Is Hobby Lobby Going Out of Business? Addressing the Rumors

Introduction:

Recent online discussions have sparked concerns about Hobby Lobby's financial stability, leading many to question: Is Hobby Lobby going out of business?

This article aims to address these concerns, examining the current state of the arts and crafts retailer, analyzing its financial performance, and dispelling any misinformation surrounding its potential closure. We'll delve into the company's history, recent challenges, and future prospects to provide a comprehensive and accurate assessment.

Article Outline:

- I. Hobby Lobby's Business Model and History
- II. Recent Financial Performance and Challenges
- III. Addressing the "Going Out of Business" Rumors
- IV. Competitive Landscape and Market Trends
- V. Hobby Lobby's Future Strategies and Adaptations
- VI. The Impact of External Factors (e.g., inflation, supply chain issues)

I. Hobby Lobby's Business Model and History:

Hobby Lobby, founded in 1972 by David Green, operates as a privately held company, specializing in arts, crafts, fabrics, and home decor.

This business model, focused on a wide selection of products at competitive prices, has been key to its success for decades.

Its expansion across the United States has solidified its position as a major player in the retail market.

II. Recent Financial Performance and Challenges:

While Hobby Lobby's financial data isn't publicly available due to its private ownership, analyzing industry trends and publicly available information provides some insight.

The retail industry, as a whole, has faced significant challenges in recent years, including rising inflation, supply chain disruptions, and evolving consumer preferences.

These factors likely influenced Hobby Lobby's operational strategies and might have impacted its profitability in certain periods.

Despite these challenges, the company's continued expansion and store openings suggest a level of financial resilience.

III. Addressing the "Going Out of Business" Rumors:

The rumors circulating about Hobby Lobby's impending closure are largely unsubstantiated.

There is no credible evidence from reliable sources to support these claims.

Many such rumors originate from misinformation spread on social media and unverified online articles.

It's crucial to rely on official company statements and reputable news sources for accurate information regarding Hobby Lobby's financial health and future plans.

IV. Competitive Landscape and Market Trends:

Hobby Lobby operates within a competitive retail market,

facing competition from both big-box stores and smaller specialty shops.

The rise of e-commerce has also presented a new set of challenges, with online retailers offering convenience and a broader selection of products.

To stay competitive, Hobby Lobby has likely implemented strategies to enhance its online presence, improve customer experience, and adjust its product offerings to meet evolving consumer demands.

V. Hobby Lobby's Future Strategies and Adaptations:

To navigate the challenges of the modern retail landscape, Hobby Lobby may be adapting its business model to include more online sales channels and improved customer engagement strategies.

It's likely the company is investing in its supply chain to mitigate the impact of future disruptions.

They may be focusing on offering exclusive products and creating unique shopping experiences to attract and retain customers.

Investing in its brand image and loyalty programs could also be a crucial component of their long-term strategy.

VI. The Impact of External Factors (e.g., inflation, supply chain issues):

The impact of inflation and supply chain issues on Hobby Lobby is significant, potentially affecting pricing strategies

and product availability.

Increased costs may necessitate price adjustments or alternative sourcing strategies.

The company's ability to adapt to these external pressures will be key to maintaining its market position and financial stability.

Effective inventory management and price optimization will likely play an increasingly important role in navigating future economic uncertainty.

Conclusion:

While the retail environment presents challenges, there's currently no concrete evidence supporting the claim that Hobby Lobby is going out of business. The company's continued expansion, coupled with its private ownership, makes it difficult to definitively assess its financial standing. However, the absence of credible sources confirming closure rumors should alleviate widespread concerns. The company's future success hinges on its ability to adapt to shifting market demands, address the impact of external factors like inflation, and maintain a competitive edge.

Frequently Asked Questions (FAQs):

Q: Is Hobby Lobby closing down? A: No, there is no credible evidence suggesting Hobby Lobby is closing down. Rumors circulating online are unsubstantiated.

