a velvet touch massage wellness: Forever Mame Bernard F. Dick, 2009-09-18 When it comes to living life to its fullest, Rosalind Russell's character Auntie Mame is still the silver screen's exemplar. And Mame, the role Russell (1907-1976) would always be remembered for, embodies the rich and rewarding life Bernard F. Dick reveals in the first biography of this Golden Age star, *Forever Mame: The Life of Rosalind Russell*. Drawing on personal interviews and information from the archives of Russell and her producer-husband Frederick Brisson, Dick begins with Russell's childhood in Waterbury, Connecticut, and chronicles her early attempts to achieve recognition after graduating from the American Academy of Dramatic Arts. Frustrated by her inability to land a lead in a Broadway show, she headed for Hollywood in 1934 and two years later played her first starring role, the title character in *Craig's Wife*. Dick discusses all of her films along with her triumphal return to Broadway, first in the musical *Wonderful Town* and later in *Auntie Mame*. *Forever Mame* details Russell's social circle of such stars as Loretta Young, Cary Grant, and Frank Sinatra. It traces an extraordinary career, ending with Russell's courageous battle against the two diseases that

eventually caused her death: rheumatoid arthritis and cancer. Russell devoted her last years to campaigning for arthritis research. So successful was she in her efforts to alert lawmakers to this crippling disease that a leading San Francisco research center is named after her.

a velvet touch massage wellness: Religion and Aging Andrea Bieler, Matthias Stracke, Angelika Veddeler, 2017-11-01 This collection of essays explores the intersection of religious, psychosocial, economic and cultural issues in relation to the dramatic demographic shifts we are facing on a global scale. Theologians, gerontologists, anthropologists and practitioners reflect on the meaning of aging in diverse contexts such as Indonesia, South Africa, Tanzania, Botswana, Germany, Mexico, and Switzerland. Assuming that aging is an intricate process that encompasses enrichment and loss, the gain of wisdom and the loss of memory, and the expansion as well as the constraint of agency, the essays analyze how these dynamics play out in different cultural contexts. Special attention is given to the role of religion in processes of aging. [Religion und Altwerden. Interkulturelle und interdisziplinäre Erkundungen] Der Sammelband untersucht das Zusammenspiel religiöser, psychosozialer, ökonomischer und kultureller Aspekte in Bezug auf die dramatischen demographischen Veränderungen, mit denen wir in globaler Perspektive konfrontiert sind. Wissenschaftler und Praktiker reflektieren aus theologischer, gerontologischer, sozialpsychologischer und anthropologischer Perspektive die Bedeutung von Alterungsprozessen in unterschiedlichen Kontexten, z. B. in Indonesien, Südafrika, Tansania, Botswana, Deutschland, Mexiko und der Schweiz. Ausgehend von Überlegungen, die zeigen, dass Alterungsprozesse komplex sind und sowohl Bereicherung und Verlust, den Zugewinn an Weisheit und den Verlust von Erinnerungsfähigkeit sowie die Ausweitung als auch die Einschränkung von Handlungsfähigkeit beinhalten können, wird danach gefragt, welche Gestalt diese Dynamiken in unterschiedlichen Kontexten annehmen. Dabei kommt insbesondere die Bedeutung von Religion in den Blick.
