

men s slim fit business shirts

Introduction:

Searching for the perfect men's slim fit business shirt? You've come to the right place. This comprehensive guide explores everything you need to know about finding, choosing, and caring for slim fit business shirts, ensuring you look and feel your best in any professional setting. From understanding different fits and fabrics to mastering the art of styling, we'll cover all the essentials to help you elevate your professional wardrobe.

Article Outline:

- I. Understanding Slim Fit: Defining the slim fit and its variations (e.g., modern slim fit, athletic slim fit).
- II. Fabric Selection: Exploring common fabrics (cotton, linen, blends) and their properties for business shirts.
- III. Choosing the Right Size and Fit: A detailed guide to accurate measurements and avoiding common sizing mistakes.
- IV. Styling Slim Fit Business Shirts: Tips on pairing shirts with different suit styles and accessories.
- V. Caring for Slim Fit Shirts: Essential laundry and ironing tips to maintain quality and appearance.
- VI. Where to Buy Quality Slim Fit Business Shirts: Recommendations for reputable brands and retailers.
- VII. Finding Affordable Options: Strategies for finding high-quality slim fit shirts at budget-friendly prices.

Article Content:

I. Understanding Slim Fit:

What is a Slim Fit Business Shirt?

A slim fit business shirt is tailored to hug the body more closely than a regular or classic fit. It emphasizes a more streamlined silhouette, offering a contemporary and sophisticated look. It's designed to follow the natural contours of the body without being overly tight or restrictive.

Slim Fit Variations: Modern Slim vs. Athletic Slim

The term "slim fit" can encompass various styles. A modern slim fit offers a sleek silhouette that's comfortable for most body types. An athletic slim fit is designed for those with a more muscular build, providing a snug but not constricting fit across the chest and shoulders.

II. Fabric Selection:

The Importance of Fabric Choice

The fabric of your shirt significantly impacts its comfort, durability, and overall appearance. Choosing the right material is crucial for a professional and polished look.

Cotton: The Classic Choice

Cotton remains a popular choice for business shirts due to its breathability, comfort, and relative affordability. High-quality cotton offers a luxurious feel and drapes well.

Linen: A Breathable Alternative

Linen is a natural fiber that offers excellent breathability, making it ideal for warmer climates. However, it can wrinkle more easily than cotton.

Fabric Blends: Combining the Best of Both Worlds

Blends combining cotton with polyester or other synthetic fibers often offer increased durability and wrinkle resistance while retaining some of the comfort of cotton.

III. Choosing the Right Size and Fit:

Accurate Measurements are Key

Avoid common sizing mistakes by taking accurate measurements of your chest, shoulders, sleeve length, and neck size. Refer to the size charts provided by the manufacturer for the most accurate fit.

Understanding Collar Sizes

The collar size is crucial for a comfortable and well-fitting shirt. A properly fitted collar should lie flat against your neck without being too tight or too loose.

Sleeve Length Considerations

The sleeve length should end just at or slightly above the wrist bone. Avoid sleeves that are too long or too short, as this can detract from a professional appearance.

IV. Styling Slim Fit Business Shirts:

Pairing with Suits

Slim fit shirts pair exceptionally well with slim or tailored suits, creating a cohesive and modern look. Avoid pairing a slim fit shirt with an overly baggy suit.

Accessorizing for a Polished Look

Accessories like ties, pocket squares, and cufflinks can enhance the overall appearance of a slim fit business shirt. Choose accessories that complement the shirt's color and pattern.

Casual Friday Styling

Slim fit shirts can also be styled for casual Friday occasions, paired with chinos, dark-wash jeans, or tailored trousers.

V. Caring for Slim Fit Shirts:

Proper Laundry Techniques

Always follow the care instructions on the shirt's label. Generally, machine washing in cold water with a gentle detergent is recommended. Avoid harsh detergents or bleach.

Ironing for a Crisp Look

Ironing your slim fit shirts can help to maintain their crisp and professional appearance. Use a medium heat setting and iron the shirt while it is still slightly damp.

Storing Shirts Properly

Proper storage is crucial for maintaining the shape and appearance of your shirts. Avoid overstuffing your closet and use hangers appropriate for dress shirts.

VI. Where to Buy Quality Slim Fit Business Shirts:

Reputable Brands and Retailers

Numerous reputable brands offer high-quality slim fit business shirts. Look for brands known for their attention to detail and use of premium fabrics.

Online vs. Brick-and-Mortar Stores

Both online and brick-and-mortar stores offer a wide selection of slim fit shirts. Consider the advantages and disadvantages of each before making a purchase.

VII. Finding Affordable Options:

Shopping During Sales and Promotions

Take advantage of sales and promotional periods to find high-quality slim fit shirts at discounted prices.

Exploring Outlet Stores and Online Discount Retailers

Outlet stores and online discount retailers often offer significant savings on brand-name slim fit shirts.

