Little Trees Wellness Collective: Your Oasis of Holistic Well-being

Are you feeling overwhelmed, stressed, or simply disconnected from your inner peace? In today's fast-paced world, prioritizing wellness often takes a backseat. But what if there was a place dedicated to nurturing your mind, body, and spirit, offering a holistic approach to well-being? This blog post delves into the Little Trees Wellness Collective, exploring its unique offerings and how it can help you rediscover balance and vitality. We'll uncover what makes this collective special, the services they provide, and why it's quickly becoming a haven for those seeking a truly transformative wellness journey. Get ready to discover your path to a healthier, happier you!

Understanding the Little Trees Wellness Collective Philosophy

The Little Trees Wellness Collective isn't your typical spa or wellness center. It's built on a foundation of holistic integration, recognizing the interconnectedness of physical, mental, and emotional well-being. Their philosophy emphasizes a gentle, personalized approach, tailoring treatments and therapies to meet each individual's unique needs and goals. They believe in empowering individuals to take control of their health journey through education, support, and a nurturing environment. Think of it as a supportive community fostering self-discovery and sustainable wellness practices. This isn't just about quick fixes; it's about cultivating lasting positive changes in your lifestyle.

A Diverse Range of Services Offered at Little Trees Wellness Collective

Little Trees Wellness Collective offers a wide spectrum of services designed to address various aspects of well-being. This isn't a one-size-fits-all approach; they believe in providing options to suit

individual preferences and needs. Let's explore some key offerings:

1. Mindfulness and Meditation Practices: The collective often hosts guided meditation sessions, mindfulness workshops, and yoga classes, all designed to cultivate inner peace and reduce stress. These practices are often incorporated into other treatments for a more holistic experience.

2. Bodywork Therapies: From therapeutic massage to acupuncture and energy healing, the collective provides a range of bodywork therapies to alleviate physical tension, improve circulation, and promote relaxation. These services address both acute and chronic pain, helping clients achieve better physical mobility and overall comfort.

3. Nutritional Counseling: Understanding the power of nutrition is crucial for overall wellness. The Little Trees Wellness Collective often partners with registered dietitians to provide personalized nutritional guidance, helping clients make informed food choices to support their health goals. This might involve creating meal plans, addressing dietary restrictions, or simply educating clients on the benefits of specific nutrients.

4. Herbalism and Natural Remedies: Many wellness collectives are incorporating herbalism and natural remedies into their practices. This might include consultations with herbalists, workshops on creating natural remedies, or the integration of herbal products into their treatments.

5. Community Workshops and Events: The Little Trees Wellness Collective recognizes the importance of community in fostering well-being. They often host workshops, retreats, and social events focused on various wellness topics, creating opportunities for connection, learning, and support. These gatherings provide a chance to meet like-minded individuals and build a supportive network.

6. Personalized Wellness Plans: One of the hallmarks of the Little Trees Wellness Collective is its dedication to personalized wellness plans. After an initial consultation, clients work with practitioners to develop a tailored plan that addresses their specific needs and goals. This holistic approach considers all aspects of well-being – physical, mental, and emotional – to create a truly integrated and effective plan.

The Little Trees Wellness Collective Experience: More Than Just Treatments

The Little Trees Wellness Collective aims to create a truly immersive experience. It's not just about receiving treatments; it's about creating a sanctuary where you can disconnect from the stresses of daily life and reconnect with yourself. The ambiance is typically serene and calming, designed to promote relaxation and rejuvenation. The practitioners are highly skilled and compassionate, dedicated to providing a safe and supportive space for clients to explore their wellness journey. The collective's commitment to holistic wellness goes beyond individual treatments; it's about fostering a community that supports and inspires personal growth and well-being.

Finding Your Path to Wellness with Little Trees Wellness Collective

Whether you're seeking relief from stress, chronic pain, or simply a deeper connection with your inner self, the Little Trees Wellness Collective offers a unique and effective path to improved well-being. Their diverse range of services, personalized approach, and nurturing environment create the ideal space for self-discovery and transformation. By addressing the interconnectedness of mind, body, and spirit, they empower individuals to take control of their health and create a life filled with vitality and joy. Taking that first step towards prioritizing your wellness is a powerful decision; the Little Trees Wellness Collective is there to guide you on your journey.

Conclusion

The Little Trees Wellness Collective represents a refreshing approach to holistic wellness, offering a compassionate, personalized, and integrated system of care. By focusing on the interconnectedness of mind, body, and spirit, they provide a supportive and nurturing environment for individuals seeking to cultivate lasting positive changes in their lives. If you're ready to prioritize your well-being and embark on a transformative journey, consider exploring the unique offerings of the Little Trees Wellness Collective.

FAQs

1. How do I book an appointment at the Little Trees Wellness Collective? You can typically book appointments online through their website or by calling them directly. Their website should have contact information and scheduling options.

1. What forms of payment do they accept? Most wellness collectives accept major credit cards, debit cards, and sometimes cash. It's best to check their website or contact them directly to confirm accepted payment methods.

1. Do they offer gift certificates? Many wellness centers offer gift certificates, making them a thoughtful and unique gift for loved ones. Check their website or contact them to inquire about this option.

1. What is their cancellation policy? It's always important to review a business's cancellation policy before booking an appointment. This information is usually available on their website or can be obtained by contacting them directly.

