Dreams Wellness Weed DC: Your Guide to Navigating the Capital's Cannabis Scene

Are you looking for a reputable dispensary in Washington, D.C. to enhance your wellness journey? Finding the right place can feel overwhelming with so many options. This comprehensive guide focuses on Dreams Wellness, a prominent dispensary in the DC area, and provides everything you need to know before your visit. We'll cover their product selection, atmosphere, location, customer reviews, and more, ensuring you have a smooth and informed experience. Let's dive into the world of Dreams Wellness weed DC.

Understanding the DC Cannabis Landscape

Before we delve into Dreams Wellness specifically, it's crucial to understand the legal landscape of cannabis in Washington, D.C. While recreational marijuana is legal, the regulations are complex. This means you need to be aware of purchasing limits, public consumption restrictions, and other legal nuances. Always ensure you are familiar with the current laws before purchasing or consuming cannabis in the District. Information is readily available online through the DC Office of Cannabis Control.

Dreams Wellness: A Closer Look

Dreams Wellness distinguishes itself from other dispensaries in DC through its commitment to customer experience and product quality. They pride themselves on offering a curated selection of cannabis products sourced from trusted growers. This focus on quality and customer service is reflected in the overwhelmingly positive reviews from many patrons.

Product Selection at Dreams Wellness

Dreams Wellness boasts a diverse range of products, catering to a wide array of preferences and needs. Their inventory usually includes:

Flower: A selection of high-quality cannabis strains, categorized by effects (e.g., sativa for energy, indica for relaxation) and terpene profiles. They often highlight the specific flavors and aromas of each strain.

Pre-rolls: Conveniently pre-rolled joints for easy consumption, often featuring a mix of strains or a single, popular variety.

Concentrates: Potent extracts like shatter, wax, and oils, offering a highly concentrated cannabis experience. These products often come with varying levels of THC and CBD.

Edibles: A range of edibles, including gummies, chocolates, and baked goods, offering a discreet and palatable way to consume cannabis.

Topicals: Creams, lotions, and balms infused with cannabis, designed for localized pain relief and other topical applications.

CBD Products: For those seeking the therapeutic benefits of CBD without the psychoactive effects of THC, Dreams Wellness often offers a variety of CBD-focused products.

The specific product availability varies, so it's always best to check their website or call ahead before your visit.

The Dreams Wellness Experience: Atmosphere and Customer Service

Beyond the product selection, the overall experience at Dreams Wellness is often praised by customers. Many describe a welcoming and knowledgeable staff, happy to assist with product selection and answer any questions. The dispensary itself is usually designed to be clean, modern, and comfortable, creating a relaxed atmosphere for browsing and purchasing. This contributes to a positive customer experience, setting it apart from other dispensaries.

Location and Accessibility of Dreams Wellness

Knowing the location of the dispensary is crucial for planning your visit. Dreams Wellness [Insert Actual Address Here – replace with accurate address and provide directions/links to map services]. Check their website for hours of operation as they may vary. Accessibility is also a key consideration; verify if the location offers convenient parking or public transportation options.

Customer Reviews and Testimonials

Before making your first purchase, reviewing customer feedback is essential. Check online reviews on sites like Google, Yelp, and Weedmaps to get an idea of the general consensus on Dreams Wellness. Look for recurring themes in the reviews, paying attention to both positive and negative comments. This will help you form a well-rounded opinion before making your decision.

Tips for Your First Visit to Dreams Wellness

Have your ID ready: You will need a valid government-issued ID to purchase cannabis.

Familiarize yourself with the menu: Check the Dreams Wellness website beforehand to see their current product selection and pricing.

Ask questions: The staff are there to help! Don't hesitate to ask questions about strains, products, or anything else you need clarification on.

Be respectful of others: Maintain a calm and respectful demeanor while

shopping.

Check the daily deals: Many dispensaries offer daily or weekly specials, so check their website or social media before your visit.

Finding the Best Cannabis for Your Needs

Choosing the right cannabis product depends heavily on your individual needs and preferences. Understanding the differences between Indica, Sativa, and Hybrid strains is crucial, as each offers a unique set of effects.

Furthermore, pay attention to the THC and CBD content as this directly impacts the intensity of the psychoactive and therapeutic effects. If you are unsure, the knowledgeable staff at Dreams Wellness can guide you through the selection process.

Conclusion

Dreams Wellness in DC offers a compelling option for individuals seeking quality cannabis products and a positive shopping experience. By focusing on curated selections, excellent customer service, and a welcoming atmosphere, they aim to provide a superior experience compared to other dispensaries. Remember to always consume responsibly and be aware of the local regulations regarding cannabis use.

FAQs

1. Does Dreams Wellness accept credit cards? Check their website or contact them directly to confirm their payment methods. Many dispensaries have switched to cashless systems, but policies can change.
1. What is the minimum age to purchase cannabis at Dreams Wellness? The minimum age to purchase cannabis in Washington, D.C. is 21.
1. Can I consume cannabis publicly in DC? Public consumption of cannabis is generally prohibited in D.C. Designated consumption areas are emerging, but check local regulations before consuming anywhere other than your private residence.
1. What if I have questions about a specific product? The staff at Dreams Wellness are typically very knowledgeable and happy to answer any

questions you may have. You can also call ahead to inquire about specific products.

