It's a Dangerous Business: Navigating High-Risk Industries and Careers

Introduction:

Embarking on a perilous journey? Understanding the inherent risks in high-danger occupations is crucial for survival and success.

This article delves into the multifaceted world of "dangerous businesses," exploring various industries and professions known for their inherent risks. We will examine the types of hazards involved, the necessary safety precautions, and strategies for mitigating risks to protect both physical and financial well-being. From physical dangers to financial instability, we'll uncover the challenges and triumphs within these high-stakes environments.

Article Outline:

- I. Defining "Dangerous Businesses": Identifying industries with high risk profiles.
- II. Types of Risks: Categorizing dangers (physical, financial, reputational).
- III. High-Risk Industries: Examples and detailed explanations (e.g., construction, emergency services, law enforcement, finance, entrepreneurship).
- IV. Mitigation Strategies: Safety protocols, risk assessment, insurance, and financial planning.
- V. Legal and Ethical Considerations: Compliance, regulations, and professional responsibility.
- VI. Mental Health and Wellbeing: Stress management, support systems, and preventative measures.
- VII. Success Stories and Resilience: Examples of individuals thriving in high-risk environments.

Body:

- I. Defining "Dangerous Businesses":

Identifying industries with high risk profiles involves considering the probability and severity of potential harm.

A "dangerous business" isn't solely defined by physical peril. It encompasses any field with

a significantly heightened likelihood of negative consequences – whether injury, financial loss, legal repercussions, or reputational damage.

II. Types of Risks:

Physical risks encompass immediate threats to life and limb, demanding rigorous safety protocols.

This could range from working at heights in construction to confronting armed suspects as a police officer.

Financial risks involve potential losses, bankruptcies, or economic instability.

Starting a business, investing in volatile markets, or working in industries susceptible to economic downturns all carry significant financial risk.

Reputational risks damage credibility and trust, impacting future opportunities.

This is particularly relevant in fields like journalism, politics, and finance, where a single mistake can have long-lasting consequences.

III. High-Risk Industries:

Construction workers face daily physical dangers, including falls, equipment malfunctions, and exposure to hazardous materials.

Rigorous safety training and adherence to regulations are paramount.

Emergency services personnel (firefighters, paramedics, police officers) regularly encounter life-threatening situations.

Their training emphasizes quick thinking, physical fitness, and teamwork under pressure.

Law enforcement officers confront violence, criminal activity, and potential for injury or death.

Mental health support and stress management are crucial for their well-being.

Finance professionals navigate complex markets and

high-stakes transactions, risking significant financial losses.

Thorough due diligence, risk assessment, and regulatory compliance are essential.

Entrepreneurs take on substantial financial and reputational risks when launching new ventures.

Careful planning, market research, and financial resilience are critical for success.

IV. Mitigation Strategies:

Implementing robust safety protocols is crucial for minimizing physical risks.

This includes providing appropriate personal protective equipment (PPE), conducting regular safety audits, and enforcing strict safety regulations.

Risk assessment and management help identify and prioritize potential threats, allowing for proactive mitigation.

Regular assessments can reveal vulnerabilities and inform safety improvements.

Insurance provides a financial safety net against potential losses, safeguarding against unexpected events.

Various types of insurance, such as liability, health, and life insurance, are vital for risk management.

Financial planning and emergency funds help mitigate financial risks, ensuring resilience during challenging times.

Budgeting, investing wisely, and building a financial reserve are crucial for stability.

V. Legal and Ethical Considerations:

Compliance with industry-specific regulations and laws is paramount to avoid legal repercussions.

Thorough understanding and adherence to safety standards and legal frameworks are essential.

Professional responsibility involves acting ethically and upholding high standards of conduct within a field.

Maintaining ethical practices and transparency build trust and credibility.

VI. Mental Health and Wellbeing:

Stress management techniques are essential to combat the psychological impact of high-risk work.

Mindfulness, meditation, and other stress-reduction strategies are vital for mental wellbeing.

Strong support systems, including family, friends, and professional counseling, can provide emotional resilience.

Access to mental health resources and support networks is critical.

Preventative measures, such as regular check-ups and promoting work-life balance, help maintain overall well-being.

Prioritizing physical and mental health prevents burnout and improves overall performance.

VII. Success Stories and Resilience:

Many individuals thrive in dangerous businesses by combining skill, dedication, and risk management.

Their resilience and adaptability serve as inspiring examples.

Conclusion:

Working in a "dangerous business" requires a unique blend of skill, courage, and careful planning.

While the risks are undeniable, success often hinges on understanding and mitigating those risks effectively. By prioritizing safety, financial prudence, and mental well-being, individuals can not only navigate these challenging environments but also achieve remarkable success.

Frequently Asked Questions (FAQs):

Q: What are some signs that a business is too risky? A: Consistent high accident rates, significant financial instability, repeated legal challenges, and a pervasive culture of disregard for safety are all red flags.

Q: How can I improve my risk assessment skills? A: Formal training in risk management, mentorship from experienced professionals, and utilizing readily available risk assessment tools are valuable resources.

