NEW YORK TIMES BESTSELLER • The author of *Small Great Things* returns with a powerful and provocative new novel about ordinary lives that intersect during a heart-stopping crisis. “Picoult at her fearless best . . . Timely, balanced and certain to inspire debate.”—*The Washington Post* The warm fall day starts like any other at the Center—a women’s reproductive health services clinic—its staff offering care to anyone who passes through its doors. Then, in late morning, a desperate and distraught gunman bursts in and opens fire, taking all inside hostage. After rushing to the scene, Hugh McElroy, a police hostage negotiator, sets up a perimeter and begins making a plan to communicate with the gunman. As his phone vibrates with incoming text messages he glances at it and, to his horror, finds out that his fifteen-year-old daughter, Wren, is inside the clinic. But Wren is not alone. She will share the next and tensest few hours of her young life with a cast of unforgettable characters: A nurse who calms her own panic in order to save the life of a wounded woman. A doctor who does his work not in spite of his faith but because of it, and who will find that faith tested as never before. A pro-life protester, disguised as a patient, who now stands in the crosshairs of the same rage she herself has felt. A young woman who has come to terminate her pregnancy. And the disturbed individual himself, vowing to be heard. Told in a daring and enthralling narrative structure that counts backward through the hours of the standoff, this is a story that traces its way back to what brought each of these very different individuals to the same place on this fateful day. One of the most fearless writers of our time, Jodi Picoult tackles a complicated issue in this gripping and nuanced novel. How do we balance the rights of pregnant women with the rights of the unborn they carry? What does it mean to be a good parent? *A Spark of Light* will inspire debate, conversation . . . and, hopefully, understanding. Praise for *A Spark of Light* “This is Jodi Picoult at her best: tackling an emotional hot-button issue and putting a human face on it.”—*People* “Told backward and hour by hour, Jodi Picoult’s compelling narrative deftly explores controversial social issues.”—*Us Weekly*

mad honey book club questions and answers: *The Book of Two Ways* Jodi Picoult, 2020-09-22 #1 NEW YORK TIMES BESTSELLER • From the author of *Small Great Things* and *A Spark of Light* comes a “powerful” (*The Washington Post*) novel about the choices that alter the course of our lives. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE Everything changes in a single moment for Dawn Edelstein. She’s on a plane when the flight attendant makes an announcement: Prepare for a crash landing. She braces herself as thoughts flash through her mind. The shocking thing is, the thoughts are not of her husband but of a man she last saw fifteen years ago: Wyatt Armstrong. Dawn, miraculously, survives the crash, but so do all the doubts that have suddenly been raised. She has led a good life. Back in Boston, there is her husband, Brian, their beloved daughter, and her work as a death doula, in which she helps ease the transition between life and death for her clients. But somewhere in Egypt is Wyatt Armstrong, who works as an archaeologist unearthing ancient burial sites, a career Dawn once studied for but was forced to abandon when life suddenly intervened. And now, when it seems that fate is offering her second chances, she is not as sure of the choice she once made. After the crash landing, the airline ensures that the survivors are seen by a doctor, then offers transportation to wherever they want to go. The obvious destination is to fly home, but she could take another path: return to the archaeological site she left years before, reconnect with Wyatt and their unresolved history, and maybe even complete her research on *The Book of Two Ways*—the first known map of the afterlife. As the story unfolds, Dawn’s two possible futures unspool side by side, as do the secrets and doubts long buried with them. Dawn must confront the questions she’s never truly asked: What does a life well lived look like? When we leave this earth, what do we leave behind? Do we make choices . . . or do our choices make us? And who would you be if you hadn’t turned out to be the person you are right now?

