Humorous Accounting Quotes: A Hilarious Look at the World of Numbers

Introduction:

Let's face it, accounting isn't exactly known for its comedic flair. Long hours spent poring over spreadsheets, wrestling with complex tax codes, and ensuring every decimal point is in its rightful place - it's enough to drive anyone to the brink! But beneath the serious veneer of balance sheets and profit margins lies a surprisingly rich vein of humor. This post delves into the world of funny accounting quotes, offering a much-needed dose of laughter for anyone who's ever battled a recalcitrant ledger or faced the daunting task of tax season. We'll explore quotes that poke fun at the profession's quirks, highlight the absurdity of certain accounting practices, and celebrate the resilience of those who navigate this often-challenging field. Prepare to chuckle, relate, and maybe even learn a thing or two along the way.

The Best Humorous Accounting Quotes to Brighten Your Day

1. Quotes on the Tedium of Accounting:

Accounting, at its core, is about meticulous detail. This can be both rewarding and... incredibly tedious. Many humorous quotes highlight this inherent struggle. For example:

"Accounting is the process of turning coffee into reports." This simple quote perfectly captures the long hours and caffeine-fueled dedication demanded by the job. It's a relatable sentiment for every accountant who's ever relied on copious amounts of coffee to power through a deadline.

"My job is to make sure that the numbers add up. It's not my job to make sure that the numbers make sense." This quote highlights the often-absurd nature of accounting where adherence to rules and procedures sometimes overrides common sense. It's a funny acknowledgment of the sometimes-bizarre realities accountants face.

"I love deadlines. I especially love the whooshing sound they make as they fly by." This quote is a universal truth for anyone working under pressure. It's a darkly humorous take on the constant battle against deadlines.

1. Quotes on the Challenges of Auditing:

Auditing, with its painstaking review of financial records, is a fertile

ground for humor. The pressure, the detail, and the potential for discovering discrepancies all contribute to the comedic potential:

"An auditor is someone who knows the price of everything and the value of nothing." This cynical yet humorous quote speaks to the potential disconnect between numbers and real-world meaning. It highlights the sometimes-narrow focus of accounting.

"An auditor is a person who looks for loopholes in the system, but only after they've closed." This quote pokes fun at the sometimes frustrating process of auditing, implying that finding problems is only useful retrospectively.

"Auditing is like looking for a needle in a haystack, only the needle is also a haystack." This analogy perfectly captures the overwhelming nature of an audit, suggesting that the search is both difficult and complex.

1. Quotes on the Absurdity of Tax Season:

Tax season is a universal source of anxiety, and the resulting humor is often darkly comedic:

"Taxes are what we pay for civilized society. But what we get is debatable." This quote playfully questions the value received in exchange for taxes. It's a relatable sentiment for anyone who feels taxed (pun intended) without sufficient return.

"I'm not sure what's tighter, my jeans or the tax deadlines." This witty comparison highlights the pressure and stress associated with meeting tax deadlines.

"The only thing worse than paying taxes is not paying taxes." This quote explores the anxiety of dealing with taxes, either through payment or the avoidance thereof.

1. Quotes on the Accountant's Personality:

Accountants are often portrayed as detail-oriented, precise, and even slightly eccentric. This stereotype lends itself to humorous commentary:

"An accountant is someone who can add a column of figures, but cannot add an ounce of fun." This quote is a playful jab at the perceived lack of fun in the accounting profession.

"Accountants are like onions; they have layers." This analogy highlights the complexity of an accountant's work and the multiple layers of detail involved.

"Accountants sleep soundly because they know that even in their dreams, the debits and credits balance." This quote underscores the dedication and precision that accountants possess, even carrying their work into their subconscious.

Article Outline: "Humorous Accounting Quotes"

Name: A Hilarious Look at the World of Numbers: Humorous Accounting Quotes

Outline:

Introduction: Hook the reader with a relatable anecdote about accounting's challenges and the promise of humor.