Conclusion:

Choosing the right men's slim fit business shirt is an investment in your professional image. By understanding the nuances of fit, fabric, and styling, you can create a wardrobe that projects confidence and sophistication. Remember to prioritize quality, comfort, and a fit that accentuates your physique. Following these tips will ensure you always look and feel your best in the workplace.

Frequently Asked Questions (FAQs):

Q: How do I know if a slim fit shirt is too tight? A: If the shirt feels restrictive or uncomfortable, it's likely too tight. You should be able to comfortably move your arms and torso.

Q: Can I wear a slim fit shirt with a tie? A: Absolutely! Slim fit shirts pair well with ties, offering a modern and stylish look.

Q: How do I iron a slim fit shirt without creating creases? A: Use a medium heat setting and iron while the shirt is slightly damp. Work in sections, and be gentle around buttons and seams.

Q: Where can I find affordable slim fit business shirts? A: Check out outlet stores, online discount retailers, and sales events for great deals.

men s slim fit business shirts: Pucker Free Seams Prabir Jana & Y P Garg, 2020-06-01
Pucker or Puckering is the most used (abused?) term in the garment manufacturing industry. Pick up any quality controllers report, and the first thing that will strike your eye will be "...Puckering in armhole, ...Puckering in neckline binding, ...control Puckering in bottom hem..." the list is endless. Buying office quality controllers are as enamoured of this term as much as manufacturers abhor it. What is it that makes it so distasteful? Why does it occur? How can it be controlled? While there are numerous leaflets, documents and articles available on pucker, we have found that the majority of

them lay great stress on “inherent pucker” (only material parameters). In this booklet have tried to include process parameters as well as sewing of lightweight fabrics. All said and done, the problem is so intricately interdependent that exhaustive compilation is well nigh impossible. We are sure this booklet will help manufacturers to understand the rationale behind this publication and we will consider our effort successful if enthusiastic readers regularly inform us about newer methods to tackle the problem.

men s slim fit business shirts: Awearness Kenneth Cole, 2008

men s slim fit business shirts: *The Modern Gentleman's Handbook* Charles Tyrwhitt, 2021-10-07 The ultimate guide to style and social success for the modern gentleman. This essential collection of do's and don'ts, from the fundamentals to the obscure and eccentric, will ready any man to conquer all of life's daily challenges and opportunities with finesse and good spirit. Effortlessly elevate your style and reputation with this vital handbook.

men s slim fit business shirts: *The Shirtmaking Workbook* David Coffin, 2015-03-01 So you've made a basic shirt or two and you are looking for more options and directions... Well, you are in luck! David Page Coffin, author of *Shirtmaking*, a complete guide to the dress shirt, is back to help you with an amazing collection of custom detail patterns and ideas for men's and women's sport, knit, dress, and even simple coat and jacket shirt styles! Inside you'll find helpful guides to drafting or draping a custom pattern, copying or converting a favorite pattern or garment into a more basic pattern ready for customizing to your heart's content, mastering four different placket types so you can use these classic structures in ways you never imagined, understanding and reinventing most any sort of shirt and coat collar type in common use, along with how to construct them all, whether you want a couture creation or a workshop coverall. You'll get an introduction to digital pattern-making and alteration, a close-up and thorough look inside a closetful of classic shirt-type garments, explore a host of pocket and cuff options and have access to dozens of full-size detail and even full garment patterns for printing and customizing. And, of course, you'll learn how to finally turn those collar points all the way out like you've always wanted. The *Shirtmaking Workbook* includes extensive lists and links to further reading, supplies, and references to help make your custom shirtmaking easier and more masterful. With this unique and comprehensive workbook by your side, you'll never wonder how to make THAT shirt again.

men s slim fit business shirts: *The Suit Book* Clare Sheng, 2018-05-14 YOU ONLY GET SEVEN SECONDS TO MAKE A FIRST IMPRESSION - ARE YOU MAKNG YOURS COUNT? A good suit is essential part of every wardrobe, yet so many men still don't know how to shop for, alter and style their suits. In *The Suit Book*, Clare Sheng decodes the process of buying and wearing a suit. Her advice is also a reminder that dressing well is an integral part of the road to success. Using real examples and illustrations, Clare outlines what to look for in a suit and reveals why even the most expensive garments will look cheap if they aren't fitted properly. These easy-to-follow tips will show you how to dress better and feel confident with the way you look. If you want to take your style to the next level, this book is a must-read. You will never again feel like an imposter in your suit or the menswear department.

