Health Coach Corporate Wellness: Boosting Employee Wellbeing and Productivity

Are you a business leader looking to improve employee health, boost productivity, and reduce healthcare costs? Then you've come to the right place. This comprehensive guide explores the vital role of a health coach corporate wellness program in achieving these crucial goals. We'll delve into the benefits, implementation strategies, and the overall positive impact on your company's bottom line and employee morale. Get ready to discover how integrating a health coach into your corporate wellness strategy can transform your workplace culture and foster a healthier, happier workforce.

Understanding the Power of Health Coach Corporate Wellness Programs

Corporate wellness programs are no longer a luxury; they're a necessity in today's competitive business landscape. Employees are increasingly prioritizing their wellbeing, and forward-thinking companies are recognizing the symbiotic relationship between employee health and business success. A health coach corporate wellness program takes this a step further, providing personalized guidance and support to help employees achieve their individual health goals. Instead of generic wellness initiatives, a health coach offers a tailored approach, fostering deeper engagement and long-term behavioral change.

The Key Benefits of Integrating a Health Coach into Your Wellness Program

The advantages of incorporating a health coach into your corporate wellness strategy are numerous and impactful:

Improved Employee Health and Wellbeing: Health coaches work directly with employees to address specific health concerns, whether it's weight management, stress reduction, improved sleep, or better nutrition. This personalized approach leads to significant improvements in overall health metrics.

Increased Productivity and Reduced Absenteeism: Healthier employees are more productive employees. By reducing stress, improving energy levels, and preventing illness, a health coach corporate wellness program directly contributes to increased productivity and a reduction in sick days.

Lower Healthcare Costs: Preventing health problems is far more cost-effective than treating them. A proactive approach to employee wellness, facilitated by a health coach, can significantly reduce healthcare expenses in the long run.

Enhanced Employee Engagement and Morale: Employees feel valued when their employer invests in their wellbeing. A health coach corporate wellness program demonstrates a commitment to employee care, leading to increased job satisfaction, loyalty, and improved morale.

Improved Company Culture and Reputation: A strong commitment to employee wellness attracts and retains top talent. Companies known for their supportive wellness programs build a positive reputation, enhancing their brand image and attracting high-quality candidates.

Reduced Risk of Chronic Diseases: Proactive health coaching helps employees manage risk factors for chronic diseases like heart disease, diabetes, and obesity, leading to long-term health improvements and reduced healthcare burdens.

How to Successfully Implement a Health Coach Corporate Wellness Program

Implementing a successful health coach corporate wellness program requires careful planning and execution. Here's a step-by-step guide:

1. **Needs Assessment:** Begin by assessing your employees' health needs and preferences. Surveys, focus groups, and health screenings can provide valuable data to inform your program design.
1. **Program Design and Goal Setting:** Based on your needs assessment, develop a comprehensive program that addresses specific health priorities. Set measurable goals to track progress and demonstrate the program's effectiveness.
1. **Selecting a Qualified Health Coach:** Choose a health coach with experience in corporate wellness and a proven track record of success. Look for certifications and qualifications that ensure their expertise.
1. **Program Launch and Employee Engagement:** Effectively communicate the program's benefits to employees and encourage participation. Offer incentives and create a supportive environment to maximize engagement.
1. **Ongoing Monitoring and Evaluation:** Regularly monitor program participation and outcomes. Track key metrics such as employee health improvements, productivity

gains, and healthcare cost reductions. Adapt the program based on data analysis and employee feedback.

Choosing the Right Health Coach for Your Organization

Finding the right health coach is crucial for the success of your health coach corporate wellness program. Consider these factors:

Experience and Qualifications: Look for certifications from reputable organizations, such as the American College of Lifestyle Medicine (ACLM) or the Board for Certification of Holistic Health Coaches (BCHHC).

Specialization: Some health coaches specialize in specific areas, such as weight management, stress reduction, or nutrition. Choose a coach whose expertise aligns with your employees' needs.

Communication Style and Personality: The health coach should be able to connect with your employees on a personal level and build rapport. Consider their communication style and personality to ensure a good fit.

Program Customization: A good health coach will be able to tailor their approach to your company's specific needs and goals.

Technology and Resources: Inquire about the technology and resources the health coach uses to support their coaching sessions, such as online platforms, apps, and tracking tools.

Measuring the ROI of Your Health Coach Corporate Wellness Program

Measuring the return on investment (ROI) of your health coach corporate wellness program is essential to justify its continued implementation and secure ongoing support. Track key metrics such as:

Healthcare cost reductions: Compare healthcare claims before and after program implementation.

Improved productivity: Monitor employee absenteeism rates and productivity levels.

Increased employee engagement: Conduct employee satisfaction surveys to assess the program's impact on morale and job satisfaction.

Reduced risk factors: Track changes in employees' blood pressure, cholesterol levels, and other relevant health metrics.

