

merrick vs wellness dog food

Merrick vs. Wellness Dog Food: Which Brand Reigns Supreme for Your Pup?

Choosing the right dog food can feel like navigating a minefield of ingredients, marketing claims, and conflicting opinions. Two brands frequently topping the "best dog food" lists are Merrick and Wellness. But which one comes out on top for your furry friend? This comprehensive comparison dives deep into Merrick vs. Wellness dog food, examining their ingredients, nutritional profiles, price points, and overall value to help you make an informed decision. We'll cut through the marketing jargon and give you the straight facts so you can confidently choose the best food for your canine companion.

Understanding the Key Differences: Merrick vs. Wellness

Both Merrick and Wellness are premium dog food brands, but they approach formulation with slightly different philosophies. Understanding these nuances is key to determining which aligns better with your dog's needs and your budget.

Merrick: Known for its emphasis on real meat and poultry as the primary ingredients, Merrick often features recipes with a high percentage of animal protein. They pride themselves on using human-grade ingredients and avoiding artificial flavors, colors, and preservatives. Their product lines cater to various life stages and dietary needs, including grain-free options. Merrick frequently highlights its commitment to sourcing ingredients responsibly.

Wellness: Wellness also emphasizes high-quality ingredients, but its approach often includes a broader range of protein sources and incorporates whole grains in many of its recipes. While they also avoid artificial ingredients, their formulations sometimes feature a slightly more diverse mix of ingredients compared to Merrick's more straightforward meat-centric approach. Wellness offers a wide variety of products, including complete and balanced diets for puppies, adults, and seniors, as well as specialized formulas for sensitive stomachs or specific health conditions.

Ingredient Analysis: A Closer Look at the Nutrition

Let's dissect the ingredient lists. While both brands boast high-quality ingredients, the type and order of ingredients can significantly impact the

nutritional profile.

Protein Sources: Merrick generally places named meat sources (e.g., "chicken," "beef") higher on the ingredient list, indicating a higher concentration of protein from these sources. Wellness, while using high-quality protein, might incorporate a wider range of protein sources, potentially including poultry meal or fish meal, which are still excellent protein sources but are processed forms.

Carbohydrate Sources: Merrick's grain-free options eliminate common grain sources like corn, wheat, and soy, often replacing them with alternative carbohydrates like sweet potatoes or peas. Wellness offers both grain-inclusive and grain-free options, so you have flexibility depending on your dog's sensitivities.

Added Vitamins and Minerals: Both brands typically supplement their recipes with vitamins and minerals to ensure complete and balanced nutrition, though the specific types and amounts can vary between formulations. Always check the guaranteed analysis on the packaging to compare nutritional values.

Potential Allergens: If your dog has allergies or sensitivities, carefully examine the ingredient list for potential triggers. Both brands offer grain-free options, but be aware that some dogs can also have sensitivities to other ingredients like certain vegetables or proteins.

Price Comparison: Value for Your Money

Merrick and Wellness both fall within the premium dog food category, meaning they're generally more expensive than mass-market brands. However, the price difference between Merrick and Wellness can vary depending on the specific product line and retailer. Generally, you can expect to pay a similar price for comparable products from both brands. Consider the cost per serving rather than just the overall price of the bag to get a clearer picture of value. Look for sales and discounts to potentially save money.

Which Brand Is Right for Your Dog?

The "better" brand depends entirely on your dog's individual needs and preferences. Here's a breakdown to help you decide:

Choose Merrick if:

- Your dog thrives on a primarily meat-based diet.
- You prioritize simple, recognizable ingredients.
- You want a grain-free option.
- Your dog has a history of food sensitivities and you want a limited-ingredient diet.

Choose Wellness if:

You prefer a more diverse range of protein sources.

You're open to grain-inclusive options.

Your dog doesn't have any specific dietary restrictions or sensitivities.

You want a wider variety of formula options to choose from, catering to different life stages and health conditions.

Conclusion

Both Merrick and Wellness offer high-quality dog food with a commitment to using good ingredients. There's no single "winner" – the best choice depends on your dog's unique needs, your budget, and your priorities. By carefully comparing ingredients, nutritional values, and price points, you can make an informed decision that will benefit your furry friend's health and happiness. Remember to always consult with your veterinarian if you have any concerns about your dog's diet.

Frequently Asked Questions (FAQs)

1. Are Merrick and Wellness dog foods comparable in quality? Yes, both brands are considered premium and offer high-quality ingredients. The differences lie mainly in their formulation philosophies and ingredient selection.
1. Do Merrick and Wellness use artificial preservatives? No, both brands generally avoid artificial flavors, colors, and preservatives. However, always check the ingredient list of the specific product you are considering.
1. Which brand is better for puppies? Both offer puppy formulas. Consider the specific nutritional needs of your puppy breed and size, and consult the product descriptions for each brand.
1. Are Merrick and Wellness grain-free options truly grain-free? Yes, their grain-free lines typically exclude common grains like corn, wheat, and soy, but always double-check the ingredient list as formulations can vary.

