## Is Hips and Curves Going Out of Business? Addressing the Rumors

Introduction:

**Rumors regarding the closure of Hips and Curves have sparked concern among its loyal customers and fitness enthusiasts. This comprehensive guide aims to address those rumors, examining the brand's current status, financial performance, and future prospects. We'll delve into the factors that might contribute to such speculation, while also exploring the overall health of the plus-size fitness industry. This detailed analysis will provide clarity and insight for those wondering about the future of Hips and Curves.**

Article Outline:

- I. The Origin and History of Hips and Curves: Briefly tracing the brand's journey and its impact on the plus-size fitness market.
- II. Recent News and Speculation: Analyzing recent media reports, social media discussions, and any official statements from the company.
- III. Financial Performance and Stability: Examining the brand's financial health, profitability, and potential challenges.
- IV. Competitive Landscape of the Plus-Size Fitness Industry: Assessing the market dynamics, the presence of competitors, and industry growth trends.
- V. Hips and Curves' Business Model and Adaptability: Evaluating the effectiveness of its current business model and its ability to adapt to market changes.
- VI. Customer Feedback and Brand Loyalty: Exploring customer reviews, satisfaction levels, and the overall perception of the brand.
- VII. Potential Scenarios for the Future of Hips and Curves: Discussing possible outcomes, including continued operation, restructuring, or potential closure.

Article Content:

- I. The Origin and History of Hips and Curves:

**Hips and Curves emerged as a pioneering brand in the plus-size fitness industry, recognizing a significant gap in the market for inclusive and body-positive workout programs. Its innovative approach to fitness resonated with many, contributing to its initial success and growth.**

## **II. Recent News and Speculation:**

**Recent online discussions and social media posts have fueled speculation about Hips and Curves' potential closure. However, it's crucial to discern credible information from unsubstantiated rumors. At this time, there has been no official announcement from the company regarding closure.**

## **III. Financial Performance and Stability:**

**Assessing the financial health of Hips and Curves requires access to private company information, which is generally not publicly available. However, factors like the economic climate, competition, and overall market trends can impact a company's financial stability. A decline in memberships or revenue could contribute to speculation about financial difficulties.**

## **IV. Competitive Landscape of the Plus-Size Fitness Industry:**

**The plus-size fitness market is becoming increasingly competitive. The rise of online fitness platforms and the growing awareness of inclusivity in the fitness world have led to more brands catering to this demographic. This competition can put pressure on established players like Hips and Curves.**

## **V. Hips and Curves' Business Model and Adaptability:**

**The success of Hips and Curves depends on its ability to adapt to changing market trends and customer preferences. Its business model might need to evolve to incorporate new technologies, diversify its offerings, or cater to the evolving needs of its target audience. Failure to adapt could contribute to challenges.**

#### **VI. Customer Feedback and Brand Loyalty:**

**Customer satisfaction and brand loyalty are critical factors for the success of any fitness brand. Analyzing customer reviews, social media feedback, and membership retention rates can provide valuable insights into the health of the business. High levels of positive feedback would suggest a strong and stable customer base.**

#### **VII. Potential Scenarios for the Future of Hips and Curves:**

**Several scenarios are possible for Hips and Curves. The brand may continue operations successfully, potentially expanding its reach and offerings. Alternatively, it may undergo restructuring, focusing on profitability and efficiency. A less likely, but still possible, scenario is eventual closure if it's unable to overcome financial or market challenges.**

#### **Conclusion:**

**While rumors regarding the closure of Hips and Curves have circulated, a definitive answer remains elusive without official confirmation. The brand's long-term success will depend on its ability to navigate the competitive landscape, adapt to market changes, and maintain a strong connection with its loyal customer base. Continuous monitoring of official**

## **announcements and industry news is recommended for the most accurate and up-to-date information.**

### Frequently Asked Questions (FAQs):

Q: Has Hips and Curves officially announced its closure?

A: No, as of this writing, there is no official announcement from Hips and Curves regarding its closure. Any information suggesting otherwise should be treated with caution until confirmed by official sources.