Conclusion

Investing in a health coach corporate wellness program is a strategic decision that yields substantial returns. By prioritizing employee wellbeing, you're not only improving the health and happiness of your workforce but also boosting productivity, reducing healthcare costs, and enhancing your company's overall success. Start planning your program today and reap the rewards of a healthier, more productive, and engaged workforce.

FAQs

1. How much does a health coach corporate wellness program cost? The cost varies depending on factors like the number of employees, the scope of the program, and the health coach's fees. Getting quotes from several health coaches is recommended to determine a suitable budget.
1. How do I measure the success of my health coach corporate wellness program? Track key metrics like employee participation rates, healthcare cost reductions, improvements in health indicators (e.g., BMI, blood pressure), and employee feedback through surveys.
1. What if my employees aren't interested in participating? Promote the program's benefits effectively, offer incentives, make participation convenient, and consider offering different program options to cater to varied interests and needs.
1. Can a health coach address mental health concerns? While a health coach isn't a therapist, they can provide support for stress management, mindfulness techniques, and healthy coping mechanisms. They'll refer employees to mental health professionals when necessary.
1. How long does it take to see results from a health coach corporate wellness program? Results vary depending on individual goals and commitment. Some employees might see improvements quickly, while others may require more time. Consistent participation and support are key to achieving long-term results.

health coach corporate wellness: [How to Be a Health Coach](#) Meg Jordan, 2013-08-29 This step-by-step manual offers the essentials of health coaching methodology, along with integrative wellness principles, theoretical frameworks, evidence-based models, coaching session formats, and

practice tools. Readers also learn effective mind-body techniques to become extraordinary health coaches.

health coach corporate wellness: Wellness Coaching for Lasting Lifestyle Change

Michael Arloski, 2014 Arloski blends the wisdom of the wellness field with the proven processes of the coaching profession to create an easy-to-use training tool. The result is the perfect training tool for wellness professionals of all kinds: disease management professionals, professional coaches, EAP professionals, counselors, and therapists.

health coach corporate wellness: Coaching Psychology Manual Margaret Moore, Erika

Jackson, Bob Tschannen-Moran, 2015-09-02 This second edition of the Coaching Psychology Manual helps health, wellness, lifestyle, positive psychology, and personal coaches work with clients to achieve their health, well-being, and life goals. Endorsed by the ACSM, packed with examples and scenarios, and now in vibrant full color, this comprehensive guide covers techniques and concepts for supporting clients in changing the behaviors and mindsets needed to thrive, in all areas of wellness, including fitness, nutrition, weight, mind/body, stress, and management of life issues that impact well-being.

health coach corporate wellness: Masterful Health and Wellness Coaching Michael

Arloski, 2021-08 In Masterful Health & Wellness Coaching Dr. Arloski focuses on advancing the reader's understanding of the process of coaching in the health and wellness setting and guides the reader to a comprehensive level of expertise. Honing the craft as wellness coaches is the goal. Masterful Health & Wellness Coaching offers tools to become a true master of the history, research, scholarship, and techniques of wellness coaching at its highest level. Masterful Health & Wellness Coaching is divided into three parts, beginning with a foundation that great coaching is about transformation. Changing behavior needs to be viewed not through a unitary lens, but in the context of growth and development. Arloski reveals how this can be done for the client, for the coach, and for the growing profession of wellness coaching. The second part focuses on How to Be, that is, a coaches presence and way of being in the world and with a client, and the powerful effect this has upon the coaching process. Part Three takes a deeper dive into the craft of wellness coaching. Throughout Dr. Arloski references what can be learned from relevant theory and research. Masterful Health & Wellness Coaching is tailored to coaches who want to go beyond the basics of SMART Goals and accountability, beyond tracking calories and sit-ups. It is for: - Coaches who want to become scholars of coaching. - Coaches who want to develop a greater understanding of the process of behavioral change. - Coaches who want to learn more about wellness. - Coaches who want to master what the entire field of health promotion has discovered about being well. - Coaches who want to become skilled craftspeople. - Coaches who want to meet their clients with understanding, empathy, and non-judgment. Dr. Arloski believes that coaching isn't about all the things a client is doing wrong and how grim their situation is. It's about what is needed to ensure a successful future. Masterful Health & Wellness Coaching gives you the tools to start your client on the path to success and to coach him or her until their healthy-living skills are second nature. The root of the word coach can be traced to a village in Hungary, Kocs, where carriages were made in the 1500's. Coaches love metaphors and what is better than this one: A coach takes you from where you are at to where you want to go. Perfect. The client is the one with the reins and it is the coaching process that facilitates the journey.

