This post is your ultimate collection of health and wellness motivational quotes, carefully curated to inspire you on your journey to a healthier, happier you. We'll explore quotes covering various aspects of wellness, from fitness and nutrition to mental well-being and self-care. Get ready to be motivated!

Finding Your Fitness Fire: Motivational Quotes for Exercise

Let's face it: exercise can be tough. But the rewards are immeasurable. These quotes will ignite your inner athlete and help you push past those plateaus:

"The body achieves what the mind believes." - Napoleon Hill: This classic quote reminds us that mental strength is just as important as physical strength. Believe in your ability to achieve your fitness goals, and you'll be amazed at what you can accomplish.

"A journey of a thousand miles begins with a single step." - Lao Tzu: Don't get overwhelmed by the magnitude of your fitness goals. Start small, celebrate your progress, and build momentum. Even a 15-minute walk is a victory.

"Your body is your temple. Keep it pure and clean for the soul to reside in." - B.K.S. Iyengar: This quote emphasizes the connection between physical and spiritual well-being. Treat your body with respect, and it will reward you with energy and vitality.

"Sweat is magic. It transforms your body and your soul." - Unknown: Embrace the discomfort of exercise. It's a sign that you're pushing your limits and making progress.

"The only way to do great work is to love what you do." - Steve Jobs: Find activities you genuinely enjoy, whether it's dancing, hiking, swimming, or weightlifting. Exercise should be something you look forward to, not dread.

Nourishing Your Body: Motivational Quotes about Healthy Eating

Healthy eating isn't about deprivation; it's about nourishing your body with the fuel it needs to thrive. These quotes will inspire you to make mindful choices:

"Let food be thy medicine and medicine be thy food." - Hippocrates: This ancient wisdom emphasizes the power of nutrition to prevent and heal. Focus on whole, unprocessed foods as much as possible.

"Eat food. Not too much. Mostly plants." - Michael Pollan: A simple yet effective guideline

for healthy eating. Prioritize whole, plant-based foods and avoid overeating.

"One cannot think well, love well, sleep well, if one has not dined well." – Virginia Woolf: This quote highlights the connection between nutrition and overall well-being. Proper nourishment fuels your mind and body.

"Taking care of your body is a form of self-respect." – Unknown: Nourishing your body with healthy food is an act of self-love and respect.

"The food you eat can be either the safest and most powerful form of medicine or the slowest form of poison." – Ann Wigmore: This powerful statement emphasizes the impact of food choices on your health.

Cultivating Mental Wellness: Inspirational Quotes for Inner Peace

Physical health is only one piece of the puzzle. Mental well-being is equally crucial. These quotes will encourage you to prioritize your mental health:

"Take care of your body. It's the only place you have to live." – Jim Rohn: This quote reminds us that our mental and emotional health are inextricably linked to our physical health.

"You don't have to control your thoughts, you just have to stop letting them control you." – Dan Millman: This quote emphasizes the importance of mindfulness and managing negative thoughts.

"Believe you can and you're halfway there." – Theodore Roosevelt: Positive self-talk and belief in yourself are crucial for overcoming mental health challenges.

"Self-care is not selfish. You cannot serve from an empty vessel." – Eleanor Brown: This quote highlights the importance of self-care for maintaining mental and emotional well-being. You can't pour from an empty cup.

"What lies behind you and what lies in front of you, pales in comparison to what lies inside of you." – Ralph Waldo Emerson: This quote emphasizes the importance of inner strength and resilience.

Embracing Self-Care: Motivational Quotes for a Balanced Life

Self-care isn't a luxury; it's a necessity. These quotes will inspire you to prioritize activities that nourish your soul:

"Rest is not idleness, and to lie sometimes on the grass under trees on a summer's day, listening to the murmur of the water, or watching the clouds float across the sky, is by no means a waste of time." – John Lubbock: Prioritize relaxation and downtime. It's essential for rejuvenation and preventing burnout.

"Taking time for yourself will improve your mood, energy levels and outlook on life." – Unknown: This simple quote emphasizes the many benefits of self-care.