1. Are their practitioners licensed and certified? Reputable wellness collectives employ licensed and certified practitioners. You can typically find information about their practitioners' credentials on

their website or by contacting them directly. Remember to always verify credentials with the relevant governing bodies if you have concerns.

little trees wellness collective: Redeem & Reinvent The Art Of Lost Wellness Santosh Jha, 2021-09-11 The world we live is what it is, neither good nor bad. It is neutral and objective. Wellness is largely individual onus. As we acquire and practice those life skills, which make life wellness a beautiful journey for us, our mind is attuned to them. We then have an auto-mechanism for larger wellness. Time to test our Life Skill Quotient (LSQ)!

little trees wellness collective: *Mindfulness* Annika Rose, 2020-09-15 Now, more than ever, there is a need for mindfulness, as this world and our lives only seem to get busier, more anxious and more stressful. Mindfulness is an invaluable practice that we can all incorporate into our everyday lives - enabling us to be here in the present, to focus on what we're doing right now; to have self-awareness, but not to be lost in destructive thought. And it can be done in smart and simple ways. This invaluable book is essential for those who want to learn to access this ability that we all possess, to cultivate calm and joy in today's busy world. Wellbeing expert Annika Rose provides straightforward advice, science and strategies - from formal meditation sessions and routines to a wide range of techniques for mindful living, walking, sleeping, eating and working. With step-by-step guidance and inspirational wisdom, this is the no-nonsense route to a more peaceful, effective and kinder life.

little trees wellness collective: *Communities in Action* National Academies of Sciences, Engineering, and Medicine, Health and Medicine Division, Board on Population Health and Public Health Practice, Committee on Community-Based Solutions to Promote Health Equity in the United States, 2017-04-27 In the United States, some populations suffer from far greater disparities in health than others. Those disparities are caused not only by fundamental differences in health status across segments of the population, but also because of inequities in factors that impact health status, so-called determinants of health. Only part of an individual's health status depends on his or her behavior and choice; community-wide problems like poverty, unemployment, poor education, inadequate housing, poor public transportation, interpersonal violence, and decaying neighborhoods also contribute to health inequities, as well as the historic and ongoing interplay of structures, policies, and norms that shape lives. When these factors are not optimal in a community, it does not mean they are intractable: such inequities can be mitigated by social policies that can shape health in powerful ways. *Communities in Action: Pathways to Health Equity* seeks to delineate the causes of and the solutions to health inequities in the United States. This report focuses on what communities can do to promote health equity, what actions are needed by the many and varied stakeholders that are part of communities or support them, as well as the root causes and structural barriers that need to be overcome.

little trees wellness collective: *Why Wellness Sells* Colleen Derkatch, 2022-12-13 The author argues that wellness has become so pervasive in the United States and Canada because it is an ever-moving goal. It embodies an idea of both restoring the body to some natural, and therefore healthy, state and of enhancing the body toward an ideal state of health, one that is better than well. Overall, the book, a rhetorical and cultural study, offers a nuanced account of how language, belief, behavior, experience, and persuasion collide to produce and promote wellness, which is among the most compelling--and possibly harmful--concepts that govern contemporary Western life--

little trees wellness collective: *Retelling the Stories of Our Lives: Everyday Narrative*

Therapy to Draw Inspiration and Transform Experience David Denborough, 2014-01-06

Powerful ideas from narrative therapy can teach us how to create new life stories and promote change. Our lives and their pathways are not fixed in stone; instead they are shaped by story. The ways in which we understand and share the stories of our lives therefore make all the difference. If we tell stories that emphasize only desolation, then we become weaker. If we tell our stories in ways that make us stronger, we can soothe our losses and ease our sorrows. Learning how to re-envision the stories we tell about ourselves can make an enormous difference in the ways we live our lives. Drawing on wisdoms from the field of narrative therapy, this book is designed to help people rewrite and retell the stories of their lives. The book invites readers to take a new look at their own stories and to find significance in events often neglected, to find sparkling actions that are often discounted, and to find solutions to problems and predicaments in unexpected places. Readers are introduced to key ideas of narrative practice like the externalizing problems - 'the person is not the problem, the problem is the problem' - and the concept of re-membering one's life. Easy-to-understand examples and exercises demonstrate how these ideas have helped many people overcome intense hardship and will help readers make these techniques their own. The book also outlines practical strategies for reclaiming and celebrating one's experience in the face of specific challenges such as trauma, abuse, personal failure, grief, and aging. Filled with relatable examples, useful exercises, and informative illustrations, *Retelling the Stories of Our Lives* leads readers on a path to reclaim their past and re-envision their future.

little trees wellness collective: *Dancing in the Streets* Barbara Ehrenreich, 2007-12-26 From the bestselling social commentator and cultural historian comes Barbara Ehrenreich's fascinating exploration of one of humanity's oldest traditions: the celebration of communal joy. In the acclaimed *Blood Rites*, Barbara Ehrenreich delved into the origins of our species' attraction to war. Here, she explores the opposite impulse, one that has been so effectively suppressed that we lack even a term for it: the desire for collective joy, historically expressed in ecstatic revels of feasting, costuming, and dancing. Ehrenreich uncovers the origins of communal celebration in human biology and culture. Although sixteenth-century Europeans viewed mass festivities as foreign and savage, Ehrenreich shows that they were indigenous to the West, from the ancient Greeks' worship of Dionysus to the medieval practice of Christianity as a danced religion. Ultimately, church officials drove the festivities into the streets, the prelude to widespread reformation: Protestants criminalized carnival, Wahhabist Muslims battled ecstatic Sufism, European colonizers wiped out native dance rites. The elites' fear that such gatherings would undermine social hierarchies was justified: the festive tradition inspired French revolutionary crowds and uprisings from the Caribbean to the American plains. Yet outbreaks of group revelry persist, as Ehrenreich shows, pointing to the 1960s rock-and-roll rebellion and the more recent carnivalization of sports. Original, exhilarating, and deeply optimistic, *Dancing in the Streets* concludes that we are innately social beings, impelled to share our joy and therefore able to envision, even create, a more peaceable future. Fascinating . . . An admirably lucid, level-headed history of outbreaks of joy from Dionysus to the Grateful Dead.—Terry Eagleton, *The Nation*