health coach corporate wellness: Wellpreneur Amanda Cook, 2017-02-23 Why do some

wellness entrepreneurs find freedom, flexibility and a healthy income online - while others get stuck spinning their wheels, never finding clients or making sales? It's not about who has the best website, or who spends more time on social media. The secret is in the system. Wellpreneurs who find clients online have a system in place that failing wellpreneurs don't. This system brings more of the right people to your website, and turns them into paying clients. It's this proven, step-by-step system you'll learn in this book. Wellpreneur is a guide to nailing your niche and finding more clients online, written just for wellness entrepreneurs. If you're a health coach, yoga teacher, personal trainer, nutritionist or other wellness professional, you'll: Get total clarity on your target market, so you

know exactly who you're serving (and why). Learn the proven five-step Organic Growth System to attract ideal prospects to your website and turn them into paying clients. Peek inside the businesses of successful wellpreneurs, to learn how they grew profitable wellness businesses online. Streamline your online marketing, so you can spend less time marketing, and more time doing work you love!

health coach corporate wellness: *Lifestyle Wellness Coaching* James Gavin, Madeleine Mcbrearty, 2018-11-07 Lifestyles have changed dramatically over the past quarter century. Along with these changes come exciting opportunities, including new career paths in the professional domain of health and wellness coaching. Centered on an evidence-based process for guiding change, *Lifestyle Wellness Coaching, Third Edition With Web Resource*, offers a systematic approach to helping clients achieve enduring changes in their personal health and wellness behaviors through a supportive and forward-moving coaching relationship. *Lifestyle Wellness Coaching* has been thoroughly revised and updated to keep pace with the rapidly evolving field of wellness coaching. It is complemented by discussions, case studies, reflective opportunities, and practical aids and engages readers through multiple approaches to learning: The reader is encouraged to gauge comprehension and application of the content by reflecting on personal experiences within the context of coaching. Sample dialogues offer real-world examples of coaching situations and strategies. The International Coach Federation's 11 core competencies are thoroughly examined to prepare readers for certification in the profession of coaching. A new web resource houses easy-to-use forms, plans, and assessments that professionals can use immediately with clients. *Lifestyle Wellness Coaching* examines real coaching conversations to assess key considerations, such as the types of questions to ask, how to provide feedback effectively, and how to facilitate action planning. The text presents communication strategies to motivate, guide, inform, and support clients' processes toward personal change with a holistic approach. It addresses boundaries of care and advice appropriate to coaching relationships. Other issues explored include developing a trusting relationship, creating goals that are aligned with coaching processes, unblocking clients' energy and discovering resources for change, and generating forward movement through the skillful use of the International Coach Federation's 11 core competencies. *Lifestyle Wellness Coaching* introduces readers to models that clearly identify clients' progress through the stages of change. First, the text explores the popular transtheoretical model (TTM) of health-related behavior change and its delineation of six stages of clients' readiness to change. The discussion of TTM includes strategies appropriate to clients in various stages of readiness to change. The text also presents the learning-through-change model (LCM), revealing the deep layers beneath each phase of client movement toward change. Readers are offered a map for coaching clients toward goal achievement. The authors' unique flow model of coaching illustrates how professional coaches can help clients navigate the sometimes turbulent events of a person's life in order to change habitual patterns of behavior. The companion web resource offers a complete kit of assessment tools to help establish a strong framework for successful coaching. A welcome packet, coaching readiness index, introductory session form, and between-sessions questionnaire benefit both the professional and client in laying the groundwork. Other supplemental resources, such as a social and emotional intelligence assessment and a goal setting form, support the journey. *Lifestyle Wellness Coaching, Third Edition*, is the definitive resource for those seeking to embrace wellness coaching and propel clients to healthy, effective change.

health coach corporate wellness: *Mila's Meals* Catherine Barnhoorn, 2021-11 *Mila's Meals* is part cookbook, part whole-food nutrition encyclopaedia covering The Beginning of your child's lifelong relationship with food and The Basics of feeding yourself food that is medicine.

health coach corporate wellness: *The Health Coach Collective* Marsie Ross, Anneka Davis, Ashley Murdock, Debbie Carter, Jodi Jordan, La Tina Thomas, Melody McClellan, Michelle Knights, Radiah Rhodes, Stacey Brass-Russell, Jeanette Chandler, 2019-10-19 For so many of us, becoming and staying healthy and happy is almost a fairytale. When we see people who seem to have it figured out, many of us believe that we could never achieve such success. We wish we were those people but often believe we can't kick our old bad habits. We secretly envy those people who seem to be so

enlightened, but we often overlook their journey. The famous author and poet Maya Angelou said it best, You see my glory, but you don't know my story. For the first time, you will hear directly from health and life coaches their story, including setbacks and triumphs so that you can finally see that you have what it takes to be the healthy and happy badass of your dreams!

health coach corporate wellness: *Eat Pretty* Jolene Hart, 2014-02-25 Nutrition is the fastest-rising beauty trend around the world. *Eat Pretty* simplifies the latest science and presents a userfriendly program for gorgeous looks, at any age, that last a lifetime. Buzzwords like antioxidants, biotin, and omega-3s are explained alongside more than 85 everyday foods, each paired with their specific beauty-boosting benefit: walnuts for supple skin, radishes for strong nails. But healthful ingredients are just one aspect of beauty nutrition. *Eat Pretty* offers a full lifestyle makeover, exploring stress management, hormonal balance, and mindful living. Charts and lists, plus nearly 20 recipes, make for a delicious and infinitely useful ebook—in the kitchen, at the grocer, and on the go.

