Japanese and Business Cards: A Cultural Deep Dive into Meishi

Introduction:

Understanding the Significance of Meishi in Japanese Business Culture

In Japan, the exchange of business cards, known as meishi (名刺), is far more than a simple formality; it's a deeply ingrained ritual reflecting profound cultural values of respect, hierarchy, and attention to detail. Mastering meishi etiquette is crucial for anyone conducting business in Japan, as it directly impacts initial impressions and the overall success of professional interactions. This comprehensive guide delves into the intricacies of Japanese business cards, providing essential insights for navigating this important cultural aspect of Japanese business.

Article Outline:

- I. The Importance of Meishi in Japanese Business Culture
- II. The Physical Characteristics of a Japanese Business Card
- III. Meishi Etiquette: Receiving, Presenting, and Handling Business Cards
- IV. Information Included on a Japanese Business Card
- V. Common Mistakes to Avoid When Handling Meishi
- VI. Beyond the Exchange: Meishi as a Networking Tool

Article Body:

- I. The Importance of Meishi in Japanese Business Culture

Meishi as a Symbol of Respect and Trust

In Japanese culture, the meishi represents more than just contact information; it symbolizes the individual and their company, serving as a tangible representation of their professional identity and standing. Treating a meishi with respect demonstrates respect for the person it represents.

Building Relationships Through Meishi Exchange

The exchange of meishi initiates the process of relationship building in Japanese business interactions. It's a crucial first step in establishing trust and laying the groundwork for future collaborations.

Understanding Hierarchy Through Meishi

The design and information presented on a meishi often subtly convey an individual's position and status within their organization. Careful observation during the exchange helps navigate the hierarchical dynamics of Japanese business culture.

II. The Physical Characteristics of a Japanese Business Card

High-Quality Materials and Impeccable Printing

Japanese meishi are typically printed on high-quality card stock, often thicker than standard business cards. The printing is meticulously done, reflecting a commitment to professionalism and attention to detail.

Size and Dimensions: Standard vs. Variations

While adhering to a general standard size, minor variations can occur. These subtle differences, however, are often not significant enough to be a cause for concern.

Design Aesthetics: Clean, Simple, and Professional

Japanese meishi designs generally favour minimalist aesthetics. Clean lines, simple fonts, and a professional color palette are common features.

III. Meishi Etiquette: Receiving, Presenting, and Handling Business Cards

The Art of Presenting Your Meishi

Presenting your meishi with both hands, ensuring the text faces the recipient, demonstrates respect and consideration.

Receiving a Meishi with Respect

Accepting a meishi with both hands and carefully examining it before placing it in a designated card holder shows appreciation for the gesture and the individual.

Handling Meishi During Meetings and Conversations

Proper handling of meishi throughout the meeting is important. Avoiding casual placement or writing on the card demonstrates professionalism and respect.

IV. Information Included on a Japanese Business Card

Essential Information: Name, Title, Company, and Contact Details

The meishi usually includes the individual's name (written in both Japanese and Romanized characters), title, company name, address, phone number, fax number, and email address.

Optional Information: Company Logo and Department

Some meishi may also include a company logo, department affiliation, and website address.

Language Considerations: Japanese and English

Bilingual meishi are common, especially for those working in international contexts. Accuracy in both languages is crucial.

V. Common Mistakes to Avoid When Handling Meishi

Writing on the Meishi

Writing on a meishi is considered impolite. Take notes separately to avoid damaging the card or appearing disrespectful.

Casual Handling of Meishi

Avoid placing meishi in pockets or bags. A designated card holder is preferred.

Ignoring or Mishandling Meishi

Failing to properly receive, examine, or store a meishi suggests lack of respect and may negatively impact business relationships.

VI. Beyond the Exchange: Meishi as a Networking Tool

Meishi as a Conversation Starter

The exchange of meishi provides a natural starting point for conversation and networking. It can facilitate introductions and build rapport.

Utilizing Meishi Information for Follow-Up

Use the information from the meishi to send thank-you notes or follow-up emails. This strengthens the connection and displays professionalism.

