyle changes.

a touch above wellness: Above the Glebe Pamela Gilpin Stowe, 2015-10-30 Life was good for the Holmes family, and they didn't want to see the British colonies engage in rebellion, especially against the most powerful empire in the world. But as the unrest grew, many men loyal to the King looked at enlistment to put down the uprising. They thought if they enlisted in the spring, after planting season, they could help suppress the revolt in time for the fall harvest. They thought it would be that simple. Above the Glebe follows a farming family as the American Revolutionary War drags on. It is the story of loyalty and vengeance, of death and survival. It is also the story of a family divided. On the one side are the five Holmes brothers, who enlist on the Loyalist side. On the other are a vindictive cousin and the two Holmes sisters, both married to revolutionaries. Their choices will have a marked impact on their lives and their futures. Above all, though, this is a story of a family and its strength.

a touch above wellness: A Path to Healing Andrea D. Sullivan, 1998 Twenty years ago, at age twenty-nine, Andrea Sullivan was a high-level executive at HUD in a state of what she now calls dis-ease: stressed out, thirty-pounds overweight, with a face full of acne. Moved by a desire to help her community and herself in a meaningful way, she quit her job and decided to become a doctor. She applied and was accepted to Bastyr Medical School for Alternative Medicine and became a naturopathic physician. Since then, Dr. Sullivan has been at the vanguard of naturopathic medicine and has helped hundreds of African Americans create dramatic and lasting lifestyle changes. Unlike traditional doctors, naturopathic physicians, with the aid of herbs, roots, and other natural remedies, treat the patient, not the disease. Here, in easy-to-understand language, Dr. Sullivan provides an overview of alternative medicine (paying close attention to naturopathy), discusses the African American tradition and its link to naturopathic medicine, and delves into stress, high blood pressure, arthritis, obesity, depression, and diabetes (all problems that plague African Americans), and prescribes an overall guide to maintaining health and keeping disease at bay. In *A Path to Healing*, Dr. Sullivan makes a convincing case for naturopathic medicine as the best way to prevent disease

and treat chronic illnesses, while not discounting the use of traditional Western medicine, especially in cases of traumatic injury.

a touch above wellness: A Touch of Stone and Snow Milla Vane, 2020-07-21 Milla Vane returns to a world of kings, magic, and passion in her exhilarating A Gathering of Dragons series, as a great alliance forms to stand against an evil warlord intent on their destruction. Danger lurks in the western realms. The Destroyer's imminent return has sent the realms into turmoil as desperate citizens seek refuge—but there's no safety to be found when demons and wraiths crawl out from the shadows. Even Koth, a northern island kingdom left untouched by the Destroyer a generation past, is besieged by terrors spawned from corrupt magics. When Lizzan leads the Kothan army against these terrors, only to see her soldiers massacred and to emerge as the only survivor, she is called a coward and a deserter. Shunned from her home, Lizzan now wanders in solitude as a mercenary for hire, until she encounters a group of warriors seeking new alliances with the northern kingdoms—a group that includes Aerax, the bastard prince of Koth, and the man who sent her into exile. Though they were childhood friends, Aerax cannot allow himself to be close to the only woman who might thwart his treacherous plan to save their island realm. But when a goddess's demand binds them together, Lizzan and Aerax must find a way to overcome their painful pasts. Or there will be no future for the western realms...

a touch above wellness: KRISTIN MOCK Kristin Mock, 2023-02-09 Kristin Hagen, original artist; a national winning organist; a talented local, state, and national Team USA competitive dancer; and a previous contestant of Miss Idaho USA, found herself at the young age of nineteen an original survivor of a serious automobile accident. It was not the accident itself, rather her injuries were caused by the force behind a violent deployment of an 'original' first-generation high-powered airbag (1994). A few years later, during her recovery, she was confronted by yet another airbag. This time it was the re-designed second-generation airbag (1997). Always a high-performing athlete, and healthy and vivacious individual, in an overnight twist, Kristin experienced severe, immediate debilitation due to the sudden and sheer force of the airbags. Through the lack of definitive wellness plans available across America, Kristin had to forget the kind of complete freedom that fullness of mind, body, and spirit can bring you, and the feeling real mobility enables you. Through God's hands, and original design, she was able to successfully reverse, cure, and re-awaken the modern miracle of being truly well, truly mobile, and being whole once again. The growing shift of America's evolving health care system empowered Kristin to take action, identify and implement the cure, and follow her own concentrated research path into 21st-century evidence-based care to cures. Her intensive research and passion for wellness compelled her into creating original 21st century sustainable healthcare, education, and careers, focused on 21st-century care to cures. Almost nothing in the human experience compares with being at the peak of wellness and Align Above: My Passionate Dance at Life! will help and motivate people to start on their pinnacle journey toward their goal. This book is written for anyone who wants to embark on a wellness plan, especially those who have been debilitated or feeling unwell for a long time because of injury, illness, or simply not at your personal peak. Evolving trends in health care delivery and reimbursement models make this a good time for ordinary people to help drive the system from disease based to wellness based, creating closer relationships with their clinicians and incorporating evidence-based integrative medicine into their wellness plans. It's time to make a movement; it's time to make a change. It's time to be truly well. So, join me, and let's all be whole in wellness together!

