

HEALTH AND WELLNESS TIPS FOR THE WORKPLACE

HEALTH AND WELLNESS TIPS FOR THE WORKPLACE: BOOSTING PRODUCTIVITY AND HAPPINESS

FEELING SLUGGISH AT WORK? DRAGGING YOURSELF THROUGH THE DAY? YOU'RE NOT ALONE. MANY EMPLOYEES STRUGGLE TO MAINTAIN THEIR HEALTH AND WELL-BEING AMIDST THE DEMANDS OF A BUSY WORK SCHEDULE. BUT WHAT IF YOU COULD BOOST YOUR ENERGY, SHARPEN YOUR FOCUS, AND INCREASE YOUR OVERALL HAPPINESS – ALL WHILE IMPROVING YOUR PRODUCTIVITY? THIS COMPREHENSIVE GUIDE OFFERS PRACTICAL, ACTIONABLE HEALTH AND WELLNESS TIPS FOR THE WORKPLACE, HELPING YOU TRANSFORM YOUR WORKDAY FROM A GRIND INTO A GENUINELY FULFILLING EXPERIENCE. WE'LL EXPLORE STRATEGIES TO IMPROVE YOUR PHYSICAL HEALTH, MENTAL WELL-BEING, AND WORK-LIFE BALANCE, CREATING A HEALTHIER AND HAPPIER YOU, BOTH IN AND OUT OF THE OFFICE.

1. ERGONOMICS: YOUR BODY WILL THANK YOU

PROPER POSTURE AND ERGONOMIC SETUP ARE FOUNDATIONAL TO WORKPLACE WELLNESS. SLOUCHING AT YOUR DESK CAN LEAD TO BACK PAIN, NECK STIFFNESS, AND EVEN CARPAL TUNNEL SYNDROME. INVEST IN AN ERGONOMIC CHAIR THAT SUPPORTS YOUR LOWER BACK AND ADJUST YOUR DESK HEIGHT SO YOUR ELBOWS ARE AT A 90-DEGREE ANGLE WHEN TYPING. CONSIDER USING A FOOTREST IF YOUR FEET DON'T COMFORTABLY REACH THE FLOOR. TAKE REGULAR BREAKS TO STRETCH AND MOVE AROUND, PREVENTING STIFFNESS AND FATIGUE. A SIMPLE 5-MINUTE STRETCHING ROUTINE CAN SIGNIFICANTLY IMPROVE YOUR COMFORT AND ENERGY LEVELS THROUGHOUT THE DAY. REMEMBER, A COMFORTABLE WORKSPACE IS A PRODUCTIVE WORKSPACE!

2. HYDRATION: FUELING YOUR PERFORMANCE

DEHYDRATION CAN SIGNIFICANTLY IMPACT YOUR ENERGY LEVELS, FOCUS, AND OVERALL MOOD. KEEP A WATER BOTTLE AT YOUR DESK AND AIM TO SIP ON IT CONSISTENTLY THROUGHOUT THE DAY. AVOID RELYING SOLELY ON SUGARY DRINKS OR CAFFEINE, AS THESE CAN LEAD TO ENERGY CRASHES LATER. INFUSE YOUR WATER WITH FRUITS LIKE LEMON OR CUCUMBER FOR A REFRESHING TWIST. CONSIDER SETTING REMINDERS ON YOUR PHONE OR COMPUTER TO ENCOURAGE REGULAR WATER INTAKE. YOUR BODY WILL APPRECIATE THE CONSISTENT HYDRATION, LEADING TO INCREASED ALERTNESS AND IMPROVED COGNITIVE FUNCTION.

3. MINDFULNESS AND STRESS MANAGEMENT: FINDING YOUR CALM

WORKPLACE STRESS IS A COMMON CULPRIT BEHIND BURNOUT AND DECREASED PRODUCTIVITY. INCORPORATE MINDFULNESS TECHNIQUES INTO YOUR WORKDAY, SUCH AS TAKING SHORT MEDITATION BREAKS OR PRACTICING DEEP BREATHING EXERCISES. EVEN A FEW MINUTES OF FOCUSED BREATHING CAN SIGNIFICANTLY REDUCE STRESS AND IMPROVE YOUR MENTAL CLARITY. CONSIDER USING A MINDFULNESS APP OR EXPLORING GUIDED MEDITATIONS ONLINE. LEARNING TO MANAGE STRESS EFFECTIVELY IS CRUCIAL FOR MAINTAINING YOUR OVERALL WELL-BEING AND PREVENTING BURNOUT. EXPLORE STRESS-REDUCING ACTIVITIES LIKE YOGA OR TAI CHI, WHICH CAN BE INCORPORATED BEFORE OR AFTER WORK.

4. HEALTHY EATING HABITS: NOURISHING YOUR BODY

WHAT YOU EAT SIGNIFICANTLY IMPACTS YOUR ENERGY LEVELS AND PRODUCTIVITY. PACK HEALTHY LUNCHES AND SNACKS TO AVOID RELYING ON UNHEALTHY VENDING MACHINE OPTIONS. FOCUS ON WHOLE FOODS, SUCH AS FRUITS, VEGETABLES, LEAN PROTEINS, AND WHOLE GRAINS. LIMIT PROCESSED FOODS, SUGARY DRINKS, AND EXCESSIVE CAFFEINE INTAKE. PLAN YOUR MEALS IN ADVANCE TO ENSURE YOU'RE MAKING HEALTHY CHOICES THROUGHOUT THE DAY. CONSIDER INCORPORATING A HEALTHY BREAKFAST ROUTINE, SETTING THE TONE FOR A PRODUCTIVE AND ENERGIZED WORKDAY.