Conclusion:

The seemingly simple act of exchanging business cards in Japan holds profound cultural significance. Understanding and adhering to meishi etiquette demonstrates respect, fosters trust, and facilitates successful business interactions. Mastering this aspect of Japanese business culture is key to building strong professional relationships and achieving your business goals in Japan.

Frequently Asked Questions (FAQs):

Q: What should I do if I receive a meishi with only Japanese writing? A: It's always polite to attempt to read the name and company information, even if you can't understand everything. You can also simply say, "Thank you for your card."

Q: Is it okay to use a translated version of my business card in Japan? A: While not strictly required, having your name and title translated to Japanese is a thoughtful gesture and demonstrates respect for Japanese culture.

Q: What is the best way to store meishi received in Japan? A: A dedicated business card holder is ideal. Avoid crumpling or misplacing them.

Q: Is it considered impolite to not offer a meishi in Japan? A: In most business contexts, it's best to be prepared with meishi. Not having one could be seen as unprofessional or even disrespectful.

japanese and business cards: Learning to Lead, Leading to Learn Katie Anderson, 2020-07-14
SPECIAL INTRODUCTORY PRICING: Enjoy first-week pricing of \$18.95 on paperback books!
Regular retail pricing of \$23.95 becomes effective on July 22nd. It all began with the initial chance meeting of this book's author, Katie Anderson, and the book's subject, Isao Yoshino. She was an American leadership coach and consultant in her mid-career, with a newfound love of Japanese culture. He was an accomplished Japanese people-centered leader at the end of his corporate career, with a lifelong love for American culture and 40 years of inside experience with the Toyota Way. During the next five years, Anderson and Yoshino spent countless hours learning from each other, reflecting on the past, and envisioning the future. The resulting book - written by Anderson and focused on the profound lessons offered by her mentor Yoshino -- is a beautiful, one-of-a-kind tapestry. Much like the weaving of fabric -- where the beginning work is but a glimpse of the final pattern -- this book was created from many layers of intertwined conversations and reflections. If you've ever been mentored -- in business or in life -- by someone whose words, experiences, and perspectives changed you for the better, you know that an entire book of such selfless generosity and deep wisdom could change the world. For today's business professionals -- dedicated to continuous learning and people-centered leadership -- this is that book. Learning to Lead, Leading to Learn is a leadership book that defies generational or cultural divides, offering a refreshing, proven perspective for all those who dare to lead. The Best Leaders Never Lose the Humility for Learning
Learning to Lead, Leading to Learn is much more than a collection of Isao Yoshino's personal stories and insights. It's a memorable, entertaining, and poignant way to highlight important leadership

lessons, to record pivotal moments in Toyota's history, and to create something to help veteran and aspiring leaders reflect and learn about themselves. Yoshino's experiences help us understand how Toyota intentionally developed the culture of excellence for which it is renowned today, and how one person learned to lead so that he could lead with an intention to learn ... every day and in every way. The only secret to Toyota is its attitude toward learning. -- Isao Yoshino *Let the Past Inform the Future: The Role of Reflection in Leadership* By looking back at the past, we can learn and therefore shape our future. Through each story in this unique and inspiring book, Anderson shares Yoshino's experiences with leadership and learning, and his efforts at self-improvement while empowering others. Through those stories, you'll hear his reflections on what he learned then ... and what he is re-learning now with a different perspective as he looks back at the totality of his career. A must-read for those who: -- Want to become more people-centered leaders -- Currently practice lean or continuous improvement methods -- Serve in leadership, coaching, or operational management roles -- Want to learn more about Toyota's history and culture -- Are inspired by heartwarming stories of personal discovery and leadership With a foreword by John Shook, Chairman of the Lean Global Network.

japanese and business cards: Japan Business Christine Genzberger, 1994 An encyclopedic view of doing business with Japan. Contains the how-to, where-to and who-with information needed to operate internationally.

japanese and business cards: Japanese Business Subhash Durlabhji, Norton E. Marks, Scott Roach, 1993-01-01 This collection of readings is intended to serve as a foundation for those expecting to have commercial interaction with the Japanese. The selections--from sources not limited to mainstream business journals--address various aspects of the cultural environment of Japanese business and discuss communication and interpersonal relationships, the institutional and legal environment, management and marketing, and the Japanese approach to manufacturing. Some specific topics: the influence of Confucianism and Zen on the Japanese organization, gift-giving, the ethnography of dinner entertainment, spiritual education in a Japanese bank, women managers.

