

funny accounting jokes

Funny Accounting Jokes: A Hilarious Look at the World of Numbers

Introduction:

Let's face it, accounting isn't exactly known for its comedic flair. Spreadsheets, debits, credits – it all sounds pretty dry. But behind the serious world of financial statements and tax regulations lies a surprising wellspring of humor. This blog post is your passport to a world of chuckle-inducing accounting jokes, puns, and one-liners that will leave you laughing (even if you're an accountant yourself!). We'll dive into a collection of jokes, exploring why accountants find these humorous and offering some insights into the unique perspective of those who navigate the often-complex world of finance. Prepare to have your accounting stereotypes challenged (and maybe even learn a thing or two along the way!).

H1: The Accountant's Perspective: Why These Jokes Work

Accountants often grapple with intricate details, meticulous precision, and sometimes, mind-numbingly repetitive tasks. The humor in many accounting jokes stems from:

Irony: The jokes highlight the incongruity between the serious nature of accounting and the often-absurd situations accountants encounter. For example, a joke about an accountant losing a decimal point is funny precisely because such a small error can have massive consequences.

Inside Jokes: Many jokes rely on an understanding of accounting principles, terminology, and common workplace scenarios. Only those familiar with the field will fully grasp the humor.

Wordplay and Puns: The meticulous nature of accounting lends itself well to puns involving numbers, financial terms, and even accounting software.

Relatability: Many accountants find humor in jokes that poke fun at the challenges and frustrations of the profession – long hours, tedious work, and the pressure to be perfectly accurate. It's a shared experience that creates a sense of camaraderie.

H2: A Collection of Hilarious Accounting Jokes

Here are some of the best funny accounting jokes we've collected, categorized for your enjoyment:

H3: One-Liners:

Why do accountants make bad golfers? Because they always have a par for the course.

I used to hate facial hair, but then it grew on me. (Accountant joke!)

What do you call a lazy kangaroo? Pouch potato. (Okay, maybe not strictly accounting, but still funny!)

Why was the accountant sad? Because he didn't balance.

Why did the scarecrow win an award? Because he was outstanding in his field.

H3: Longer Jokes:

An accountant, a lawyer, and an economist are on a golf course. The accountant tees off and slices the ball wildly into the woods. The lawyer says, "That's okay, we'll just write it off as a loss." The economist replies, "Let's assume a perfectly spherical ball in a frictionless environment..."
Two accountants are arguing about a number. The first one says, "I'm sure it's 10!" The second replies, "No, I'm positive it's 100!" A third accountant walks by and says, "Guys, you're both wrong. It's 1000!"

H3: Puns and Wordplay:

What's an accountant's favorite type of tree? A money tree!
Why did the accountant bring a ladder to the party? Because he heard the drinks were on the house!
How do accountants stay fit? They do a lot of crunching numbers!

H1: Beyond the Laughs: The Importance of Accuracy in Accounting

While these jokes offer a much-needed dose of levity, it's crucial to remember that accuracy and precision are paramount in the accounting profession. The consequences of even small errors can be significant, impacting businesses, individuals, and the broader economy. These jokes are meant to highlight the sometimes-absurd aspects of the profession, not to diminish its importance.

H1: Article Outline:

Name: Funny Accounting Jokes: A Hilarious Look at the World of Numbers

Outline:

Introduction: Hooking the reader and providing an overview.

The Accountant's Perspective: Explaining why these jokes are funny to accountants.

A Collection of Hilarious Accounting Jokes: Categorizing and presenting the jokes (one-liners, longer jokes, puns).

Beyond the Laughs: Emphasizing the importance of accuracy in accounting.

Conclusion: Recap and call to action.

FAQs: Answering common questions about accounting jokes and the profession.

Related Articles: Suggesting further reading.

(The content above fulfills points 1-4 of the outline. The following sections complete the remaining points.)

Conclusion:

So there you have it – a hearty helping of funny accounting jokes to brighten your day. Whether you're an accountant, a business owner, or simply someone who appreciates a good pun, we hope you enjoyed this collection. Remember, while the world of accounting can be demanding, there's always room for a good laugh.

