Health and Wellness Content Writer: Your Guide to Finding the Perfect Words for a Healthy Brand

Are you a health and wellness brand struggling to connect with your audience? Do your marketing materials feel...flat? Maybe you're drowning in data but lacking the compelling storytelling that truly resonates. The solution might be simpler than you think: a skilled health and wellness content writer. This comprehensive guide will explore everything you need to know about finding and working with the right writer to elevate your brand's voice and reach your target market. We'll delve into the crucial skills a health and wellness content writer needs, the process of finding one, and how to maximize your collaboration for exceptional results.

Understanding the Unique Needs of Health and Wellness Content

The health and wellness industry is unique. It demands a nuanced understanding of medical accuracy, ethical considerations, and the emotional connection people have with their well-being. A generic content writer just won't cut it. A health and wellness content writer possesses a specialized skill set that bridges the gap between scientific accuracy and engaging storytelling. This involves:

Medical Accuracy and Fact-Checking: Misinformation in the health and wellness space can have serious consequences. A competent writer will meticulously research and verify all claims, ensuring accuracy and avoiding potentially harmful inaccuracies. They'll understand the difference between anecdotal evidence and peer-reviewed studies.

Understanding Target Audience: The health and wellness market is incredibly diverse. Are you targeting busy professionals, new mothers, athletes, or seniors? A skilled writer will tailor their language, tone, and style to resonate with your specific demographic.

SEO Expertise: Driving organic traffic is crucial for any brand. A health and wellness content writer should possess a solid understanding of SEO principles, including keyword research, on-page optimization, and content strategy to ensure your content ranks highly in search engine results pages (SERPs).

Compelling Storytelling: Health and wellness isn't just about facts and figures; it's about inspiring positive change. The writer should be adept at weaving narratives that connect with readers on an emotional level, motivating them to take action.

Ethical Considerations: The health and wellness industry is rife with ethical concerns, from misleading advertising to unsubstantiated claims. A responsible writer understands these issues and will prioritize transparency and ethical practices in their work.

Finding the Right Health and Wellness Content Writer: A Step-by-Step Guide

Now that you understand the importance of specialized skills, let's explore how to find the perfect health and wellness content writer for your brand.

1. Define Your Needs: Before you begin your search, clearly define your content goals. What kind of content do you need (blog posts, website copy, social media captions, ebooks, etc.)? What is your budget? What is your brand's voice and tone?
1. Explore Different Platforms: Several platforms connect businesses with freelance writers. Consider Upwork, Fiverr, ProBlogger Job Board, and Contently. Also, don't underestimate the power of networking. Reach out to other businesses in your industry for recommendations.
1. Review Portfolios: Scrutinize potential writers' portfolios carefully. Look for samples that align with your brand's niche and style. Pay close attention to writing quality, clarity, and overall impact.
1. Check Credentials and Experience: Inquire about a writer's experience in the health and wellness industry. Do they have relevant certifications or qualifications? Look for proven success in achieving results for similar clients.
1. Conduct Interviews: Before committing to a writer, conduct a brief interview. This is your chance to assess their personality, communication style, and understanding of your brand's needs.

Maximizing Your Collaboration for Exceptional Results

Once you've found the right writer, nurture a strong working relationship.

Clear Communication: Establish clear expectations from the outset, providing comprehensive briefs with detailed guidelines. Maintain open and consistent communication throughout the process.

Feedback and Revisions: Provide constructive feedback on drafts and allow for revisions. Remember, collaboration is key to achieving the best possible results.

Content Calendar and Strategy: Collaborate on a content calendar to ensure consistent content creation aligned with your marketing objectives. Discuss

your overall content strategy to ensure alignment with your brand's goals.

Ongoing Relationship: Building a long-term relationship with a skilled health and wellness content writer can lead to consistent high-quality content and brand consistency.

Conclusion

Finding the right health and wellness content writer is a crucial step in building a successful brand. By understanding their unique skills, conducting a thorough search, and nurturing a strong working relationship, you can unlock the power of compelling storytelling, build trust with your audience, and achieve your marketing goals. Remember, investing in quality content is an investment in your brand's future.