Q: What are the potential reasons for the closure rumors?

A: The reasons are speculative, but they could be related to financial challenges within the fitness industry, increased competition, or shifts in market trends.

Q: Where can I find reliable information about Hips and Curves?

A: Check the official Hips and Curves website, social media pages, and any reputable news sources covering the fitness industry.

Q: What should I do if I'm a current member?

A: Stay informed through official channels. If you have concerns, reach out directly to customer service.

**is hips and curves going out of business:** [Strong Curves](#) Bret Contreras, 2013-04-02 This is not your run-of-the-mill fitness book. Developed by world-renowned gluteal expert Bret Contreras, Strong Curves offers an extensive fitness and nutrition guide for women seeking to improve their physique, function, strength, and mobility. Contreras spent the last eighteen years researching and field-testing the best methods for building better butts and shapelier bodies. In Strong Curves, he offers the programs that have proven effective time and time again with his clients, allowing you to develop lean muscle, rounded glutes, and greater confidence. Each page is packed with information decoding the female anatomy, providing a better understanding as to why most fitness programs fail to help women reach their goals. With a comprehensive nutritional guide and over 200 strength exercises, this book gets women off the treadmill and furnishes their drive to achieve strength, power, and sexy curves from head to toe. Although the glutes are the largest and most powerful muscle group in the human body, they often go dormant due to lifestyle choices, leading to a flat, saggy bum. Strong Curves is the cure.

**is hips and curves going out of business:** [Read My Hips!](#) Wolf Schamberger, 2020-09-21 "I feel twisted", "I look crooked in the mirror", "My problems have been going on for years", "I have tried every kind of treatment" are commonly heard statements. Whether you have complaints or not, it's time to look at your body alignment, given that the pelvis and spine are not properly aligned in

80% of us. Think of a car that has an alignment problem! The tires wear differently and the car may wiggle and wobble, eventually causing structural damage to the frame and steering mechanism. We are not so different. Unwanted stresses caused by malalignment can affect every part of your body. You may feel it, for example, as “low back pain”, a “bursitis”, “tight hamstrings”. This book starts by explaining how your pelvis and spine function when in alignment and what happens when things go wrong. It describes some easy ways to recognize and treat the three most common ways the pelvis goes out of alignment. Then it outlines the “malalignment syndrome” – the typical changes and complaints associated with malalignment that, unfortunately, often lead to unwarranted investigation, misdiagnosis, and inappropriate and sometimes harmful treatment. After discussing the impact on various sports, it provides a comprehensive treatment approach aimed at achieving and maintaining your alignment making use of appropriate complementary techniques and encouraging your regular participation to achieve lasting results.

**is hips and curves going out of business:** Other People's Business Pamela Yaye, 2007-04-01 Don't go there. The stylish, toffee-skinned beauty with the flattire looks like the kind of uppity city girl L. J. Saunders has sworn to stay away from—even if she does have sass, smarts and legs to rival any Las Vegas showgirl. But L.J. was brought upright, and no gentleman would leave a lady stranded.... Look but don't touch. Autumn Nicholson has made some promises, too. No flings until she's sure it's the real thing—especially not with a luscious, hard-muscled hunk who'll be leaving D.C. in a matter of weeks. But when fate, well-meaning friends and a sizzling, sensual attraction intervene, L.J. and Autumn may be in for a change in plans!

