The average parish often feels helpless to do anything that might help turn the tide and revitalize the Church. But best-selling author Joe Paprocki insists that there is good news: with the right plans in place, the Catholic Church—and the local parish specifically—will not only survive, but thrive. *A Church on the Move* offers 52 practical strategies for moving parishes forward, principally by focusing on the one thing the Church can offer that the world-at-large cannot: Jesus Christ. Each chapter begins with a quote from Pope Francis, and each helpful strategy falls within one of five key categories: how a Church on the move thinks, functions, worships, forms disciples, and engages the world. Every chapter takes an honest look at a particular problem in the Church before moving to a creative, redemptive, and achievable solution. *A Church on the Move* brings to the parish level the great themes of Pope Francis' papacy—mission, mercy, and evangelization—and replaces despair with a profound hope for the future of the Catholic Church.

easter jeopardy questions and answers: *The Poisonwood Bible* Barbara Kingsolver, 2009-10-13 New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah's Book Club Selection "Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty." —Los Angeles Times Book Review *The Poisonwood Bible*, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleanna Price reconstructs the

story of her evangelist husband's part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.

When we are armed with the truth, we see things more clearly. We are in better position to reach our own conclusions instead of simply accepting the noise that invades our hearts and minds. Too often people are turned off by what they see as a religion bound by the rules and regulations that seem to dominate the Christian landscape. In Pursuit of Truth dispels these false assumptions and shows that true Christianity is nothing more—and nothing less—than a relationship with Jesus Christ. What were the claims of Jesus? What did he teach? What do Christians really believe? Why do I need him in my life, anyway? easter jeopardy questions and answers: There's a Beer in My Handbag David M. O'Brien, 2012-02-01 So much of being Catholic has little to do with formal prayer or Mass or anything overtly religious. A good portion of living our faith is about how we respond to the challenges of everyday life. How do we draw on our relationship with God and the resources of our faith in crisis, confusion and loneliness, when faced with injustice, criticism or heartbreak? Faith, if it is to survive, must be relevant throughout all the seasons of our lives. Faith must be real every day, when life is exciting, when we are in chaos and even when life is predictable and ordinary. The witness of the Catholic tradition is that faith in Christ is all that and more. The key is to begin to see God in all things, great and small. That is the road to discovery. There we will encounter the holy as well as be confronted by great evil and sublime beauty. There we will find ourselves, beloved sons and daughters of God. A mix of wheat and weeds growing together, loved despite our limitations and invited into the great

mission that is to be a saint in today's world. There's a Beer in My Handbag takes you on a journey deeper into the mystery of yourself as you endeavor to find your place with God. One part retreat, two parts theology, three parts testimony, this collection of everyday reflections uncovers eternity at every turn. Whether stranded at an airport or attending Easter Mass in a cemetery, finding meaning in dirty diapers and dishes or contemplating the beauties of the Catholic world, Dave invites readers to see the presence of God everywhere. If you are on a spiritual journey, you will find a home in these pages. If you are seeking meaning and purpose, you will meet fellow companions on that same road. For those rooted in their identity and practice of the Catholic faith, you will be driven into deeper waters, stretched to consider the implications of the cross in your life. Regardless of where you are with God, the words of this book will leave little doubt in your mind that you are not alone. There are many who are asking the same questions, facing the same struggles and longing for the same intimacy with God. More than anything else though, there is Christ, who stands at the heart of every journey.
