Global Wellness Day 2024: A Guide to Prioritizing Your Well-being

Are you ready to embrace a day dedicated entirely to your well-being? Global Wellness Day, celebrated annually on the second Saturday of June, isn't just another date on the calendar; it's a global movement encouraging a healthier and happier life. This comprehensive guide dives deep into Global Wellness Day 2024, exploring its significance, how you can participate, and actionable steps to incorporate wellness into your daily routine long after the day is over. We'll uncover the spirit of this important event and empower you to make lasting changes for a healthier and more fulfilling life.

What is Global Wellness Day?

Global Wellness Day (GWD) isn't about extreme diets or grueling workouts. Instead, it's a gentle nudge towards a holistic approach to well-being, encompassing physical, mental, and emotional health. Established in 2012 by Belgin Güzel, Global Wellness Day is a non-profit initiative that aims to raise awareness about the importance of preventive wellness and encourage individuals to make conscious choices that enhance their overall quality of life. It's about cultivating a mindful existence, fostering self-care, and prioritizing your well-being as a fundamental aspect of a fulfilling life. The event promotes a worldwide shift towards a more balanced and healthy lifestyle, fostering a sense of community and collective responsibility for personal well-being.

Global Wellness Day 2024: Date and Theme

Global Wellness Day 2024 falls on Saturday, June 8th. While a specific theme may be announced closer to the date, the core message always remains consistent: prioritizing your well-being. Each year, the focus subtly shifts, highlighting different facets of health and wellness, encouraging individuals to explore various avenues of self-improvement and personal growth. Keep an eye on the official Global Wellness Day website for updates on the theme and any specific initiatives planned for 2024.

How to Participate in Global Wellness Day 2024

The beauty of Global Wellness Day lies in its accessibility. There's no single prescribed method of participation. It's about embracing activities that resonate with you and contribute to your personal well-being. Here are some ideas to inspire you:

Mindful Movement: Engage in gentle exercise like yoga, tai chi, or a leisurely walk in nature. Focus on the sensations in your body and appreciate the present moment.

Nourishing Nutrition: Prepare a healthy and delicious meal using fresh, whole ingredients. Savor each bite mindfully, appreciating the flavors and textures. Avoid processed foods and sugary drinks.

Digital Detox: Unplug from technology for a set period. Disconnect from social media and emails, and spend time engaging in activities that bring you joy and peace.

Nature Connection: Spend time outdoors. Take a hike, visit a park, or simply sit under a tree and enjoy the peacefulness of nature. The benefits of nature for mental well-being are well-documented.

Mindfulness and Meditation: Practice mindfulness exercises or meditation. Even a few minutes of quiet reflection can significantly reduce stress and improve mental clarity.

Connecting with Loved Ones: Spend quality time with family and friends.

Meaningful connections nurture our emotional well-being and provide a sense of belonging.

Acts of Kindness: Perform a random act of kindness. Helping others can boost your mood and create a sense of purpose.

Personal Reflection: Take time for self-reflection. Journal about your thoughts and feelings, identifying areas where you can improve your well-being.

Extending the Benefits Beyond Global Wellness Day

Global Wellness Day shouldn't be a one-day event. The intention is to inspire lasting changes in your lifestyle. To make these changes stick, consider incorporating these strategies into your daily routine:

Establish a Consistent Routine: Create a daily schedule that includes time for exercise, healthy eating, mindfulness, and relaxation.

Set Realistic Goals: Don't try to change everything at once. Start with small, achievable goals and gradually build upon your successes.

Seek Support: Connect with others who share your wellness goals. Join a fitness class, a support group, or connect with friends who also prioritize well-being.

Practice Self-Compassion: Be kind to yourself. Recognize that setbacks are a part of the process, and don't let them derail your progress.

Prioritize Sleep: Aim for 7-8 hours of quality sleep each night. Adequate sleep is essential for physical and mental well-being.

Global Wellness Day Resources

To further enhance your understanding and participation in Global Wellness Day, explore the official website and social media channels for updates, resources, and inspiring stories from around the world. Connecting with the global community can further motivate and inspire your wellness journey.

Conclusion

Global Wellness Day 2024 presents a unique opportunity to prioritize your well-being and make positive changes to your life. It's a chance to reflect on your current habits, identify areas for improvement, and commit to nurturing your physical, mental, and emotional health. By embracing the principles of Global Wellness Day and incorporating them into your daily routine, you can cultivate a life filled with greater vitality, happiness, and overall well-being. Remember, it's not about perfection; it's about progress.