1. How can I get directions to Dreams Wellness? Use online map services like Google Maps or Apple Maps, searching for "Dreams Wellness [insert accurate address/location detail here]". You can also find directions on their website.

dreams wellness weed dc: The Health Effects of Cannabis and Cannabinoids National Academies of Sciences, Engineering, and Medicine, Health and Medicine Division, Board on Population Health and Public Health Practice, Committee on the Health Effects of Marijuana: An Evidence Review and Research Agenda, 2017-03-31 Significant changes have taken place in the policy landscape surrounding cannabis legalization, production, and use. During the past 20 years, 25 states and the District of Columbia have legalized cannabis and/or cannabidiol (a component of cannabis) for medical conditions or retail sales at the state level and 4 states have legalized both the medical and recreational use of cannabis. These landmark changes in policy have impacted cannabis use patterns and perceived levels of risk. However, despite this changing landscape, evidence regarding the short- and long-term health effects of cannabis use remains elusive. While a myriad of studies have examined cannabis use in all its various forms, often these research conclusions are not appropriately synthesized, translated for, or communicated to policy makers, health care providers, state health officials, or other stakeholders who have been charged with influencing and enacting policies, procedures, and laws related to cannabis use. Unlike other controlled substances such as alcohol or tobacco, no accepted standards for safe use or appropriate dose are available to help guide individuals as they make choices regarding the issues of if, when, where, and how to use cannabis safely and, in regard to therapeutic uses, effectively. Shifting public sentiment, conflicting and impeded scientific research, and legislative battles have fueled the debate about what, if any, harms or benefits can be attributed to the use of cannabis or its derivatives, and this lack of aggregated knowledge has broad public health implications. The Health Effects of Cannabis and Cannabinoids provides a comprehensive review of scientific evidence related to the health effects and potential therapeutic benefits of cannabis. This report provides a research agenda—outlining gaps in current knowledge and opportunities for providing additional insight into these issues—that summarizes and prioritizes pressing research needs.

dreams wellness weed dc: Higher Etiquette Lizzie Post, 2019-03-26 Emily Post has gone to pot. As we enter the dawn of a new post-prohibition era, the stigma surrounding cannabis use is fading, and the conversation about what it means to get high is changing. When it comes to being a respectful, thoughtful, and responsible consumer of pot, there is a lot you need to know. In Higher Etiquette, Lizzie Post--great-great granddaughter of Emily Post and co-president of America's most respected etiquette brand--explores and celebrates the wide world of legalized weed. Combining cannabis culture's long-established norms with the Emily Post Institute's tried-and-true principles, this book covers the social issues surrounding pot today, such as: How to bring it to a dinner party or give it as a gift Why eating it is different from inhaling it How to respectfully use it as a guest Why different strains affect you in different ways How to behave at a dispensary How to tackle pot faux pas such as canoed joints and lawn-mowed bowls This handy guide also provides a primer on the diverse array of cannabis products and methods of use, illuminating the many convenient and accessible options available to everyone from experienced users to newbies and the canna-curious.

Informative, charming, and stylishly illustrated, this buzzworthy book will make the ultimate lit addition to your stash.

dreams wellness weed dc: Chasing the Scream Johann Hari, 2015-01-20 The New York Times Bestseller What if everything you think you know about addiction is wrong? Johann Hari's journey into the heart of the war on drugs led him to ask this question--and to write the book that gave rise to his viral TED talk, viewed more than 62 million times, and inspired the feature film *The United States vs. Billie Holiday* and the documentary series *The Fix*. One of Johann Hari's earliest memories is of trying to wake up one of his relatives and not being able to. As he grew older, he realized he had addiction in his family. Confused, not knowing what to do, he set out and traveled over 30,000 miles over three years to discover what really causes addiction--and what really solves it. He uncovered a range of remarkable human stories--of how the war on drugs began with Billie Holiday, the great jazz singer, being stalked and killed by a racist policeman; of the scientist who discovered the surprising key to addiction; and of the countries that ended their own war on drugs--with extraordinary results. *Chasing the Scream* is the story of a life-changing journey that transformed the addiction debate internationally--and showed the world that the opposite of addiction is connection.

dreams wellness weed dc: How to Smoke Pot (Properly) David Bienenstock, 2016-04-12 "A humorous and informative trip through the drug's various medicinal compounds, a timeline of the its history, and recipes that take you beyond the standard pot brownie—with pro tips from cannabis-friendly celebrities sprinkled throughout."—*Vanity Fair* Once literally demonized as "the Devil's lettuce," and linked to all manner of deviant behavior by the establishment's shameless anti-marijuana propaganda campaigns, cannabis sativa has lately been enjoying a long-overdue Renaissance. So now that the squares at long last seem ready to rethink pot's place in polite society, how, exactly, can members of this vibrant, innovative, life-affirming culture proudly and properly emerge from the underground—without forgetting our roots, or losing our cool? In *How to Smoke Pot (Properly)*, VICE weed columnist and former *High Times* editor David Bienenstock charts the course for this bold, new, post-prohibition world. With plenty of stops along the way for pro tips from friends in high places, including cannabis celebrities and thought leaders of the marijuana movement, readers will learn everything from the basics of blazing, to how Mary Jane makes humans more creative and collaborative, nurtures empathy, catalyzes epiphanies, enhances life's pleasures, promotes meaningful social bonds, facilitates cross-cultural understanding, and offers a far safer alternative to both alcohol and many pharmaceutical drugs. You'll follow the herb's natural lifecycle from farm to pipe, explore cannabis customs, culture and travel, and discover how to best utilize and appreciate a plant that's at once a lifesaving medicine, an incredibly nutritious food, an amazingly useful industrial crop, and a truly renewable energy source. You'll even get funny and informative answers to burning questions ranging from: How can I land a legal pot job? to Should I eat a weed cookie before boarding the plane? In two-color, with charts and illustrations throughout, *How to Smoke Pot (Properly)* is truly a modern guide to this most revered herb.

dreams wellness weed dc: My New Roots Sarah Britton, 2015-03-31 Holistic nutritionist and highly-regarded blogger Sarah Britton presents a refreshing, straight-forward approach to balancing mind, body, and spirit through a diet made up of whole foods. Sarah Britton's approach to plant-based cuisine is about satisfaction--foods that satiate on a physical, emotional, and spiritual level. Based on her knowledge of nutrition and her love of cooking, Sarah Britton crafts recipes made from organic vegetables, fruits, whole grains, beans, lentils, nuts, and seeds. She explains how a diet based on whole foods allows the body to regulate itself, eliminating the need to count calories. *My New Roots* draws on the enormous appeal of Sarah Britton's blog, which strikes the perfect balance between healthy and delicious food. She is a whole food lover, a cook who makes simple accessible plant-based meals that are a pleasure to eat and a joy to make. This book takes its cues from the rhythms of the earth, showcasing 100 seasonal recipes. Sarah simmers thinly sliced celery root until it mimics pasta for Butternut Squash Lasagna, and whips up easy raw chocolate to make homemade chocolate-nut butter candy cups. Her recipes are not about sacrifice, deprivation, or

labels--they are about enjoying delicious food that's also good for you.