little trees wellness collective: *You Better Be Lightning* Andrea Gibson, 2021-11-09 2023 Feathered Quill Book Awards Gold Medal Winner 2022 Independent Publisher Book Awards (IPPY) Gold Medal Winner 2022 Over the Rainbow Short List 2021 Goodreads Choice Awards - Best Poetry Book Finalist 2021 Bookshop's Indie Press Highlights *You Better Be Lightning* by Andrea Gibson is a queer, political, and feminist collection guided by self-reflection. The poems range from close examination of the deeply personal to the vastness of the world, exploring the expansiveness of the human experience from love to illness, from space to climate change, and so much more in between. One of the most celebrated poets and performers of the last two decades, Andrea Gibson's trademark honesty and vulnerability are on full display in *You Better Be Lightning*, welcoming and inviting readers to be just as they are.

little trees wellness collective: *Finding Perfect* Elly Swartz, 2016-10-18 To twelve-year-old Molly Nathans, perfect is: —The number four —The tip of a newly sharpened No. 2 pencil —A crisp

white pad of paper —Her neatly aligned glass animal figurines What's not perfect is Molly's mother leaving the family to take a faraway job with the promise to return in one year. Molly knows that promises are sometimes broken, so she hatches a plan to bring her mother home: Win the Lakeville Middle School Poetry Slam Contest. The winner is honored at a fancy banquet with white tablecloths. Molly is sure her mother would never miss that. Right...? But as time passes, writing and reciting slam poetry become harder. Actually, everything becomes harder as new habits appear, and counting, cleaning, and organizing are not enough to keep Molly's world from spinning out of control. In this fresh-voiced debut novel, one girl learns there is no such thing as perfect.

little trees wellness collective: Tourism and Wellness Bryan S. R. Grimwood, Heather Mair, Kellee Caton, Meghan Muldoon, 2018-11-15 Tourism and Wellness: Travel for the Good of All? enhances academic understandings and analyses of tourism as a social and worldmaking force by situating broad questions of well-being, health, and equity within the scaffolds of critical tourism studies. Contributors touch on power and politics, space and place, reflexivity and relationships, values and affect, and inequality and equity as viewed through critically informed and social justice perspectives. This collection of cutting-edge, critical tourism analyses contextualizes and disrupts how wellness is understood in tourism. For more information, check out A Conversation with the Editors of Tourism and Wellness: Travel for the Good of All?

little trees wellness collective: Transforming Florida Yards Amanda Pike, 2023-06-01 Transforming Florida Yards offers readers a way to easily grow edible plants by creating a natural ecosystem. All one needs to successfully begin their food forest is a lawn and this book! Knowing which plants grow in each part of the state (north, central, and south) simplifies steps to create a flourishing garden. Permaculture, or the process of working with nature rather than against it, teaches affordable, sustainable, and research-based ways to beautify surroundings. Backyard gardens also lower the risk of food insecurity and help prepare communities for continuous climate change. Thanks to ample rainfall and warm temperatures, Florida is the perfect state for growing produce, herbs, and other edibles year-round. Most plants in a food forest are long-lived and low maintenance. Often, food forests even take care of their own fertilization and pest control! Empowered with easy-to-follow, one-page reference sheets for 200 plants (with corresponding hardiness zone, recipes, cultural information, and landscaping design tips), readers will quickly watch their lawns transform into a gorgeous, yet edible paradise.

little trees wellness collective: Indigenous Cultures and Mental Health Counselling Suzanne L. Stewart, Roy Moodley, Ashley Hyatt, 2016-08-12 North America's Indigenous population is a vulnerable group, with specific psychological and healing needs that are not widely met in the mental health care system. Indigenous peoples face certain historical, cultural-linguistic and socioeconomic barriers to mental health care access that government, health care organizations and social agencies must work to overcome. This volume examines ways Indigenous healing practices can complement Western psychological service to meet the needs of Indigenous peoples through traditional cultural concepts. Bringing together leading experts in the fields of Aboriginal mental health and psychology, it provides data and models of Indigenous cultural practices in psychology that are successful with Indigenous peoples. It considers Indigenous epistemologies in applied psychology and research methodology, and informs government policy on mental health service for these populations.

little trees wellness collective: Learning by Doing Richard DuFour, Rebecca Burnette DuFour, Robert E. Eaker, Thomas W. Many, Mike William Mattos, 2020 In the third edition of Learning by Doing: A Handbook for Professional Learning Communities at Work®, authors Richard DuFour, Rebecca DuFour, Robert Eaker, Thomas W. Many, and Mike Mattos provide educators with a comprehensive, bestselling guide to transforming their schools into professional learning communities (PLCs). In this revised version, contributor and Canadian educator Karen Power has adapted the third edition for Canadian educators, emphasizing how Canadian educators can effectively improve learning for each student across their unique and widely diverse provinces and territories. Rewritten so that the scenarios, research, and language appropriately meet the needs of

Canadian educators, this version is packed with real-world strategies and advice that will assist readers in transforming their school or district into a successful PLC.