men s slim fit business shirts: *Dressing the Man* Alan Flusser, 2002-10-01 *Dressing the Man* is the definitive guide to what men need to know in order to dress well and look stylish without becoming fashion victims. Alan Flusser's name is synonymous with taste and style. With his new book, he combines his encyclopedic knowledge of men's clothes with his signature wit and elegance to address the fundamental paradox of modern men's fashion: Why, after men today have spent more money on clothes than in any other period of history, are there fewer well-dressed men than at any time ever before? According to Flusser, dressing well is not all that difficult, the real challenge lies

in being able to acquire the right personalized instruction. Dressing well pivots on two pillars -- proportion and color. Flusser believes that Permanent Fashionability, both his promise and goal for the reader, starts by being accountable to a personal set of physical trademarks and not to any kind of random, seasonally served-up collection of fashion flashes. Unlike fashion, which is obliged to change each season, the face's shape, the neck's height, the shoulder's width, the arm's length, the torso's structure, and the foot's size remain fairly constant over time. Once a man learns how to adapt the fundamentals of permanent fashion to his physique and complexion, he's halfway home. Taking the reader through each major clothing classification step-by-step, this user-friendly guide helps you apply your own specifics to a series of dressing options, from business casual and formalwear to pattern-on-pattern coordination, or how to choose the most flattering clothing silhouette for your body type and shirt collar for your face. A man's physical traits represent his individual road map, and the quickest route toward forging an enduring style of dress is through exposure to the legendary practitioners of this rare masculine art. Flusser has assembled the largest and most diverse collection of stylishly mantled men ever found in one book. Many never-before-seen vintage photographs from the era of Cary Grant, Tyrone Power, and Fred Astaire are employed to help illustrate the range and diversity of authentic men's fashion. Dressing the Man's sheer magnitude of options will enable the reader to expand both the grammar and verbiage of his permanent-fashion vocabulary. For those men hoping to find sartorial fulfillment somewhere down the road, tethering their journey to the mind-set of permanent fashion will deliver them earlier rather than later in life.

men s slim fit business shirts: ROAR Stacy T. Sims, PhD, Selene Yeager, 2016-07-05 "Dr. Sims realizes that female athletes are different than male athletes and you can't set your race schedule around your monthly cycle. ROAR will help every athlete understand what is happening to her body and what the best nutritional strategy is to perform at her very best."—Evie Stevens, Olympian, professional road cyclist, and current women's UCI Hour record holder Women are not small men. Stop eating and training like one. Because most nutrition products and training plans are designed for men, it's no wonder that so many female athletes struggle to reach their full potential. ROAR is a comprehensive, physiology-based nutrition and training guide specifically designed for active women. This book teaches you everything you need to know to adapt your nutrition, hydration, and training to your unique physiology so you can work with, rather than against, your female physiology. Exercise physiologist and nutrition scientist Stacy T. Sims, PhD, shows you how to be your own biohacker to achieve optimum athletic performance. Complete with goal-specific meal plans and nutrient-packed recipes to optimize body composition, ROAR contains personalized nutrition advice for all stages of training and recovery. Customizable meal plans and strengthening exercises come together in a comprehensive plan to build a rock-solid fitness foundation as you build lean muscle where you need it most, strengthen bone, and boost power and endurance. Because women's physiology changes over time, entire chapters are devoted to staying strong and active through pregnancy and menopause. No matter what your sport is—running, cycling, field sports, triathlons—this book will empower you with the nutrition and fitness knowledge you need to be in the healthiest, fittest, strongest shape of your life.

men s slim fit business shirts: The Style Guy Glenn O'Brien, 2000 GQ magazine's Style Guy columnist combines razor-sharp wit with solid advice on dress, manners, sex, grooming, and dating—including cigar and cell phone etiquette, tips on ordering wine in restaurants, and the cold, hard facts on cutoff jeans, ribbed tank tops, and black shoes with white socks.

men s slim fit business shirts: Ralph Lauren's Polo Shirt , 2022-04-26 Embodying a chic casualness that is uniquely American, the Polo shirt is a cultural symbol, worn by everyone from movie stars and presidents to athletes and artists. The Polo shirt is to Ralph Lauren what Mickey Mouse is to Disney or the Empire State Building is to New York City. Whether worn with the collar popped up, open and untucked, or dressed up under a suit jacket, the Polo embodies the optimism of American style. In Lauren's words, "It's honest and from the heart and hopefully that is what touches the diversity of all who wear it. It was never about a shirt, but a way of living." Featuring a

gallery of stars from the worlds of sports, politics, film, and music—from Leonardo DiCaprio and Spike Lee, to Bill Clinton and Oprah Winfrey, to Pharrell Williams and Venus Williams—as well as everyday people who make the Polo their canvas for self-expression, The Polo Shirt looks at the enduring cool of a wardrobe classic. Included are the full range of colors, styles, and fits the shirt has been produced in during its more than 50 year history. From the classic white to the weathered Polo, from the striped Polo to the US Olympic, US Open, and Wimbledon Championship collaborations, this catalogue celebrates the full spectrum of the Polo, making it a collector's dream.