Chapter 1: Quotes on the Tedium of Accounting: Explore quotes highlighting the repetitive nature of accounting work.

humorous accounting quotes: Glasbergen Cartoons Randy Glasbergen, 2022-04-19 The last works of Randy Glasbergen were found in his office as the family were sorting through items on his desk after his unexpected passing in 2015. The contents of this book are a compilation of new cartoons in just about every topic Randy wrote and drew about. Randy's intention was to add these cartoons to his extensive online cartoon catalog. Rather than adding these cartoons to the catalog, the family decided to release them in book form as a tribute to his legacy in cartooning.

humorous accounting quotes: 1001 Quotes, Illustrations, and Humorous Stories for Preachers, Teachers, and Writers Edward K. Rowell, 2008-05 Anyone who speaks for a living knows that at some point you just run out of relevant stories to tell. And there's nothing more embarrassing to a preacher or teacher than a listener pointing out that they've heard a story three or four times now. What's a busy speaker to do? Edward K. Rowell and Leadership journal have come to the rescue with this fresh compilation of quotes, idea starters, illustrations, and humor to jump-start or add kick to speeches, sermons, and lessons. This easy-to-use volume is the perfect addition to the library of any pastor, teacher, or public speaker.

humorous accounting quotes: Survival of the Flirting Impaired Linda Guest, 2013-09-03 I was a perpetually single thirty-something who managed to find love on a dating website. My journey (and it was a journey) was not the shortest distance between two points. In fact, the best words to describe my journey into, and out of, the land of dating is "evolutionary". Hello, my name is Linda, and I am flirting impaired: here is my story...

humorous accounting quotes: Financial Jokes for Financial Folks Andrew Worden, 2019-09-05 This financial joke book (full of all original accounting and finance dad jokes) is the perfect gift for any businessman or businesswoman who loves telling cheesy jokes, corny jokes, or just plain awful dad jokes! A fantastic novelty gift for an Office Party, Corporate Event, Fathers Day, Dads Birthday & Christmas. All the jokes in this book are clean family friendly jokes. When you open it up, you'll see that the first page has space for a TO: and a FROM:, a cool alternative to a card. Wikipedia describes a Dad Joke as a short bad joke, typically a pun, presented as a one-liner or a question and answer. That means you end up with a lot of groaners and headshakers during gatherings. Your friend/coworker/parent who works in accounting/finance/business will be laughing for the rest of the day after you give them this joke book!

humorous accounting quotes: What I Was Doing While You Were Breeding Kristin Newman, 2014-05-20 A "truly hilarious" (Glamour), sexy, and ultimately poignant memoir about mastering the art of the "vacationship" from a writer and co-executive producer of Hulu's Only Murders in the Building—now with a new afterword "What I Was Doing While You Were Breeding is kind of like if Eat, Pray, Love were written by your funniest friend."—Rachel Dratch Kristin Newman spent much of her twenties and thirties buying dresses to wear to her friends' weddings and baby showers. Not ready to settle down and in need of an escape from her fast-paced job as a sitcom writer, Kristin instead traveled the world, often alone, for several weeks each year. In addition to falling madly in love with the planet, Kristin fell for many attractive locals, men who could provide

the emotional connection she wanted without costing her the freedom she desperately needed. Kristin introduces readers to the Israeli bartenders, Finnish poker players, sexy Bedouins, and Argentinean priests who helped her transform into “Kristin-Adjacent” on the road—a slower, softer, and, yes, sluttier version of herself at home. Equal parts laugh-out-loud storytelling, candid reflection, and wanderlust-inspiring travel tales, *What I Was Doing While You Were Breeding* is a compelling debut that will have readers rushing to renew their passports.

humorous accounting quotes: *Flying Dutch* Tom Holt, 2012-09-04 Mild-mannered accountant Jane Doland must track down Vanderdecker, a magically immortal Dutch sea captain who, along with his crew, has been circling the globe for four hundred years.

humorous accounting quotes: *The Accounting Game* Darrell Mullis, Judith Orloff, 2008-03-01 A clear, easy-to-understand explanation of key financial accounting basics. The world of accounting can be intimidating. Whether you're a manager, business owner, aspiring entrepreneur, or taking a college course in accounting, you'll find yourself need to know the basics...but baffled by complicated accounting books. What if learning accounting could be as simple and fun as running a child's lemonade stand? It can. *The Accounting Game* presents financial information in a format so simple and so unlike a common accounting textbook, you may forget you're learning skills that will help you get ahead! Using the world of a child's lemonade stand to teach the basics of managing your finances, this book makes a dry subject fun and understandable. As you run your stand, you'll begin to understand and apply financial terms and concepts like assets, liabilities, earnings, inventory and notes payable, plus: Interactive format gives you hands-on experience Color-coded charts and worksheets help you remember key terms Step-by-step process takes you from novice to expert with ease Fun story format speeds retention of essential concepts Designed to apply what you learn to the real world The revolutionary approach of *The Accounting Game* takes the difficult subjects of accounting and business finance and makes them something you can easily learn, understand, remember and use! Praise for *The Accounting Game*: The game approach makes the subject matter most understandable. I highly recommend it to anyone frightened by either numbers or accountants. —John Hernandis, Director of Corporate Communications, American Greetings Fantastic Learning Tool...Don't let this book title fool you. It is not an oversimplification of accounting and financial principles. It is, however, a serious and very effective examination of a very small but progressively complex business. There are not many books available on the market that make a complex and dry subject understandable and even fun. This book successfully does just that. —Amazon Reviewer