health coach corporate wellness: *Rock Steady* Ellen Forney, 2018 *Rock Steady: Brilliant Advice From My Bipolar Life* is the eagerly awaited sequel/ companion book to Forney's 2012 best-selling graphic memoir, *Marbles: Mania, Depression, Michelangelo, and Me*. Whereas *Marbles* was a memoir about her bipolar disorder, *Rock Steady* turns the focus outward, offering a self-help survival guide of tips, tricks and tools by someone who has been through it all and come through stronger for it.

health coach corporate wellness: Body Love Every Day Kelly LeVeque, 2019-12-31 Forewords by Emmy Rossum and Jennifer Garner Ditch cravings and love your lifestyle with this body-positive approach to health and wellness In her bestselling book *Body Love*, Kelly LeVeque shared how the Fab Four—protein, fat, fiber, and greens—can transform your health, your body, and your relationship with food. Now, in *Body Love Every Day*, Kelly gives you an action plan to adopt the Fab Four lifestyle in the way that's right for you. For a tailored approach, she has created comprehensive 21-day plans for four different archetypal women: • The Girl on the Go wants a plan that's flexible enough to work with her busy schedule. Kelly shares on-the-go hacks for when you're out and about or traveling, delicious 15-minute meals, and simple strategies to stay balanced every day. • The Domestic Goddess is dedicated to building a healthy home through cooking with and using clean products. Kelly shows you how to elevate your cooking and home to healthier heights. • The Plant-Based Devotee wants to incorporate the Fab Four into her vegetarian or vegan diet. With over forty delectable plant-based recipes, Kelly gives you a plan to stay nourished and fueled while staying committed to your lifestyle. • The Red-Carpet Ready gal wants to look her best for her next big event. Rock your version of the red carpet with the same strategies Kelly uses with her A-list celebrity clients, including recipes to debloat and brighten skin, workouts to tighten and tone, and ideal eating windows to help boost results. Whether you're one of these archetypes or a combination of them, *Body Love Every Day* provides a plan to help you achieve natural wellness for the body, mind, and soul. You'll find recipes and nutrition information for every meal, exercise and movement for every day, stress management and energy recharge for nights and weekends, and emotional support to get you through the inevitable tough times. Whether you're looking to live healthier or drop a jean size, boost your fitness or just feel better, *Body Love Every Day* is your guide to success.

health coach corporate wellness: *ROAR* Stacy T. Sims, PhD, Selene Yeager, 2016-07-05 “Dr. Sims realizes that female athletes are different than male athletes and you can’t set your race schedule around your monthly cycle. *ROAR* will help every athlete understand what is happening to her body and what the best nutritional strategy is to perform at her very best.”—Evie Stevens, Olympian, professional road cyclist, and current women’s UCI Hour record holder Women are not small men. Stop eating and training like one. Because most nutrition products and training plans are designed for men, it’s no wonder that so many female athletes struggle to reach their full potential. *ROAR* is a comprehensive, physiology-based nutrition and training guide specifically designed for active women. This book teaches you everything you need to know to adapt your nutrition, hydration, and training to your unique physiology so you can work with, rather than against, your female physiology. Exercise physiologist and nutrition scientist Stacy T. Sims, PhD, shows you how to be your own biohacker to achieve optimum athletic performance. Complete with goal-specific meal plans and nutrient-packed recipes to optimize body composition, *ROAR* contains personalized nutrition advice for all stages of training and recovery. Customizable meal plans and strengthening exercises come together in a comprehensive plan to build a rock-solid fitness foundation as you build lean muscle where you need it most, strengthen bone, and boost power and endurance. Because women’s physiology changes over time, entire chapters are devoted to staying strong and active through pregnancy and menopause. No matter what your sport is—running, cycling, field sports, triathlons—this book will empower you with the nutrition and fitness knowledge you need to be in the healthiest, fittest, strongest shape of your life.

health coach corporate wellness: *ACSM Certified Personal Trainer Exam Prep* Ascencia, 2020-08-12

health coach corporate wellness: *The Gifts from Losing You* Sara Green, 2021-01-31 *The Gifts from Losing You* is a poignant chronicle that shares a family's experience of their first year

grieving the sudden loss of their only son and brother, aged 19. Written by his mother, it is a story of personal tragedy, immeasurable love, heartbreak, and sadness, coupled with gratitude, courage, and perseverance. Her reflections explore the themes of loss, shock, pain, acceptance, and eternal love. She focuses on how her family found a way to weave their grief into the fabric of their lives while opening their hearts and minds to the gifts bestowed on them. She discovers that deep despair and blessing can co-exist simultaneously in grief. This unique perspective has guided them in their healing, enabling them to live alongside their heartache. From her experience as a health coach, she shares the self-care practices that enabled her to cope with her devastating reality. For anyone suffering the loss of a child or a loved one, this part memoir, part self-help book provides hope and inspiration, with insights to help you navigate your path out of the dark, toward the light.