japanese and business cards: Japanese Business Culture and Practices Isao Takei, Jon P. Alston, 2018-05-25 *Japanese Business Culture and Practices* presents detailed insights and descriptions on the proper ways to conduct business with contemporary Japanese. It focuses on the traditional and nontraditional business-related practices, including the internal mechanisms of promotion and decision-making in Japanese corporations. From advice on how to avoid cultural misunderstandings and how to develop trust with Japanese colleagues, readers will gain insights on how to communicate, negotiate, entertain, and socialize with Japanese as well as the minutiae of correct behavior. Using linguistic examples to facilitate how Japanese themselves view their work environment, authors Isao Takei and Jon P. Alston describe the social etiquette and protocols Japanese expect all foreigners to adopt in order to successfully conduct business. With a glossary of terms and practical real-life experiences, this is an essential guide for anyone who wants to forge deeper business relationships with Japanese.

japanese and business cards: Doing Business with Japan Kazuo Nishiyama, 2000-01-01 In Japan, evidence of the country's Westernization abounds, yet despite appearances, it has remained uniquely Japanese. For this reason, the uninformed Westerner doing business there will find it difficult and even frustrating to work with Japanese unless he or she gains a good understanding of Japan and its people. The author draws on his extensive bilingual and bicultural experience to provide readers with an insightful look at many key aspects of doing business with Japan, ranging from initiating and maintaining business contacts, effective interpersonal communication, decision-making styles, negotiation tactics, presentational speaking, working of Japanese multinational companies, and living and working in Japan. Businesspeople, academics, non-academics, students, and others who are interested in learning how to communicate effectively and successfully with Japanese in international business contexts will benefit from the author's sound recommendations and advice.

japanese and business cards: 日本とビジネスの文化, Are Hajikano, 2006-02 日本とビジネスの文化

japanese and business cards: The Cambridge Companion to Modern Japanese Culture Yoshio Sugimoto, 2009-06-30 This Companion provides a comprehensive overview of the influences that have shaped modern-day Japan. Spanning one and a half centuries from the Meiji Restoration in 1868 to the beginning of the twenty-first century, this volume covers topics such as technology, food, nationalism and rise of anime and manga in the visual arts. The Cambridge Companion to Modern Japanese Culture traces the cultural transformation that took place over the course of the twentieth century, and paints a picture of a nation rich in cultural diversity. With contributions from some of the most prominent scholars in the field, The Cambridge Companion to Modern Japanese Culture is an authoritative introduction to this subject.

japanese and business cards: The Kind Leader Karyn Ross, 2021-09-09 Kindness and leadership aren't often synonymous. Ask someone to describe good leadership to you and you will hear many adjectives used: authentic, bold, challenging, charismatic, decisive, empowering, fearless, goal-oriented, humble, inspiring, original, passionate, role-model, strategic and transparent, to name of a few. And though there are many more that come to mind, kindness isn't one of them. And here's the problem with that. Leaders lead. And the way a leader leads - how they do what they do - influences those they lead. From the president of the country, to the president of a company, from middle managers, right down to front-line supervisors, what a leader models - how they think, speak and act - influences the people they lead. Leaders who think, speak and act unkindly give legitimacy and permission to those they lead to think, speak, and act in exactly the same unkind ways. Today, in a world where a leaders' words and actions travel quickly through social media channels such as Twitter, their influence - unkind or kind - is amplified through repeated views and sharing. In an increasingly fragmented, polarized and divided world, we need leaders who will bring people together not divide them. Leaders who value and model cooperation and collaboration over competition. And who model ways to think kindly, speak kindly and act kindly. We need kindness to become synonymous with good leadership. So that when someone is asked to describe the traits of a good leader, kindness will be the first word that comes to mind. Essentially, the purpose of this book is to teach leaders how to lead with kindness so they can influence the people they lead to create kinder workplaces, organizations and the world. Each chapter contains a mixture of theory, case studies and reflections from leaders and the people they influence. As well, the book follows the fictional stories of Kay'La Janson and Kevin Landrell, as they become leaders in a failing organization that is ultimately turned around through kind leadership. Between chapters there are a series of practical exercises based on concepts presented in the previous chapter with space to record outcomes and reflections on the practice process. This book gives you a deep theoretical understanding of the importance of leading with kindness and also provides practical exercises for you to use to turn theory into practice. Because change means doing things differently, and because we only really learn by doing to create kinder organizations, kinder communities and a kinder world, leaders must be able to begin practicing kindness right away. By the time you finish the book, you will feel confident in your ability to lead with kindness and also to address organizational problems at work, at home and in the community, with kindness.

