Eveline James Joyce Analysis: Unpacking a Paralyzing Choice

Introduction:

James Joyce's "Eveline," a poignant short story from his *Dubliners* collection, isn't just a tale of a young woman contemplating escape; it's a microcosm of societal constraints, internal conflict, and the paralyzing weight of duty. This in-depth analysis will delve into the complexities of Eveline's character, exploring the multifaceted themes woven into Joyce's masterful prose. We will examine her past, her present predicament, and the ultimately crippling decision she faces, revealing the subtle nuances that make this story a timeless masterpiece of modernist literature. Prepare to unpack the layers of symbolism, imagery, and psychological depth that elevate "Eveline" beyond a simple narrative of escape. We will dissect the narrative structure, analyze key symbols, and explore the lasting impact of this powerful story.

1. Eveline's Past: A Foundation of Fear and Resignation

Eveline's past is painted with strokes of hardship and oppression. Joyce masterfully uses flashback and evocative imagery to establish her difficult upbringing. Her childhood memories are filled with the drudgery of household chores, the harshness of her father, and the constant, unspoken burden of responsibility. The description of her mother's death, a silent suffering culminating in a broken spirit, casts a long shadow over Eveline's life, shaping her sense of fatalism and resignation. This past isn't simply background; it's the very foundation upon which her present indecision rests. The abuse, both physical and emotional, from her father creates a cycle of fear and dependence that prevents her from

fully embracing her opportunity for escape. Analyzing these early experiences allows us to understand the weight of her past and its profound influence on her decision.

1. The Present Dilemma: Escape vs. Stagnation

Eveline stands at a crossroads. The promise of a new life with Frank, a man who offers her escape from her oppressive life in Dublin, clashes violently with the ingrained fear and inertia instilled by her past. The narrative cleverly juxtaposes the alluring potential of a new beginning in Buenos Aires with the daunting reality of leaving behind everything she has ever known. Joyce's use of vivid sensory details—the bustling port, the departing ship, the sounds of the city—heightens the tension and internal conflict raging within Eveline. We see her wavering, torn between the allure of freedom and the crippling fear of the unknown. This internal struggle forms the core of the story's dramatic tension.

1. Symbolism in "Eveline": Unveiling Hidden Meanings

Joyce masterfully employs symbolism to enhance the story's depth and meaning. The image of the ship, representing both escape and potential danger, is a powerful symbol of Eveline's conflicted desires. The past, represented by the decaying furniture and the familiar streets of Dublin, stands in stark contrast to the unknown future. The sea itself, a vast and unpredictable entity, mirrors the uncertainty and fear surrounding Eveline's decision. Even the seemingly minor details, like the organ music in the church, contribute to the overall atmosphere of solemnity and resignation. Understanding these symbols provides a deeper understanding of Eveline's emotional state and the complexities of her choice.

1. The Power of Narrative Structure and Point of View:

Joyce's use of stream-of-consciousness narration allows us to directly access Eveline's thoughts and feelings, experiencing her internal turmoil firsthand. This intimate perspective creates a profound sense of empathy for her character. The narrative structure, moving between Eveline's reflections on her past, her present anxieties, and her observations of the surrounding environment, builds suspense and reinforces the internal conflict at the heart of the story. The gradual unfolding of Eveline's memories and anxieties enhances the reader's understanding of the weight of her decision. The pacing of the narrative mirrors the slow, agonizing process of her decision-making.

1. Themes of Duty, Fear, and Paralysis:

"Eveline" explores several powerful themes, including the stifling weight of duty, the crippling power of fear, and the paralyzing effect of inaction. Eveline feels a strong sense of responsibility towards her father, despite his harsh treatment. This ingrained sense of duty, coupled with her fear of the unknown and the potential for failure, prevents her from seizing the opportunity for a better life. The story ultimately highlights the tragic consequences of letting fear and a sense of obligation dictate one's choices. The story's ending serves as a stark reminder that inaction can be just as damaging as action.

