- VI. Student Support and Community: Resources available to online students.
- VII. Benefits of an LDS Business College Online Degree: Advantages of choosing this specific institution.
- VIII. Comparison with Other Online Business Programs: How LDSBC online programs stand out.

Article Body:

Program Options and Curriculum at LDS Business College Online

LDS Business College offers a variety of online programs designed to provide students with the skills and knowledge necessary for success in today's competitive business world. While a fully online Bachelor's degree might not be available at the moment, they often provide online certificate programs and potentially individual online courses that can be applied towards a degree if pursued on campus. These programs typically cover core business areas like accounting, finance, management, and marketing. The curriculum is regularly updated to reflect current industry trends and best practices.

Admission Requirements and Application Process for LDS Business College Online Programs

The admission process for online programs at LDS Business College typically involves submitting an application form, providing official transcripts from previous educational institutions, and possibly

undergoing an interview. Specific requirements can vary depending on the chosen program and may necessitate meeting certain GPA requirements or demonstrating competency in specific areas. The application process itself is designed to be straightforward and user-friendly, with online resources and support available to guide prospective students.

Online Learning Platform and Technology at LDS Business College

LDS Business College utilizes a sophisticated learning management system (LMS) to deliver its online courses. This platform offers features such as interactive lessons, online discussions, virtual classrooms, and assignment submission tools. Students will need reliable internet access and a computer that meets the minimum system requirements. Technical support is readily available to assist students with any technological challenges they encounter.

Tuition and Financial Aid Options for LDS Business College Online Students

Tuition fees for online programs at LDS Business College are generally competitive with other institutions offering similar programs. The college offers a range of financial aid options, including scholarships, grants, and loans, to help students finance their education. Prospective students should explore the available financial aid resources and complete the necessary applications to determine their eligibility for assistance.

Career Services and Job Placement Support for LDS Business College Online Graduates

LDS Business College provides career services and job placement support to its online graduates. These services often include resume and cover letter assistance, interview preparation, and networking opportunities. The college maintains connections with various businesses and organizations, facilitating connections between graduates and potential employers. The career services department plays a crucial role in helping graduates secure employment upon completion of their studies.

Student Support and Community for LDS Business College Online Learners

LDS Business College offers various support services to its online students. These services may include academic advising, tutoring, and access to online learning resources. Furthermore, the college often fosters a strong sense of community among its online students through online forums, virtual events, and social media groups. This sense of community helps students connect with their peers and faculty, fostering a supportive learning environment.

Benefits of Choosing an LDS Business College Online Degree

Choosing an LDS Business College online degree offers several advantages, including flexibility, affordability, and a faith-based learning environment. The flexible online format allows students to balance their studies with other commitments, while the affordable tuition and financial aid options make the program accessible to a wider range of students. The institution's emphasis on ethical business practices and community service aligns with LDS values.

Comparing LDS Business College Online Programs to Other Institutions

While comparing LDS Business College's online programs to those of other institutions, consider factors such as program curriculum, cost, flexibility, and the specific support services provided. LDS Business College distinguishes itself through its faith-based principles and strong focus on ethical business practices. The smaller class sizes can potentially lead to more personalized attention from instructors.

Conclusion:

An LDS Business College online degree offers a unique blend of academic rigor, faith-based values, and flexible learning. While a fully online bachelor's degree may not currently be offered, the range of online certificate programs and individual courses provide a valuable pathway to career advancement. By carefully considering your needs and exploring the available resources, you can determine if an LDS Business College online education aligns with your goals.

Frequently Asked Questions (FAQs):

Q: Does LDS Business College offer a fully online bachelor's degree in business? A: Currently, a fully online bachelor's degree may not be available, but they offer online certificate programs and individual online courses which can potentially be used towards an on-campus degree.

Q: What technology do I need to participate in online courses? A: A reliable internet connection and a computer meeting minimum system requirements are necessary. Specific requirements are outlined on the LDS Business College website.