little trees wellness collective: The Little Coffee Shop of Kabul (originally published as A Cup of Friendship) Deborah Rodriguez, 2012-03-20 “[Deborah] Rodriguez paints a vivid picture of Afghan culture. . . . As if Maeve Binchy had written *The Kite Runner*.”—Kirkus Reviews After hard luck and heartbreak, Sunny finally finds a place to call home—in the middle of an Afghanistan war zone. There, the thirty-eight-year-old serves up her American hospitality to the expats who patronize her coffee shop, including a British journalist, a “danger pay” consultant, and a wealthy and well-connected woman. True to her name, Sunny also bonds with people whose language and landscape are unfamiliar to most Westerners, but whose hearts and souls are very much like our own: the maternal Halajan, who vividly recalls the days before the Taliban and now must hide a modern romance from her ultratraditional son; and Yazmina, a young Afghan villager with a secret that could put everyone’s life in jeopardy. In this gorgeous first novel, New York Times bestselling author Deborah Rodriguez paints a stirring portrait of a faraway place where—even in the fog of political and social conflict—friendship, passion, and hope still exist. Originally published as *A Cup of Friendship*. Praise for *The Little Coffee Shop of Kabul* “A superb debut novel . . . [Deborah] Rodriguez captures place and people wholeheartedly, unveiling the faces of Afghanistan’s women through a wealth of memorable characters who light up the page.”—Publishers Weekly “[A] fast-paced winner of a novel . . . the work of a serious artist with great powers of description at her disposal.”—The Kansas City Star “Readers will appreciate the in-depth, sensory descriptions of this oft-mentioned and faraway place that most have never seen.”—Booklist “Charming . . . [a book] to warm your heart.”—Good Housekeeping

little trees wellness collective: A Kids Book About Racism Jelani Memory, 2023-07-04 A clear explanation of what racism is and how to recognize it when you see it. As tough as it is to imagine, this book really does explore racism. But it does so in a way that’s accessible to kids. Inside, you’ll find a clear description of what racism is, how it makes people feel when they experience it, and how to spot it when it happens. Covering themes of racism, sadness, bravery, and hate. This book is designed to help get the conversation going. Racism is one conversation that’s never too early to start, and this book was written to be an introduction on the topic for kids aged 5-9. *A Kids Book About Racism* features: - A friendly, approachable, and kid-appropriate tone throughout. - Expressive font design; allowing kids to have the space to reflect and the freedom to imagine themselves in the words on the pages. - An author who has lived experience on the topic of racism. Tackling important discourse together! The *A Kids Book About* series are best used when read together. Helping to kickstart challenging, empowering, and important conversations for kids and their grownups through beautiful and thought-provoking pages. The series supports an incredible and diverse group of authors, who are either experts in their field, or have first-hand experience on the topic. A Kids Co. is a new kind of media company enabling kids to explore big topics in a new and engaging way. With a growing series of books, podcasts and blogs, made to empower. Learn more about us online by searching for A Kids Co.

little trees wellness collective: Healing Trees Ben Page, 2021-06-29 Take a walk in the woods to find yourself. This book is intended as an easy approach to forest bathing, a concept that is now making its way into health and wellness practices. Part spiritual guide and part practitioner’s handbook, this accessible, practical, positivity-rich book is designed to be taken on every walk to encourage mindfulness, contentedness, and presence in the moment. Written in a beautiful, encouraging style by a highly qualified and mediagenic author, the book also contains amazing hand-drawn illustrations of forest scenes.

little trees wellness collective: Wisdom to Wellness Maureen Jones, 2011-03-16 This book raises probing questions meant to pierce your assumptions and change your paradigm on the way to heal all disease. Written with compassion and clarity, Maureen Jones's healing technique *Modus Operandi* provides a deep understanding of what sparks disease and how it can be healed. For anyone who wants to free themselves from the shackles of disease, this book reveals a brave new

approach that has helped people get better without drugs or surgery. Using case studies featuring both celebrities and ordinary people, Maureen Jones shows how to tap into the power of unconditional love to build pathways through stress and open hearts and minds. Soul-based work represents such an amazing shift that the entire medical world should perk up and take notice. This book should be on the desk of every healer and indeed in every home.

little trees wellness collective: Forest Bathing Dr. Qing Li, 2018-04-17 The definitive--and by far the most popular--guide to the therapeutic Japanese practice of shinrin-yoku, or the art and science of how trees can promote health and happiness Notice how a tree sways in the wind. Run your hands over its bark. Take in its citrusy scent. As a society we suffer from nature deficit disorder, but studies have shown that spending mindful, intentional time around trees--what the Japanese call shinrin-yoku, or forest bathing--can promote health and happiness. In this beautiful book--featuring more than 100 color photographs from forests around the world, including the forest therapy trails that criss-cross Japan--Dr. Qing Li, the world's foremost expert in forest medicine, shows how forest bathing can reduce your stress levels and blood pressure, strengthen your immune and cardiovascular systems, boost your energy, mood, creativity, and concentration, and even help you lose weight and live longer. Once you've discovered the healing power of trees, you can lose yourself in the beauty of your surroundings, leave everyday stress behind, and reach a place of greater calm and wellness.

little trees wellness collective: *The Weight of Emotions* Jared Jones, 2023-03-26 In a saturated self-improvement book market, *The Weight of Emotions* stands alone in its message. None of the thousands of self-help, fitness, or nutrition books connect the dots as simply as is found in the pages of *The Weight of Emotions*. Most books provide systems and programs toward a desired outcome. Conversely, this volume examines the role of intention and process, ultimately leading the reader to examine their "whys" prior to their "hows".