FAQs:

1. Where can I find more accounting jokes? You can search online for "accounting jokes," "funny accountant memes," or "accounting puns."
2. Are there any accounting joke books? Yes, there are several books dedicated to accounting humor. Search on Amazon or at your local bookstore.
3. Why are accounting jokes so nerdy? The humor often relies on inside knowledge of accounting principles and terminology.
4. Are all accountants good at telling jokes? Not necessarily! Just like any profession, accounting attracts people with diverse personalities and skills.
5. Can I use these jokes in a presentation? Use your judgment. Context is key; ensure it's appropriate for your audience.
6. Are there any bad accounting jokes? Yes, many jokes miss the mark. Humor is subjective.
7. Do accounting firms have joke competitions? While not common, some firms might have informal joke-telling sessions for team building.
8. Are there accounting jokes specific to different accounting software? Yes, jokes often target specific software features or common user experiences.
9. What's the best way to share these jokes with colleagues? Share them during a break, in a team chat, or during an informal gathering. Avoid disrupting serious work.

funny accounting jokes: The Accountant's (Bad) Joke Book: Have You Heard the One about ... ? Rick Telberg, 2011-03 Need a Laugh? Okay, maybe just a chuckle and the occasional groan? We've done our best to compile all the (mostly) decent jokes we can find about accountants. (Some are even funny)

funny accounting jokes: Financial Jokes for Financial Folks Andrew Worden, 2019-09-05 This financial joke book (full of all original accounting and finance dad jokes) is the perfect gift for any businessman or businesswoman who loves telling cheesy jokes, corny jokes, or just plain awful dad jokes! A fantastic novelty gift for an Office Party, Corporate Event, Fathers Day, Dads Birthday & Christmas. All the jokes in this book are clean family friendly jokes. When you open it up, you'll see that the first page has space for a TO: and a FROM:, a cool alternative to a card. Wikipedia describes a Dad Joke as a short bad joke, typically a pun, presented as a one-liner or a question and answer. That means you end up with a lot of groaners and headshakers during gatherings. Your friend/coworker/parent who works in accounting/finance/business will be laughing for the rest of the day after you give them this joke book!

funny accounting jokes: Auditor Jokes Chester Croker, 2019-07-13 Have lots of fun and laughter with this hilarious auditors joke book. You will simply be holding your sides and laughing out loud at some of the auditor gags. Some would say this is the definitive, conclusive, final, approved collection of funny jokes for auditors. This book is brand new in July 2019, and it would make a great gift for an auditor that you know who enjoys a laugh. Inside you will find many quality jokes, many cheesy jokes and many stories to make you laugh out loud. Put your calculator away, and buy it now!

funny accounting jokes: Humor, Seriously Jennifer Aaker, Naomi Bagdonas, 2021-02-02 WALL STREET JOURNAL, LOS ANGELES TIMES, AND USA TODAY BESTSELLER • Anyone—even you!—can learn how to harness the power of humor in business (and life), based on the popular class at Stanford's Graduate School of Business. Don't miss the authors' TED Talk, "Why great leaders take humor seriously," online now. "The ultimate guide to using the magical power of funny as a tool for leadership and a force for good."—Daniel H. Pink, #1 New York Times bestselling author of *When and Drive* We are living through a period of unprecedented uncertainty and upheaval in both our personal and professional lives. So it should come as a surprise to exactly no one that trust, human connection, and mental well-being are all on the decline. This may seem like no laughing matter. Yet, the research shows that humor and laughter are among the most valuable tools we have at our disposal for strengthening bonds and relationships, diffusing stress and tension, boosting resilience, and performing when the stakes are high. That's why Jennifer Aaker and Naomi Bagdonas teach the popular course *Humor: Serious Business* at the Stanford Graduate School of Business, where they help some of the world's most hard-driving, blazer-wearing business minds infuse more humor and levity into their work and lives. In *Humor, Seriously*, they draw on findings by behavioral scientists, world-class comedians, and inspiring business leaders to reveal how humor works and—more important—how you can use more of it, better. Aaker and Bagdonas unpack the theory and application of humor: what makes something funny, how to mine your life for material, and simple ways to identify and leverage your unique humor style. They show how to use humor to

rebuild vital connections; appear more confident, competent, and authentic at work; and foster cultures where levity and creativity can thrive. President Dwight David Eisenhower once said, “A sense of humor is part of the art of leadership, of getting along with people, of getting things done.” If Dwight David Eisenhower, the second least naturally funny president (after Franklin Pierce), thought humor was necessary to win wars, build highways, and warn against the military-industrial complex, then you might consider learning it too.

funny accounting jokes: Accountant Jokes Chester Croker, 2019-11-28 Have lots of fun and laughter with this hilarious accountants joke book. You will simply be holding your sides and laughing out loud at some of the accountancy gags. Some would say this is the definitive, conclusive, final, true and fair approved collection of funny jokes for accountants. This accountants joke book is brand new in November 2019, and it would make a great gift for an accountant that you know who enjoys a laugh. Inside you will find many quality accountancy jokes, many cheesy jokes and many funny accountant stories to make you laugh out loud. So, put your calculator away, and buy it now.