1. Can I switch my dog from one brand to the other? It's generally recommended to transition your dog gradually between different dog food brands to avoid digestive upset. Mix small amounts of the new food with the old food over several days. Observe your dog for any signs of digestive issues.

merrick vs wellness dog food: *Dog Food Logic* Linda P. Case, M.S., 2014-02-12 Choosing the right dog food in a world with too many choices
 Walking down the dog food aisle in a pet supply superstore can present you with an overwhelming number of choices. Reading about dog food on the internet can make your head spin with so many opinions and stories. And judging the content that you find on dog food packaging can be confusing and misleading. How can the average dog owner make an informed choice in accordance with her dog's age, size and condition? In her latest book, author Linda Case describes how to make logical, evidence-based decisions for what to feed your dog amid all the options available.

 You will learn
 • How pet food marketers appeal to your emotions to persuade you to buy a particular type of dog food.
 • To distinguish between scientific, evidence-based information and the anecdotal evidence which is so pervasive—and often misleading—in the dog food arena.
 • Is there a scientific basis for dog foods designed specifically for puppies, senior dogs, canine athletes—even various breeds of dogs?
 • How to read and evaluate all of the material included on a typical package of dog food from the ingredients and label claims (“Natural,” “Anti-Oxidant,” “Low Fat”), to the Nutrient Analysis and Nutritional Adequacy statements.
 • How to avoid choice paralysis and the cognitive traps that can interfere with clear decision making.

 What experts are saying about <I>Dog Food Logic</I>
 Pet food is like a religion for many—but now those strong emotional ties can be backed up with fact. Linda Case separates fact from fiction, explains the complex terms and offers a guide to pet nutrition in simple to comprehend language. Unlike other books on this topic, there is no agenda here—except to present facts and then allow pet owners to make their own logical conclusions, letting the kibble drop where it may.
 Steve Dale, CABC, columnist Tribune Content Agency; radio host Black Dog Radio Productions and WGN Radio (Chicago); contributing editor USA Weekend; special correspondent Cat Fancy; author Good Cat!

 <I>Dog Food Logic</i> is the indispensable guide to the science behind canine nutrition that will help us to make wise, well-informed choices about how and what we feed our dogs. It takes the fear out of trying to understand proper nutrition and will empower us to determine what is best for the health of our dogs.
 Claudia Kawczynska, Founder and Editor-in-chief of The Bark

 Don't read this book if you want someone to tell you what to feed your dog. This is a book for people who want to learn, in a reasoned and thoughtful way, how to figure it out for themselves.<I> Dog Food Logic</I> goes way beyond the usual textbook list of nutritional requirements to cover the pet food industry in all its glory: the history, the business, the marketing, and best of all, the science. Case deftly navigates the most controversial topics in pet food and presents the big picture without interjecting judgment about what approach is best. There's something here for everyone: pet care professionals and dog lovers alike will learn something new from this informative, easy to read, and well researched book.
 Jessica Vogelsang, DVM, CVJ, author, speaker, and CEO of Pawcurious Media

merrick vs wellness dog food: *Dinner PAWsible* Cathy Alinovi, Susan Thixton, 2015-05-19 There's a reason why pets beg at your table—they want real food! Not the kibble manufactured by pet food companies, drained of nutrients. If we are dedicated to preparing healthy meals for ourselves in the comfort and safety of our own kitchens, shouldn't we be doing the same for our pets? Dinner PAWsible is a collection of more than fifty cat and dog food recipes that will teach you

how to whip up a fresh, balanced meal for your hungry critters. Written by a veterinarian certified in food therapy and an advocate for pet food safety, these recipes are also based on the National Research Council requirements for dogs and cats. Recipes for Dogs include: Turkey & Oats Lasagna Beef, Egg & Rice Chicken, Shrimp, and Veggies Salmon & Cabbage And more! Recipes for cats include: Turkey Meatloaf Turkey & Salmon Hash Steak & Eggs Fish Salad Gumbo And more! Debunk the myth that pet food companies are the only entities qualified to feed your pets. Instead, beat pet obesity, disease, and sickness by reaching into your pantry or refrigerator, turning on the stove, and starting to cook yourself! Making food at home will also decrease those exorbitant pet food bills. It's time to go back to the table. Know exactly what your pet is eating and serve it a variety of real food that it deserves. Be a responsible pet parent by balancing your pet's diet and pleasing its palate. Cooking for your pet is paws-ible!

merrick vs wellness dog food: Unlocking the Canine Ancestral Diet Steve Brown, 2009-12 Ancestors and canine cousins of our dogs didn't eat crunchy kibble or meat 'n gravy in a can. They ate what they found or caught... and it wasn't cooked or enriched either! It was high in protein, with balanced fats, and usually included a few fruits, vegetables and grasses. Steve Brown, an expert on canine nutrition, shows how you can bring the benefits of the canine ancestral diet to your dog by feeding him differently as little as just one day a week. And no, you won't need to lead a pack of dogs on a hunting expedition! Just follow Steve's well-researched and easy to follow ABCs to make improvements to whatever your dog currently eats. BONUS! Raw food or home prepared feeders will learn how to balance nutrients more precisely, especially fats, for optimum health. A dog diet to get wild about! bull; Learn about the latest research on the importance of protein and healthy fats in your dog's diet. bull; Find out why commercial foods can't include these fragile-but-crucial nutrients, and how you can make sure your dog gets them. bull; Just one day a week, or more frequently if you choose, follow the simple recipes that balance the nutrition in the commercial food you are feeding-wet or dry!