Q: What types of insurance are essential for high-risk industries? A: This depends heavily on the specific industry, but liability insurance, workers' compensation insurance, and professional indemnity insurance are often crucial.

Q: How can I maintain my mental well-being while working in a stressful environment? A: Prioritizing self-care, developing strong social support networks, and actively seeking professional help when needed are vital strategies.

it s a dangerous business: A Dangerous Business McNary Lynch, 2009-09-16 Worth and Niccola Caivano are more than husband and wife. Long-married business and sparring partners, the Caivanos are always looking for the next exciting business venture. When they are invited to Cancun to meet up with Parker, a Golden Boy full of promises, they are exposed to more than just a sweet business deal. While Worth, a financial and management expert, tends to approach each new venture with enthusiasm, his attorney wife relies on her intuition and skepticism to lead her decisions. After Parker tells the couple about the huge potential in strife-torn areas of West Africa, Niccola has some misgivings but is eventually lured into an innovative but complicated housing and diamond deal along with her husband. Things turn sour when one of the major investors is found beaten to death with strategically placed blows in an airport lounge and Worth, an Aikido novice, becomes a suspect. From Houston to Tel Aviv, Africa, and Antwerp, the intrepid couple must clear Worth's name and determine the actual killer that is, until they witness a second murder and discover that they have been placed in serious danger.

it s a dangerous business: Flora of Middle-Earth Walter S. Judd, Graham A. Judd, 2017-07-18 Few settings in literature are as widely known or celebrated as J.R.R. Tolkien's Middle-Earth. The natural landscape plays a major role in nearly all of Tolkien's major works, and readers have come to view the geography of this fictional universe as integral to understanding and enjoying Tolkien's works. And in laying out this continent, Tolkien paid special attention to its plant life; in total, over 160 plants are explicitly mentioned and described as a part of Middle-Earth. Nearly all of these plants are real species, and many of the fictional plants are based on scientifically grounded botanic principles. In *Flora of Middle Earth: Plants of Tolkien's Legendarium*, botanist Walter Judd gives a detailed species account of every plant found in Tolkien's universe, complete with the etymology of the plant's name, a discussion of its significance within Tolkien's work, a description of the plant's distribution and ecology, and an original hand-drawn illustration by artist Graham Judd in the style of a woodcut print. Among the over three-thousand vascular plants Tolkien would have seen in the British Isles, the authors show why Tolkien may have selected certain plants for inclusion in his universe over others, in terms of their botanic properties and traditional uses. The clear,

comprehensive alphabetical listing of each species, along with the visual identification key of the plant drawings, adds to the reader's understanding and appreciation of the Tolkien canon.

it s a dangerous business: A Dangerous Business Jane Smiley, 2023-11-07 From the Pulitzer Prize-winning, best-selling author of *A Thousand Acres*: An amazing “mash-up of a Western, a serial-killer mystery and a feminist-inflected tale of life in a bordello” (The Washington Post). In 1850s Gold Rush California two young prostitutes, best friends Eliza and Jean, attempt to find their way in a lawless town on the fringes of the Wild West—a bewitching combination of beauty and danger—as what will become the Civil War looms on the horizon. “Everyone knows that this is a dangerous business, but between you and me, being a woman is a dangerous business, and don’t let anyone tell you otherwise... Monterey, 1851. Ever since her husband was killed in a bar fight, Eliza Ripple has been working in a brothel. It seems like a better life, at least at first. The madam, Mrs. Parks, is kind, the men are (relatively) well behaved, and Eliza has attained what few women have: financial security. But when the dead bodies of young women start appearing outside of town, a darkness descends that she can't resist confronting. Side by side with her friend Jean, and inspired by her reading, especially by Edgar Allan Poe’s detective Dupin, Eliza pieces together an array of clues to try to catch the killer, all the while juggling clients who begin to seem more and more suspicious. Eliza and Jean are determined not just to survive, but to find their way in a lawless town on the fringes of the Wild West—a bewitching combination of beauty and danger—as what will become the Civil War looms on the horizon. As Mrs. Parks says, Everyone knows that this is a dangerous business, but between you and me, being a woman is a dangerous business, and don’t let anyone tell you otherwise ...

it s a dangerous business: A Dangerous Business Michael Underwood, 2012-09-06 A chance sighting in a café in Amsterdam gives solicitor Rosa Epton an unwelcome shock. At a nearby table sits an ex-client who should be behind bars, having recently been sentenced to five years in prison. So what is Eddie Ruding doing in Amsterdam a few weeks later? On her return to England, Rosa makes a few discreet enquiries, only to draw a blank. But just as she has decided to try to put the matter out of her mind, a newspaper report shocks her into action. Eddie Ruding has been found dead, his crumpled body lying at the foot of the walls of Wandsworth Prison. Rosa, however, is not the only person on the dead man's trail. Everyone from inquisitive journalists to MI5 appears to be taking an interest - and none so much as the dead man's mother, a cockney matriarch with a score to settle.