5. MOVEMENT AND BREAKS: GET UP AND MOVE

SITTING FOR PROLONGED PERIODS IS DETRIMENTAL TO YOUR HEALTH. TAKE REGULAR BREAKS THROUGHOUT THE DAY TO STAND UP, STRETCH, AND MOVE AROUND. USE THE STAIRS INSTEAD OF THE ELEVATOR WHENEVER POSSIBLE. WALK AROUND DURING YOUR LUNCH BREAK. EVEN SHORT BURSTS OF PHYSICAL ACTIVITY CAN SIGNIFICANTLY IMPROVE YOUR CIRCULATION, REDUCE STIFFNESS, AND BOOST YOUR ENERGY LEVELS. CONSIDER INCORPORATING WALKING MEETINGS INTO YOUR SCHEDULE WHENEVER APPROPRIATE.

6. PRIORITIZE SLEEP: RECHARGE AND REFOCUS

ADEQUATE SLEEP IS CRUCIAL FOR OPTIMAL COGNITIVE FUNCTION, MOOD REGULATION, AND OVERALL WELL-BEING. AIM FOR 7-8 HOURS OF QUALITY SLEEP EACH NIGHT. ESTABLISH A REGULAR SLEEP SCHEDULE, EVEN ON WEEKENDS, TO REGULATE YOUR BODY'S NATURAL SLEEP-WAKE CYCLE. CREATE A RELAXING BEDTIME ROUTINE TO HELP YOU UNWIND BEFORE BED. AVOID SCREEN TIME BEFORE BED, AS THE BLUE LIGHT EMITTED FROM ELECTRONIC DEVICES CAN INTERFERE WITH YOUR SLEEP. PRIORITIZING SLEEP WILL DRAMATICALLY IMPROVE YOUR ENERGY LEVELS, FOCUS, AND MOOD, MAKING YOU A MORE PRODUCTIVE AND HAPPIER EMPLOYEE.

7. WORK-LIFE BALANCE: SETTING BOUNDARIES

MAINTAINING A HEALTHY WORK-LIFE BALANCE IS ESSENTIAL FOR PREVENTING BURNOUT AND MAINTAINING YOUR OVERALL WELL-BEING. SET CLEAR BOUNDARIES BETWEEN WORK AND PERSONAL LIFE. AVOID CHECKING WORK EMAILS OR ANSWERING CALLS OUTSIDE OF WORKING HOURS. MAKE TIME FOR HOBBIES AND ACTIVITIES YOU ENJOY. SCHEDULE REGULAR TIME FOR RELAXATION AND REJUVENATION. PRIORITIZE YOUR MENTAL HEALTH BY TAKING BREAKS AND DISCONNECTING REGULARLY. A HEALTHY WORK-LIFE BALANCE ENSURES YOU'RE REFRESHED AND READY TO TACKLE YOUR TASKS EFFECTIVELY, LEADING TO BOTH PERSONAL AND PROFESSIONAL FULFILLMENT.

8. SOCIAL CONNECTION: THE POWER OF COMMUNITY

STRONG SOCIAL CONNECTIONS CONTRIBUTE SIGNIFICANTLY TO OVERALL WELL-BEING. TAKE THE TIME TO CONNECT WITH YOUR COLLEAGUES, BUILD POSITIVE RELATIONSHIPS, AND FOSTER A SENSE OF COMMUNITY WITHIN YOUR WORKPLACE. ENGAGE IN TEAM-BUILDING ACTIVITIES, PARTICIPATE IN SOCIAL EVENTS, AND MAKE AN EFFORT TO GET TO KNOW YOUR COWORKERS ON A PERSONAL LEVEL. A SUPPORTIVE WORK ENVIRONMENT FOSTERS A SENSE OF BELONGING AND REDUCES FEELINGS OF ISOLATION, CONTRIBUTING TO A HEALTHIER AND MORE POSITIVE WORK EXPERIENCE.

CONCLUSION: INVEST IN YOUR WELL-BEING

IMPLEMENTING EVEN A FEW OF THESE HEALTH AND WELLNESS TIPS FOR THE WORKPLACE CAN SIGNIFICANTLY IMPROVE YOUR PHYSICAL AND MENTAL WELL-BEING, LEADING TO INCREASED PRODUCTIVITY, REDUCED STRESS, AND A GREATER SENSE OF HAPPINESS BOTH AT WORK AND AT HOME. REMEMBER THAT INVESTING IN YOUR WELL-BEING IS AN INVESTMENT IN YOUR OVERALL SUCCESS. START SMALL, FOCUS ON CONSISTENCY, AND CELEBRATE YOUR PROGRESS ALONG THE WAY. YOUR HEALTHIER, HAPPIER SELF WILL THANK YOU FOR IT!

FAQs

1. HOW CAN I ENCOURAGE MY EMPLOYER TO PRIORITIZE WORKPLACE WELLNESS? START BY RESEARCHING WELLNESS PROGRAMS OFFERED BY OTHER COMPANIES AND PRESENT THESE OPTIONS TO YOUR HR DEPARTMENT. HIGHLIGHT THE BENEFITS, LIKE INCREASED PRODUCTIVITY AND REDUCED ABSENTEEISM. YOU COULD ALSO PROPOSE A WELLNESS COMMITTEE TO BRAINSTORM INITIATIVES.
1. WHAT IF I DON'T HAVE TIME FOR REGULAR EXERCISE? EVEN SHORT BURSTS OF ACTIVITY THROUGHOUT THE DAY ADD UP. TAKE THE STAIRS, WALK DURING YOUR LUNCH BREAK, OR DO SOME SIMPLE STRETCHES AT YOUR DESK. CONSISTENCY

IS KEY, NOT NECESSARILY HOURS IN THE GYM.