Q: What financial aid options are available? A: A variety of financial aid options, including scholarships, grants, and loans, are available. Check the financial aid section of the college's website for more details.

Q: What career services are offered to online students? A: Online students have access to career services, including resume building, interview preparation, and job placement assistance.

Ids business college online degree: *The Innovative University* Clayton M. Christensen, Henry J. Eyring, 2011-06-24 The Innovative University illustrates how higher education can respond to the forces of disruptive innovation, and offers a nuanced and hopeful analysis of where the traditional university and its traditions have come from and how it needs to change for the future. Through an examination of Harvard and BYU-Idaho as well as other stories of innovation in higher education, Clayton Christensen and Henry Eyring decipher how universities can find innovative, less costly ways of performing their uniquely valuable functions. Offers new ways forward to deal with curriculum, faculty issues, enrollment, retention, graduation rates, campus facility usage, and a host of other urgent issues in higher education Discusses a strategic model to ensure economic vitality at the traditional university Contains novel insights into the kind of change that is necessary to move institutions of higher education forward in innovative ways This book uncovers how the traditional university survives by breaking with tradition, but thrives by building on what it's done best.

Ids business college online degree: *Elements of Quality Online Education* John R. Bourne, Janet C. Moore, 2002

Ids business college online degree: Listen, Learn, and Love: Embracing Lgbtq Latter-Day Saints Richard Ostler, 2020-09 Through the power of storytelling, inspired author and former YSA bishop Richard H. Ostler brings to life the experiences of LGBTQ Latter-day Saints in his book Listen, Learn, and Love: Embracing LGBTQ Latter-day Saints. In a November 2017 devotional address given at Brigham Young University, President M. Russell Ballard challenged us to Listen to and understand what are our LGBT brothers and sisters are feeling and experiencing. This book, which is supportive of The Church of Jesus Christ of Latter-day Saints, its leaders, and its doctrine, is for all Latter-day Saints. It goes hand-in-hand with the Listen, Learn, and Love podcast, which brings hundreds of stories together in a comprehensive review of the many topics concerning LGBTQs and Latter-day Saints. With the help of this inspired book, we can now better support LGBTQ members in their unique and often difficult road. We can do better in recognizing their gifts and contributions in our wards and families. Listen, Learn, and Love makes a wonderful addition to the spiritual and intellectual curriculum of all members of The Church of Jesus Christ of Latter-day Saints.

Ids business college online degree: **Getting Started with the Online Experience** Robert T. Grauer, Robert McCloud, Keith Mulbery, 2008 The Exploring series helps students master the How and Why of performing tasks in Office to gain a greater understanding of how to use the individual applications together to solve business problems. Exploring titles feature Perfect pages where every step of every hands-on exercise as well as every end-of-chapter problem begins on a new page and has its own screen shot to make it easier to follow. Each chapter contains Hands-on Exercises, Capstone Exercises, and Mini-Cases for practicing and reviewing skills acquired. Ideal for students and individuals seeking a comprehensive introduction to computer concepts for Microsoft Office 2007.

Ids business college online degree: **Teachings of Presidents of the Church: Brigham Young** The Church of Jesus Christ of Latter-day Saints, The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God. President Young declared that as members of The Church of Jesus Christ of Latter-day Saints we possess the "doctrine of life and salvation for all the honest-in-heart" (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened "within them a desire to know and understand the things of God more than they ever did before in their lives" and will begin to "inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness" (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two

sections—"Teachings of Brigham Young" and "Suggestions for Study." The first section consists of extracts from Brigham Young's sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young's teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young's teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the "Lion of the Lord" (HC, 7:434)—the prophet, seer, and revelator, President Brigham Young.