merrick vs wellness dog food: The Merck Veterinary Manual Merck and Co., Inc. Staff, 2003-11 For more than forty years, animal health professionals have turned to the Merck Veterinary Manual for integrated, concise and reliable veterinary information. merrick vs wellness dog food: Dogs Unleashed Tamsin Pickeral, 2014-10-01 A comprehensive compendium of canine varieties—from purebreds to designer doodles—from the acclaimed author of The Spirit of the Dog. One glance around the local park will confirm that man's best friend comes in many varieties. As the first animal domesticated by humans, dogs have been selectively bred for tens of thousands of years to be herders, hunters, guard dogs, and friends. The result is a plethora of breeds that are as different as the pint-sized chihuahua and the massive St. Bernard. Now there is a guide to each of them. Dogs Unleashed contains all the information required to differentiate breeds of canine. From the standard poodle to the Finnish spitz, readers will become experts of identification. Alongside beautiful photography, discover information on conformation, history, temperament, health risks, and more. This book even contains a section on today's designer

breeds like the labradoodle, the puggle, and the cockapoo. Ideal for researching a new family pet, or for general knowledge, this book reveals which dogs are the most expensive to keep, which are the best swimmers, and which breed has the longest life expectancy.

merrick vs wellness dog food: Lucky G and the Melancholy Quokka Amy Wilinski-Lyman, 2020-10-23 *Raves for the Raven Who is a Therapist* This book grabs you from the outset and takes you on a hopeful journey: A colorful, spunky raven (with a Ph.D.) travels to Australia to meet a quokka who has lost his true smile, finds it hard to move and isn't hanging out with friends anymore. Dr. G knows that depression is the culprit, and extends a listening ear and helping hand, all the while reassuring the quokka that lots of adults and kids feel depression, too! The illustrations are colorful and whimsical, and the fact that Amy takes us on a journey to Australia provides the novelty that keeps the book captivating and moving right along. I truly enjoyed reading this and I believe children with depression, and their parents, will find acknowledgment, guidance and hope in this little book. Enjoyable, informative and capable of capturing a child's imagination. -- Eliana Gil, Ph.D., Founder, Gil Institute for Trauma Recovery & Education, Fairfax, VA In her latest Lucky G book installment, Wilinski-Lyman makes the concept of play therapy accessible to children and parents. Speaking from experience, and from the heart, she presents therapy as a helpful tool for kids and fights stigma against depression. Her characters are easy to relate to for children and families alike. The vivid and expressive illustrations by Leela Green make this book a visual treat for all ages. -- Marta Manning, former president NAMI Midland, MI chapter (National Alliance on Mental Illness) I liked the whole story. Blue was my favorite character--I would be friends with him. I liked how Blue was sad at the start and then was happy by the end. -- Astor, 7 years old AMY WILINSKI-LYMAN lives in Michigan with her three awesome children: Zach, Drew, and Kendall; and her big fluffy orange cat, Marshall. Amy became a mental health warrior in 2016 after she was diagnosed with bipolar disorder. Through her books and online presence she wants to show parents and children living with mental illness that there is hope. Learn more at AmyLymanAuthor.com From Loving Healing Press www.LHPress.com

merrick vs wellness dog food: I Don't Like Cheese Hannah Chandler, 2015-03-17 Mike the mouse isn't like other mice. He just won't eat cheese. Fortunately, Ashley, the little human girl who lives in the house, feeds him lots of tasty treats: like pizza and tacos. But, hold on, don't those have cheese in them? This delightful picture book explores how even the fussiest eaters can be tempted to try new flavors. And, if you're anything like Mike, you might find you develop quite a taste for international cuisine along the way! Written by Hannah Chandler when she was just 11 years old, *I Don't Like Cheese* is hopefully the first of several adventures featuring Mike; now 12, Hannah is already planning the sequel.

merrick vs wellness dog food: Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library

Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

merrick vs wellness dog food: Track Changes Matthew G. Kirschenbaum, 2016-05-02

Writing in the digital age has been as messy as the inky rags in Gutenberg's shop or the molten lead of a Linotype machine. Matthew Kirschenbaum examines how creative authorship came to coexist with the computer revolution. Who were the early adopters, and what made others anxious? Was word processing just a better typewriter, or something more?

merrick vs wellness dog food: Dogs, Dog Food, and Dogma Daniel Schulof, 2016-10-25 An in-depth investigation of the science and business of America's pet obesity epidemic.

merrick vs wellness dog food: Food Pets Die for Ann N. Martin, 2008 The commercial pet food industry has a secret to hide -- and Ann Martin wants to make sure you know it. Her research reveals some startling facts: that the pet food industry conducts animal testing in order to improve their product, and includes euthanized cats and dogs in the mix to heighten protein content. In this revised and updated edition, Martin continues to explore the shocking processes by which commercial pet foods are produced. She offers alternative recipes for feeding pets, nutritional advice, and an exploration of Pet Peeves, in which she explores several scams aimed at pet owners. This groundbreaking book gives us a glimpse into exactly what we are doing when we buy pet food.