men s slim fit business shirts: Making Trousers for Men & Women David Page Coffin, 2011-01-04 Comfortable, flattering pants can be challenging to make - but they're wonderful to wear. In this book, David Coffin provides his inventive, sure-fire methods for getting it right. With his characteristic precision and straight talk - and with the help of photographs, drawings, and exclusive access to a series of online video sequences - Coffin teaches the reader how to get great results, whether making a showcase garment or just whipping out an everyday pair. For more information and book-related extras, visit <http://makingtrouserswithdpc.blogspot.com/>, David Coffin's blog all about making trousers and specifically designed for the readers of this book.

men s slim fit business shirts: The Parisian Gentleman Hugo Jacomet, 2018-11-13 In a new compact edition, a luxurious celebration of the elegant craftsmanship behind the timeless French men's fashion and lifestyle labels. Home of haute couture and the world's leading fashion houses, Paris and its inhabitants represent sophistication and refinement to the rest of the world. Debonair Parisian men continue to participate in a centuries-long tradition of sartorial craftsmanship and quality. In its newly accessible compact edition, The Parisian Gentleman is like a dream shopping excursion to the leading men's style-makers, from hidden ateliers and little-known studios to internationally renowned labels such as shirtmakers Charvet, shoemakers Berluti, and the recently revived trunk-makers Moynat. The stories behind each house, and the creative minds and artisans who give each brand its unique identity, bring the clothes alive, capturing an unceasing dedication to quality in an era overrun with new, mass-produced trends. Author Hugo Jacomet's portraits of these often-inaccessible marques (or brands) are intimate and illuminating, thanks to his personal connections to many of the leading figures. His text is accompanied by beautifully shot photographs of the designers, studios, garments, and locations, the majority of which were taken exclusively for this book.

men s slim fit business shirts: Straight to Hell John LeFevre, 2015-07-14 The hilarious New York Times bestseller "sharply observes the lives of globe-trotting, overindulging investment bankers" (Entertainment Weekly). "Some chick asked me what I would do with 10 million bucks. I told her I'd wonder where the rest of my money went." —@GSElevator For three years, the notorious @GSElevator Twitter feed offered a hilarious, shamelessly voyeuristic look into the real world of international finance. Hundreds of thousands followed the account, Goldman Sachs launched an internal investigation, and when the true identity of the man behind it all was revealed, it created a national media sensation—but that's only part of the story. Where @GSElevator captured the essence of the banking elite with curated jokes and submissions overheard by readers, Straight to Hell adds John LeFevre's own story—an unapologetic and darkly funny account of a career as a globe-conquering investment banker spanning New York, London, and Hong Kong. Straight to Hell pulls back the curtain on a world that is both hated and envied, taking readers from the trading floors and roadshows to private planes and after-hours overindulgence. Full of shocking lawlessness, boyish antics, and win-at-all-costs schemes, this is the definitive take on the deviant, dysfunctional, and absolutely excessive world of finance. "Shocking and sordid—and so much fun." —Daily News (New York) "LeFevre's workplace anecdotes include tales of nastiness, sabotage, favoritism, sexism, racism, expense-account padding, and legally questionable collusion." —The New Yorker

men s slim fit business shirts: Catholic Essentials Michael Amodei, 2009-01-01 Chapter Features to Enhance Students' Knowledge of Jesus: - Review Questions help summarize each main section - Writing and Discussion prompts offer ways to reflect on material and apply it to the

students' lives - Vocabulary terms are defined in the Glossary of Selected Terms - Jesus, Friend and Savior feature includes practical applications for furthering study including activities, questions and answers apologetic in nature, and a prayer. The definitive aim of catechesis is to put people not only in touch but in communion, in intimacy, with Jesus Christ. These words of Pope John Paul II are quoted in the first sentence of the United States Catholic Bishops Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age. The intention of the new Framework is similar: it provides the course structure and content instruction to serve as a way for high school students to know Jesus Christ, to grow in relationship with him, and to live according to the truth he has given us. After several consultations through its development with bishops, diocesan leaders, teachers, catechists, and publishers, the full body of the United States Conference of Catholic Bishops unanimously approved the Framework in 2007. One of its first objectives was to provide guidance to publishers who create instructional materials for use both in Catholic high schools and parish youth ministry programs. Scope and Sequence Besides providing doctrinal elements for a curriculum, the Framework also strongly suggests a sequence to shape a four-year, eight-semester course of catechetical studies. There are six co-semester-length courses that the bishops strongly recommend be offered in the order they appear in the Framework. Those courses are: I. The Revelation of Jesus Christ in Scripture The Scriptures trace the coming of Jesus, the Christ. II. Who Is Jesus Christ? Jesus is the ultimate revelation from God. III. The Mission of Jesus Christ (The Paschal Mystery) Our redemption only comes in and through Jesus. IV. Jesus Christ Continues the Mission in the Church. The Church is the Body of Christ where we meet Jesus today. V. Sacraments as Privileged Encounters with Jesus Christ We can encounter Christ in a full and complete way in the Sacraments. VI. Life in Jesus Christ There are moral principles that govern the life of Christ's disciples. In addition five possible elective courses appear in this Framework as options for the other two semesters. Those courses have been titled Sacred Scripture, History of the Catholic Church, Living as a Disciple of Jesus Christ in Society (Social Justice), Responding to the Call of Jesus Christ (Marriage and Holy Orders), Ecumenical and Interreligious Issues Online Resources Include: - PowerPoint - Presentation - Study Guide - Crossword Puzzles - Review Questions - Prayer Services - And More! Visit www.avemariapress.com