"Self-care is how you take your power back." – Lalah Delia: Self-care is an act of empowerment. It's about prioritizing your needs and well-being.

"Invest in your well-being. Take care of your body. Take care of your mind. Take care of your soul." – Unknown: This quote stresses the importance of holistic self-care.

"The best project you'll ever work on is you." – Unknown: Prioritizing your own well-being

is the most important investment you can make.

Conclusion

This collection of health and wellness motivational quotes is designed to be a constant source of inspiration on your journey to a healthier, happier life. Remember that progress, not perfection, is the key. Celebrate small victories, embrace challenges, and never give up on yourself. Your well-being is worth fighting for.

FAQs

Q1: How can I use these quotes to stay motivated?

A1: Write your favorite quotes down, put them on sticky notes around your house, or create a digital wallpaper with them as a reminder. Read them regularly to reignite your motivation.

Q2: Are these quotes only for people who are already fit and healthy?

A2: Absolutely not! These quotes are for everyone, regardless of their current fitness level or health status. They're designed to inspire and motivate anyone on their wellness journey.

Q3: How can I integrate these quotes into my daily routine?

A3: Start your day by reading one inspiring quote. Keep a motivational quote handy for when you need an extra boost during your workout or while making healthy food choices.

Q4: What if I don't find these quotes personally motivating?

A4: That's perfectly okay! Find quotes that resonate with you personally. The key is finding inspiration that speaks to your individual needs and goals. Search online for quotes related to specific aspects of your wellness journey.

Q5: Can these quotes help with mental health struggles?

A5: While these quotes can offer inspiration and encouragement, they are not a replacement for professional mental health care. If you are struggling with your mental health, please seek help from a qualified professional.

health and wellness motivational quotes: [The Great Big Fitness Quote Book](#) Cameron M. Clark, 2015-01-17 To All Personal Trainers, Training Clients, Crossfitters and more! Here's the perfect gift for a client or yourself! Finally, a book with a motivational fitness quote for every day of the year!!! Getting fit is all about reaching for, achieving, and sustaining a commitment to take care of yourself for the rest of your life. - Dara Torres (Olympic Gold Medalist) Rather than finding reasons why something cannot be done, though you know it needs to be done, get on with doing it. See problems as challenges. - Stuart McRobert (Fitness Writer) I know a lot of people say: 'If I had

the money then I'd be able to achieve health, fitness, peace of mind and joy.' I can't say it enough times: your health account and your bank account are synonymous. - Jack LaLanne (Fitness Guru)

For most of us, getting in shape is not easy. It involves a certain level of planning, discipline and most importantly motivation! Enter 'The Great Big Fitness Quote Book' compiled by Cameron M. Clark. A book of over 365 inspirational quotes that actually apply to health, fitness, nutrition and well-being. Think about it that's a new motivational quote for EVERY DAY OF THE YEAR! Finally, a book that collects the inspirational words of many of the best and most successful coaches, trainers, athletes, martial artists and other accomplished individuals into one handy volume you can access at any time! Make NO mistake! This is not your 'run-of-the-mill' book of 'inspirational' quotes taken from a few different Internet websites and then collected into one volume. There are a ton of those for sale already. Instead, this is a combination of many previously-Internet-published quotes and some that have never been published online. In fact, when Clark was looking for a resource like 'The Great Big Fitness Quote Book, ' he found one book with 'motivational quotes' on fitness that included a quote from one of the most notorious totalitarian dictators of the 20th Century. This led Clark to realize two things: that these quote books were not well-researched and that there would be a need for a book that actually compiled quotes that were applicable to health, wellness and fitness. With over 365 inspirational quotes, this is a collection that makes it easy for you to use a different quote each day to get yourself into the kind of physical shape you have always wanted to attain. This book takes on all areas of Health and Fitness such as Aging, Exercise, Fat Loss, Goal Setting, Nutrition, Overcoming Obstacles and Stress among so many others with motivational words from Olympic athletes like Dara Torres, Picabo Street and Jesse Owens. You'll also find words of wisdom from popular fitness trainers like Bob Harper, Kim Lyons, Chris Powell and Jillian Michaels. Other fitness gurus quoted include Arnold Schwarzenegger, Jack LaLanne and Stuart McRobert. There are also quotes from martial artists like the legendary Bruce Lee, Georges St. Pierre and the first female UFC Champion, Ronda Rousey. Organized into nearly 50 different categories, these individually-numbered quotations are effective to read within context and easy for you to return to read again and again whenever the need for inspiration arises. Also included as a special bonus at the end of this book, there is a brief biographical information on each man and woman quoted, such as their occupation, their achievements along with the titles of some of the published works they may have written. Clark felt this information is useful in helping the reader to seek out the source of this wisdom and more importantly know they won't be reposting or quoting tyrannical dictators who oppressed their own people. The Great Big Fitness Quote Book is a 'must' for any practitioner of exercise and sports be they an amateur powerlifter, a busy mom looking for a quick workout or the aspiring athlete who just wants to take it to the next level.