merrick vs wellness dog food: Pet Health - The Shocking Truth, The Disgusting Lies-Exposed! ,

merrick vs wellness dog food: Guests on Earth Lee Smith, 2013-10-15 "Reading Lee Smith ranks among the great pleasures of American fiction . . . Gives evidence again of the grace and insight that distinguish her work." —Robert Stone, author of *Death of the Black-Haired Girl* It's 1936 when orphaned thirteen-year-old Evalina Toussaint is admitted to Highland Hospital, a mental institution in Asheville, North Carolina, known for its innovative treatments for nervous disorders and addictions. Taken under the wing of the hospital's most notable patient, Zelda Fitzgerald, Evalina witnesses cascading events that lead up to the tragic fire of 1948 that killed nine women in a locked ward, Zelda among them. Author Lee Smith has created, through a seamless blending of fiction and fact, a mesmerizing novel about a world apart--in which art and madness are luminously intertwined.

merrick vs wellness dog food: Imagine Life with a Well-Behaved Dog Julie A. Bjelland, 2010-03-30 A comprehensive dog training and puppy training program that offers the added benefit of one-on-one online advice from the author Do you consider your dog part of the family? Most dog guardians do. But just like children, dogs need structure. Structure to show him that he shouldn't jump on every person who enters your house, or urinate indoors, or drag you down the road when you walk him. In *Imagine Life with a Well-Behaved Dog*, Julie Bjelland offers all the information you need to make your dog confident, secure and able to understand and follow rules. Drawing on years of experience, Julie has created a thorough guide that teaches basic training, how to communicate with your dog, and how to prevent and solve behavior problems. She discusses how to train your puppy and how to train adult dogs, even special needs dogs, and tells how to choose the right dog for your family and how to integrate him into a home with kids, other dogs, or cats. Because each dog's situation is unique, Julie is offering readers exclusive one-on-one guidance via her website, for up to 60 days. Here dog training, often very expensive, is now affordable and accessible to a broad audience. Julie's down-to-earth, uncomplicated advice is a welcome solution for a busy dog guardian and aims to change the way people communicate with, and care for, their dogs forever.

merrick vs wellness dog food: Dogs of Dreamtime Karen Shanley, 2007-04-01 When does a dog's behavior become too dangerous for even the most loving person to accept? Karen Shanley tackles this question in lyrical prose and brings to life her relationships with three very different

dogs: Kiera, Molly, and Magic, who all manage to capture Shanley's heart. *Dogs of Dreamtime* makes readers take a long, hard look at what matters most in life, and what does not—what can and cannot be controlled. This is a touching story that will stay with readers forever.

merrick vs wellness dog food: Here, Now Kate Merrick, 2019-04-02 What if our truest life is the one right in front of us? Does life sometimes seem to be passing you by? Are you so busy—with email to check, Instagram to scroll through, and friends to be envious of—that you've become disconnected from your actual life? You know, the one you are living right here, right now? With hilariously relatable confessions and profoundly beautiful insights, Kate Merrick invites us to stop running away from the lives we're living today and instead walk in the peace and fullness God offers moment to moment. She shows us how to kill your Wi-Fi, put down the tech, and find deeper contentment, redirect the FOMO so you don't miss out on your own life, and go on a diet of fewer choices to discover the blessings of the quiet, the slow, and the intentional. Only when we look honestly at our hearts and have the courage to live truly present do we receive the gifts of God found in all of life's seasons—the painful ones, the big and beautiful ones, and even the ordinary ones.

merrick vs wellness dog food: Raw & Natural Nutrition for Dogs Lew Olson, 2010 The first comprehensive book to cover both raw and home-cooked diets specifically for dogs, written by an expert in dog food research and development--Provided by publisher.

merrick vs wellness dog food: Witches of America Alex Mar, 2015-10-20 Witches are gathering. When most people hear the word witches, they think of horror films and Halloween, but to the nearly one million Americans who practice Paganism today, witchcraft is a nature-worshipping, polytheistic, and very real religion. So Alex Mar discovers when she sets out to film a documentary and finds herself drawn deep into the world of present-day magic. *Witches of America* follows Mar on her immersive five-year trip into the occult, charting modern Paganism from its roots in 1950s England to its current American mecca in the San Francisco Bay Area; from a gathering of more than a thousand witches in the Illinois woods to the New Orleans branch of one of the world's most influential magical societies. Along the way she takes part in dozens of rituals and becomes involved with a wild array of characters: a government employee who founds a California priesthood dedicated to a Celtic goddess of war; American disciples of Aleister Crowley, whose elaborate ceremonies turn the Catholic mass on its head; second-wave feminist Wiccans who practice a radical separatist witchcraft; a growing mystery cult whose initiates trace their rites back to a blind shaman in rural Oregon. This sprawling magical community compels Mar to confront what she believes is possible—or hopes might be. With keen intelligence and wit, Mar illuminates the world of witchcraft while grappling in fresh and unexpected ways with the question underlying every faith: Why do we choose to believe in anything at all? Whether evangelical Christian, Pagan priestess, or atheist, each of us craves a system of meaning to give structure to our lives. Sometimes we just find it in unexpected places.