it s a dangerous business: Dangerous Business Pat Choate, 2008-08-12 From one of the most respected and vigorous economic thinkers in Washington, a wake-up call about the perils of unfettered globalization. In this impassioned, prescient book, Pat Choate shows us that while increased worldwide economic integration has some benefits for our fiscal efficiency, it also creates

dependencies, vulnerabilities, national security risks, and social costs that now outweigh its advantages. He takes the long view of developments such as technology-driven progress, the offshoring of jobs, and open trade, arguing that current U.S. policies are leading to worldwide economic and political instability, in much the same way as before the Great Depression. Choate writes convincingly about the Defense Department's growing dependence on foreign sources for its technologies, the leasing of parts of our interstate highway system to overseas investors, China's economic mercantilism, and international currency manipulation that damages the dollar. We have been borrowing heavily from foreign lenders, who by 2009 will own more than half of the Treasury debt, a third of U.S. corporate bonds, and a sixth of U.S. corporate assets—all of which, if handled improperly, could trigger a global economic collapse. But our economic forecast need not be dire. Choate sees a way out of these dilemmas and presents politically viable steps the United States can take to remain sovereign, prosperous, and secure. He presents bold new research that identifies the special interests and structural corruption that have overtaken our democracy—and shows how they can be corrected. He illustrates how our policy-making and legislative process, currently beholden to the highest bidder, can be transformed from one of corporatism and elitism into one of greater transparency. Clear-eyed and persuasive, this is sure to be one of the most widely discussed books of the year.

it s a dangerous business: *Dangerous Company* James E. O'Shea, Charles Madigan, 1998

it s a dangerous business: *The Most Dangerous Game* Richard Connell, 2023-02-23 Sanger Rainsford is a big-game hunter, who finds himself washed up on an island owned by the eccentric General Zaroff. Zaroff, a big-game hunter himself, has heard of Rainsford's abilities with a gun and organises a hunt. However, they're not after animals – they're after people. When he protests, Rainsford the hunter becomes Rainsford the hunted. Sharing similarities with *The Hunger Games*, starring Jennifer Lawrence, this is the story that created the template for pitting man against man. Born in New York, Richard Connell (1893 – 1949) went on to become an acclaimed author, screenwriter, and journalist. He is best remembered for the gripping novel *The Most Dangerous Game* and for receiving an Oscar nomination for the screenplay *Meet John Doe*.

it s a dangerous business: *The Dangerous Book for Boys* Conn Iggulden, Hal Iggulden, 2018-04-03 The bestselling book—more than 1.5 million copies sold—for every boy from eight to eighty, covering essential boyhood skills such as building tree houses*, learning how to fish, finding true north, and even answering the age old question of what the big deal with girls is—now a Prime Original Series created by Bryan Cranston (*Breaking Bad*) and Greg Kinnear (*Superbad*). In this digital age, there is still a place for knots, skipping stones and stories of incredible courage. This book recaptures Sunday afternoons, stimulates curiosity, and makes for great father-son activities. The brothers Conn and Hal have put together a wonderful collection of all things that make being young or young at heart fun—building go-carts and electromagnets, identifying insects and spiders, and flying the world's best paper airplanes. Skills covered include: The Greatest Paper Airplane in the World The Seven Wonders of the Ancient World The Five Knots Every Boy Should Know Stickball Slingshots Fossils Building a Treehouse* Making a Bow and Arrow Fishing (revised with US Fish) Timers and Tripwires Baseball's Most Valuable Players Famous Battles-Including Lexington and Concord, The Alamo, and Gettysburg Spies-Codes and Ciphers Making a Go-Cart Navajo Code Talkers' Dictionary Girls Cloud Formations The States of the U.S. Mountains of the U.S. Navigation The Declaration of Independence Skipping Stones Making a Periscope The Ten Commandments Common US Trees Timeline of American History *For more information on building treehouses, visit www.treehouse-books.com and www.stilesdesigns.com or see “Treehouses You Can Actually Build” by David Stiles.

it s a dangerous business: Becoming a Dangerous Woman Pat Mitchell, 2019-10-08 An intimate and inspiring memoir and call to action from Pat Mitchell -- groundbreaking media icon, global advocate for women's rights, and co-founder and curator of TEDWomen Pat Mitchell is a serial ceiling smasher. The first woman to own and host a nationally syndicated daily talk show, and the first female president of CNN productions and PBS, Mitchell has been lauded as a powerful

changemaker and a relentless advocate for women and girls. In *Becoming a Dangerous Woman*, Mitchell shares her own path to power, from a childhood spent on a cotton farm in the South to her unprecedented rise in media and global affairs. Full of intimate, fascinating stories, such as an encounter with Fidel Castro while wearing a swimsuit, and traveling to war zones with Eve Ensler and Glenn, *Becoming a Dangerous Woman* is an inspiring call to arms for women who are ready to dismantle the barriers they see in their own lives.