1. Eveline's Character: A Study in Ambivalence

Eveline is not a simple character; she is complex, ambivalent, and ultimately tragically flawed. She is simultaneously yearning for escape and paralyzed by her fear. Her internal conflict is not easily resolved, and her final decision reflects the agonizing struggle between hope and despair. Joyce avoids simplistic characterizations, presenting Eveline as a product of her environment and her past

experiences. Her indecision is not a weakness but a reflection of the psychological burden she carries.

1. The Ending: A Moment of Inertia and Missed Opportunity

The ending of "Eveline" is famously ambiguous. Does she actually board the ship? Or does she freeze at the critical moment, succumbing to the paralyzing weight of her past and her ingrained sense of duty? Joyce's masterful ambiguity leaves the reader to interpret the ending, grappling with the implications of Eveline's inaction. This ambiguity forces us to confront the reality that sometimes, even faced with an opportunity for escape, the weight of the past can be too great to overcome.

1. "Eveline" in the Context of Dubliners:

"Eveline" occupies a significant place within Joyce's *Dubliners* collection. It exemplifies the recurring themes of paralysis and the limitations imposed by societal and personal constraints that permeate the entire collection. The story's focus on a young woman's struggle resonates with the experiences of other characters in the collection, highlighting the broader societal context of Joyce's work.

1. The Lasting Legacy of "Eveline":

"Eveline" remains a powerful and relevant story because it speaks to universal human experiences. The struggle between duty and self-preservation, the crippling effects of fear, and the agonizing

process of decision-making are timeless themes that continue to resonate with readers across generations. The story's enduring power lies in its ability to evoke empathy and provoke reflection on the complexities of human experience.

Article Outline: Eveline James Joyce Analysis

Introduction: Hook, overview of the analysis, thesis statement.

Chapter 1: Eveline's Past: Exploring her childhood, family dynamics, and the impact of her mother's death.

Chapter 2: The Present Dilemma: Examining the conflict between escape and stagnation, analyzing Frank's role, and the allure of Buenos Aires.

Chapter 3: Symbolism and Imagery: Deconstructing key symbols like the ship, the sea, the organ music, and the decaying furniture.

Chapter 4: Narrative Structure and Point of View: Analyzing the use of stream-of-consciousness, the pacing, and the impact of the narrative structure.

Chapter 5: Themes: Exploring the overarching themes of duty, fear, paralysis, and the consequences of inaction.

Chapter 6: Eveline's Character: Analyzing her complexity, ambivalence, and the reasons behind her indecision.

Chapter 7: The Ending and its Ambiguity: Interpreting the final scene and the implications of Eveline's (in)action.

Chapter 8: "Eveline" within Dubliners: Placing the story within the broader context of Joyce's work.

Conclusion: Summarizing key findings and reflecting on the enduring legacy of "Eveline."

(Each of the above chapter points would then be expanded upon in a full-length article, as indicated in the body of the essay above.)

FAQs:

1. What is the central conflict in "Eveline"? The central conflict is Eveline's internal struggle between her desire for escape and her fear of the unknown and responsibility to her father.
1. What are the major symbols in "Eveline"? Key symbols include the ship, representing both escape and potential danger; the sea, symbolizing the vast unknown; and the decaying furniture, representing her stagnant past.
1. What is the significance of the ending of "Eveline"? The ambiguous ending leaves the reader to interpret whether Eveline escapes or remains paralyzed by her fear, highlighting the consequences of inaction.
1. How does Joyce use stream-of-consciousness in "Eveline"? Joyce uses stream-of-consciousness to give readers direct access to Eveline's thoughts and feelings, creating empathy and highlighting her internal conflict.
1. What are the main themes in "Eveline"? The main themes are duty, fear, paralysis, the weight of the past, and the consequences of inaction.
1. How does "Eveline" relate to other stories in Dubliners? "Eveline" mirrors the themes of paralysis

and societal constraints found throughout Joyce's *Dubliners* collection.