**is hips and curves going out of business:** Whatever It Takes JM Stewart, 2014-12-02 She's been dying to hear the words... Walking away from her husband was the hardest thing Becca Morgan has ever done, even if it was the only way to save her heart from being broken by a loveless marriage. Still, when a terrible accident forces her to stay at her ex Jackson's house for a few days, emotions she thought she'd buried long ago start coming to the surface—and, to her surprise, seem to be reciprocated... ..he just doesn't know how to say. Jackson Kade has never known love like he knew with Becca, but his cold upbringing left him unable to show her how deeply he feels. When Becca winds up under his roof once more, he knows it's his only opportunity to prove his devotion—and passion. But old habits die hard, and even one mistake could shatter their last chance at love... INCLUDES A PREVIEW FOR RISKING IT ALL Praise for JM Stewart and her novels “[Stewart] had me hooked from the beginning...The absolute perfect read for the hopeless romantic.”—The Romance Reviews “Deeply satisfying.”—Harlequin Junkies “Emotional, heartwarming, engaging, and well done.”—Long and Short Reviews JM Stewart writes sweet and heartwarming contemporary romances with a touch of passion. She's a wife, a mother, a spiritualist and a lover of puppies who is addicted to chocolate and coffee. She lives in the Great Rainy Northwest with her husband of sixteen years and their two sons. She's a hopeless romantic who believes everybody should have their happily-ever-after and has been devouring romance novels for as long as she can remember. Writing them has become her passion.

**is hips and curves going out of business:** Feed Your Best Friend Better Rick Woodford, 2012-04-10 From Rick Woodford, the Dog Food Dude himself, comes Feed Your Best Friend Better, with easy recipes that will make even humans drool a little bit. Healthy food can enable dogs to live longer, healthier lives, just as it can for humans, and with these meals, treats, and cookies, dogs will never miss commercial kibble. Rick has researched nutrition for dogs and has used the same manuals veterinarians use to develop his recipes. Feed Your Best Friend Better makes the transition to homemade dog food simple, so you can make natural pet food for your dog every day. From nutritional value to portion sizes, these recipes will help dog parents know what their dog is eating. The meals are healthy, and dogs love them. Rick Woodford wants dogs in every family to be healthy and happy. His recipes use a variety of herbs and spices for their antioxidant properties but they smell so good everybody in the house will be drooling. Recipes include: \* Puppy Pesto \* Bacon Yappetizers \* Barkscotti \* Mutt Loaf \* Gingerbread Mailman In addition to 85 recipes other helpful chapters include: \* How to Pick out a Commercial Food; making the ingredient label easy to

understand with a breakdown of ingredients that are good for the bowl and those that are best left on the shelf. \* Determining Portion Size; information on body type and size help readers understand how much food their dogs need to be in the best shape \* Problem Mealtime Behaviors; how to deal with the early morning wake up call, reluctant eaters, counter surfing and more

**is hips and curves going out of business:** *Carpenter* Peter James McGuire, Frank Duffy, 1900

**is hips and curves going out of business:** *Wyoming Trucks, True Love, and the Weather Channel* Jeffe Kennedy, 2004-03-16 These essays explore the challenges Jeffe Kennedy has faced as a woman, a Westerner, a father-less daughter, a stepmother, a biologist, and a girl with hair of no specific color. From the book's opening in a cornfield, where Kennedy is searching for the twenty-five-year-old site of the plane crash that killed her father, she seems to be in constant motion. She is the feminist adolescent, ashamed to win a prize in home economics who learns to take joy in her pastry skills. She is the scientist struggling with mortality, the liberal learning to shoot a gun. With cheeky wisdom, Jeffe Kennedy explores the extraordinary moments that transform ordinary lives. No revelation--from the meaning of the death of a parent to being a blonde--is too big or small for this Colorado-born biologist to dissect. Her insights tell us a lot about the way lives enhanced by real convictions are formed.--Vicki Lindner, author of *Outlaw Games* [Kennedy] writes vividly and with great clarity. Her sensitivity and empathy for other people enhances an unusually authentic ability to establish three-dimensional characterization.--Lee Gutkind, editor, *Creative Nonfiction*

**is hips and curves going out of business: Dangerous Curves** Larkin Rose, 2019-04-16 NASCAR photographer Lacy McGowen never thought she'd capture the moment of death. Unable to watch another race after a fatal crash, she flees Pittsburgh to shoot weddings and capture the images of LA's young, fashionable, and oh-so-spoiled. She's desperate to get back to the racetrack but has no idea how to overcome the images that haunt her. Up-and-coming NASCAR driver Kip Sellars has a death wish. At least that's what Lacy thinks when her best friend convinces her that cleaning up the young rookie's image will be a breeze. Kip's rude, arrogant, and unprofessional, not to mention scruffy, which shouldn't be nearly as sexy as it is. What Lacey doesn't know is that Kip's penchant for trouble masks a secret she can never tell and a deal with the devil she never should have made. When love waits at the finish line, dangerous curves are a risk worth taking.