FAQs

1. How much should I expect to pay a health and wellness content writer? Pricing varies greatly depending on experience, project scope, and writer's location. Expect to pay anywhere from \$0.10 to \$1 per word, but higher rates are common for experienced writers with strong results.
1. Do I need a contract when working with a freelance writer? Absolutely! A detailed contract protects both you and the writer, outlining payment terms, deadlines, ownership rights, and other crucial aspects of the project.
1. How can I ensure my content is factually accurate? Ask prospective writers about their fact-checking process. A thorough writer will provide sources and citations for all claims, and be happy to discuss their research methods.
1. What if I need help with keyword research? Many health and wellness content writers offer keyword research services as part of their packages. If not, you can use tools like SEMrush, Ahrefs, or Google Keyword Planner to find relevant keywords.
1. How can I measure the success of my content marketing efforts? Track key metrics like website traffic, social media engagement, lead generation, and sales conversions. Analyze your data regularly to understand what's working and what needs improvement.

health and wellness content writer: *Fueling Male Fertility* Rd Lauren Manaker MS, 2019-01-13

An increasing collection of research confirms that men's fertility health is just as important as the women's when couples are trying to conceive. Finally, a science-based solution that's actually doable! Following her own health scare, health and wellness expert Chalene Johnson set out to understand the science and individuality of metabolism. Working with renowned researchers, doctors, and registered dietitians, she developed a simplified 3-phase plan for health promoting weight loss. This proven methodology was tested with more than 25,000 individuals. Now she distills the essentials of her hugely successful online program into the 131 Method book. 1 Objective (set by you!), 3 Weeks of Diet Phasing, and 1 Week to Fast and Refuel. 131 Method guides you through Chalene's three-phase, 12-week solution, helping you personalize every step of the way. You'll: • Lose weight without slowing your metabolism • Improve gut health and boost immunity • Fix cravings and reset hormones • Discover 100 delicious, easy recipes The 131 Method isn't a one size fits all diet, it's how to eat a diet that works! You'll get everything you need to change your thinking, transform your body, and improve your life . . . for good!

health and wellness content writer: *Destination Wellness* Annie Daly, 2021-05-11 True well-being isn't hard to find. You just have to know where to look. In this insightful, full-color tour of Jamaica, Norway, Hawai'i, Japan, India, and Brazil, wellness and travel journalist Annie Daly shares a diverse array of philosophies, lifestyles, and practices for better living. Fed up with the commercialization of the wellness industry after working in it for years, Annie embarked on an inspiring adventure through some of the world's happiest and healthiest cities and villages to find out what we can learn from them. Whether she's hiking along gorgeous fjords in Norway to see why Norwegians are so dedicated to getting outside, soothing her spirit with Hawaiian salt water cleanses, or learning about the importance Brazilians place on community, Annie combines on-the-ground reporting with heartfelt personal narrative to share the global lessons, philosophies, and customs that prove that wellness is not about the products—it's about the way you live your life.

With candid photography, lesser-known history sidebars, and guidance on how to incorporate these often ancient and always timeless practices into your own lifestyle, this culturally-immersive read invites you to view the world through a different lens and decide what being well means to you. Destination Wellness is the perfect book for: • Anyone who has embraced hygge and is looking for new lifestyle inspiration • Armchair travelers and staycationers • Happiness and inspiration seekers • Wellness and travel enthusiasts • History lovers

health and wellness content writer: Writer for Hire Kelly James-Enger, 2012-04-03 Awarded the Outstanding Book Award in the service/self-help category for 2013 from the ASJA (The American Society of Journalists and Authors)! There's no shortage of books on crafting book proposals, writing novels, overcoming writer's block, and getting in touch with one's muse. But what about a book for writers who simply want to earn a regular paycheck? Writer for Hire is just the wisdom full- and part-time freelancers need. Author Kelly James-Enger details: • 101 secrets to success, organized into five overarching strategies. You'll be able to implement what you learn immediately. • Invaluable advice on managing deadlines, querying effectively, working with clients, handling taxes, invoices, and more. • Strategies for getting more writing gigs, including networking (in-person and online), establishing yourself as an expert, working more efficiently under tight deadlines, and handling rejection with confidence James-Enger looks at the whole freelancer, addressing both the craft and business of freelancing.