1. What is the significance of Eveline's father in the story? Eveline's father represents oppression, control, and the weight of familial duty that prevents her from escaping.
1. What is the significance of Buenos Aires in the story? Buenos Aires represents the promise of a new life and escape from Eveline's difficult circumstances in Dublin.
1. Why is "Eveline" considered a significant work of modernist literature? "Eveline" is significant for its use of stream-of-consciousness, its exploration of psychological depth, and its portrayal of a complex female character caught in a web of social and personal constraints.

eveline james joyce analysis: *Dubliners* James Joyce, 2014-05-25T00:00:00Z *Dubliners* is a collection of picturesque short stories that paint a portrait of life in middle-class Dublin in the early 20th century. Joyce, a Dublin native, was careful to use actual locations and settings in the city, as well as language and slang in use at the time, to make the stories directly relatable to those who lived there. The collection had a rocky publication history, with the stories being initially rejected over eighteen times before being provisionally accepted by a publisher—then later rejected again, multiple times. It took Joyce nine years to finally see his stories in print, but not before seeing a printer burn all but one copy of the proofs. Today *Dubliners* survives as a rich example of not just literary excellence, but of what everyday life was like for average Dubliners in their day. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

eveline james joyce analysis: *Dubliners* James Joyce, 2015-08-01 This collection of fifteen short stories by Irish author James Joyce examines how one's surroundings can shape and influence a person. Although initially considered too edgy for publication, *Dubliners* later became a classic as readers began to appreciate Joyce's realistic fiction. In each story, Joyce documents the daily lives and hardships of fictional Dublin citizens. Joyce's collection progresses from the struggles of childhood to the struggles of adulthood. This collection includes one of Joyce's most famous short stories, *The Dead*, which depicts the ways memories of the past can intrude upon the present. Joyce provides a glimpse into twentieth-century Irish culture and history in this unabridged short story collection, first published in 1914.

eveline james joyce analysis: *Stylistic Analysis of James Joyces 'Eveline'* Anne-Mareike Franz, 2009-06-22 Seminar paper from the year 2007 in the subject English Language and Literature Studies - Linguistics, grade: 1,7, University of Trier (Anglistik), course: Literary Linguistics, language: English, abstract: In 1903 James Joyce wrote the novel *Dubliners*, which consists of short stories about selected Irish people portraying their lives in Dublin. "Eveline" is one of the short stories of adolescence in this collection, as it deals with a young nineteen year old woman named Eveline, who is confronted with the decision on whether she should leave Dublin with her boyfriend Frank and start a new life in Buenos Aires or stay in her old habits. The story is written from a third-person limited point of view and because of this the reader is able to perceive Eveline's world through her perspective. The reader witnesses how Eveline tries to discover herself and her own wishes. But her way of initiation is meant to lead to an surprising conclusion by Eveline in the end. What is so fascinating about "Eveline" is not only the plot itself, but the way Joyce illustrates the situation of Eveline linguistically through his way of writing. Through various linguistic means Joyce pictures Eveline's "fear of taking a chance, fear of the unknown and of change".

eveline james joyce analysis: The Mookse & the Gripes James Joyce, 2018 *The Mookse and the Gripes* is the peculiar and hilarious re-telling of Aesop's ancient fable of 'The Fox and the Grapes', as presented in Joyce's 1939 classic.