Frequently Asked Questions (FAQs)

1. Is Global Wellness Day a religious holiday? No, Global Wellness Day is a secular event focused on promoting wellness and self-care for people of all faiths and backgrounds.
1. How can I participate if I have a busy schedule? Even small acts of self-care count. Try incorporating a 10-minute meditation session, a short walk during your lunch break, or preparing a healthy meal instead of grabbing fast food.
1. What if I miss Global Wellness Day? The spirit of Global Wellness Day should extend beyond a single day. Make a commitment to prioritize your wellness throughout the year.
1. Are there any Global Wellness Day events near me? Check the official Global Wellness Day website or social media channels for information on local events and initiatives.
1. What if I don't feel like participating in any of the suggested activities? Choose activities that resonate with you and bring you joy. The key is to engage in activities that promote your personal well-being, however you define it.

global wellness day 2024: Destination Wellness Annie Daly, 2021-05-11 True well-being isn't hard to find. You just have to know where to look. In this insightful, full-color tour of Jamaica, Norway, Hawai'i, Japan, India, and Brazil, wellness and travel journalist Annie Daly shares a diverse array of philosophies, lifestyles, and practices for better living. Fed up with the commercialization of the wellness industry after working in it for years, Annie embarked on an inspiring adventure through some of the world's happiest and healthiest cities and villages to find out what we can learn from them. Whether she's hiking along gorgeous fjords in Norway to see why Norwegians are so dedicated to getting outside, soothing her spirit with Hawaiian salt water cleanses, or learning about the importance Brazilians place on community, Annie combines on-the-ground reporting with heartfelt personal narrative to share the global lessons, philosophies, and customs that prove that wellness is not about the products—it's about the way you live your life. With candid photography, lesser-known history sidebars, and guidance on how to incorporate these often ancient and always timeless practices into your own lifestyle, this culturally-immersive read invites you to view the world through a different lens and decide what being well means to you. Destination Wellness is the perfect book for: • Anyone who has embraced hygge and is looking for new lifestyle inspiration • Armchair travelers and staycationers • Happiness and inspiration seekers • Wellness and travel enthusiasts • History lovers

global wellness day 2024: Thrive Arianna Huffington, 2014-03-25 In *Thrive*, Arianna Huffington makes an impassioned and compelling case for the need to redefine what it means to be successful in today's world. Arianna Huffington's personal wake-up call came in the form of a broken cheekbone and a nasty gash over her eye--the result of a fall brought on by exhaustion and lack of sleep. As the cofounder and editor-in-chief of the Huffington Post Media Group--one of the fastest growing media companies in the world--celebrated as one of the world's most influential women, and gracing the covers of magazines, she was, by any traditional measure, extraordinarily successful. Yet as she found herself going from brain MRI to CAT scan to echocardiogram, to find out if there was any underlying medical problem beyond exhaustion, she wondered is this really what success feels like? As more and more people are coming to realize, there is far more to living a truly successful life than just earning a bigger salary and capturing a corner office. Our relentless pursuit of the two traditional metrics of success--money and power--has led to an epidemic of burnout and stress-related illnesses, and an erosion in the quality of our relationships, family life, and, ironically, our careers. In being connected to the world 24/7, we're losing our connection to what truly matters. Our current definition of success is, as *Thrive* shows, literally killing us. We need a new way forward. In a commencement address Arianna gave at Smith College in the spring of 2013, she likened our drive for money and power to two legs of a three-legged stool. They may hold us up temporarily, but sooner or later we're going to topple over. We need a third leg--a third metric for defining success--to truly thrive. That third metric, she writes in *Thrive*, includes our well-being, our ability to draw on our intuition and inner wisdom, our sense of wonder, and our capacity for compassion and giving. As Arianna points out, our eulogies celebrate our lives very differently from the way society defines success. They don't commemorate our long hours in the office, our promotions, or our sterling PowerPoint presentations as we relentlessly raced to climb up the career ladder. They are not about our resumes--they are about cherished memories, shared adventures, small kindnesses and acts of generosity, lifelong passions, and the things that made us laugh. In this deeply personal book, Arianna talks candidly about her own challenges with managing time and prioritizing the demands of a career and raising two daughters--of juggling business deadlines and family crises, a harried dance that led to her collapse and to her aha moment. Drawing on the latest groundbreaking research and scientific findings in the fields of psychology, sports, sleep, and physiology that show the profound and transformative effects of meditation, mindfulness, unplugging, and giving, Arianna shows us the way to a revolution in our culture, our thinking, our workplace, and our lives.