men s slim fit business shirts: *Buttoned Up* Erynn Masi de Casanova, 2015-11-17 Who is today's white-collar man? The world of work has changed radically since The Man in the Gray Flannel Suit and other mid-twentieth-century investigations of corporate life and identity. Contemporary jobs are more precarious, casual Friday has become an institution, and telecommuting blurs the divide between workplace and home. Gender expectations have changed, too, with men's bodies increasingly exposed in the media and scrutinized in everyday interactions. In *Buttoned Up*, based on interviews with dozens of men in three U.S. cities with distinct local dress cultures—New York, San Francisco, and Cincinnati—Erynn Masi de Casanova asks what it means to wear the white collar now. Despite the expansion of men's fashion and grooming practices, the decrease in formal dress codes, and the relaxing of traditional ideas about masculinity, white-collar men feel constrained in their choices about how to embody professionalism. They strategically embrace conformity in clothing as a way of maintaining their gender and class privilege. Across categories of race, sexual orientation and occupation, men talk about blending in and looking the part as they aim to keep their jobs or pursue better ones. These white-collar workers' accounts show that greater freedom in work dress codes can, ironically, increase men's anxiety about getting it wrong and discourage them from experimenting with their dress and appearance.

men s slim fit business shirts: *Men's Health*, 2007-09 Men's Health magazine contains daily tips and articles on fitness, nutrition, relationships, sex, career and lifestyle.

men s slim fit business shirts: *One-yard Wonders* Rebecca Yaker, Patricia Hoskins, 2009-01-01 Contains instructions for over one hundred sewing projects made with one yard of fabric, including clothing, aprons, bags and totes, organizers, toys, and other items, and provides pattern pieces and a review of basic sewing techniques.

men s slim fit business shirts: *Shirtmaking* David Page Coffin, 1998 Author Page draws on twenty years of shirtmaking experience to share the construction secrets of garments from the world's finest shirtmakers, using simple tools and techniques any sewer can acquire.

men s slim fit business shirts: *Sweat Equity* Jason Kelly, 2016-03-29 Go inside the trend that spawned a multi-billion dollar industry for the top five percent Sweat Equity goes inside the multibillion dollar trend toward endurance sports and fitness to discover who's driving it, who's paying for it, and who's profiting. Bloomberg's Jason Kelly, author of *The New Tycoons*, profiles the participants, entrepreneurs, and investors at the center of this movement, exploring this phenomenon in which a surge of people—led by the most affluent—are becoming increasingly obsessed with looking and feeling better. Through in-depth looks inside companies and events from New York Road Runners to Tough Mudder and Ironman, Kelly profiles the companies and people aiming to meet the demands of these consumers, and the traits and strategies that made them so successful. In a modern world filled with anxiety, pressure, and competition, people are spending more time and money than ever before to soothe their minds and tone their bodies, sometimes pushing themselves to the most extreme limits. Even as obesity rates hit an all-time high, the most financially successful among us are collectively spending billions each year on apparel, gear, and entry fees. Sweat Equity charts the rise of the movement, through the eyes of competitors and the companies that serve them. Through conversations with businesspeople, many driven by their own fitness obsessions, and first-hand accounts of the sports themselves, Kelly delves into how the movement is taking shape. Understand the social science, physics, and economics of our desire to pursue activities like endurance sports and yoga Get to know the endurance business's target demographics Learn how distance running—once a fringe hobby—became a multibillion dollar enterprise fueled by private equity Understand how different generations pursue fitness and how fast-growing companies sell to them The opportunity to run, swim, and crawl in the mud is resonating with more and more of us, as sports once considered extreme become mainstream. As Baby Boomers seek to stay fit and Millennials search for meaning in a hyperconnected world, the demand for the race bib is outstripping supply, even as the cost to participate escalates. Sweat Equity, through the stories of men and women inside the most influential races and companies, goes to the heart of the movement where mind, body, and big money collide.