eveline james joyce analysis: The Boarding House James Joyce, 2014-07-15 Mrs. Mooney

runs a boarding house for working men, and her daughter Polly entertains the men by singing and flirting. When Mrs. Mooney discovers that Polly is having an affair with one of the men, Mr. Doran, she tries to trap him into marrying her daughter. Critically acclaimed author James Joyce's *Dubliners* is a collection of short stories depicting middle-class life in Dublin in the early twentieth century. eveline james joyce analysis: *Ulysses* James Joyce, 2024-07-03 Stephen, an elbow rested on the jagged granite, leaned his palm against his brow and gazed at the fraying edge of his shiny black coat-sleeve. Pain, that was not yet the pain of love, fretted his heart. Silently, in a dream she had come to him after her death, her wasted body within its loose brown graveclothes giving off an odour of wax and rosewood, her breath, that had bent upon him, mute, reproachful, a faint odour of wetted ashes. Across the threadbare cuffedge he saw the sea hailed as a great sweet mother by the wellfed voice beside him. The ring of bay and skyline held a dull green mass of liquid. A bowl of white china had stood beside her deathbed holding the green sluggish bile which she had torn up from her rotting liver by fits of loud groaning vomiting. Buck Mulligan wiped again his razorblade. —Ah, poor dogsbody! he said in a kind voice. I must give you a shirt and a few noserags. How are the secondhand breeks? —They fit well enough, Stephen answered. Buck Mulligan attacked the hollow beneath his underlip. —The mockery of it, he said contentedly. Secondleg they should be. God knows what poxy bowsy left them off. I have a lovely pair with a hair stripe, grey. You'll look spiffing in them. I'm not joking, Kinch. You look damn well when you're dressed. —Thanks, Stephen said. I can't wear them if they are grey ...

eveline james joyce analysis: Analysis of James Joyce's short story "Eveline" Katharina Ochsenfahrt, 2010-05-15 Essay from the year 2008 in the subject English Language and Literature Studies - Literature, grade: 1,3, <http://www.uni-jena.de/> (Institut für Anglistik/ Amerikanistik), course: Academic Writing, language: English, abstract: Usually, people, who are in love, do not care about what their families, and other people might think about them. They miss each other when they are separated. All they want is being together. But in James Joyce's short story Eveline the protagonist behaves very differently. Why does she not leave with her boyfriend Frank when there seems to be nothing that holds her back? There is a plausible explanation. Eveline is not in love with Frank, she only sees him as a chance to escape from her hard life. She only hopes for a better life, but does not trust Frank. Moreover, she never mentions that she loves him, and finally she decides not to go with him.

eveline james joyce analysis: The Dead James Joyce, 2008-10 The Dead is one of the twentieth century's most beautiful pieces of short literature. Taking his inspiration from a family gathering held every year on the Feast of the Epiphany, Joyce pens a story about a married couple attending a Christmas-season party at the house of the husband's two elderly aunts. A shocking confession made by the husband's wife toward the end of the story showcases the power of Joyce's greatest innovation: the epiphany, that moment when everything, for character and reader alike, is suddenly clear.

eveline james joyce analysis: Clay James Joyce, 2014-07-15 Maria, a laundress, is an older, unmarried woman with plans to attend her former foster child's Halloween celebration. On her way to the party, Maria is reminded of her "old maid" status, and during one of the party's games further confirms her marital future when choosing a lump of clay over a wedding ring. Critically acclaimed author James Joyce's Dubliners is a collection of short stories depicting middle-class life in Dublin in the early twentieth century. First published in 1914, the stories draw on themes relevant to the time such as nationalism and Ireland's national identity, and cement Joyce's reputation for brutally honest and revealing depictions of everyday Irish life. eveline james joyce analysis: Suspicious Readings of Joyce's "Dubliners" Margot Norris, 2010-11-24 Because the stories in James Joyce's Dubliners seem to function as models of fiction, they are able to stand in for fiction in general in their ability to make the operation of texts explicit and visible. Joyce's stories do this by provoking skepticism in the face of their storytelling. Their narrative unreliabilities—produced by strange gaps, omitted scenes, and misleading narrative prompts—arouse suspicion and oblige the reader to distrust how and why the story is told. As a