mad honey book club questions and answers: Perfect Rachel Joyce, 2014-01-14 A spellbinding novel that will resonate with readers of Mark Haddon, Louise Erdrich, and John Irving, *Perfect* tells the story of a young boy who is thrown into the murky, difficult realities of the adult world with far-reaching consequences. Byron Hemmings wakes to a morning that looks like any other: his school uniform draped over his wooden desk chair, his sister arguing over the breakfast cereal, the click of his mother's heels as she crosses the kitchen. But when the three of them leave home, driving into a dense summer fog, the morning takes an unmistakable turn. In one terrible moment, something happens, something completely unexpected and at odds with life as Byron understands it. While his mother seems not to have noticed, eleven-year-old Byron understands that from now on nothing can be the same. What happened and who is to blame? Over the days and weeks that follow, Byron's perfect world is shattered. Unable to trust his parents, he confides in his best friend, James, and together they concoct a plan. . . . As she did in her debut, *The Unlikely Pilgrimage of Harold Fry*, Rachel Joyce has imagined bewitching characters who find their ordinary lives unexpectedly thrown into chaos, who learn that there are times when children must become parents to their parents, and who discover that in confronting the hard truths about their pasts, they will forge unexpected relationships that have profound and surprising impacts. Brimming with love, forgiveness, and redemption, *Perfect* will cement Rachel Joyce's reputation as one of fiction's brightest talents. Praise for *Perfect* "Touching, eccentric . . . Joyce does an inviting job of setting up these mysterious circumstances, and of drawing Byron's magical closeness with Diana."—Janet Maslin, *The New York Times* "Haunting . . . compelling."—*Minneapolis Star Tribune* "[Joyce] triumphantly returns with *Perfect*. . . . As Joyce probes the souls of Diana, Byron and Jim, she reveals—slowly and deliberately, as if peeling back a delicate onion skin—the connection between the two stories, creating a poignant, searching tale."—*O: The Oprah Magazine* "Perfect touches on class, mental illness, and the ways a psyche is formed or broken. It has the tenor of a horror film, and yet at the end, in some kind of contortionist trick, the narrative unfolds into an unexpected burst of redemption. [Verdict:] Buy It."—*New York* "Joyce's dark, quiet follow-up to her successful debut, *The Unlikely Pilgrimage of Harold Fry*, could easily become a book club favorite. . . . Perfect is the kind of book that blossoms under thoughtful examination, its slow tendencies redeemed by moments of loveliness and insight. However sad, Joyce's messages—about the limitations of time and control, the failures of adults and the fears of children, and our responsibility for our own imprisonment and freedom—have a gentle ring of truth to them."—*The Washington Post* "There is a poignancy to Joyce's narrative that makes for her most memorable writing."—*NPR's All Things Considered*

mad honey book club questions and answers: *The Starless Sea* Erin Morgenstern, 2019-11-05 NATIONAL BESTSELLER • From the bestselling author of *The Night Circus*, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea. Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in the stacks. As he turns the pages, entranced by tales of lovelorn prisoners, key collectors, and nameless acolytes, he reads something strange: a story from his own childhood. Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded, Zachary uncovers a series of clues—a bee, a key, and a sword—that lead him to a masquerade party in New York, to a secret club, and through a doorway to an ancient library hidden far below the surface of the earth. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and their tongues to preserve this archive, and also of those who are intent on its destruction. Together with Mirabel, a fierce, pink-haired protector of the place, and Dorian, a handsome, barefoot man with shifting alliances, Zachary travels the twisting tunnels, darkened stairwells, crowded ballrooms, and sweetly soaked shores of this magical world, discovering his purpose—in both the mysterious book and in his own life.