health and wellness content writer: Nutrition Stripped McKel Hill, 2016-08-23 Discover just how deliciously simple whole foods cooking can be with this essential cookbook, based on the popular Nutrition Stripped blog, featuring more than 100 exciting and good-for-you recipes and color photography throughout. Search the web and you'll find a variety of recipes from "health food" bloggers and "nutritionists." Yet many of these recipes often follow trends or fad diets. Now, McKel Hill, a Registered Dietitian Nutritionist and wellness coach, takes you back to bare basics to enjoy the amazing benefits and incomparable flavor of whole foods—nature's true healthy bounty. Drawing inspiration from nature, the turning of the seasons, the world of plants, nutrient dense foods and hidden gems in the world of superfoods, Hill celebrates simplicity, and shares her vast professional knowledge and expertise in this practical and easy-to-use cookbook. But Nutrition Stripped isn't just an approach to eating—it's a lifestyle that will help you look, feel, and be your best. Whole foods cooking is the foundation of health and can be enjoyed no matter what your dietary preference, whether it's vegan, paleo, or gluten-free. Hill's whole food, plant-based recipes are gluten-free, dairy-free, and entirely free from processed food, yet all can be adapted to specific tastes and needs, making them realistic, approachable, global, and livable. Start your day with delights such as Turmeric Milk (the new green smoothie), Carrot Cake Quinoa Porridge, or Plantain Flatbread with Poached Egg and Honey. For dinner, feast on Beetroot Burgers with Maple Mustard or Carrot Gnocchi with Carrot Greens Pesto. And don't forget dessert—indulge with a mouthwatering slice of Raw Peach Tart with Coconut Whipped Cream or some Salted Caramel Brownies. Illustrated with beautiful, modern and minimalistic color photographs, Nutrition Stripped shows you how delicious and simple it can be to eat healthier with whole foods.

health and wellness content writer: 7-Ingredient Healthy Pregnancy Cookbook Lauren Manaker MS, RDN, LDN, CLEC, 2021-12-07 Take the guesswork out of healthy eating during your pregnancy Good nutrition is essential to a healthy pregnancy. Eat well while you're expecting with the 7-Ingredient

Healthy Pregnancy Cookbook.

health and wellness content writer: *The Nix* Nathan Hill, 2016-08-30 Winner of the Art Seidenbaum Award for First Fiction A New York Times 2016 Notable Book Entertainment Weekly's #1 Book of the Year A Washington Post 2016 Notable Book A Slate Top Ten Book NEW YORK TIMES BESTSELLER "The Nix is a mother-son psychodrama with ghosts and politics, but it's also a tragicomedy about anger and sanctimony in America. . . . Nathan Hill is a maestro." —John Irving From the suburban Midwest to New York City to the 1968 riots that rocked Chicago and beyond, *The Nix* explores—with sharp humor and a fierce tenderness—the resilience of love and home, even in times of radical change. It's 2011, and Samuel Andresen-Anderson—college professor, stalled writer—has a Nix of his own: his mother, Faye. He hasn't seen her in decades, not since she abandoned the family when he was a boy. Now she's re-appeared, having committed an absurd crime that electrifies the nightly news, beguiles the internet, and inflames a politically divided country. The media paints Faye as a radical hippie with a sordid past, but as far as Samuel knows, his mother was an ordinary girl who married her high-school sweetheart. Which version of his mother is true? Two facts are certain: she's facing some serious charges, and she needs Samuel's help. To save her, Samuel will have to embark on his own journey, uncovering long-buried secrets about the woman he thought he knew, secrets that stretch across generations and have their origin all the way back in Norway, home of the mysterious Nix. As he does so, Samuel will confront not only Faye's losses but also his own lost love, and will relearn everything he thought he knew about his mother, and himself.