Stevens Henager College Salt Lake City, Utah, USA Magna Cum Laude.

japanese and business cards: *The Business Reinvention of Japan* Ulrike Schaeede, 2020-06-16 After two decades of reinvention, Japanese companies are re-emerging as major players in the new digital economy. They have responded to the rise of China and new global competition by moving upstream into critical deep-tech inputs and advanced materials and components. This new aggregate niche strategy has made Japan the technology anchor for many global supply chains. Although the end products do not carry a Japan Inside label, Japan plays a pivotal role in our everyday lives across many critical industries. This book is an in-depth exploration of current Japanese business strategies that make Japan the world's third-largest economy and an economic leader in Asia. To accomplish their reinvention, Japan's largest companies are building new processes of breakthrough innovation. Central to this book is how they are addressing the necessary changes in organizational design, internal management processes, employment, and corporate governance. Because Japan values social stability and economic equality, this reinvention is happening slowly and methodically, and has gone largely unnoticed by Western observers. Yet, Japan's more balanced model of caring capitalism is both competitive and transformative, and more socially responsible than the unbridled growth approach of the United States.

japanese and business cards: *Theory Z* William G. Ouchi, 1993-01-01

japanese and business cards: *Guidebook to Japan* Amy Chavez, 2005-05 Guidebook to Japan: What the Other Guidebooks Won't Tell You offers a candid glimpse into Japanese society rarely found in books or media. Based on over a decade of experience living in Japan, Chavez guides you through the complex culture through essays, cultural tips (called Sword Tips), and useful Japanese phrases (called Sparring Japanese), to make learning about Japan as fun as possible. Over one hundred essays from The Japan Times, matched with two hundred links to Japan-related websites (from the educational to the bizarre), this book is a vast resource of information. Chavez tells you how to get to a naked festival, how to avoid the Japanese mafia, and how to order Spaghetti-hold the seaweed. Learn the secrets of Japan in an entire chapter called What the Japanese don't want you to know. You'll also find a special section on teaching in Japan: what jobs are available, how to get them, and how much money you'll make. In short, all the things you need to know, told by someone who has done it herself.

japanese and business cards: *My First Book of Haiku Poems* Esperanza Ramirez-Christensen, 2019-03-26 **Chosen for 2020 NCTE Notable Poetry Books and Verse Novels List** **Winner of 2020 Northern Lights Book Award for Poetry** **Winner of 2019 Skipping Stones Honor Awards** My First Book of Haiku Poems introduces children to inspirational works of poetry and art that speak of our connection to the natural world, and that enhance their ability to see an entire universe in the tiniest parts of it. Each of these 20 classic poems by Issa, Shiki, Basho, and other great haiku masters is paired with a stunning original painting that opens a door to the world of a child's imagination. A fully bilingual children's book, My First Book of Haiku Poems includes the original versions of the Japanese poems (in Japanese script and Romanized form) on each page alongside the English translation to form a complete cultural experience. Each haiku poem is accompanied by a dreamscape painting by award-winning artist Tracy Gallup that will be admired by children and adults alike. Commentaries offer parents and teachers ready-made food for thought to share with young readers and stimulate a conversation about each work.