little trees wellness collective: Healthier Together Liz Moody, 2019-04-09 A healthy cookbook to share with a partner, featuring more than 100 recipes designed to nourish your bodies and souls. An Epicurious Best Cookbook for Spring • "Healthier Together focuses on real whole foods and bringing community together."—Kelly LeVeque, celebrity nutritionist and bestselling author of *Body Love* Food writer and health blogger Liz Moody once followed trendy diets and ate solely for fuel, not for flavor. That changed when she met her soon-to-be-boyfriend and they started cooking nutrient- and vegetable-rich meals. She not only fell in love with food again, but she also discovered that setting goals and sticking to them is easier and more gratifying when paired with someone else. Mincing garlic and sautéing onions together eventually led the couple to marriage—proving that good food really is the universal connector! These 100+ flavor-packed recipes are designed to be cooked and enjoyed by two people, plus they're all gluten-free, dairy-free, and plant-centered. They include homemade alternatives for all the foods you love to share, such as brunch, takeout, and sweet treats. Indulge in Cardamom Banana Bread Pancakes with Candied Coffee Walnuts, Cornflake "Fried" Chicken, General Tso's Cauliflower, and Chocolate Tahini Brownie Bites. Pick your partner—near or far—and get ready to get healthy. Praise for *Healthier Together* "This cookbook is one you'll be reaching for time and time again when you need healthy food that is satisfying and delicious."—Tieghan Gerard "Liz Moody offers heaps of tasty recipes packed with great ingredients."—Real Simple "Healthier Together is a brilliant concept! Cooking with a friend/partner/mom is so much better than cooking alone, plus having a partner will keep you both accountable on your healthy eating journey."—Gina Homolka "Liz does an amazing job helping you make delicious food in a way that is both feasible and fun."—Rachel Mansfield "Liz's book overflows with food made to share, healthy but with all the comfort and flavor that brings happy people around the table."—Daphne Oz "Liz's message is profound, yet so simple . . . you need to have both whole foods and whole, real relationships to truly be healthy and happy. This book makes eating healthy a celebration, not a sacrifice, and it brings an arsenal of fresh and flavorful recipes that are fun to make and eat!"—Jeanine Donofrio

little trees wellness collective: Poems of Healing Karl Kirchwey, 2021-03-30 A remarkable

Pocket Poets anthology of poems from around the world and across the centuries about illness and healing, both physical and spiritual. From ancient Greece and Rome up to the present moment, poets have responded with sensitivity and insight to the troubles of the human body and mind. Poems of Healing gathers a treasury of such poems, tracing the many possible journeys of physical and spiritual illness, injury, and recovery, from John Donne's "Hymne to God My God, In My Sicknesse" and Emily Dickinson's "The Soul has Bandaged moments" to Eavan Boland's "Anorexic," from W.H. Auden's "Miss Gee" to Lucille Clifton's "Cancer," and from D.H. Lawrence's "The Ship of Death" to Rafael Campo's "Antidote" and Seamus Heaney's "Miracle." Here are poems from around the world, by Sappho, Milton, Baudelaire, Longfellow, Cavafy, and Omar Khayyam; by Stevens, Lowell, and Plath; by Zbigniew Herbert, Louise Bogan, Yehuda Amichai, Mark Strand, and Natalia Toledo. Messages of hope in the midst of pain—in such moving poems as Adam Zagajewski's "Try to Praise the Mutilated World," George Herbert's "The Flower," Wisława Szymborska's "The End and the Beginning," Gwendolyn Brooks' "when you have forgotten Sunday: the love story" and Stevie Smith's "Away, Melancholy"—make this the perfect gift to accompany anyone on a journey of healing. Everyman's Library pursues the highest production standards, printing on acid-free cream-colored paper, with full-cloth cases with two-color foil stamping, decorative endpapers, silk ribbon markers, European-style half-round spines, and a full-color illustrated jacket.

little trees wellness collective: In Our Element Lindsay Fauntleroy, 2022-08-08 Immerse Yourself in the Wisdom and Healing Power of the Elements All five elements live within you, and experiences like heartache, anxiety, and procrastination are signs that one of them is out of balance. This beginner-friendly book introduces you to each of the elements—Water, Wood, Fire, Earth, and Metal—and shows you how to use them to improve your mental, emotional, and spiritual health. In Our Element weaves together Eastern medicine, Western psychology, Indigenous traditions, and African ancestral principles of spirituality. With a practical approach that incorporates journal prompts, flower essences, yoga poses, and music, Lindsay Fauntleroy teaches you how to tap into the five elements for a balanced and empowered life that aligns with your soul's calling.

little trees wellness collective: These Wilds Beyond Our Fences Bayo Akomolafe, 2017-11-14 Tackling some of the world's most profound questions through the intimate lens of fatherhood, Bayo Akomolafe embarks on a journey of discovery as he maps the contours of the spaces between himself and his three-year-old daughter, Alethea. In a narrative that manages to be both intricate and unguarded, he discovers that something as commonplace as becoming a father is a cosmic event of unprecedented proportions. Using this realization as a touchstone, he is led to consider the strangeness of his own soul, contemplate the myths and rituals of modernity, ask questions about food and justice, ponder what it means to be human, evaluate what we can do about climate change, and wonder what our collective yearnings for a better world tell us about ourselves. These Wilds Beyond Our Fences is a passionate attempt to make sense of our disconnection in a world where it is easy to feel untethered and lost. It is a father's search for meaning, for a place of belonging, and for reassurance that the world will embrace and support our children once we are gone.