Q: Where can I find accurate information about Hobby Lobby's financial status? A: Due to its private ownership, publicly available financial information is limited. Reputable news sources and official company statements should be consulted for reliable information.

Q: How is Hobby Lobby competing in the current market? A: Hobby Lobby likely utilizes strategies including online sales channels, improved customer experience, unique product offerings, and brand-building initiatives to stay competitive.

Q: What impact will inflation and supply chain issues have on Hobby Lobby? A: These factors are likely affecting the company's pricing strategies and product availability. Effective inventory management and price optimization will be essential for mitigating these challenges.

hobby lobby going out of business: More Than a Hobby David Green, 2010-07-26 The retail industry has undergone enormous changes during the last thirty years. But there is one retailer that not only has remained consistent in the fluctuating?even tenuous?market, but also has grown in the process. *More Than a Hobby* takes you inside the story of David Green, the man who built the phenomenal success of Hobby Lobby. Green went beyond surviving in a competitive retail market to thriving, ultimately expanding his \$600 start-up company into a \$1.3 billion per-year enterprise. Green's incredible accomplishments were based not on business-school theory but on his grassroots experiences as a store manager and his creative application of cutting edge ideas, including: Allow managers to spend no more than thirty minutes per day on paperwork Instead of paying a middleman, assemble as much of the product as possible in-house Give buyers the freedom to purchase without restraint—but within the realm of common sense Keep God and family first *More Than a Hobby* is a practical field manual, filled with revolutionary ideas for all those who dream of success in the world of retail business.

hobby lobby going out of business: Bible Nation Candida R. Moss, Joel S. Baden, 2019-07-16 How the billionaire owners of Hobby Lobby are spending hundreds of millions of dollars to make America a "Bible nation" The Greens of Oklahoma City—the billionaire owners of the Hobby Lobby chain of craft stores—are spending hundreds of millions of dollars in an ambitious effort to increase the Bible's influence on American society. In *Bible Nation*, Candida Moss and Joel Baden provide the first in-depth investigative account of the Greens' sweeping Bible projects. Moss and Baden tell the story of the Greens' efforts to place a Bible curriculum in public schools; their rapid acquisition of an unparalleled collection of biblical antiquities; their creation of a closely controlled group of scholars to study and promote the collection; and their construction of a \$500 million Museum of the Bible in Washington, D.C. Revealing how all these initiatives promote a very particular set of beliefs about the Bible, the book raises serious questions about the trade in biblical antiquities, the integrity of academic research, and the place of private belief in public life.

hobby lobby going out of business: Jesus Politics Phil Robertson, 2020-08-04 Understand the problems facing America and learn how Jesus would respond to them. New York Times bestselling author and Duck Dynasty star Phil Robertson exposes the destructive nature of American politics and calls on Christians to actively participate in advancing the Kingdom of heaven on earth. We live in a fractured country, a country in which identity politics, creeping socialist policies, toxic social media, and the vast partisan divide threaten the very fabric of America. After decades of political decay and of losing sight of our first principles, the American people are suffering from runaway debt, increased rates of depression, broken families, moral decay, and more. In *Jesus Politics*, Phil Robertson provides an alternate path: a radical call for Christians to use their freedoms to advance the agenda of the King and win back the divided soul of America. Exploring the problems facing our country and how Jesus would respond to each, Robertson offers a clear strategy, showing us how to do good by King Jesus, bringing the kingdom of heaven to our homes, neighborhoods, churches, communities, and country. Robertson also gives you the tools you need to apply the lessons of *Jesus Politics* in the voting booth and in our everyday lives, reminding us that above all, we're called to: Love God Love our neighbors Do whatever it takes to bring, maintain, and protect his kingdom on earth as it is in heaven Join Robertson as he takes a closer look at the problems facing America and shares how we can use our time, talents, resources, and votes to solve them as members of the kingdom. Explore a new way of thinking and acting, a way that protects and advances the policies of the King. And, if enough of us do, maybe we can become a nation that proclaims, In the King we trust.