1. MY WORKPLACE IS VERY STRESSFUL. WHAT CAN I DO? PRACTICE MINDFULNESS TECHNIQUES LIKE DEEP BREATHING OR MEDITATION. TALK TO YOUR SUPERVISOR ABOUT YOUR WORKLOAD IF IT'S OVERWHELMING. SEEK PROFESSIONAL HELP IF NEEDED – MANY COMPANIES OFFER EMPLOYEE ASSISTANCE PROGRAMS.
1. HOW CAN I MAKE HEALTHIER FOOD CHOICES AT WORK? PLAN YOUR MEALS AND SNACKS IN ADVANCE. PACK YOUR LUNCH AND HEALTHY SNACKS TO AVOID UNHEALTHY OPTIONS. KEEP HEALTHY OPTIONS READILY AVAILABLE AT YOUR DESK.
1. WHAT IF I STRUGGLE TO SLEEP? ESTABLISH A REGULAR SLEEP SCHEDULE, CREATE A RELAXING BEDTIME ROUTINE, AND AVOID SCREENS BEFORE BED. CONSULT A DOCTOR IF SLEEP PROBLEMS PERSIST. CONSIDER EXPLORING SLEEP HYGIENE TECHNIQUES TO IMPROVE YOUR SLEEP QUALITY.

 **Health and wellness tips for the workplace: The Healthy Workplace** Leigh Stringer, 2016-07-01 Learn how to improve the well-being of your employees that will ultimately boost your company's bottom line. Studies show that unhealthy work habits, like staring at computer screens and rushing through fast-food lunches, are taking a toll in the form of increased absenteeism, lost productivity, and higher insurance costs. But should companies intervene with these individual problems? And if so, how? The Healthy Workplace says yes! Companies that learn how to incorporate healthy habits and practices into the workday for their employees will see such an impressive ROI that they'll kick themselves for not starting these practices sooner. Packed with real-life examples and the latest research, this all-important resource reveals how to: Create a healthier, more energizing environment Reduce stress to enhance concentration Inspire movement at work Support better sleep Heighten productivity without adding hours to the workday Filled with tips for immediate improvement and guidelines for building a long-term plan, The Healthy Workplace proves that a company cannot afford to miss out on the ROI of investing in their employees' well-being.

health and wellness tips for the workplace: Fostering Wellness in the Workplace Bobbi L. Newman, 2022-01-24 Whether you're an administrator or library leader concerned about the health and well-being of your team, or a library worker excited to launch a health and wellness movement in your library, you'll find sensible guidance and inspiration in Newman's handbook. As part of their dedication to improving the lives of their patrons, libraries have long offered services, programs, and outreach dedicated to the health and wellness of their communities. There is a growing recognition that library workers themselves are in urgent need of such attention; low morale, and complaints of burnout and a toxic work environment, are only a few of the obvious symptoms. The good news is that by turning inward, libraries can foster wellness in their workplace and make a real difference in the day-to-day lives of their staff. Newman, who has led a popular course on the subject attended by workers from many types of different libraries, here takes a holistic approach to examine why and how libraries should focus on improving the health and wellness of employees. Filled with hands-on advice, examples of successful initiatives, and suggested action steps, in this book readers will learn how to define health and wellness, including its physical, psychological, and social aspects, and why they touch upon nearly everything that happens in the

workplace; what a workplace looks like when it strives to ensure the complete physical, mental, and social well-being of workers, and the ways in which this approach to a work environment benefits both the library and the community it serves; the role played by the physical aspects of the workplace, such as the ergonomics of sitting and standing desks, the effects of air quality and smell on worker health and productivity, and noise levels stemming from open plan workspaces; about key policies relating to wages, working schedules, where employees work, and child and elder care; real-world advice on addressing complicated workplace issues like emotional and invisible labor, with a look at the part that burdensome or indifferent policies and practices can play in contributing to compassion fatigue and burnout; ways to make healthy choices for oneself and encourage healthy choices in co-workers and staff; concrete, evidence-based steps that libraries can take to improve workplace wellness; how to make a lasting difference by focusing on one aspect they can change personally and one that they can advocate changing library wide.

health and wellness tips for the workplace: Workplace Wellness that Works Laura Putnam, 2015-06-08 A smarter framework for designing more effective workplace wellness programs Workplace Wellness That Works provides a fresh perspective on how to promote employee well-being in the workplace. In addressing the interconnectivity between wellness and organizational culture, this book shows you how to integrate wellness into your existing employee development strategy in more creative, humane, and effective ways. Based on the latest research and backed by real-world examples and case studies, this guide provides employers with the tools they need to start making a difference in their employees' health and happiness, and promoting an overall culture of well-being throughout the organization. You'll find concrete, actionable advice for tackling the massive obstacle of behavioral change, and learn how to design and implement an approach that can most benefit your organization. Promoting wellness is a good idea. Giving employees the inspiration and tools they need to make changes in their lifestyles is a great idea. But the billion-dollar question is: what do they want, what do they need, and how do we implement programs to help them without causing more harm than good? Workplace Wellness That Works shows you how to assess your organization's needs and craft a plan that actually benefits employees. Build an effective platform for well-being Empower employees to make better choices Design and deliver the strategy that your organization needs Drive quantifiable change through more creative implementation Today's worksite wellness industry represents a miasma of competing trends, making it nearly impossible to come away with tangible solutions for real-world implementation. Harnessing a broader learning and development framework, Workplace Wellness That Works skips the fads and shows you how to design a smarter strategy that truly makes a difference in employees' lives—and your company's bottom line.

health and wellness tips for the workplace: Corporate Wellness Programs Ronald J. Burke, Astrid M. Richardsen, 2014-11-28 Corporate Wellness Programs offers contributions from international experts, examining the planning, implementation and evaluation of wellness initiatives in organizations, and offering guidance on how to introduce these programs in to the workplace.