funny accounting jokes: Glasbergen Cartoons Randy Glasbergen, 2022-04-19 The last works of Randy Glasbergen were found in his office as the family were sorting through items on his desk after his unexpected passing in 2015. The contents of this book are a compilation of new cartoons in just about every topic Randy wrote and drew about. Randy's intention was to add these cartoons to his extensive online cartoon catalog. Rather than adding these cartoons to the catalog, the family decided to release them in book form as a tribute to his legacy in cartooning.

funny accounting jokes: Calorie Accounting Mandy Levy, 2015-04-21 Dieting is ridiculous. It's a never-ending roller-coaster ride of ups and downs, corkscrews and loop-the-loops, rattled brains and upset stomachs. Every day a new morning show nutritionist announces the latest yogalates pose or rare strain of kale designed to attack those stubborn ass dimples, but every day, no matter what new acai Kool-Aid you're drinking, your ass dimples are multiplying! It's not adding up, and it's time to do the math. Calorie Accounting is a fun and funny, cool and creative, visual and vibrant lifestyle how-to that delivers the skinny on the arithmetic of weight loss. Typically, there's nothing less enjoyable than being fat and preferring not to be, but Calorie Accounting finally allows us to cut the crap and face this thing head on—with jokes, puns, humiliating photos, and self-deprecation! Because after all, in the all-too-heavy world of health and fitness, can't we afford to lighten up a bit? Calorie Accounting is a tried-and-true diet plan, developed, followed, and documented by Mandy Levy, your author and sarcastic best friend. Her been-there-done-that words and pictures will inspire, mentor, and guide you through your own weight-loss success story with step-by-step instructions and extended metaphors for: Checks and balances! Shopping! Shakin' that moneymaker! Recipes (for disaster)! And more!

funny accounting jokes: *The Phantom Tollbooth* Norton Juster, 1988-10-12 With almost 5 million copies sold 60 years after its original publication, generations of readers have now journeyed with Milo to the Lands Beyond in this beloved classic. Enriched by Jules Feiffer's splendid illustrations, the wit, wisdom, and wordplay of Norton Juster's offbeat fantasy are as beguiling as ever. “Comes up bright and new every time I read it . . . it will continue to charm and delight for a very long time yet. And teach us some wisdom, too.” --Phillip Pullman For Milo, everything's a bore. When a tollbooth mysteriously appears in his room, he drives through only because he's got nothing better to do. But on the other side, things seem different. Milo visits the Island of Conclusions (you get there by jumping), learns about time from a ticking watchdog named Tock, and even embarks on a quest to rescue Rhyme and Reason. Somewhere along the way, Milo realizes something astonishing. Life is far from dull. In fact, it's exciting beyond his wildest dreams!

funny accounting jokes: *Ask a Manager* Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she

tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

funny accounting jokes: Improv Is No Joke Peter A. Margaritis, 2015-04-09 Improve your life, where everything's not made up and the points do matter. Drew Carey's show *Whose Line Is It Anyway?* has turned improvisational comedy into a pop culture phenomenon. But improv is more than just laughs—it's a valuable training tool that will make you a more effective business professional. Inside, you will discover how to: Š Replace negative phrases like “Yes, but...” with successful terms like “Yes, and...” Š Park your agenda and really hear your client out. By listening to understand, you can adapt to their ideas and produce a more positive outcome. Š Grow your client relationships beyond the numbers to build rapport, comfort, and trust. Improv is no Joke is must-read for accountants, bankers, and other financial professionals to sharpen the invaluable leadership and communication skills you need to successfully relate to clients and communicate complex information in a user-friendly way. “Peter is the first CPA speaker who actually made me laugh. Who knew accountants could be funny AND inspiring? Now, if I could just get my taxes to not be a joke!” —Judy Carter, author of *The Comedy Bible* and *The Message of You*

funny accounting jokes: Financial Accounting Michael Sack Elmaleh, 2005

funny accounting jokes: We Killed Yael Kohen, 2012-10-16 Kohen assembles America's most prominent comediennes to piece together an oral history about the revolution that happened to (and by) women in American comedy.