hobby lobby going out of business: The Forgiveness Journal Lysa TerKeurst, 2021-08-03 You

deserve to stop suffering through what other people have done to you. Discover the life-changing message of forgiveness in this lovely full-color journal, written by Lysa TerKeurst, complete with personal photographs and interactive content. hobby lobby going out of business: *A Lineage of Grace* Francine Rivers, 2012-11-21 The complete biblical historical fiction compilation by the New York Times bestselling author of *Redeeming Love* and *A Voice in the Wind*. The Bible is filled with inspiring stories of unlikely candidates God chose to change eternity. This bestselling compilation in one volume contains five novellas about such people—women in the family tree of Jesus Christ. Tamar. Rahab. Ruth. Bathsheba. Mary. Each was faced with extraordinary—even scandalous—challenges. But they had courage. They lived daring lives. Sometimes they made mistakes—big mistakes. And yet God, in His infinite mercy and grace, used them to bring forth the Christ, the Savior of the world. Their stories still hold great meaning and inspiration for us today. Tamar risked her life and reputation to be the woman she was called to be. See how the Lord uses our circumstances and our steps toward Him, however faltering, to fulfill His plan. Rahab was exploited by men who saw only her beauty, yet she held fast to her faith in God and was rewarded. Discover how God seeks and finds those whose hearts are tender toward Him, no matter how far away they are. Ruth's loyalty, especially toward her mother-in-law Naomi, helped her persevere in the face of tragedy, and God gave her a second chance at love. Be encouraged that God will provide even when all hope seems lost. Bathsheba's scandalous affair with David did not end in one night. Learn that God is willing to restore and redeem those lost in the depths of despair who call out to Him. Mary is one of the most revered women in history. But first, she was an ordinary woman striving to please God in the same way women still do today. When God spoke, Mary responded in obedience which changed the world forever. Each novella includes an in-depth Bible study perfect for personal reflection or group discussion. Watch these five women in the Bible come to life and learn from their examples of hope, faith, love, and obedience.

hobby lobby going out of business: *Pawverbs for a Dog Lover's Heart* Jennifer Marshall Bleakley, 2020-09-08 A dog's love is one of life's greatest blessings. Your dog doesn't ask you to be anyone other than yourself. When you're with your dog, you don't have to worry about what you say or what you look like; all your canine friend wants is you (and food, and belly rubs, and treats). But dogs are even more than our best friends—they can be our wise teachers, sharing lessons that stay in our hearts forever. Every day, they show us the value of listening and loyalty; what it means to trust and obey; and the importance of just sitting with someone and being a friend. God has given us

animals, ultimately, to point us to Himself—to the One who is always there and who loves unconditionally. *Pawverbs for a Dog Lover's Heart* is a collection of stories with beautiful photographs, each featuring a real-life animal and sharing a principle from the book of Proverbs. You'll not only find inspiring and heartwarming tales, but spiritual truths to touch your heart and remind you of God's unfailing love, wisdom, and grace.

hobby lobby going out of business: *Get Started in Leather Crafting* Tony Laier, Kay Laier, 2019-10-01 • The must-have guide for working with leather. • Great book for beginning leather crafters. • Comprehensive presentation of essential techniques. • Handy tips from leather crafting experts. • Well-illustrated with color photos. • Traditional floral carving step-by-step project.

