melia wellness punta cana: ROMANICA 29 – LA TERMINOLOGÍA Y LAS DEFINICIONES LEXICOGRÁFICAS EN RUMANO Y ESPAÑOL. CAMPO: TURISMO MIHAELA CIOBANU, 2019-01-01

Prezenta lucrare analizează aspecte lexicografice și terminologice din domeniul turismului din perspectivă descriptiv-lingvistică. Drept urmare a caracterului vast și eterogen, au fost studiate sectoarele – reprezentative – referitoare la cazare și călătorii. Studiul termenilor vizează cercetarea definițiilor lexicografice și terminologice pentru a evidenția trăsăturile comune și distinctive ce caracterizează termenii, precum și a textelor și contextelor de diferite niveluri ce le confirmă utilizarea în funcție de frecvența și densitatea identificate, modalitatea de exprimare a acestora (simplu sau sintagmatic), toate acestea convergând către un scop comun, acela de a identifica și compara caracteristicile conceptual-semantice și formale specifice acestei terminologii și identificarea sensului specializat din turism. Conexiunile obiective cu alte domenii reprezintă o specificitate ce evidențiază interdisciplinaritatea la nivelul acestui limbaj și fac necesară delimitarea aspectelor caracteristice turismului în vederea identificării termenilor comuni cu alte domenii.