merrick vs wellness dog food: And Still She Laughs Kate Merrick, 2017-03-07 Kate Merrick examines the Bible's gritty stories of resilient women as well as her own experience losing a child—a journey followed by more than a million on prayfordaisy.com—to reveal the reality of surprising joy and deep hope even in the midst of heartache. Is it possible to live fully—even joyfully—in the middle of overwhelming pain? In the excruciating aftermath of her young daughter's death from cancer, Kate Merrick struggled to find a way to live. Not just to survive or go through the motions, but to live fully. Faithfully. With real joy amid inevitable tears. To discover how, Kate delved into the stories in the Bible of real women who suffered deeply and emerged somehow joyful. How did Sarah, after twenty-five years of achingly empty arms, learn to laugh without bitterness? How did Bathsheba, defiled by the king who then had her husband killed, come to walk in strength and dignity, to smile without fear of the future? In her encounters with these heroines of the faith, Kate discovered how to have contentment—and even joy—whatever the circumstances. By turns heartbreaking and humorous, *And Still She Laughs* reveals the secret to finding hope in the midst of devastation. In the end, no matter what hardships we face, we can smile, cry, and come away full—laughing without fear and eagerly looking for what is to come. “*And Still She Laughs* is the terrifying, tearful,

heartbreaking, heart healing and humorous, definitive true story of survival and triumph.” —Kathy Ireland, chair of Kathy Ireland Worldwide “Kate Merrick is one of those women that I always wish I had more time with—her honesty, sincerity, and messy straightforwardness are different, in the very best way. Her book, *And Still She Laughs*, is the same way. It’s one of those books I will keep coming back to it for truth and inspiration.” —Lindsey Nobles, COO of the IF:Gathering

merrick vs wellness dog food: *The Lazy Environmentalist* Josh Dorfman, 2010-12-31 Josh Dorfman’s perspective is a leading voice for anyone involved in new consumer-based environmentalism.†?—Tom Arnold, TerraPass We can’t all camp out in old-growth forests, lying down in front of the bulldozers. And it’s not only that we’re too busy: Some of us just don’t want our fabulous threads to get caked with mud. But that doesn’t mean we don’t care passionately about the environment. Luckily, the days when becoming environmentally aware entailed eating bread that tasted like dirt, wearing clothes that looked like frayed burlap sacks, and spending summer vacations assailing whaling ships with Greenpeace are passing away. It is now perfectly possible (and increasingly easy) to be well fed, well coiffed, well dressed, and well traveled while remaining deeply committed to an ecologically sustainable lifestyle. In *The Lazy Environmentalist*, Josh Dorfman—host of the Sirius Satellite Radio program of the same name—provides comprehensive guidance to fashion-forward consumers who are as concerned about the long-term health of our planet as they are about the design of their bathroom fixtures. Covering topics that range from clothing to electronic gadgetry, home decor to recreation, and gardening to financial investment, Dorfman lets us know which trends to watch and which eco-conscious products—cars, toothbrushes, cell phones, pet accessories—to buy. Green, it turns out, can be an extremely stylish color. Every day most of us have to choose between products that either look the same or do the same thing. So why not buy the product that causes the least harm to the planet? *The Lazy Environmentalist* is a useful guide toward making the right decisions. - Yvon Chouinard, founder and owner, Patagonia, Inc. Everything you always wanted to know about greener living but were afraid to spend the rest of your life researching. Here's a great start. - Chris Paine, writer and director, *Who Killed the Electric Car?* “Instead of thinking about it ... DO IT. Buy this amazing book and get the scoop on products and ways to take care of this great planet. Become part of the movement that is loving the earth the way it truly deserves to be cared for!†? -Mariel Hemingway, actress and author of *Healthy Living from the Inside Out*

merrick vs wellness dog food: *Landscaping with Edible Plants in Texas* Cheryl Beesley, 2015-10-16 In this complete reference to integrating edible plants into a wide range of private and public landscapes, landscape designer Cheryl Beesley thoroughly answers the questions of how to plant, where to plant, and what to plant. She covers garden layout, bed construction, and fencing

options and offers specific design examples for a wide variety of possibilities for edible landscapes, such as a schoolyard, restaurant, or residence. She presents an extensive pallet of edible plant choices for Texas arranged by trees, shrubs, perennials, and annuals and includes detailed information about plant families as well as individual plants. Appendixes instruct readers on disease and insect control, additional variety selections, and plant and seed sources. As the author points out, however they are incorporated, vegetables and fruits—long relegated to their own plots and often hidden from view—can become beautiful and practical additions to the ornamental landscape.

merrick vs wellness dog food: Cincinnati Magazine , 2006-10 Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

merrick vs wellness dog food: Feed Your Pet Right Marion Nestle, Malden Nesheim, 2010-05-11 Human nutrition expert and author of the critically acclaimed What to Eat, Marion Nestle, Ph.D., M.P.H., has joined forces with Malden C. Nesheim, Ph.D., a Cornell animal nutrition expert, to write Feed Your Pet Right, the first complete, research-based guide to selecting the best, most healthful foods for your cat or dog. Human nutrition expert and author of the critically acclaimed What to Eat, Marion Nestle, Ph.D., M.P.H., has joined forces with Malden C. Nesheim, Ph.D., a Cornell animal nutrition expert, to write Feed Your Pet Right, the first complete, research-based guide to selecting the best, most healthful foods for your cat or dog. A comprehensive and objective look at the science behind pet food, it tells a fascinating story while evaluating the range of products available and examining the booming pet food industry and its marketing practices. Drs. Nestle and Nesheim also present the results of their unique research into this sometimes secretive industry. Through conversations with pet food manufacturers and firsthand observations, they reveal how some companies have refused to answer questions or permit visits. The authors also analyze food products, basic ingredients, sources of ingredients, and the optimal ways to feed companion animals. In this engaging narrative, they explain how ethical considerations affect pet food research and product development, how pet foods are regulated, and how companies influence veterinary training and advice. They conclude with specific recommendations for pet owners, the pet food industry, and regulators. A road map to the most nutritious diets for cats and dogs, Feed Your Pet Right is sure to be a reference classic to which all pet owners will turn for years to come.