funny accounting jokes: Stupid Things I Won't Do When I Get Old Steven Petrow, 2021-06-29 For fans of David Sedaris and Nora Ephron, a humorous, irreverent, and poignant look at the gifts, stereotypes, and inevitable challenges of aging, based on award-winning journalist Steven Petrow's wildly popular New York Times essay, *Things I'll Do Differently When I Get Old*. Soon after his 50th birthday, Petrow began assembling a list of “things I won't do when I get old”—mostly a catalog of all the things he thought his then 70-something year old parents were doing wrong. That list, which included “You won't have to shout at me that I'm deaf,” and “I won't blame the family dog for my incontinence,” became the basis of this rousing collection of do's and don'ts, wills and won'ts that is equal parts hilarious, honest, and practical. The fact is, we don't want to age the way previous generations did. “Old people” hoard. They bore relatives—and strangers alike—with tales of their aches and pains. They insist on driving long after they've become a danger to others (and themselves). They eat dinner at 4pm. They swear they don't need a cane or walker (and guess what happens next). They never, ever apologize. But there is another way... In *Stupid Things I Won't Do When I Get Old*, Petrow candidly addresses the fears, frustrations, and stereotypes that accompany aging. He offers a blueprint for the new old age, and an understanding that aging and illness are not the same. As he writes, “I meant the list to serve as a pointed reminder—to me—to make different choices when I eventually cross the threshold to ‘old.’” Getting

older is a privilege. This essential guide reveals how to do it with grace, wisdom, humor, and hope. And without hoarding. Praise for *Stupid Things I Won't Do When I Get Old*: "Unbelievably witty and relatable, I alternated bursting into laughter and placing my hand over my face in horror thinking, Oh my God, is that me? I often say, at this age we have something young people can never have...wisdom. My dear friend, Steven Petrow, has wisdom to share in this honest, funny, wry guide to keep us young at heart, without desperately hanging onto our youth. I am buying this book for all of my friends!" —Suzanne Somers, New York Times bestselling author of *A New Way to Age* "Stupid Things I Won't Do When I Get Old is an irreverent, funny, honest look at aging and all the things we take for granted as normal parts of aging. They don't need to be. If you struggle with getting older and want to find a fresh perspective on lessons learned about what NOT to do as we age, and what TO do to stay young in heart, spirit, mind and body, read this book." —Mark Hyman, MD, #1 New York Times bestseller author of *The Blood Sugar Solution 10-Day Detox Diet*, and Head of Strategy and Innovation at the Cleveland Clinic Center for Functional Medicine. "Steven Petrow resolved to do things differently than his parents had when he gets old because he wished they'd been able to enjoy life more. His solution? He created a list! In this book, he shares the secrets to living a full life regardless of our age. It's all about the decisions we make every day. My advice in a nutshell: Read this book and keep it handy." —"Dear Abby" (Jeanne Phillips), nationally syndicated advice columnist "It's never too early to imagine what your life will look like as you age. And as I once wrote, 'We are not hostages to our fate.' Petrow's book will help you plan, think, and redefine what it means to get older—and even laugh while doing it." —Andrew Weil, MD, New York Times bestselling author of *Spontaneous Healing* and *Healthy Aging: A Lifelong Guide to Your Well-Being* "Steven Petrow not only has a great attitude about life, he is wise about how to live it. Like me, he says we should embrace our one life 100% and not let a number—our age—get in the way of anything! Steven's book will help you rethink the word "aging" and approach this next chapter with a positive and proactive attitude. Plus, this book is fun!" —Denise Austin, renowned fitness expert, author, and columnist "Steven's writing feels like sitting with a friend—one who is unusually gracious, warm and frank." —Carolyn Hax, author of the nationally syndicated advice column, Carolyn Hax Praise for Steven Petrow: *Steven Petrow's Complete Gay & Lesbian Manners* helps gays and straights navigate the subtleties of the same-sex world. —People Move over, Emily Post! When it comes to etiquette for members of the gay, lesbian, bisexual and transgender community—as well as their straight friends, family members and coworkers—author and journalist Steven Petrow is the authority. —TIME What could've easily become a novelty book has emerged as an exhaustively researched, essential resource thanks to advice columnist and etiquette expert Steven Petrow. —The Advocate From having kids to planning funerals, Steven Petrow's *Complete Gay & Lesbian Manners* has most facets of gay life covered. Ms. Post would approve. —Entertainment Weekly An indispensable refresher course...on what's proper in modern...life. —Kirkus Reviews

funny accounting jokes: Dad Jokes Dad Says Jokes, 2019-05-14 A collection of the very best jokes from the hilarious Instagram account @dadsaysjokes - so bad they're good. From the most-followed dad jokes page on Instagram, @dadsaysjokes, comes a collection of hilariously cheesy jokes that will leave your friends and family laughing and groaning in equal measure. This is the perfect gift for dads who want to expand their repertoire and anyone who fancies reminiscing about a childhood full of these no-nonsense 'bad' puns. Here are a couple of tasters: Q: Why do cows have hooves instead of feet? A: Because they lactose. Q: Are you today's date? A: Cuz you're 10/10.