hobby lobby going out of business: *A Generous Life* David Green, Bill High, 2019-07-23 Does my life make a difference? People of all ages and stages of life want to live a life that has meaning and extends beyond their years on earth. In *A Generous Life*, Hobby Lobby founder David Green suggests readers start now to adopt a lifestyle of generosity. As the founder and CEO of the largest privately owned arts and crafts retailer in the world, David has amassed material wealth, yet has learned the secret of generous living. As someone who gives away half of his profits to charity, lives with integrity and faith, and enjoys the peace of crafting a legacy now, David has found peace and fulfillment. *A Generous Life*: guides you through ten simple but life-changing action steps helps you establish a generous mindset, determine where and how much to give, how to create a family legacy plan, and more teaches you how to identify your blessings—friendships, family, work, education, or talents This beautiful hardcover book has a ribbon marker and a section for you to personalize a family legacy plan of your own. *A Generous Life* is a thoughtful gift for: Christians looking for ways to connect with their purpose and faith housewarming parties, baby showers for new parents, or college graduates fans of Hobby Lobby and founder David With practical helps on everything from deciding what you want your legacy to be to talking about money with your children, *A Generous Life* helps you start right where you are. You are richer than you know—and when you give it back to our generous God, your true wealth will never end.

hobby lobby going out of business: *Quilt As-You-Go Made Modern* Jera Brandvig, 2014-10-01 Learn to create modern quilts more quickly and easily than ever with this popular method, featuring thirteen projects and twenty-five bonus ideas. Do you believe rules were meant to be broken? If so, this improvisational quilt-as-you-go technique is for you. Instead of dealing with precise paper patterns and cutting measurements, you'll learn how to piece fabric onto small, manageable batting blocks. Let your creative juices flow as you quilt directly on the blocks (not the whole quilt!), whether in large abstract zigzags or small structured stitches. After the blocks have been joined, all you need to do is add backing fabric and binding, and—voila—it's finished! A modern approach to quilting that's fresh, fun, and simpler than it sounds; it will change the way you quilt (for the better) Great for moms or anyone with a busy schedule—these thirteen projects are easy to transport because they make it simple to pick up where you left off Go your own way: This method allows you to use a pattern or improvise, creating a wide variety of design options Save money! Learn how to finish your own quilts without the use of a longarm professional "Quilting is easier than ever with Jera Brandvig's modern spin on the popular quilt-as-you-go technique." —Modern Quilts Unlimited "Quilt-as-you-go (QAYG) is one of those techniques that every quilter is curious about trying, but can be daunting as the process is so different to the traditional process of making a quilt top and then quilting it. . . . The book introduces the technique very thoroughly, so you can clearly understand the difference between traditional piecing and quilting and QAYG. Then there's a great selection of gorgeous quilts that are sure to appeal to the modern quilter. A must if you've ever thought about trying QAYG and haven't had a clue where to start." —Make Modern Magazine

hobby lobby going out of business: *60 Days of Happiness* Randy Alcorn, 2017-01-04 Would you like to experience true happiness? When it comes to happiness, most of us have the same questions. Why can't I be consistently happy? Is it wrong to be happy when there's so much pain and suffering in the world? And perhaps the biggest one: How can I be happier? Some Christians make an artificial contrast between joy and happiness, while others claim God wants us to be holy, but not

happy. In fact, he wants us to be both, and the two go hand in hand! In *60 Days of Happiness*, noted theologian and New York Times bestselling author Randy Alcorn shares sixty timeless devotions demonstrating that God not only wants us to be happy in him and enjoy his gifts, he commands and empowers us to do so.

hobby lobby going out of business: The Good Dad Jim Daly, 2014-04-22 It's never too late to be a better father Jim Daly, president and CEO of Focus on the Family, is an expert in fatherhood—in part because his own fathers failed him so badly. His biological dad was an alcoholic. His stepfather deserted him. His foster father accused Jim of trying to kill him. All were out of Jim's life by the time he turned 13. Isn't it odd—and reminiscent of the hand of God—that the director of the leading organization on family turned out to be a guy whose own background as a kid and son were pretty messed up? Or could it be that successful parenting is discovered not in the perfect, peaceful household but in the midst of battles and messy situations, where God must constantly be called to the scene? That is the mystery unraveled in this book. Using his own expertise, humor, and inexhaustible wealth of stories, Jim will show you that God can make you a good dad, a great dad, in spite of the way you've grown up and in spite of the mistakes you've made. Maybe even because of them. It's not about becoming a perfect father. It's about trying to become a better father, each and every day. It's about building relationships with your children through love, grace, patience, and fun—and helping them grow into the men and women they're meant to be.

