accounting dad jokes: Stupid Things I Won't Do When I Get Old Steven Petrow, 2021-06-29

For fans of David Sedaris and Nora Ephron, a humorous, irreverent, and poignant look at the gifts, stereotypes, and inevitable challenges of aging, based on award-winning journalist Steven Petrow's wildly popular New York Times essay, *Things I'll Do Differently When I Get Old*. Soon after his 50th birthday, Petrow began assembling a list of "things I won't do when I get old"—mostly a catalog of all the things he thought his then 70-something year old parents were doing wrong. That list, which included "You won't have to shout at me that I'm deaf," and "I won't blame the family dog for my incontinence," became the basis of this rousing collection of do's and don'ts, wills and won'ts that is equal parts hilarious, honest, and practical. The fact is, we don't want to age the way previous generations did. "Old people" hoard. They bore relatives—and strangers alike—with tales of their aches and pains. They insist on driving long after they've become a danger to others (and themselves). They eat dinner at 4pm. They swear they don't need a cane or walker (and guess what happens next). They never, ever apologize. But there is another way... In *Stupid Things I Won't Do When I Get Old*, Petrow candidly addresses the fears, frustrations, and stereotypes that accompany aging. He offers a blueprint for the new old age, and an understanding that aging and illness are not the same. As he writes, "I meant the list to serve as a pointed reminder—to me—to make different choices when I eventually cross the threshold to 'old.'" Getting older is a privilege. This essential guide reveals how to do it with grace, wisdom, humor, and hope. And without hoarding. Praise for *Stupid Things I Won't Do When I Get Old*: "Unbelievably witty and relatable, I alternated bursting into laughter and placing my hand over my face in horror thinking, Oh my God, is that me? I often say, at this age we have something young people can never have...wisdom. My dear friend, Steven Petrow, has wisdom to share in this honest, funny, wry guide to keep us young at heart, without desperately hanging onto our youth. I am buying this book for all of my friends!" —Suzanne Somers, New York Times bestselling author of *A New Way to Age* "Stupid Things I Won't Do When I Get Old is an irreverent, funny, honest look at aging and all the things we take for granted as normal parts of aging. They don't need to be. If you struggle with getting older and want to find a fresh perspective on lessons learned about what NOT to do as we age, and what TO do to stay young in heart, spirit, mind and body, read this book." —Mark Hyman, MD, #1 New York Times bestseller author of *The Blood Sugar Solution 10-Day Detox Diet*, and Head of Strategy and Innovation at the Cleveland Clinic Center for Functional Medicine. "Steven Petrow resolved to do things differently than his parents had when he gets old because he wished they'd been able to enjoy life more. His solution? He created a list! In this book, he shares the secrets to living a full life regardless of our age. It's all about the decisions we make every day. My advice in a nutshell: Read this book and keep it handy." —"Dear Abby" (Jeanne Phillips), nationally syndicated advice columnist "It's never too early to imagine what your life will look like as you age. And as I once wrote, 'We are not hostages to our fate.' Petrow's book will help you plan, think, and redefine what it means to get older—and even laugh while doing it." —Andrew Weil, MD, New York Times bestselling author of *Spontaneous Healing and Healthy Aging: A Lifelong Guide to Your Well-Being* "Steven Petrow not only has a great attitude about life, he is wise about how to live it. Like me, he says we should embrace our one life 100% and not let a number—our age—get in the way of anything! Steven's book will help you rethink the word "aging" and approach this next chapter with a positive and proactive attitude. Plus, this book is fun!" —Denise Austin, renowned fitness expert, author, and columnist "Steven's writing feels like sitting with a friend—one who is unusually gracious, warm and frank." —Carolyn Hax, author of the nationally syndicated advice column, Carolyn Hax Praise for Steven Petrow: Steven Petrow's *Complete Gay & Lesbian Manners* helps gays and straights navigate the subtleties of the same-sex world. —People Move over, Emily Post! When it comes to etiquette for members of the gay, lesbian, bisexual and transgender community—as well as their straight friends, family members and coworkers--author and journalist Steven Petrow is the authority. —TIME What could've easily become a novelty book has emerged as an exhaustively researched, essential resource thanks to advice columnist and etiquette expert Steven Petrow. —The Advocate From having kids to planning funerals, Steven Petrow's *Complete Gay & Lesbian Manners* has most facets of gay life covered. Ms.