funny accounting jokes: Lacan, Psychoanalysis, and Comedy Patricia Gherovici, Manya Steinkoler, 2016-08-02 Cutting-edge philosophers, psychoanalysts, literary theorists, and scholars use Freud and Lacan to shed light on laughter, humor, and the comic. Bringing together clinic, theory, and scholarship this compilation of essays offers an original mix with powerful interpretive implications.

popular digital characters with funny & hilariously ridiculous memes about them! Download your copy instantly by clicking the purchase button! Purchase now and get instant access to all of the most popular jokes!

funny accounting jokes: What I Was Doing While You Were Breeding Kristin Newman, 2014-05-20 A “truly hilarious” (Glamour), sexy, and ultimately poignant memoir about mastering the art of the “vacationship” from a writer and co-executive producer of Hulu’s Only Murders in the Building—now with a new afterword “What I Was Doing While You Were Breeding is kind of like if Eat, Pray, Love were written by your funniest friend.”—Rachel Dratch Kristin Newman spent much of her twenties and thirties buying dresses to wear to her friends’ weddings and baby showers. Not ready to settle down and in need of an escape from her fast-paced job as a sitcom writer, Kristin instead traveled the world, often alone, for several weeks each year. In addition to falling madly in love with the planet, Kristin fell for many attractive locals, men who could provide the emotional connection she wanted without costing her the freedom she desperately needed. Kristin introduces readers to the Israeli bartenders, Finnish poker players, sexy Bedouins, and Argentinean priests who helped her transform into “Kristin-Adjacent” on the road—a slower, softer, and, yes, sluttier version of herself at home. Equal parts laugh-out-loud storytelling, candid reflection, and wanderlust-inspiring travel tales, What I Was Doing While You Were Breeding is a compelling debut that will have readers rushing to renew their passports.

funny accounting jokes: Financial Intelligence, Revised Edition Karen Berman, Joe Knight, 2013-02-19 Explains what business numbers mean and why they matter, and addresses issues that have become more important in recent years, including questions about the financial crisis and accounting literacy.

funny accounting jokes: The Humor Code Peter McGraw, Joel Warner, 2015-04-28 Part road-trip comedy and part social science experiment, a scientist and a journalist travel the globe to discover the secret behind what makes things funny, questioning countless experts, including Louis C.K., along the way.

funny accounting jokes: Unwrap My Heart Alex Falcone, Ezra Fox, 2016-11-15 Sofia is just a normal high school girl, worried about getting her homework done and looking cool in the lunchroom, when HE shows up: a devastatingly handsome new kid, mysteriously covered in decaying bandages and staring at her from the empty holes where his eyes should be. She thinks he's just a hipster, but is there more to this handsome stranger than meets the eye? Yes. He's a mummy. We're not really making a secret about this. The twist is he's a mummy. It's a book about a girl who falls in love with a mummy. We've read young adult books about teenage girls unknowingly falling in love with vampires, werewolves, angels, demons, fairies, mermen, warlocks, dreamwalkers, and trolls. Seriously, there was one about trolls. It's time for mummies, dammit. It's time for mummies.

funny accounting jokes: Super Mario Bros Funny Jokes, Memes, Pictures, & Stories Mike Myer, 2018-11 The most hilarious jokes, memes, pictures, & stories! You are going to read the funniest jokes ever. Laugh out loud with this side splitting collection! Discover one of the worlds most popular digital characters with funny & hilariously ridiculous memes about them! Download your copy instantly by clicking the purchase button! Purchase now and get instant access to all of the most popular jokes!

funny accounting jokes: Riots I Have Known Ryan Chapman, 2020-11-17 Longlisted for the 2019 Center for Fiction First Novel Prize, Ryan Chapman’s “gritty, bracing debut” (Esquire) set during a prison riot is “dark, daring, and laugh-out-loud hilarious...one of the smartest—and best—novels of the year” (NPR). A largescale riot rages through Westbrook prison in upstate New York, incited by a poem in the house literary journal. Our unnamed narrator, barricaded inside the computer lab, swears he’s blameless—even though, as editor-in-chief, he published the piece in question. As he awaits violent interruption by his many, many enemies, he liveblogs one final Editor’s Letter. Riots I Have Known is his memoir, confession, and act of literary revenge. His tale spans a childhood in Sri Lanka, navigating the postwar black markets and hotel chains; employment as a Park Avenue doorman, serving the widows of the one percent; life in prison, with the silver

lining of his beloved McNairy; and his stewardship of *The Holding Pen*, a “masterpiece of post-penal literature” favored by Brooklynites everywhere. All will be revealed, and everyone will see he’s really a good guy, doing it for the right reasons. “Fitfully funny and murderously wry,” *Riots I Have Known* is “a frenzied yet wistful monologue from a lover of literature under siege” (Kirkus Reviews).