hobby lobby going out of business: Fear and the First Amendment Kevin A. Johnson, Craig R. Smith, 2024 A whole host of fears may motivate calls to restrict First Amendment rights, prioritizing one fear over another. *Fear and the First Amendment* unveils these negotiations of various fears and related protections as they appear in the contemporary Supreme Court, showing that fear is significant and rhetorical in First Amendment conflicts--

hobby lobby going out of business: Memory-Making Mom Jessica Smartt, 2019-03-05 What will your children remember of their childhood? Calling all moms who want to break out of monotony, distraction, and busyness to a life of making lasting memories with your kids and drawing your family closer to one another and to God! What's the solution to gaining the balanced, meaningful life you desire with your family? Create traditions that bring joy and significance! Popular Smartter Each Day blogger and mom of three, Jessica Smartt explains why memory-making is the puzzle piece that today's families are longing for. As Jessica shares her ideas, traditions, and beautiful insights on parenting in this well-written resource guide, she highlights the tradition-gifts kids need most with 300+ unique traditions including: Food: memories that stick to your ribs Holidays: fall bucket lists, crooked Christmas trees, and lingering over Lent Spontaneity: going on adventures Faith: why you need the puzzle box *Memory-Making Mom* is jam-packed with her own favorite childhood traditions, those she has started with her own children, traditions tied to the Christian faith, and additional ideas that you can take and tailor to suit your needs. Jessica also offers spiritual guidance and practical encouragement to modern parents to keep on adventuring—even when they are fighting distractions, are on a budget, and exhausted.

hobby lobby going out of business: Sweet Tea for the Soul Linda Kozar, 2018-01-08 Charming devotions give us a fresh look at life offering calming reminders of God's grace, and a southern wink at our busy lives, reminding us why we are blessed.

hobby lobby going out of business: The Epic of Gilgamesh Reginald Campbell Thompson, 1928

hobby lobby going out of business: Gospel Patrons John Rinehart, 2014-03-11 Behind every great movement of God stands a few generous men and women called Gospel Patrons. This book tells three of their stories from history and invites us to believe God, step out, and serve the purposes of God in our generation too. For bulk orders and more resources, please visit: gospelpatrons.org I read this book from cover to cover. I couldn't put it down. I'm praying for thousands of similar Gospel Patrons for our generation. -Todd Harper, President of Generous Giving This is a great read! I love the way these stories paint a picture of stewarding relationship, affluence, and influence to lay up treasure in heaven. -David Wills, President of National Christian Foundation

Gospel Patrons is one of the most important books I have seen this year! It's 100 years overdue and these untold stories urgently need to be told today. -George Verwer, Founder of Operation Mobilization As I read Gospel Patrons, I found myself weeping for joy. May the Lord powerfully use this vision around the globe! -Howard Dayton, Founder of Compass--Finances God's Way

hobby lobby going out of business: *She Reads Truth* Raechel Myers, Amanda Bible Williams, 2016-10-04 Born out of the experiences of hundreds of thousands of women who Raechel and Amanda have walked alongside as they walk with the Lord, *She Reads Truth* is the message that will help you understand the place of God's Word in your life.

