H1: Finding Your Wellness Wednesday Mantra: Quotes for Self-Care

Wednesday often feels like a pivotal point in the week; it's the hump day, the halfway mark. To conquer this mid-week moment, prioritizing self-care is crucial. These quotes emphasize the importance of nurturing yourself, both physically and mentally:

"Self-care is not selfish. You can't pour from an empty cup." - This classic quote reminds us that attending to our own needs isn't indulgent; it's essential for our overall well-being. Taking even small breaks throughout the day can make a huge difference in your energy levels and productivity.

"Take care of your body. It's the only place you have to live." - Jim Rohn This quote underscores the importance of physical health as a foundation for overall wellness. It's a gentle nudge to prioritize healthy eating, exercise, and sufficient sleep.

"Invest in your well-being. It's the best investment you'll ever make." - Unknown This quote highlights the long-term benefits of prioritizing self-care. Consider this your daily reminder to make time for activities that nourish your soul, whether it's yoga, reading, spending time in nature, or simply relaxing with a cup of tea.

H2: Good Morning Wellness Wednesday Quotes: Embrace Mindfulness and Gratitude

Mindfulness and gratitude are powerful tools for cultivating inner peace and positivity. These good morning wellness Wednesday quotes encourage you to appreciate the present moment and cultivate a sense of thankfulness:

"Be present in all things and thankful for all things." - Unknown This simple yet profound quote encourages a mindful approach to life, focusing on gratitude for both the big and small moments.

"Gratitude unlocks the fullness of life. It turns what we have into enough, and more. It turns denial into acceptance, chaos to order, confusion to clarity." - Melody Beattie This quote beautifully illustrates the transformative power of gratitude. By focusing on what you are grateful for,

you can shift your perspective and find joy even amidst challenges.

"The best way to find yourself is to lose yourself in the service of others." - Mahatma Gandhi This quote emphasizes the interconnectedness of our lives and the importance of compassion. Helping others can be a profoundly fulfilling way to cultivate gratitude and wellbeing.

H3: Motivational Good Morning Wellness Wednesday Quotes for Achieving Your Goals

Wednesday can be a time to reassess your goals and refocus your efforts. These good morning wellness Wednesday quotes provide the motivation you need to keep moving forward:

"The only way to do great work is to love what you do." - Steve Jobs This iconic quote reminds us to pursue our passions and find purpose in our work. When we align our actions with our values, we are more likely to experience fulfillment and success.

"Believe you can and you're halfway there." - Theodore Roosevelt This quote underscores the power of belief in oneself. Positive self-talk and confidence are essential for overcoming obstacles and achieving our goals.

"Success is not final, failure is not fatal: it is the courage to continue that counts." - Winston Churchill This quote reminds us that setbacks are inevitable, but perseverance is key. Embrace challenges as opportunities for growth and learning.

H4: Sharing the Wellness Wednesday Love: Inspiring Quotes for Social Media

Spread the wellness! These good morning wellness Wednesday quotes are perfect for sharing on social media to inspire your friends and followers:

"Happy Wednesday! May your day be filled with positivity, purpose, and progress." - Original Quote

"Wellness Wednesday reminder: You are capable of amazing things. Believe in yourself!" - Original Quote

"Sending good vibes and wellness wishes your way on this beautiful Wednesday!" - Original Quote

Conclusion:

Integrating wellness practices into your daily routine, especially starting with a positive mindset on a Wednesday, is a journey, not a destination. By embracing these good morning wellness Wednesday quotes and the principles they represent, you can cultivate a more fulfilling and balanced life. Remember to incorporate self-care, mindfulness, gratitude, and a focus on your goals to make each Wednesday a step towards a healthier, happier you.

FAQs:

1. Can I use these quotes for commercial purposes? While you can certainly

share these quotes widely, using them for commercial purposes (such as on products or marketing materials) would require further investigation into copyright and usage rights, as some are from well-known individuals.