health and wellness content writer: *Body Kindness* Rebecca Scritchfield, 2016-08-23 Create a healthier and happier life by treating yourself with compassion rather than shame. Imagine a graph with two lines. One indicates happiness, the other tracks how you feel about your body. If you're like millions of people, the lines do not intersect. But what if they did? This practical, inspirational, and visually lively book shows you the way to a sense of well-being attained by understanding how to love, connect, and care for yourself—and that includes your mind as well as your body. *Body Kindness* is based on four principles. WHAT YOU DO: the choices you make about food, exercise, sleep, and more HOW YOU FEEL: befriending your emotions and standing up to the unhelpful voice in your head WHO YOU ARE: goal-setting based on your personal values WHERE YOU BELONG: body-loving support from people and communities that help you create a meaningful life With mind and body exercises to keep your energy spiraling up and prompts to help you identify what YOU really want and care about, *Body Kindness* helps you let go of things you can't control and embrace the things you can by finding the workable, daily steps that fit you best. It's the anti-diet book that leads to a more joyful and meaningful life.

health and wellness content writer: *The Rebel's Apothecary* Jenny Sansouci, 2020-05-19 Learn how to improve your health and wellness with the healing magic of cannabis, CBD and medicinal mushrooms. When health coach and wellness blogger Jenny Sansouci learned that her father was diagnosed with stage 4 pancreatic cancer, her extensive knowledge of the latest alternative therapies was put to the test. Jenny dove into the world of cannabis and mushrooms and their medicinal properties - and she and her dad are now outspoken champions of the healing power of these plants and fungi - not only to tame the side effects of chemotherapy, but to address everyday wellness concerns. *The Rebel's Apothecary* is the result of her heartfelt and rigorous quest -- a science-based and supportive guide that will enhance the lives of anyone living with pain, anxiety, depression, a weakened immune system, insomnia, and more. Complete with background information, dosing instructions, and everyday recipes, this is the essential handbook for harnessing the ancient healing powers of cannabis and mushrooms --safely, without confusion, fear, or an unwanted high. In addition to debunking myths and de-stigmatizing these powerful healing plants and fungi, *The Rebel's Apothecary* presents: Specific protocols and dosage guides for wellness uses (mood, sleep, immunity, focus, energy) and managing common chemotherapy side effects Everyday wellness routines Recipes for delicious, easy, health-enhancing cannabis and mushroom infused smoothies, coffee drinks, teas, elixirs, gummies, and broths - including recipes from chefs and

wellness experts like Dr. Andrew Weil, Kris Carr, Seamus Mullen, Marco Canora and more The latest research on CBD, THC, medicinal mushrooms and psilocybin Tips for creating a cutting-edge home apothecary of your own

health and wellness content writer: Still Writing Dani Shapiro, 2013-10-01 This national bestseller from celebrated novelist and memoirist Dani Shapiro is an intimate and eloquent companion to living a creative life. Through a blend of memoir, meditation on the artistic process, and advice on craft, Shapiro offers her gift to writers everywhere: a guide of hard-won wisdom and advice for staying the course. health and wellness content writer: Hearts at Dawn Alysa Salzberg, 2021-04-27 History and magic intertwine in a fairytale retelling that will capture the hearts of Beauty and the Beast fans. Hope helps you endure. Love will break the spell. Paris, 1870. As the Franco-Prussian War enters its desperate final months, the capitol transforms from a splendid metropolis into a city under siege. Lavish meals change to rations, pigeons deliver letters, and two destinies will collide, challenged by a seemingly unbreakable curse. Every night, New York aristocrat Orin Rush transforms into a monster. After learning that a human heart is the only way to break the curse, he keeps himself carefully distant from anyone he might hurt. Can he lift the enchantment without taking a life? His search for answers leads him to Paris. Every day, free-spirited Claire Turin photographs the people and animals of Paris. Fascinated by the city she loves, her greatest dream is a secret she keeps in her apartment. Her greatest fear is the emptiness of night, when she thinks of the family she's lost. She's never loved anyone else. Maybe she never will. Will Paris and its people survive the hardship of the Siege? Will Orin break the curse? And will two hearts who've never known love awaken in the City of Light?