it s a dangerous business: Write This Book Pseudonymous Bosch, 2013-04-02 This imaginative companion to the New York Times bestselling *Secret Series* teases, prompts, and leads readers through the steps of writing a story. Bosch's signature rip-roaring voice delivers an engaging narrative (for the reader to help complete!) and interactive puzzles and games. Readers get the chance to create their own story while enjoying a satisfying mystery as well. Here's a note from our fearless author: I feared this might happen. I knew reading was a dangerous business, but now it's not safe for writers either! You see, the author of this book is missing. Well, maybe not missing. A certain author whom I won't name (okay, me) has abandoned his book and has left his readers hanging out to dry. This is a crime, I admit, but there it is. Most of this book, well, I just haven't written it. And I'm not going to, either. Why? Oh, I have my reasons. Big. Grown up. Author. Reasons. Unfortunately, I can't reveal them yet. Let's just say a life is at stake (mine) and leave it at that. So will you do it? Pretty please? You'll do it? Thank you! But please hurry! Time is of the essence and you can't wait any longer. You must WRITE THIS BOOK!

it s a dangerous business: A Dangerous Profession Frederick Busch, 1998-10-15 Will make one want to reread all those great books one had not thought of in years.

it s a dangerous business: Feck Perfuction James Victore, 2019-03-05 James Victore is a dangerous man. His ideas on optimizing your creativity, doing wow work and building a life that inspires will devastate your limits. And show you how to win. Read this book fast. —Robin Sharma, #1 bestselling author of *The Monk Who Sold His Ferrari* Begin before you're ready. Renowned designer and professional hell-raiser James Victore wants to drag you off your couch and throw you headfirst into a life of bold creativity. He'll guide you through all the twists, trials, and triumphs of starting your creative career, from finding your voice to picking the right moment to start a project (hint: It's now). Bring your biggest, craziest, most revolutionary ideas, and he will give you the kick in the pants you need to make them real. No matter what industry or medium you work in, this book will help you live, work, and create freely and fearlessly. Here are some dangerous ideas: • The things that made you weird as a kid make you great today. • Work is serious play. • Your ego can't dance. • The struggle is everything. • Freedom is something you take. • There ain't no rules. Take a risk. Try them out. Live dangerously. More praise for *Feck Perfuction*: In James Victore's new book, he unequivocally proves why he is the master he is. In every chapter, he challenges and inspires the reader to reach for more, to try harder and to create our best selves. It is a magnificent and momentous experience. (All true). —Debbie Millman, *Host Design Matters* James Victore got famous creating tough posters that shook me to the core. He now does the same using the written word. To you. —Stefan Sagmeister, designer

it s a dangerous business: The Dangerous Art of Blending In Angelo Surmelis, 2018-01-30 ~Lambda Literary Award finalist for the best LGBT YA novel of 2018~ A raw, powerful, but ultimately uplifting debut novel perfect for fans of Aristotle and Dante Discover the Secrets of the Universe from debut author Angelo Surmelis. Seventeen-year-old Evan Panos doesn't know where he fits in. His strict immigrant Greek mother refuses to see him as anything but a disappointment. His quiet, workaholic father is a staunch believer in avoiding any kind of conflict. And his best friend, Henry, has somehow become distractingly attractive over the summer. Tired, isolated, scared—Evan finds that his only escape is to draw in an abandoned monastery that feels as lonely as he is. And yes, he kissed one guy over the summer. But it's Henry who's now proving to be irresistible. Henry, who suddenly seems interested in being more than friends. And it's Henry who makes him believe that he deserves more than his mother's harsh words and terrifying abuse. But as things with Henry heat up, and his mother's abuse escalates, Evan has to decide how to find his voice in a world where

he has survived so long by being silent. This is a powerful and revelatory coming-of-age novel based on the author's own childhood, about a boy who learns to step into his light.

it s a dangerous business: Drums, Girls, and Dangerous Pie Jordan Sonnenblick, 2010-01-01 A brave and beautiful story that will make readers laugh, and break their hearts at the same time. Now with a special note from the author! Steven has a totally normal life (well, almost). He plays drums in the All-City Jazz Band (whose members call him the Peasant), has a crush on the hottest girl in school (who doesn't even know he's alive), and is constantly annoyed by his younger brother, Jeffrey (who is cuter than cute - which is also pretty annoying). But when Jeffrey gets sick, Steven's world is turned upside down, and he is forced to deal with his brother's illness, his parents' attempts to keep the family in one piece, his homework, the band, girls, and Dangerous Pie (yes, you'll have to read the book to find out what that is!).

it s a dangerous business: I Am Smoke Henry Herz, 2021-09-14 Named to the Evanston Public Library's Blueberry List: Kids' Book that Inspire Love of Nature and Action for Planet Earth Selected for the Notable Social Studies 2022 list Named to the ALA Notable Children's Books 2022 "Wowww!"— Raina Telgemeier, #1 NY Times, #1 USA Today, #1 Publishers Weekly bestselling author/illustrator KIRKUS STAR: Lustrous illustrations and meditative text reflect on the role of smoke in nature and civilization... Smoke dissipates quickly, but this poetic text will linger. KIRKUS'S LIST OF 150 MOST ANTICIPATED FALL 2021 BOOKS Smoke itself acts as narrator, telling us how it has served humankind since prehistoric times in signaling, beekeeping, curing and flavoring food, religious rites, fumigating insects, and myriad other ways. Smoke speaks in mesmerizing riddles: "I lack a mouth, but I can speak.... I lack hands, but I can push out unwanted guests.... I'm gentler than a feather, but I can cause harm.... This rhythmically powerful narration is complemented by illustrations in which swirling smoke was captured on art paper held over smoky candle flames, and the dancing smoke textures were then deepened and elaborated with watercolors and Photoshop finishes. With this unique method, Merce López "let the smoke decide how the idea I had in mind would dance with it, giving freedom to the images." The resulting illustrations are astounding, and they resonate with the otherworldly text.