humorous accounting quotes: *Unwrap My Heart* Alex Falcone, Ezra Fox, 2016-11-15 Sofia is just a normal high school girl, worried about getting her homework done and looking cool in the lunchroom, when HE shows up: a devastatingly handsome new kid, mysteriously covered in decaying bandages and staring at her from the empty holes where his eyes should be. She thinks he's just a hipster, but is there more to this handsome stranger than meets the eye? Yes. He's a mummy. We're not really making a secret about this. The twist is he's a mummy. It's a book about a girl who falls in love with a mummy. We've read young adult books about teenage girls unknowingly falling in love with vampires, werewolves, angels, demons, fairies, mermen, warlocks, dreamwalkers, and trolls. Seriously, there was one about trolls. It's time for mummies, dammit. It's time for mummies.

humorous accounting quotes: *My Prizes* Thomas Bernhard, 2010-11-23 A gathering of brilliant and viciously funny recollections from one of the twentieth century's most famous literary enfants terribles. Written in 1980 but published here for the first time, these texts tell the story of the various farces that developed around the literary prizes Thomas Bernhard received in his lifetime. Whether it was the Bremen Literature Prize, the Grillparzer Prize, or the Austrian State Prize, his participation in the acceptance ceremony—always less than gracious, it must be said—resulted in scandal (only at the awarding of the prize from Austria's Federal Chamber of Commerce did Bernhard feel at home: he received that one, he said, in recognition of the great example he set for shopkeeping apprentices). And the remuneration connected with the prizes presented him with opportunities for adventure—of the new-house and luxury-car variety. Here is a

portrait of the writer as a prizewinner: laconic, sardonic, and shaking his head with biting amusement at the world and at himself. A revelatory work of dazzling comedy, the pinnacle of Bernhardian art.

humorous accounting quotes: Pastrix Nadia Bolz-Weber, 2013-09-10 Now a New York Times bestselling author, Nadia Bolz-Weber takes no prisoners as she reclaims the term pastrix (pronounced pas-triks, a term used by some Christians who refuse to recognize female pastors) in her messy, beautiful, prayer-and-profanity laden narrative about an unconventional life of faith. Heavily tattooed and loud-mouthed, Nadia, a former stand-up comic, sure as hell didn't consider herself to be religious leader material—until the day she ended up leading a friend's funeral in a smoky downtown comedy club. Surrounded by fellow alcoholics, depressives, and cynics, she realized: These were her people. Maybe she was meant to be their pastor. Using life stories—from living in a hopeful-but-haggard commune of slackers and her unusual but undeniable spiritual calling to her experiences pastoring people from all walks of life—and poignant honesty, Nadia portrays a woman who is both deeply faithful and deeply flawed, giving hope to the rest of us along the way. Wildly entertaining and deeply resonant, this is the book for people who hunger for a bit of hope that doesn't come from vapid consumerism; for women who talk too loud and guys who love chick flicks; and for the gay person who loves Jesus and won't be shunned by the church. In short, this book is for every misfit suspicious of institutionalized religion but who is still seeking transcendence and mystery.