lds business college online degree: *A Peculiar People* J. Spencer Fluhman, 2012-09-17 Though the U.S. Constitution guarantees the free exercise of religion, it does not specify what counts as a religion. From its founding in the 1830s, Mormonism, a homegrown American faith, drew thousands of converts but far more critics. In *A Peculiar People*, J. Spencer Fluhman offers a comprehensive history of anti-Mormon thought and the associated passionate debates about religious authenticity in nineteenth-century America. He argues that understanding anti-Mormonism provides critical insight into the American psyche because Mormonism became a potent symbol around which ideas about religion and the state took shape. Fluhman documents how Mormonism was defamed, with attacks often aimed at polygamy, and shows how the new faith supplied a social enemy for a public agitated by the popular press and wracked with social and economic instability. Taking the story to the turn of the century, Fluhman demonstrates how Mormonism's own transformations, the result of both choice and outside force, sapped the strength of the worst anti-Mormon vitriol, triggering the acceptance of Utah into the Union in 1896 and also paving the way for the dramatic, yet still grudging, acceptance of Mormonism as an American religion.

lds business college online degree: *Latter-day Saint Family Encyclopedia* Christopher Kimball Bigelow, Jonathan Langford, 2019-08-20 A home reference guide to key terms in Mormon culture. A one-volume compendium of Mormon culture, this handy reference book covers key doctrinal terms, beliefs, ordinances, church history and growth, and more. You'll find extensive entries on the prophets and personalities from all four standard works accepted by the church, and many interesting anecdotes and facts on a wide array of topics. Teens and adults will appreciate the fresh, innovative approach this encyclopedia takes as it culls the vast sea of LDS information available into a manageable book suitable for the whole family.

lds business college online degree: *Book of Majors 2014* College Entrance Examination Board, The College Board, 2013-07-02 The only book that describes majors in depth and lists the colleges that offer them.

lds business college online degree: *American Higher Education in Crisis?* Goldie Blumenstyk, 2015 Disinvestment by states has driven up tuition prices, and student debt has reached an all-time high. Americans are questioning the worth of a college education, even as studies show how important it is to economic and social mobility

lds business college online degree: *Peterson's Colleges in the West*, 2009

lds business college online degree: *Designing Portals* Ali Jafari, Mark C. Sheehan, 2003-01-01 Discusses the current status of portals in higher education by providing insight into the

role portals play in an institution's business and educational strategy, by taking the reader through the processes of conceptualization, design, and implementation of the portals in different stages of development at major universities and by offering insight from three producers of portal software systems in use at institutions of higher learning and elsewhere.

lds business college online degree: The Jesus Conundrum Ernst Rodin, 2009-12 Jesus presents our materialistic society with a conundrum. Although his name is on our lips, we frequently do not know how to integrate his message into our lives. It has become overlaid with dogma and mysteries that we can no longer relate to in our materialistic-scientific society. The Jesus Conundrum, written by a physician, explains why the New Testament is literally Greek to us. Our translations fail to cover the rich meaning which is conveyed in the original language. Key terms are, therefore, explained which makes even some of the most puzzling utterances ascribed to Jesus, such as love your enemy, understandable, meaningful, and important. The four gospels, the Acts of the Apostles, the epistles of Paul, and the Apocalypse are treated separately for their informational content because the purpose for which each of these documents was written differed. They are subsequently put in the context of first century intellectual and spiritual life as well as the then existing mystery cults. It is shown that the term Judeo-Christian tradition is misleading. Jesus' message is closer to Buddhism and Stoicism than Judaism. The vital implications for us, as individuals and our society, which require personal choices, are presented.

lds business college online degree: The Leader in Me Stephen R. Covey, 2012-12-11 Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

lds business college online degree: Book of Majors 2013 College Entrance Examination Board, The College Board, 2012-07-03 An in-depth look at the top 200 college majors and a guide to 3600 colleges offering any or all of these programs.