**is hips and curves going out of business: Ebony** , 1977-03 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

**is hips and curves going out of business: Future imperfect** Alicia Fenieux, 2016 The author shows us in fifteen short stories a society that is just around the corner. A future which will offer scheduled euthanasia (mercy killing), memory implants, soul restoration and premium embryos. Taking a personal approach and using a sharp, direct style "Future Imperfect", awakens within us a longing for a lost world, one none other than our own present. Editorial Forja Reminiscent of works by previous writers such as Huxley, Orwell and Dick (authors of classics of the genre), Fenieux has drafted a wide-ranging dystopian picture in which the features and intensity of our world are portrayed as both idea and nightmarish at the same time (science fiction is often referred to as tales about the present that take place in the future). One of the most significant characteristics of the genre, which in the reviewer's opinion Fenieux perfectly accomplishes, is what could be called "the story of the emotions", that is, what would happen to the way we humans might feel about and experience life in a society embarked on a process of rapidly increasing use of technology. Ministry of Education, Chile (Alicia Fenieux) is a captivating voice within the emerging narrative. Municipal Literature Awards 2011, genre short stories.

**is hips and curves going out of business: One and Only** Jenny Holiday, 2018-02-27 From the USA Today bestselling author who is a master of witty banter (Entertainment Weekly) come a perfect rom-com (Refinery29) that proves when opposites attract, sparks fly. With her bridezilla friend on a DIY project rampage, bridesmaid Jane Denning will do anything to escape - even if it means babysitting the groom's troublemaker brother before the wedding. It should be a piece of

cake, except the cake is a sarcastic former soldier who is 100% wicked hotness and absolutely off-limits. Cameron MacKinnon is ready to let loose after returning from his deployment. But first he'll have to sweet talk the ultra-responsible Jane into taking a walk on the wild side. Turns out, riling her up is the best time he's had in years. But what happens when the fun and games start to turn into something real? Delightfully sexy and sweet. -- Lauren Layne, New York Times bestselling author *Fantastic!* Compelling characters, tons of heat, loads of heart. I highly recommend! -- M. O'Keefe, USA Today bestselling author *When it comes to creating unputdownable contemporary romances, Holiday is in it to win it.* -- Booklist Satisfying. --The New York Times Book Review What readers are saying about *One and Only*: A fun, fast-paced, satisfying read. Cam is my new book boyfriend....This book is going on my keeper shelf. This book was SO ENJOYABLE. Every single page gave me all the feels. I loved the characters, the plot, the writing - everything. A sweet, hilarious and powerful romance story that will warm your heart.

**is hips and curves going out of business:** *The Nikolais/Louis Dance Technique* Alwin Nikolais, Murray Louis, 2005 First Published in 2005. Routledge is an imprint of Taylor & Francis, an informa company.

**is hips and curves going out of business:** *Creative Ice Skating* Frances Dorsey, Wendy Williams, 1980

**is hips and curves going out of business:** *The Human Gait* Wilhelm Braune, Otto Fischer, 2012-12-06 The different chapters of the present book were published separately each as a complete entity in the Proceedings of the Royal Saxon Society for Sciences. Chapter 1 appeared in 1895 under the names of Wilhelm Braune and Otto Fischer although Braune died immediately after the initial experiments, before the recordings had been interpreted. Chapters 2-6 were signed by Fischer only and appeared in 1899, 1900, 1901, 1903 and 1904. Basic data needed for this investigation of the human gait had been provided previously. A research on the centre of gravity of the human body and its different segments by both authors was published in 1889, determination of the moments of inertia of the human body and its segments in 1892. So far only the first of these two works has been published in English. The other has been translated and awaits publication. Springer-Verlag must be congratulated for the quality of this edition and for the care they took in reproducing the original figures. This was certainly no easy task. We thank them for the patience they displayed towards the translators. Publication of the present book was made possible financially by Prof. M. Muller, Bern. We are grateful to him for his generosity and so will be the scientific community.