hobby lobby going out of business: *This Beautiful Book* Steve Green, Bill High, 2019-11-12 In *This Beautiful Book*, Steve Green - founder of The Museum of the Bible - highlights life-changing themes woven through the mosaic of the Bible's various stories, reveals a new way to engage Scripture as a whole, and inspires deep appreciation for the Bible's connection to your life. The most popular and culture-shaping text in the world, the Bible is still the least understood book of all time. The Bible's collection of history, poetry, genealogy lists, and mystifying prophecies often prove puzzling to readers. And when this text is read in pieces, we're left with only a half-impression of the vibrant mosaic. *This Beautiful Book* highlights the thematic threads woven throughout the ancient writings and shows us a new way to engage with Scripture as a whole. Through insights gained from firsthand experiences in leading and developing the first world class Bible museum, Green invites readers to step back from the individual stories of the Bible and consider the Bible as a whole. He reveals the completeness, connection, and transformative power of Scripture. Along with stunning retellings of biblical stories, Green helps readers see the story within the story, and draws the careful connections that help us appreciate the richness of the Bible story as a single story. Each page will spark or embolden your faith in a God who speaks to us across the centuries. A truly captivating experience, this book will instill in you a deep appreciation for Scripture and its profound connection to your own life story.

hobby lobby going out of business: *Business Persons* Eric W. Orts, 2013-08-29 Business firms are ubiquitous in modern society, but an appreciation of how they are formed and for what purposes requires an understanding of their legal foundations. This book provides a scholarly and yet accessible introduction to the legal framework of modern business enterprises. It explains how the legal ideas allow for the construction and recognition of business firms as persons having rights and responsibilities. It also shows how law sets the boundaries of firms. Specific applications include contributions to debates about executive compensation and political free-speech rights of corporations. Anyone who wishes to have a deeper understanding of the nature of business firms and their role in modern society will benefit from reading this book.

hobby lobby going out of business: *Ask a Manager* Alison Green, 2018-05-01 From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that

you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

hobby lobby going out of business: Bible Journaling Made Simple Sandy Allnock, 2018-10-17 Draw closer to God and creatively unlock more of the Good Book! Your relationship with God is unique. Shouldn't your Bible reflect and celebrate that bond? In this introduction to Bible journaling, you'll discover meaningful ways to combine art, heart and scripture--from backgrounds to hand-lettered verses to beautiful full-page drawings. No expensive supplies or artistic skills are required...only a desire to honor and enhance your spiritual life. To guide your creative worship experience, this book provides: • Prompts to engage you with the text, then visually interpret Scripture in words and pictures • Basic techniques for working with colored pencils, watercolor pencils and watercolor paints • 21 step-by-step tutorials for drawing trees, flowers, skies, mountains, maps, water, light and other popular themes • Tons of inspirational page samples and suggested verses to illustrate • Downloadable icons and technique videos available on the author's website Whether you're new to Bible journaling or looking for fresh ideas, this book will lead you on a rewarding spiritual journey. Success is not measured in the complexity or polish of the art, but in a deeper, more personal connection with God. Our lives are busy, and we leave a trail of things-we-should-remember on the ground behind us. Instead, scoop them up and journal them. Preserve the lessons vital to our growth as Christians. ~page 12

hobby lobby going out of business: Biblical Principles of Crisis Leadership Steve Firestone, 2020-05-28 This book explores how spirituality can improve an organization’s ability to respond to a crisis. It presents biblical examples of leading during a crisis to show how faith can be relied upon to lead during crisis situations. Further, it presents examples of leaders using their faith during trying times. In recent years, organizations have begun to prepare for crises, but scholarly research has not kept up with their efforts. Exploring topics such as communication, servant leadership, and resilience, this work stakes new ground in leadership theory and will foster future research into the role of spirituality during organizational crisis.

hobby lobby going out of business: Lucky Us Amy Bloom, 2014-07-31 When Eva's mother abandons her on Iris's front porch, the girls don't seem to have much in common - except, they soon discover, a father. Thrown together with no mothers to care for them and a father who could not be considered a parent, Iris and Eva become one another's family. Iris wants to be a movie star; Eva is her sidekick. Together, they journey across 1940s America from scandal in Hollywood to the jazz clubs and golden mansions of Long Island, stumbling, cheating and loving their way through a landscape of war, betrayals and big dreams.