health coach corporate wellness: Thrive Arianna Huffington, 2014-03-25 In *Thrive*, Arianna Huffington makes an impassioned and compelling case for the need to redefine what it means to be successful in today's world. Arianna Huffington's personal wake-up call came in the form of a broken cheekbone and a nasty gash over her eye--the result of a fall brought on by exhaustion and lack of sleep. As the cofounder and editor-in-chief of the Huffington Post Media Group--one of the fastest growing media companies in the world--celebrated as one of the world's most influential women, and gracing the covers of magazines, she was, by any traditional measure, extraordinarily successful. Yet as she found herself going from brain MRI to CAT scan to echocardiogram, to find out if there was any underlying medical problem beyond exhaustion, she wondered is this really what success feels like? As more and more people are coming to realize, there is far more to living a truly successful life than just earning a bigger salary and capturing a corner office. Our relentless pursuit of the two traditional metrics of success--money and power--has led to an epidemic of burnout and stress-related illnesses, and an erosion in the quality of our relationships, family life, and, ironically, our careers. In being connected to the world 24/7, we're losing our connection to what truly matters. Our current definition of success is, as *Thrive* shows, literally killing us. We need a new way forward. In a commencement address Arianna gave at Smith College in the spring of 2013, she likened our drive for money and power to two legs of a three-legged stool. They may hold us up temporarily, but sooner or later we're going to topple over. We need a third leg--a third metric for defining success--to truly thrive. That third metric, she writes in *Thrive*, includes our well-being, our ability to draw on our intuition and inner wisdom, our sense of wonder, and our capacity for compassion and giving. As Arianna points out, our eulogies celebrate our lives very differently from the way society defines success. They don't commemorate our long hours in the office, our promotions, or our sterling PowerPoint presentations as we relentlessly raced to climb up the career ladder. They are not about our resumes--they are about cherished memories, shared adventures, small kindnesses and acts of generosity, lifelong passions, and the things that made us laugh. In this deeply personal book, Arianna talks candidly about her own challenges with managing time and prioritizing the demands of a career and raising two daughters--of juggling business deadlines and family crises, a harried dance that led to her collapse and to her aha moment. Drawing on the latest groundbreaking research and scientific findings in the fields of psychology, sports, sleep, and physiology that show the profound and transformative effects of meditation, mindfulness, unplugging, and giving, Arianna shows us the way to a revolution in our culture, our thinking, our workplace, and our lives.

health coach corporate wellness: 52 Simple Ways to Health Carol A. Phillips, 2014-10-30 Readers who want to make healthy lifestyle changes, without turning their lives upside down, have come to the right place. *52 Simple Ways to Health* offers manageable steps to help you become healthier and happier. So change your life, read Coach Yourself to Wellness and cast aside your old unhealthy habits.

health coach corporate wellness: Unconventional Medicine Chris Kresser, 2017-09-06 The world is facing the greatest healthcare crisis it has ever seen. Chronic disease is shortening our lifespan, destroying our quality of life, bankrupting governments, and threatening the health of future generations. Sadly, conventional medicine, with its focus on managing symptoms, has failed to address this challenge. The result is burned-out physicians, a sicker population, and a broken healthcare system. In Unconventional Medicine, Chris Kresser presents a plan to reverse this dangerous trend. He shows how the combination of a genetically aligned diet and lifestyle, functional medicine, and a lean, collaborative practice model can create a system that better serves the needs of both patients and practitioners. The epidemic of chronic illness can be stopped, if patients and practitioners can adapt.

health coach corporate wellness: The Food Babe Way Vani Hari, 2015-02-10 Eliminate toxins from your diet and transform the way you feel in just 21 days with this national bestseller full of shopping lists, meal plans, and mouth-watering recipes. Did you know that your fast food fries contain a chemical used in Silly Putty? Or that a juicy peach sprayed heavily with pesticides could be triggering your body to store fat? When we go to the supermarket, we trust that all our groceries are safe to eat. But much of what we're putting into our bodies is either tainted with chemicals or processed in a way that makes us gain weight, feel sick, and age before our time. Luckily, Vani Hari -- aka the Food Babe -- has got your back. A food activist who has courageously put the heat on big food companies to disclose ingredients and remove toxic additives from their products, Hari has made it her life's mission to educate the world about how to live a clean, organic, healthy lifestyle in an overprocessed, contaminated-food world, and how to look and feel fabulous while doing it. In The Food Babe Way, Hari invites you to follow an easy and accessible plan that will transform the way you feel in three weeks. Learn how to: Remove unnatural chemicals from your diet Rid your body of toxins Lose weight without counting calories Restore your natural glow Including anecdotes of her own transformation along with easy-to-follow shopping lists, meal plans, and tantalizing recipes, The Food Babe Way will empower you to change your food, change your body, and change the world.