lds business college online degree: The College Dropout Scandal David Kirp, 2019-07-01 Higher education today faces a host of challenges, from quality to cost. But too little attention gets paid to a startling fact: four out of ten students -- that's more than ten percent of the entire population -- who start college drop out. The situation is particularly dire for black and Latino students, those from poor families, and those who are first in their families to attend college. In The College Dropout Scandal, David Kirp outlines the scale of the problem and shows that it's fixable -- we already have the tools to boost graduation rates and shrink the achievement gap. Many college administrators know what has to be done, but many of them are not doing the job -- the dropout rate hasn't decreased for decades. It's not elite schools like Harvard or Williams who are setting the example, but places like City University of New York and Long Beach State, which are doing the hard work to assure that more students have a better education and a diploma. As in his New York Times columns, Kirp relies on vivid, on-the-ground reporting, conversations with campus leaders, faculty and students, as well as cogent overviews of cutting-edge research to identify the institutional reforms--like using big data to quickly identify at-risk students and get them the support they need -- and the behavioral strategies -- from nudges to mindset changes -- that have been

proven to work. Through engaging stories that shine a light on an underappreciated problem in colleges today, David Kirp's hopeful book will prompt colleges to make student success a top priority and push more students across the finish line, keeping their hopes of achieving the American Dream alive.

Ids business college online degree: Disrupt This! Karen J. Head, 2017-07-04 In this smart and incisive work, Karen J. Head describes her experience teaching a Massive Open Online Course (MOOC) and the attendant pressure on professors, especially those in the humanities, to embrace new technologies in the STEM era. And yet, as she argues, MOOCs are just the latest example of the near-religious faith that some universities have in the promise of technological advances. As a teacher of rhetoric, Head is well versed at sniffing out the sophistry embedded in the tech jargon increasingly rife in the academy. Disrupt This! is a broader-based critique of the promises of technological disruption and the impact of Silicon Valley thinking on an unsuspecting, ill-prepared, and often gullible university community grasping for relevance, while remaining in thrall to the technologists.

Ids business college online degree: How Will You Measure Your Life? (Harvard Business Review Classics) Clayton M. Christensen, 2017-01-17 In the spring of 2010, Harvard Business School's graduating class asked HBS professor Clay Christensen to address them—but not on how to apply his principles and thinking to their post-HBS careers. The students wanted to know how to apply his wisdom to their personal lives. He shared with them a set of guidelines that have helped him find meaning in his own life, which led to this now-classic article. Although Christensen's thinking is rooted in his deep religious faith, these are strategies anyone can use. Since 1922, Harvard Business Review has been a leading source of breakthrough ideas in management practice. The Harvard Business Review Classics series now offers you the opportunity to make these seminal pieces a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world.

Ids business college online degree: The James Code O. S. Hawkins, 2015-11-10 The James Code helps believers go from knowing about God to living for God. Bestselling author of The Joshua Code and The Jesus Code, O.S. Hawkins is back with a new book that is all about putting your faith into action. The James Code is practical, personal and action-packed straight from one of the most popular books of the Bible. Once readers have devoted themselves to Scripture memory in The Joshua Code, and have equipped themselves to give answers in The Jesus Code, The James Code challenges readers to give feet to their faith. Hawkins gives applicable truth from the book of James emphasizing that an effective Christian life is not about faith and works, but is about faith that works. As with The Joshua Code and The Jesus Code, all author royalties will go to Mission:Dignity, whose mission supports retired pastors and their spouses living near the poverty level.

Ids business college online degree: Brigham Young Leonard J. Arrington, 2012-06-12 Brigham Young comes to life in this superlative biography that presents him as a Mormon leader, a business genius, a family man, a political organizer, and a pioneer of the West. Drawing on a vast range of sources, including documents, personal diaries, and private correspondence, Leonard J. Arrington brings Young to life as a towering yet fully human figure, the remarkable captain of his people and his church for thirty years, who combined piety and the pursuit of power to leave an indelible stamp on Mormon society and the culture of the Western frontier. From polygamy to the Mountain Meadows Massacre to the attempted preservation of Young's Great Basin Kingdom, we are given a fresh understanding of the controversies that plagued Young in his contentious relations with the federal government. Brigham Young draws its subject out of the marginal place in history to which the conventional wisdom has assigned him, and sets him squarely in the American mainstream, a figure of abiding influence in our society to this day.