Post would approve. —Entertainment Weekly An indispensable refresher course...on what's proper in modern...life. —Kirkus Reviews

accounting dad jokes: The Feather Thief Kirk Wallace Johnson, 2018-04-24 As heard on NPR's *This American Life* "Absorbing . . . Though it's non-fiction, *The Feather Thief* contains many of the elements of a classic thriller." —Maureen Corrigan, NPR's *Fresh Air* "One of the most peculiar and memorable true-crime books ever." —Christian Science Monitor A rollicking true-crime adventure and a captivating journey into an underground world of fanatical fly-tiers and plume peddlers, for readers of *The Stranger in the Woods*, *The Lost City of Z*, and *The Orchid Thief*. On a cool June evening in 2009, after performing a concert at London's Royal Academy of Music, twenty-year-old American flautist Edwin Rist boarded a train for a suburban outpost of the British Museum of

Natural History. Home to one of the largest ornithological collections in the world, the Tring museum was full of rare bird specimens whose gorgeous feathers were worth staggering amounts of money to the men who shared Edwin's obsession: the Victorian art of salmon fly-tying. Once inside the museum, the champion fly-tier grabbed hundreds of bird skins—some collected 150 years earlier by a contemporary of Darwin's, Alfred Russel Wallace, who'd risked everything to gather them—and escaped into the darkness. Two years later, Kirk Wallace Johnson was waist high in a river in northern New Mexico when his fly-fishing guide told him about the heist. He was soon consumed by the strange case of the feather thief. What would possess a person to steal dead birds? Had Edwin paid the price for his crime? What became of the missing skins? In his search for answers, Johnson was catapulted into a years-long, worldwide investigation. The gripping story of a bizarre and shocking crime, and one man's relentless pursuit of justice, *The Feather Thief* is also a fascinating exploration of obsession, and man's destructive instinct to harvest the beauty of nature.

accounting dad jokes: *What I Was Doing While You Were Breeding* Kristin Newman, 2014-05-20 A “truly hilarious” (Glamour), sexy, and ultimately poignant memoir about mastering the art of the “vacationship” from a writer and co-executive producer of Hulu’s *Only Murders in the Building*—now with a new afterword “What I Was Doing While You Were Breeding is kind of like if *Eat, Pray, Love* were written by your funniest friend.”—Rachel Dratch Kristin Newman spent much of her twenties and thirties buying dresses to wear to her friends’ weddings and baby showers. Not ready to settle down and in need of an escape from her fast-paced job as a sitcom writer, Kristin instead traveled the world, often alone, for several weeks each year. In addition to falling madly in love with the planet, Kristin fell for many attractive locals, men who could provide the emotional connection she wanted without costing her the freedom she desperately needed. Kristin introduces readers to the Israeli bartenders, Finnish poker players, sexy Bedouins, and Argentinean priests who helped her transform into “Kristin-Adjacent” on the road—a slower, softer, and, yes, sluttier version of herself at home. Equal parts laugh-out-loud storytelling, candid reflection, and wanderlust-inspiring travel tales, *What I Was Doing While You Were Breeding* is a compelling debut that will have readers rushing to renew their passports.

accounting dad jokes: *Mixed Plate* Jo Koy, 2021-03-23 A stunning, hilarious memoir from beloved comedian Jo Koy, “far and away one of the funniest people out there” (Chelsea Handler). *Mixed Plate* illuminates the burning drive and unique humor that make Jo Koy one of today’s most successful comedians. Includes never-before-seen photos. Well guys, here it is—my story. A funny, sad, at times pathetic but also kick-ass tale of how a half-Filipino, half-white kid whose mom thought (and still thinks) his career goal was to become a clown became a success. Not an overnight success, because that would have made for a really short read, but an All-American success who could give my immigrant mom the kind of life she hoped for when she came to this country, and my son the kind of life I wished I’d had as a kid. With all the details of what it felt like to get the doors closed in my face, to grind it out on the road with my arsenal of dick jokes, and how my career finally took off once I embraced the craziness of my family, which I always thought was uniquely Filipino but turns out is as universal as it gets. In this book, I’ll take you behind the mic, behind the curtain—OK, way behind it. From growing up with a mom who made me dance like Michael Jackson at the Knights of Columbus, to some real dark stuff, the stuff we don’t talk about often enough as immigrants. Mental

health, poverty, drinking. And show you the path to my American Dream. Which was paved with a lot of failure, department store raffle tickets to win free color televisions, bad jokes, old VHS tapes, a motorcycle my mom probably still hates, the only college final I aced (wasn't math), and getting my first laugh on stage. There's photo evidence of it all here, too. In this book, I get serious about my funny. And I want to make you laugh a little while I do it. I'm like Hawaii's favorite lunch—the mixed plate. Little bit of this, a little bit of that. My book *Mixed Plate* is too.