japanese and business cards: Business Guide to Japan Boye Lafayette De Mente, 2011-07-05 Conducting business in Japan: a delicate and valuable skill is explained by a true master of Japanese culture. Not only is Japan the world's third largest economy, it is a global center for design for non-Japanese businesses looking to expand into international markets. But business people from outside Japan quickly discover that doing business in Japan is unlike anything they've experienced before. They find Japanese business etiquette and culture both highly regimented and maddeningly impenetrable--making it difficult to identify, much less approach, key decision-makers, or to bring negotiations to a successful close. Japanologist Boye Lafayette De Mente explains the key aspects of Japanese business practices and protocols with specific advice for approaching and engaging with Japanese executives, their staffs, and their organizations. *Business Guide to Japan* offers yo invaluable insights into how to unravel the complicated maze of business bureaucracy, interpret verbal and written messages from your contacts, and create the critical social comfort zone necessary for working with Japanese companies. Doing business with the Japanese can be both challenging and rewarding, and the *Business Guide to Japan* offers you precise guidelines for success.

japanese and business cards: Issues in Global Business SAGE Publishing, 2021-03-03 In 2020, COVID-19 starkly demonstrated the global interconnectedness of business, as it disrupted supply chains and manufacturing operations, broadly shuttered retail stores, and led to restrictions on movement and travel around the world. Other events in 2019 also showcased the undeniable globalization of business, be it from the (un)expected ramifications of Brexit to the impacts of data breaches across various industries. Riots in Hong Kong over an extradition bill also sparked huge debate and controversy, and the U.S.-China trade war also caused concern. All of these events may have largely and immediately impacted one region, yet effects reverberate across larger swathes of the globe—ultimately affecting vast areas, industries, and sectors across the international landscape. *Issues in Global Business* explores all of these and more, across a wide range of topics, including the on-demand economy, global manufacturing, Bitcoin, data security, and many more. Coupled with a comprehensive overview of the business landscape around the world by Dr. Mamoun Benmamoun, an assistant professor at the Boeing Institute of International Business at Saint Louis University, this book provides students with the essential information they need to assess business practices through an international lens.

japanese and business cards: U.S. Export Opportunities to Japan United States. Industry and Trade Administration, 1978

japanese and business cards: □□ John C. Condon, 1984 Using the following principle, see yourself as others see you; look at others as they look at themselves, this guide distinguishes Japanese culture from American culture, showing the many differences between the two.

japanese and business cards: Intelligent Businessman's Guide to Japan Jon P. Alston, 2012-08-28 This Japanese business guide contains insider's tips that will make dealings with the Japanese both manageable and successful. For Westerners dealing with Japanese, simple differences in business practices can be troublesome obstacles to successful negotiation. They need not be according to sociologist Jon P. Alston. In this informed and straightforward presentation, Alston describes common Japanese rules for social interaction, and shows how foreigners who understand them can put this knowledge to profitable use. In such chapters as: Establishing a Personal Relationship Closing the Deal Maintaining Contact Alston explains Japanese expectations and the importance placed on preperation, form, and follow-up. For those planning their first intercultural deal as well as for experienced negotiations, *The Intelligent Businessman's Guide to Japan* is an invaluable aid for acquiring the extra edge that leads to business success.

japanese and business cards: Japanese Beyond Words Andrew Horvat, 2000 Learn language secrets that are the key to natural speech and winning Japanese.

japanese and business cards: Contemporary Japanese Textbook Volume 1 Eriko Sato, 2024-02-13 This Japanese language book contains 61 short lessons grouped into 14 chapters—each of which presents a wide variety of activities and exercises and yet is designed to be covered in a

single session. This daily multivitamin approach to learning Japanese makes it easy to track your progress and to review later! Access to online audio recordings comes free with the book, providing native speaker recordings giving correct pronunciations for the dialogs and vocabulary in each lesson. Contemporary Japanese is a textbook series for beginning students of Japanese at the college or high school level. It is intended for classroom use as well as self-study. Each lesson in the book is very short and has a single, clearly-defined objective. All lessons make use of the active discovery approach which encourages rapid learning through guess and try problem-solving and participation as opposed to rote memorization. This highly effective method uses real-life conversations that make learning fun by involving you in a conversation with your peers. It also removes the fear of saying something wrong! Key Features of This Japanese language textbook include: Basic sounds, words, phrases and kana Describing the property of people and things Identifying things and people Requesting Description Expressing what you have Using numbers and katakana Talking about the past Coming and going Relating states and events Describing daily-life activities Talking about the present Location of people and things Expressing the characteristics of people and things Available separately is Contemporary Japanese Workbook Volume 1. This accompanying Japanese workbook serves as a supplementary material as well as a standalone comprehensive workbook for practicing and reviewing the language. Audio recordings containing drills, dialogs and listening comprehension exercises for most activities accompanies the workbook. All media content is alternatively accessible on the Tuttle Publishing website.

