Radical Reproductive Justice assembles two decades' of work initiated by SisterSong Women of Color Health Collective, creators of the human rights-based "reproductive justice" framework to move beyond polarized pro-choice/pro-life debates. Rooted in Black feminism and built on intersecting identities, this revolutionary framework asserts a woman's right to have children, to not have children, and to parent and provide for the children they have. divine wellness canoga park: Shahnameh Abolqasem Ferdowsi, 2016-03-08 The definitive translation by Dick Davis of the great national epic of Iran—now newly revised and expanded to be the most complete English-language edition A Penguin Classic Dick Davis—"our pre-eminent translator from the Persian" (The Washington Post)—has revised and expanded his acclaimed translation of Ferdowsi's masterpiece, adding more than 100 pages of newly translated text. Davis's elegant combination of prose and verse allows the poetry of the Shahnameh to sing its own tales directly, interspersed sparingly with clearly marked explanations to ease along modern readers. Originally composed for the Samanid princes of Khorasan in the tenth century, the Shahnameh is among the greatest works of world literature. This prodigious narrative tells the story of pre-Islamic Persia, from the mythical creation of the world and the dawn of Persian civilization through the seventh-century Arab conquest. The stories of the Shahnameh are deeply embedded in Persian culture and beyond, as attested by their appearance in such works as The Kite Runner and the love poems of Rumi and Hafez. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Others are terrified of unsettling the peace that they have established. Two-time O'Neill Playwright's Conference participant Kathleen Clark uses her words to detail this tour-de-force journey of a widow and widower who meet later in life and find a way into each other's hearts. *Southern Comforts* is a beautiful exploration of the intimate workings of all relationships. divine wellness canoga park: *Media Moms & Digital Dads* Yalda T Uhls, 2016-10-04 Is social media ruining our kids? How much Internet activity is too much? What do FOMO (Fear of Missing Out), sexting, and selfies mean for teens? Are you curious about what research says about how media and technology are affecting childhood? Supported by academic research focused on technology, *Media Moms & Digital Dads* breaks down complex issues in a friendly, accessible fashion, making it a highly useful and, ultimately, reassuring read for anyone who worries about the impact that media might be having on young minds. Each chapter delves into a different issue related to kids and media so parents can easily find their particular issue of concern. Dr. Uhls ends each chapter with quick takeaways, in the form of tips and guidance for parents. Dr. Uhls' expertise as a former Hollywood film executive and as a current expert on child development and the media gives her a unique and important perspective. As a trained scientist she understands the myriad studies conducted by researchers, and as a mom of digital teens, she knows what actually works and can relate to the reality of being a parent in the 21st century. Dr. Uhls also describes the primary research she conducted at UCLA, including whether extensive screen time impacts non-verbal emotional understanding, which has been covered in the *New York Times*, *Time* magazine, and on National Public Radio. There are few more important issues for parents today than helping children safely navigate the digital world in which we live, a world that provides immense opportunity for learning and connecting yet also puts kids in a position to make mistakes and even cause harm. Knowing what the facts are and when and how to get involved is perhaps one of the most challenging aspects of modern parenting. *Media Moms & Digital Dads* offers parents reassuring and fact-based guidance on how best to manage screens and media for their children.

divine wellness canoga park: *Letters to My Son* Daynabelle Anderson, 2019-01-01 The death of your child breaks you. With some luck, you may be able to rebuild most of who you were before that loss so that you are not a complete stranger, even to yourself. Even then, you know that you will never be the same again. There will always be a piece of you missing, leaving you forever broken. With the loss of her son, Jeramie, to a car accident, author Daynabelle Anderson found this to be true of herself: a forever broken mom. She then had to decide whether to fight it and live her life, trying in vain to be whole again, only to punish herself over and over when her efforts resulted in failure. Or she could accept that this was who she was now--to allow herself to be broken and to forgive herself for it. She chose the latter, and now she chronicles her journey into that brokenness. This personal narrative offers one mother's story and her perspective on how to live with grief, intended for anyone who has lost a loved one and who feels pressured to move on.