accounting dad jokes: *Unwrap My Heart* Alex Falcone, Ezra Fox, 2016-11-15 Sofia is just a normal high school girl, worried about getting her homework done and looking cool in the lunchroom, when HE shows up: a devastatingly handsome new kid, mysteriously covered in decaying bandages and staring at her from the empty holes where his eyes should be. She thinks he's just a hipster, but is there more to this handsome stranger than meets the eye? Yes. He's a mummy. We're not really making a secret about this. The twist is he's a mummy. It's a book about a girl who falls in love with a mummy. We've read young adult books about teenage girls unknowingly falling in love with vampires, werewolves, angels, demons, fairies, mermen, warlocks, dreamwalkers, and trolls. Seriously, there was one about trolls. It's time for mummies, dammit. It's time for mummies.

accounting dad jokes: *Dad, How Do I?* Rob Kenney, 2021-05-18 From the host of the YouTube channel that went viral—*Dad, How Do I?*—comes a book that's part memoir/part inspiration/part DIY. Rob Kenney's father left him and his seven siblings when he was fourteen years old, and the youngest had to fend for themselves. He wished that he had someone who could teach him the basics—how to tie a tie, jump-start a car, unclog a drain, use tools properly—as well as succeed in life. But he and his siblings had to figure these things out on their own. Now a father himself, Rob decided that he would help people out by providing how-to tips as well as advice—and even throw in some bad dad jokes. He started a YouTube channel for anyone looking for fatherly advice, and in the course of three months, gained a following of nearly 2.5 million subscribers, with millions of views for his how-to and inspirational videos. In this book, Rob shares his story of overcoming a difficult childhood with the strength of faith and family, and offers inspiration and hope. In addition, he provides 50 practical DIY instructions (30 of which will be unique to the book), illustrated with helpful line drawings.

accounting dad jokes: *Up Up, Down Down* Cheston Knapp, 2018-02-06 In the tradition of John Jeremiah Sullivan and David Foster Wallace, Cheston Knapp's *Up Up, Down Down* "is an always smart, often hilarious, and ultimately transcendent essay collection" (Anthony Doerr, Pulitzer Prize-winning author of *All the Light We Cannot See*) that brilliantly explores authenticity and the nature of identity. Daring and wise, hilarious and tender, Cheston Knapp's "glittering" (Leslie Jamison) collection of seven linked essays tackles the Big Questions through seemingly unlikely avenues. In his dexterous hands, an examination of a local professional wrestling promotion becomes a meditation on pain and his relationship with his father. A profile of UFO enthusiasts ends up probing his history in the church and, more broadly, the nature and limits of faith itself. Attending an adult skateboarding camp launches him into a virtuosic analysis of nostalgia. And the shocking murder of a neighbor expands into an interrogation of our culture's prevailing ideas about

community. Even more remarkable, perhaps, is the way he manages to find humanity in a damp basement full of frat boys. Taken together, the essays in *Up Up, Down Down* amount to a chronicle of Knapp's coming-of-age, a young man's journey into adulthood, late-onset as it might appear. He presents us with formative experiences from his childhood to marriage that echo throughout the collection, and ultimately tilts at what may be the Biggest Q of them all: what are the hazards of becoming who you are? With "a firmly tongue-in-cheek approach to the existential crises of male maturity for the millennial generation...Knapp's intelligent take on coming-of-age deserves to be widely read" (Publishers Weekly). "Compelling...Precise and laugh-inducing" (The New York Times Book Review), *Up Up, Down Down* signals the arrival of a truly one-of-a-kind voice.

accounting dad jokes: The Chickenshit Club Jesse Eisinger, 2017-07-11 Winner of the 2018 Excellence in Financial Journalism Award From Pulitzer Prize-winning journalist Jesse Eisinger, "a fast moving, fly-on-the-wall, disheartening look at the deterioration of the Justice Department and the Securities and Exchange Commission...It is a book of superheroes" (San Francisco Review of Books). Why were no bankers put in prison after the financial crisis of 2008? Why do CEOs seem to commit wrongdoing with impunity? The problem goes beyond banks deemed "Too Big to Fail" to almost every large corporation in America—to pharmaceutical companies and auto manufacturers and beyond. *The Chickenshit Club*—an inside reference to prosecutors too scared of failure and too daunted by legal impediments to do their jobs—explains why in "an absorbing financial history, a monumental work of journalism...a first-rate study of the federal bureaucracy" (Bloomberg Businessweek). Jesse Eisinger begins the story in the 1970s, when the government pioneered the notion that top corporate executives, not just seedy crooks, could commit heinous crimes and go to prison. He brings us to trading desks on Wall Street, to corporate boardrooms and the offices of