health and wellness content writer: It's Probably Nothing Casey Gueren, 2021-10-05 From stress-induced symptom searching and miracle cures to the wellness fads filling your social media timeline, health journalist Casey Gueren digs into why we're so anxious about our health and how to separate medical facts from fiction. Surrounded by "health hacks" and clickbait headlines, it's easy to feel overwhelmed and underprepared when it comes to taking care of your health. But despite what the wellness industry told you, you don't need another cleanse, detox, or supplement—you need a crash course in separating hype from health. In *It's Probably Nothing* you'll find a health journalist's tools and tips to . . . Fine-tune your B.S. detector and spot the wellness industry's sneaky tricks Get answers to your health questions without spiraling down search holes Manage health stress and learn to listen to your body (just enough) Decode the latest overhyped health headlines Find compassionate, evidence-based care that works for you And so much more Packed with illuminating information, funny personal anecdotes, concrete strategies for coping, quotes from dozens of medical experts, and a foreword by New York Times-bestselling author of *The Vagina Bible* Dr. Jen Gunter, this book is the perfect companion for navigating our wellness-obsessed world with a little less stress and a lot more information.

health and wellness content writer: Just the Right Dose Marijke Vroomen Durning Rn, 2015-02-02 In *Just the Right Dose: Your Smart Guide to Prescription Drugs & How to Take Them Safely*, you'll find answers to the most common questions about over-the-counter and prescription medications, as well as tips on topics such as: - Understanding your prescription - Why it's important to follow the directions, - What types of pills you should never break or chew, and why - The most common types of medicines (such as cream, suppositories, injections) - Remembering to take your medications - Swallowing that pill or capsule - Getting rid of unused drugs - And more!

health and wellness content writer: Health & Wellness Mark Finley, Peter N. Landless, 2014

Health and Wellness: Secrets That Will Change Your Life shows you spectacularly simple ways to avoid such chronic killers as cancer, diabetes, heart disease, and obesity You'll learn how good nutrition heals the body and boosts the mind; how purpose increases resilience; how love and forgiveness mend the heart! Health and Wellness caught the attention of award-winning documentary filmmaker Martin Doblmeier. While there are countless self-help books on the market today, Health and Wellness: Secrets That Will Change Your Life stands apart because it speaks from proven success. Contained in these insightful chapters is an emphasis on making wise choices about the riches entrusted to each of us—a body that has the potential to heal itself, a mind capable of the extraordinary, and a spirit that longs to be reunited with the Creator. This book not only offers a road map for a healthier, more productive life—it provides the greatest gift of all: the reason for the journey. Book jacket.

You'll learn: - How to maximize accessibility and organization in your kitchen for faster, healthier, and more delicious meals. - How to make easy fixes to your ventilation system to help ease symptoms of asthma and allergies - How to optimize your home office to eliminate back, neck, and foot pain. - How to enhance your bathroom tub and shower spaces to support fitness goals and simplify family life. - And much more! It's time for your home to work as hard as you do to support your health. With the right organization and interior design, your home can help you maintain and improve your health in a variety of ways, from improving health and preventing disease to encouraging clean eating, sustainable living, safety, fitness, serenity, and joy. Whether you're building your dream home or decorating your new rental, this book will help you keep your fitness goals and stay on track for a long and healthy life.

health and wellness content writer: Ellie and the Harpmaker Hazel Prior, 2019-08-06 A rich, heartwarming and charming debut novel that reminds us that sometimes you find love in the most unexpected places. Dan Hollis lives a happy, solitary life carving exquisite Celtic harps in his barn in the countryside of the English moors. Here he can be himself, away from social situations that he doesn't always get right or completely understand. On the anniversary of her beloved father's death, Ellie Jacobs takes a walk in the woods and comes across Dan's barn. She is enchanted by his collection. Dan gives her a harp made of cherrywood to match her cherry socks. He stores it for her, ready for whenever she'd like to take lessons. Ellie begins visiting Dan almost daily and quickly learns that he isn't like other people. He makes her sandwiches precisely cut into triangles and repeatedly counts the (seventeen) steps of the wooden staircase to the upstairs practice room. Ellie soon realizes Dan isn't just different; in many ways, his world is better, and he gives her a fresh perspective on her own life.