This important guide: Explains why understanding mental health is important and its impact on businesses and employees Discusses why and how to promote mental health in the workplace and the importance of having an effective 'wellbeing strategy' Provides guidance on managing staff experiencing mental ill health Addresses dealing with employee stress and anxiety Features resources for further support if experiencing mental health issues Mental Health & Wellbeing in the Workplace is a valuable resource for those in the workplace wanting to look after their physical and mental wellbeing, and those looking for guidance in managing staff with mental health issues.

health and wellness tips for the workplace: Fitness 9 to 5 Shirley Archer, 2013-01-11 The latest trend in fitness for the overworked and underexercised? The office cubicle, of course! Fitness 9 to 5 is the perfect antidote to long hours hunched over a desk and missed dates with the gym. This handy book features 75 quick and easy exercises that can be performed discreetly while sitting at a desk, standing at a file cabinet, and even on the morning commute. Coffee Pot Curls in the kitchenette build up biceps, while Stairwell Bun Blasters are sure to improve the bottom line. And stress-busters for tired eyes and wrists keep computer fatigue at bay. A calorie count is provided for each exercise, so it's easy to see how simple changes can shed pounds. With charming illustrations and step-by-step instructions, Fitness 9 to 5 is the best defense against the office candy jar.

health and wellness tips for the workplace: Wellness by Design Jamie Gold, 2020-09-01 Design your home to optimize your healthy lifestyle with this room-by-room guide from certified kitchen designer and wellness design consultant Jamie Gold. Residential designer Jamie Gold has spent years exploring how simple changes to things like lighting, fixtures, storage, and outdoor space can impact our health and wellness. In Wellness by Design, Gold offers a room-by-room guide to refreshing your space so that it supports your wellness journey. Good news, it doesn't require a yoga room and can be done in small apartments as well as large houses. This book explains how simple changes can make a huge difference in how you feel every day. You'll learn: - How to maximize accessibility and organization in your kitchen for faster, healthier, and more delicious meals. - How to make easy fixes to your ventilation system to help ease symptoms of asthma and allergies - How to optimize your home office to eliminate back, neck, and foot pain. - How to enhance your bathroom tub and shower spaces to support fitness goals and simplify family life. - And much more! It's time for your home to work as hard as you do to support your health. With the right organization and interior design, your home can help you maintain and improve your health in a variety of ways, from improving health and preventing disease to encouraging clean eating, sustainable living, safety, fitness, serenity, and joy. Whether you're building your dream home or decorating your new rental, this book will help you keep your fitness goals and stay on track for a long and healthy life.

health and wellness tips for the workplace: Your Work Wellness Toolkit Ellen Bard, 2022-01-11 A gentle and positive interactive book, written by a Chartered Occupational Psychologist, presenting a toolkit for people struggling with burnout, fatigue, lack of motivation at work. An interactive journal showing the reader how to feel better at work, be more productive, more positive, more resilient. The book is illustrated throughout with interactive activities, journal prompts and a structured programme of self-care for the workplace. Burnout is described by the WHO as: feelings of energy depletion or exhaustion; increased mental distance from your job, or feelings of negativism or cynicism related to your job; reduced professional efficacy. All of these things can be prevented with conscious attention to creating better workplace habits, rituals and routines. Your Work Wellness Toolkit will present guidance to curate your own wellness plan to thrive at work. Too many of us are struggling with managing the mental health load of working remotely, and boundaries between work and life are more blurred than ever before. This book not only offers thorough and clinically backed-up guidance, but also space to make plans and accountability within that guidance, to put it into action.

health and wellness tips for the workplace: The Psychologically Healthy Workplace Matthew J. Grawitch, David W. Ballard, 2016 This book examines the complex interplay between employees and management, to determine how a psychologically healthy workplace is constructed and maintained.

health and wellness tips for the workplace: Wellbeing: The Five Essential Elements Tom Rath, James K. Harter, 2010-05-04 Shows the interconnections among the elements of well-being, how they cannot be considered independently, and provides readers with a research-based approach to improving all aspects of their lives.

health and wellness tips for the workplace: Workplace Wellness Rose Karlo Gantner Ed.D., 2012-03-01 Workplace Wellness is a guide for business leaders, managers, and consultants who want to decrease health care costs even as they improve employee productivity, satisfaction, and health conditions. -- from xi

health and wellness tips for the workplace: *The Wellness Syndrome* Carl Cederström, Andre Spicer, 2015-02-04 Not exercising as much as you should? Counting your calories in your sleep? Feeling ashamed for not being happier? You may be a victim of the wellness syndrome. In this ground-breaking new book, Carl Cederström and André Spicer argue that the ever-present pressure to maximize our wellness has started to work against us, making us feel worse and provoking us to withdraw into ourselves. The Wellness Syndrome follows health freaks who go to extremes to find the perfect diet, corporate athletes who start the day with a dance party, and the self-trackers who monitor everything, including their own toilet habits. This is a world where feeling good has become indistinguishable from being good. Visions of social change have been reduced to dreams of individual transformation, political debate has been replaced by insipid moralising, and scientific evidence has been traded for new-age delusions. A lively and humorous diagnosis of the cult of wellness, this book is an indispensable guide for everyone suspicious of our relentless quest to be happier and healthier.

health and wellness tips for the workplace: 30 Quick Tips for Better Health Don VerHulst, 2013-03-05 DIV 30 Quick Tips for Better Health gives you a guide to great health, broken down into thirty short, easy-to-read tidbits that are easy to put into practice./div

health and wellness tips for the workplace: *Transforming Workplace Wellness* Cw Margaret Stockley Rn, 2016-02-08 Transforming Workplace Wellness: Practical Strategies to Inspire Sustainable Change provides the latest evidence-based information needed to create and maintain a successful holistic wellness program. As change agents, members of the wellness team are charged with developing creative strategies that inspire, engage, and initiate positive behavior-change. Transforming Workplace Wellness equips teams to be creative in their methodology and combine winning content with engaging events. The result is an immensely readable book that provides innovative content and practical takeaways for today's wellness programs. It offers a practical, mainstream approach that will appeal to a broad range of professionals who can benefit from reading this book, regardless of the size of their organization or industry. In addition to expanding on the methodology and business processes, Transforming Workplace Wellness Programs includes: Evidence-based strategies to motivate and engage employees and assist teams who are developing a new program as well as those who want to incorporate fresh ideas to an existing program Program components, incentives, coaching, work-flow, and data evaluation to improve performance of interventions 101 low-to-no-cost ideas to support and promote a strategy for organizational effectiveness and economic resilience plus an index of resources