dreams wellness weed dc: Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

dreams wellness weed dc: After Perfect Christina McDowell, 2015-06-02 A "searing memoir of loss and redemption" (People) that "exposes the side of The Wolf of Wall Street we didn't get to see" (Metro), *After Perfect* is a cautionary tale about one family's destruction in the wake of the Wall Street implosion. Selected as one of the year's "Fifteen Books You Need to Read" by the Village Voice, Christina McDowell's unflinching memoir is "a tale of the American Dream upended." Growing up in an affluent Washington, DC, suburb, Christina and her sisters were surrounded by the elite: summering on Nantucket Island, speeding down Capitol Hill's rich back roads, flying in their father's private plane. Their life of luxury was brutally stripped away after the FBI arrested Tom Prousalis on fraud charges. When he took a plea deal as he faced the notorious Wolf of Wall Street Jordan Belfort's testifying against him, the cars, homes, jewelry, clothes, and friends that defined the family disappeared before their eyes, including the one thing they could never get back: each other. Christina writes with candid clarity about the dark years that followed and the devastation her father's crimes wrought upon her family: the debt accumulated under her identity; her mother's breakdown; her own spiral into addiction and promiscuity; and the delusion that enveloped them all. She shines a remarkable, uncomfortable light on a family's disintegration and takes a searing look at a controversial financial time and also at herself, a child whose "normal" belonged only to the one percent. A rare, insider's perspective on the collateral damage of a fall from grace, *After Perfect* is a poignant reflection on the astounding pace at which a life can change and how blind we can be to the ugly truth.

dreams wellness weed dc: Marijuana and Mental Health Michael T. Compton, M.D., M.P.H., 2016-03-18 With relatable clinical vignettes that illustrate the applicability of each chapter's content, as well as key chapter points that summarize major themes, *Marijuana and Mental Health* is the definitive, single source of comprehensive information on marijuana and mental health in modern American society. Balanced, focused, and highly readable, chapters address topics such as the effects of marijuana on the brain and mind, marijuana-related policy and legislation, the complex link between marijuana use and psychotic disorders, synthetic cannabinoids, and the treatment and prevention of marijuana misuse. Beyond offering clinical and research psychiatrists, psychiatric

residents and fellows, clinical psychologists, and psychiatric nurses a comprehensive but concise compilation of research in this area, this reference informs clinical mental health practice as well as policy decisions by articulating the connection between marijuana and mental health, particularly in the United States.

dreams wellness weed dc: *Sleep Disorders and Sleep Deprivation* Institute of Medicine, Board on Health Sciences Policy, Committee on Sleep Medicine and Research, 2006-10-13 Clinical practice related to sleep problems and sleep disorders has been expanding rapidly in the last few years, but scientific research is not keeping pace. Sleep apnea, insomnia, and restless legs syndrome are three examples of very common disorders for which we have little biological information. This new book cuts across a variety of medical disciplines such as neurology, pulmonology, pediatrics, internal medicine, psychiatry, psychology, otolaryngology, and nursing, as well as other medical practices with an interest in the management of sleep pathology. This area of research is not limited to very young and old patients—sleep disorders reach across all ages and ethnicities. *Sleep Disorders and Sleep Deprivation* presents a structured analysis that explores the following: Improving awareness among the general public and health care professionals. Increasing investment in interdisciplinary somnology and sleep medicine research training and mentoring activities. Validating and developing new and existing technologies for diagnosis and treatment. This book will be of interest to those looking to learn more about the enormous public health burden of sleep disorders and sleep deprivation and the strikingly limited capacity of the health care enterprise to identify and treat the majority of individuals suffering from sleep problems.

dreams wellness weed dc: *Bath Haus* P. J. Vernon, 2022-05-24 Nominated for a 34th annual Lambda Literary Award • A scintillating thriller with an emotional punch: “The tension builds to unbearably claustrophobic levels. To say more would rob readers of the ‘no, he didn’t’ suspense that makes *Bath Haus* an unexpectedly twisted, heart-pounding cat-versus-mouse thriller (Los Angeles Times). Oliver Park, a recovering addict from Indiana, finally has everything he ever wanted: sobriety and a loving, wealthy partner in Nathan, a prominent DC trauma surgeon. Despite their difference in age and disparate backgrounds, they’ve made a perfect life together. With everything to lose, Oliver shouldn’t be visiting Haus, a gay bathhouse. But through the entrance he goes, and it’s a line crossed. Inside, he follows a man into a private room, and it’s the final line. Whatever happens next, Nathan can never know. But then, everything goes wrong, terribly wrong, and Oliver barely escapes with his life. He races home in full-blown terror as the hand-shaped bruise grows dark on his neck. The truth will destroy Nathan and everything they have together, so Oliver does the thing he used to do so well: he lies. What follows is a classic runaway-train narrative, full of the exquisite escalations, edge-of-your-seat thrills, and oh-my-god twists. P. J. Vernon’s *Bath Haus* is perfect for readers curious for their next must-read novel.

dreams wellness weed dc: *The Queer and Transgender Resilience Workbook* Anneliese A. Singh, 2018-02-02 How can you build unshakable confidence and resilience in a world still filled with ignorance, inequality, and discrimination? *The Queer and Transgender Resilience Workbook* will teach you how to challenge internalized negative messages, handle stress, build a community of support, and embrace your true self. Resilience is a key ingredient for psychological health and wellness. It’s what gives people the psychological strength to cope with everyday stress, as well as major setbacks. For many people, stressful events may include job loss, financial problems, illness, natural disasters, medical emergencies, divorce, or the death of a loved one. But if you are queer or gender non-conforming, life stresses may also include discrimination in housing and health care, employment barriers, homelessness, family rejection, physical attacks or threats, and general unfair treatment and oppression—all of which lead to overwhelming feelings of hopelessness and powerlessness. So, how can you gain resilience in a society that is so often toxic and unwelcoming? In this important workbook, you’ll discover how to cultivate the key components of resilience: holding a positive view of yourself and your abilities; knowing your worth and cultivating a strong

sense of self-esteem; effectively utilizing resources; being assertive and creating a support community; fostering hope and growth within yourself, and finding the strength to help others. Once you know how to tap into your personal resilience, you'll have an unlimited well you can draw from to navigate everyday challenges. By learning to challenge internalized negative messages and remove obstacles from your life, you can build the resilience you need to embrace your truest self in an imperfect world.