global wellness day 2024: Jivamukti Yoga Sharon Gannon, David Life, 2011-04-06 The long-awaited, complete guide to the popular, vigorous American method of yoga that is deeply rooted in ancient wisdom and scriptures "In this day and age of health and fitness trends, it is

assuring to know that Sharon and David encourage their students to draw inspiration from the classical texts of Yoga and timeless scriptural sources. ”—Sri Swami Satchidananda Creators of the extremely popular Jivamukti Yoga method and cofounders of the New York City studios where it is taught, Sharon Gannon and David Life present their unique style of yoga for the first time in book form. As they explain their intensely physical and spiritual system of flowing postures, they provide inspiring expert instruction to guide you in your practice. Unlike many books about yoga, Jivamukti Yoga focuses not only on the physical postures but also on how they evolved—the origins of the practices in yoga’s ancient sacred texts and five-thousand-year-old traditions—the psychotherapeutic benefits that accrue with a steady practice, and the spiritual power that is set free when energy flows throughout the mind and body. Jivamukti Yoga, which means “soul liberation,” guides your body and soul into spiritual freedom, physical strength, peace of mind, better health, and Self-realization—the ultimate goal of any practice. Gannon and Life help you understand each of the practices that comprise the yoga path to enlightenment: AHIMSA-The Way of Compassion: choosing nonviolence, respecting all life, practicing vegetarianism, living free of prejudice ASANA-The Way of Connection to the Earth: postures and sequences, breathing, transforming energy, understanding the bandhas KARMA-The Way of Action: creating good karma, giving thanks NADAM-The Way of Sacred Music: appreciating the sacred sounds of yoga MEDITATION-The Way of the Witness: how to sit still and move inward BHAKTI-The Way of Devotion to God: living with love, grace, and peace Whatever yoga you practice, Jivamukti Yoga will help you to strengthen and deepen that practice and lead you onto a path of spiritual clarity and self-discovery. “If there is only one book you read about the practice of Yoga, this should be the one. . . . This book is for anyone who wishes to find transformation through Yoga. I’m grateful for their work and teaching.”—Stephan Rechtschaffen, MD, Co-founder & CEO, Omega Institute

global wellness day 2024: Wellbeing at Work Jim Clifton, Jim Harter, 2021-06-01 What if the next global crisis is a mental health pandemic? It is here now. One-third of Americans have shown signs of clinical anxiety or depression, and the current state of suffering globally has risen significantly. The mental health pandemic manifests everywhere, not least in your workplace. As organizations around the world face health and social crises, as well as economic uncertainty, acknowledging and improving wellbeing in your workplace is more critical than ever. Increasingly, leaders and managers must support mental health and cultivate resilience in employees — not just increase engagement and performance. Based on more than 100 million Gallup global interviews, Wellbeing at Work shows you how to do just that. Coauthored by Gallup’s CEO and its Chief Workplace Scientist, Wellbeing at Work explores the five key elements of wellbeing — career, social, financial, physical and community — and how organizations can help employees and teams thrive in those elements. The book also gives leaders ideas and action items to help employees use their innate talents and strengths to thrive in each of the wellbeing elements. And Wellbeing at Work introduces a metric to report a person’s best possible life: Gallup Net Thriving, which will become the “other stock price” for organizations. In a world where work and life are more blended than ever, maximizing employee wellbeing takes on greater urgency. Wellbeing at Work shows leaders how to create a thriving and resilient culture. If you and your leaders don’t change the world, who will? Wellbeing at Work includes a unique code to take the CliftonStrengths assessment, which reveals your top five strengths.

global wellness day 2024: Wellbeing: The Five Essential Elements Tom Rath, James K. Harter, 2010-05-04 Shows the interconnections among the elements of well-being, how they cannot be considered independently, and provides readers with a research-based approach to improving all aspects of their lives.

global wellness day 2024: Unladylike Cristen Conger, Caroline Ervin, 2018-10-02 A funny, fact-driven, and illustrated field guide to how to live a feminist life in today's world, from the hosts of the hit Unladylike podcast. Get ready to get unladylike with this field guide to the what's, why's, and how's of intersectional feminism and practical hell-raising. Through essential, inclusive, and illustrated explorations of what patriarchy looks like in the real world, authors and podcast hosts Cristen Conger and Caroline Ervin blend wild histories, astounding stats, social justice principles, and self-help advice to connect where the personal meets political in our bodies, brains, booty calls, bank accounts, and other confounding facets of modern woman-ing and nonbinary-ing. By laying out the uneven terrain of double-standards, head games, and handouts patriarchy has manspread across society for ages, Unladylike is here to unpack our gender baggage and map out the space that's ours to claim.

global wellness day 2024: State of The Global Workplace Gallup, 2017-12-19 Only 15% of employees worldwide are engaged at work. This represents a major barrier to productivity for organizations everywhere – and suggests a staggering waste of human potential. Why is this engagement number so low? There are many reasons — but resistance to rapid change is a big one, Gallup's research and experience have discovered. In particular, organizations have been slow to adapt to breakneck changes produced by information technology, globalization of markets for products and labor, the rise of the gig economy, and younger workers' unique demands. Gallup's 2017 State of the Global Workplace offers analytics and advice for organizational leaders in countries and regions around the globe who are trying to manage amid this rapid change. Grounded in decades of Gallup research and consulting worldwide -- and millions of interviews -- the report advises that leaders improve productivity by becoming far more employee-centered; build strengths-based organizations to unleash workers' potential; and hire great managers to implement the positive change their organizations need not only to survive – but to thrive.