it s a dangerous business: Into the Dangerous World Julie Chibbaro, 2015-08-18 At a family meeting, Ror declares her purpose: She is an artist. But she doesn't really know what that means. Raised on a commune, she's never attended a day of school, and has seen little of the outside world. What she knows best is drawing. To her, it's like breathing; it's how she makes sense of the world. When her father torches the commune—and himself—Ror's life changes. She, her mother and sister end up in a homeless residence in Manhattan, where she runs into trouble—and love—with Trey, the leader of Noise Ink, a graffiti crew. On the city's streets, and in its museums and galleries, Ror finds herself pulled in different directions. Her father wanted her to make classic art. Noise Ink insists she stay within their lines. Her art teacher urges her to go to college. What does she want? Ror's journey is a seamless blend of words and pictures, cinematic in its scope—a sharp-edged, indelible work of art that will live inside your head.

it s a dangerous business: A Dangerous Thing Josh Lanyon, 2021-01-07 Meanwhile, Back at the Ranch... Bookseller Adrien English arrives at Pine Shadow Ranch to find a corpse in his driveway. By the time the local sheriffs arrive, the body has disappeared. What happened to the dead man? Who are the mysterious strangers excavating on Adrien's remote property? And will he ever sort out his problems with LAPD Homicide Detective Jake Riordan?

it s a dangerous business: Fantasy Freaks and Gaming Geeks Ethan Gilsdorf, 2010-09-01 An amazing journey through the thriving worlds of fantasy and gaming What could one man find if he embarked on a journey through fantasy world after fantasy world? In an enthralling blend of travelogue, pop culture analysis, and memoir, forty-year-old former D&D addict Ethan Gilsdorf crisscrosses America, the world, and other worlds—from Boston to New Zealand, and Planet Earth to the realm of Aggramar. "For anyone who has ever spent time within imaginary realms, the book will speak volumes. For those who have not, it will educate and enlighten." —Wired.com "Gandalf's got nothing on Ethan Gilsdorf, except for maybe the monster white beard. In his new book, Fantasy

Freaks and Gaming Geeks, Gilsdorf . . . offers an epic quest for reality within a realm of magic.” —Boston Globe “Imagine this: Lord of the Rings meets Jack Kerouac’s *On the Road*.” —National Public Radio’s “Around and About” “What does it mean to be a geek? . . . Fantasy Freaks and Gaming Geeks tackles that question with strength and dexterity. . . . part personal odyssey, part medieval mid-life crisis, and part wide-ranging survey of all things freaky and geeky . . . playful . . . funny and poignant. . . . It’s a fun ride and it poses a question that goes to the very heart of fantasy, namely: What does the urge to become someone else tell us about ourselves?” —Huffington Post

it s a dangerous business: *The Daring Book for Dogs* Joe Garden, Janet Ginsburg, Chris Pauls, Anita Serwacki, Scott Sherman, 2007 It's time to jump out of the handbag and take control of the lead. From the same kennel as *The Dangerous Book for Boys*, this hilarious doggy equivalent barks one simple question: What's happened to us?! Designer dog beds? Organic gluten free gourmet doggie biscuits? Spa treatments? Everyone likes to be pampered now and then - but isn't there more to being a dog than wearing a mini cashmere sweater and riding around in a Louis Vuitton handbag? What about the simple pleasures of life - feeling the wind in your fur, digging up the grass beneath your paws, smelling another dog's bottom? Isn't that part of the great joy of being a dog? This book is for good dogs, bad dogs, and the millions of people who love them, either way, but owners will no doubt recognize their own lovable pets, and maybe themselves, in these pages. After all, so many people talk to their dogs, they might as well read to them, and learn a little something in the process. Chapters include: Foul Smells Every Dog Should Roll In, What's Edible?, How to Bury a Bone, Building a Bed out of Laundry, Escaping the Lead, Dogs in Literature, Courageous Dogs in History, Formal Rules of Fetch, Enhancing Your Walk and Amazing Bath Time Escapes. The *Dangerous Book for Boys* tapped into a male desire to recapture a back-to-basics sense of fun. Now, a boy's sense of fun is perfectly fine, but a dog's sense of fun is hilarious. Leg-humping, bottom-sniffing and tail-chasing - these are not just the bedrock of dog life; they are the bedrock of comedy.

it s a dangerous business: *Nimpentoad* Henry Herz, Josh Herz, Harrison Herz, 2012-02-10 A children's fantasy book telling the tale of the courageous and resourceful little Nimpentoad, who leads his tribe of Nibblings through the perilous Grunwald Forest, overcoming obstacles and encountering strange creatures along the way. Kids aged 7-9 enjoy the adventure and stunning illustrations. Parents appreciate a story that discourages bullying, and emphasizes teamwork, creativity, perseverance, and leadership.