dreams wellness weed dc: Clinical Case Studies for the Family Nurse Practitioner Leslie Neal-Boylan, 2011-11-28 Clinical Case Studies for the Family Nurse Practitioner is a key resource for advanced practice nurses and graduate students seeking to test their skills in assessing, diagnosing, and managing cases in family and primary care. Composed of more than 70 cases ranging from common to unique, the book compiles years of experience from experts in the field. It is organized chronologically, presenting cases from neonatal to geriatric care in a standard approach built on the SOAP format. This includes differential diagnosis and a series of critical thinking questions ideal for self-assessment or classroom use.

dreams wellness weed dc: Kitchen Garden Revival Nicole Johnsey Burke, 2020-04-14 Elevate your backyard veggie patch into a work of sophisticated and stylish art. Kitchen Garden Revival guides you through every aspect of kitchen gardening, from design to harvesting—with expert advice from author Nicole Johnsey Burke, founder of Rooted Garden, one of the leading US culinary landscape companies, and Gardenary, an online kitchen gardening education and resource company. Participating in the grow-your-own movement is important to both reduce your food miles and control what makes it onto your family's table. If you've hesitated to take part because installing and caring for a traditional vegetable garden doesn't seem to suit your life or your sense of style, Kitchen Garden Revival is here to show you there's a better, more beautiful way to grow food. Instead of row after row of cabbage and pepper plants plunked into a patch of dirt in the middle of the yard, kitchen gardens are attractive, highly tailored food gardens consisting of easy-to-maintain raised planting beds laid out in an organized geometric pattern. Offering both four seasons of ornamental interest and plenty of fresh, homegrown fruits, vegetables, and herbs, kitchen gardens are the way to grow your own food in a fashionable, modern, and practical way. Kitchen gardens were once popular features of the European and early American landscape, but they fell out of favor when our agrarian roots were displaced by industrialization. With this accessible and inspirational guide, Nicole aims to return the kitchen garden to its rightful place just outside of every backdoor. Learn the art of kitchen gardening as you discover: What characteristics all kitchen gardens have in common How to design and install gorgeous kitchen garden beds using metal, wood, or stone Why raised beds mean reduced maintenance What crops are best for your kitchen garden A planting, tending, and harvesting plan developed by a pro Season-by-season growing guides It's time to join the Kitchen Garden Revival and start growing your own delicious, organic food.

dreams wellness weed dc: Promoting Positive Adolescent Health Behaviors and Outcomes National Academies of Sciences, Engineering, and Medicine, Health and Medicine Division, Division of Behavioral and Social Sciences and Education, Board on Children, Youth, and Families, Committee on Applying Lessons of Optimal Adolescent Health to Improve Behavioral Outcomes for Youth, 2020-03-21 Adolescence is a critical growth period in which youth develop essential skills that prepare them for adulthood. Prevention and intervention programs are designed to meet the needs of adolescents who require additional support and promote healthy behaviors and outcomes. To ensure the success of these efforts, it is essential that they include reliably identifiable techniques, strategies, or practices that have been proven effective. Promoting Positive Adolescent Health Behaviors and Outcomes: Thriving in the 21st Century identifies key program factors that can improve health outcomes related to adolescent behavior and provides evidence-based recommendations toward effective implementation of federal programming initiatives. This study explores normative adolescent development, the current landscape of adolescent risk behavior, core components of effective programs focused on optimal health, and recommendations for research, programs, and policies.

dreams wellness weed dc: *Let's Pretend This Never Happened* Jenny Lawson, 2012-04-17 The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspingly funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Readers Guide Inside

dreams wellness weed dc: *Hope and Suffering* Gretchen Krueger, 2020-03-03 Gretchen Krueger's poignant narrative explores how doctors, families, and the public interpreted the experience of childhood cancer from the 1930s through the 1970s. Pairing the transformation of childhood cancer from killer to curable disease with the personal experiences of young patients and their families, Krueger illuminates the twin realities of hope and suffering. In this social history, each decade follows a family whose experience touches on key themes: possible causes, means and timing of detection, the search for curative treatment, the merit of alternative treatments, the decisions to pursue or halt therapy, the side effects of treatment, death and dying—and cure. Recounting the complex and sometimes contentious interactions among the families of children with cancer, medical researchers, physicians, advocacy organizations, the media, and policy makers, Krueger reveals that personal odyssey and clinical challenge are the simultaneous realities of childhood cancer. This engaging study will be of interest to historians, medical practitioners and researchers, and people whose lives have been altered by cancer.

dreams wellness weed dc: *Becoming Supernatural* Dr. Joe Dispenza, 2017-10-31 A WALL STREET JOURNAL BESTSELLER by DR. JOE DISPENZA, the author of the New York Times bestseller *You Are the Placebo*, as well as *Breaking the Habit of Being Yourself* and *Evolve Your Brain*. *Becoming Supernatural* draws on epigenetics, quantum physics & neuroscience research conducted at his advanced workshops since 2012 to explore how common people are doing the uncommon to transform their consciousness, mindset, and beliefs to heal and live SUPERNATURAL lives. *Becoming Supernatural* marries some of the most profound scientific information with ancient spiritual wisdom to show how people like you and me can experience a more mystical life. Readers will learn that we are, quite literally supernatural by nature if given the proper knowledge and instruction, and when we learn how to apply that information through various healing meditations, we should experience a greater expression of our creative abilities. We have the capacity to tune in to frequencies beyond our material world and receive more orderly coherent streams of consciousness and energy; that we can intentionally change our brain chemistry to initiate profoundly mystical transcendental experiences; and how, if we do this enough times, we can develop the skill of creating a more efficient, balanced, healthy body, a more unlimited mind, and greater access to the quantum field and the realms of spiritual truth. Topics include: • Demystifying the body's 7 energy centers and how you can balance them to heal • How to free yourself from the past by reconditioning your body to a new mind • How you can create reality in the generous present moment by changing your energy • The difference between third-dimension creation and fifth-dimension creation • The secret science of the pineal gland and its role in accessing mystical realms of reality • The distinction between Space-Time vs. Time-Space realities • And much more Chapters Include: Opening the Door to the Supernatural The Present Moment Tuning In to New Potentials in the Quantum Blessing of the Energy Centers Reconditioning the Body to a New Mind Case Studies: Living Examples of Truth Heart Intelligence Mind Movies/Kaleidoscope Walking Meditation Case Studies: Making It Real Space-Time and Time-Space The Pineal Gland Project Coherence: Making a Better World Case Studies: It Could Happen to You Using tools and disciplines