global wellness day 2024: The Future of Happiness Amy Blankson, 2017-04-11 Technology, at least in theory, is improving our productivity, efficiency, and communication. The one thing it's not doing is making us happier. We are experiencing historically high levels of depression and dissatisfaction. But we can change that. Knowing that technology is here to stay and will continue to evolve in form and function, we need to know how to navigate the future to achieve a better balance between technology, productivity, and well-being. Technology can drive—not diminish—human happiness. In The Future of Happiness, author Amy Blankson, cofounder of the global positive psychology consulting firm GoodThink, unveils five strategies successful individuals can use, not just to survive—but actually thrive—in the Digital Age: • Stay Grounded to focus your energy and increase productivity • Know Thyself through app-driven data to strive toward your potential • Train Your Brain to develop and sustain an optimistic mindset • Create a Habitat for Happiness to maximize the spaces where you live, work, and learn • Be a Conscious Innovator to help make the world a better place By rethinking when, where, why, and how you use technology, you will not only influence your own well-being but also help shape the future of your community. Discover how technologies can transform the idea of I'll be happy when . . . to being happy now.

Use the My Wellness Action journaling spaces designed to encourage thoughtful reflection to wellness and self-care plans for teachers and educators. Learn how to monitor your self-care progress and design an actionable wellness plan for next steps. View videos that highlight the authors' personal experiences with the four dimensions of educator or teacher well-being. Access the Educator Wellness--Rating, Reflecting, Planning, and Goal-Setting protocol. Contents: About the Authors Introduction Chapter 1: The Physical Wellness Dimension Chapter 2: The Mental Wellness Dimension Chapter 3: The Emotional Wellness

Dimension Chapter 4: The Social Wellness Dimension

global wellness day 2024: Future Tourism Trends Volume 1 Canan Tanrisever, Hüseyin Pamukçu, Anukrati Sharma, 2024-01-22 The world is entering the Third Millennium in which great changes are expected in all areas of human interest, life, and activity. These changes have been brought on by past and present man-made events, which have had both positive and negative consequences. The coming millennium will be marked by significant social, political, demographic, and technological changes, and will definitely differ from the last century. The future will bring more leisure time, a higher standard of living, and a better quality of life for us all. Future Tourism Trends examines recent and the most probable changes and answers questions such as: Who is 'the new tourist' – if there is one – and what is she looking for? Is the new post-technological era transforming the very essence of travelling? The authors present a wide range of visionary insights, as well as operational takeaways.

global wellness day 2024: Perfect Health Deepak Chopra, 1990 The author's Quantum Healing: Exploring the Frontiers of Mind/Body Medicine, aimed to show how health and sickness are controlled by awareness at the level of quantum physics, where mind and body are one. Now Dr Chopra has written a practical guide to harnessing that healing power of the mind, a book based on the principles of Ayurveda, a 5000-year-old system of mind/body medicine that has recently been rediscovered. The book provides a step-by-step programme of mind/body medicine tailored to the individual's need. The result is a plan for re-establishing the body's essential balance with nature.

global wellness day 2024: Forest Medicine Li Qing Ed, 2013 Imagine a new medical science that could let you know how to be more active, more relaxed and healthier with reduced stress and reduced risk of lifestyle-related disease and cancer by visiting forests. Information on such special events as the International Year of Camelids and the Paris Olympics or Euro 2024. And much more!

global wellness day 2024: Nut Job Sonia Hunt, 2021-08-13 Every three minutes, a food allergy reaction sends someone to the emergency room. Each year in the United States, 200,000 people require emergency medical care for allergic reactions to food. Approximately 90% of food allergy reactions occur to one of eight common foods in the U.S. called The Big 8. These foods include Milk, eggs, peanuts, tree nuts, fish, crustacean shellfish, wheat, and soy. And while 1 in 10

