Chapter 1: Biblical Instances of God Answering by Fire

The Old Testament is replete with instances where God manifested his power through fire. These aren't merely symbolic representations; they depict a tangible, visceral experience highlighting God's presence and authority. Let's explore some key examples:

The Burning Bush (Exodus 3): This iconic scene marks God's revelation to Moses. The burning bush, unconsumed by fire, represents God's holiness and power, signaling a divine commission. This wasn't just a visual effect; it was a powerful demonstration of God's presence, a tangible sign of His choosing Moses for a monumental task.

Elijah's Contest on Mount Carmel (1 Kings 18): This dramatic showdown between Elijah and the prophets of Baal serves as a powerful illustration of God's ability to answer prayer decisively. God's consuming fire, answering Elijah's prayer, unequivocally demonstrated His sovereignty over Baal and reaffirmed His covenant with Israel. The event highlighted the stark contrast between true worship and false idolatry.

The Descent of the Holy Spirit at Pentecost (Acts 2): While not explicitly described as "fire," the tongues of fire resting on the apostles symbolize the presence and power of the Holy Spirit. This event marked the birth of the Christian church, demonstrating the transformative power of God's Spirit and the beginning of the spread of the Gospel.

These biblical accounts are not isolated incidents. Throughout scripture, fire is used as a powerful symbol of God's presence, judgment, purification, and transformative power. Understanding these biblical contexts is crucial to comprehending the concept of God answering by fire in a modern context.

Chapter 2: Understanding the Symbolism of Fire

Fire, as a symbol, carries significant weight in many cultures and religions. In the context of faith, fire symbolizes several key aspects:

Holiness and Purity: Fire consumes impurities, leaving behind only the pure. God's fire represents His holiness and His ability to cleanse and purify our hearts and lives.

Power and Judgment: Fire can be both destructive and transformative. It represents God's power to judge sin and wickedness, but also His ability to refine and strengthen us through trials and tribulations.

Presence and Glory: Fire often signifies God's manifest presence, a tangible reminder of His power and glory. The burning bush, the pillar of fire leading the Israelites, and the fiery tongues at Pentecost all illustrate this aspect.

Transformation and Refinement: Just as a blacksmith uses fire to shape and refine metal, God uses trials and difficulties to refine our character and make us more like Him. This refining fire, though painful at times, ultimately leads to spiritual growth and maturity.

Chapter 3: God's Answers Beyond Literal Fire

While some might associate "God answering by fire" with solely literal manifestations of fire, it's crucial to understand that God's actions extend far beyond the physical realm. God's answers often manifest in ways that are subtle yet profoundly impactful:

Inner Transformation: The most powerful answers are often internal transformations, a change of heart, a renewed sense of purpose, or a deep understanding of God's will.

Unexpected Breakthroughs: Unexpected opportunities, miraculous healings, or sudden resolutions to seemingly insurmountable problems can be considered answers by fire – demonstrating God's power in unexpected and dramatic ways.

Confirmation and Guidance: A clear sense of direction, a persistent feeling of peace, or a confirmation through scripture or wise counsel can serve as powerful indicators of God's presence and guidance.

Chapter 4: Prayer and Receptivity to God's Answers

Approaching God in prayer with expectancy is crucial to experiencing His answers. This includes:

Humble and Honest Prayer: Approach God with a sincere and humble heart, acknowledging your dependence on Him.

Faith and Perseverance: Maintain faith and persist in prayer, even when you don't see immediate results.

Openness to God's Will: Be open to receiving God's answers, even if they differ from your expectations.