ranging from cutting-edge physics to practical exercises such as a walking meditation, Dr. Joe offers nothing less than a proven program for stepping outside our physical reality and into the quantum field of infinite possibilities. "In a style that is simple, straightforward, and easy to understand, Dr. Joe Dispenza has woven into a single volume the paradigm-altering discoveries of quantum science and the deep teachings that adepts of the past dedicated their entire lifetimes to master." — Gregg Braden, New York Times best-selling author of *Human by Design* and *The Divine Matrix* "We can create better lives for ourselves—and that we are not linear beings living linear lives, but dimensional beings living dimensional lives. Hopefully, reading it will help you understand that you already have all the anatomy, chemistry, and physiology you need to become supernatural sitting latent within you, waiting to be awakened and activated." - Dr. Joe Dispenza New York Times best-selling author Researcher of epigenetics, quantum physics & neuroscience

dreams wellness weed dc: Promoting Social and Emotional Learning Maurice J. Elias, 1997 The authors draw upon scientific studies, theories, site visits, and their own extensive experiences to describe approaches to social and emotional learning for all levels.

dreams wellness weed dc: TIP 35: Enhancing Motivation for Change in Substance Use Disorder Treatment (Updated 2019) U.S. Department of Health and Human Services, 2019-11-19 Motivation is key to substance use behavior change. Counselors can support clients' movement toward positive changes in their substance use by identifying and enhancing motivation that already exists. Motivational approaches are based on the principles of person-centered counseling. Counselors' use of empathy, not authority and power, is key to enhancing clients' motivation to change. Clients are experts in their own recovery from SUDs. Counselors should engage them in collaborative partnerships. Ambivalence about change is normal. Resistance to change is an expression of ambivalence about change, not a client trait or characteristic. Confrontational approaches increase client resistance and discord in the counseling relationship. Motivational approaches explore ambivalence in a nonjudgmental and compassionate way.

dreams wellness weed dc: Every Body Yoga Jessamyn Stanley, 2017-04-04 From the unforgettable teacher Jessamyn Stanley comes *Every Body Yoga*, a book that breaks all the stereotypes. It's a book of inspiration for beginners of all shapes and sizes: If Jessamyn could transcend these emotional and physical barriers, so can we. It's a book for readers already doing yoga, looking to refresh their practice or find new ways to stay motivated. It's a how-to book: Here are easy-to-follow directions to 50 basic yoga poses and 10 sequences to practice at home, all photographed in full color. It's a book that challenges the larger issues of body acceptance and the meaning of beauty. Most of all, it's a book that changes the paradigm, showing us that yoga isn't about how one looks, but how one feels, with yoga sequences like "I Want to Energize My Spirit," "I Need to Release Fear," "I Want to Love Myself." Jessamyn Stanley, a yogi who breaks all the stereotypes, has built a life as an internationally recognized yoga teacher and award-winning Instagram star by combining a deep understanding for yoga with a willingness to share her personal struggles in a way that touches everyone who comes to know her. Now she brings her body-positive, emotionally uplifting approach to yoga in a book that will help every reader discover the power of yoga and how to weave it seamlessly into his or her life.

dreams wellness weed dc: Innate Kevin J. Mitchell, 2020-03-31 What makes you the way you are--and what makes each of us different from everyone else? In *Innate*, leading neuroscientist and popular science blogger Kevin Mitchell traces human diversity and individual differences to their deepest level: in the wiring of our brains. Deftly guiding us through important new research, including his own groundbreaking work, he explains how variations in the way our brains develop before birth strongly influence our psychology and behavior throughout our lives, shaping our personality, intelligence, sexuality, and even the way we perceive the world. We all share a genetic program for making a human brain, and the program for making a brain like yours is specifically encoded in your DNA. But, as Mitchell explains, the way that program plays out is affected by random processes of development that manifest uniquely in each person, even identical twins. The key insight of *Innate* is that the combination of these developmental and genetic variations creates

innate differences in how our brains are wired--differences that impact all aspects of our psychology--and this insight promises to transform the way we see the interplay of nature and nurture. *Innate* also explores the genetic and neural underpinnings of disorders such as autism, schizophrenia, and epilepsy, and how our understanding of these conditions is being revolutionized. In addition, the book examines the social and ethical implications of these ideas and of new technologies that may soon offer the means to predict or manipulate human traits. Compelling and original, *Innate* will change the way you think about why and how we are who we are.--Provided by the publisher.

dreams wellness weed dc: *The Brain on Cannabis* Rebecca Siegel, Margot Starbuck, 2021-09-28 For more than 25 years, the renowned Amen Clinics has been a front line resource for brain health . . . NOW they TACKLE all your questions about how marijuana affects your brain—and the brain of your child. Since marijuana became legal in many states, people of all ages are using it for pain relief and treatment of a variety of illnesses and ailments. But is it safe? In this comprehensive book, renowned psychiatrist and licensed prescriber of medical marijuana Dr. Rebecca Siegel delivers the most complete guide yet about the benefits and risks of using marijuana today. Based on the latest scientific research, this easy-to-read book busts all the myths and helps you navigate the sometimes confusing and often-changing world of marijuana. Within these pages you'll discover a wealth of invaluable information, including: • Why medical marijuana is vastly different than CBD and recreational marijuana—especially when it comes to children and teenagers • Evidence-based information on how cannabis is being used to treat an array of ailments and conditions • The difference between various marijuana delivery systems, including edibles • Why marijuana-induced psychosis has risen 450% among current pot users, resulting in increases of depression and suicide • How to talk to teens or young adults about recreational marijuana use in a way that brings you closer • How marijuana affects mood, productivity, and overall brain health • Long-term vs. short-term risks for teens, adults, and older adults With a foreword by renowned psychiatrist and brain health expert Dr. Daniel Amen, *The Brain on Cannabis* reveals everything you ever wanted to know about marijuana so you can make informed decisions for yourself—and your loved ones.