funny accounting jokes: Before and Laughter Jimmy Carr, 2022-05-10 *A memoir and self-help manual by one of the country's most treasured comedians - for anyone who feels stuck in a rut but doesn't have the tools or self-belief to shake things up* In his mid-twenties, Jimmy was bored, boring, unfulfilled and underachieving. He wasn't exactly depressed, but he was very sad. Think of a baby owl whose mum has recently died in a windmill accident. He was that sad. This book tells the story of how Jimmy turned it around and got happy, through the redemptive power of dick jokes. Written to take advantage of the brief window between the end of lockdown and Jimmy getting cancelled for saying something unforgivable to Lorraine Kelly, this book is as timely as it is unnecessary. Because you might be interested in Jimmy's life but he's damn sure you're a lot more interested in your own, *Before & Laughter* is about both of you. But mainly him. It tells the story of Jimmy's life - the transformation from white-collar corporate drone to fake-toothed donkey-laugh plastic-haired comedy mannequin - while also explaining how to turn your own life around and become the you you've always dreamt of being. At just £20, it's cheaper than Scientology, quicker than therapy, and significantly less boring than church. *Before & Laughter* contains the answers to all the big questions in life, questions like: · What's the secret to happiness? · Is Jimmy wearing a wig? · What happened with that tax thing? · What's the meaning of life? · Is Jimmy's laugh real? · Can those teeth bite through vibranium? And for readers in the West Country: yes, there are pictures (actually, sorry, there are no pictures, but there's a book about a hungry caterpillar you'll love). Because it's Jimmy Carr - recently scientifically proved to be the funniest comedian in the UK - there are jokes, jokes and more jokes throughout. If laughter really was the best medicine, the NHS would be handing out this book in Nightingale Hospitals. Fascinating, thoughtful and insightful - are all words that appear in the book.

funny accounting jokes: Rabbits for Food Binnie Kirshenbaum, 2019-05-07 Master of razor-edged literary humor Binnie Kirshenbaum returns with her first novel in a decade, a devastating, laugh-out-loud funny story of a writer's slide into depression and institutionalization. It's New Year's Eve, the holiday of forced fellowship, mandatory fun, and paper hats. While dining out with her husband and their friends, Kirshenbaum's protagonist—an acerbic, mordantly witty, and clinically depressed writer—fully unravels. Her breakdown lands her in the psych ward of a prestigious New York hospital, where she refuses all modes of recommended treatment. Instead, she passes the time chronicling the lives of her fellow “lunatics” and writing a novel about what brought her there. Her story is a brilliant and brutally funny dive into the disordered mind of a woman who sees the world all too clearly. Propelled by razor-sharp comic timing and rife with pinpoint insights, Kirshenbaum examines what it means to be unloved and loved, to succeed and fail, to be at once impervious and raw. *Rabbits for Food* shows how art can lead us out-of—or into—the depths of disconsolate loneliness and piercing grief. A bravura literary performance from one of our most indispensable writers.

funny accounting jokes: Wired Bob Woodward, 2012-03-06 This reissue of Bob Woodward's classic book about John Belushi—one of the most interesting performers and personalities in show business history—“is told with the same narrative style that Woodward employed so effectively in *All the President's Men* and *The Final Days*” (Chicago Tribune). John Belushi was found dead of a drug overdose March 5, 1982, in a seedy hotel bungalow off Sunset Boulevard in Hollywood. Belushi's death was the beginning of a trail that led Washington Post reporter Bob Woodward on an investigation that examines the dark side of American show business—TV, rock and roll, and the movie industry. From on-the-record interviews with 217 people, including Belushi's widow, his former partner Dan Aykroyd, Belushi's movie directors including Jack Nicholson and Steven Spielberg, actors Chevy Chase, Robin Williams, and Carrie Fisher, the movie executives, the agents, Belushi's drug dealers, and those who live in the show business underground, the author has written

a close portrait of a great American comic talent, and of his struggle to succeed and to survive that ended in tragedy. Using diaries, accountants' records, phone bills, travel records, medical records, and interviews with firsthand witnesses, Woodward has followed Belushi's life from childhood in a small town outside Chicago to his meteoric rise to fame. Bob Woodward has written a spellbinding account of rise and fall, a cautionary tale for our times, and a poignant and gentle portrait of a young man who had so much, gave so much, and lost so much.