Ids business college online degree: Historical Dictionary of the Latter-day Saints Thomas G. Alexander, Davis Bitton, 2019-10-08 The Church of Jesus Christ of Latter-day Saints is a Christian church that was organized by six men in western New York in 1830 under the leadership

of Joseph Smith, the church has grown to more than 16 million members today. A restoration of the primitive church organized by Jesus Christ in the first century C. E., the church's membership was originally all Americans. The church is now, however, a worldwide church with more members who live outside the United States than inside. The fourth edition of Historical Dictionary of the Latter-day Saints contains a chronology, an introduction, and an extensive bibliography. The dictionary section has over 400 cross-referenced entries on the important people, ideas, doctrine, and events during the hundred-ninety year history of The Church of Jesus Christ of Latter-day Saints. This book is an excellent resource for students, researchers, and anyone wanting to know more about The Church of Jesus Christ of Latter-day Saints.

lds business college online degree: College for the Commonwealth Michael T. Benson, Hal R. Boyd, 2018-11-16 In the past decade, states across the nation have cut higher education spending per student by more than 15 percent. Kentucky has experienced some of the largest cuts in the country, leading many to claim that higher education is in a state of crisis. In spite of this turmoil, however, Kentucky's remarkable institutions of higher education stand more capable than ever to prepare new generations for the challenges and opportunities of their time. College for the Commonwealth: A Case for Higher Education in American Democracy illustrates how colleges and universities are the sustaining lifeblood of civil society and that when these vital institutions are underfunded, both the community and economy suffer. Michael T. Benson and Hal R. Boyd examine the historical origins of higher education in America and analyze the benefits of postsecondary education through the lens of Kentucky. Presented as a practical yet persuasive look at why America needs thoughtful reinvestment in its colleges and universities, this study details how helping students can help sustain a healthy, democratic social fabric while bolstering the modern economy. Gathering examples and offering solutions for postsecondary institutions, this work serves as a call to action and a roadmap for educators, administrators, and government officials.

lds business college online degree: The Framework for Teaching Evaluation Instrument, 2013 Edition Charlotte Danielson, 2013 The framework for teaching document is an evolving instrument, but the core concepts and architecture (domains, components, and elements) have remained the same. Major concepts of the Common Core State Standards are included. For example, deep conceptual understanding, the importance of student intellectual engagement, and the precise use of language have always been at the foundation of the Framework for Teaching, but are more clearly articulated in this edition. The language has been tightened to increase ease of use and accuracy in assessment. Many of the enhancements to the Framework are located in the possible examples, rather than in the rubric language or critical attributes for each level of performance.

lds business college online degree: College Handbook 2011 The College Board, 2010-06-22 This is the only guide available that contains objective information on every accredited college in the United States — 2,150 four-year colleges and universities, and 1,650 two-year community colleges and technical schools. With its clearly laid-out entries and more than 40 indexes, the College Handbook 2011 is the fastest, easiest way for students to narrow a college search and compare the schools that they're interested in. • Targeted information for home-schooled students and students considering community college as an option. • Useful features for black and Hispanic students. • Tables of early decision and wait-list outcomes show information that can't be found in any other guide. • Comprehensive listings of student services, majors, athletics, on-campus activities and campus computing. • Planning calendar and worksheets help students organize their applications and stay on track. • Purchasers qualify for a \$10 discount on The Official SAT Online Course™, the only course offered by the test makers. • Updated annually by a team of editors who verify information with each college — making the College Handbook 2011 the best college reference guide.