it s a dangerous business: *Rare Breed* Sunny Bonnell, Ashleigh Hansberger, 2019-09-03 An unconventional business book for the rebels and misfits—the Rare Breeds—who don’t fit the traditional mold, offering an approach that’s anything but business as usual. “Brazen rant!” -- Seth Godin, New York Times bestselling author of *This is Marketing and What to Do When It’s Your Turn* In every job you’ve ever had, you’ve been judged, labeled, and made to feel like an outsider. Defiant. Dangerous. Different. A real pain-in-the-ass. The message? To be successful, you’ve got to fundamentally change. But what if -- instead of conforming -- you learned how to punch society’s codes in the nose, run like a hooligan through the corridors of entrenched power, and succeed -- not by grinding down your prickly parts, but by going all-in on who you really are? “A guide for strategic rebellion.” -- Mark Levy, founder of Levy Innovation and creator of Your Big Sexy Idea® Meet Sunny Bonnell and Ashleigh Hansberger, award-winning global brand consultants, founders of Motto, and authors of *Rare Breed: A Guide to Success for the Defiant, Dangerous, and Different*. In this book, you’ll come face-to-face with seven controversial virtues that are typically seen as ladder-burning, career-ending personality traits that - convention says -- keep mavericks, oddballs, and visionaries like you from getting along, getting buy-in, and getting ahead. “A beautiful reminder that you are not alone.” -- Charlamagne Tha God, New York Times bestselling author of *Black Privilege* Sunny and Ashleigh provide singular insight into how you can flip the script and turn your so-called “vices” into your virtues, transforming your most “undesirable” flaws into the high-octane fuel of your success. In a world that wants to own you, you’ll finally learn how to own yourself, through embracing all your parts - not just the pretty ones. College dropouts and social misfits Sunny and Ashleigh provide

front-row seats to their own counterintuitive rise from broke-ass outsiders to brand consultants for iconic brands. Success, they show you, is no longer the sole purview of the Harvard MBA graduate. Your ticket to ride resides within the side of you that's disorderly, independent, and rogue. Deep down, you've always been the kid to point out when the emperor has no clothes. Yet, time and time again you've been faced with the consequences of deviating from social expectations. This is a new conversation for a new era. What would happen if, starting today, you walked away from the sheeple? What could you build?

it s a dangerous business: Create Your Own Website The Easy Way Alannah Moore, 2016-06-02 Every small business or organisation needs a website, whether it is a simple online portfolio or a complex online shop. Expert web design teacher Alannah Moore makes this subject accessible for everyone, even those with no technical or design experience. Avoiding technical language, Alannah provides a summary of the web platforms available, covering, among others, WordPress, Squarespace, Weebly and Shopify. From these the reader can choose the right platform for them, and very quickly get up and running. Drawing on her vast experience of what a novice website builder really needs to know, Alannah covers all the topics they will come across in their online experience: how to choose a good domain name; what content you need for your site; how to work with images and even create your own logo. The reader will also learn how to integrate social media and a blog, so they are set up and in control of their virtual presence from every aspect. This is the perfect book for anyone who doesn't want to pay for an expensive web designer. In Alannah's safe and capable hands, they will find the process of building their site easy and enjoyable, and they'll soon have a successful online presence.

it s a dangerous business: Eco-terrorism Specifically Examining the Earth Liberation Front and the Animal Liberation Front United States. Congress. Senate. Committee on Environment and Public Works, 2007 The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the United States Federal Government.

it s a dangerous business: Living on This Side of the Timeline William D. O'Toole, 2021-05-03 We all are very fortunate to have been handed life, through God's grace, with an opportunity to spend eternity with him in his heavenly kingdom. As humans, we are extremely important to God. He proves it through the events of his son's thirty-three-year life. Our own personal view on salvation and how we decide to live this life, with or without Christ, are vitally important to him as well. One thing we all have in common is that we all exist together on the same created planet, doing the best we can with what we have, in a world that was once unbroken. We have a creator who knows all about everything we are now dealing with and are going to face as we travel our personal paths. He yearns to have a personal relationship with each one of us. But ultimately, that choice lies at the doormat of each of our hearts. He waits for us to answer that door. When we do, heaven rejoices! God is our only hope in life and our triumph thereafter. That is the narrative these books have endeavored to tell, through the author's poetry and short tales. This is the author's second anthology of Living on This Side of the Timeline (Fresh Writings and Poems). These new selections delve into various themes, leading the reader down roads of faith, hope, praise, wonder, humor, encouragement, the profound, and that of simple daily life. Together as earthly neighbors, we all share our precious lives with challenges, joys, and personal dreams Living on This Side of the Timeline.