Conclusion:

The concept of "God who answers by fire" transcends literal flames; it encompasses the powerful, transformative work of God in our lives. Whether through tangible manifestations or subtle inner shifts, God's answers demonstrate His unwavering love, power, and faithfulness. By cultivating a spirit of faith, humility, and perseverance in prayer, we can position ourselves to experience the incredible reality of a God who answers powerfully and profoundly.

god who answers by fire: *The Sovereign God That Answer's by Fire*. Pastor Nnaemeka C. Uchegbu, 2023-06-08 FIRE IS ONE OF THE FOUR MAJOR ELEMENTS KNOWN TO EXIST ON EARTH. OTHERS INCLUDE: AIR, WATER, AND DUST. HOWEVER, FIRE OCCUPIES THE MOST SIGNIFICANT POSITION AMONG THE REST FROM THE PERSPECTIVE OF SACRED RELIGIOUS WORSHIP WHERE IT IS BELIEVED TO REPRESENT THE PRESENCE OF GOD. ALSO, BECAUSE OF THE CRITICAL ROLE THAT FIRE PLAYS IN THE AREA OF SPIRITUAL WARFARE, ANYONE

WHO DESIRES ACCESS TO SUPERNATURAL POWER MUST HAVE A DEEP UNDERSTANDING OF THE CHARACTERISTICS OF FIRE AND ITS SYMBOLISM, AND BE SPIRITUALLY BAPTIZED BY FIRE. BAPTISM BY GODLY FIRE ENDOWS CHILDREN OF GOD WITH SUPERNATURAL AUTHORITY AND ENABLES THEM TO DO EXPLOITS FOR HIM. SO, THIS BAPTISM BY FIRE IS A PRIVILEGE AND GREAT BLESSING TO THE BODY OF CHRIST. THE CONTEMPOARY CHURCH NEEDS BELIEVERS, LIKE MOSES AND ELIJAH, WHOSE HEARTS "BURNED" WITH THIS SPIRITUAL FIRE. IT DISTINGUISHES A BELIEVER FOR SERVICE IN THE KINGDOM WHERE GOD, THE SUPREME JUDGE THAT IS "A CONSUMING FIRE", IS ALSO THE GOD OF MERCY AND GRACE, WHO SAVES THE PENITENT. THIS IS A MYSTERY THAT THIS BOOK TRIES TO UNRAVEL.

Arthur Pink sought to give readers not just a theoretical knowledge of God but pointed them toward a personal relationship of yielding to him and living according to his biblical precepts. Pink's book explores attributes such as God's decrees, foreknowledge, sovereignty, holiness, grace, and mercy, among many others, all packaged in a style especially useful for pastors, teachers, and Bible students. Our God who is above all names cannot be found through human searching alone, Pink teaches, but can be known only as he is revealed by the Holy Spirit through his living Word.

god who answers by fire: No More Faking Fine Esther Fleece Allen, 2017-01-10 Scripture reveals a God who meets us where we are, not where we pretend to be. No More Faking Fine is your invitation to get honest with God through the life-giving language of lament. If you've ever been given empty clichés during challenging times, you know how painful it is to be misunderstood by well-meaning people. When life hurts, we often feel pressure--from others and ourselves--to keep it together, suck it up, or pray it away. But Scripture reveals a God who lovingly invites us to give honest voice to our emotions when life hits hard. For most of her life, Esther Fleece Allen believed she could bypass the painful emotions of her broken past by shutting them down altogether. She was known as an achiever and an overcomer on the fast track to success. But in silencing her pain, she robbed herself of the opportunity to be healed. Maybe you've done the same. Esther's journey into healing began when she discovered that God has given us a real-world way to deal with raw emotions and an alternative to the coping mechanisms that end up causing more pain. It's called lament--the gut-level, honest prayer that God never ignores, never silences, and never wastes. No More Faking Fine is your permission to lament, taking you on a journey down the unexpected pathway to true intimacy with God. Drawing from careful biblical study and hard-won insight, Esther reveals how to use God's own language to come closer to him as he leads us through our pain to the light on the other side, teaching you that: We are robbing ourselves of a divine mystery and a divine intimacy when we pretend to have it all together God does not expect us to be perfect; instead, he meets us where we are There is hope beyond your heartache, disappointment, and grief Like Esther, you'll soon find that when one person stops faking fine, it gives everyone else permission to do the same.