funny accounting jokes: *Absolute Zero Gravity* Betsy Devine, Joel E. Cohen, 1992

funny accounting jokes: Semantic Mechanisms of Humor V. Raskin, 2012-12-06 GOAL This is the funniest book I have ever written - and the ambiguity here is deliberate. Much of this book is about deliberate ambiguity, described as unambiguously as possible, so the previous sentence is probably the first, last, and only deliberately ambiguous sentence in the book. Deliberate ambiguity will be shown to underlie much, if not all, of verbal humor. Some of its forms are simple enough to be perceived as deliberately ambiguous on the surface; in others, the ambiguity results from a deep semantic analysis. Deep semantic analysis is the core of this approach to humor. The book is the first ever application of modern linguistic theory to the study of humor and it puts forward a formal semantic theory of verbal humor. The goal of the theory is to formulate the necessary and sufficient conditions, in purely semantic terms, for a text to be funny. In other words, if a formal semantic analysis of a text yields a certain set of semantic properties which the text possesses, then the text is recognized as a joke. As any modern linguistic theory, this semantic theory of humor attempts to match a natural intuitive ability which the native speaker has, in this particular case, the ability to perceive a text as funny, i. e. , to distinguish a joke from a non-joke.

funny accounting jokes: It Devours! Joseph Fink, Jeffrey Cranor, 2017-10-17 A new page-turning mystery about science, faith, love and belonging, set in a friendly desert community where ghosts, angels, aliens, and government conspiracies are commonplace parts of everyday life. Welcome to Night Vale... "Brilliant, hilarious, and wondrously strange. I'm packing up and moving to Night Vale! -Ransom Riggs, #1 New York Times Bestselling Author of *Miss Peregrine's Home for Peculiar Children*. From the authors of the New York Times bestselling novel *Welcome to Night Vale* and the creators of the #1 international podcast of the same name, comes a mystery exploring the intersections of faith and science, the growing relationship between two young people who want desperately to trust each other, and the terrifying, toothy power of the Smiling God. Nilanjana Sikdar is an outsider to the town of Night Vale. Working for Carlos, the town's top scientist, she relies on fact and logic as her guiding principles. But all of that is put into question when Carlos gives her a special assignment investigating a mysterious rumbling in the desert wasteland outside of town. This investigation leads her to the Joyous Congregation of the Smiling God, and to Darryl, one of its most committed members. Caught between her beliefs in the ultimate power of science and her growing attraction to Darryl, she begins to suspect the Congregation is planning a ritual that could threaten the lives of everyone in town. Nilanjana and Darryl must search for common ground between their very different world views as they are faced with the Congregation's darkest and most terrible secret.

funny accounting jokes: Mixed Plate Jo Koy, 2021-03-23 A stunning, hilarious memoir from beloved comedian Jo Koy, "far and away one of the funniest people out there" (Chelsea Handler). *Mixed Plate* illuminates the burning drive and unique humor that make Jo Koy one of today's most successful comedians. Includes never-before-seen photos. Well guys, here it is—my story. A funny, sad, at times pathetic but also kick-ass tale of how a half-Filipino, half-white kid whose mom thought (and still thinks) his career goal was to become a clown became a success. Not an overnight success, because that would have made for a really short read, but an All-American success who could give my immigrant mom the kind of life she hoped for when she came to this country, and my son the kind of life I wished I'd had as a kid. With all the details of what it felt like to get the doors closed in my face, to grind it out on the road with my arsenal of dick jokes, and how my career finally took off once I embraced the craziness of my family, which I always thought was uniquely Filipino but turns out is as universal as it gets. In this book, I'll take you behind the mic, behind the curtain—OK, way

behind it. From growing up with a mom who made me dance like Michael Jackson at the Knights of Columbus, to some real dark stuff, the stuff we don't talk about often enough as immigrants. Mental health, poverty, drinking. And show you the path to my American Dream. Which was paved with a lot of failure, department store raffle tickets to win free color televisions, bad jokes, old VHS tapes, a motorcycle my mom probably still hates, the only college final I aced (wasn't math), and getting my first laugh on stage. There's photo evidence of it all here, too. In this book, I get serious about my funny. And I want to make you laugh a little while I do it. I'm like Hawaii's favorite lunch—the mixed plate. Little bit of this, a little bit of that. My book *Mixed Plate* is too.