health coach corporate wellness: Kicking Sick Amy Kurtz, 2016-12-31 According to the CDC, one out of every two adults is living with a chronic illness. With Kicking Sick, Amy Kurtz offers this welcome guide based on her firsthand expertise to help you find the support, self-care essentials, and best medical and integrative treatment plan to improve your unique health situation.

health coach corporate wellness: The Primal Blueprint Mark Sisson, 2019 The New Primal Blueprint serves as the ultimate road map for anyone wishing to make the shift from flawed conventional wisdom about diet and exercise to a healthy, happy empowering lifestyle patterned after the evolutionary-tested behaviors of our hunter-gatherer ancestors. The book details the ten immutable Primal Blueprint lifestyle laws that enable empower you to reprogram your genes to direct in the direction of weight loss, health, and longevity. The Primal Blueprint laws are validated by two million years of human evolution as well as an ever-expanding body of contemporary scientific research. Sisson's philosophy was originally met with skepticism as he aggressively challenged numerous mainstream health tenets. Eight years later, mainstream medical and health science are validating the Primal Blueprint tenets assertions that a high-carb, grain-based diet will make you fat, tired, and sick; that a consistent routine of medium-to-difficult cardiovascular workouts can actually compromise your health and longevity and increase risk of heart disease; and that consuming (whole food sources of) fat and cholesterol does not lead to heart disease as we have been led to believe, but rather offers many health benefits. --

health coach corporate wellness: CLEAN 7 Alejandro Junger, 2019-12-03 The definitive program on detoxification just got easier, thanks to multiple New York Times bestselling author Dr. Alejandro Junger's detailed, personalized, and medically proven seven-day plan that helps us begin to rid our bodies of the multitude of toxins that infiltrate our systems every day. Each day, too many of us struggle unnecessarily with debilitating health issues, such as colds or viruses, allergies or hay fever, stubborn extra pounds, poor sleep, recurrent indigestion, constipation, or irritable bowel syndrome, itchy rashes, acne or other skin conditions, depression, anxiety, or frequent fatigue. But we don't have to suffer any longer. In his bestseller *Clean*, the international leader in the field of integrative medicine revealed how many of these common ailments are the direct result of toxic build-up in our systems accumulated through daily living, and offered solutions for combatting them. Now, with *Clean 7*, Dr. Junger makes his groundbreaking program easier and more accessible than ever before. *Clean 7* is his medically proven seven-day regimen that provides all the necessary tools to support and reactivate our bodies' detoxification system to its fullest capabilities. In one week, you can begin addressing those nagging health issues by discovering the foods that harm you and the foods that heal you, lose extra weight, and start to experience what it truly means to be well. The first seven days of any program are the most critical. Undertaking a new routine is stressful, and tests our commitment, willpower, and focus. Understanding exactly what's going on in your body—why you might feel fatigue on day two or cravings on day five—is the key to success. A doctor who's helped millions, Dr. Junger personally guides you through the process, offering a clear, day-by-day, meal-by-meal exploration of what's happening in your body to keep you focused on your goals. Filled with the latest science on the brain, and featuring delicious, nutritious recipes, and details on everything from prepping your kitchen to prepping your mind, *Clean 7* revolutionizes the detoxification process. If you have been searching for a book or program to help you take that next step for your overall health, *Clean 7* is the answer. Discover what it truly means to be healthy.

health coach corporate wellness: FASTER Way to Fat Loss Amanda Tress, 2019-05-20 Are you one of the millions of individuals who have tried every fad diet on the market, and still can't meet your goals? Or maybe you're killing yourself at the gym, spending hours on the treadmill to maintain the perfect number on the scale. Regardless of your failing strategy, you're feeling exhausted, discouraged, and uninspired. Enter *The FASTER Way to Fat Loss*, a behind-the-scenes look at the lifestyle sweeping the health and wellness industry. Since the creation of the program in 2016, the FASTER Way has helped tens of thousands of men and women lose fat and regain confidence. Through the book, Amanda Tress, author and creator of the FASTER Way to Fat Loss, details the core components of the FASTER Way and dives into the science that backs them up. Please note: Purchasing this book does NOT include participation in the official FASTER Way to Fat Loss program. Program registration must be purchased separately at www.fasterwaytofatloss.com.