little trees wellness collective: School, Family, and Community Partnerships Joyce L. Epstein, Mavis G. Sanders, Steven B. Sheldon, Beth S. Simon, Karen Clark Salinas, Natalie Rodriguez Jansorn, Frances L. Van Voorhis, Cecelia S. Martin, Brenda G. Thomas, Marsha D. Greenfeld, Darcy J. Hutchins, Kenyatta J. Williams, 2018-07-19 Strengthen programs of family and community engagement to promote equity and increase student success! When schools, families, and communities collaborate and share responsibility for students' education, more students succeed in school. Based on 30 years of research and fieldwork, the fourth edition of the bestseller School, Family, and Community Partnerships: Your Handbook for Action, presents tools and guidelines to help develop more effective and more equitable programs of family and community engagement. Written by a team of well-known experts, it provides a theory and framework of six types of involvement for action; up-to-date research on school, family, and community collaboration; and new materials for professional development and on-going technical assistance. Readers also will find:

Examples of best practices on the six types of involvement from preschools, and elementary, middle, and high schools Checklists, templates, and evaluations to plan goal-linked partnership programs and assess progress CD-ROM with slides and notes for two presentations: A new awareness session to orient colleagues on the major components of a research-based partnership program, and a full One-Day Team Training Workshop to prepare school teams to develop their partnership programs. As a foundational text, this handbook demonstrates a proven approach to implement and sustain inclusive, goal-linked programs of partnership. It shows how a good partnership program is an essential component of good school organization and school improvement for student success. This book will help every district and all schools strengthen and continually improve their programs of family and community engagement.

little trees wellness collective: Do Better Rachel Ricketts, 2021-02-02 INTERNATIONAL BESTSELLER San Francisco Chronicle's 10 Books to Pick * HelloGiggles' 10 Books to Pick Up for a Better 2021 * PopSugar's 23 Exciting New Books * Book Riot's 12 Essential Books About Black Identity and History * Harper's Bazaar's 60+ Books You Need to Read in 2021 "A clear, powerful, direct, wise, and extremely helpful treatise on how to combat and heal from the ubiquitous violence of white supremacy" (Elizabeth Gilbert, New York Times bestselling author) from thought leader, racial justice educator, and acclaimed spiritual activist Rachel Ricketts. Do Better is a revolutionary offering that addresses racial justice from a comprehensive, intersectional, and spirit-based perspective. This actionable guidebook illustrates how to engage in the heart-centered and mindfulness-based practices that will help us all fight white supremacy from the inside out, in our personal lives and communities alike. It is a loving and assertive call to do the deep—and often uncomfortable—inner work that precipitates much-needed external and global change. Filled with carefully curated soulcare activities—such as guided meditations and transformative breathwork—"Do Better answers prayers that many have prayed. Do Better offers a bold possibility for change and healing. Do Better offers a deeply sacred choice that we must all make at such a time as this" (Iyanla Vanzant, New York Times bestselling author).

little trees wellness collective: Birth Without Violence Frédérick Leboyer, 2011 Birth without Violence revolutionised the way we perceive the process of birth, urging us to consider birth from the infant's point of view. This Pinter & Martin edition is the definitive edition, published exactly how the author intended it.

little trees wellness collective: When The Willow Tree Whispered Jyotsna Ahuja, 2023-07-25 When a highly sentient young woman, gifted with tremendous psychic force is forced to turn inwards looking for 'Home' as a place to belong - where Love is the air one breathes, and 'The Table' is a place nothing less than Divine Grace - then a human has come calling to its Higher Self, who was waiting in the wings for her, forever. The first book in a Trilogy, When The Willow Tree Whispered is a compendium of deep wisdom that a human was gifted by 'The Voice' of Higher Self within. To those scientifically inclined, the Supra-conscious Self is a point of engagement of the human's Higher Self with the cosmos. The Sub-conscious Self is like a tree that holds the heart of the human steadily rooted to the body as it soars. And for those artistically inclined, akin to the rhythmic beating of a soaring eagle's wings and heart. The Voice: Chiron.

little trees wellness collective: Heart! Timothy D. Kanold, 2017-03-13 This inspiring book presents the concept of a heartprint -- the distinctive impression that an educator's heart leaves on students and colleagues during his or her professional career. For teachers, understand how teacher motivation, teacher-student relationships, and collaborative teaching all affect your self-efficacy, career, and professional development. For school leaders and administrators, discover your impact on staff, students, and school culture as you progress in your career and gain perspective on creating sustainable change. Examine the 5 HEART aspects of your professional life: Happiness: a passion for teaching, a purpose, and a desire to positively impact education Engagement: teacher motivation, energy, and effort necessary to impact student learning Alliances: relationships, collaborative teaching, and teacher support Risk: vision-focused risk taking to create sustainable change in schools Thought: the knowledge and professional development integral to advancing your

career Discover Your Answer to the Question Why Teach and Advance Your Career in Education: Reflect on your journey and the personal and professional qualities of the teacher or leader you want to be. Discover your distinctive heartprint on your students and colleagues, and decide what the qualities of a good teacher are for you. Gain personal development plan ideas and inspirational insights from Dr. Kanold as well as dozens of thought leaders and researchers. Connect your professional life to each chapter and reconnect to the emotion, passion, energy, growth, and collaborative intimacy expected when joining the teaching profession. Build collective teacher efficacy and academic optimism by using the resource as a book study for professional development. Contents: Part 1: H Is for Happiness Chapter 1: The Happiness Dilemma Chapter 2: The Happiness-Passion Connection Chapter 3: What's Love Got to Do With It? Chapter 4: Got Compassion? Check! Final Thoughts: A Sense of Urgency Part 5: T Is for Thought Chapter 29: Your Great Adventure! Chapter 30: Your Voice of Wisdom Chapter 31: Clean Up the Climate Chapter 32: Become a Feedback Fanatic Chapter 33: Yours, Mine, and Ours Final Thoughts: Hold the Mayo!