it s a dangerous business: Affirm Parent Guide Sara Galyon, Audrey Elizabeth Wilder, Jen Bradbury, 2018-08-21 The journey of faith is spectacular, full of wonder and discovery, but it is also challenging, filled with questions and doubt. This is doubly true for teens who navigate the journey

of discovering their faith, while simultaneously discovering themselves. As teens change and grow, so does their faith. Affirm recognizes the difficulties and anxieties that emerge from raising a young person to be faithful. In response, the Affirm Parent Guide provides parents with the tools to be companions to their teens on this journey. As a parent, you'll be invited to reflect on your own faith, so that you can help them as they learn about their own. The Affirm Parent Guide is full of helpful tips and activities to use as you both strive to grow in your faith and deepen your relationship with Christ.

it s a dangerous business: *In Good Company* William Fraser, 2016-11-30 *In Good Company* is a graphic account by the Hon. William Fraser, Gordon Highlanders, of his service in the First World War. Several times wounded, he went to Flanders in 1914 with the 2nd Battalion and commanded successively a platoon, a company, a Territorial battalion and a Regular battalion, ending the war as a lieutenant-colonel of twenty-eight, having survived the battles of First, Second and Third Ypres, Arras, Cambrai and the final triumphs of 1918. Frasers letters and diaries from the front, which compose this absorbing book, were edited by his son, General Sir David Fraser, soldier, biographer, historian, novelist. They provide a vivid, often highly critical and virtually unbroken account of those extraordinary days, seen through the eyes of a young Highland officer. *In Good Company* gives a remarkable insight into some of the most terrible and challenging years of the Armys life.

it s a dangerous business: *The Connected Company* Dave Gray, Thomas Vander Wal, 2014-12-02 With a foreword by Alex Osterwalder.

it s a dangerous business: *Dangerous* Milo Yiannopoulos, 2017 The liberal media machine did everything they could to keep this book out of your hands. Now, finally, *Dangerous*, the most controversial book of the decade, is tearing down safe spaces everywhere.

it s a dangerous business: Glass Walls Amy Diehl, Leanne M. Dzubinski, 2023-06-15 "The practicality and clarity make this a valuable contribution to collections in academic and public libraries." — Library Journal, Starred Review A new, important, and richly detailed guide to understanding gender bias with practical solutions for leaders, workplace allies, and individual women. Gender bias is a powerful but hidden force that is still holding women back, keeping them from achieving their full potential and limiting organizations from achieving the creativity, problem solving, and growth that are possible with a diverse workforce. In this revealing new book, Amy Diehl and Leanne Dzubinski shine a new light on gender bias in the workplace, uncovering the barriers that work like glass walls surrounding women. Through their original research, they have discovered six core factors and multiple subfactors of bias, giving names to some elements for the first time ever. Their findings and analysis present a new, important, and richly detailed guidebook to understanding gender bias. They reveal: How male privilege, the bedrock on which gender bias is built, results in a workplace created by men and for men How women encounter disproportionate constraints in that workplace, being expected to play supportive roles to men The surprising ways in which women experience insufficient support based on gender The concept of devaluation, and how it tells women they don't belong at work The troubling ways women face hostility to keep them in their supposed place, merely because of their gender How the combined weight of these barriers leads to acquiescence, when women internalize the obstacles and adapt to the limitations The barriers identified, and the subcomponents of each, are destined to become the framework for understanding gender bias. *Glass Walls* provides a roadmap to shatter barriers holding women back once and for all.

it s a dangerous business: *The Dark Duke's Legacy* Tammy Andresen, Meet the Wicked Whites, sons of the Dark Duke, they bend to no man. But the right woman... Her Wicked White Benedict White is the new Duke of Whitehaven but he's inherited a whole set of old problems right along with his dukedom. Warring siblings. A mysterious clause within his father's will. And swirling questions about his father's death. He's a man who lives his life alone. How can he untangle himself from this mess? Still, he'll do what's best for the dukedom no matter how much he hates the task. And when he meets his sister's companion, Miss Chloe Fairly, he can't deny that he's tempted. As lovely as she is sweet, he'd keep her for himself if he were a different sort or if there were a heart

still in his chest. But he's pretty sure he lost his years ago. And he's got enough problems without adding a temptress to the list. Her Willful White Is she a French spy or the woman of his dreams? Lord Destrian White, brother to the Duke of Whitehaven is a man who prides himself on self-reliance and perseverance. He doesn't need anyone and if life doesn't give him what he requires, he takes what he needs. But when Miss Fleur Dupont enters his life, everything turns upside down. His Wallflower White He'll keep her safe no matter the cost... When The Honourable Patrick Cranston is hired by the White family to guard a duke's sister, he's relieved. Watching one debutante is a fair sight easier than bareknuckle boxing, at least that's how it seems. At first. But as trouble swirls about Lady Millicent, threatening the delicate beauty, he realizes her circumstances are far more dangerous than he first imagined. Her life is at risk and it's his job to protect her. But that isn't what scares him the most. The more time he spends with her, the more he realizes, his heart in peril as well and that frightens the hell out of him. Still, he'll do anything to save them both. Boxed set Regency romance Regency romance collection