a touch above wellness: *A Wellspring for Wellness* Ellarea Maria Cole Stansbury, 2014-09-05 Wow! This is a must-read story of a thirty-five year journey of a woman diagnosed with an autoimmune disease, Lupus. She turns a deaf ear to the sound of a death knell and instead turns her attention to a path of wellness and a better quality of life. The climb out of a debilitating illness has been challenging, but using the launch pad of God's inspiration and the under girding of the promises and encouragement in the Holy Scriptures, A WELLSPRING to a quality of life and living was uncovered. As the story unfolds, you can only applaud the investment of energy, the renewal of spirit, the determination to stay focused and find a better way to live and ultimately to see the hope implanted while realizing that the journey is all about the plan God has for her life. Trek along and appreciate the unfolding of a beautiful, God-filled life. -Ruth S. Fuller, a lover of the art of language

Without pretense or apology, Maria Stansbury has written a life-saving manual. The health and healing manual we've all waited for. It is pregnant with overdue information. It is a must read for survival. Dr. A. R. Jones, Minister/ Psychotherapist The Centers for Disease Control estimate 50 million adult Americans have been doctor-diagnosed with some form of arthritis, rheumatoid arthritis, gout, lupus, or fibromyalgia. By 2030 there will be an estimated 67 million Americans ages 18 and older projected to have doctor-diagnosed arthritis. An estimated 294,000 children under the age of 18 have some form of arthritis or rheumatoid condition. What can be done to help those with autoimmune and other related diseases? I offer you A WELLSRING. These eleven practical principles including Air, Water, Exercise, Light, Life, Self-control, Prayer, Rest, Insight, Nutrition, and Godly trust offer ways to make lifestyle changes which can revolutionize your thinking and daily living habits. Reformers have a healthier quality of life. Practicing the eleven principles starting with diet and eating habits can benefit. Research studies at Stanford University in the U.S. and the U.K. substantiate that healthy lifestyle changes can significantly lower inflammation in arthritis patients and those with obesity. This results in improved joint flexibility, mobility, and balance with exercise, air, drinking water and self-control, rest, sunlight, etc. Weight is also controlled. The Coronary Health Improvement Project (CHIPS) also found a lower risk of heart attacks and coronary disease from adhering to a lifestyle change. The Harvard School of Public Health study found the risk of heart disease was reduced 23 percent with a plant-based diet. In summary, try A WELLSRING. It may add years to your life and add life to your years.

Christian Paths to Health and Wellness, Third Edition, helps undergraduate students explore key topics that affect their health and well-being and apply what they learn to their daily lives. This updated text examines wellness from a holistic perspective, delving into how students can thrive in body, mind, and spirit. Students will learn how to more fully understand God, themselves, and their purpose in life; have strong and healthy relationships with others; develop cardiorespiratory fitness, muscular fitness, and flexibility and mobility; have a healthy attitude toward their bodies, eat well, and manage weight properly; understand and apply good sleep hygiene to maximize alertness; and adopt emotionally healthy habits and deal with stress in a constructive way. All of this material is based on current research and is delivered through a faith-based perspective that will help students apply aspects of behavior modification as they learn how to take charge of the health of their bodies, minds, and spirits. Written by highly respected Christian academics, the text includes chapter objectives, a glossary that defines key terms from each chapter, and easy-to-read charts that highlight specific information. This latest edition also features a new web study guide that makes Christian Paths to Health and Wellness a particularly valuable and unique resource. For each

chapter in the text, the web study guide supplies readers with an introductory self-assessment activity on the chapter's topic; application and learning activities; self-reflection writing prompts to help students process the chapter's content; suggested websites and readings for further exploration of the topic; and an interactive key terms quiz. (The web study guide is included with all new print books and some ebooks. For ebook formats that don't provide access, the web study guide is available separately.) Christian Paths to Health and Wellness offers instructors free access to online ancillaries, including an instructor guide, a presentation package, and a test package. "This text," says coauthor Peter Walters, "is a book about accepting our God-given roles and capacities. Then empowered by the Spirit of God, we can make healthy choices regarding our mind, body, and soul. The end result is what ancients called 'the good life,' current academics call 'human flourishing,' and what scriptures call 'shalom'." "Personal wellness is often achieved through mental and physical discipline," adds coauthor John Byl. "However, it is also important to open yourself to the power of God through the Holy Spirit. It is written in Bible that 'the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control' (Galatians 5:22-23). Ideas related to the fruit of the Spirit have been woven through the text, and a couple of chapters offer brief vignettes on a particular fruit of the Spirit, which demonstrates how the Spirit heals and makes one well." Christian Paths to Health and Wellness, Third Edition, will equip students with the knowledge and tools they need to adopt healthy lifestyles in all aspects of their lives. And that lifestyle will be pleasing to God and help them live out their purpose.