result, one is prompted to look into what is concealed, omitted, or left unspoken, a quest that often produces interpretations in conflict with what the narrative surface suggests about characters and events. Margot Norris's strategy in her analysis of the stories in *Dubliners* is to refuse to take the narrative voice for granted and to assume that every authorial decision to include or exclude, or to represent in a particular way, may be read as motivated. *Suspicious Readings of Joyce's Dubliners* examines the text for counterindications and draws on the social context of the writing in order to offer readings from diverse theoretical perspectives. *Suspicious Readings of Joyce's Dubliners* devotes a chapter to each of the fifteen stories in *Dubliners* and shows how each confronts the reader with an interpretive challenge and an intellectual adventure. Its readings of *An Encounter*, *Two Gallants*, *A Painful Case*, *A Mother*, *The Boarding House*, and *Grace* reconceive the stories in wholly novel ways—ways that reveal Joyce's writing to be even more brilliant, more exciting, and more seriously attuned to moral and political issues than we had thought.

eveline james joyce analysis: Kew Gardens Illustrated Virginia Woolf, 2021-01-07 *Kew Gardens* is a short story by the English author Virginia Woolf. It was first published privately in 1919, [1] then more widely in 1921 in the collection *Monday or Tuesday*, [1] and subsequently in the posthumous collection *A Haunted House* (1944). Originally accompanying illustrations by Vanessa Bell, its visual organisation has been described as analogous to a post-impressionist painting.

eveline james joyce analysis: Shiloh and Other Stories Bobbie Ann Mason, 2011-09-14 These stories will last, said Raymond Carver of *Shiloh and Other Stories* when it was first published, and almost two decades later this stunning fiction debut and winner of the PEN/Hemingway Award has become a modern American classic. In *Shiloh*, Bobbie Ann Mason introduces us to her western Kentucky people and the lives they forge for themselves amid the ups and downs of contemporary American life, and she poignantly captures the growing pains of the New South in the lives of her characters as they come to terms with feminism, R-rated movies, and video games. Bobbie Ann Mason is one of those rare writers who, by concentrating their attention on a few square miles of native turf, are able to open up new and surprisingly wide worlds for the delighted reader, said Robert Towers in *The New York Review of Books*.

eveline james joyce analysis: Women in Joyce Suzette A. Henke, Elaine Unkeless, 1982

eveline james joyce analysis: "Eveline" by James Joyce. The Social Influence on a Human Being Marcus Wenzel, 2018-11-17 Seminar paper from the year 2013 in the subject English - Literature, Works, grade: 1,3, University of Würzburg, language: English, abstract: We are predetermined. But do our genes really determinate us or are we able to actively influence our destiny? Maybe there is only progress in civilisation because of the interaction of genes and the active human being, or neither of them is of importance because our environment, which provides us all of our experiences, is the solely responsible for our fate? These questions become increasingly important in society. To answer them in a proper way is not only the task of parental education but becomes more and more important to teachers as well. We have to become aware of how influential our own actions are to others, especially to children, who are still in progress of defining their own personality. If we can comprehend to what our development depends on, we maybe can improve it actively, have a positive influence on the next generations and by that on the future of mankind. The theoretical approach to deal with the topic is named socialisation. I will apply this by analysing the character of Eveline in the eponymous short story of James Joyce's Dubliners. In the case of Eveline, the damage is done and I argue that she could not run from who she was either. Intensively discussed why Eveline could not leave from her invidious life, when she had the chance to, I claim that there has been no chance to her whether to leave or not. Her heteronomous character gave her no permission to run away from her home. For my argumentation I will take into consideration the theoretical approach of socialisation levels by Klaus-Jürgen Tillmann.

eveline james joyce analysis: Cut Patricia McCormick, 2024-05-21 An astonishing novel about pain, release, and recovery from two-time National Book Award finalist, Patricia McCormick. A tingle arced across my scalp. The floor tipped up at me and my body spiraled away. Then I was on the ceiling looking down, waiting to see what would happen next. Callie cuts herself. Never too deep, never enough to die. But enough to feel the pain. Enough to feel the scream inside. Now she's at Sea Pines, a residential treatment facility filled with girls struggling with problems of their own. Callie doesn't want to have anything to do with them. She doesn't want to have anything to do with anyone. She won't even speak. But Callie can only stay silent for so long...