health and wellness content writer: The Miracle Morning (Updated and Expanded Edition) Hal Elrod, 2024-01-09 Start waking up to your full potential every single day with the updated and expanded edition of the groundbreaking book that has sold more than two million copies. health and wellness content writer: [This Changes Everything](#) Niki Bezzant, 2022-01-05 A new and demographically significant generation of women as young as 35 is facing perimenopause and menopause – but not like our mothers or grandmothers did. We are hungry for information and keen to talk candidly about everything: sex, mental health, self-image, alcohol, how menopause affects our stressful working lives, relationships, fertility and families – and what we can do about it. Author Niki Bezzant has more than 20 years' experience writing and speaking about health and nutrition. In this book, she shares all the latest research and advice, giving readers real information they can use on everything from recognizing and understanding common symptoms like mood changes, weight gain, low libido, erratic and heavy periods, hot flushes and insomnia, to managing mental health, sexuality and relationships, exercise and nutrition tips. She explains which natural and medical treatments actually work and how to get the best help, with a healthy side-serve of humour, calling out sexism, snake-oil and bullshit along the way. *This Changes Everything* includes menopause stories from well-known NZ women including Robyn Malcolm, Carol Hirschfeld and Michele A'Court, plus real talk from hundreds of NZ women, based on the author's wide-ranging online survey and expert information from menopause specialists and doctors, to answer the questions women most want answered. This is a must-have guide to perimenopause, menopause, midlife and beyond for every woman – the symptoms, the solutions and the stuff that really works. Topics covered include: What's happening to me? When menopause happens early Hormones 101 HRT, MHT and other treatments Hot flushes, night sweats, weight gain, migraines, memory and other physical symptoms Anxiety, panic attacks, self-image and other psychological symptoms Sex, libido and relationships Health after the menopause Diet and nutrition Exercise Sleep Bloating and gut health Lifestyle changes Menopause for men: a cheat sheet Taking back the power: a menopause action plan And much more.

health and wellness content writer: *Making Piece* Beth M. Howard, 2012-04-01 You will find my story is a lot like pie, a strawberry-rhubarb pie. It's bitter. It's messy. It's got some sweetness, too. Sometimes the ingredients get added in the wrong order, but it has substance, it will warm your insides, and even though it isn't perfect, it still turns out okay in the end. When journalist Beth M. Howard's young husband dies suddenly, she packs up the RV he left behind and hits the American highways. At every stop along the way—whether filming a documentary or handing out free slices on the streets of Los Angeles—Beth uses pie as a way to find purpose. Howard eventually returns to her Iowa roots and creates the perfect synergy between two of America's greatest icons—pie and the American Gothic House, the little farmhouse immortalized in Grant Wood's famous painting, where she now lives and runs the Pitchfork Pie Stand. *Making Piece* powerfully shows how one courageous woman triumphs over tragedy. This beautifully written memoir is, ultimately, about hope. It's about the journey of healing and recovery, of facing fears, finding meaning in life again, and moving forward with purpose and, eventually, joy. It's about the nourishment of the heart and soul that comes from the simple act of giving to others, like baking a homemade pie and sharing it with someone whose pain is even greater than your own. And it tells of the role of fate, second chances and the strength found in community.

health and wellness content writer: *The Black Book of Training Secrets* Christian Thibaudeau, 2014-06-04 The first book by Christian Thibaudeau and a classic strength training book. Find out what to eat before, during and after your running sessions to get the most out of your training, with additional guidance on hydration, supplements and how to optimise recovery from injury. Enjoy more than 100 easy-to-prepare recipes – including breakfasts, salads, main meals, vegetarian main meals, desserts and snacks – all nutritionally balanced to help you go the extra mile and achieve your running goals.

