hockey trivia questions and answers: *The Grim Reaper* Stu Grimson, 2019-10-15 A powerful memoir from an NHL heavyweight champion who moved from the dressing room to the courtroom. NHL tough guys all tell the same story. They all grew up dreaming of skating in the big league as stars. Then one day, a coach tells them the only way to make it is to drop the gloves. And every guy says the same thing: I'll do whatever it takes to play in the NHL. Not Stu Grimson, though. When he was offered a contract to patrol the ice for the Calgary Flames, he said no thanks, and went to university instead. And that's the way Grimson has approached his career and his life: on his own terms. He stared down the toughest players on the planet for seventeen years, while working on his first university degree. He retired on his own terms, and went on to practice law, including a stint as in-house counsel for the NHLPA. This has put him in a unique position when it comes to commenting on the game. He's seen it from the trenches, and he's seen it from the courtroom. This puts him in the eye of the storm surrounding fighting and concussions. And he handles that the way he does everything: on his own terms. When Don Cherry called him out on television, it was the seemingly

indominable Cherry who backed down. Hockey fans will be fascinated by his data-driven defence of fighting. But in the end, this is not a book about fighting and locker-room stories. It's the story of a young man who ultimately took on the toughest role in pro sports and came out the other side. Where many others have not.

hockey trivia questions and answers: Indian Horse Richard Wagamese, 2018-04-10 A First Nations former hockey star looks back on his life as he undergoes treatment for alcoholism in this novel from the author of Dream Wheels. Saul Indian Horse is a child when his family retreats into the woods. Among the lakes and the cedars, they attempt to reconnect with half-forgotten traditions and hide from the authorities who have been kidnapping Ojibway youth. But when winter approaches, Saul loses everything: his brother, his parents, his beloved grandmother—and then his home itself. Alone in the world and placed in a horrific boarding school, Saul is surrounded by violence and cruelty. At the urging of a priest, he finds a tentative salvation in hockey. Rising at dawn to practice alone, Saul proves determined and undeniably gifted. His intuition and vision are unmatched. His speed is remarkable. Together they open doors for him: away from the school, into an all-Ojibway amateur circuit, and finally within grasp of a professional career. Yet as Saul's victories mount, so do the indignities and the taunts, the racism and the hatred—the harshness of a world that will never welcome him, tied inexorably to the sport he loves. Spare and compact yet undeniably rich, Indian Horse is at once a heartbreaking account of a dark chapter in our history and a moving coming-of-age story. "Shocking and alien, valuable and true... A master of empathy."—Jane Smiley, Pulitzer Prize-winning author of Golden Age "A severe yet beautiful novel.... Indian Horse finds the granite solidity of Wagamese's prose polished to a lustrous sheen; brisk, brief, sharp chapters propel the reader forward."—Donna Bailey Nurse, National Post (Toronto)

hockey trivia questions and answers: Sorry, Wrong Answer Rod L. Evans Ph.D., 2010-06-01 Where were Venetian blinds invented? What color is the black box on a commercial airplane? Where did India ink originate? *Most of us know more than we think we know. We also think we know more than we actually do—because some of what we think we know simply ain't so. We all harbor misconceptions that are accepted not only because they are popular but also because they make sense. It makes sense to believe, for example, that German chocolate originated in Germany rather than the truth: that German chocolate is so named because it was created by Sam German. It seems logical to believe that Mercury is the hottest planet because of its proximity to the sun, or that buttermilk contains butter, that Danish pastry is from Denmark, and that the boat race America's Cup was named after the United States of America. In *Sorry, Wrong Answer*, Rod Evans takes readers on a tour of misleading trivia, debunking commonly held assumptions and sharing surprising right answers. *Answers: Japan; Orange; China