health coach corporate wellness: Midlife, No Crisis Lisa Levine, 2021-01-05 In this useful and lovely guidebook to midlife for women, life and health coach Lisa Levine provides easy, actionable tools to help readers let go of what's holding them back and become the best version of themselves. health coach corporate wellness: Life Coaching Michael Neenan, Windy Dryden, 2013-06-26 The way we think profoundly influences the way we feel, so learning to think differently can enable us to feel and act differently. The first edition of *Life Coaching* successfully showed how to tackle self-defeating thinking and replace it with a problem-solving outlook, providing clear and helpful advice on: Dealing with troublesome emotions Overcoming procrastination Becoming assertive Tackling poor time management Persisting at problem solving Handling criticism constructively Taking risks and making better decisions. The new edition retains the key features, while offering a

brand new chapter on the emerging topic of resilience as well updates throughout. It will continue to be invaluable to all those who are interested in becoming more personally effective in their everyday lives, and also to counsellors in practice and training.

health coach corporate wellness: Nurse Coaching Barbara Dossey, Susan Luck, Bonney Gulino Schaub, 2014-10-20 Nurse Coaching: Integrative Approaches for Health and Wellbeing By Barbara Montgomery Dossey, Susan Luck, and Bonney Gulino Schaub Paperback-October 2014 This is the first comprehensive Nurse Coach textbook that describes the theoretical and clinical relevance and practical application of an innovative, integrative, holistic, and integral nurse coaching model. This user-friendly book will guide your Nurse Coach practice to promote lifestyle behavioral change for health and wellbeing for both the nurse and the client/patient. It can be used in all healthcare environments and implemented in diverse settings including hospitals, communities, and private practice. In this book you will find theories and strategies to help you: Theory of Integrative Nurse Coaching; Integrative Nurse Coach Leadership Model; Integrative Nurse Coach™ Process and Competencies; coaching conversations, case studies, and coaching journeys with clients/patients; bio-psycho-social-spiritual-cultural-environment model of nurse coaching; evidenced-based coaching methodologies and practices; nutrition and environmental coaching skills; Integrative Health and Wellness Assessment™; nurse coach guidelines for practice, education, research, healthcare policy and advocacy; and integrative lifestyle resources and toolkit. This book is for all nurses and other health care providers seeking coaching knowledge and skills. For information on the Integrative Nurse Coach™ Certificate Program go to www.inursecoach.com/inccp/

health coach corporate wellness: *State of The Global Workplace* Gallup, 2017-12-19 Only 15% of employees worldwide are engaged at work. This represents a major barrier to productivity for organizations everywhere – and suggests a staggering waste of human potential. Why is this engagement number so low? There are many reasons — but resistance to rapid change is a big one, Gallup’s research and experience have discovered. In particular, organizations have been slow to adapt to breakneck changes produced by information technology, globalization of markets for products and labor, the rise of the gig economy, and younger workers’ unique demands. Gallup’s 2017 State of the Global Workplace offers analytics and advice for organizational leaders in countries and regions around the globe who are trying to manage amid this rapid change. Grounded in decades of Gallup research and consulting worldwide -- and millions of interviews -- the report advises that leaders improve productivity by becoming far more employee-centered; build strengths-based organizations to unleash workers’ potential; and hire great managers to implement the positive change their organizations need not only to survive – but to thrive.

health coach corporate wellness: It's Not Complicated Katie Lee Biegel, 2021-03-23 From bestselling author and the star of Food Network’s The Kitchen, It’s Not Complicated offers recipes designed to simplify cooking (and life!) After years of throwing lavish, carefully planned dinner parties, hosting numerous food shows, and jet-setting across the globe, Katie Lee has settled down. Having recently married the love of her life, Lee prefers quiet dinners with her family to multi-day cooking affairs for dozens of guests. Pasta every Sunday. Thick cut rib eyes. Ideas for cooking vegetables that go beyond roasting. A perfect brownie. In short, her life is guided by a new principle: Things don’t need to be complicated to be good. In It's Not Complicated, Katie Lee, author, influencer, and Food Network star, offers 100 of her favorite recipes that are easy, yet exciting—and always delicious. Written for the veteran chef and kitchen novice alike, Lee’s recipes have few ingredients and simple steps that are meant to ease up your life. Perfect for weeknights, but special enough for having people over, It’s Not Complicated shares the recipes people really want: classic, unfussy sure-things. *for full directions on the Creamy Spinach Artichoke Pasta, visit <https://www.abramsbooks.com/errata/craft-errata-its-not-complicated/>*

health coach corporate wellness: Food Becomes You Peg Doyle, 2014-10-02 When you envision your future, what do you see? *Food Becomes You* reminds readers of the simple truth that the food we put in our bodies becomes a part of us, in our tissues, organs, systems, and senses. It deconstructs nutrition science to show what our bodies and minds need to thrive, all woven into the stories of many who turned their lives around by changing their food. Baby boomers will find this book especially useful as they approach their fifties and beyond, though the lessons are ones that we all should learn. If you want a healthy, vibrant future, you have to make healthy nutrition choices now—and this book will help you learn how. In an easy to read fashion, *Food Becomes You* provides invaluable tips, examples, and recipes that will allow you to seamlessly incorporate healthy foods and easy meal preparations into your life.

