eric thompson business charlotte nc: *I Love Jesus, But I Want to Die* Sarah J. Robinson, 2021-05-11 A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

eric thompson business charlotte nc: *Colon Polypectomy* Antonio Facciorusso, Nicola Muscatiello, 2017-12-22 This book provides a comprehensive and up-to-date overview of current polypectomy techniques and describes new perspectives in the field. A wide variety of topics are covered, including classification of colon polyps, established polypectomy techniques and related controversies, advanced endoscopic resection, endoscopic submucosal dissection, the use of submucosal injection solutions, management of complications, management of anticoagulant and antiplatelet medications, and post-polypectomy endoscopic surveillance. Information is also provided on a novel risk calculation score for adenoma recurrence after polypectomy, developed by the editors of the book and their colleagues. In acquainting readers with the state of the art in the field, *Colon Polypectomy* will serve as a valuable reference and practical tool for all who perform the procedure, which is of ever-increasing importance given the recent success of colon cancer screening campaigns in leading to earlier detection of colon polyps.

eric thompson business charlotte nc: The First Kennedys Neal Thompson, 2022-02-22
“Here is that rare thing: an untold chapter in the Kennedy saga. . .Compelling and illuminating.”—Jon Meacham Based on genealogical breakthroughs and previously unreleased records, this is the first book to explore the inspiring story of the poor Irish refugee couple who escaped famine; created a life together in a city hostile to Irish, immigrants, and Catholics; and launched the Kennedy dynasty in America. Their Irish ancestry was a hallmark of the Kennedys’ initial political profile, as JFK leveraged his working-class roots to connect with blue-collar voters. Today, we remember this iconic American family as the vanguard of wealth, power, and style rather than as the descendants of poor immigrants. Here at last, we meet the first American Kennedys, Patrick and Bridget, who arrived as many thousands of others did following the Great Famine—penniless and hungry. Less than a decade after their marriage in Boston, Patrick’s sudden death left Bridget to raise their children single-handedly. Her rise from housemaid to shop owner in the face of rampant poverty and discrimination kept her family intact, allowing her only son P.J. to become a successful saloon owner and businessman. P.J. went on to become the first American Kennedy elected to public office—the first of many. Written by the grandson of an Irish immigrant couple and based on first-ever access to P.J. Kennedy’s private papers, *The First Kennedys* is a story of sacrifice and survival, resistance and reinvention: an American story.

eric thompson business charlotte nc: Kickflip Boys Neal Thompson, 2018-05-15 “Thompson captures the ache, fizz, yearning and frustration of being the father of adolescent boys.” —Michael Chabon “What a riveting, touching, and painful read!” —Maria Semple “Fun, moving, raw, and relatable.” —Tony Hawk What makes a good father, and what makes one a failure? Does less-is-more parenting inspire independence and strength, or does it encourage defiance and trouble? *Kickflip Boys* is the story of a father’s struggle to understand his willful skateboarder sons, challengers of authority and convention, to accept his role as a vulnerable “skate dad,” and to confront his fears that the boys are destined for an unconventional and potentially fraught future. With searing honesty, Neal Thompson traces his sons’ progression through all the stages of skateboarding: splurging on skate shoes and boards, having run-ins with security guards, skipping classes and defying teachers, painting graffiti, drinking and smoking, and more. As the story veers from funny to treacherous and back, from skateparks to the streets, Thompson must confront his complicity and fallibility. He also reflects on his upbringing in rural New Jersey, and his own adventures with skateboards, drugs, danger, and defiance. A story of thrill-seeking teens, of hope and love, freedom and failure, *Kickflip Boys* reveals a sport and a community that have become a refuge for adolescent boys who don’t fit in. Ultimately, it’s the survival story of a loving modern American family, of acceptance, forgiveness, and letting go.