health and wellness motivational quotes: The Unapologetic Guide to Black Mental Health Rheeda Walker, 2020-05-01 An unapologetic exploration of the Black mental health crisis—and a comprehensive road map to getting the care you deserve in an unequal system. We can't deny it any longer: there is a Black mental health crisis in our world today. Black people die at disproportionately high rates due to chronic illness, suffer from poverty, under-education, and the effects of racism. This book is an exploration of Black mental health in today's world, the forces that have undermined mental health progress for African Americans, and what needs to happen for African Americans to heal psychological distress, find community, and undo years of stigma and

marginalization in order to access effective mental health care. In *The Unapologetic Guide to Black Mental Health*, psychologist and African American mental health expert Rheeda Walker offers important information on the mental health crisis in the Black community, how to combat stigma, spot potential mental illness, how to practice emotional wellness, and how to get the best care possible in a system steeped in racial bias. This breakthrough book will help you: Recognize mental and emotional health problems Understand the myriad ways in which these problems impact overall health and quality of life and relationships Develop psychological tools to neutralize ongoing stressors and live more fully Navigate a mental health care system that is unequal It's past time to take Black mental health seriously. Whether you suffer yourself, have a loved one who needs help, or are a mental health professional working with the Black community, this book is an essential and much-needed resource.

health and wellness motivational quotes: Master Your Metabolism Jillian Michaels, Mariska van Aalst, Christine Darwin, 2009-04-07 Does it feel as if you're fighting your body to lose even one pound—or just to maintain your current weight? Respected health and wellness expert and bestselling author Jillian Michaels has been there, too. So she consulted top experts in the field of metabolism and discovered that she'd inadvertently been abusing her endocrine system for years. After "fixing" her own metabolism, she decided to share what she learned by devising this simple, 3-phase plan that engages all the weight-loss hormones (including the friendly HGH, testosterone, DHEA; and the not-so-friendly: insulin, cortisol, and excess estrogen). In *Master Your Metabolism*, discover how to: • REMOVE "anti-nutrients" from your diet • RESTORE foods that speak directly to fat-burning genes • REBALANCE energy and your hormones for effortless weight loss Michaels offers a wealth of information throughout, including: shopping lists and online shopping resources, hormone-trigger food charts, how to eat "power nutrient" foods on a budget, smart strategies for eating out, quick and easy recipes, as well as mini-programs for addressing PMS, andropause, metabolic syndrome, PCOS, and menopause.

What could be better than that? Your health, happiness, and life depend on it! There's no question walking is good for you. Think about the tortoise and the hare. When you take a long-term view of the benefits of walking for health and fitness, you'll see it makes sense to slow yourself down and to continue to walk for fitness to stay healthy well into old age. Also, let me show you how to get in shape after 50. The book is organized into 4 sections: Getting Started Basic Training Beyond the Basics Mindset Don't become a statistic! Health care costs steadily increase with body mass Obesity is one of the biggest drivers of preventable chronic diseases Heart disease and stroke cost America nearly \$1 billion a day Low back pain has a major economic impact with total costs related to this condition exceeding \$100 billion per year. Your Next Step: You must decide right now not to become a statistic. You have it within yourself to take control of your health! After a back injury forced me out of work for four months, I began walking for exercise as a way to get in shape. Being out in the fresh air, feeling the rhythmic