health coach corporate wellness: Healthy Dividends Tricia Silverman, 2019-08-15

health coach corporate wellness: Think Like a Monk Jay Shetty, 2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the *Forbes* magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, *On Purpose*, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

health coach corporate wellness: Changing to Thrive James O. Prochaska, Janice M. Prochaska, 2016-09-01 Changing unhealthy behaviors is easier said than done. Through interactive exercises, backed by countless research studies, *Changing to Thrive* will help readers progress through the Stages of Change and find the will power to create lasting change that will allow them to thrive. Changing unhealthy behaviors is easier said than done. Through interactive exercises, backed by countless research studies, *Changing to Thrive* will help readers progress through the Stages of Change and find the will power to create lasting change that will allow them to thrive. Eat healthy. Exercise. Quit smoking. Cut down on drinking. Reduce stress. Changing unhealthy behaviors is easier said than done. If you're like most of us, you have already made repeated attempts to change your lifestyle and improve your well-being without lasting success. You may attribute those failures to things like lack of motivation or the "wrong genes." But it's more likely that you simply don't know how to change. In this groundbreaking book, James O. Prochaska, PhD, and Janice M. Prochaska, PhD, guide you through a six-stage process designed to help you assess

your readiness to change, then tap the inner resources necessary to thrive physically, emotionally, and socially. Backed by countless research studies, the stages of change model, developed by James Prochaska in collaboration with Carlo DiClemente, PhD, has revolutionized the field of behavior change. Through interactive exercises, Changing to Thrive will help you progress through the stages of change and learn that you have the power within to thrive.

health coach corporate wellness: Financial Peace Dave Ramsey, 2002-01-01 Dave Ramsey explains those scriptural guidelines for handling money.

health coach corporate wellness: Self-Care in the City: 100 Ways to Optimize Your Nutrition, Fitness & Wellness in an Urban Environment Michelle Cady, 2018-04-12 If there's one thing Carrie Bradshaw didn't master in her beautiful Manhattan life it's self-care. Like most of us, she rushed around from thing to thing, drank a few too many cocktails, smoked cigarettes, and dealt with the stress that came along with a career she loved and social calendar she loved more. Little did she know that a few simple changes to her daily habits could drastically improve everything from her mood to her sleep to her ability to manage ups and downs of life - from lost jobs to lost relationships. Thanks to Self-Care in the City, the busiest of urban people now have their very own handbook for learning how to bring a healthy dose of self-care into their busy, fast-paced lives. No longer will you need to play the guessing-game of . . . how to squeeze a workout into a busy week or what dish to choose at a business dinner or how to relieve stress without reaching for a glass of wine. Instead you have over 100 ways to address the common dilemmas of their everyday life, including: - Way #1 Rethink Brunch: How to approach a fabulous weekend meal without overdoing it. - Way #7 Tier Your Seamless: Method for making healthy-ish options your go-to when you're exhausted. - Way #16 Drinking on Dates: Tips to navigate every blind date without drowning yourself in cocktails. - Way #66 Quick Workouts for Biz Trips: How to keep up your workout routine no matter where you travel. - Way #81 Noise at Night: Solutions for reducing stimulation and getting a great night's sleep. - Way #82 Surviving the Subway: Insider secrets to stress-less on your daily commute. No matter what you need help navigating, there's a tip or resource within immediate reach. As you begin embracing these practices, you'll find that you have the power rise above the routines that diminish your beauty and focus, and fall in love with the wellness strategies that will not only make you feel unstoppable, but will also give you an edge. NUTRITION Efficient ways to upgrade your grocery shopping, order healthier takeout, sneak in more veggies, navigate social functions, order like a boss and fuel your continued success at home, at work and when you're on-the-go. FITNESS Smart strategies to optimize your workouts, join the right gym, pick boutique fitness studios, exercise on business trips, fit in more activity, lose body fat and elevate your body to the next level. WELLNESS You're doing it all right - eating well and working out - and you're still not seeing results. This book empowers you to improve your sleep, manage your stress, create your own silence, and personalize your self-care, while still having a fabulous social life! Why I Wrote It: Self-Care in the City is a reflection of the health and wellness tricks I was able to discover during my experience living in New York City as a finance executive. That blended together with my professional expertise, work with countless clients and education in nutrition and exercise science and stress management makes this a book that every busy urban person needs on their night stand or nestled into their work bag. About the Author: Michelle Cady is a former finance executive turned wellness author and highly sought after integrative nutrition health coach. Michelle's personal

experience of recovering from adrenal fatigue and burnout influences her coaching and focus on nutrition, fitness, and stress management. Michelle's writing has been featured in mindbodygreen, Well+Good, Elite Daily, Women's Health, Redbook and Thrive Global, among others. She is the Founder of the wellness platform, FitVista, and Self-Care in the City is Michelle's first book. Michelle graduated from Middlebury College in 2008 with a BA in English and currently lives in New York City. You can find more about Michelle's story, blog and resources over at www.FitVista.com.