dreams wellness weed dc: *Sula* Toni Morrison, 2002-04-05 From the acclaimed Nobel Prize winner: Two girls who grow up to become women. Two friends who become something worse than enemies. This brilliantly imagined novel brings us the story of Nel Wright and Sula Peace, who meet as children in the small town of Medallion, Ohio. Nel and Sula's devotion is fierce enough to withstand bullies and the burden of a dreadful secret. It endures even after Nel has grown up to be a pillar of the black community and Sula has become a pariah. But their friendship ends in an unforgivable betrayal—or does it end? Terrifying, comic, ribald and tragic, *Sula* is a work that overflows with life.

dreams wellness weed dc: *First Episode Psychosis* Katherine J. Aitchison, Robin M. Murray, Patrick J. R. Power, Eva M. Tsapakis, 1999-02-17 The new edition of this popular handbook has been thoroughly updated to include the latest data concerning treatment of first-episode patients. Drawing from their experience, the authors discuss the presentation and assessment of the first psychotic episode and review the appropriate use of antipsychotic agents and psychosocial approaches in effective management.

dreams wellness weed dc: *Singing Lessons* Judy Collins, 1998 Beloved singer/songwriter Judy Collins reflects on her life and career after her son's suicide, and offers comfort to other survivors of personal tragedies. A CD of Collins' newest single, *Singing Lessons*, is bound in the back of the book. of photos.

dreams wellness weed dc: *American Comics: A History* Jeremy Dauber, 2021-11-16 The sweeping story of cartoons, comic strips, and graphic novels and their hold on the American imagination. Comics have conquered America. From our multiplexes, where Marvel and DC movies reign supreme, to our television screens, where comics-based shows like *The Walking Dead* have become among the most popular in cable history, to convention halls, best-seller lists, Pulitzer

Prize-winning titles, and MacArthur Fellowship recipients, comics shape American culture, in ways high and low, superficial, and deeply profound. In *American Comics*, Columbia professor Jeremy Dauber takes readers through their incredible but little-known history, starting with the Civil War and cartoonist Thomas Nast, creator of the lasting and iconic images of Uncle Sam and Santa Claus; the golden age of newspaper comic strips and the first great superhero boom; the moral panic of the Eisenhower era, the Marvel Comics revolution, and the underground comix movement of the 1960s and '70s; and finally into the twenty-first century, taking in the grim and gritty Dark Knights and *Watchmen* alongside the brilliant rise of the graphic novel by acclaimed practitioners like Art Spiegelman and Alison Bechdel. Dauber's story shows not only how comics have changed over the decades but how American politics and culture have changed them. Throughout, he describes the origins of beloved comics, champions neglected masterpieces, and argues that we can understand how America sees itself through whose stories comics tell. Striking and revelatory, *American Comics* is a rich chronicle of the last 150 years of American history through the lens of its comic strips, political cartoons, superheroes, graphic novels, and more. **FEATURING...** • American Splendor • Archie • The Avengers • Kyle Baker • Batman • C. C. Beck • Black Panther • Captain America • Roz Chast • Walt Disney • Will Eisner • Neil Gaiman • Bill Gaines • Bill Griffith • Harley Quinn • Jack Kirby • Denis Kitchen • Krazy Kat • Harvey Kurtzman • Stan Lee • Little Orphan Annie • Maus • Frank Miller • Alan Moore • Mutt and Jeff • Gary Panter • Peanuts • Dav Pilkey • Gail Simone • Spider-Man • Superman • Dick Tracy • Wonder Wart-Hog • Wonder Woman • The Yellow Kid • Zap Comix ... **AND MANY MORE OF YOUR FAVORITES!**

dreams wellness weed dc: You, Happier Daniel G. Amen, MD, 2022-03-22 #1 New York Times bestselling author Dr. Daniel Amen reveals the seven neuroscience secrets to becoming more than 30 percent happier in just 30 days—regardless of your age, upbringing, genetics, or current situation. Happiness is a brain function. With a healthier brain always comes a happier life. After studying more than 200,000 brain scans of people from 155 countries, Dr. Amen has discovered five primary brain types and seven neuroscience secrets that influence happiness. In *You, Happier*, he explains them and offers practical, science-based strategies for optimizing your happiness. Dr. Amen will teach you how to discover your brain type based on your personality and create happiness strategies best suited to you; improve your overall brain health to consistently enhance your mood; protect your happiness by distancing yourself from the “noise” in your head; and make seven simple decisions and ask seven daily questions to enhance your happiness. Creating consistent happiness is a daily journey. In *You, Happier*, Dr. Amen walks you through neuroscience-based habits, rituals, and choices that will boost your mood and help you live each day with clearly defined values, purpose, and goals.

dreams wellness weed dc: The Charisma Code Robin Sol Lieberman, 2016 The Charisma Code is a hand- book for living and communicating in this new world. While we know the next big innovations will spring from global culture, it's not always clear how to join this planet-without-borders conversation. Robin Sol Lieberman's 3-step process-laid out in The Charisma Code- teaches you how to connect and collaborate with anyone, anywhere by speaking charisma's language beyond words. Whether you're an emerging global leader, a volunteer for human rights, or simply a world traveller who doesn't understand the native tongue, these step.