movement of the walking stride, and using walking meditations to get deeper into my thoughts with a walking meditation. As a walker I've: Slowed down and improved my mindset Done Walking meditation Listen and absorbed audiobooks Take pictures Recorded my thoughts into my iPhone Looked forward to my walks Also, I supercharge my walk with bodyweight exercises and I've used walking to lose weight! In contrast, when I was a runner and worked out at the gym I'd have to get myself psyched up just to get out the door and I usually used the little annoyances in life as an excuse to not work out. Walking has worked wonders in my life so let me show you how to get in shape and use walking for exercise to improve your health and fitness. Discover how to get in shape the easy way. health and wellness motivational quotes: Ikigai Héctor García, Francesc Miralles, 2017-08-29 INTERNATIONAL BESTSELLER • 2 MILLION+ COPIES SOLD WORLDWIDE “Workers looking for more fulfilling positions should start by identifying their ikigai.” —Business Insider “One of the unintended—yet positive—consequences of the [pandemic] is that it is forcing people to reevaluate their jobs, careers, and lives. Use this time wisely, find your personal ikigai, and live your best life.” —Forbes Find your ikigai (pronounced ee-key-guy) to live longer and bring more meaning and joy to all your days. “Only staying active will make you want to live a hundred years.” —Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world’s longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you’re good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It’s the reason we get up in the morning. It’s also the reason many Japanese never really retire (in fact there’s no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they’ve found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world’s Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn’t want to find happiness in every day?

health and wellness motivational quotes: *A Beautiful Work in Progress* Mirna Valerio, 2017 Runners' vocabulary is full of acronyms like DNS for Did Not Start and DNF for Did Not Finish, but

when Mirna Valerio stepped up to the starting line, she needed a new one: DNQ for Did Not Quit. Valerio has tied on her running shoes all across the country, from the dusty back roads of central New Jersey to the busy Route 222 corridor in Pennsylvania to the sweltering deserts of Arizona. When you meet her on the trail, you might be surprised to see she doesn't quite fit the typical image of a long-distance runner. She's neither skinny nor white, and she's here to show just how misguided these stereotypes can be. In this prejudice-busting, body-positive memoir told with raw honesty, an adventurous spirit, and a sharp sense of humor, Valerio takes readers along on her journey from first-time racer to ultramarathoner and proves that anyone can become a successful athlete.

health and wellness motivational quotes: Can't Hurt Me David Goggins, 2021-03-03 New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare -- poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring Outside magazine to name him The Fittest (Real) Man in America. In Can't Hurt Me, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.

health and wellness motivational quotes: Vibrate Higher Daily Lalah Delia, 2019-12-10 Tap into your inner power with this mind-opening guide to vibrational-based living from Instagram star and self-help pioneer behind the internet community Vibrate Higher Daily. “There is another way of being in the world. There is a better way to exist, rise, move beyond, and take our power back.” Too often we feel pulled down by circumstances or the negativity of others. We think we have no control over the things that are hurting us and holding us back from realizing our truest selves. But according to Lalah Delia, we have more power within us than we know: listen to your unique inner voice and trust your instincts. By doing so, you’re already experiencing the transformative power of vibrational-based living. Vibrating higher daily is about making intentional day-to-day choices that lift us out of mindsets, habits, and lifestyles that don't serve us and into ones that do. This book is an invitation to engage with everything that feeds our soul and raises our vibration, and to simultaneously let go of the things bringing our energy down. Through poetry, mantras, and affirmations, Lalah Delia empowers us to live with higher potential and quality of being. Vibrate Higher Daily is a manifesto unlike any other for stepping into our power.