humorous accounting quotes: Stupid Things I Won't Do When I Get Old Steven Petrow, 2021-06-29 For fans of David Sedaris and Nora Ephron, a humorous, irreverent, and poignant look at the gifts, stereotypes, and inevitable challenges of aging, based on award-winning journalist Steven Petrow's wildly popular New York Times essay, *Things I'll Do Differently When I Get Old*. Soon after his 50th birthday, Petrow began assembling a list of “things I won't do when I get old”—mostly a catalog of all the things he thought his then 70-something year old parents were doing wrong. That list, which included “You won't have to shout at me that I'm deaf,” and “I won't blame the family dog for my incontinence,” became the basis of this rousing collection of do's and don'ts, wills and won'ts that is equal parts hilarious, honest, and practical. The fact is, we don't want to age the way previous generations did. “Old people” hoard. They bore relatives—and strangers alike—with tales of their aches and pains. They insist on driving long after they've become a danger to others (and themselves). They eat dinner at 4pm. They swear they don't need a cane or walker (and guess what happens next). They never, ever apologize. But there is another way... In *Stupid Things I Won't Do When I Get Old*, Petrow candidly addresses the fears, frustrations, and stereotypes that accompany aging. He offers a blueprint for the new old age, and an understanding that aging and illness are not the same. As he writes, “I meant the list to serve as a pointed reminder—to me—to make different choices when I eventually cross the threshold to ‘old.’” Getting older is a privilege. This essential guide reveals how to do it with grace, wisdom, humor, and hope. And without hoarding. Praise for *Stupid Things I Won't Do When I Get Old*: “Unbelievably witty and relatable, I alternated bursting into laughter and placing my hand over my face in horror thinking, Oh my God, is that me? I often say, at this age we have something young people can never have...wisdom. My dear friend, Steven Petrow, has wisdom to share in this honest, funny, wry guide to keep us young at heart, without desperately hanging onto our youth. I am buying this book for all of my friends!” —Suzanne Somers, New York Times bestselling author of *A New Way to Age* “*Stupid Things I Won't Do When I Get Old* is an irreverent, funny, honest look at aging and all the things we take for granted as normal parts of aging. They don't need to be. If you struggle with getting older and want to find a fresh perspective on lessons learned about what NOT to do as we age, and what TO do to stay young in heart, spirit, mind and body, read this book.” —Mark Hyman, MD, #1 New York Times bestseller author of *The Blood Sugar Solution 10-Day Detox Diet*, and Head of Strategy and Innovation at the Cleveland Clinic Center for Functional Medicine. “Steven Petrow resolved to do things differently than his parents had when he gets old because he wished they'd been able to enjoy life more. His solution? He created a list! In this book, he shares the secrets to living a full life

regardless of our age. It's all about the decisions we make every day. My advice in a nutshell: Read this book and keep it handy." —"Dear Abby" (Jeanne Phillips), nationally syndicated advice columnist "It's never too early to imagine what your life will look like as you age. And as I once wrote, 'We are not hostages to our fate.' Petrow's book will help you plan, think, and redefine what it means to get older—and even laugh while doing it." —Andrew Weil, MD, New York Times bestselling author of *Spontaneous Healing* and *Healthy Aging: A Lifelong Guide to Your Well-Being* "Steven Petrow not only has a great attitude about life, he is wise about how to live it. Like me, he says we should embrace our one life 100% and not let a number—our age—get in the way of anything! Steven's book will help you rethink the word "aging" and approach this next chapter with a positive and proactive attitude. Plus, this book is fun!" —Denise Austin, renowned fitness expert, author, and columnist "Steven's writing feels like sitting with a friend—one who is unusually gracious, warm and frank." —Carolyn Hax, author of the nationally syndicated advice column, Carolyn Hax Praise for Steven Petrow: Steven Petrow's *Complete Gay & Lesbian Manners* helps gays and straights navigate the subtleties of the same-sex world. —People Move over, Emily Post! When it comes to etiquette for members of the gay, lesbian, bisexual and transgender community—as well as their straight friends, family members and coworkers—author and journalist Steven Petrow is the authority. —TIME What could've easily become a novelty book has emerged as an exhaustively researched, essential resource thanks to advice columnist and etiquette expert Steven Petrow. —The Advocate From having kids to planning funerals, Steven Petrow's *Complete Gay & Lesbian Manners* has most facets of gay life covered. Ms. Post would approve. —Entertainment Weekly An indispensable refresher course...on what's proper in modern...life. —Kirkus Reviews

humorous accounting quotes: Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

humorous accounting quotes: Never Run Out of Cash Philip Campbell, 2004 Discusses how to eliminate cash flow worries and experience peace of mind by becoming the master of your business rather than being a slave to it.

humorous accounting quotes: The Palace Thief Ethan Canin, 2002-11-23 A collection of four short fiction stories by Ethan Canin in which people find themselves struggling to understand the strange, surprising turns their lives have taken.

humorous accounting quotes: *Walking to Aldebaran* Adrian Tchaikovsky, 2019-05-28 I'M LOST. I'M SCARED. AND THERE'S SOMETHING HORRIBLE IN HERE. My name is Gary Rendell. I'm an astronaut. When they asked me as a kid what I wanted to be when I grew up, I said, "astronaut, please!" I dreamed astronaut, I worked astronaut, I studied astronaut. I got lucky; when a probe exploring the Oort Cloud found a strange alien rock and an international team of scientists was put together to go and look at it, I made the draw. I got even luckier. When disaster hit and our team was split up, scattered through the endless cold tunnels, I somehow survived. Now I'm lost, and alone, and scared, and there's something horrible in here. Lucky me. Lucky, lucky, lucky. A new standalone novella by the Arthur C Clarke Award-winning author of *Children of Time*.