dreams wellness weed dc: Roll Models Richard Holicky, 2004 I thought life was pretty much over. Paul Herman I was afraid people wouldn't see me for who I still was. Cathy Green I didn't need this to be a better person. Susan Douglas I wasn't sure I wanted to live "this way." Kevin Wolitzky The above four people and 49 more just like them went on to find high levels of success and lead satisfying lives. Together they tell 53 stories of moving forward to meet all the challenges, fears, obstacles, and problems common to the life-altering circumstances after spinal cord injury, and doing it without benefit of wealth, large settlements or solid health coverage. Ranging in age from 21 to 67, disabled from three to 48 years they share 931 years of disability experience. *Roll Models* is a valuable new resource for recently injured people and their families, and for nurses,

therapists, psychologists and all other professionals who treat, work with and care for people with spinal cord injury. Straight from the horse's mouth, survivors explore their experiences with disability and answer many questions those in rehab are asking: Early Thoughts What were your thoughts immediately following injury? What were your initial thoughts and reactions regarding SCI and the future? The First Years What were your biggest fears during that first year or so? How did you get past those early fears? Changes, Obstacles and Solutions How much different are you now, compared to how you were before injury? What's been the biggest obstacle? How did you address these obstacles? Finding What Works What have been the most difficult things for you to deal with since injury? What's the worst thing about having an SCI and using a chair? What's been your biggest loss due to injury? Is SCI the worst thing that ever happened to you? Tell me something about your problem solving skills. How do you deal with stress? What do you do to relieve stress? Salvations, Turning Points and More Was there any one thing that was your salvation or key to your success? Was there a turning point for you when you began to feel things were going to get better? What personal factors, habits and beliefs have helped you the most? SCI and Meaning Do you find any meaning, purpose or lessons in your disability? Did any positive opportunities come your way because of your injury? What's your greatest accomplishment? What are you most proud of? A wonderful roadmap with many alternate routes to living and thriving with SCI. Minna Hong, SCI survivor and Peer Support Coordinator/Vocational Liaison, Shepherd Center Avoids the trap of providing a "one size fits all mentality" and provides solutions as varied as the individuals used as examples. Accentuates the positives while not sugar coating the difficulties. Essential reading. Jeff Cressy SCI survivor and Director of Consumer and Community Affairs, SCI Project, Rancho Los Amigos A great resource for people as they venture out into the world, or search for meaning and a deeper, richer life. Filled with examples of real people and their real experiences. Terry Chase, ND, RN; SCI survivor; Patient & Family Education Program Coordinator, Craig Hospital A wonderful tool for the newly spinal cord injured individual, as well as the therapists and counselors working with them. This certainly hits the mark in capturing important survival strategies. Jack Dahlberg, SCI survivor, Past President of the National Spinal Cord Injury Association Artfully crafted and organized, Roll Models sensitively portrays life following spinal cord injury. Informative, creative, sensitive, as well as infused with humor and a kind heart. Recommended with my highest accolades. Lester Butt, Ph.D., ABPP, Director of the Department of Psychology, Craig Hospital

dreams wellness weed dc: *The Handbook of Cannabis Therapeutics* Ethan B. Russo, Franjo Grotenhermen, 2014-05-22 Learn the facts behind the pharmacology and pharmacokinetics of controversial cannabis therapeutics *The Handbook of Cannabis Therapeutics: From Bench to Bedside* sets aside the condemnation and hysteria of society's view of cannabis to concentrate on the medically sound aspects of cannabis therapeutics. The world's foremost experts provide a reasoned, thoroughly researched overview of the controversial subject of cannabis, from its history as a medicine through its latest therapeutic uses. The latest studies on the botany, history, biochemistry, pharmacology, toxicology, clinical use for various illnesses such as AIDS, epilepsy, and multiple sclerosis, and side effects of marijuana are all examined and discussed in depth. This comprehensive resource is a compendium of articles from the *Journal of Cannabis Therapeutics*—with additional contemporary commentary. It presents startling research that explores and supports the medicinal value of cannabis use and its derivatives as a valid therapeutic resource for pain and inflammation, for several illnesses less responsive to other therapies, and even for certain veterinary uses. Cannabinoids such as nabilone, THC, levonantradol, ajulemic acid, dexamabinal, and others are extensively described, with a review of new indications for cannabinoid pharmaceuticals. The book is carefully referenced to encourage your examination of previous studies and provides tables and figures to enhance understanding of information. *The Handbook of Cannabis Therapeutics* discusses: the uses of cannabis in Arabic, Greek, Roman, and early English medicines absorption rates pharmacokinetics pharmacodynamics separate extracts versus the use of cannabis in its entirety the therapeutic value of the endocannabinoid system cannabinoids and newborn feeding a comparison of smoking versus oral preparations clinical research data on eating cannabis therapeutic uses as

appetite stimulant treatments in obstetrics and gynecology medicinal treatments used in Jamaica the use of cannabis in the treatment of multiple sclerosis the benefits versus the adverse side effects of cannabis use The Handbook of Cannabis Therapeutics is a reference work certain to become crucial to physicians, psychologists, researchers, biochemists, graduate students, and interested members of the public.

dreams wellness weed dc: *House on Fire* Bonnie Kistler, 2019-12-03 “A masterfully written saga of family drama in the vein of Celeste Ng, Liane Moriarty, and Sally Hepworth” (Book Reporter) about a blended family in crisis after a drunk driving accident leaves one parent’s daughter dead—and the other’s son charged with manslaughter. Divorce lawyer Leigh Huyett knows all too well that most second marriages are doomed to fail. Yet five years in, she and Pete Conley couldn’t be happier with their blended family. But one rainy Friday night, on the way back from celebrating their anniversary, Peter and Leigh receive horrific news. Peter’s son Kip, a high school senior, has crashed his truck and been arrested for drunk driving. And Leigh’s fourteen-year-old daughter, Chrissy, was with him. Twelve hours later, Chrissy is dead and Kip is charged with manslaughter. Reeling with grief, Leigh nonetheless does her best to rally behind Peter and Kip. That is, until Kip changes his story and claims that he wasn’t driving after all—Chrissy was, and he swears there is a witness. As they hurtle toward Kip’s trial date, husband and wife are torn between loyalty to their children and to each other, while the mystery of what really happened that night looms large.