1. Where can I find more good morning quotes? You can explore various online resources like Pinterest, Goodreads, and quote websites. Searching for "motivational quotes," "wellness quotes," or "positive morning quotes" will yield numerous results.
1. How can I incorporate these quotes into my daily routine? You could write your favorite quote on a sticky note and place it where you'll see it each morning. You can also share them on social media or use them as the inspiration for your daily journal entries.
1. Are these quotes scientifically backed? While these quotes offer inspirational messages, the scientific backing for their specific effectiveness is often indirect. The principles they promote (self-care, mindfulness, gratitude) however, are supported by substantial research within positive psychology and related fields.
1. What if I don't feel inspired by these quotes? That's perfectly okay! The key is to find quotes and inspiration that resonate with you. Keep searching and experimenting until you find the words that motivate and uplift you personally. The most effective quotes are those that genuinely connect with your own values and aspirations.

good morning wellness wednesday quotes: The Great Big Fitness Quote Book Cameron M. Clark, 2015-01-17 To All Personal Trainers, Training Clients, Crossfitters and more! Here's the perfect gift for a client or yourself! Finally, a book with a motivational fitness quote for every day of the year!!! Getting fit is all about reaching for, achieving, and sustaining a commitment to take care of yourself for the rest of your life. - Dara Torres (Olympic Gold Medalist) Rather than finding reasons why something cannot be done, though you know it needs to be done, get on with doing it. See problems as challenges. - Stuart McRobert (Fitness Writer) I know a lot of people say: 'If I had the money then I'd be able to achieve health, fitness, peace of mind and joy.' I can't say it enough times: your health account and your bank account are synonymous. - Jack LaLanne (Fitness Guru) For most of us, getting in shape is not easy. It involves a certain level of planning, discipline and most importantly motivation! Enter 'The Great Big Fitness Quote Book' compiled by Cameron M. Clark. A book of over 365 inspirational quotes that actually apply to health, fitness, nutrition and well-being. Think about it that's a new motivational quote for EVERY DAY OF THE YEAR! Finally, a book that collects the inspirational words of many of the best and most successful coaches, trainers, athletes, martial artists and other accomplished individuals into one handy volume you can access at any time! Make NO mistake! This is not your 'run-of-the-mill' book of 'inspirational' quotes taken from a few different Internet websites and then collected into one volume. There are a ton of those for sale already. Instead, this is a combination of many previously-Internet-published quotes and some that have never been published online. In fact, when Clark was looking for a resource like 'The Great Big Fitness Quote Book, ' he found one book with 'motivational quotes' on fitness that included a quote from one of the most notorious totalitarian dictators of the 20th Century. This led Clark to realize two things: that these quote books were not well-researched and that there would be a need for a book that actually compiled quotes that were applicable to health, wellness and fitness. With over 365 inspirational quotes, this is a collection that makes it easy for you to use a different quote each day to get yourself into the kind of physical shape you have always wanted to attain. This book takes on all areas of Health and Fitness such as Aging, Exercise, Fat Loss, Goal Setting, Nutrition, Overcoming Obstacles and Stress among so many others with motivational words from Olympic athletes like Dara Torres, Picabo Street and Jesse Owens. You'll also find words of wisdom from popular fitness trainers like Bob Harper, Kim Lyons, Chris Powell and Jillian Michaels. Other fitness gurus quoted include Arnold Schwarzenegger, Jack LaLanne and Stuart McRobert. There are also quotes from martial artists like the legendary Bruce Lee, Georges St. Pierre and the first female UFC Champion, Ronda Rousey. Organized into nearly 50 different categories, these individually-numbered quotations are effective to read within context and easy for you to return to read again and again whenever the need for inspiration arises. Also included as a special bonus at the end of this book, there is a brief biographical information on each man and woman quoted, such

as their occupation, their achievements along with the titles of some of the published works they may have written. Clark felt this information is useful in helping the reader to seek out the source of this wisdom and more importantly know they won't be reposting or quoting tyrannical dictators who oppressed their own people. The Great Big Fitness Quote Book is a 'must' for any practitioner of exercise and sports be they an amateur powerlifter, a busy mom looking for a quick workout or the aspiring athlete who just wants to take it to the next level.

good morning wellness wednesday quotes: Project 333 Courtney Carver, 2020-03-03 Wear just 33 items for 3 months and get back all the JOY you were missing while you were worrying what to wear. In Project 333, minimalist expert and author of *Soulful Simplicity* Courtney Carver takes a new approach to living simply--starting with your wardrobe. Project 333 promises that not only can you survive with just 33 items in your closet for 3 months, but you'll thrive just like the thousands of woman who have taken on the challenge and never looked back. Let the de-cluttering begin! Ever ask yourself how many of the items in your closet you actually wear? In search of a way to pare down on her expensive shopping habit, consistent lack of satisfaction with her purchases, and ever-growing closet, Carver created Project 333. In this book, she guides readers through their closets item-by-item, sifting through all the emotional baggage associated with those oh-so strappy high-heel sandals that cost a fortune but destroy your feet every time you walk more than a few steps to that extensive collection of never-worn little black dresses, to locate the items that actually look and feel like you. As Carver reveals in this book, once we finally release ourselves from the cyclical nature of consumerism and focus less on our shoes and more on our self-care, we not only look great we feel great-- and we can see a clear path to make other important changes in our lives that reach far beyond our closets. With tips, solutions, and a closet-full of inspiration, this life-changing minimalist manual shows readers that we are so much more than what we wear, and that who we are and what we have is so much more than enough.