humorous accounting quotes: Philosophical Perspectives on Accounting Michael J. Mumford, 1993-01-01

humorous accounting quotes: *Lacan, Psychoanalysis, and Comedy* Patricia Gherovici, Manya Steinkoler, 2016-08-02 Cutting-edge philosophers, psychoanalysts, literary theorists, and scholars use Freud and Lacan to shed light on laughter, humor, and the comic. Bringing together clinic, theory, and scholarship this compilation of essays offers an original mix with powerful interpretive implications.

humorous accounting quotes: *Born a Crime* Trevor Noah, 2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, *Time*), "poignant" (*Entertainment Weekly*), "soul-nourishing" (*USA Today*) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—*Esquire* Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by *The New York Times*, *USA Today*, *San Francisco Chronicle*, *NPR*, *Esquire*, *Newsday*, and *Booklist* Trevor Noah's unlikely path from apartheid South Africa to the desk of *The Daily Show* began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

humorous accounting quotes: Accounting For Dummies John A. Tracy, 2011-04-08 Learn the basics of practical accounting easily and painlessly with Accounting For Dummies, 4th Edition, which features new information on accounting methods and standards to keep you up to date. With this guide, you can avoid accounting fraud, minimize confusion, maximize profits, and make sense of accounting basics with this plain-English guide to your accountant's language. Understand how to manage inventory, report income and expenses for public or private companies, evaluate profit margins, analyze business strengths and weaknesses, and manage budgets for a better bottom line.

humorous accounting quotes: What's So Funny About Getting Old Ed Fischer, Jane Thomas Noland, 2014-03-11 One bonus of getting older is that it gives us a great perspective on life . . . and that includes plenty of humor! This collection of cartoons, quips, quotes, and insights introduces a new comedy genre: elderhumor. It captures the wry hilarity of our real-life sitcoms. Generational vocabulary gaps, miscommunications, preoccupation with health and comforts, foibles, disguises (for aging), even physical limitations -- all can have their funny sides when we're laughing at ourselves. One bonus of getting older is that it gives us a great perspective on life . . . and that includes plenty of humor! This collection of cartoons, quips, quotes, and insights introduces a new comedy genre: elderhumor. It captures the wry hilarity of our real-life sitcoms. Generational vocabulary gaps, miscommunications, preoccupation with health and comforts, foibles, disguises (for aging), even physical limitations -- all can have their funny sides when we're laughing at ourselves. This book, a light-hearted gift for anyone who's 50-plus, is a memoryjogger too. Remember the Katzenjammer Kids? Jack Armstrong? Apple Mary? Check out your friends' ages by their responses to a Vanishing Words test (examples: spider, broomstick skirt, running board, the shag). If you're still calling the refrigerator an icebox, it's a giveaway -- you're probably over 60. What's So Funny about Getting Old? is brought to you by a comedy team of two. Ed Fischer is an award-winning cartoonist. Jane Thomas Noland, author of Laugh It Off (what's so funny about trying to lose weight?) is a books editor and a former Minneapolis Star Tribune feature writer. Both have delicious ways of looking at life. Both, like all the rest of us, are getting older. Laughter heals. Laughter helps. Laughter keeps us in shape emotionally and physically. Read this book and try it. You'll be convinced, as these authors are, that there's only one way to grow older -- with a healthy sense of humor!

humorous accounting quotes: Double Entry Jane Gleeson-White, 2014-06-19 Our world is governed by the numbers generated by the accounts of nations and corporations. We depend on these numbers to direct our governments, our institutions, corporations, economies, societies. But where did they come from and how did they become so powerful?The answer to these questions begins in the Dark Ages in northern Italy with a new form of record keeping perfected by the merchants of Venice called double-entry bookkeeping. The story of double entry stars a Renaissance monk, mathematician, magician and constant companion of Leonardo da Vinci, his 27-page treatise for merchants, re.

humorous accounting quotes: The Contrast Cynthia A. Kierner, 2007-04-01 "The Contrast", which premiered at New York City's John Street Theater in 1787, was the first American play performed in public by a professional theater company. The play, written by New England-born, Harvard-educated, Royall Tyler was timely, funny, and extremely popular. When the play appeared in print in 1790, George Washington himself appeared at the head of its list of hundreds of subscribers. Reprinted here with annotated footnotes by historian Cynthia A. Kierner, Tyler's play explores the debate over manners, morals, and cultural authority in the decades following American Revolution. Did the American colonists' rejection of monarchy in 1776 mean they should abolish all European social traditions and hierarchies? What sorts of etiquette, amusements, and fashions were appropriate and beneficial? Most important, to be a nation, did Americans need to distinguish themselves from Europeans—and, if so, how? Tyler was not the only American pondering these questions, and Kierner situates the play in its broader historical and cultural contexts. An extensive introduction provides readers with a background on life and politics in the United States in 1787, when Americans were in the midst of nation-building. The book also features a section with

selections from contemporary letters, essays, novels, conduct books, and public documents, which debate issues of the era.