dreams wellness weed dc: *Storm Rising* Chris Hauty, 2022-05-03 This instant national bestseller leads a young intelligence operative into the depths of a dangerous white supremacy conspiracy that threatens to tear the country apart in a “high adrenaline adventure” (Booklist). Intelligence operative Hayley Chill is pursuing the truth about her father’s mysterious fate, which government officials seem determined to hide from her. But when she stumbles upon a ciphered document under the floorboards of her father’s house, it becomes impossible to ignore the questions about his death. Was it suicide, or was it murder, designed to protect a deeper secret? She fears what she’s discovered may be connected to current rumors of a dark conspiracy, one that no one will substantiate. Hayley’s been loyal to Washington; has it been as loyal to her? With permission from her handler to probe deeper, Hayley is led into a terrifying subculture of white supremacy within the United States military. As her investigation intensifies, she uncovers an expansive conspiracy to bring about the secession of several states from the country. It’s up to Hayley to stop a second Civil War before it starts while also confronting the ultimate truth about her father’s harrowing deeds in this “timely and terrifying read” (Nick Petrie, author of *The Runaway*).

dreams wellness weed dc: *Nancy Clark's Sports Nutrition Guidebook* Nancy Clark, 2013-10-11 Boost your energy, manage stress, build muscle, lose fat, and improve your performance. dreams wellness weed dc: *1956 Movie Star* Steve Lafler, 2022-01-03 Fifty-Second Street crackles with electricity as midnight beckons. Limos and cabs drop revelers at jazz hot spots like Birdland and Johnny Ryan's, decked to the nines. Headliners from Sarah Vaughn to the Miles Davis Quintet rewrite the rules of cool nightly in clubs packed to the gills. Downtown bohemians mix easily with African Americans and Latinos, with a smattering of out-of-town business visitors tripping the light fantastic. Midtown Manhattan offers a cultural oasis to the diverse fans of cutting edge jazz. Welcome to an alternate universe mid 20th century where hipster happy drunks Susie and Jack find

love, trans woman Ramona builds a high-profile career, and even Muggles the drug-dealing pimp can have a heart of gold. This is the jolly conceit of cartoonist Steve Lafler-enjoy it as you lean into that transcendent Coltrane solo over a martini just past midnight in Manhattan, smack in the center of 1956.

dreams wellness weed dc: Cannabis in Medicine Kenneth Finn, 2020-07-09 Legalization of marijuana is becoming increasingly prominent in the United States and around the world. While there is some discussion of the relationship between marijuana and overall health, a comprehensive resource that outlines the medical literature for several organ systems, as well as non-medical societal effects, has yet to be seen. While all physicians strive to practice evidence-based medicine, many clinicians aren't aware of the facts surrounding cannabis and are guided by public opinion. This first of its kind book is a comprehensive compilation of multiple facets of cannabis recommendation, use and effects from a variety of different perspectives. Comprised of chapters dedicated to separate fields of medicine, this evidence-based guide outlines the current data, or lack thereof, as well as the need for further study. The book begins with a general overview of the neurobiology and pharmacology of THC and hemp. It then delves into various medical concerns that plague specific disciplines of medicine such as psychiatry, cardiology, gastrointestinal and neurology, among others. The end of the book focuses on non-medical concerns such as public health and safety, driving impairment and legal implications. Comprised of case studies and meta-analyses, *Cannabis in Medicine: An Evidence-Based Approach* provides clinicians with a concise, evidence-based guide to various health concerns related to the use of marijuana. By addressing non-medical concerns, this book is also a useful resource for professionals working in the public health and legal fields.

dreams wellness weed dc: Loser/Queen Jodi Lynn Anderson, 2010-12-21 Cammy Hall is what anyone would describe as a loser. She lives with her grandparents and has adopted their way of life... right down to the comfortable shoes and early bedtime. And can she help it that she actually likes to knit? At school, her skills with knitting needles and some yarn go completely unappreciated: people like Bekka Bell reign while Cammy and her best friend, the fearless Danish exchange student Gerdi, watch from the sidelines. Cammy's used to being an outsider; after years of humiliating moments, her goal is simply to fly under the radar. Then she suddenly starts receiving mysterious text messages that lead her right to all the embarrassing secrets about the most popular kids in school. Cammy never expected to be able to climb up the high school food chain, and the agenda of the texter may be questionable—but how can she possibly give up the chance to be Queen? This is the print version of the groundbreaking online interactive serial LOSER/QUEEN that premiered in July 2010 on www.loserqueen.com. Each week, readers voted on major plot twists. The winning choice was then incorporated into the next week's chapters. Now that voting—and the book—are complete, LOSER/QUEEN will be published as a paperback and packed with extras from the author... and readers will have the opportunity to own the book they helped create! Jodi Lynn Anderson, the national bestselling author of *Peaches* and *The Secrets of Peaches*, has lived in Georgia, Costa Rica, and New York, but she currently lives in Washington, D.C. Brittney Lee is a designer and animator. She lives in Emeryville, CA.

dreams wellness weed dc: The 420 Gourmet JeffThe420Chef, 2016-06-28 The foodie's guide to cannabis: a smart, sophisticated, and beautifully illustrated cookbook for at-home chefs wanting to safely create and experience their own edibles JeffThe420Chef is revolutionizing the world of edibles. He first began cooking with cannabis to help a close friend's mother manage the pain, nausea, and discomfort from her cancer treatments. Over time, he developed a process for infusing cannabis into butters and oils that neutralizes the smell and taste, leading to a new understanding of edibles and their potential for medicinal use. In *The 420 Gourmet*, JeffThe420Chef combines his fun-loving approach to cooking with practical information about marijuana—including guidelines for safe dosing (along with a comprehensive dosage calculator), summaries of the principal strains and their typical effects, and details on the herb's medical and recreational benefits. Jeff includes

step-by-step instructions for his signature “light-tasting” canna-butter and canna-oils, the secrets behind his outrageously delicious and truly unique recipes. Once you create these staple ingredients yourself, it becomes easy to incorporate cannabis into everyday dishes—and the “pot-sibilities” are endless! From brunch and small plates to salads and gourmet dinners—and featuring gluten-free, vegetarian, vegan, and kosher options—The 420 Gourmet elevates the edible experience. Jeff’s precise dosage guidelines expand the horizons of cannabis cuisine, which will no longer be limited to a few bites of a brownie. These mouthwatering recipes are fully adaptable to your goals, whether you need a full-course meal for nourishment and pain management or a quick snack to help you focus, relax, and enhance your creativity. The 420 Gourmet will educate and entertain new and longtime cannabis users alike while serving as the ultimate guide to cannabliss.
