groundhog day movie trivia questions and answers: How to Fight Presidents Daniel O'Brien, 2014-03-18 Make no mistake: Our founding fathers were more bandanas-and-muscles than powdered-wigs-and-tea. As a prisoner of war, Andrew Jackson walked several miles barefoot across state lines while suffering from smallpox and a serious head wound received when he refused to polish the boots of the soldiers who had taken him captive. He was thirteen years old. A few decades later, he became the first popularly elected president and served the nation, pausing briefly only to beat a would-be assassin with a cane to within an inch of his life. Theodore Roosevelt had asthma, was blind in one eye, survived multiple gunshot wounds, had only one regret (that there were no wars to fight under his presidency), and was the first U.S. president to win the Medal of Honor, which he did after he died. Faced with the choice, George Washington actually preferred the sound of bullets whizzing by his head in battle over the sound of silence. And now these men—these hallowed leaders of the free world—want to kick your ass. Plenty of historians can tell you which president had the most effective economic strategies, and which president helped shape our current political parties, but can any of them tell you what to do if you encounter Chester A. Arthur in a bare-knuckled boxing fight? This book will teach you how to be better, stronger, faster, and more deadly than the most powerful (and craziest) men in history. You're welcome.

groundhog day movie trivia questions and answers: *The Mind-Game Film* Thomas Elsaesser, 2021-03-28 This book represents the culmination of Thomas Elsaesser's intense and passionate thinking about the Hollywood mind-game film from the previous two decades. In order to answer what the mind-game film is, why they exist, and how they function, Elsaesser maps the industrial-institutional challenges and constraints facing Hollywood, and the broader philosophic horizon within which American cinema thrives today. He demonstrates how the 'Persistence of Hollywood' continues as it has adapted to include new twists and turns, as well as revisions of past concerns, as film moves through the 21st century. Through examples such as *Minority Report*, *Mulholland Drive*, *Source Code*, and *Back to the Future*, Elsaesser explores how mind-game films challenge us and play games with our perception of reality, creating skepticism and (self-) doubt. He also highlights the mind-game film's tendency to intervene in a complex fashion in the political moment by questioning the dominant power's intent to program both body and mind alike. Prescient and compelling, *The Mind-Game Film* will appeal to students, scholars, and enthusiasts of media studies, film studies, philosophy, and politics.

groundhog day movie trivia questions and answers: *Religion and Film* S. Brent Plate, 2017-09-05 Religion and cinema share a capacity for world making, ritualizing, mythologizing, and creating sacred time and space. Through cinematography, mise-en-scène, editing, and other production activities, film takes the world "out there" and refashions it. Religion achieves similar ends by setting apart particular objects and periods of time, telling stories, and gathering people together for communal actions and concentrated focus. The result of both cinema and religious practice is a re-created world: a world of fantasy, a world of ideology, a world we long to live in, or a world we wish to avoid at all costs. Religion and Film introduces readers to both religious studies and film studies by focusing on the formal similarities between cinema and religious practices and on the ways they each re-create the world. Explorations of film show how the cinematic experience relies on similar aesthetic devices on which religious rituals have long relied: sight, sound, the taste of food, the body, and communal experience. Meanwhile, a deeper understanding of the aesthetic nature of religious rituals can alter our understanding of film production. Utilizing terminology and theoretical insights from the study of religion as well as the study of film, Religion and Film shows that by paying attention to the ways films are constructed, we can shed new light on the ways religious myths and rituals are constructed and vice versa. This thoroughly revised and expanded new edition is designed to appeal to the needs of courses in religion as well as film departments. In addition to two new chapters, this edition has been restructured into three distinct sections that offer students and instructors theories and methods for thinking about cinema in ways that more fully connect film studies with religious studies.