god who answers by fire: *Rethinking Hell* Christopher M. Date, Gregory Stump, Joshua Anderson, 2014-04-15 Most evangelical Christians believe that those people who are not saved before they die will be punished in hell forever. But is this what the Bible truly teaches? Do Christians need to rethink their understanding of hell? In the late twentieth century, a growing number of evangelical theologians, biblical scholars, and philosophers began to reject the traditional doctrine of eternal conscious torment in hell in favor of a minority theological perspective called conditional immortality. This view contends that the unsaved are resurrected to face divine judgment, just as Christians have always believed, but due to the fact that immortality is only given to those who are in Christ, the unsaved do not exist forever in hell. Instead, they face the punishment of the second death—an end to their conscious existence. This volume brings together excerpts from a variety of well-respected evangelical thinkers, including John Stott, John Wenham, and E. Earl Ellis, as they articulate the biblical, theological, and philosophical arguments for conditionalism. These readings will give thoughtful Christians strong evidence that there are indeed compelling reasons for rethinking hell.

god who answers by fire: *The God I Don't Understand* Christopher J. H. Wright, 2009-05-26 Many Christians believe that they have to understand everything about their faith for that faith to be genuine. This isn't true. There are many things we don't understand about God, His Word, and His works. And this is actually one of the greatest things about the Christian faith: that there are areas of mystery that lie beyond the keenest scholarship or even the most profound spiritual exercises. Sadly, for many people these problems raise so many questions and uncertainties that faith itself becomes a struggle. But questions, and even doubts, are part of faith. Chris Wright encourages us to face the limitations of our understanding and to acknowledge the pain and grief they can often cause. In *The God I Don't Understand*, he focuses on four of the most mysterious subjects in the Bible and reflects upon why it's important to ask questions without having to provide the answer: The problem of evil and suffering. The genocide of the Canaanites. The cross and the crucifixion. The end of the world. However strongly we believe in divine revelation, we must acknowledge both that God has not revealed everything and that much of what he has revealed is not plain. It is because Dr. Wright confronts biblical problems with a combination of honesty and humility that I warmly commend this book. —John Stott

god who answers by fire: *The Fire of God's Love* Bob Sorge, 1996-11 This book explores how God is igniting His Bride in this hour with His firey love, awakening us to blazing passion for our Beloved Lord Jesus. Emerging from the crucible of the firey dealings of God is a Bride who has been purified of all other affections but one - her desire for her Beloved, the Lord Jesus. Look into this furnace of God's love at your own risk. It is a fire that consumes all but love. Take the time to come

to the passion that blazes on the cross; let that love purge you of every defiling desire. He intends to capture and possess every part of your being by revealing to you the fire of His love.

god who answers by fire: *A Hunger for God* John Piper, 2013-04-23 There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: This much, O God, I want you. Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great. If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

god who answers by fire: *God Inside the Fire* Greg Stelley, 2012-05-26 FULL COLOR VERSIONJoni is no stranger to miracles. Her prayers and even her dreams have a habit of coming true. Her husband is regularly amazed by her strong faith and her premonitions: I had a dream, Greg. There's going to be a fire. I saw Kathy and Frank in the middle of it. Frank Scalari is a physicist. Frank, his wife Kathy, and their four children, along with their horses, goats and chickens, have just moved onto their new five acre ranch high in the Cuyamaca Mountains, 60 miles northeast of San Diego. The problem is that churches have tried every program available, and yet they still feel that there is something missing from their ministry. This book takes a fresh look at ministry and challenges us to consider that we may have actually left God out of the ministry equation, by not realizing how desperately we need for God's Spirit to set us on fire! Take a journey through the Bible and discover for yourself, how God's fire is present when God is on the move! Discover how God's fire reveals his character as well as our calling to be transformed into the image of Christ! You will also discover how being one of God's Fire Starters can be one of the most exciting adventures of anyone's life! Donald A. Broadwater was born in Roanoke, Virginia and spent most of his early life growing up around the Blue Ridge Mountains.