it s a dangerous business: Her Wicked White Tammy Andresen, 2021-06-15 Meet the White family... Benedict White is the new Duke of Whitehaven but he's inherited a whole set of old problems right along with his dukedom. Warring siblings. A mysterious clause within his father's will. And swirling questions about his father's death. He's a man who lives his life alone. How can he untangle himself from this mess? Still, he'll do what's best for the dukedom no matter how much he hates the task. And when he meets his sister's companion, Miss Chloe Fairly, he can't deny that he's tempted. As lovely as she is sweet, he'd keep her for himself if he were a different sort or if there were a heart still in his chest. But he's pretty sure he lost his years ago. And he's got enough problems without adding a temptress to the list. She's a lady in want of a hero... The Honourable Chloe Fairly, a baron's daughter, has taken one of the few options open to a woman in genteel poverty. She's become a companion to one Lady Millicent White. And while the two women have become dear friends, Chloe knows that she'll likely have to find a new position once Millie marries. Which will be very soon, thanks to her hardheaded brother, the new duke of Whitehaven. Unless Chloe can convince Ben to give Millie and herself more time. Which isn't easy. He's stubborn and growly and so handsome, every thought leaves her head whenever he speaks... But Chloe can't afford to lose herself in a dream of a handsome and dashing duke who sweeps her up in an epic sort of love. She's got reality to face and being a duchess is not within her grasp. Is it?

it s a dangerous business: Structural Violence Joshua M. Price, 2012-09-17 Structural Violence seeks to redraw the conventional map of violence against women. In order to understand violence as a fundamentally heterogeneous phenomenon, it is essential to go beyond interpersonal partner violence and analyze the workings of institutional and structural violence. Self-help books, some shelters, the courts, federal and state legislation, empirical studies, therapeutic models, and even some mainstream feminist polemics presume that all women face the same kind of violence. This assumption masks violence that does not conform to the imagined norm, such as violence against women who are sex workers, lesbians, homeless, and/or undocumented. Joshua M. Price's exploration of these issues is based on several years of research involving participant-observation in domestic violence courts and extensive interviews with activists, advocates, incarcerated women, and women who have faced various forms of violence. Both conceptually and methodologically, the book challenges narrow notions of violence against women and demonstrates implications for judicial intervention and other forms of public involvement.

it s a dangerous business: The Third Tower Up from the Road Kevin Dolgin, 2009-06-01 The Third Tower Up from the Road is a humorous and entertaining collection of travel essays made up of old favorites as well as new commentaries from Kevin Dolgin's popular McSweeney's Internet Tendency column, Kevin Dolgin Tells You About Places You Should Go. The work celebrates the distinctive qualities of locales the world over, and each globetrotting essay focuses on a specific place, capturing the flavors and cultures through individual observations and exceptional experiences. Funny, irreverent, and insightful, these writings eschew the bland, touristy veneer experienced by most travelers as they seek to discover what is special and unique about each

destination. Covering a wide range of places and interests, from unusual experiences and humorous traveler's foibles to voyages that are intensely personal and moving, the selected columns include The Best Falafel in the World: Beirut, Lebanon, The Door to Hell: Paris, France, Kafka's Erotic Dream: Prague, Czech Republic, The Nesting Habits of Roman Cars: Rome, Italy, Of Romans and Pussycats: Provence, France, and The Third Tower Up from the Road: Huanghuacheng, China. Also featured is The Corsican Swallowtail: Corsica, France, which was nominated for a Pushcart Prize.

it s a dangerous business: Creating Mindful Leaders Joe Burton, 2018-03-28 Unleash your inner mindful leader Mindfulness, emotional intelligence and resilience are the “must have skills” for modern leaders—yet many professionals are too stressed to know where to start. it s a dangerous business: The Chapel Car Bride Judith Miller, 2017-04-04 Intriguing Glimpse into the Past by Bestselling Historical Author Judith Miller With her penchant for seeing the best in everyone, Hope Irvine sees a world full of good people in hard places. When her father accepts a position traveling in a chapel car as an on-the-rail missionary, she is determined to join him in his efforts and put her musical skills to good use by serving the mining families of West Virginia, saving their souls, and bettering their lives. Luke Hughes shares Hope's love of music and her love of God, but as a poor miner he knows he can offer her no future. Still, the notes she sings resonate in his heart. When she begins to travel with a young mine manager to neighboring counties, Luke can hardly suppress his jealousy. It isn't until he begins to suspect these missions of mercy might be the mine manager's cover for illegal purposes, though, that Luke feels justified in speaking up. But how can he discover the truth without hurting Hope or, worse, putting her in danger?

it s a dangerous business: The New Bureaucracy Max Travers, 2007-04-18 Based on interviews with inspectors, quality assurance managers and auditors, as well as professionals struggling with bureaucracy, this book offers a critical, but at the same time a human and sympathetic, account of organisational change.

it s a dangerous business: The 27s Eric Segalstad, 2008 Jimi Hendrix. Janis Joplin. Jim Morrison. Brian Jones. Kurt Cobain. Founding bluesman Robert Johnson. All died at 27. Their stories, as well as those of ill-fated members of the Grateful Dead, The Stooges, Badfinger, Big Star, Minutemen, Echo & the Bunnymen, and The Mars Volta, are here presented for the first time as a profound and interlocking web that reaches beyond coincidence to the roots of artistic causality and fate.