a touch above wellness: Meridian Massage Cindy Black, 2015-12-12 The meridian pathways of the human body were mapped out by gifted healers in China thousands of years ago. Working with the invisible energy (Qi) that flows through these pathways, they were able to heal illness. Perhaps more importantly, they were able to support vitality in ways that prevent illness and encourage wellness. Vitality is an expression of energy. Meridian Massage is a hands-on modern application of this ancient wisdom to balance mind, body, and spirit for health and happiness. Knowing how to work directly with energy opens a powerful dimension for massage therapists and bodyworkers to access through their work. An organized and practical integration of modern energy work and ancient Chinese medicine, Meridian Massage can complement any form of hands-on healing.

a touch above wellness: The Gut Wellness Guide Allison Post, Stephen Cavaliere, 2018-08-07 A holistic, step-by-step gut health guide—for anyone grappling with chronic pain, fatigue, gas, bloating, and other common disorders associated with the gut Addressing a wide range of conditions—including digestive problems, anxiety, and depression—this easy-to-use guide presents simple ways to relieve the stress related to some of today's most pressing health problems. Authors Allison Post and Stephen Cavaliere explain the devastating impact that imbalances of gut microbiota and the microbiome can have on digestion, and they demonstrate proven techniques to reconnect with our bodies and reclaim our health. The book also teaches you: • new information about the gut microbiome • how to hold onto health goals while navigating mainstream medicine/alternative health programs • why the gut is critical in hormonal and immune function • how to treat a variety of digestive ailments like Irritable Bowel Syndrome (IBS), constipation, diarrhea, heartburn, and food sensitivities • self-help techniques for increasing metabolism and cellular energy and revitalizing the natural healing powers of the body Previously published as Unwinding the Belly, The Gut Wellness Guide expands on the original book and re-introduces the method of Unwinding—a clear, accessible way to connect the “gut brain to the “main brain” and to relax, tune in to your body, and create a customized action plan to heal.

a touch above wellness: MANAGING HOTELS RAM GUPTA, 2024-01-02 The Hospitality industry is perhaps one of the oldest in the world. What started by providing accommodation to travelling merchants has gradually blossomed into a global, multibillion-dollar industry. Now, more than ever, the hospitality industry has refined its offering, products, and styles to match the ever-increasing demands of millennial travelers. Today, we have specialized hotels catering to different segments of users, where experiences are tailored to the minutest detail. In this book, I have briefly touched upon the various facets of the inner working of this wondrous and complex

industry. From the way technology is changing the face of how a hotel is run to luxury establishments rising up to their responsibilities and embracing sustainable initiatives, I have covered all this and more in a series of short articles. Summarizing my 45 years of experience into a book was not easy, but I have, nonetheless, made an honest attempt to keep all articles informative and engaging. My vision for this book was to create a valuable resource for those who are trying to make a mark in the hospitality industry or even those of you who crave a peek into what goes on behind the scenes of one of the smoothest running shows in the world!

a touch above wellness: Moveable Feast: The Restored Edition Ernest Hemingway, 2014-05-22 Published posthumously in 1964, *A Moveable Feast* remains one of Ernest Hemingway's most beloved works. Since Hemingway's personal papers were released in 1979, scholars have examined and debated the changes made to the text before publication. Now this new special restored edition presents the original manuscript as the author prepared it to be published. Featuring a personal foreword by Patrick Hemingway, Ernest's sole surviving son, and an introduction by the editor and grandson of the author, Seán Hemingway, this new edition also includes a number of unfinished, never-before-published Paris sketches revealing experiences that Hemingway had with his son Jack and his first wife, Hadley. Also included are irreverent portraits of other luminaries, such as F. Scott Fitzgerald and Ford Madox Ford, and insightful recollections of his own early experiments with his craft. Sure to excite critics and readers alike, the restored edition of *A Moveable Feast* brilliantly evokes the exuberant mood of Paris after World War I and the unbridled creativity and unquenchable enthusiasm that Hemingway himself epitomized.

a touch above wellness: The Handbook of Wellness Medicine Waguih William IsHak, 2020-08-20 Wellness medicine is the field that focuses on improving overall functioning, quality of life, and wellbeing, beyond symptom management of medical illness, leading to restoration and maintenance of health. *The Handbook of Wellness Medicine* provides a practical guide to the latest in evidence-based medicine, as well as best practice, to assist healthcare professionals in utilizing the full range of interventions to improve wellness and help patients complete their journeys to full health. The volume is organized into five parts: Part I introduces the concept of wellness by detailing the definitions and assessment/measurement methods, and formulating wellness plans. Part II describes wellness plans in major illnesses, categorized by organ system/disorder. Part III covers the methods to improve wellness in special populations. Part IV details each wellness intervention, including the scientific evidence behind it and its practical application. Part V focuses on integrating and personalizing the interventions into one's life to maintain wellness.