japanese and business cards: Concepts, Processes and Practice of Entrepreneurship

Milton Rajaratne,

japanese and business cards: *The Method and Culture of Comparative Law* Maurice Adams, Dirk Heirbaut, 2014-12-01 Awareness of the need to deepen the method and methodology of legal research is only recent. The same is true for comparative law, by nature a more adventurous branch of legal research, which is often something researchers simply do, whenever they look at foreign legal systems to answer one or more of a range of questions about law, whether these questions are doctrinal, economic, sociological, etc. Given the diversity of comparative research projects, the precise contours of the methods employed, or the epistemological issues raised by them, are to a great extent a function of the nature of the research questions asked. As a result, the search for a unique, one-size-fits-all comparative law methodology is unlikely to be fruitful. That however does not make reflection on the method and culture of comparative law meaningless. Mark Van Hoecke has, throughout his career, been interested in many topics, but legal theory, comparative law and methodology of law stand out. Building upon his work, this book brings together a group of leading authors working at the crossroads of these themes: the method and culture of comparative law. With contributions by: Maurice Adams, John Bell, Joxerramon Bengoetxea, Roger Brownsword, Seán Patrick Donlan, Rob van Gestel and Hans Micklitz, Patrick Glenn, Jaap Hage, Dirk Heirbaut, Jaakko Husa, Souichirou Kozuka and Luke Nottage, Martin Löhnig, Susan Millns, Toon Moonen, Francois Ost, Heikki Pihlajamäki, Geoffrey Samuel, Mathias Siems, Jørn Øyrehagen Sunde, Catherine Valcke and Matthew Grellette, Alain Wijffels.

japanese and business cards: *Tuttle Japanese Business Dictionary Revised Edition* Boye Lafayette De Mente, 2014-08-12 This is a handy and comprehensive Japanese dictionary intended for use in a business setting. Each term is listed alphabetically, with the romanized pronunciation (including the author's unique phonetic system to facilitate correct pronunciation and the Japanese script given, followed by its English explanation. Where appropriate, example sentences are also included to demonstrate the proper usage of the terms. Useful information in the front of the book includes a section on how to use the dictionary, special language pointers, Japanese business etiquette and common Japanese expressions. Over 4,000 contemporary business terms. A guide to business phrases and etiquette. Compact and user-friendly layout. Handy

reference guide for businesspeople who deal frequently with Japanese speakers.

japanese and business cards: *Confessions of a Financial Planner: How to Get Great Advice & Avoid Financial Scams* David Holland, 2011-07-08 In *Confessions of a Financial Planner: How to Get Great Advice & Avoid Financial Scams*, author and adviser, David D. Holland, demystifies the process of choosing an investment adviser or planner. He also raises the red flag in an effort to expose those who could potentially bring financial harm. Filled with David's practical insights from 20 years of financial services experience, this book provides plain English answers to critical questions, such as: How do I find the best adviser for me? What questions should I ask? How do I know an adviser has my best interests at heart? How can I lessen my chances of becoming the victim of a financial scam?

japanese and business cards: *Marketing in Japan* , 1987

japanese and business cards: *Yokohama Gaijin* George Lavrov, 2012-01-18 G e o r g e L a v r o v George Lavrov was born and raised in Yokohama, Japan, where he attended St. Joseph grade and high school. He is a graduate of San Francisco State University, with a major in international trade management with area specialization in Japan and the Pacific Rim. He is the author of *The Pacific Rim--Threat or Promise*, as well as various other articles dealing with Asian and international business. Being trilingual, he speaks English, Russian and Japanese. During 1975 to 1986, Lavrov was based in Tokyo where he represented American insurance interests. Since returning to the U.S., he has continued to work in the international arena, especially related to Asia and the Pacific Rim. *Yokohama Gaijin* is George Lavrov's personal story, told from his own eyewitness account. It recounts the horror of WWII carpet bombings of Japanese cities, including the tragic loss of his elder brother, Konstantin, who was killed instantly when a bomb from an American B-29 bomber made a direct hit on the Lavrov residence in Yokohama, Japan, on May 29th, 1945, the harsh wartime treatment of gaijin (foreign) residents of Japan and much more. It is the true story of a stateless White Russian and his family, as they coped through some of the most difficult times of the 20th century--the WWII period in Japan and the postwar years that followed. But it's also a story of faith and hope in the future--a future that spelled A M E R I C A and a successful career in the international business world.