good morning wellness wednesday quotes: *Ikigai* Héctor García, Francesc Miralles, 2017-08-29 INTERNATIONAL BESTSELLER • 2 MILLION+ COPIES SOLD WORLDWIDE "Workers looking for more fulfilling positions should start by identifying their ikigai." —Business Insider "One of the unintended—yet positive—consequences of the [pandemic] is that it is forcing people to reevaluate their jobs, careers, and lives. Use this time wisely, find your personal ikigai, and live your best life." —Forbes Find your ikigai (pronounced ee-key-guy) to live longer and bring more meaning and joy to all your days. "Only staying active will make you want to live a hundred years." —Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world's longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you're good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It's the reason we get up in the morning. It's also the reason many Japanese never really retire (in fact there's no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they've found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world's Blue Zones.

Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn't want to find happiness in every day?

good morning wellness wednesday quotes: A Beautiful Work in Progress Mirna Valerio, 2017 Runners' vocabulary is full of acronyms like DNS for Did Not Start and DNF for Did Not Finish, but when Mirna Valerio stepped up to the starting line, she needed a new one: DNQ for Did Not Quit. Valerio has tied on her running shoes all across the country, from the dusty back roads of central New Jersey to the busy Route 222 corridor in Pennsylvania to the sweltering deserts of Arizona. When you meet her on the trail, you might be surprised to see she doesn't quite fit the typical image of a long-distance runner. She's neither skinny nor white, and she's here to show just how misguided these stereotypes can be. In this prejudice-busting, body-positive memoir told with raw honesty, an adventurous spirit, and a sharp sense of humor, Valerio takes readers along on her journey from first-time racer to ultramarathoner and proves that anyone can become a successful athlete.

good morning wellness wednesday quotes: Someday Is Not a Day of the Week Denise Brennan-Nelson, 2013-08-15 We've all wished for Someday to get here, and now it is. Follow the tale of the young beaver, Max, and his quest to spend quality time with his parents and family. The tale for the ages and ageless will bring a happy tear of joy and love and a smile to the face of every child who undoubtedly heard the answer Someday after having asked When? An inspiring read for all of us, Someday finds Max looking for Someday on his calendar and realizing if it did exist, it would surely be the busiest day of the week. Don't pass on the chance to share this tale of love and the importance of family. Illustrator Kevin O'Malley and author Denise Brennan-Nelson bring Someday to frolicking life by setting aside their somedays as the days to make a difference. Parents, teachers, family and friends can do the same by picking up the book and let that special little one in their life know that they are more important and every moment together is a gift to be cherished today.

good morning wellness wednesday quotes: Everything I Never Told You Celeste Ng, 2015-05-12 A New York Times Book Review Notable Book of the Year • A New York Times Book Review Editors' Choice • Winner of the Alex Award and the Massachusetts Book Award • Named a Best Book of the Year by NPR, San Francisco Chronicle, Entertainment Weekly, The Huffington Post, BuzzFeed, Grantland Booklist, St. Louis Post-Dispatch, Shelf Awareness, Book Riot, School Library Journal, Bustle, and Time Our New York The acclaimed debut novel by the author of Little Fires Everywhere and Our Missing Hearts "A taut tale of ever deepening and quickening suspense." —O, the Oprah Magazine "Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family." —Entertainment Weekly "Lydia is dead. But they don't know this yet." So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, Everything I Never Told You is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

good morning wellness wednesday quotes: Hands Free Mama Rachel Macy Stafford, 2014-01-07 Discover the power, joy, and love of living a present, authentic, and intentional life despite a world full of distractions. If technology is the new addiction, then multitasking is the new marching order. We check our email while cooking dinner, send a text while bathing the kids, and spend more time looking into electronic screens than into the eyes of our loved ones. With our