health and wellness motivational quotes: Love, God & Neurons Abhijit Naskar, Love, God & Neurons is a hair-raising tale of a naive college dropout from Bengal becoming one of twenty-first century's most influential minds in Neuroscience. Called a self-trained scientist and thinker (Michael Persinger) and a prolific, imaginative neuroscientist (Ronald Cicurel), Abhijit Naskar cheerfully looks back on years of philosophical, spiritual and scientific adventures, while closely analyzing them with the Science of the Mind. In his surreal and captivating manner of writing, he gives us a glimpse of the internal molecular storms that used to give him countless sleepless nights and how those nights led to some of the brightest days in the history of scientific investigation. In Love, God & Neurons Naskar offers a candid look at the events, emotions and people that steered his life through the mesmerizing alleys of philosophy and some mystical and romantic experiences that ultimately inspired him to utilize the modern tools of science in the pursuit of lavishing human life with colors and self-awareness.

health and wellness motivational quotes: MindJournal Ollie Aplin, 2017-05-04 The simple aim of this book is to help and support you through life. It is a tool to help you be a stronger version of the man you already are. Back in the day, keeping a journal was the manly thing to do. All the great thinkers, writers and explorers of the past kept a journal on a regular basis - from Ernest Hemmingway to Bruce Lee. It was a simple habitual practice; a clever therapeutic outlet, particularly for men, that has been lost. This book aims to bring it back. While the gym strengthens your body, think about this book as a workout for your mind. This is brain training to build a positive mental attitude and, ultimately, a better and more resilient you. Contains three interactive sections: Warm Up, Hurdles and Strength, each with prompts, challenges and motivators to help get you started. Plus the MindManual, which offers further support, checks and advice to keep your brain training on track.

health and wellness motivational quotes: 1001 Motivational Quotes & Daily Affirmations

Justin Lierman, 2019-08-08 This book contains 501 of the best quotes we could find to help you get that extra jolt of motivation you need every single day. Throughout the day you can also listen and repeat 500 daily affirmations to keep that jolt of motivation going to make sure you have a productive and prosperous day. In all you have 1001 of the best motivational quotes and daily affirmations to tap into to live your best life! I would encourage you to take in the quotes and affirmations slowly, maybe only one a day at first. Don't overwhelm yourself by overloading your mind with all the advice this book has to offer. Understand how the quotes apply to your life, don't just consume all the information at once to change your life as quickly as possible. That's not the purpose of the information given. Stop looking for motivation in all the wrong places when all the motivation you need is really inside of you. Don't just read the book for the words on the page but learn to use this book and the quotes inside to help you relate to your situation and how to have the right mindset to get you through whatever is on your mind. Discover yourself and discover what really motivates you to achieve the goals you have set for yourself. Let some of the greatest minds in the world show you how to look at your life in a way you never thought possible. Don't be surprised if you find out they have gone through many of the same things you are experiencing now and how they overcame them through their words of wisdom. With almost 3 years of daily quotes and affirmations to choose from you should have no problem having something new every day to keep you motivated. I know you will love this book and all it has to offer and I know you will love how your life will look even 1 year from now, it's all in your "mind" so bring it out. There's no excuse to get the motivation you've been searching for. Your new go to guide is filled with everything you need, starting now!

health and wellness motivational quotes: HWPO Mat Fraser, Spenser Mestel, 2022-01-11 NATIONAL BESTSELLER • Transform your body and mind with the definitive guide to building peak strength, endurance, and speed, from the five-time CrossFit Games champion and Fittest Man on Earth No matter your level of fitness, no matter if you've never attempted CrossFit before, this book is your total training manual. Mat Fraser is undisputedly the fittest man in CrossFit history for winning the CrossFit Games an unprecedented five times. A student of engineering, Fraser optimized his body like a machine, and his absolute dedication to the training program he designed for himself is now legendary. For years, every single decision he made was weighed against the question: Will this help me win? If the answer was no, he didn't do it. If it would give him even the

slightest edge or advantage, he would—no matter the cost. Fraser became a master of identifying his weaknesses and then seeking out training methods to improve them, and he's idolized in the fitness community for his relentless pursuit of peak performance. It's not hard to see why he achieved so much success—but how is a different question. Throughout his career, Fraser has been highly guarded about his specific training techniques (after all, sharing them would not help him win the CrossFit Games). But with his recent retirement from competition, Fraser is finally ready to open up about his path to the podium. HWPO reveals the workouts, training hacks, eating plans, and mental strategies that have helped make him a champion. It's an incredible resource of elite training strategies, illustrated workouts, and motivational stories, and it's a glimpse into the mind of one of the world's greatest athletes.