humorous accounting quotes: Financial Shenanigans Howard M. Schilit, 2002-03-22 Techniques to uncover and avoid accounting frauds and scams Inflated profits . . . Suspicious write-offs . . . Shifted expenses . . . These and other dubious financial maneuvers have taken on a contemporary twist as companies pull out the stops in seeking to satisfy Wall Street. Financial Shenanigans pulls back the curtain on the current climate of accounting fraud. It presents tools that anyone who is potentially affected by misleading business valuations from investors and lenders to managers and auditors can use to research and read financial reports, and to identify early warning signs of a company's problems. A bestseller in its first edition, Financial Shenanigans has been thoroughly updated for today's marketplace. New chapters, data, and research reveal contemporary shenanigans that have been known to fool even veteran researchers.

humorous accounting quotes: Stolen Without a Gun Walter Pavlo, Neil Weinberg, 2007 Walter Pavlo, Jr. was a young MBA rising quickly through the finance ranks at the nation's second largest telecom company. With a beautiful wife, two kids and a promising career, he epitomized the American dream. Pavlo's life took a dark turn when he became a willing participant in the company's efforts to hide from investors and potential acquirers a mountain of bad debt run up by mobsters and other unsavory customers. Encouraged by higher-ups, Pavlo became accomplished at accounting gimmickry. Then the jaded young executive consorted with a colorful scam artist and others to use some of the same ploys he'd devised for his employer to enrich himself at its expense. A ruse born of disillusionment and greed turned into a nightmare for Pavlo after he was caught and forced to choose--rat on his buddies or spend decades rotting in prison. His crimes ultimately cost Pavlo his freedom, family, reputation and self-respect. Only later did he recognize that his original sins were part and parcel of the corruption that led to an historic collapse for his company, his industry and of public confidence in corporate America. With humor and raw honesty, Pavlo and award-winning Forbes senior editor Neil Weinberg use this compelling personal story to portray in intimate detail the pressures millions of white-collar workers face every day.

humorous accounting quotes: The Storyteller Dave Grohl, 2021-10-05 The #1 New York Times Bestseller * Named one of Variety's Best Music Books of 2021 * Included in Audible's Best of The Year list * A Business Insider Best Memoirs of 2021 * One of NME's Best Music Books of 2021 So, I've written a book. Having entertained the idea for years, and even offered a few questionable opportunities (It's a piece of cake! Just do 4 hours of interviews, find someone else to write it, put your face on the cover, and voila!) I have decided to write these stories just as I have always done, in my own hand. The joy that I have felt from chronicling these tales is not unlike listening back to a song that I've recorded and can't wait to share with the world, or reading a primitive journal entry from a stained notebook, or even hearing my voice bounce between the Kiss posters on my wall as a child. This certainly doesn't mean that I'm quitting my day job, but it does give me a place to shed a little light on what it's like to be a kid from Springfield, Virginia, walking through life while living out the crazy dreams I had as young musician. From hitting the road with *Scream* at 18 years old, to my time in *Nirvana* and the *Foo Fighters*, jamming with *Iggy Pop* or playing at the Academy Awards or dancing with *AC/DC* and the *Preservation Hall Jazz Band*, drumming for *Tom Petty* or meeting *Sir*

Paul McCartney at Royal Albert Hall, bedtime stories with Joan Jett or a chance meeting with Little Richard, to flying halfway around the world for one epic night with my daughters...the list goes on. I look forward to focusing the lens through which I see these memories a little sharper for you with much excitement.

humorous accounting quotes: Warren Buffett on Business Warren Buffett, 2013-11-18 The proven business principles of Warren Buffett Warren Buffett is one of the most admired and prolific investors and managers in corporate America. Warren Buffett on Business is a timeless guide to strategies that can help you run a successful business. This book is a one-of-a-kind collection of Buffett's letters to the shareholders of Berkshire Hathaway written over the past few decades, and in a clear, simple style distills the basic principles of sound business practices. Through Buffett's own remarkable words, this practical management handbook shares valuable insights on communicating with, and treating employees and shareholders fairly; responsible corporate governance; ethical behavior; patience and perseverance; admitting mistakes; and having a passion for work. Contains priceless pearls of business and management wisdom, woven into a delightful narrative Designed in an accessible manner and organized by business and management topics with strong lessons from Buffett Provides direct, hands-on information on major topics concerning managers, entrepreneurs, business students, and anyone interested in business Informative and inspiring, this unique book puts Warren Buffett's business beliefs in perspective.