adults have a food allergy, nearly twice as many adults think that they are allergic to foods while their symptoms may suggest food intolerance or other food-related conditions. It's time to wake up to the fact that food in the United States is killing us. I am one of over 32 million Americans who suffer from severe food allergies, environmental allergies, and asthma since the age of three. As a first-generation American, I was the broken child of parents from India and had never heard the words food allergy before. My entire life had been focused on one thing: making sure my body could withstand another attack. Because there is no cure for food allergies in Western medicine, for four decades, I became a test subject, was poked and prodded to determine the best way to manage my allergies. After I found myself almost dead on the emergency room table (for the fourth time) in 2008, I knew that it might be the last chance I would get to find another way. I felt like I was doing everything wrong. I was doing life wrong. Apparently, I wasn't managing my food allergies well because I wouldn't have been back in the hospital. It was yet another traumatic event in my life due to food, and I had officially hit rock bottom. It was during that time that I made a pact: I whispered into the Universe that if it allowed me to survive that day, I would change everything. With a fire finally lit in my soul, I completely dissected and overhauled my life created the Three to Be(TM) Program, a holistic health, and well-being program that guides people with food allergies and food restrictions to Be Healthy, Be Safe + Be Well(TM) (my mantra), in order to thrive. I needed a program that I could follow daily, using small steps to reclaim my health. None of the existing health and wellness programs on the market really catered to someone in my situation, so I created my own having dealt with severe food allergies for four decades. In facing the demons that had been with me for so long, with conviction, I took charge, I worked my program, and I eliminated my food allergies. In reclaiming my health, I transformed my life. And this is how I did it.

global wellness day 2024: The Wellness Revelation Alisa Keeton, 2017-08-08 What would it take for you to make a change? Weight loss can sometimes be a very self-focused endeavor. Maybe you have struggled with your weight your entire life, riding a constant roller coaster of numbers that go up and down. Or maybe you are finding yourself more stressed out by the world and all its demands. Perhaps you just don't feel as well in your body as you do in your spirit. In The Wellness Revelation, certified fitness professional Alisa Keeton will challenge you to get fit with God so that He can free you to complete your purpose. She teaches that when we get fit physically as well as spiritually, we will be better equipped to love and serve others. The Wellness Revelation will change the way you perceive yourself and the way that you live your life. Each week in this eight-week journey includes a teaching from Alisa, weekly assignments, Bible study, small-group questions, and more. Alisa will encourage you to love God, get healthy, and serve others; and she will provide you with the tools to spread the gospel with courage, confidence, kindness, and freedom. It's time to make a change from the inside out.

global wellness day 2024: 21 Days to Ultimate Health and Wellness Erich C. Nall, 2011-01-01 The Ultimate Transformations process of 21 Days to Ultimate Health and Wellness has supported hundreds of individuals, as they work to correct and replace bad habits that have taken several decades to form. These bad habits stand in the way of current achievements. Erich C. Nall has spent more than 20 years perfecting the Ultimate Transformation process, a system that assists all individuals with the necessary tools to change their lives and reach tremendous heights that were initially thought to be unattainable. The Ultimate Transformations process has been used by aspiring and veteran actors to reshape themselves for greater success in their field. Everyday laymen, and weekend warriors use the Ultimate Transformation process to help them lose tremendous amounts of weight, achieve the mindset necessary to run marathons, start a business, or find the inner sanctuary of peace. The process is used by youth to overcome extreme odds to make their way into college, to graduation, and by young athletes to reach their goal of playing professional sports. Professional athletes that achieve top performances such as all-pro and gold medal status, have given credit to this process. Regardless of the goals, the process of choice, belief and commitment remain the same. Take the first steps to your Ultimate Transformation and spend 21 days on your journey to Ultimate Health and Wellness. The life you desire is worth 21 days of commitment.

global wellness day 2024: CDC Yellow Book 2018: Health Information for International Travel Centers for Disease Control and Prevention CDC, 2017-04-17 THE ESSENTIAL WORK IN TRAVEL MEDICINE -- NOW COMPLETELY UPDATED FOR 2018 As unprecedented numbers of travelers cross international borders each day, the need for up-to-date, practical information about the health challenges posed by travel has never been greater. For both international travelers and the health professionals who care for them, the CDC Yellow Book 2018: Health Information for International Travel is the definitive guide to staying safe and healthy anywhere in the world. The fully revised and updated 2018 edition codifies the U.S. government's most current health guidelines and information for international travelers, including pretravel vaccine recommendations, destination-specific health advice, and easy-to-reference maps, tables, and charts. The 2018 Yellow Book also addresses the needs of specific types of travelers, with dedicated sections on: · Precautions for pregnant travelers, immunocompromised travelers, and travelers with disabilities · Special considerations for newly arrived adoptees, immigrants, and refugees · Practical tips for last-minute or resource-limited travelers · Advice for air crews, humanitarian workers, missionaries, and others who provide care and support overseas Authored by a team of the world's most esteemed travel medicine experts, the Yellow Book is an essential resource for travelers -- and the clinicians overseeing their care -- at home and abroad.