health and wellness tips for the workplace: Resilience (HBR Emotional Intelligence Series) Harvard Business Review, Daniel Goleman, Jeffrey A. Sonnenfeld, Shawn Achor, 2017-04-18 How to be resilient in a professional setting. How do some people bounce back with vigor from daily setbacks, professional crises, or even intense personal trauma? This book reveals the key traits of those who emerge stronger from challenges, helps you train your brain to withstand the stresses of daily life, and presents an approach to an effective career reboot. This volume includes the work of: Daniel Goleman Jeffrey A. Sonnenfeld Shawn Achor This collection of articles includes "How

Resilience Works," by Diane Coutu; "Resilience for the Rest of Us," by Daniel Goleman; "How to Evaluate, Manage, and Strengthen Your Resilience," by David Kopans; "Find the Coaching in Criticism," by Sheila Heen and Douglas Stone; "Firing Back: How Great Leaders Rebound After Career Disasters," by Jeffrey A. Sonnenfeld and Andrew J. Ward; and "Resilience Is About How You Recharge, Not How You Endure," by Shawn Achor and Michelle Gielan. How to be human at work. The HBR Emotional Intelligence Series features smart, essential reading on the human side of professional life from the pages of Harvard Business Review. Each book in the series offers proven research showing how our emotions impact our work lives, practical advice for managing difficult people and situations, and inspiring essays on what it means to tend to our emotional well-being at work. Uplifting and practical, these books describe the social skills that are critical for ambitious professionals to master.

health and wellness tips for the workplace: Healthy Habits Suck Dayna Lee-Baggley, 2019-07-01 A realistic read that will prod even the most stubborn fast-food eating couch potato to take action toward a healthier lifestyle. —Library Journal Salad instead of steak? Working out? Skipping that second beer or glass of wine? Healthy habits are THE WORST. If you're someone who gets up every morning and can't wait for your run, considers eating sweet potatoes a splurge, and sets aside thirty minutes before work to meditate—this book isn't for you. If you're someone who thinks about getting up to go for a run but goes back to sleep, regrets last night's dinner of fast food, and can barely get to work on time—let alone meditate—then this book will help you find the motivation you've been looking for to live your healthiest life, even when you don't want to. With this funny, in-your-face guide, you won't find advice on how to "enjoy" exercise, or tips for making broccoli and kale taste as good as donuts and ice cream. What you will find are solid skills to help you actually do the healthy things you know you should be doing. Using these skills—based in acceptance and commitment therapy (ACT) and neuroscience—you'll learn to find the motivation you're really craving to adopt healthy habits, even if they do suck. You'll also discover how to accept self-criticism, develop self-compassion, and live a more meaningful life. This book not only acknowledges that many healthy habits suck, it uses science to explain why we want the things we want (junk food), crave the things we crave (sugar), and dislike the things we dislike (exercise). At the end, you'll feel validated in feeling like these things are the absolute worst. But you'll also find the motivation to do them anyway.

health and wellness tips for the workplace: Managing Stress in the Workplace Institute of Leadership & Management, 2010-05-14 Super series are a set of workbooks to accompany the flexible learning programme specifically designed and developed by the Institute of Leadership & Management (ILM) to support their Level 3 Certificate in First Line Management. The learning content is also closely aligned to the Level 3 S/NVQ in Management. The series consists of 35 workbooks. Each book will map on to a course unit (35 books/units).

health and wellness tips for the workplace: Wellbeing at Work Jim Clifton, Jim Harter, 2021-06-01 What if the next global crisis is a mental health pandemic? It is here now. One-third of Americans have shown signs of clinical anxiety or depression, and the current state of suffering globally has risen significantly. The mental health pandemic manifests everywhere, not least in your workplace. As organizations around the world face health and social crises, as well as economic uncertainty, acknowledging and improving wellbeing in your workplace is more critical than ever. Increasingly, leaders and managers must support mental health and cultivate resilience in employees — not just increase engagement and performance. Based on more than 100 million Gallup global interviews, Wellbeing at Work shows you how to do just that. Coauthored by Gallup's CEO and its Chief Workplace Scientist, Wellbeing at Work explores the five key elements of wellbeing — career, social, financial, physical and community — and how organizations can help employees and teams thrive in those elements. The book also gives leaders ideas and action items to help employees use their innate talents and strengths to thrive in each of the wellbeing elements. And Wellbeing at Work introduces a metric to report a person's best possible life: Gallup Net Thriving, which will become the "other stock price" for organizations. In a world where work and life are more blended

than ever, maximizing employee wellbeing takes on greater urgency. Wellbeing at Work shows leaders how to create a thriving and resilient culture. If you and your leaders don't change the world, who will? Wellbeing at Work includes a unique code to take the CliftonStrengths assessment, which reveals your top five strengths.

health and wellness tips for the workplace: Workplace Wellness Programs Study Soeren Mattke, Hangsheng Liu, John P. Caloyeras, Christina Y. Huang, Kristin R. Van Busum, 2013 The report investigates the characteristics of workplace wellness programs, their prevalence and impact on employee health and medical cost, facilitators of their success, and the role of incentives in such programs. The authors employ four data collection and analysis streams: a literature review, a survey of employers, a longitudinal analysis of medical claims and wellness program data from a sample of employers, and five employer case studies.