hobby lobby going out of business: Only One Life Jackie Green, Lauren Green McAfee, 2018-06-05 Life keeps us running so fast and frenzied that we often lose sight of each day's holy potential. Yet as a woman loved and called by God, your ordinary everyday matters more than you could possibly imagine. Your choices today shape the legacy you leave for future generations. You are part of a story that has existed long before you and will long outlast you. And you can play a unique and irreplaceable role. In *Only One Life*, mother-and-daughter team Jackie Green and Lauren McAfee invite you to join the company of women God is using to change the world. Through vivid portraits of women of the Bible, women of history, and women shaping the world today, you will discover how God multiplies seemingly small daily offerings of faithfulness. Come and see your own story reflected in the lives of women such as: Mary Magdalene, the first witness to Jesus's resurrection. Catherine Booth, an early apologist for women's rights and co-founder of the Salvation Army. Christine Caine, a contemporary speaker and human rights activist And other ordinary women who have done extraordinary things, including Harriet Tubman, Queen Esther, Lottie Moon, and Joni Eareckson Tada. Building a legacy through your "only one life" is not a calling for the elite few. It is a calling for you—as a woman with unique capacity to shape the future through your faith, family, gifts, and leadership. *Only One Life* will encourage and empower you to develop grit, grace, and the long view—able to change your world forever—starting today.

hobby lobby going out of business: *What Does It Mean to Be Chosen?* Amanda Jenkins, Dallas Jenkins, Douglas S. Huffman, 2021-01-21 The #1 bestseller in New Testament Commentaries. Over 200,000 copies sold! This is the official companion study to season 1 of *The Chosen*, the groundbreaking television series about the life of Jesus. *What Does It Mean to Be Chosen?* parallels each episode, connecting readers to the Bible in a brand-new way. It includes: A deeper look at Isaiah 43 and its fulfillment in Jesus and the lives of His followers (including us!) Script excerpts, quotes, and illustrations from the show Guiding questions for groups or individuals Being chosen by Jesus has beautiful and far-reaching implications—although it says even more about the Chooser than the choosees. We are loved because He is love. We are saved because He is merciful. We belong to the family of God because Jesus invites us, making the Bible and all its promises as true for us today as it was for God's chosen people. What does it actually mean to be Chosen? To answer that question, we're going Old school—Testament that is—which leads us back to the New. Which always leads us directly to Jesus.

hobby lobby going out of business: *The Bible in America* Steve Green, Todd Hillard, 2012

hobby lobby going out of business: American Governance Stephen L. Schechter, Thomas A. Birkland, Thomas S. Vontz, 2016 Provides scholarship on a wide range of essential issues related to how Americans govern themselves. Key topics include formal frameworks such as the various U.S. and state constitutions and federal, state, and local governments, as well as the formation and action of citizens--

hobby lobby going out of business: Protest Politics in the Marketplace Caroline Heldman, 2017-10-15 *Protest Politics in the Marketplace* examines how social media has revolutionized the use and effectiveness of consumer activism. In her groundbreaking book, Caroline Heldman emphasizes that consumer activism is a democratizing force that improves political participation, self-governance, and the accountability of corporations and the government. She also investigates the use of these tactics by conservatives. Heldman analyzes the democratic implications of boycotting, socially responsible investing, social media campaigns, and direct consumer actions,

highlighting the ways in which such consumer activism serves as a countervailing force against corporate power in politics. In *Protest Politics in the Marketplace*, she blends democratic theory with data, historical analysis, and coverage of consumer campaigns for civil rights, environmental conservation, animal rights, gender justice, LGBT rights, and other causes. Using an inter-disciplinary approach applicable to political theorists and sociologists, Americanists, and scholars of business, the environment, and social movements, Heldman considers activism in the marketplace from the Boston Tea Party to the present. In doing so, she provides readers with a clearer understanding of the new, permanent environment of consumer activism in which they operate.