little trees wellness collective: *Transforming the Workforce for Children Birth Through Age 8* National Research Council, Institute of Medicine, Board on Children, Youth, and Families, Committee on the Science of Children Birth to Age 8: Deepening and Broadening the Foundation for Success, 2015-07-23 Children are already learning at birth, and they develop and learn at a rapid pace in their early years. This provides a critical foundation for lifelong progress, and the adults who provide for the care and the education of young children bear a great responsibility for their health, development, and learning. Despite the fact that they share the same objective - to nurture young children and secure their future success - the various practitioners who contribute to the care and the education of children from birth through age 8 are not acknowledged as a workforce unified by the common knowledge and competencies needed to do their jobs well. *Transforming the Workforce for Children Birth Through Age 8* explores the science of child development, particularly looking at implications for the professionals who work with children. This report examines the current capacities and practices of the workforce, the settings in which they work, the policies and infrastructure that set qualifications and provide professional learning, and the government agencies and other funders who support and oversee these systems. This book then makes recommendations to improve the quality of professional practice and the practice environment for care and education professionals. These detailed recommendations create a blueprint for action that builds on a unifying foundation of child development and early learning, shared knowledge and competencies for care and education professionals, and principles for effective professional learning. Young children thrive and learn best when they have secure, positive relationships with adults who are knowledgeable about how to support their development and learning and are responsive to their individual progress. *Transforming the Workforce for Children Birth Through Age 8* offers guidance on system changes to improve the quality of professional practice, specific actions to improve professional learning systems and workforce development, and research to continue to build the knowledge base

in ways that will directly advance and inform future actions. The recommendations of this book provide an opportunity to improve the quality of the care and the education that children receive, and ultimately improve outcomes for children.

little trees wellness collective: *Simplifying Response to Intervention* Austin Buffum, Mike Mattos, Chris Weber, 2011-10-29 The sequel to *Pyramid Response to Intervention* advocates that a successful RTI model begins by asking the right questions to create a fundamentally effective learning environment for every student. RTI is not a series of implementation steps, but rather a way of thinking. Understand why bureaucratic, paperwork-heavy, compliance-oriented, test-score-driven approaches fail. Then learn how to create a focused RTI model that works.

little trees wellness collective: *Keeping Patients Safe* Institute of Medicine, Board on Health Care Services, Committee on the Work Environment for Nurses and Patient Safety, 2004-03-27 Building on the revolutionary Institute of Medicine reports *To Err is Human* and *Crossing the Quality Chasm*, *Keeping Patients Safe* lays out guidelines for improving patient safety by changing nurses' working conditions and demands. Licensed nurses and unlicensed nursing assistants are critical participants in our national effort to protect patients from health care errors. The nature of the activities nurses typically perform — monitoring patients, educating home caretakers, performing treatments, and rescuing patients who are in crisis — provides an indispensable resource in detecting and remedying error-producing defects in the U.S. health care system. During the past two decades, substantial changes have been made in the organization and delivery of health care — and consequently in the job description and work environment of nurses. As patients are increasingly cared for as outpatients, nurses in hospitals and nursing homes deal with greater severity of illness. Problems in management practices, employee deployment, work and workspace design, and the basic safety culture of health care organizations place patients at further risk. This newest edition in the groundbreaking Institute of Medicine Quality Chasm series discusses the key aspects of the work environment for nurses and reviews the potential improvements in working conditions that are likely to have an impact on patient safety.

little trees wellness collective: *Hands Free Mama* Rachel Macy Stafford, 2014-01-07 Discover the power, joy, and love of living a present, authentic, and intentional life despite a world full of distractions. If technology is the new addiction, then multitasking is the new marching order. We check our email while cooking dinner, send a text while bathing the kids, and spend more time looking into electronic screens than into the eyes of our loved ones. With our never-ending to-do lists and jam-packed schedules, it's no wonder we're distracted. But this isn't the way it has to be. Special education teacher, New York Times bestselling author, and mother Rachel Macy Stafford says enough is enough. Tired of losing track of what matters most in life, Rachel began practicing simple strategies that enabled her to momentarily let go of largely meaningless distractions and engage in meaningful soul-to-soul connections. Finding balance doesn't mean giving up all technology forever. And it doesn't mean forgoing our jobs and responsibilities. What it does mean is seizing the little moments that life offers us to engage in real and meaningful interaction. In these pages, Rachel guides you through how to: Acknowledge the cost of your distraction Make purposeful connection with your family Give your kids the gift of your undivided attention Silence your inner critic Let go of the guilt from past mistakes And move forward with compassion and gratefulness So join Rachel and go hands-free. Discover what happens when you choose to open your heart--and your hands--to the possibilities of each God-given moment.