health and wellness tips for the workplace: The Wellness Remodel Christina Anstead, Cara Clark, 2020-04-14 The star of HGTV's Flip or Flop Christina Anstead partners with celebrity nutritionist Cara Clark to help women remodel their lives—in mind, body and spirit. Christina Anstead, star of HGTV's Flip or Flop and Christina on the Coast, is known for her boundless energy, positive attitude, and radiant looks. But what was hidden from fans of her popular television shows was a very real health crisis, including a diagnosis of autoimmune disease, infertility, and the emotional and physical exhaustion of going through a divorce with two young children—all in the public eye. The stress of managing it all wreaked even more havoc on her already strained body. It wasn't until Christina met nutritionist Cara Clark that she discovered a path that allowed her to regain her health and heal in body and mind. In The Wellness Remodel, Christina chronicles her health journey and shares what she's learned about the importance of creating balance and prioritizing physical and mental self-care. Divided into three parts—"Gut Rehab" (food and nutrition); "Building a Strong Foundation" (exercise); and "The Rewire" (mindfulness)—the book will be an accessible guide to full-body wellness, offering simple strategies anyone can put into action for immediate results. Christina and Cara will also share their simple cooking strategies built for the real world of working parents and busy weeknights, including sixty of their favorite recipes, complete with beautiful photos and easy-to-follow instructions. Inspiring, informative, fun, and empowering, The Wellness Remodel will give readers everything they need to nourish the body, keep it strong, and help their spirit flourish.

health and wellness tips for the workplace: Too Tired to Cook Audra Starkey, 2019-08-02 Imagine a world where hospitals closed at 5 p.m., where trains and buses stopped at the end of the day, and where emergency service calls were directed to voicemail with the setting of the sun. Despite our reliance on these services, there is very little help and support available to those who deliver them—until now. In this compelling book, Audra Starkey educates her readers on how to mitigate some of the adverse health effects of being awake when everyone else is winding down their day or sleeping. Learn how to: • implement relaxation techniques at the end of a shift instead of relying on medications to fall asleep; • lose weight and minimise weight fluctuations by focusing not only on what to eat, but also when; • reduce some of the debilitating effects of stress, anxiety and depression which can lead to burnout; and • navigate disruptions to your personal and social life. The fact is the world needs people to work 24/7, but if you're one of them—you need to stay healthy too. Arm yourself with valuable information to nurture your mind, body, and spirit with the lessons and strategies in Too Tired to Cook.

health and wellness tips for the workplace: Workout to Go National Institute on Aging (U.S.), 2016-02-06 Are you just starting to exercise? Getting back into a routine after a break? Wanting to keep up your physical activities away from home? The 13 exercises in this sample workout can help. In this booklet, you'll find easy-to-follow strength, balance, and flexibility exercises that you can do anytime, anywhere. For more exercises and information, see Exercise & Physical Activity: Your Everyday Guide from the National Institute on Aging (PDF ISBN: 9780160930096), or check out the resources offered through Go4Life®, an exercise and physical activity campaign from the National Institute on Aging at NIH (go4life.nia.nih.gov). health and wellness tips for the workplace: *Thrive* Arianna Huffington, 2014-03-25 In *Thrive*, Arianna Huffington makes an impassioned and compelling case for the need to redefine what it means to be successful in today's world. Arianna Huffington's personal wake-up call came in the form of a broken cheekbone and a nasty gash over her eye--the result of a fall brought on by exhaustion and lack of sleep. As the cofounder and editor-in-chief of the Huffington Post Media Group--one of the fastest growing media companies in the world--celebrated as one of the world's most influential women, and gracing the covers of magazines, she was, by any traditional measure, extraordinarily successful. Yet as she found herself going from brain MRI to CAT scan to echocardiogram, to find out if there was any underlying medical problem beyond exhaustion, she wondered is this really what success feels like? As more and more people are coming to realize, there is far more to living a truly successful life than just earning a bigger salary and capturing a corner office. Our relentless pursuit of the two traditional metrics of success--money and power--has led to an epidemic of burnout and stress-related illnesses, and an erosion in the quality of our relationships, family life, and, ironically, our careers. In being connected to the world 24/7, we're losing our connection to what truly matters. Our current definition of success is, as *Thrive* shows, literally killing us. We need a new way forward. In a commencement address Arianna gave at Smith College in the spring of 2013, she likened our drive for money and power to two legs of a three-legged stool. They may hold us up temporarily, but sooner or later we're going to topple over. We need a third leg--a third metric for defining success--to truly thrive. That third metric, she writes in *Thrive*, includes our well-being, our ability to draw on our intuition and inner wisdom, our sense of wonder, and our capacity for compassion and giving. As Arianna points out, our eulogies celebrate our lives very differently from the way society defines success. They don't commemorate our long hours in the office, our promotions, or our sterling PowerPoint presentations as we relentlessly raced to climb up the career ladder. They are not about our resumes--they are about cherished memories, shared adventures, small kindnesses and acts of generosity, lifelong passions, and the things that made us laugh. In this deeply personal book, Arianna talks candidly about her own challenges with managing time and prioritizing the demands of a career and raising two daughters--of juggling business deadlines and family crises, a harried dance that led to her collapse and to her aha moment. Drawing on the latest groundbreaking research and scientific findings in the fields of psychology, sports, sleep, and physiology that show the profound and transformative effects of meditation, mindfulness, unplugging, and giving, Arianna shows us the way to a revolution in our culture, our thinking, our workplace, and our lives.

health and wellness tips for the workplace: *Willpower For Dummies* Frank Ryan, 2014-08-11 Develop rock-solid willpower with evidence-based techniques *Willpower For Dummies* shows you how to train, strengthen, and improve your willpower in seven easy steps! Written by a clinical psychologist and cognitive therapist, the book proves that willpower can be learned like any other skill, and provides tons of practical exercises and strategies you can start using today. You'll learn how willpower works inside the brain, and how choosing goals and identifying challenges can affect your success. The book stresses the importance of patience, rewards and being kind to yourself, and walks you through the techniques that will keep you on the right track, even on your worst days. The mind works in two different ways: the long view and the short view. Controlling which aspect wins out is the key to willpower. *Willpower For Dummies* breaks this complex science down into easily digestible bits, written in plain English with a dash of humour. You'll find scientifically robust guidance toward strengthening your willpower just like a muscle, and expert advice on training your brain to work with you instead of against you. Discover the most important factors in building

self-discipline Learn how to set goals and how to train your willpower Practice simple willpower-strengthening exercises Employ coping strategies for when you're about to break Whether you're trying to lose weight, quit smoking or just work harder, rest assured that you can do it—regardless of past failures and false starts. Willpower is not a trait, but a skill. Everyone can learn it, and everyone can make it stronger. Willpower For Dummies walks you through the process, teaching you the skills you need for lasting success.