health and wellness content writer: The More or Less Definitive Guide to Self-Care Anna Borges, 2019-11-01 Some days you need a pick-me-up, some days you need a life preserver. “For most of us,” writes Anna Borges, “self-care is a wide spectrum of decisions and actions that soothe and fortify us against all the shit we deal with.” You may already practice some form of self-care, whether it’s taking an extra-long shower after a stressful day, splurging on a ~fancy~ dinner, or choosing Netflix over that friend-of-a-friend’s birthday party. But when life gets so overwhelming that you want to stay in bed, some more radical care is crucial to maintain your sanity. The More or Less Definitive Guide to Self-Care is here to help you exist in the world. Borges gathers over 200 tips, activities, and stories (from experts and everyday people alike) into an A-to-Z list—from asking for help and burning negative thoughts to the importance of touch and catching some Zzz’s. Make any day a little more OK with new skills in your self-care toolkit—and energy to show up for yourself.

health and wellness content writer: Wellmania Brigid Delaney, 2023-03-02 NOW A MAJOR NETFLIX SERIES STARRING CELESTE BARBER MISADVENTURES IN THE SEARCH FOR WELLNESS When journalist and human tornado Brigid wakes up to yet another hangover, chronic anxiety and the reality that she is fast approaching 40, she is forced to rethink her 'live fast die young' attitude. Cold-pressed juices, hot yoga, veganism, Paleo, mindfulness ... if you embrace these things you will be happy, you will be well - just ask Instagram, right?. But what does wellness even mean? Does any of this stuff actually work? Throwing herself body-first into a wellness journey, Brigid decides to find out. Starting with a brutal 101-day fast, Brigid tests the things that are meant to make us well - detoxes, colonics, meditation, Balinese healing, silent retreats and group psychotherapy, and sorts through what works and what is just expensive hype. She asks: what does this obsession say about us? Is wellness possible, or even desirable? Where's the fun in it all? And why do you smell so bad when you haven't eaten in seven days? Trying everything from the benign to the bizarre in an attempt to reclaim her old life, Brigid discovers that perhaps if we could only look beyond ourselves we might just find the answer.

health and wellness content writer: Headcase Stephanie Schroeder, Teresa Theophano, 2019-01-08 Headcase is a groundbreaking collection of personal reflections and artistic representations illustrating the intersection of mental wellness, mental illness, and LGBTQ identity, as well as the lasting impact of historical views equating queer and trans identity with mental illness. The featured pieces offer personal views from both providers and clients, often one and the same, about their experiences. In the anthology, readers will access the inner thoughts of contributors who collectively document the difficulty of navigating flawed healthcare systems that limit affordable access to genuinely affirming, effective services. Traversing boundaries of race and ethnic identity, age, gender identity, and socioeconomic status, Headcase appeals to LGBTQ communities and, specifically, LGBTQ mental health consumers and their friends, families, and comrades.

health and wellness content writer: Drunk Yoga Eli Walker, 2019-01-15 The OFFICIAL Drunk Yoga book by the rebel behind the viral phenomenon! The Drunk Yoga craze is taking over... not even your bookshelf is safe! health and wellness content writer: Lost Marbles Natasha Tracy, 2016-10-24 Natasha Tracy has written a book that straddles the chasm between self-help and memoir. Natasha's own experiences with bipolar disorder and depression illustrate what it is truly like to live with serious mental illness and offer real-world ways to live better with it. Natasha pulls no punches, doesn't sugarcoat and yet still offers real hope to the reader. This book will give those with mental illness and their loved ones ah-hah moments on every page.--