humorous accounting quotes: Rich Dad's Rich Kid, Smart Kid Robert T. Kiyosaki, Sharon L. Lechter, 2001-01-01 This handbook for parents explains how to teach children the fundamental principles of finance, introducing problem-solving skills that help youngsters understand the importance of a good education and financial planning in their lives.

humorous accounting quotes: Soldier of Finance Jeff Rose, 2013-09-03 Too much debt? Not enough savings? It's time to become a battle-ready financial warrior, prepared to tackle any money challenge. Modeled on the Soldier's Handbook, which is issued to all new U.S. Army recruits, Soldier of Finance is a no-nonsense, military-style training manual to overcoming financial obstacles and building lasting wealth. Financial planner and experienced army veteran Jeff Rose has divided this book into 14 modules, each section covering an essential element of financial success. You will learn how to: Evaluate your position and commit to change Target and methodically eliminate debt Clean up your credit report Create tactical budgets Build emergency savings Invest for the short and long term Determine an affordable mortgage size, insurance needs, and more. Complete with tales from the trenches and useful tools including quizzes, debriefings, and more, Soldier of Finance is the survival guide you need to face down your finances and bring order and prosperity to your life.

humorous accounting quotes: Farcus David Waisglass, Gordon Coulthart, 1995 Get ready for the first collection of Farcus, the single-panel cartoon that is turning the working world on its ear. Introduced to international syndication in December of 1991, Farcus quickly became featured in over 180 newspapers. Farcus combines business jargon and human foibles with irresistible humor.

humorous accounting quotes: Kitchen Confidential Anthony Bourdain, 2013-05-01 After twenty-five years of 'sex, drugs, bad behaviour and haute cuisine', chef and novelist Anthony Bourdain has decided to tell all. From his first oyster in the Gironde to his lowly position as a dishwasher in a honky-tonk fish restaurant in Provincetown; from the kitchen of the Rainbow Room atop the Rockefeller Center to drug dealers in the East Village, from Tokyo to Paris and back to New York again, Bourdain's tales of the kitchen are as passionate as they are unpredictable, as shocking as they are funny.

humorous accounting quotes: The Practice of Absorption Spectrophotometry E. I. Stearns, 1969 First class. A great job at collating our philosophy. - Warren Buffett Very practical. - Charlie Munger One of the top investment books of all time. - The Motley Fool A must-read business book. - JP Morgan Private Banking As much a business management book as a personal finance book. - Publisher's Weekly One of the best books of the year. humorous accounting quotes: Undeath & Taxes Drew Hayes, 2015-08-11 The sequel to the Amazon bestseller THE UTTERLY UNINTERESTING AND UNADVENTUROUS TALES OF FRED, THE VAMPIRE ACCOUNTANT. After discovering just how filled with magic, intrigue, and adventure the parahuman world of being an Undead American can be, Fredrick Frankford Fletcher did exactly what was expected--he became a certified parahuman accountant. Myths and legends, as it turns out, are not so great at taking appropriate deductions and keeping their receipts, and Fred is more than happy to return to a life others view as woefully dull, expanding his accounting business to cater to various monsters and their respective financial needs. Said monsters are, unfortunately, still spectacular at pulling Fred into trouble, though. And despite merely wanting to stick with simple paperwork, Fred once again finds he is going to have to deal with enchanted weaponry, government agents, possessed houses, and one enigmatic dragon's interest. In the parahuman world, any business can turn deadly, even one as mundane as accounting.