men s slim fit business shirts: *Slaves to Fashion* Monica L. Miller, 2009-10-08 *Slaves to Fashion* is a pioneering cultural history of the black dandy, from his emergence in Enlightenment England to his contemporary incarnations in the cosmopolitan art worlds of London and New York. It is populated by sartorial impresarios such as Julius Soubise, a freed slave who sometimes wore diamond-buckled, red-heeled shoes as he circulated through the social scene of eighteenth-century London, and Yinka Shonibare, a prominent Afro-British artist who not only styles himself as a fop but also creates ironic commentaries on black dandyism in his work. Interpreting performances and representations of black dandyism in particular cultural settings and literary and visual texts, Monica L. Miller emphasizes the importance of sartorial style to black identity formation in the Atlantic diaspora. Dandyism was initially imposed on black men in eighteenth-century England, as the Atlantic slave trade and an emerging culture of conspicuous consumption generated a vogue in dandified black servants. "Luxury slaves" tweaked and reworked their uniforms, and were soon known for their sartorial novelty and sometimes flamboyant personalities. Tracing the history of the

black dandy forward to contemporary celebrity incarnations such as Andre 3000 and Sean Combs, Miller explains how black people became arbiters of style and how they have historically used the dandy's signature tools—clothing, gesture, and wit—to break down limiting identity markers and propose new ways of fashioning political and social possibility in the black Atlantic world. With an aplomb worthy of her iconographic subject, she considers the black dandy in relation to nineteenth-century American literature and drama, W. E. B. Du Bois's reflections on black masculinity and cultural nationalism, the modernist aesthetics of the Harlem Renaissance, and representations of black cosmopolitanism in contemporary visual art.

men s slim fit business shirts: Details Men's Style Manual Daniel Peres, Editors of Details magazine, 2007-10-18 At last—a sophisticated wardrobe guide for men from a respected authority, Details magazine, offering head-to-toe advice for choosing the right look, the right fit, and the right style for every situation, from boardroom pitches to casual Saturday nights. Produced by the same team as the smash success The Lucky Shopping Manual, Details Men's Style Manual will be on the wish list of every man who's ready for a confident new sense of style.

men s slim fit business shirts: View of Fashion Alison Adburgham, 2023-02-03 First published in 1966, View of Fashion is a collection of articles on fashions shows, parties and people in London, Paris, Italy and New York, including a section looking back to the surprising sportswomen of Victorian and Edwardian times. Lady M.P.s are observed from the Press Gallery of the House of Commons, the Headmistress and the Board of Governors are studied from the School Hall on Speech Day, tennis champions in the Players' Tearoom at Wimbledon. Fuller figures descend upon Woburn Abbey by helicopter, model girls weather a stormy crossing on the Queen Elizabeth, fancy goods are reviewed at Brighton, costume exhibitions at the Victoria and Albert Museum, corsetry in the River Room at the Savoy. There are profiles of well-known personalities on the fashion scene and a section on men's fashions and male models. Alison Adburgham's view of fashion is both accurate and acute; often unexpected, never distorted. It picks out the essential, mocks the meaningless and notes significance in the nuance. It is view with which Haro is in sensitive accord, and which he here brilliantly illustrates with ten full pages and many incidental drawings. This book will be of interest to students of fashion, journalism and social history.

men s slim fit business shirts: The Ways of Fashion Morris De Camp Crawford, 1948

men s slim fit business shirts: Bonobos Brian Hare, Shinya Yamamoto, 2017-10-20 The bonobo, along with the chimpanzee, is one of our two closest living relatives. Their relatively narrow geographic range (south of the Congo River in the Democratic Republic of Congo) combined with the history of political instability in the region, has made their scientific study extremely difficult. In contrast, there are dozens of wild and captive sites where research has been conducted for decades with chimpanzees. Because data sets on bonobos have been so hard to obtain and so few large-scale studies have been published, the majority of researchers have treated chimpanzee data as being representative of both species. However, this misconception is now rapidly changing. With relative stability in the DRC for over a decade and a growing community of bonobos living in zoos and sanctuaries internationally, there has been an explosion of scientific interest in the bonobo with dozens of high impact publications focusing on this fascinating species. This research has revealed

exactly how unique bonobos are in their brains and behavior, and reminds us why it is so important that we redouble our efforts to protect the few remaining wild populations of this iconic and highly endangered great ape species.

men s slim fit business shirts: *Icons of Men's Style* Josh Sims, 2011-06-08 Behind nearly every item in the modern male wardrobe is a first of its kind the definitive item, often designed for specialist use, on which all subsequent versions have been based. Icons of Men's Style examines, garment by garment, the most important and famous of these products their provenance and history, the stories of their design, the brand/company that started it all, and how the item shaped the way men dress today.

men s slim fit business shirts: *The Ivy Look* Graham Marsh, J.P. Gaul, 2010-11-01 Before the Preppy Look, there was the Ivy Look. Democratic, stylish, and comfortable, the Ivy Look's impact and influence can be seen to this day in the clothes of designers such as Ralph Lauren and Giorgio Armani, as well as in the more proletarian offerings of L. L. Bean, J. Crew, Dockers, and Banana Republic. From the button-down hip of Steve McQueen, Paul Newman, and Miles Davis to the enduring style of the cast of Mad Men — they all knew the true cool of the Ivy Look. The Ivy Look digs deep into the vaults to produce the ultimate guide to the genuine article, featuring new, still-life shots of original clothing and accessories plus key examples of the cover art of Blue Note, Stax, Motown, and Atlantic Records. Contemporary magazine advertisements, French New Wave, and key American movie posters and new illustrations bring the Ivy Look into sharp focus.