lds business college online degree: She Reads Truth Raechel Myers, Amanda Bible Williams, 2016-10-04 Born out of the experiences of hundreds of thousands of women who Raechel and Amanda have walked alongside as they walk with the Lord, She Reads Truth is the message that will help you understand the place of God's Word in your life.

lds business college online degree: The Columbia Sourcebook of Mormons in the United States Terryl L. Givens, Reid L. Neilson, 2014-08-12 This anthology provides rare access to key original documents illuminating Mormon history, theology, and culture in the United States from the nineteenth century to today. Brief introductions describe the theological significance of each text and its reflection of the practices, issues, and challenges that have defined and continue to define the Mormon community. These documents balance mainstream and peripheral thought and religious experience, institutional and personal perspective, and theoretical and practical interpretation, representing pivotal moments in LDS history and correcting decades of misinformation and stereotype. The authors of these documents, male and female, not only celebrate but speak critically and question mainline LDS teachings on sexuality, politics, gender, race, polygamy, and other issues. Selections largely focus on the Salt Lake-based LDS tradition, with a section on the post-Joseph Smith splintering and its creation of a variety of similar yet different Mormon groups. The documents are arranged chronologically within specific categories to capture both the historical and doctrinal development of Mormonism in the United States.

lds business college online degree: Get Your Degree Online Matthew Helm, April Leigh Helm, 2000 Students of all ages can now use their home computers to matriculate at local colleges, earn technical and continuing education credits, even get an MBA from top business schools. This invaluable guide shows how.

lds business college online degree: Atomic Habits James Clear, 2018-10-16 The #1 New York Times bestseller. Over 20 million copies sold! Translated into 60+ languages! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not

because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Ids business college online degree: Blended Michael B. Horn, Heather Staker, 2017-11-06 Navigate the transition to blended learning with this practical field guide Blended is the practical field guide for implementing blended learning techniques in K-12 classrooms. A follow-up to the bestseller Disrupting Class by Clayton M. Christensen, Michael Horn, and Curtis Johnson, this hands-on guide expands upon the blended learning ideas presented in that book to provide practical implementation guidance for educators seeking to incorporate online learning with traditional classroom time. Readers will find a step-by-step framework upon which to build a more student-centered system, along with essential advice that provides the expertise necessary to build the next generation of K-12 learning environments. Leaders, teachers, and other stakeholders will gain valuable insight into the process of using online learning to the greatest benefit of students, while avoiding missteps and potential pitfalls. If online learning has not already rocked your local school, it will soon. Blended learning is one of the hottest trends in education right now, and educators are clamoring for how-to guidance. Blended answers the call by providing detailed information about the strategy, design, and implementation of a successful blended learning program. Discover a useful framework for implementing blended learning Unlock the benefits and mitigate the risks of online learning Find answers to the most commonly asked questions surrounding blended learning Create a more student-centered system that functions as a positive force across grade levels Educators who loved the ideas presented in Disrupting Class now have a field guide to making it work in a real-world school, with expert advice for making the transition smoother for students, parents, and teachers alike. For educational leaders seeking more student-centered schools, Blended provides the definitive roadmap.

Ids business college online degree: Educated Tara Westover, 2018-02-20 #1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University “Extraordinary . . . an act of courage and self-invention.”—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA’S FAVORITE BOOKS OF THE YEAR • BILL GATES’S HOLIDAY READING LIST • FINALIST: National Book Critics Circle’s Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara’s older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she’d traveled too far, if there was still a way home.