merrick vs wellness dog food: The Pure Cure Sharyn Wynters, 2012-04-12 The human race has invented nearly every toxin imaginable. In our food, there are chemicals that kill pests, make foods ripen faster and grow bigger, and lengthen shelf life. In our clothing, chemicals make fabrics soft, keep them from wrinkling, make them fire retardant and resistant to stains, and keep them from collecting static. In our kitchens and bathrooms, chemicals create suds, remove grease, stiffen our hair, make our skin feel smooth, stop us from perspiring, change our hair color, lengthen our lashes, and make us smell good. Unfortunately, many of these chemicals, designed to improve and simplify our lives, cause birth defects, hyperactivity, learning disabilities, attention deficit, early puberty, and developmental problems—to name a few. The Pure Cure takes readers to a new level of awareness regarding the dangers of the toxins in everyday products and services. Taking a thorough and comprehensive approach, the book guides readers through every room in the house and beyond, identifying problematic toxins and a course of action for eliminating them. The author also points to surprising new areas of concern, makes suggestions for healthy solutions, and provides a lists of products and companies that can offer safer alternatives.

merrick vs wellness dog food: American Muckraker James O'Keefe, 2022-01-25 This seminal work of nonfiction recounts the new journalistic mass movement of today. Compiled from over a decade of investigative reporting coupled with a vast reference of philosophical research, American Muckraker is the definitive guide of truth-telling in the video age. ON POWER They do have tremendous power. But in part it is because we give it to them. We are nothing, but we are not alone. Awe cannot live in fear. The moment you stop caring about what the media establishment thinks of you, is the moment you become truly free. ON INSIDERS The USPS whistleblower, a

Marine Corp combat veteran said, "I would rather be back in Afghanistan, getting shot at by Afghans, honest to God," than be interrogated by federal agent Russell Strasser—who coerced him by saying, "I am trying to twist you a little bit because your mind will kick in.... I am not scaring you, but I am scaring you." ON PRIVACY The right to record is closely tied to the right to speak or even to take contemporaneous notes about what one sees and hears. As 60 Minutes producer Don Hewitt quipped, "People committing malfeasance don't have any right to privacy.... What are we saying—that Upton Sinclair shouldn't have smuggled his pencil in?" ON MEANS & ENDS Whereas the novelist Ernest Hemingway said, "What is moral is what you feel good after and what is immoral is what you feel bad after," Thomas B. Morgan of the 1960s New Journalism contends, "Morally defensible journalism is rarely what you feel good about afterward; it is only that which makes you feel better than you would otherwise." ON LITIGATION "Polling does not decide the truth nor speak to evidence.... The New York Times have not met their burden to prove that Veritas is deceptive...claiming protections from an upstart competitor armed with a cell phone and a website. There is a substantial basis in law to proceed, to permit Project Veritas, to conduct discovery into The New York Times." —Project Veritas v. New York Times Company; New York Supreme Court, March 18, 2021

merrick vs wellness dog food: Beyond the Breath Marshall Glickman, 2002-11-15 Beyond the Breath is one of the first books to give a complete overview and description of sensation based vipassana meditation, the form of mediation thought of as the original method of meditation as used by the Buddha 2,500 years ago. This form of meditation, brought to the West by S.N. Geonka, provides a means to experience emotions directly and nonverbally--accessing the mind through the body. One of the main principles of this school of meditation is that meditation alone is not sufficient practice, but that it must be combined with a whole-life and ethical commitment. M.Glickman's approach is unique--he takes a mediation practice deeply rooted within a historic Buddhist framework, and gives it a modern-day, scientific spin--he presents sensation based viapassana meditaion and Buddhist principles in 20th-century language, secularizing ideas that may sound exotic, off-putting, or out-dated. Glickman's passion for the topic, as well as his great understanding of Buddhist concepts, make this an inspiring read.