japanese and business cards: *Art of the Japanese Postcard* Anne Nishimura Morse, J. Thomas Rimer, Kendall H. Brown, 2004 From the late nineteenth to the early twentieth century, Japan was a vital world center for postcard art. *Art of the Japanese Postcard* presents 300 full-color examples of these cards, culled from the vast Leonard A. Lauder Collection. Authoritative essays by leading scholars of Japanese art and culture, plus a statement by the collector himself, highlight the design, development, and cultural function of these rarely studied, but highly influential and visually exciting, expressions of graphic genius. From the late nineteenth to the early twentieth century, Japan was a vital world centre for postcard art. More than just casual mail pieces, these postcards were often designed by prominent artists and had a visual impact that belied their modest format. Remarkably beautiful examples of graphic design in their own right, they also recorded the shifting definitions of 'East' and 'West' at a time when such European currents as Art Nouveau began to show up in Japanese visual productions. *Art of the Japanese Postcard* presents 350 full-color examples of these cards, culled from the vast Leonard A. Lauder Collection. printing, but also for the insight they provide into contemporary Japanese artistic practices - insights not relayed in standard histories that focus on painting and sculpture - as well as for the fluid interplay of European and Japanese modes. Authoritative essays by leading scholars of Japanese art and culture, plus a statement by the collector himself, highlight the design, development, and cultural function of these rarely studied, but highly influential and visually exciting, expressions of graphic genius.

japanese and business cards: *Multicultural Manners* Norine Dresser, 2011-01-07 "A rich smorgasbord of cultural information full of surprising and helpful revelations" (Roger Axtell, author of *Do's and Taboos Around the World*). Your friend's mother-in-law is visiting from Korea. When greeting her, do you bow, shake hands, or kiss her on both cheeks? The meeting with his

international customers is going well for the corporate president—until he gives the thumbs-up sign. Why? You welcome your new neighbors with a bouquet of your prizewinning daffodils. Yet your beautiful yellow blossoms are met with looks of shock and horror. Why? Discover the answers in this incisive, award-winning guide to etiquette, now thoroughly revised to reflect today's truly multicultural society. Both highly informative and entertaining, *Multicultural Manners* gives you the understanding you need, the perfect words to say, and the correct behavior to use in a wide range of cross-cultural situations. The book features completely updated etiquette guidelines with special emphasis on post-September 11 culture clashes as well as a brand-new section that demystifies unfamiliar cultures in the news. Norine Dresser identifies key cross-cultural hot spots and suggests methods that foster respect for diversity. You'll discover: The dos and don'ts of successful business and social interaction with people from different cultures Appropriate etiquette regarding body language, food, child rearing, clothing, word choices, colors, entertaining, romance, and gift giving Detailed tips on avoiding embarrassment at work, in the classroom, in health care settings, on business trips, at meals, at weddings, at funerals, and on vacations and holidays Amusing firsthand accounts of cultural gaffes that illustrate how miscues happen—and how to avoid them A breakdown of customs, religions, languages, and ethnicities for seventy different countries

japanese and business cards: *The A to Z of Japanese Business* Stuart D.B. Picken, 2009-09-02 Japanese industrial standards have long been the benchmark for quality products within Asia, indeed, within the world. Major Japanese industries like Toyota, Sony, and Honda, to name but a few, are household names that have contributed to this small island nation's status as the world's second largest economy. Japanese business practices and theories have permeated the mindset of its surrounding nations, and the country's long-term investment in the ever-growing Chinese market has further secured its status as an economic powerhouse. *The A to Z of Japanese Business* is an examination of the origins and characteristics of Japan's business culture. This handy reference book includes most of the important words or company names that foreign business people visiting Japan might encounter and provides an overview of Japanese corporate culture both from an historical standpoint and with reference to its most distinctive features as they affect organization and management. This is accomplished through its historical chronology detailing significant events of the past as well as recent developments within the Japanese economy and business world in general, various appendixes offering lists of business expressions that are in daily use along with a selection of the most commonly used business proverbs, a bibliography, and hundreds of cross-referenced dictionary entries on Japanese companies, their founders and managers, the ever-present bureaucratic bodies, and progress in the major industries.