**is hips and curves going out of business: Orthopedic Physical Assessment** David J. Magee, 2008-01-01 Newly updated, this full-color text offers a rich array of features to help you develop your musculoskeletal assessment skills. Orthopedic Physical Assessment, 6th Edition provides rationales for various aspects of assessment and covers every joint of the body, as well as specific topics including principles of assessment, gait, posture, the head and face, the amputee, primary care, and emergency sports assessment. Artwork and photos with detailed descriptions of assessments clearly demonstrate assessment methods, tests, and causes of pathology. The text also comes with an array of online learning tools, including video clips demonstrating assessment tests, assessment forms, and more. Thorough, evidence-based review of orthopedic physical assessment covers everything from basic science through clinical applications and special tests. 2,400 illustrations include full-color clinical photographs and drawings as well as radiographs, depicting key concepts along with assessment techniques and special tests. The use of icons to show the clinical utility of special tests supplemented by evidence - based reliability & validity tables for tests & techniques on the Evolve site The latest research and most current practices keep you up to date on accepted practices. Evidence-based reliability and validity tables for tests and techniques on the EVOLVE site provide information on the diagnostic strength of each test and help you in selecting proven assessment tests. A Summary (Précis) of Assessment at the end of each chapter serves as a quick review of assessment steps for the structure or joint being assessed. Quick-reference data includes hundreds of at-a-glance summary boxes, red-flag and yellow-flag boxes, differential diagnosis tables, muscle and nerve tables, and classification, normal values, and grading tables. Case studies use real-world scenarios to help you develop assessment and diagnostic skills. Combined with other books in the Musculoskeletal Rehabilitation series - Pathology and Intervention, Scientific Foundations and Principles of Practice, and Athletic and Sport Issues - this book provides the clinician with the knowledge and background necessary to assess and treat musculoskeletal conditions. NEW! Online resources include video clips, assessment forms, text references with links to MEDLINE® abstracts, and more. NEW! Video clips demonstrate selected movements and the performance of tests used in musculoskeletal assessment. NEW! Text references linked to MEDLINE abstracts provide easy access to abstracts of journal articles for further review. NEW! Forms from the text with printable patient assessment forms can be downloaded for ease of use. NEW! Updated information in all chapters includes new photos, line drawings, boxes, and tables. NEW! The use of icons to show the clinical utility of special tests supplemented by evidence - based reliability & validity tables for tests & techniques on the Evolve site.

**is hips and curves going out of business: Headturner** Tanya Nicole Anderson, 2010-01-25

Nicole the oldest sister is beautiful, successful and wealthy. She has an insatiable sexual appetite and an ex who won't take no for an answer. Fatimah is a vivacious wife and mother whose life changes forever after a simple phone call. Aniyah is sexy and athletic and she battles with her low self esteem. She can't seem to maintain a long term relationship and when an old flame from her past re enters her life, she has to choose between him and possibly the best relationship she's ever had. Serena is the baby sister. She is sweet, beautiful and naive. When her ex threatens to expose a risque photo of her and possibly get her kicked out of college, she has to decide if she's gonna run to her family for help or if she's mature enough to handle it herself. And in the middle there is lovely Mariah, a married mother of five with a bun in the oven, who struggles to hold her family together while trying to maintain her family at home. Secrets and lies are revealed as these sisters discover what they are truly made of when trouble strikes.

**is hips and curves going out of business:** *Santa Baby* Lisa Renee Jones, 2020-11-24 When bookstore owner Caron Avery dresses up as Marilyn Monroe for a charity ball, she decides that for once in her life she'll let her inhibitions go. Before she knows it, Caron is living a night of fantasy with sexy millionaire Baxter Remington in hot pursuit. And what a night it is. Sizzling, red-hot and sensual, Baxter can't believe he's fallen under the adorable blonde's...er...brunette's spell. But with the scandal going on in his life, he knows he should let her go before she gets caught up in it, too. Then again - maybe one more night (or eight!) of mind-blowing passion will help them both forget! Previously published with another cover.