never-ending to-do lists and jam-packed schedules, it's no wonder we're distracted. But this isn't the way it has to be. Special education teacher, New York Times bestselling author, and mother Rachel Macy Stafford says enough is enough. Tired of losing track of what matters most in life, Rachel began practicing simple strategies that enabled her to momentarily let go of largely meaningless distractions and engage in meaningful soul-to-soul connections. Finding balance doesn't mean giving up all technology forever. And it doesn't mean forgoing our jobs and responsibilities. What it does mean is seizing the little moments that life offers us to engage in real and meaningful interaction. In these pages, Rachel guides you through how to: Acknowledge the cost of your distraction Make purposeful connection with your family Give your kids the gift of your undivided attention Silence your inner critic Let go of the guilt from past mistakes And move forward with compassion and gratefulness So join Rachel and go hands-free. Discover what happens when you choose to open your heart--and your hands--to the possibilities of each God-given moment.

good morning wellness wednesday quotes: Whatever You Are, Be a Good One Lisa Congdon, 2014-04-01 Wise words from great minds: "Revisit this colorful read whenever you need a pick-me-up—or a push—to get out there and make the most of your day." —Real Simple A quote book like no other, this thought-provoking collection compiles the timeless wisdom of great original minds— from Marie Curie to Stephen King, Joan of Arc to Jack Kerouac, Oscar Wilde to Harriet Tubman—brilliantly hand-lettered by beloved indie artist Lisa Congdon. You'll find enlightening insights ("Wisdom begins in wonder"— Socrates), stirring calls to action ("Leap and the net will appear"—John Burroughs), and stimulating encouragements ("Be curious, not judgmental"—Walt Whitman) beautifully illuminated on every page. A delightful reminder to make the most of life, *Whatever You Are, Be a Good One* is perfect for recent graduates, creative thinkers, and anyone looking for a little inspiration. "An impossibly charming compendium . . . The common thread underpinning these quotes—which include such beloved luminaries as Albert Camus, Simone de Beauvoir, Henry James, Anne Lamott, Soren Kierkegaard, and Leo Tolstoy—is Congdon's own sensibility about what it means to live with kindness and integrity, to cherish beauty and the creative spirit, and ultimately to be a good human being." —Brain Pickings

good morning wellness wednesday quotes: Everything Happens for a Reason Kate Bowler, 2018-02-06 NEW YORK TIMES BESTSELLER • "A meditation on sense-making when there's no sense to be made, on letting go when we can't hold on, and on being unafraid even when we're terrified."—Lucy Kalanithi "Belongs on the shelf alongside other terrific books about this difficult subject, like Paul Kalanithi's *When Breath Becomes Air* and Atul Gawande's *Being Mortal*."—Bill Gates NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE Kate Bowler is a professor at Duke Divinity School with a modest Christian upbringing, but she specializes in the study of the prosperity gospel, a creed that sees fortune as a blessing from God and misfortune as a mark of God's disapproval. At thirty-five, everything in her life seems to point toward "blessing." She is thriving in her job, married to her high school sweetheart, and loves life with her newborn son. Then she is diagnosed with stage IV colon cancer. The prospect of her own mortality forces Kate to realize that she has been tacitly subscribing to the prosperity gospel, living with the conviction that

she can control the shape of her life with “a surge of determination.” Even as this type of Christianity celebrates the American can-do spirit, it implies that if you “can’t do” and succumb to illness or misfortune, you are a failure. Kate is very sick, and no amount of positive thinking will shrink her tumors. What does it mean to die, she wonders, in a society that insists everything happens for a reason? Kate is stripped of this certainty only to discover that without it, life is hard but beautiful in a way it never has been before. Frank and funny, dark and wise, Kate Bowler pulls the reader deeply into her life in an account she populates affectionately with a colorful, often hilarious retinue of friends, mega-church preachers, relatives, and doctors. Everything Happens for a Reason tells her story, offering up her irreverent, hard-won observations on dying and the ways it has taught her to live. Praise for Everything Happens for a Reason “I fell hard and fast for Kate Bowler. Her writing is naked, elegant, and gripping—she’s like a Christian Joan Didion. I left Kate’s story feeling more present, more grateful, and a hell of a lot less alone. And what else is art for?”—Glennon Doyle, #1 New York Times bestselling author of Love Warrior and president of Together Rising