japanese and business cards: *Languages of Business* Francesca Bargiela-Chiappini, 2020-03-31 This book explores how people around the world, speaking different languages, accomplish business.

japanese and business cards: *The Strategic Procurement Practice Guide* Ulrich Weigel, Marco Ruecker, 2017-06-22 This practice guide on procurement strategy brings together methods and tools used by global purchasers across different industries. The authors lay major focus on the themes of global sourcing, risk management, and the dynamic topic of negotiation strategy. The authors present their perspectives on all important questions of strategic procurement such as: how to manage a heterogeneous supplier structure across different branches and how to deal with partners from diverse cultures? How to solve procurement crisis and proactively avoid them? How does off-shore team management work and how to increase the value-add for both internal and external purchasing? These themes are discussed along with numerous practice-based cases. The authors lay an ideal ground for global purchasers to help with their strategic and operational needs, including technological topics such as e-procurement.

japanese and business cards: *Marketing in Japan* Ian Melville, 2012-05-23 'Marketing in Japan' is ideal for executives wanting a 'hands-on' guide to entering the Japanese market. If you are already operating any kind of business venture either in Japan or with Japan, or if you hope to do so in the future, this book is for you. It provides business people with all the necessary information

about business, including marketing and distribution in Japan. Few Westerners have as thorough and distinguished a background in different areas of Japanese trade as Ian Melville; in addition to several years of exporting to Japan, he teaches Japanese business at Tokyo's Sophia University completing a PhD in the subject at Tokyo University. *Marketing in Japan* is an important book that will ensure that readers become well equipped to deal with increasing their business in Japan.

japanese and business cards: With Respect to the Japanese John C. Condon, Tomoko Masumoto, 2011-01-11 While Japan has been on center stage of the world economy for decades, interactions between the Japanese and Westerners continue to be on the rise. Daily communication in both business and social settings is commonplace, and connections through the Internet and mobile media make what felt distant only a few years ago seem familiar. Our cultures and social norms remain vastly different, however, and professionals working in Japan are likely to confront new challenges every day. For example, what are the three biggest challenges for Westerners who go to work in Japan? How can you tell when "yes" might mean "no"? When you are the guest in a taxi, who should sit where? In the fully updated second edition of *With Respect to the Japanese*, readers discover not only answers to basic etiquette questions, but also how to communicate successfully with the Japanese and, in the process, earn mutual respect. John C. Condon and Tomoko Masumoto use real-life examples (from kindergarten classrooms to the boardroom) to explain the contrast between these two distinct cultures. In this essential guide to Japanese culture, you will learn how vital societal characteristics affect communication, decision making, management styles and many other aspects of work and everyday relationships.

japanese and business cards: *Understanding and Working with the Japanese Business World* Hiroki Kato, Joan Stern Kato, 1992 Guidelines for understanding what meaning a Japanese businessperson intends, whether communicating in English or in Japanese, at home or abroad, and how a Japanese businessperson will interpret what his American counterpart says, does, or does not say. Annotation copyright by Book News, Inc., Portland, OR

japanese and business cards: *The Seven Keys to Communicating in Japan* Haru Yamada, Orlando R. Kelm, David A. Victor, 2017-09-01 The key to professional success in Japan is understanding Japanese people. The authors, seasoned cross-cultural trainers for businesspeople, provide a practical set of guidelines for understanding Japanese people and culture through David A. Victor's LESCANT approach of evaluating a culture's language, environment, social organization, context, authority, nonverbal communication, and time conception. Each chapter addresses one of these topics and shows effective strategies to overcoming cultural barriers and demonstrates how to evaluate the differences between Japan and North America to help avoid common communication mistakes. The book is generously peppered with photographs to provide visual examples. Exploring language and communication topics, international relations, and the business community, this book is an excellent intercultural overview for anyone traveling to or working in Japan.