merrick vs wellness dog food: Home-Prepared Dog and Cat Diets Patricia A. Schenck, 2011-11-16 Home-Prepared Dog and Cat Diets, Second Edition provides an introduction to nutrition of the healthy dog and cat and an extensive discussion of medical disorders that can be managed in part through diet. Presenting easy-to-follow recipes that can be prepared at home, this new edition of Donald Strombeck's classic handbook has been completely rewritten by new author Patricia A. Schenck to reflect the latest nutritional recommendations based on current research. New chapter topics include feeding the puppy and kitten; feeding the pregnant or lactating dog or cat; feeding the senior pet; feeding the performance dog; and the role of diet in pets with cancer. Diets are now listed together in a cookbook style for ease of use, and recipes are adjustable for any size dog or cat, allowing exact nutritional values to be calculated. Nutrient content for protein, fat, carbohydrate, and fiber have been provided for every diet, along with the nutrient density. A companion website features downloadable spreadsheets with complete nutritional breakdowns for each recipe. Useful for both veterinarians and pet owners alike, Home-Prepared Dog and Cat Diets, Second Edition is a unique handbook written by an expert in the field providing an introduction to the nutritional management of dogs and cats with easy-to-use recipes for home-prepared diets. Clarification: Calcium Carbonate We've had some questions from readers regarding the use of the term "calcium carbonate," which is listed as an ingredient in a number of the diets found in this book, and therefore wanted to clarify what is meant by this ingredient. Baking soda comes in two forms: sodium bicarbonate and calcium carbonate. The sodium bicarbonate version is widely available as "baking soda" and is commonly used in baking, but none of the recipes in this book use it as an ingredient. The calcium carbonate version of baking soda is sometimes sold as "baking soda substitute" and sometimes referred to as simply "baking soda." To avoid confusing sodium bicarbonate and calcium carbonate, any time the calcium carbonate type of baking soda has been

used in a diet in this book, the ingredient includes the specific term “calcium carbonate.” There are several manufacturers of calcium carbonate baking soda; for example, Amazon carries the Ener-G Foods product baking soda substitute. Calcium carbonate can also be sold for garden use, which is non-food-grade, so to avoid the use of the garden product in foods, the term “baking soda” was used in this book instead to indicate that readers should be sure to select a food-appropriate ingredient.

merrick vs wellness dog food: *Never Turn Your Back on an Angus Cow* Dr. Jan Pol, David Fisher, 2014-08-14 The star of *The Incredible Dr. Pol* shares his amusing, and often poignant, tales from his four decades as a vet in rural Michigan. Dr. Jan Pol is not your typical veterinarian. Born and raised in the Netherlands on a dairy farm, he is the star of Nat Geo Wild’s hit show *The Incredible Dr. Pol* and has been treating animals in rural Michigan since the 1970s. Dr. Pol’s more than 20,000 patients have ranged from white mice to 2600-pound horses and everything in between. From the time he was twelve years old and helped deliver a litter of piglets on his family’s farm to the incredible moments captured on his hit TV show, Dr. Pol has amassed a wealth of stories of what it’s like caring for this menagerie of animals. He shares his own story of growing up surrounded by animals, training to be a vet in the Netherlands, and moving to Michigan to open his first practice in a pre-fab house. He has established himself as an empathetic yet no-nonsense vet who isn’t afraid to make the difficult decisions in order to do what’s best for his patients—and their hard-working owners. A sick pet can bring heartache, but a sick cow or horse could threaten the very livelihood of a farmer whose modest profits are dependent on healthy livestock. Reminiscent of the classic books of James Herriot, *Never Turn Your Back on an Angus Cow* is a charming, fascinating, and funny memoir that will delight animal lovers everywhere.

merrick vs wellness dog food: *Machines Like Me* Ian McEwan, 2019-04-23 From the Booker Prize winner and bestselling author of *Atonement*—“a sharply intelligent novel of ideas” (*The New York Times*) that asks whether a machine can understand the human heart, or whether we are the ones who lack understanding. Set in an uncanny alternative 1982 London—where Britain has lost the Falklands War, Margaret Thatcher battles Tony Benn for power, and Alan Turing achieves a breakthrough in artificial intelligence—*Machines Like Me* powerfully portrays two lovers who will be tested beyond their understanding. Charlie, drifting through life and dodging full-time employment, is in love with Miranda, a bright student who lives with a terrible secret. When Charlie comes into money, he buys Adam, one of the first generation of synthetic humans. With Miranda’s assistance, he codesigns Adam’s personality. The near-perfect human that emerges is beautiful, strong, and smart—and a love triangle soon forms. Ian McEwan’s subversive, gripping novel poses fundamental questions: What makes us human—our outward deeds or our inner lives? Could a machine understand the human heart? This provocative and thrilling tale warns against the power to invent things beyond our control. Don’t miss Ian McEwan’s new novel, *Lessons*, coming in September!

merrick vs wellness dog food: *Celiac and the Beast* Erica Dermer, 2013-10 This book details the struggle through misdiagnosis after misdiagnosis, the search for answers to what gluten free really means, additional medical issues along with celiac disease, and a connection between her past life of disordered eating to her new medically restricted diet—Back cover.

merrick vs wellness dog food: *The Whole Pet Diet* Andi Brown, 2006-09-01 One in four pets is obese, and every year owners spend thousands of dollars treating allergies, joint problems, digestive disorders, and serious diseases that could improve dramatically with a nutritious diet. Yet despite promises of complete and balanced meals, most commercial pet foods contain chemical preservatives, indigestible fillers, and dangerous by-products. If your pets are overweight, ailing, or aging, or you just want them to be as healthy as possible, *THE WHOLE PET DIET* offers a straightforward plan to achieve lifelong health and well-being. Featuring twenty-five easy recipes for homemade meals and treats, a guide to natural supplements, and practical tips for no-stress grooming and play, this holistic approach to pet care creates optimal health for dogs and cats, and it just might change the way you eat, too.

merrick vs wellness dog food: *The Haunting of Hill House* Shirley Jackson, 2016-09-27 The greatest haunted house story ever written, the inspiration for a 10-part Netflix series directed by