men s slim fit business shirts: *Female Masculinity* Judith Halberstam, Jack Halberstam, 1998 Masculinity without men. In *Female Masculinity* Judith Halberstam takes aim at the protected status of male masculinity and shows that female masculinity has offered a distinct alternative to it for well over two hundred years. Providing the first full-length study on this subject, Halberstam catalogs the diversity of gender expressions among masculine women from nineteenth-century pre-lesbian practices to contemporary drag king performances. Through detailed textual readings as well as empirical research, Halberstam uncovers a hidden history of female masculinities while arguing for a more nuanced understanding of gender categories that would incorporate rather than pathologize them. She rereads Anne Lister's diaries and Radclyffe Hall's *The Well of Loneliness* as foundational assertions of female masculine identity. She considers the enigma of the stone butch and the politics surrounding butch/femme roles within lesbian communities. She also explores issues of transsexuality among transgender dykes-lesbians who pass as men--and female-to-male transsexuals who may find the label of lesbian a temporary refuge. Halberstam also tackles such topics as women and boxing, butches in Hollywood and independent cinema, and the phenomenon of male impersonators. *Female Masculinity* signals a new understanding of masculine behaviors and identities, and a new direction in interdisciplinary queer scholarship. Illustrated with nearly forty photographs, including portraits, film stills, and drag king performance shots, this book provides an extensive record of the wide range of female masculinities. And as Halberstam clearly demonstrates, female masculinity is not some bad imitation of virility, but a lively and dramatic staging of hybrid and minority genders.

men s slim fit business shirts: *Technical Sourcebook for Apparel Designers* Jaeil Lee, Camille Steen, 2018-09-06 This book is excellent for training future tech designers on how to develop the tech pack. Tameka Ellington, Kent State University, US Learn technical design processes and industry standards, such as ASTM and ISO, for apparel production and manufacturing practices. With more than 1,100 images and technical packages for 12 apparel products, the book explains topics like fabric selection, finding seasonal fashion trends, garment construction, and fit evaluation, all so you can cost-effectively meet consumer needs. You'll learn about product categories including women's wear, menswear, and knitwear, as well as how to create a cost sheet and manage product data, to help you develop specification sheets and technical packages for specific markets.

men s slim fit business shirts: *Enhancing Business Stability Through Collaboration* Ari Kuncoro, Viverita, Sri Rahayu Hijrah Hati, Dony Abdul Chalid, 2017-10-16 Business practices in

emerging markets are constantly challenged by the dynamic environments that involve stakeholders. This increases the interconnectedness and collaboration as well as spillover effect among business agents, that may increase or hold back economic stability. This phenomenon is captured in this proceedings volume, a collection of selected papers of the 10th ICBMR 2016 Conference, held October 25–27, 2016 in Lombok, Indonesia. This ICBMR's theme was Enhancing Business Stability through Collaboration, and the contributions discuss theories, conceptual frameworks and empirical evidence of current issues in the areas of Business, Management, Finance, Accounting, Economics, Islamic Economics, and competitiveness. All topics include aspects of multidisciplinary and complexity of safety in research and education.

men s slim fit business shirts: Men of Style Josh Sims, 2016-11-15 A style guide with heft. Men of Style profiles the best-dressed men of recent centuries: from actors to statesman, playboys to painters, the iconic and the more unexpected. Comprising profiles of their colorful, dapper lives, sartorial and personal, explaining too how they have shaped menswear today. The core focus of the book is not only the story of men's style, but the men who embody it and act as its most inspiring exemplars. A useful for book for students of fashion history, followers of celebrity and stylish men alike.

men s slim fit business shirts: Necessaries: Two Hundred Years of Fashion Accessories Daniel Delis Hill, 2014-12-31 In this comprehensive study, fashion historian Daniel Delis Hill chronicles women's and men's fashion accessories from 1800 to the new millennium. Each chapter includes a historical overview of the era and an introduction to the principal fashions worn by women and men. Accessories are arranged by category and include hats, shoes, handbags, jewelry, gloves, parasols and umbrellas, fans, neckwear, belts and suspenders, handkerchiefs, hosiery, walking sticks, and eyewear. With more than 800 illustrations—many never before seen in book form—this well researched study is a valuable resource for the fields of fashion history, fashion design and merchandising, theatre costuming, and American popular culture.

