Muscle Boys: Gay Gym Culture is an inside look at the secret world of exercise and fitness that's become one of the country's fastest growing and most influential gay subcultures. The author, a personal trainer on the San Francisco gym scene for more than a decade, offers an in-depth look at gay body culture and its role in modern gay life.

fairvillas sexy things intimacy wellness boutique: Son of Woman Charles Mangua, 1988 An instant success and bestseller in Kenya, which ran into 6 reprints, this prize-winning novel marked the beginning of popular literature in Kenya. Mangua's novel is a fictional, autobiographical account of the son of a prostitute. The male narrator describes his life as the orphan of a prostitute in the slums of Nairobi, a young man frequenting bars and brothels, a student, corrupt civil servant and seasonal convict. His is a humorous and cynical account revealing much about the unsavoury aspects of a world experiencing rapid social change. Charles Mangua is a prolific writer of popular literature, and author of three other novels, Son of Woman in Mombasa (the sequel to Son of Woman), A Tail in the Mouth, and Kanina and I.

fairvillas sexy things intimacy wellness boutique: Heart Dick Cheney, Jonathan Reiner, 2013-10-22 Former Vice President Dick Cheney and his longtime cardiologist, Dr. Jonathan Reiner, share the story of Cheney's thirty-five-year battle with heart disease—providing insight into the incredible medical breakthroughs that have changed cardiac care over the last four decades. For as long as he has served at the highest levels of business and government, Vice President Dick Cheney has also been one of the world's most prominent heart patients. Now, for the first time ever, Cheney, together with his longtime cardiologist, Jonathan Reiner, MD, shares the very personal story of his courageous thirty-five-year battle with heart disease, from his first heart attack in 1978 to the heart transplant he received in 2012. In 1978, when Cheney suffered his first heart attack, he received essentially the same treatment President Eisenhower had had in 1955. Since then, cardiac medicine has been revolutionized, and Cheney has benefitted from nearly every medical breakthrough. At each juncture, when Cheney faced a new health challenge, the technology was one step ahead of his disease. Cheney's story is in many ways the story of the evolution of modern cardiac care. Heart is the riveting, singular memoir of both doctor and patient. Like no US politician has before him, Cheney opens up about his health struggles, sharing harrowing, never-before-told stories about the challenges he faced during a perilous time in our nation's history. Dr. Reiner provides his perspective on Cheney's case and also gives readers a fascinating glimpse into his own education as a doctor and the history of our understanding of the human heart. He masterfully chronicles the important discoveries, radical innovations, and cutting-edge science that have changed the face of medicine and saved countless lives. Powerfully braiding science with story and the personal with the political, Heart is a sweeping, inspiring, and ultimately optimistic book that will give hope to the millions of Americans affected by heart disease.

fairvillas sexy things intimacy wellness boutique: The Grizzwells: Unscripted Bill Schorr, 2013-12-24 For Gunther Grizzwell, holding down a day job is no simple feat. It takes dedication (to complete his daily naps), fortitude (to tolerate his irksome porcupine sidekick Pierpoint), and tenacity (to never stop searching for his next snack). In this e-book only collection of Grizzwells comics, Gunther and Pierpoint are the VIPs of the forest. Whether discussing the merits of daytime television, the latest confusing fashion trends, or their all-time favorite meals, every day at their woodland office is guaranteed to be comical, zany, and entirely unproductive. Clever and sharply drawn, The Grizzwells is a funny and unpredictable spin on the traditional family comic strip—with bite. Created by award-winning artist Bill Schorr, it has been in syndication nationally for more than twenty years.

fairvillas sexy things intimacy wellness boutique: The Grizzwells: Finger Food Bill Schorr, Ralph Smith, 2013-12-24 Nothing pleases Gunther Grizzwell like a good meal. Accompanied by his porcupine pal, the always-perplexing Pierpoint, Gunther roams the hills and campsites of the forest forever on the lookout for a tasty morsel of any shape or size. In this e-book only collection of Grizzwells comics, the duo ponders life's most important questions, such as: When it comes to road kill, is white or dark meat best? How important is presentation when serving up a delicious woodland creature? And which has the worst aftertaste, opossum omelets or stray Chihuahuas? Clever and sharply drawn, The Grizzwells is a funny and unpredictable spin on the traditional family comic strip—with bite. Created by award-winning artist Bill Schorr, it has been in syndication nationally for more than twenty years.