health and wellness content writer: Alonement Francesca Specter, 2022-02-15 How to be alone and absolutely own it, by founder of the Alonement blog and podcast, Francesca Specter. Being alone has a serious branding issue. We've only ever had negative language to talk about flying solo - but what about when time spent alone is restorative and joyful? What if it's something you crave? What if it's even just an hour you've carved out for yourself in the middle of a hectic week? Enter: Alonement, Francesca Specter's empowering new word to express valuing your own company and dedicating quality time to yourself, whoever you are and whatever your relationship status. Between open-plan offices, two-for-one vouchers and co-habiting with partners and friends, most of us don't know how to be alone - yet our life-long relationship with ourselves is the most important one we'll ever have. A reformed 'extreme extrovert' who struggled to spend even an hour alone, Francesca made the resolution in January 2019 to improve her solitude skills. Having spent two months of lockdown by herself, Francesca knows better than most how to optimise the quality of time spent alone. Packed with practical tips, insights from key experts and lessons from guests of the Alonement podcast - including Alain de Botton, Florence Given, Konnie Huq and Camilla Thurlow - Francesca reveals how we can all thrive alone, whatever our circumstances, and harness the untapped power of some meaningful time with me, myself and I.

health and wellness content writer: Everything You Always Wanted to Know about Nutrition David R. Reuben, 1979 Through a question-and-answer approach, basic information about foods & the food industry is given.

health and wellness content writer: Funeral for Flaca Emilly Prado, 2021-07 Funeral for Flaca is an exploration of things lost and found-love, identity, family-and the traumas that transcend bodies, borders, cultures, and generations. Emilly Prado retraces her experience coming of age as a prep-turned-chola-turned-punk in this collection that is one-part memoir-in-essays, and one-part

playlist, zigzagging across genres and decades, much like the rapidly changing and varied tastes of her youth. Emily spends the late 90's and early aughts looking for acceptance as a young Chicana growing up in the mostly-white suburbs of the San Francisco Bay Area before moving to Portland, Oregon in 2008. Ni de aquí, ni de allá, she tries to find her place in the in between. Growing up, the boys reject her, her father cheats on her mother, then the boys cheat on her and she cheats on them. At 21-years-old, Emily checks herself into a psychiatric ward after a mental breakdown. One year later, she becomes a survivor of sexual assault. A few years after that, she survives another attempted assault. She searches for the antidote that will cure her, cycling through love, heartbreak, sex, an eating disorder, alcohol, an ever-evolving style, and, of course, music. She captures the painful reality of what it means to lose and find your identity, many times over again. For anyone who has ever lost their way as a child or as an adult, *Funeral for Flaca* unravels the complex layers of an unpredictable life, inviting us into an intimate and honest journey profoundly told with humor and heart by Emily Prado. I felt these essays deep in my heart. *Funeral for Flaca* is like a Chicana punk rock ballad in prose. Soulful and brave, these essays of Prado's life made me feel less lonely, less outcasted, and more seen-and isn't that why we come to books in the first place? -Kali Fajardo-Anstine, author of *Sabrina & Corina* Once I started reading *Funeral for Flaca*, I could not stop. The series of essays traverses Prado's life and weaves a narrative that is gripping and beautifully told. Each essay is a finely crafted tribute to periods in Prado's labyrinthine path, intersecting trauma, pathology, loss and, ultimately, perseverance and healing. -Lisa Congdon, artist and author of *Find Your Artistic Voice: The Essential Guide to Working Your Creative Magic* This book is brilliant. It tells the unique stories of what it means to grow up Latina in the U.S. and the universal experiences of love, coming of age and finding your own voice and self. Prado weaves personal stories that make you laugh, cry and give you hope for the future. -Cristina Tzintzún Ramirez, author and co-editor of *Presente!* Emily Prado's *Funeral For Flaca* is fierce, funny, intelligent, and vulnerable. This memoir-in-essays speaks with ease and honesty about the ferociously hard, isolating moments of youth, and Prado's matter-of-fact tone reads like a friend's voice talking us through the worst of it. *Funeral for Flaca* is here to remind us: there is a woman lying dormant inside every girl. -Margaret Malone, author of *People Like You*

health and wellness content writer: *Collaboration Is King* Brady Sadler, 2018-08-06 Smart marketers are learning how to overcome the challenges in today's marketplace by teaming up with other brands. In *Collaboration is King* we'll dive into the collaboration space, explore the modern brand and look at what's required to deploy marketing that moves people.