health and wellness motivational quotes: Live with Intention Mary Anne Radmacher, 2010-12-01 More than two decades ago, noted author, artist and teacher Mary Anne Radmacher, was beginning her chosen path--to live with purpose, to make a difference. She lost a dear friend and she wrote these words, which have appeared wrapped around mugs, on carry bags and journals, day planners, refrigerator magnets, and posters. In her new book she expands these words to invite readers to explore what it might mean to live each day with intention--to figure out what counts for them, what will make their lives richer, allow them to make a difference, and bring verve to each and every day. Radmacher shares the ten qualities she considers essential to intentional living and offers readers exercises, inspirations, and promises to help them find what's important in their lives.

health and wellness motivational quotes: Positive Psychology in Health Management Anni Wang, Fei Fei Huang, Yufang Guo, Fang Lei, Yuting Song, 2023-12-13 Positive psychology aims to understand how people can better their lives, and ultimately, flourish. Since Martin Seligman spearheaded this movement of looking for the positives in life rather than focusing on the negatives, substantial research has been conducted. This research indicates that positive psychological resources, such as resilience, self-efficacy, optimism, hope, and self-esteem can help individuals build their personal capabilities, which are associated with higher levels of physical, psychological, social and behavioral health. Health management is also a broad topic, containing management of all health-related issues, involving policy-making, legal regulation, workforce management, healthcare quality, specific disease management, etc. There has been a drastic increase in research on applying positive psychology to health management. The increasing theoretical and empirical studies have revealed that positive psychological theories have positive effects on the patients' physical and mental health, quality of life and on healthcare workers' job satisfaction, burnout, and quality of work life. Disease management and health workforce management are two major subjects that involve positive psychology, that have been widely investigated in the past few years. Therefore, by combining positive psychology and health management, this topic aims to facilitate cutting edge ideas and research to explore multidisciplinary approaches of positive psychology in disease management and health workforce management. Our specific aim is to explore how the construct of positive psychology mitigates the negative consequences on patients or family with disease burden, and healthcare workers under job-related stress. Furthermore, we hope to recognize the distinct adaptive trajectories of these areas, on which positive psychological resources may have an effect. Based on these, we want to highlight the efficacy, effectiveness and implementation of positive psychology-based intervention for patients or healthcare workers to promote resiliency. Through the achievement of these aims, we also hope to develop new theories and instruments which are culturally sensitive and contextually innovative.

health and wellness motivational quotes: Change Your Mind, Change Your Health Anne Marie Ludovici, 2014-12-22 "Easy to relate to and fun to read, with sensible advice that doesn't require anything but a desire to be healthy."—Ken Blanchard, coauthor of The One Minute Manager® True wellness is about more than just health—it's about living a fulfilling, well-rounded life. It's about becoming and being our best selves. Yet from health to jobs to finances, it's no secret that people today face a number of seemingly insurmountable barriers to achieving a secure, self-affirming sense of personal well-being. They've tried fad-this and celebrity-that because they want to change, but nothing really works or lasts. Without knowing how to achieve meaningful and sustainable personal change, many of us lack the independence and empowerment to make it happen. Filled with personal, engaging stories, Change Your Mind, Change Your Health reveals proven techniques used by behavioral experts, researchers, health coaches, and psychology professionals to inspire and empower people to embrace the enriching power of change. Change isn't an outcome, it's a process—a journey of personal independence, self-discovery, and transformation leading to a new, healthier you. Change Your Mind, Change Your Health leads you step-by-step down the path to conquer your challenges and harness and channel your inner power to transform your life for good. Just as the caterpillar becomes a butterfly, the power of change can unlock your hidden beauty and potential to soar. "You are in the hands of one of my favorite friends and colleagues in the wellness field."—James O. Prochaska, PhD, coauthor of Changing for Good "An excellent resource for anyone seeking permanent health behavior change."—Kathleen Cullinen, PhD, RD, executive committee for the Academy of Nutrition and Dietetics