eveline james joyce analysis: The Cambridge Companion to James Joyce Derek Attridge, 2004-06-17 This second edition of The Cambridge Companion to Joyce contains several revised essays, reflecting increasing emphasis on Joyce's politics, a fresh sense of the importance of his engagement with Ireland, and the changes wrought by gender studies on criticism of his work. This Companion gathers an international team of leading scholars who shed light on Joyce's work and life. The contributions are informative, stimulating and full of rich and accessible insights which will provoke thought and discussion in and out of the classroom. The Companion's reading lists and extended bibliography offer readers the necessary tools for further informed exploration of Joyce studies. This volume is designed primarily as a students' reference work (although it is organised so that it can also be read from cover to cover), and will deepen and extend the enjoyment and understanding of Joyce for the new reader.

eveline james joyce analysis: The Pound Era Hugh Kenner, 1973-09-18 It is notoriously difficult to recognize degrees of pre-eminence among one's near-contemporaries. We talk now of the age of Donne, a label that would have seemed bizarre to Ben Johnson. Will The Pound Era seem an appropriate designation, 50 or 100 years hence, for the epoch we think of as 'modern'? Mr. Kenner's brilliantly written book establishes an excellent case for supposing the answer to be 'Yes.'—The Economist Mr. Kenner's study...is not so much a book as a library, or better, a new kind of book in which biography, history, and the analysis of literature are so harmoniously articulated that every page has a narrative sense....The Pound Era is a book to be read and reread and studied. For the student of modern letters it is a treasure, for the general reader it is one of the most interesting books he will ever pick up in a lifetime of reading.—National Review

eveline james joyce analysis: Two Gallants James Joyce, 2011-02-15 'Little jets of wheezing laughter followed one another out of his convulsed body. His eyes, twinkling with cunning

enjoyment, glanced at every moment towards his companion's face.' 'When he was quite sure that the narrative had ended he laughed noiselessly for fully half a minute. Then he said: - Well...! That takes the biscuit!' James Joyce's naturalistic, unflinching portrayal of ordinary working people in his Dubliners stories was a literary landmark. These four stories from that collection offer glimpses of defeated lives - an unremarkable death, a theft, a desperate plan, a failed writer's dream - yet each creates a compelling and ultimately redemptive vision of a city and of human experience. This book includes Two Gallants, The Sisters, The Boarding House and A Little Cloud.

eveline james joyce analysis: A Little Cloud James Joyce, 2014-10-06 James Augustine Aloysius Joyce (2 February 1882 – 13 January 1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for *Ulysses* (1922), a landmark work in which the episodes of Homer's *Odyssey* are paralleled in an array of contrasting literary styles, perhaps most prominent among these the stream of consciousness technique he perfected. Other major works are the short-story collection *Dubliners* (1914), and the novels *A Portrait of the Artist as a Young Man* (1916) and *Finnegans Wake* (1939). His complete oeuvre includes three books of poetry, a play, occasional journalism, and his published letters. Joyce was born into a middle-class family in Dublin, where he excelled as a student at the Jesuit schools Clongowes and Belvedere, then at University College Dublin. In his early twenties he emigrated permanently to continental Europe, living in Trieste, Paris, and Zurich. Though most of his adult life was spent abroad, Joyce's fictional universe does not extend far beyond Dublin, and is populated largely by characters who closely resemble family members, enemies and friends from his time there; *Ulysses* in particular is set with precision in the streets and alleyways of the city. Shortly after the publication of *Ulysses* he elucidated this preoccupation somewhat, saying, For myself, I always write about Dublin, because if I can get to the heart of Dublin I can get to the heart of all the cities of the world. In the particular is contained the universal. James Augustine Aloysius Joyce was born on 2 February 1882 to John Stanislaus Joyce and Mary Jane May Murray in the Dublin suburb of Rathgar. He was baptized according to the Rites of the Catholic Church in the nearby St Joseph's Church in Terenure on 5 February by Rev. John O'Mulloy. His godparents were Philip and Ellen McCann. He was the eldest of ten surviving children; two of his siblings died of typhoid. His father's family, originally from Fermoy in Cork, had once owned a small salt and lime works. Joyce's father and paternal grandfather both married into wealthy families, though the family's purported ancestor, Seán Mór Seoighe (fl. 1680) was a stonemason from Connemara. In 1887, his father was appointed rate collector (i.e., a collector of local property taxes) by Dublin Corporation; the family subsequently moved to the fashionable adjacent small town of Bray 12 miles (19 km) from Dublin. Around this time Joyce was attacked by a dog, which engendered in him a lifelong cynophobia. He also suffered from astraphobia, as a superstitious aunt had described thunderstorms to him as a sign of God's wrath.