global wellness day 2024: Quantum Leadership Frederick Chavalit Tsao, Chris Laszlo, 2019-07-30 In this new book, Frederick Chavalit Tsao and Chris Laszlo argue that current approaches to leadership fail to produce positive outcomes for either businesses or the communities they serve. Employee disengagement and customer fickleness remain high, resulting in a lack of creativity and collaboration at all levels of entrepreneurial activity. Investor demand for Environmental, Social, and Governance (ESG) continues to be poorly integrated into profit strategies. Drawing on extensive research, this book shows how changing a person's consciousness is the most powerful lever for unlocking his or her leadership potential to create wealth and serve humankind. A wide range of practices of connectedness provide the keys. The journey to higher consciousness changes people at a deep intuitive level, combining embodied experience with analytic-cognitive skill development. Tsao and Laszlo show how leaders who pursue this journey are more likely to flourish with significant benefits to both business and society. These include greater creativity and collaboration along with an increased capability to inspire people and produce lasting change. Readers will come away with a deep understanding of quantum leadership and the day-to-day practices that can help them achieve greater effectiveness and wellbeing at work.

global wellness day 2024: The Work Wellness Deck Landra Bickley Eliopoulos, 2021-08-31 Banish burnout with this deck of 60 easy-to-do-anywhere prompts that encourage sanity, serenity, and wellness in your place of work, wherever that may be. Burnout is common in today's work culture. Whether due to long hours, excessive workloads, or lack of work-life balance, we all know someone who has felt overwhelmed at work. Enter The Work Wellness Deck: 60 actionable suggestions that will restore a sense of well-being in the workplace and banish burnout once and for all. Packaged in a portable format, the deck is organized into three categories: REFRESH (mental health), FLOW (physical health), and CONNECT (work relationships). Prompts include office stretches that help your posture, breathing exercises to manage stress, a gratitude practice to focus on the positive, and networking ideas to build meaningful relationships. Individuals can keep the deck on their desk or in their bag, pulling a card to start the day or as a midday mindfulness break, teams can use the cards to set a group intention, and company leaders can distribute this deck to employees as a wellness perk. No matter how it's used, The Work Wellness Deck will help people in all industries build resiliency, improve productivity, communicate effectively, and forge connection—no matter where they work. BURNOUT IS COMMON: Whether you work from home and struggle to delineate work and personal time, or you work long hours at an office, it is common to feel overworked and overwhelmed at one point or another. The Work Wellness Deck is an effective tool in preventing and/or diminishing feelings of burnout. PERFECT FOR COMPANIES: Small businesses, company leaders, and HR reps in every industry—tech, finance, healthcare, law,

media, nonprofits, retail, and more—can distribute this deck to their employees as a way to encourage them to prioritize their health and wellness. **LITTLE-PUBLISHED SLICE OF WELLNESS:** Wellness is a huge trend, but beyond self-help books on the topic, there isn't much accessible publishing on wellness in the workplace. This one-of-a-kind format is practical but still giftable, and fills that gap. Perfect for: • People who work and want to prioritize their own wellbeing • Anyone who feels burned-out • Job-changers • New graduates • HR reps and company leaders (for themselves or their employees); especially as a welcome gift for new hires, or a gift for a workplace anniversary or promotion

global wellness day 2024: *Wellness Wake Up Call* David J. Barczyk, 2014-06-24 With few exceptions, the human body is a self-healing organism that would function perfectly when given the things it needs, such as nutrition, exercise, and social and spiritual food. Most of the time, however, life gets in the way. The good news is that everyone has the chance to make right with physical, emotional, and spiritual needs and to live in a way that allows the body to function better. For those headed in the wrong direction, inaction is a choice. Reversing downward spirals to get life back on track requires each person to make a choice to live differently.

global wellness day 2024: *Communities in Action* National Academies of Sciences, Engineering, and Medicine, Health and Medicine Division, Board on Population Health and Public Health Practice, Committee on Community-Based Solutions to Promote Health Equity in the United States, 2017-04-27 In the United States, some populations suffer from far greater disparities in health than others. Those disparities are caused not only by fundamental differences in health status across segments of the population, but also because of inequities in factors that impact health status, so-called determinants of health. Only part of an individual's health status depends on his or her behavior and choice; community-wide problems like poverty, unemployment, poor education, inadequate housing, poor public transportation, interpersonal violence, and decaying neighborhoods also contribute to health inequities, as well as the historic and ongoing interplay of structures, policies, and norms that shape lives. When these factors are not optimal in a community, it does not mean they are intractable: such inequities can be mitigated by social policies that can shape health in powerful ways. *Communities in Action: Pathways to Health Equity* seeks to delineate the causes of and the solutions to health inequities in the United States. This report focuses on what communities can do to promote health equity, what actions are needed by the many and varied stakeholders that are part of communities or support them, as well as the root causes and structural barriers that need to be overcome.

global wellness day 2024: *High Level Wellness* Donald B. Ardell, 1979

global wellness day 2024: *Understanding the Global Spa Industry* Gerard Bodeker, Gerry Bodeker, Marc Cohen, 2010-08-20 • Spa services and the development of the spa business from its historical beginnings to the size of the market today. • Business development and planning, spa operations and business models. • Spa products and technologies, retailing and the application of branding and marketing strategies. • Infrastructure, design and environmental issues including sustainability and social and environmental benchmarking. • Human resources issues from education and training to professional and regulatory issues and professional and corporate ethics and values.