humorous accounting quotes: Revolution for Dummies Bassem Youssef, 2017-03-21 "Hilarious and Heartbreaking. Comedy shouldn't take courage, but it made an exception for Bassem." --Jon Stewart The Jon Stewart of the Arabic World—the creator of The Program, the most popular television show in Egypt's history—chronicles his transformation from heart surgeon to political satirist, and offers crucial insight into the Arab Spring, the Egyptian Revolution, and the turmoil roiling the modern Middle East, all of which inspired the documentary about his life, Tickling Giants. Bassem Youssef's incendiary satirical news program, Al-Bernameg (The Program), chronicled the events of the 2011 Egyptian Revolution, the fall of President Hosni Mubarak, and the rise of Mubarak's successor, Mohamed Morsi. Youssef not only captured his nation's dissent but stamped it with his own brand of humorous political criticism, in which the Egyptian government became the prime laughing stock. So potent were Youssef's skits, jokes, and commentary, the authoritarian government accused him of insulting the Egyptian presidency and Islam. After a six-hour long police interrogation, Youssef was released. While his case was eventually dismissed, his television show was terminated, and Youssef, fearful for his safety, fled his homeland. In Revolution for Dummies, Youssef recounts his life and offers hysterical riffs on the hypocrisy, instability, and corruption that has long animated Egyptian politics. From the attempted cover-up of the violent clashes in Tahrir Square to the government's announcement that it had created the world's first AIDS cure machine, to the conviction of officials that Youssef was a CIA operative—recruited by Jon Stewart—to bring down the country through sarcasm. There's much more—and it's all insanely true. Interweaving the dramatic and inspiring stories of the development of his popular television show and his rise as the most contentious funny-man in Egypt, Youssef's humorous, fast-paced takes on dictatorship, revolution, and the unforeseeable destiny of democracy in the Modern Middle East offers much needed hope and more than a few healing laughs. A documentary about his life, Tickling Giants, debuted at the Tribeca Film Festival in 2016, and is now scheduled for major release.

humorous accounting quotes: Bloody Acquisitions Drew Hayes, 2016-07-26 The third book in Drew's outrageously adventurous and satirical series, including THE UTTERLY UNINTERESTING AND UNADVENTUROUS TALES OF FRED, THE VAMPIRE ACCOUNTANT (Book 1) and UNDEATH & TAXES (Book 2). With a thriving parahuman accounting practice, a steady relationship, and a circle of trusted friends, Fred's undead life has become more enjoyable than his normal one ever was. Unfortunately, it also seems that he's no longer the only vampire to appreciate the up-and-coming city of Winslow, Colorado. A new clan of vampires is moving in, and they aren't well known for tolerating outsiders in their territory. Now, Fred must cope with the growing presence-and threat-of other vampires even as he struggles to keep up with his business's demands and make time for his friends. Between hidden parahuman towns, crazed vampire hunters, quarreling mages, and the world's least subtle spy, it will take all of Fred's wiles just to keep his head above water. And as the new clan sinks their fangs deeper and deeper into his city, the undead accountant is faced with a choice between two equally unappealing options: flee his home, or stand against an entire clan of fellow vampires.

humorous accounting quotes: Benjamin Franklin's Humor Paul Zall, 2005-12-01 Although he called himself merely a "printer" in his will, Benjamin Franklin could have also called himself a diplomat, a doctor, an electrician, a frontier general, an inventor, a journalist, a legislator, a librarian, a magistrate, a postmaster, a promoter, a publisher—and a humorist. John Adams wrote of Franklin, "He had wit at will. He had humor that when he pleased was pleasant and delightful . . . [and] talents for irony, allegory, and fable, that he could adapt with great skill, to the promotion of moral and political truth." In Benjamin Franklin's Humor, author Paul M. Zall shows how one of America's founding fathers used humor to further both personal and national interests. Early in his career, Franklin impersonated the feisty widow Silence Dogood in a series of comically moralistic essays that helped his brother James outpace competitors in Boston's incipient newspaper market. In the mid-eighteenth century, he displayed his talent for comic impersonation in numerous editions of Poor Richard's Almanac, a series of pocket-sized tomes filled with proverbs and witticisms that were later compiled in Franklin's The Way to Wealth (1758), one of America's all-time bestselling books. Benjamin Franklin was sure to be remembered for his early work as an author, printer, and inventor, but his accomplishments as a statesman later in life firmly secured his lofty stature in American history. Zall shows how Franklin employed humor to achieve desired ends during even the most difficult diplomatic situations: while helping draft the Declaration of Independence, while securing France's support for the American Revolution, while brokering the treaty with England to end the War for Independence, and while mediating disputes at the Constitutional Convention. He supervised and facilitated the birth of a nation with customary wit and aplomb. Zall traces the development of an acute sense of humor throughout the life of a great American. Franklin valued

humor not as an end in itself but as a means to gain a competitive edge, disseminate information, or promote a program. Early in life, he wrote about timely topics in an effort to reach a mass reading class, leaving an amusing record of early American culture. Later, Franklin directed his talents toward serving his country. Regardless of its origin, the best of Benjamin Franklin's humor transcends its initial purpose and continues to evoke undying laughter at shared human experiences.