health and wellness tips for the workplace: Resilience at Work Salvatore R. MADDI, Deborah M. KHOSHABA, 2005-03-04 This useful resource gives you the knowledge, tools, and encouragement you need to embark on your journey to becoming a hardier, more successful person. More than experience or training, resilience in the face of stressful situations and rapid changes determines whether you ultimately succeed or fail in the workplace. It allows you to thrive even in tumultuous conditions, to turn potential disasters into growth opportunities. The good news for the legions of other workers who become overwhelmed by stress is that resilience in the face of life's problems is not an inborn personality trait, but a set of skills and attitudes that you can learn and develop. Packed with insightful examples, case studies, and self-assessment tools, *Resilience at Work* explains how to: Approach change as a meaningful challenge no matter how stressful the circumstances, and stay committed to your work, rather than detaching and giving up. Gain control by understanding the upside and the downside of change, and take actions to influence beneficial outcomes. Turn stressful changes to your advantage and map out sound problem-solving strategies. Resolve ongoing conflicts and build an environment of assistance and encouragement between you and your coworkers. Decrease feelings of isolation and powerlessness by understanding the 3Cs that give you the ability to thrive amid disruptive changes: commitment, control, and challenge. Reorganization, downsizing, mergers, budget pressures, transfers, job insecurity, and more are producing today's unpredictable, pressure-cooker conditions, and making it harder for less resilient people to achieve the success they deserve. *Resilience at Work* supplies insights and strategies you can use to combat your fear of change and uncover the opportunities that can be found in even the most stressful situations.

health and wellness tips for the workplace: Great at Work Morten T. Hansen, 2019-09-03 The Wall Street Journal bestseller—a Financial Times Business Book of the Month and named by The Washington Post as “One of the 11 Leadership Books to Read in 2018”—is “a refreshingly data-based, clearheaded guide” (Publishers Weekly) to individual performance, based on a groundbreaking study. Why do some people perform better at work than others? This deceptively simple question continues to confound professionals in all sectors of the workforce. Now, after a unique, five-year study of more than 5,000 managers and employees, Morten Hansen reveals the answers in his “Seven Work Smarter Practices” that can be applied by anyone looking to maximize their time and performance. Each of Hansen's seven practices is highlighted by inspiring stories from individuals in his comprehensive study. You'll meet a high school principal who engineered a dramatic turnaround of his failing high school; a rural Indian farmer determined to establish a better way of life for women in his village; and a sushi chef, whose simple preparation has led to his unassuming restaurant being awarded the maximum of three Michelin stars. Hansen also explains how the way Alfred Hitchcock filmed *Psycho* and the 1911 race to become the first explorer to reach the South Pole both illustrate the use of his seven practices. Each chapter “is intended to inspire people to be better workers...and improve their own work performance” (Booklist) with questions and key insights to allow you to assess your own performance and figure out your work strengths, as well as your weaknesses. Once you understand your individual style, there are mini-quizzes, questionnaires, and clear tips to assist you focus on a strategy to become a more productive worker. Extensive, accessible, and friendly, *Great at Work* will help us “reengineer our work lives, reduce burnout, and improve performance and job satisfaction” (Psychology Today).

health and wellness tips for the workplace: Perceived Organizational Support Robert Eisenberger, Florence Stinglhamber, 2011 Today's constantly changing work environment is fraught with job uncertainty, frequent mergers and acquisitions, and a general breakdown of trust between

employer and employee. More than ever, it is critical for managers to proactively shift away from devaluing employees as marginal capital to empowering them as human capital. Perceived organizational support-employees' perception of how much an organization values their contribution and cares about their well-being-mutually benefits both employees and their organizations and is integral to sustainable employer-employee relationships. Using organizational support theory and evidence gathered from hundreds of studies, Eisenberger and Stinglhamber demonstrate how perceived organizational support affects employees' well-being, the positivity of their orientation toward the organization and work, and behavioral outcomes favorable to the organization. The authors illustrate these findings with employee experiences and strategic approaches of major organizations such as Southwest Airlines, Wal-Mart, Costco, and Google. Organizational psychologists, management consultants, managers, and graduate students will obtain a clear understanding of perceived organizational support and the practical knowledge needed to foster its development and positive outcomes.

health and wellness tips for the workplace: The Surgeon General's Call to Action to Improve the Health and Wellness of Persons with Disabilities United States. Public Health Service. Office of the Surgeon General, 2005

health and wellness tips for the workplace: Educator Wellness Timothy D. Kanold, Tina H. Boogren, 2021-09-24 Educator and teacher wellness is a personal journey. And like all journeys, there are starts, stops, and bumps in the road. The question becomes, how do we bring our best selves to our students and colleagues each day? Designed as a reflective journal and guidebook, *Educator Wellness* by Timothy D. Kanold and Tina H. Boogren will take you on a deep exploration where you will uncover profound answers that ring true for you. Rely on this book of ideas for self-care for educators and develop ongoing habits for wellness: Use this resource on your own or as a book study to guide staff through a reflective, goal-setting process. Observe the importance of self-care for teachers and other educators and how a commitment to daily self-care and well-being leads to a more fulfilling, successful life in and outside of the school setting. Review the four dimensions of educator self-care and wellness--(1) physical, (2) mental, (3) emotional, and (4) social--and 12 corresponding routines. Explore self-care activities for teachers and educators to sustain well-being in the face of workplace overload and potential burnout. Use the My Wellness Action journaling spaces designed to encourage thoughtful reflection to wellness and self-care plans for teachers and educators. Learn how to monitor your self-care progress and design an actionable wellness plan for next steps. View videos that highlight the authors' personal experiences with the four dimensions of educator or teacher well-being. Access the Educator Wellness--Rating, Reflecting, Planning, and Goal-Setting protocol. Contents: About the Authors Introduction Chapter 1: The Physical Wellness Dimension Chapter 2: The Mental Wellness Dimension Chapter 3: The Emotional Wellness Dimension Chapter 4: The Social Wellness Dimension