Eat Pray Love and The Signature of All Things, a delicious novel of glamour, sex, and adventure, about a young woman discovering that you don't have to be a good girl to be a good person. A spellbinding novel about love, freedom, and finding your own happiness. - PopSugar Intimate and richly sensual, razzle-dazzle with a hint of danger. -USA Today Pairs well with a cocktail...or two. -TheSkimm Life is both fleeting and dangerous, and there is no point in denying yourself pleasure, or being anything other than what you are. Beloved author Elizabeth Gilbert returns to fiction with a unique love story set in the New York City theater world during the 1940s. Told from the perspective of an older woman as she looks back on her youth with both pleasure and regret (but mostly pleasure), City of Girls explores themes of female sexuality and promiscuity, as well as the idiosyncrasies of true love. In 1940, nineteen-year-old Vivian Morris has just been kicked out of Vassar College, owing to her lackluster freshman-year performance. Her affluent parents send her to Manhattan to live with her Aunt Peg, who owns a flamboyant, crumbling midtown theater called the Lily Playhouse. There Vivian is introduced to an entire cosmos of unconventional and charismatic characters, from the fun-chasing showgirls to a sexy male actor, a grand-dame actress, a lady-killer writer, and no-nonsense stage manager. But when Vivian makes a personal mistake that results in professional scandal, it turns her new world upside down in ways that it will take her years to fully understand. Ultimately, though, it leads her to a new understanding of the kind of life she craves - and the kind of freedom it takes to pursue it. It will also lead to the love of her life, a love that stands out from all the rest. Now eighty-nine years old and telling her story at last, Vivian recalls how the events of those years altered the course of her life - and the gusto and autonomy with which she approached it. At some point in a woman's life, she just gets tired of being ashamed all the time, she muses. After that, she is free to become whoever she truly is. Written with a powerful wisdom about human desire and connection, City of Girls is a love story like no other.

mad honey book club questions and answers: Before We Were Strangers Renée Carlino, 2015-08-18 From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

mad honey book club questions and answers: *House Rules* Jodi Picoult, 2010-04-03 From the #1 New York Times bestselling author of *Small Great Things* and the modern classics *My Sister's Keeper*, *The Storyteller*, and more, comes a "complex, compassionate, and smart" (The Washington Post) novel about a family torn apart by a murder accusation. When your son can't look you in the eye...does that mean he's guilty? Jacob Hunt is a teen with Asperger's syndrome. He's hopeless at reading social cues or expressing himself well to others, though he is brilliant in many ways. He has a special focus on one subject—forensic analysis. A police scanner in his room clues him in to crime scenes, and he's always showing up and telling the cops what to do. And he's usually right. But when Jacob's small hometown is rocked by a terrible murder, law enforcement comes to him. Jacob's behaviors are hallmark Asperger's, but they look a lot like guilt to the local police. Suddenly the Hunt family, who only want to fit in, are thrust directly in the spotlight. For Jacob's mother, it's a brutal reminder of the intolerance and misunderstanding that always threaten her family. For his brother, it's another indication why nothing is normal because of Jacob. And for the frightened small town, the soul-searing question looms: Did Jacob commit murder? *House Rules* is "a provocative story in which [Picoult] explores the pain of trying to comprehend the people we love—and reminds us that the truth often travels in disguise" (People).

mad honey book club questions and answers: The New Sultan Soner Çağaptay, 2017 In a world of rising tensions between Russia and the United States, the Middle East and Europe, Sunnis and Shiites, Islamism and liberalism, Turkey is at the epicentre. And at the heart of Turkey is its right-wing populist president, Recep Tayyip Erdoğan. Since 2002, Erdoğan has consolidated his hold on domestic politics while using military and diplomatic means to solidify Turkey as a regional power. His crackdown has been brutal and consistent - scores of journalists arrested, academics officially banned from leaving the country, university deans fired and many of the highest-ranking military officers arrested. In some senses, the nefarious and failed 2016 coup has given Erdoğan the licence to make good on his repeated promise to bring order and stability under a 'strongman'. Here, leading Turkish expert Soner Çağaptay will look at Erdoğan's roots in Turkish history, what he believes in and how he has cemented his rule, as well as what this means for the world. The book will also unpick the 'threats' Erdogan has worked to combat - from the liberal Turks to the Gulen movement, from coup plotters to Kurdish nationalists - all of which have culminated in the crisis of modern Turkey.--Bloomsbury Publishing.