funny accounting jokes: *Survival of the Flirting Impaired* Linda Guest, 2013-09-03 I was a perpetually single thirty-something who managed to find love on a dating website. My journey (and it was a journey) was not the shortest distance between two points. In fact, the best words to describe my journey into, and out of, the land of dating is “evolutionary”. Hello, my name is Linda, and I am flirting impaired: here is my story...

funny accounting jokes: *Humorous Texts* Salvatore Attardo, 2010-12-14 This book presents a theory of long humorous texts based on a revision and an upgrade of the General Theory of Verbal Humour (GTVH), a decade after its first proposal. The theory is informed by current research in psycholinguistics and cognitive science. It is predicated on the fact that there are humorous mechanisms in long texts that have no counterpart in jokes. The book includes a number of case studies, among them Oscar Wilde's Lord Arthur Savile's Crime and Allais' story Han Rybeck. A ground-breaking discussion of the quantitative distribution of humor in select texts is presented.

funny accounting jokes: *The Confetti Pact* Michele Gorman, Lilly Bartlett, 2020-01-06 She needs a groom. He needs a Green Card... When rising social media star, Nelly, is left in the lurch with not just a wedding but also the country's biggest magazine feature on the line, she has no choice but to substitute one groom for another. Luckily, Rafael Moreno Cortes needs a visa, so they make a deal: act the perfect couple for as long as it takes to get them both what they want. The catch? Absolutely nobody can know the truth. With the magazine following their every move, Nelly's ex re-emerges with a change of heart just as her pretend feelings for Rafael start to be anything but pretend. What could possibly go wrong? Perfect for fans of Green Card, Christina Lauren and Jasmine Guillory! Simply perfect for a quiet evening romcom book sat on the sofa with a tub of ice cream. Nelly is hilarious! My Yorkshire Litmosphere, GoodreadsA quick, enjoyable read with plenty of warm fuzzies!! The story is engaging right from the start, the characters are charming, the dialogue is witty, and the fun doesn't stop till the very last page. Lisa, GoodreadsPacks so much heart into just a few pages Jenny, GoodreadsIt's like a happy Hallmark movie in book form. If you need something light and funny, this is a great book to pick up! 5* BookishbrookeishThis was a super fun read! Just the pick to help boost my mood and make me smile. Marti, goodreadsThere were times where I legit LOled! If you're into Sophia Kinsella, this is a book for you! SavbeebbooksThis book is friggin' adorable Chandra, goodreadsIt's a quick read that left me happy! If you enjoy chick lit and romcoms like Sophie Kinsella or Jane Green then I really think you'd like this book! Nature.books.and.coffee

For some, advancement may mean a promotion or a raise. For others, it may mean cultivating comfortable working relationships. After all, success means different things to different people! No matter your situation, 49 Tips for a Successful Accounting Career will help you reach your goals.

funny accounting jokes: The Return of the King J. R. R. Tolkien, 2008 Fantasy fiction. The first ever illustrated paperback of part three of Tolkien's epic masterpiece, The Lord of the Rings, featuring 15 colour paintings by Alan Lee.

funny accounting jokes: How Much Money Do I Need to Retire? Todd Tresidder, 2020-01-02 Learn how retirement really works before it's too late... This book is the best I've seen on how to navigate the retirement savings question. (Forbes) Most so-called experts plug your numbers into a retirement formula to tell you how much money you need to retire. Unfortunately, the conventional approach is fundamentally flawed. If you fail to learn how retirement savings truly works, then you'll either underspend and be miserable or overspend and run out of money. How Much Money Do I Need to Retire takes you beyond the scientific facade of modern retirement planning. Author and former hedge fund manager Todd R. Tresidder has helped thousands of people find financial freedom through his website and podcast. Now you too can use his advice to take the guesswork out of your retirement planning. In this book, you'll learn: Why the best way to describe most retirement estimates is garbage-in/garbage-out The five critical assumptions that can destroy your financial security How to reduce the amount you need to retire by as much as \$600,000 Three strategies to maximize spending today while protecting for the future How to calculate the amount of money you really need to retire on the first try without software, online calculators, or being a math genius Read this book to know more about your retirement planning than your financial adviser. Tresidder's book contains refreshingly straightforward, easy-to-understand, and concise advice on how to retire wealthy. This missing link of personal finance books will make you sleep easier. No retirement is secure without it. Buy the book today so you can retire with confidence!