health and wellness tips for the workplace: Nurses With Disabilities Leslie Neal-Boylan, 2012-10-12 This is the first research-based book to confront workplace issues facing nurses who have disabilities. It not only examines in depth their experiences, roadblocks to successful employment, and misperceptions surrounding them, but also provides viable solutions for creating positive attitudes towards them and a welcoming work environment that fosters hiring and retention. From the perspectives and actual voices of nurses with disabilities, nurse leaders, nurse administrators, and patients, the book identifies nurses with disabilities (including sensory, musculoskeletal, emotional, and mental health issues), discusses why they choose to leave nursing or hide their disabilities, and analyzes how their disabilities may influence career choices.

health and wellness tips for the workplace: The Stop & Go Fast Food Nutrition Guide Steven G. Aldana, 2007 The Stop & Go Fast Food Nutrition Guide shows you how to navigate the fast food maze and choose foods that are actually good for you. The guide uses the colors of the stop light (red, yellow, and green) to help individuals choose foods that lead toward or away from good

health. The Stop & Go Fast Food Nutrition Guide is the only guide that shows you how to navigate the fast food maze and identify fast foods that are actually good for you. With the help of a nationally recognized panel of nutrition experts, Dr. Aldana has color coded almost 3,500 fast foods from 68 different restaurants. Now you can sort through the fast food maze and select the healthy foods and avoid the unhealthy ones. Keep the guide in your glove box for easy access.

health and wellness tips for the workplace: *Get the Guy* Matthew Hussey, 2013-04-09 Most dating books tell you what NOT to do. Here's a book dedicated to telling you what you CAN do. In his book, *Get the Guy*, Matthew Hussey—relationship expert, matchmaker, and star of the reality show *Ready for Love*—reveals the secrets of the male mind and the fundamentals of dating and mating for a proven, revolutionary approach to help women to find lasting love. Matthew Hussey has coached thousands of high-powered CEOs, showing them how to develop confidence and build relationships that translate into professional success. Many of Matthew's male clients pressed him for advice on how to apply his winning strategies not to just get the job, but how to get the girl. As his reputation grew, Hussey was approached by more and more women, eager to hear what he had learned about the male perspective on love and romance. From landing a first date to establishing emotional intimacy, playful flirtation to red-hot bedroom tips, Matthew's insightfulness, irreverence, and warmth makes *Get the Guy: Learn Secrets of the Male Mind to Find the Man You Want and the Love You Deserve* a one-of-a-kind relationship guide and the handbook for every woman who wants to get the guy she's been waiting for.

I'm really excited to start our journey together! Let's get started! All the best Jim

health and wellness tips for the workplace: *Mental Health Policies and Programmes in the Workplace* World Health Organization, 2005 Work substantially contributes to one's identity. It provides income for an individual and their family and gives the feeling of playing a useful role in society. However, the nature of work is changing rapidly and factors such as the globalization of markets, urbanization and migration, and the advancements in information technology are impacting on the nature of work and the health and mental health of employees. This module outlines the types of mental health problems encountered in the workplace, their causes and impact. Importantly, it provides guidance to workplaces on how to develop and implement a workplace mental health policy and strategies to improve the mental health of employees. Also available: WHO Mental Health Policy and Service Guidance Package--14 modules Other modules included in the package: Improving Access and Use of Psychotropic Medicines Child and Adolescent Mental Health Policies and Plans Mental Health Policy, Plans and Programmes. Updated version Mental Health Context Mental Health Financing Advocacy for Mental Health Quality Improvement for Mental Health Organization of Services for Mental Health Planning and Budgeting to Deliver Services for Mental Health Mental Health Legislation and Human Rights Mental Health Information Systems Human Resources and Training in Mental Health Monitoring and Evaluation of Mental Health Policies and Plans

health and wellness tips for the workplace: *Dying for a Paycheck* Jeffrey Pfeffer, 2018 In this timely, provocative book, Jeffrey Pfeffer contends that many modern management commonalities such as long hours, work-family conflict, and economic insecurity are toxic to employees--hurting engagement, increasing turnover, and destroying people's physical and emotional health--while also being inimical to company performance. He argues that human sustainability should be as important as environmental stewardship. You don't have to do a physically dangerous job to confront a health-destroying, possibly life-threatening workplace....In *Dying for a Paycheck*, Jeffrey Pfeffer marshals a vast trove of evidence and numerous examples from all over the world to expose the infuriating truth about modern work life: even as organizations allow management practices that actually sicken and kill their employees, those policies do not enhance productivity or the bottom line, thereby creating a lose-lose situation. Exploring a range of important topics, including layoffs, health insurance, work-family conflict, work hours, job autonomy, and why people remain in toxic environments, Pfeffer offers guidance and practical solutions that all of us--employees, employers, and the government--can use to enhance workplace well-being. We must wake up to the dangers and enormous costs to today's workplace, Pfeffer argues. *Dying for a Paycheck* is a clarion call for a social movement focused on human sustainability. Pfeffer makes clear that the environment we work in is just as important as the one we live in, and with this urgent book he opens our eyes and shows how we can make our workplaces healthier and better.--jacket flaps