good morning wellness wednesday quotes: The Comfort Crisis Michael Easter, 2021-05-11 “If you’ve been looking for something different to level up your health, fitness, and personal growth, this is it.”—Melissa Urban, Whole30 CEO and New York Times bestselling author of The Book of Boundaries “Michael Easter’s genius is that he puts data around the edges of what we intuitively believe. His work has inspired many to change their lives for the better.”—Dr. Peter Attia, #1 New York Times bestselling author of Outlive Discover the evolutionary mind and body benefits of living at the edges of your comfort zone and reconnecting with the wild—from the author of Scarcity Brain, coming in September! In many ways, we’re more comfortable than ever before. But could our sheltered, temperature-controlled, overfed, underchallenged lives actually be the leading cause of many of our most urgent physical and mental health issues? In this gripping investigation, award-winning journalist Michael Easter seeks out off-the-grid visionaries, disruptive genius researchers, and mind-body conditioning trailblazers who are unlocking the life-enhancing secrets of a counterintuitive solution: discomfort. Easter’s journey to understand our evolutionary need to be challenged takes him to meet the NBA’s top exercise scientist, who uses an ancient Japanese

practice to build championship athletes; to the mystical country of Bhutan, where an Oxford economist and Buddhist leader are showing the world what death can teach us about happiness; to the outdoor lab of a young neuroscientist who's found that nature tests our physical and mental endurance in ways that expand creativity while taming burnout and anxiety; to the remote Alaskan backcountry on a demanding thirty-three-day hunting expedition to experience the rewilding secrets of one of the last rugged places on Earth; and more. Along the way, *Easter* uncovers a blueprint for leveraging the power of discomfort that will dramatically improve our health and happiness, and perhaps even help us understand what it means to be human. *The Comfort Crisis* is a bold call to break out of your comfort zone and explore the wild within yourself.

good morning wellness wednesday quotes: *The Year of the Flood* Margaret Atwood, 2010-07-27 From the Booker Prize-winning author of *Oryx and Crake*, the first book in the MaddAddam Trilogy, and *The Handmaid's Tale*. Internationally acclaimed as ONE OF THE BEST BOOKS OF THE YEAR by, amongst others, the Globe and Mail, the New York Times, the New Yorker, and the Village Voice In a world driven by shadowy, corrupt corporations and the uncontrolled development of new, gene-spliced life forms, a man-made pandemic occurs, obliterating human life. Two people find they have unexpectedly survived: Ren, a young dancer locked inside the high-end sex club Scales and Tails (the cleanest dirty girls in town), and Toby, solitary and determined, who has barricaded herself inside a luxurious spa, watching and waiting. The women have to decide on their next move—they can't stay hidden forever. But is anyone else out there?

good morning wellness wednesday quotes: The Mamba Mentality Kobe Bryant, 2018-10-23 *The Mamba Mentality: How I Play* is Kobe Bryant's personal perspective of his life and career on the basketball court and his exceptional, insightful style of playing the game—a fitting legacy from the late Los Angeles Laker superstar. In the wake of his retirement from professional basketball, Kobe "The Black Mamba" Bryant decided to share his vast knowledge and understanding of the game to

take readers on an unprecedented journey to the core of the legendary “Mamba mentality.” Citing an obligation and an opportunity to teach young players, hardcore fans, and devoted students of the game how to play it “the right way,” *The Mamba Mentality* takes us inside the mind of one of the most intelligent, analytical, and creative basketball players ever. In his own words, Bryant reveals his famously detailed approach and the steps he took to prepare mentally and physically to not just succeed at the game, but to excel. Readers will learn how Bryant studied an opponent, how he channeled his passion for the game, how he played through injuries. They’ll also get fascinating granular detail as he breaks down specific plays and match-ups from throughout his career. Bryant’s detailed accounts are paired with stunning photographs by the Hall of Fame photographer Andrew D. Bernstein. Bernstein, long the Lakers and NBA official photographer, captured Bryant’s very first NBA photo in 1996 and his last in 2016—and hundreds of thousands in between, the record of a unique, twenty-year relationship between one athlete and one photographer. The combination of Bryant’s narrative and Bernstein’s photos make *The Mamba Mentality* an unprecedented look behind the curtain at the career of one of the world’s most celebrated and fascinating athletes.