prosecutors and FBI agents. These revealing looks provide context for the evolution of the Justice Department's approach to pursuing corporate criminals through the early 2000s and into the Justice Department of today, including the prosecutorial fiascos, corporate lobbying, trial losses, and culture shifts that have stripped the government of the will and ability to prosecute top corporate executives. "Brave and elegant...a fearless reporter...Eisinger's important and profound book takes no prisoners" (The Washington Post). Exposing one of the most important scandals of our time, *The Chickenshit Club* provides a clear, detailed explanation as to how our Justice Department has come to avoid, bungle, and mismanage the fight to bring these alleged criminals to justice. "This book is a wakeup call...a chilling read, and a needed one" (NPR.org).

accounting dad jokes: Jesus Land Julia Scheeres, 2012-10-30 New York Times bestseller: An "exquisitely wrought memoir" about how "love can flourish even in the harshest climates"—for readers of *The Liar's Club* and *Running with Scissors* (People). This poignant, darkly funny account of two siblings—one white, one Black—growing up in the Christian fundamentalist communities of Indiana and the Dominican Republic is "one of the best memoirs in years" (Anne Lamott, author of *Bird by Bird*). Julia and her adopted brother, David, are 16 years old. Julia is white. David is black. It is the mid-1980s and their family has just moved to rural Indiana, a landscape of cottonwood trees, trailer parks, and an all-encompassing racism. At home are a distant mother—more involved with her church's missionaries than her own children—and a violent father. In this riveting and heartrending memoir, Julia Scheeres takes us from the Midwest to a place beyond imagining. Surrounded by natural beauty, Escuela Caribe—a religious reform school in the Dominican Republic—is characterized by a disciplinary regime that extracts repentance from its students by any means necessary. Julia and David strive to make it through these ordeals and their tale is relayed here with startling immediacy, extreme candor, and wry humor. Over a decade after its first publication, *Jesus Land* remains deeply resonant with readers. This New York Times bestselling memoir is a gripping tale of rage and redemption, hope and humor, morality and malice—and most of all, the truth: that being a good person takes more than just going to church.

accounting dad jokes: Will Will Smith, 2021-11-09 The instant #1 New York Times bestseller! "It's the best memoir I've ever read." —Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

accounting dad jokes: *Listen to Your Footsteps* Kojo Baffoe, 2021-06 'Those who know Kojo would have known what to expect in *Listen to Your Footsteps* a deeply personal, authentic and equally intellectual journey of a quintessential African. A storyteller for the ages, every word and anecdote is like being alone with him in a quiet place as he narrates what it takes to be a real man, doting father, loving son, devoted friend and committed partner. - THEBE IKALAFENG, founder and principal at Africa Brand Leadership Academy 'An insightful memoir of Kojo growing up, navigating family and figuring out his contribution to the world that reads as a beautiful ode to his father. With every word he writes there is a sense of responsibility to leave the world better than he found it. A true wordsmith; the landscape of his memories dances on the page.' - TUMI MORAKE, comedian and author of *And then Mama Said* Kojo Baffoe embodies what it is to be a contemporary African man. Of Ghanaian and German heritage, he was raised in Lesotho and moved to South Africa at the age of 27. Forever curious, Kojo has the enviable ability to simultaneously experience moments intimately and engage people (and their views) sincerely, while remaining detached enough to think through his experiences critically. He has earned a reputation as a thinker, someone who lives outside the box and free of the labels that society seeks to place on us. *Listen to Your Footsteps* is an honest and, at times, raw collection of essays from a son, a father, a husband, a brother and a man deeply committed to doing the internal work. Kojo reflects on losing his mother as a toddler, being raised by his father, forming an identity, living as an immigrant, his tussles with substance abuse, as well as his experiences of fatherhood, marriage and making a career in a fickle industry. He gives an extended glimpse into the experiences that make boys become men, and the battles that make men discover what they are made of, all the while questioning what it means to be 'a man'.

Among these standards are requirements to exercise professional and moral judgment, act in the best interest of the public, maintain integrity, objectivity, and independence, render opinions based on evidence and documentation, and exercise due care in planning and discharging professional activities.