eveline james joyce analysis: Crime and Society Dr. Karabi Konch, 2017-08-07 Crime and Society presents the subject matter of criminology. Criminology, its field and scope, its historical development and of law, law enforcement agencies and the criminal justice system. Concentrated on different relevant aspects of criminology such as crime, deviance and delinquency, it attempts to analyze different conscientious factors behind the involvement of youth in crime. Crimes committed by the youth are one of the most burning social problems in the present epoch. In the transitional period from childhood to adolescence and adolescence to maturity, the youth generally face different socio-economic problems. Many violent upheavals of youth personalities are thus to be expected in the transitional period. Some of the most vulnerable forms of crime such as murder, dacoity, theft, fraud, kidnapping, different crimes against women such as rape, molestation, dowry harassment and witch-hunting, infanticide and foeticide, crimes against children such as child trafficking, child abuse, etc., and cyber-crimes are areas included within this work. Some important theoretical approaches of criminology have also been discussed in this volume. This book will definitely help students, scholars and academicians to gather information and knowledge for their academic discourse.

eveline james joyce analysis: A Portrait of the Artist as a Young Man James Joyce, 2010-06-01 A Portrait of the Artist as a Young Man is semi-autobiographical, following Joyce's fictional alter-ego through his artistic awakening. The young artist Steven Dedalus begins to rebel against the Irish Catholic dogma of his childhood and discover the great philosophers and artists. He follows his artistic calling to the continent.

eveline james joyce analysis: James Joyce and the Politics of Desire Suzette A. Henke, 2015-12-22 This title, first published in 1990, offers a feminist and psychoanalytic reassessment of the Joycean canon in the wake of Freud, Lacan, and Kristeva. The author centres her discussion of Ulysses, Dubliners, A Portrait of the Artist, Finnegans Wake, and Exiles around questions of desire and language and the politics of sexual difference. Suzette Henke's radical re-vision of Joyce's work is a striking example of the crucial role feminist theory can play in contemporary evaluation of canonical texts. As such it will be welcomed by feminists and students of literature alike.

eveline james joyce analysis: Eveline James Joyce, 2014-07-15 Eveline sits in her room thinking about the people she has lost—her mother and her brother. Her other brother is traveling for work and she is afraid that her alcoholic father will beat her with no one else to turn on. She plans to run away with a sailor with whom she has fallen in love, but will a promise made to her mother keep her at home? Critically acclaimed author James Joyce's Dubliners is a collection of short stories depicting middle-class life in Dublin in the early twentieth century. First published in 1914, the stories draw on themes relevant to the time such as nationalism and Ireland's national identity, and cement Joyce's reputation for brutally honest and revealing depictions of everyday Irish life. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

eveline james joyce analysis: Corpus Stylistics Dan McIntyre, Brian Walker (Linguist), 2019 This theoretical and practical guide to using corpus linguistic techniques in stylistic analysis focuses on how to use off-the-shelf corpus software, such as AntConc, Wmatrix, and the Brigham Young University (BYU) corpus interface.