groundhog day movie trivia questions and answers: Brainiac Ken Jennings, 2006-09-12 NATIONAL BESTSELLER • A witty, charming, and engaging dive into trivia's colorful history, from America's highest-earning game show contestant of all time and host of Jeopardy! "Insightful, informative, and written with a strong dose of humor and humility. . . . I loved this book."—Will Shortz, crossword editor, *The New York Times* Ken Jennings is trivia's undisputed king—and as he traces his rise from anonymous computer programmer to nerd folk icon, he explores his newly conquered kingdom: the world of trivia itself. Trivia, he has found, is centuries older than his childhood obsession with it. Whisking us from the coffeehouses of seventeenth-century London to the Internet age, Jennings chronicles the ups and downs of the trivia fad: the quiz book explosion of the Jazz Age; the rise, fall, and rise again of TV quiz shows; the nostalgic campus trivia of the 1960s; and the 1980s, when *Trivial Pursuit*® again made it fashionable to be a know-it-all. Jennings also investigates the shadowy demimonde of today's trivia subculture, guiding us on a tour of trivia across America. He goes head-to-head with the blowhards and diehards of the college quiz-bowl circuit, the slightly soused faithful of the Boston pub trivia scene, and the raucous participants in the annual Q&A marathon in Stevens Point, Wisconsin, "The World's Largest Trivia Contest." And, of course, he takes us behind the scenes of his improbable 75-game run on Jeopardy! But above all, *Brainiac* is a love letter to the useless fact. (Who knew that there's a crater on Venus named after Laura Ingalls Wilder? Ken Jennings, that's who.) Engaging and erudite, *Brainiac* is an irresistible celebration of nostalgia, curiosity, and geeky obsession—in a word, trivia.

groundhog day movie trivia questions and answers: That Is All John Hodgman, 2012-10-02 John Hodgman—bestselling author, *The Daily Show's* Resident Expert, minor television celebrity,

and deranged millionaire—brings us the third and final installment in his trilogy of Complete World Knowledge. In 2005, Dutton published *The Areas of My Expertise*, a handy little book of Complete World Knowledge, marked by the distinction that all of the fascinating trivia and amazing true facts were completely made up by its author, John Hodgman. At the time, Hodgman was merely a former literary agent and occasional scribbler of fake trivia. In short: a nobody. But during an interview on *The Daily Show* with Jon Stewart, an incredible transformation occurred. He became a famous minor television personality. You may ask: During his whirlwind tornado ride through the high ether of minor fame and outrageous fortune, did John Hodgman forget how to write books of fake trivia? The answer is: Yes. Briefly. But soon, he remembered! And so he returned, crashing his Kansas farmhouse down upon the wicked witch of ignorance with *More Information Than You Require*, a New York Times bestseller containing even more mesmerizing and essential fake trivia, including seven hundred mole-man names (and their occupations). And now, John Hodgman completes his vision with *That Is All*, the last book in a trilogy of Complete World Knowledge. Like its predecessors, *That Is All* compiles incredibly handy made-up facts into brief articles, overlong lists, and beguiling narratives on new and familiar themes. It picks up exactly where *More Information* left off—specifically, at page 596—and finally completes COMPLETE WORLD KNOWLEDGE. groundhog day movie trivia questions and answers: Self-Deception Herbert Fingarette, 2000-02-23 With a new chapter This new edition of Herbert Fingarette's classic study in philosophical psychology now includes a provocative recent essay on the topic by the author. A seminal work, the book has deeply influenced the fields of philosophy, ethics, psychology, and cognitive science, and it remains an important focal point for the large body of literature on self-deception that has appeared since its publication. How can one deceive oneself if the very idea of deception implies that the deceiver knows the truth? The resolution of this paradox leads Fingarette to fundamental insights into the mind at work. He questions our basic ideas of self and the unconscious, personal responsibility and our ethical categories of guilt and innocence. Fingarette applies these ideas to the philosophies of Sartre and Kierkegaard, as well as to Freud's psychoanalytic theories and to contemporary research into neurosurgery. Included in this new edition, Fingarette's most recent essay, *Self-Deception Needs No Explaining* (1998), challenges the ideas in the extant literature.

groundhog day movie trivia questions and answers: *Caddyshack* Chris Nashawaty, 2018-04-24 "More fun to read than the movie was to watch... a scene-stealing book." — The Washington Post An Entertainment Weekly Must List selection *Caddyshack* is one of the most beloved comedies of all time, a classic snobs vs. slobs story of working class kids and the white collar buffoons that make them haul their golf bags in the hot summer sun. It has sex, drugs and one very memorable candy bar, but the movie we all know and love didn't start out that way, and everyone who made it certainly didn't have the word "classic" in mind as the cameras were rolling. In *Caddyshack: The Making of a Hollywood Cinderella Story* film critic for Entertainment Weekly Chris Nashawaty goes behind the scenes of the iconic film, chronicling the rise of comedy's greatest deranged minds as they form The National Lampoon, turn the entertainment industry on its head, and ultimately blow up both a golf course and popular culture as we know it. *Caddyshack* is at once an eye-opening narrative about one of the most interesting, surreal, and dramatic film productions there's ever been, and a rich portrait of the biggest, and most revolutionary names in Hollywood. So, it's got that going for it...which is nice.