little trees wellness collective: *Homelessness, Health, and Human Needs* Institute of Medicine, Committee on Health Care for Homeless People, 1988-02-01 There have always been homeless people in the United States, but their plight has only recently stirred widespread public reaction and concern. Part of this new recognition stems from the problem's prevalence: the number of homeless individuals, while hard to pin down exactly, is rising. In light of this, Congress asked the Institute of Medicine to find out whether existing health care programs were ignoring the homeless or delivering care to them inefficiently. This book is the report prepared by a committee of experts who examined these problems through visits to city slums and impoverished rural areas, and

through an analysis of papers written by leading scholars in the field.

little trees wellness collective: The Six Keys to Optimal Health Dr. Nicolas Campos, 2008-03-06 The Six Keys to Optimal Health is the definitive guide to achieving and maintaining health and wellness in the 21st century. It details the six key areas that are the secret to living a life of sustained strength, vigor and vitality or an overall state of well-being. It uses a youthful, no-holds-barred approach, while providing a sound philosophical basis to help motivate the reader to carry out this campaign. The book's overall theme is to act as a consciousness changer to help people value their health and see it as something worthy of their care and attention.

little trees wellness collective: Why We Sleep Matthew Walker, 2017-10-03 Sleep is one of the most important but least understood aspects of our life, wellness, and longevity ... An explosion of scientific discoveries in the last twenty years has shed new light on this fundamental aspect of our lives. Now ... neuroscientist and sleep expert Matthew Walker gives us a new understanding of the vital importance of sleep and dreaming--Amazon.com.

little trees wellness collective: Restless in La Robin Finn, 2016-12-19 It was an innocent online flirtation. Until it wasn't...Alexandra Hoffman thinks she has it all together. She lives with her work-obsessed husband Jason and their three challenging children in upscale Los Angeles. She never meant to friend her old boyfriend, Matt Daniels. She hasn't seen him in twenty years. But as Alex's fortieth birthday approaches, she finds herself re-connecting with Matt online--and re-reading her college journal, which details their intense connection and unresolved ending. But Alex's hands are full with the kids, one of whom she just can't help, no matter how hard she tries. Lonely and alienated by the helicopter moms, and from Jason who is never around, Alex's flirtation quickly moves from on-line to real-world. Alex realizes--too late--that she cannot trust herself. When she meets Matt for dinner, the attraction is undeniable. And when he touches her face, it's electric. As her life spirals out of control, she clings to her free-spirited life coach, Lark, to make sense of the mess she's made. But Lark's advice is clear: Alex must confront her past and find the courage to face her future, even if it means risking everything.

little trees wellness collective: Wellness Counseling Paul F Granello, 2013-04-09 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Developed by a professor who has been teaching a popular and innovative wellness counseling course for over a decade, this new text is organized into a format specifically designed to meet the needs of both counselor education graduate students and their teachers — making both teaching and learning the material easier and more intuitive. Giving a general but comprehensive overview of the subject of wellness, Wellness Counseling offers students a compelling balance of the science and research in the field, the theories that have emerged from this research, and the practical applications that we can take away from practicing these theories. Holistic, scientific, and ultimately concerned with the humanity of counseling, this text strives to be inclusive — especially of the psychological and social aspects of wellness that have gained more attention in recent years. The book is organized in three main sections. While Section One is concerned with the background of wellness as a healthcare paradigm in the United States and major theories of wellness, and historical context for wellness, Section Two contains specific information on the social, physical, emotional, and cognitive domains of wellness. The last main section of the book synthesizes the first two sections of the book to extract practical applications of wellness in behavioral healthcare intervention counseling.

little trees wellness collective: A Taste of Desire Chloe Blake, 2018-02-01 Savor the seduction The lush mountains of Brazil provide a stunning location for a business trip—or a wild, unexpected romance. International real estate agent Nicole Parks isn't expecting the latter, but she's quickly falling under the spell of incredibly handsome French vintner Destin Dechamps. The man is as delicious as the fine blends he creates. Yet he's out to sabotage the deal that will guarantee her a promotion and the adoption she's been longing for. Destin lost both his wife and his career when his family winery burned down. Gradually he's found meaning in a new plan—defy his father, keep the land and rebuild. He can't afford to fantasize about a gorgeous Realtor who's been

hired to interrupt his scheme—even unknowingly. When a rainstorm traps them together, attraction spills over into intoxicating pleasure. With both their dreams in the balance, is there room for a sweet, intense fling to deepen into love?

little trees wellness collective: M Is for Mama Abbie Halberstadt, 2022-02-01 Mama of ten Abbie Halberstadt helps women humbly and gracefully rise to the high calling of motherhood without settling for mediocrity or losing their minds in the process. Motherhood is a challenge. Unfortunately, our worldly culture offers moms little in the way of real help. Mamas only connect to celebrate surviving another day and to share in their misery rather than rejoice in what God has done and to build each other up in hard times. There has to be a better way, a biblical way, for mamas to grow and thrive. As a daughter of Christ, you have been called to be more than an average mama. Attaining excellence doesn't have to be unsettling but it will take committed focus and a desire to parent well according to God's grace and for His glory. M is for Mama offers advice, encouragement, and scripturally sound strategies seasoned with a little bit of humor to help you embrace the challenge of biblical motherhood and raise your children with love and wisdom. Mama, you are worthy of the awesome responsibility God has given you. Now it's time to start believing you can live up to it.

little trees wellness collective: Professional Learning Communities at Work Richard DuFour, Robert E. Eaker, 1998 Provides specific information on how to transform schools into results-oriented professional learning communities, describing the best practices that have been used by schools nationwide.

little trees wellness collective: Botanical Body Care Karin C. Uphoff, 2007 Health, vitality, and longevity are attainable by cleansing and strengthening the body with a wide variety of herbal preparations.