global wellness day 2024: *The Life-Changing Power of Sophrology* Dominique Antiglio, 2019-03-26 In a world that can sometimes feel overwhelming, this comprehensive guide to the practice of Sophrology will help you cultivate resilience, confidence, and serenity in your daily life. Sophrology is a dynamic relaxation, stress-management, and personal-development system already popular in Europe, growing worldwide, and used successfully by people from all walks of life. The method combines Western science and Eastern wisdom using relaxation, breathing, body awareness, and visualization. In ten- to fifteen-minute practices, you will learn to: • manage stress and anxiety • beat insomnia • overcome fear of failure • support your needs and realize your goals • prepare for major life events (childbirth, exams, sports competitions, etc.) • regain calm and balance • live up to your full potential • enjoy your version of happiness Includes downloadable guided practices

global wellness day 2024: Social Media Wellness Ana Homayoun, 2017-07-27 Solutions for navigating an ever-changing social media world Today's students face a challenging paradox: the digital tools they need to complete their work are often the source of their biggest distractions. Students can quickly become overwhelmed trying to manage the daily confluence of online interactions with schoolwork, extracurricular activities, and family life. Written by noted author and educator Ana Homayoun, *Social Media Wellness* is the first book to successfully decode the new language of social media for parents and educators and provide pragmatic solutions to help students: Manage distractions Focus and prioritize Improve time-management Become more organized and boost productivity Decrease stress and build empathy With fresh insights and a solutions-oriented perspective, this crucial guide will help parents, educators and students work together to promote healthy socialization, effective self-regulation, and overall safety and wellness. *Tips From Teens On Promoting Social Media Wellness* Ana Homayoun has written the very book I've yearned for, a must-read for teachers and parents. I have been recommending Ana's work for years, but *Social Media Wellness* is her best yet; a thorough, well-researched and eloquent resource for parents and teachers seeking guidance about how to help children navigate the treacherous, ever-changing waters of social media and the digital world. —Jessica Lahey, Author of *The Gift of Failure* This is the book I've been waiting for. Ana Homayoun gives concrete strategies for parents to talk with their teens without using judgment and fear as tools. This is a guidebook you can pick up at anytime, and which your teen can read, too. I'll be recommending it to everyone I know. —Rachel Simmons, Author of *The Curse of the Good Girl* Read About Ana Homayoun in the news: *NYTimes*, *The Secret Social Media Lives of Teenagers* *NYTimes*, *How to Help Kids Disrupt 'Bro Culture'* *Pacific Standard*, *Holier Than Thou IPO: Snapchat and Effective Parenting* *Parenttoolkit.com*, *Emojis, Streaks, Stories, and Scores: What Parents Need to Know About Snapchat* *Los Angeles Review of Books*, *Life and Death 2.0: When Your Grandmother Dies Online* *Chicago Tribune*, *Social Media Footprints are Nothing New, So What Were those Harvard Students Thinking?* *Today Show*, *9 Tips to Help Teens Manage Their Social Media Footprint* *5 Ways Parents Can Help Kids Balance Social Media with the Real World*

global wellness day 2024: Reclaiming Wellness Jovanka Ciales, 2022-04-19 If you've ever felt left out of "elite" healthcare regimes or thought that being healthy shouldn't be expensive, this book is for you. *Reclaiming Wellness* explores today's most effective wellness practices — and their multicultural sources — in a way that makes overall health accessible to all. The book provides: practical, affordable, delicious, and fun ways to incorporate plant-based whole foods into even the most time-crunched routine lazy-proof means of movement that feel more like self-love than dreaded exercise techniques of mindfulness, meditation, and visualization that make them meaningful everyday tools ways to experience nature, music, and community to heal and connect

global wellness day 2024: The Sweetest Little Life Courtney Hanson, 2018-08-14 Do you know the path you're on? Is it a clear, freshly paved cement road? Is it more of a dusty desert storm with tumble weeds blowing everywhere and smacking you in the face as you try to walk? Either way, this book is for you. Finding your direction is crucial in creating your personal brand or small business. How do we know which way to run if we can't even walk properly first? Do you know how you work best? How you thrive? By the end of this journey my goal is to have you feeling inspired, motivated, and excited to wake up each day and live the life you've always dreamed of creating for yourself. The questions that are hard to answer when your mind feels cluttered - were sweeping the storm.