good morning wellness wednesday quotes: Siriously Delicious Daly, Siri, 2018-04-17 Popular food blogger and TODAY food contributor Siri Daly shares her collection of cooking triumphs and mistakes, and delicious recipes for people who love food. Like many of us trying to feed our families, Siri Daly is a very busy cook. As a mother of three under the age of 10, TODAY food contributor, and wife of a bicoastal traveling man, Carson Daly (The Voice host and TODAY show co-host), Siri often doesn’t know which end is up. Siri is not a serious cook, but she is serious about her food—and what she serves her family, friends and loved ones. Siriously Delicious is organized by how a busy mom gets through her day—breakfast, lunch, happy hour (her favorite!), dinner with sides, and dessert. Siri’s recipes are created with three goals in mind: to create food that is delicious and satisfying for both kids and adults, to prepare dishes packed with traditionally comforting flavors and ingredients (think cheese, avocado, chocolate!), and to make each recipe approachable for even a novice cook—no trips to specialty food stores are required. Whether you’re looking for easy-to-cook recipes your kids will devour, such as mouth-watering Bacon Pizzadillas, or you’re dying to relax with a Spicy Grapefruit Cocktail when the days feel too long, this cookbook has a recipe for every occasion. Siri also includes extra tips to make your time in the kitchen easier: Siriously Simple offers a hack or time-saving tip, Siriously Sinful details how to make something even more indulgent, Siriously Nutritious explains how to make something healthier, and Siriously Mini advises how to satisfy the kiddos. Filled with Siri’s often hilarious anecdotes, Siriously Delicious will not only feed your family’s bellies but hopefully deliver a belly laugh along the way.

good morning wellness wednesday quotes: *The Shapeless Unease* Samantha Harvey, 2020-05-12 "Sleeplessness gets the Susan Sontag illness-as-metaphor treatment in this pensive, compact, lyrical inquiry into the author's nighttime demons." —Kirkus Reviews In 2016, Samantha Harvey began to lose sleep. She tried everything to appease her wakefulness: from medication to therapy, changes in her diet to changes in her living arrangements. Nothing seemed to help. *The Shapeless Unease* is Harvey's darkly funny and deeply intelligent anatomy of her insomnia, an immersive interior monologue of a year without one of the most basic human needs. Original and profound, and narrated with a lucid breathlessness, this is a startlingly insightful exploration of memory, writing and influence, death and the will to survive, from "this generation's Virginia Woolf" (Telegraph). "Captures the essence of fractious emotions—anxiety, fear, grief, rage—in prose so elegant, so luminous, it practically shines from the page. Harvey is a hugely talented writer, and this is a book to relish." —Sarah Waters, New York Times-bestselling author "Harvey writes with hypnotic power and poetic precision about—well, about everything: grief, pain, memory, family, the night sky, a lake at sunset, what it means to dream and what it means to suffer and survive . . . The big surprise is that this book about 'shapeless unease' is, in the end, a glittering, playful and, yes, joyful celebration of that glorious gift of glorious life." —Daily Mail "What a spectacularly good book. It is so controlled and yet so wild . . . easily one of the truest and best books I've read about what it's like to be alive now, in this country." —Max Porter, award-winning author of *Lanny*

good morning wellness wednesday quotes: *Mother Night* Kurt Vonnegut, 2009-08-11 "Vonnegut is George Orwell, Dr. Caligari and Flash Gordon compounded into one writer . . . a zany but moral mad scientist."—Time *Mother Night* is a daring challenge to our moral sense. American Howard W. Campbell, Jr., a spy during World War II, is now on trial in Israel as a Nazi war criminal. But is he really guilty? In this brilliant book rife with true gallows humor, Vonnegut turns black and white into a chilling shade of gray with a verdict that will haunt us all. "A great artist."—Cincinnati Enquirer "A shaking up in the kaleidoscope of laughter . . . Reading Vonnegut is addictive!"—Commonweal

good morning wellness wednesday quotes: *The Writing Life* Annie Dillard, 2009-10-13 For nonwriters, it is a glimpse into the trials and satisfactions of a life spent with words. For writers, it is a warm, rambling, conversation with a stimulating and extraordinarily talented colleague. —Chicago Tribune From Pulitzer Prize-winning Annie Dillard, a collection that illuminates the dedication and daring that characterizes a writer's life. In these short essays, Annie Dillard—the author of *Pilgrim at Tinker Creek* and *An American Childhood*—illuminates the dedication, absurdity, and daring that characterize the existence of a writer. A moving account of Dillard's own experiences while writing her works, *The Writing Life* offers deep insight into one of the most mysterious professions.