"Beautiful and propulsive . . . Despite the singularity of [Westover's] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?"—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public Library

lds business college online degree: Your Sister in the Gospel Quincy D. Newell, 2019-04-05 Dear Brother, Jane Manning James wrote to Joseph F. Smith in 1903, I take this opportunity of writing to ask you if I can get my endowments and also finish the work I have begun for my dead.... Your sister in the Gospel, Jane E. James. A faithful Latter-day Saint since her conversion sixty years earlier, James had made this request several times before, to no avail, and this time she would be just as unsuccessful, even though most Latter-day Saints were allowed to participate in the endowment ritual in the temple as a matter of course. James, unlike most Mormons, was black. For that reason, she was barred from performing the temple rituals that Latter-day Saints believe are necessary to reach the highest degrees of glory after death. A free black woman from Connecticut, James positioned herself at the center of LDS history with uncanny precision. After her conversion, she traveled with her family and other converts from the region to Nauvoo, Illinois, where the LDS church was then based. There, she took a job as a servant in the home of Joseph Smith, the founder and first prophet of the LDS church. When Smith was killed in 1844, Jane found employment as a servant in Brigham Young's home. These positions placed Jane in proximity to Mormonism's most powerful figures, but did not protect her from the church's racially discriminatory policies. Nevertheless, she remained a faithful member until her death in 1908. Your Sister in the Gospel is the first scholarly biography of Jane Manning James or, for that matter, any black Mormon. Quincy D. Newell chronicles the life of this remarkable yet largely unknown figure and reveals why James's story changes our understanding of American history.

lds business college online degree: Religion and World Civilizations [3 volumes] Andrew Holt, 2023-06-30 An indispensable resource for readers investigating how religion has influenced societies and cultures, this three-volume encyclopedia assesses and synthesizes the many ways in which religious faith has shaped societies from the ancient world to today. Each volume of the set focuses on a different era of world history, ranging through the ancient, medieval, and modern worlds. Every volume is filled with essays that focus on religious themes from different geographical regions. For example, volume one includes essays considering religion in ancient Rome, while volume three features essays focused on religion in modern Africa. This accessible layout makes it easy for readers to learn more about the ways that religion and society have intersected over the centuries, as well as specific religious trends, events, and milestones in a particular era and place in world history. Taken as a whole, this ambitious and wide-ranging work gathers more than 500 essays from more than 150 scholars who share their expertise and knowledge about religious faiths, tenets, people, places, and events that have influenced the development of civilization over the course of recorded human history.

lds business college online degree: Teaching Your Children to Read Using the Book of Mormon Grant Von Harrison, 1999

lds business college online degree: Mindset Carol S. Dweck, 2007-12-26 From the renowned psychologist who introduced the world to “growth mindset” comes this updated edition of the million-copy bestseller—featuring transformative insights into redefining success, building lifelong resilience, and supercharging self-improvement. “Through clever research studies and engaging writing, Dweck illuminates how our beliefs about our capabilities exert tremendous influence on how we learn and which paths we take in life.”—Bill Gates, GatesNotes “It’s not always the people who start out the smartest who end up the smartest.” After decades of research, world-renowned Stanford University psychologist Carol S. Dweck, Ph.D., discovered a simple but groundbreaking idea: the power of mindset. In this brilliant book, she shows how success in school, work, sports, the arts, and almost every area of human endeavor can be dramatically influenced by how we think about our talents and abilities. People with a fixed mindset—those who believe that abilities are fixed—are less likely to flourish than those with a growth mindset—those who believe that abilities can be developed. Mindset reveals how great parents, teachers, managers, and athletes can put this idea to use to foster outstanding accomplishment. In this edition, Dweck offers new insights into her now famous and broadly embraced concept. She introduces a phenomenon she calls false growth mindset and guides people toward adopting a deeper, truer growth mindset. She also expands the mindset concept beyond the individual, applying it to the cultures of groups and organizations. With the right mindset, you can motivate those you lead, teach, and love—to transform their lives and your own.

lds business college online degree: The Infinite Atonement Tad R. Callister, Robert L. Millet, 2013-03-04 The author thoughtfully proves the infinite scope of the great and last sacrifice, describing its power and breadth and explaining how Christ's atonement redeems all mankind. This edition is filled with stunning, full-color illustrations by James C. Christensen, Simon Dewey, Greg Olsen, Walter Rane, and many other artists.