global wellness day 2024: Global Action Plan on Physical Activity 2018-2030 World Health Organization, 2019-01-21 Regular physical activity is proven to help prevent and treat noncommunicable diseases (NCDs) such as heart disease stroke diabetes and breast and colon cancer. It also helps to prevent hypertension overweight and obesity and can improve mental health quality of life and well-being. In addition to the multiple health benefits of physical activity societies that are more active can generate additional returns on investment including a reduced use of fossil fuels cleaner air and less congested safer roads. These outcomes are interconnected with achieving

the shared goals political priorities and ambition of the Sustainable Development Agenda 2030. The new WHO global action plan to promote physical activity responds to the requests by countries for updated guidance and a framework of effective and feasible policy actions to increase physical activity at all levels. It also responds to requests for global leadership and stronger regional and national coordination and the need for a whole-of-society response to achieve a paradigm shift in both supporting and valuing all people being regularly active according to ability and across the life course. The action plan was developed through a worldwide consultation process involving governments and key stakeholders across multiple sectors including health sports transport urban design civil society academia and the private sector.

global wellness day 2024: Resilience (HBR Emotional Intelligence Series) Harvard Business Review, Daniel Goleman, Jeffrey A. Sonnenfeld, Shawn Achor, 2017-04-18 How to be resilient in a professional setting. How do some people bounce back with vigor from daily setbacks, professional crises, or even intense personal trauma? This book reveals the key traits of those who emerge stronger from challenges, helps you train your brain to withstand the stresses of daily life, and presents an approach to an effective career reboot. This volume includes the work of: Daniel Goleman Jeffrey A. Sonnenfeld Shawn Achor This collection of articles includes "How Resilience Works," by Diane Coutu; "Resilience for the Rest of Us," by Daniel Goleman; "How to Evaluate, Manage, and Strengthen Your Resilience," by David Kopans; "Find the Coaching in Criticism," by Sheila Heen and Douglas Stone; "Firing Back: How Great Leaders Rebound After Career Disasters," by Jeffrey A. Sonnenfeld and Andrew J. Ward; and "Resilience Is About How You Recharge, Not How You Endure," by Shawn Achor and Michelle Gielan. How to be human at work. The HBR Emotional Intelligence Series features smart, essential reading on the human side of professional life from the pages of Harvard Business Review. Each book in the series offers proven research showing how our emotions impact our work lives, practical advice for managing difficult people and situations, and inspiring essays on what it means to tend to our emotional well-being at work. Uplifting and practical, these books describe the social skills that are critical for ambitious professionals to master.

global wellness day 2024: FARKLI BOYUTLARIYLA YAŞAM KALİTESİ Prof. Dr. Özge Uysal Şahin - Prof. Dr. Mehmet Şahin, 2024-01-04

global wellness day 2024: Talk to the Animals Gary M. Douglas, Dain Heer, 2013-02 One of the greatest gifts that animals give to us is the way they receive from us without judgment and without limitation. They give us the opportunity to do the one thing that most of us never get the chance to do, to totally gift everything we have without limitation or consideration. What if your animals are more conscious than you are? When you acknowledge their consciousness, they will start to behave differently with you. They can teach you how to have a more expansive reality and they'll give this to you if you will listen. Animals can help you learn to function with the Earth.

global wellness day 2024: Designing for Wellness Susie Frazier, 2018-11-24 Illustrates the ways in which home design and décor can contribute to both mental and physical health while providing a beautiful space to call our own. As architects and planners sprint to learn about the new WELL Building Standard for developing healthier public places, [the author] offers a glimpse into what's coming in the next generation of interior design and provides a collection of mindful tips that anyone can implement at home in order to nurture their own emotional well-being--Back cover.

global wellness day 2024: Island Wisdom Annie Daly, Kainoa Daines, 2022-10-25 ALOHA (love) • 'ĀINA (land) • MO'OLELO (stories) • 'OHANA (family) DISCOVER FOUR FOUNDATIONS OF HAWAIIAN LIVING FOR A PEACEFUL AND BALANCED LIFE. More than just a beautiful paradise, Hawai'i has a rich culture, deeply rooted in tradition. Native Hawaiian and cultural expert Kainoa Daines has spent many years teaching visitors to the islands about this time-honored wisdom, and now he has teamed up with journalist Annie Daly to share that knowledge with you. Island Wisdom is an inspirational and rewarding journey through traditional Hawaiian teachings that have stood the test of time, from how to be pono (live a balanced life) to how to mālama 'āina (preserve and protect the land). Filled with the voices and guidance of Hawaiian elders, regional folklore, and ancient

teachings—plus gorgeous local photography and illustrations throughout—Island Wisdom is a celebration of Hawaiian culture, language, and values that will give you a deeper understanding, appreciation, and respect for Hawai'i and the Hawaiian way of life. Perfect for: - Fans of the New York Times bestseller The Little Book of Hygge - Travelers who have visited or are thinking of visiting Hawai'i - Readers curious to learn about Hawaiian culture and language - Anyone seeking a more thoughtful and balanced life