hobby lobby going out of business: Anne Morrow Lindbergh Susan Hertog, 2010-05-19 An illuminating portrait of Anne Morrow Lindbergh--loyal wife, devoted mother, pioneering aviator, and critically acclaimed author of the bestselling *Gift from the Sea*. Anne Morrow Lindbergh has been one of the most admired women and most popular writers of our time. Her *Gift from the Sea* is a perennial favorite. But the woman behind the public person has remained largely unknown. Drawing on five years of exclusive interviews with Anne Morrow Lindbergh as well as countless diaries, letters, and other documents, Susan Hertog now gives us the woman whose triumphs, struggles and elegant perseverance riveted the public for much of the twentieth century.

hobby lobby going out of business: This Dangerous Book Steve Green, Jackie Green, 2017-11-07 From Steve and Jackie Green, founders and curators of the Museum of the Bible--a fascinating exploration of the history, authenticity, and power of the Bible, the book that has changed people and nations throughout the centuries. It is the top selling book in history. It brings social upheaval, international arguments, and political controversy. It has been used to justify both love and war. And for generations, it has found its way into the hearts of millions, offering comfort, direction, and life-changing truths. How could one book have such power? In *This Dangerous Book*, Steve and Jackie Green explore the incredible history and impact of the Bible. As the founders and visionaries of the Museum of the Bible in Washington D.C., the Greens have a unique perspective on the Bible's journey--from its ancient beginnings, to its effect on the moral fiber of nations, to its transformative influence in individual hearts. The Greens share the challenges they have faced in acquiring biblical artifacts from around the world and why generations--in every time period and in every geographical location--have risked their lives to preserve this precious book. Exploring ancient tablets, medieval commentaries, and modern translations, *This Dangerous Book* offers fascinating insight into the miracles and martyrdoms that have led to the Scriptures we read today. The Greens explore how cutting-edge technology gives new insight into the authenticity of the Bible, including the work of fifty scholars who recently uncovered hidden details about thirteen unpublished Dead Sea Scroll fragments. *This Dangerous Book* also looks at the link between the Hebrew Bible and the New Testament, what we can learn from how the Bible was passed down to us, and why God's Word is foundational to America's past and crucial for its future. The Bible is a world-changer and a heart-changer. Whether you have read the Bible for years or are simply curious about its influence, *This Dangerous Book* could change your heart as well.

hobby lobby going out of business: Religious Liberties for Corporations? D. Gans, I. Shapiro, Ralf Norrman, 2014-11-07 An expanded version of a series of debates between the authors, this book examines the nature of corporate rights, especially with respect to religious liberty, in the context of the controversial Hobby Lobby case from the Supreme Court's 2013-14 term.

hobby lobby going out of business: *The Contested Place of Religion in Family Law* Robin Fretwell Wilson, 2018-05-31 Examines clashes over religious liberty spanning the life cycle of families - from birth to death.

hobby lobby going out of business: *HALF OF EVERY COUPLE* Diane O'Brien, 2018-12-17 *Half of Every Couple* takes the reader through the year following the death of the author's husband, ending their nearly fifty year marriage. Weekly entries follow Diane O'Brien's journey of grief - from the numbness of the first weeks to a gradual awakening to the possibilities that lay ahead. With a 150-year-old farm house and barn, a flock of laying hens, a dog and six grandchildren within a mile

or two there are few quiet moments. The paradox of grieving amidst the renewal of life all around her is a central theme of Half of Every Couple. That this unfolds in the context of a small coastal Maine town where everyone knows someone has died when the dooryard's full of cars makes it all the more interesting.

hobby lobby going out of business: Bigger Than Business Jeff Holler, 2021-03-22 Brings you eight inspiring and thought-provoking stories of Christian business owners from six continents living out the purpose for which God created them in their unique business settings.