**is hips and curves going out of business: Tangled in the Curves** Caroline Bell, 2023-06-26 Receiving a diagnosis of scoliosis - a condition where the spine bends and rotates for no known reason - can be an emotional time full of questions and concerns. You might feel like you have to navigate it all by yourself. But, know this: you are not alone. *Tangled in the Curves* is an honest firsthand account of real life with idiopathic scoliosis that fully captures the scoliosis journey through teenage diagnosis, bracing, surgery, and adulthood. It's also a useful tool that provides easy access to an abundance of practical information: resources, options, research and expertise, tips and tricks, and personal stories from "scoliosis warriors" around the globe. All scoliosis warriors, no matter what stage they're at in their physical and emotional journey, will find something that speaks to them in this book. New scoliosis patients and their families will obtain the information they need, in easy-to-understand language, to address their immediate worries and questions. Bracers will find tips and tricks to make life with a back brace easier. Those receiving surgical treatment will learn what to really expect during surgery day, hospital recovery, and home recovery. Adult warriors who feel alone will find a large and relatable scoli community sharing their challenges, solutions, and support. *Tangled in the Curves* will inspire you to find your inner strength, resilience, and determination. Scoliosis does not define you. You can handle this!

**is hips and curves going out of business: Intimate Issues** Linda Dillow, Lorraine Pintus, 2009-01-13 *Intimate Issues* answers the twenty-one questions about sex most frequently asked by Christian wives, as determined by a nationwide poll of over one thousand women. Written from the perspective of two mature Christian wives and Bible teachers-women who you'll come to know as teachers and friends-*Intimate Issues* is biblical and informative: sometimes humorous, other times practical, but always honest. Through its solid teaching warm testimonials, scriptural insights, and experts' advise, you'll find resolution for your questions and fears, surprising insights about God's perspective on sex, and a variety of practical and creative ideas for enhancing your physical relationship with the husband you love. With warmth and wisdom, authors Linda Dillow and Lorraine Pintus speak woman to woman: examining the teachings of Scripture, exposing the lies of the world, and offering real hope that every woman's marriage relationship can become all it was intended to be in God's design.

website PatternReview.com, a community of more than 200,000 members. You'll also find special how-to features by PatternReview.com's master teachers and pattern designers, including Kenneth D. King, Susan Khalje, Sarah Veblen, Shannon Gifford, and Anna Mazur. Best of all, these words of wisdom—more than 1,000 tips in all—will provide you with new solutions to the trickiest problems and show you how to save time, money, and materials. Praise for 1,000 Clever Sewing Shortcuts & Tips "A must-have book for every sewer's library. Whether you're a burgeoning beginner or a seasoned seamstress, this book will teach you more than a few new tricks. Honestly, I couldn't put it down! It's packed full of creative tips and great ideas, shared as always, sewer to sewer!" —Margo Martin, Executive Director, American Sewing Guild, Inc. "The only thing better than a good tip is more good tips, no? It's all very well to get an expert's tips, but what's really needed when tip gathering is a hive-mind's best discoveries, and there's no busier, buzzier sewing hive than Deepika's PatternReview, so you KNOW they're in here, those tips you haven't head, haven't yet tried, haven't yet imagined. Welcome to the Hive!" —David Coffin, former editor of Threads magazine and author of Making Trousers for Men and Women

**is hips and curves going out of business: Her New Year Baby Surprise** Sue MacKay, 2017-12-01 A new baby of her own? Nurse Emma Hayes was happy being a surrogate to give her best friend, Abbie, her baby. She has her own daughter, Rosie, and everything she needs. Until handsome ER doc Nixon Wright gets under her skin! Having lost his family young, Nixon is wary of falling in love. But there's something about Emma... Soon he's fallen under her spell, with very unexpected consequences! Nevertheless, Emma faces the New Year full of hope for the future. But will the new baby they've created together be enough to melt Nixon's frozen heart?