men s slim fit business shirts: The Clothier and Furnisher, 1887

men s slim fit business shirts: J. Garcia David Hinds, 2005 Legendary counterculture icon and beloved Grateful Dead guitarist and vocalist Jerry Garcia was also a graphic artist of considerable talent. After attending the San Francisco Art Institute as a young man, he began to focus on music, but his passion for visual art never dimmed and he continued to sketch throughout his life. Although Jerry was once quoted as saying, I hope no one takes them too seriously, these unique visual improvisations started receiving attention when they were exhibited and sold in the late '70s and early '80s. They are now owned by several major public and private collections. J.GARCIA offers these wonderful drawings to Deadheads and art lovers alike, as Jerry's soul shines through in each charming landscape, each pleasant dreamscape, and each whimsically (and sometimes wickedly) insightful portrait. A collection of 40 pencil sketches, pen-and-ink drawings, and watercolor paintings by the legendary musician. With a new foreword by lifelong friend and artist Roberta Weir. Now available! Extremely limited stock of the original slipcased, hardcover issue of the first edition, signed by Jerry Garcia in 1992. (Price available on request; ISBN 0-89087-682-7)

men s slim fit business shirts: Shirt and Tie Kim Johnson Gross, Jeff Stone, Michael Solomon, 1993 Provides examples of more than 50 shirt-tie combinations. A key to owning less, spending less, and looking better.

men s slim fit business shirts: Monday's Not Coming Tiffany D. Jackson, 2018-05-22 Jackson's characters and their heart-wrenching story linger long after the final page, urging readers to advocate for those who are disenfranchised and forgotten by society and the system. (Publishers Weekly, An Anti-Racist Children's and YA Reading List) From the critically acclaimed author of Allegedly, Tiffany D. Jackson, comes a gripping novel about the mystery of one teenage girl's disappearance and the traumatic effects of the truth. Monday Charles is missing, and only Claudia seems to notice. Claudia and Monday have always been inseparable—more sisters than friends. So when Monday doesn't turn up for the first day of school, Claudia's worried. When she doesn't show for the second day, or second week, Claudia knows that something is wrong. Monday wouldn't just

leave her to endure tests and bullies alone. Not after last year's rumors and not with her grades on the line. Now Claudia needs her best—and only—friend more than ever. But Monday's mother refuses to give Claudia a straight answer, and Monday's sister April is even less help. As Claudia digs deeper into her friend's disappearance, she discovers that no one seems to remember the last time they saw Monday. How can a teenage girl just vanish without anyone noticing that she's gone?

men s slim fit business shirts: *The Sisters* Kate Forster, 2018-11-20 Gripping story of dark family secrets, and the price of money, privilege and fame. Bestselling author Kate Forster delivers another escapist and twisty unmissable read. Wealth and privilege can't buy you love... or keep your secrets safe. The de Santoval sisters are heiresses to a glamorous fashion house, and the darlings of LA society. Violetta is the hottest reality TV star of the moment, with a fierce press interest to rival Hollywood's A-list. Carlotta is an exclusive horse trainer, as wild as the stallions she breaks in. Fine-arts consultant Grace is hiding a dark secret she must keep hidden at all costs. Their mother, wealthy fashion maven Birdie De Santoval, lies unconscious following a mysterious accident. Blame soon falls on their powerful but ruthless tycoon father, the missing Leon De Santoval. Beneath the ritzy façade of the de Santoval family lies a web of deceit and betrayal that hides a secret that threatens to destroy them all... Readers love Kate Forster! 'This beautifully descriptive and touching story about love and hope is fabulous sunshine reading' Closer. 'A lovely get-away-from-it-all read' Red. 'Enticing and addictive. I loved it' I heart Chick Lit. 'A fun-filled, feel-good holiday read which is ideal just to put a big smile on your face' Reviewed the Book. 'Forster takes us on an enjoyable and emotional roller coaster ride in this captivating story about the price of fame' Blackpool Gazette.

men s slim fit business shirts: Clothing and Fashion [4 volumes] José Blanco F., Patricia Kay Hunt-Hurst, Heather Vaughan Lee, Mary Doering, 2015-11-23 This unique four-volume encyclopedia examines the historical significance of fashion trends, revealing the social and cultural connections of clothing from the precolonial times to the present day. This sweeping overview of fashion and apparel covers several centuries of American history as seen through the lens of the clothes we wear—from the Native American moccasin to Manolo Blahnik's contribution to stiletto heels. Through four detailed volumes, this work delves into what people wore in various periods in our country's past and why—from hand-crafted family garments in the 1600s, to the rough clothing of slaves, to the sophisticated textile designs of the 21st century. More than 100 fashion experts and clothing historians pay tribute to the most notable garments, accessories, and people comprising design and fashion. The four volumes contain more than 800 alphabetical entries, with each volume representing a different era. Content includes fascinating information such as that beginning in 1619 through 1654, every man in Virginia was required to plant a number of mulberry trees to support the silk industry in England; what is known about the clothing of enslaved African Americans; and that there were regulations placed on clothing design during World War II. The set also includes color inserts that better communicate the visual impact of clothing and fashion across eras.