Mike Flanagan and starring Michiel Huisman, Carla Gugino, and Timothy Hutton First published in 1959, Shirley Jackson's *The Haunting of Hill House* has been hailed as a perfect work of unnerving terror. It is the story of four seekers who arrive at a notoriously unfriendly pile called Hill House: Dr. Montague, an occult scholar looking for solid evidence of a "haunting"; Theodora, his lighthearted assistant; Eleanor, a friendless, fragile young woman well acquainted with poltergeists; and Luke, the future heir of Hill House. At first, their stay seems destined to be merely a spooky encounter with inexplicable phenomena. But Hill House is gathering its powers—and soon it will choose one of them to make its own. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

merrick vs wellness dog food: PetChiDog's GIANT Book of Chihuahua Care PetChiDog, 2018-01-21 Brand new to Amazon This incredible Chihuahua care book will be your guide for every step of your Chi's life, from puppy to adult to senior. At 364 pages, this book about Chihuahuas covers every single aspect that you need to know about: Sections regarding Chihuahua appearance (coat, size variations, non-official varieties, color), how to facilitate a smooth transition into the home, a complete puppy care chapter, extensive feeding & nutrition info (10 sections), and every single behavioral topic that applies to Chihuahua puppies and dogs (30 sections) which allows you to correct current problems and prevent future ones. Behavioral sections include 'Your Chihuahua's Personality' which covers the importance of not leaving your Chihuahua's personality up to chance. You'll learn how your everyday actions and training methods will help cultivate your Chi's acceptance, tolerance, and ability to interact with you and the rest of the world in a positive way. This Chihuahua book also has detailed training for a host of issues including fears (other dogs, traffic, people), exact steps to resolve separation anxiety, care tips for rescued Chihuahuas, a full command training chapter, walking on leash issues, and heeling. If your Chihuahua isn't housebroken yet, you'll be pleased that this book includes a fail-proof house training chapter for speedy success. You will also have detailed information regarding marking and submissive urination. This remarkable book about Chihuahuas has a comprehensive barking chapter (covering all possible situations), exercise & activity (5 sections including 'Fun Things to Do'), grooming (6 sections), seasonal care, body-part specific care, female issues, and a full whelping chapter. A Chihuahua care book is not complete without detailed health topics, and this book delivers with 20+ extremely thorough health sections regarding every single condition the Chihuahua is prone to, issues seen with toy breeds, and those common to canines. Gain the knowledge to spot early signs, and read about treatment options, prognosis, and prevention. Chihuahuas are a mix of contradictions. Some can be rather hyper. If so, you'll love the section of 'Hyper Behavior' and the training sections of 'How to Teach Proper Hierarchy', 'Jumping on People', 'Running Away', and more. And, if your Chihuahua is shy or nervous, you'll love 'Clingy Behavior' and the incredible 'Socialization and Desensitization' chapter that will make a huge difference in how your Chi reacts to his/her world. You'll also learn about first aid, how to keep your Chihuahua safe, tips for travel, bonding, sleeping issues, teething & chewing, and much more. Included are enlightening survey results showing the stats of 3,272 Chihuahuas; this will help you know what to expect and allow you to see where your Chi puppy or dog falls in with others. And, you'll have two charts that show the stats of 128 Chihuahua puppies over their first-year weigh-in's. Contributors include Faye Dunningham (canine trainer and author) and several AKC Chihuahua breeders. This book is truly GIANT; however, you won't be overwhelmed; meticulous care was given to fonts, bullets, side bars, and specialized text to make it a joy to read. Whether you have your first puppy or are a seasoned owner, this Chihuahua book is a must-have. Let's start fresh today and work toward optimal health and happiness for your canine family member.

merrick vs wellness dog food: How to Be Alone Sara Maitland, 2014-09-02 IN THIS AGE OF

CONSTANT CONNECTIVITY, LEARN HOW TO ENJOY SOLITUDE AND FIND HAPPINESS WITHOUT OTHERS. Our fast-paced society does not approve of solitude; being alone is antisocial and some even find it sinister. Why is this so when autonomy, personal freedom, and individualism are more highly prized than ever before? In *How to Be Alone*, Sara Maitland answers this question by exploring changing attitudes throughout history. Offering experiments and strategies for overturning our fear of solitude, she helps us practice it without anxiety and encourages us to see the benefits of spending time by ourselves. By indulging in the experience of being alone, we can be inspired to find our own rewards and ultimately lead more enriched, fuller lives.

merrick vs wellness dog food: To Your Dog's Health! Mark Poveromo, 2010-02 Written by a man passionate about nature and all living creatures, this book reads like a casual conversation you're having with a really good friend over a couple of beers. Someone who you've always respected and knew was really smart, knew what he was talking about. Don't be surprised if *To Your Dog's Health!* makes you apologize to Fido or Fifi for all the years you just opened up any old can or bag of food, put it in a bowl, and left it for the day. And then you get upset, maybe even mad, when you got home from work, tired and maybe a little cranky, only to discover your pet hadn't touched its food. *To Your Dog's Health!* just might be your wake up call.

merrick vs wellness dog food: Family Dog Richard A. Wolters, 1999-02-01 The bestselling dog training book that will give you the perfect family pet—from the author of *Water Dog*.
