After successful registration, you'll gain access to your personalized dashboard, showing your progress, available rewards, and upcoming wellness opportunities.

Understanding the Rewards System: Earning Points and Redeeming Rewards

The core of the Molina Wellness Rewards program lies in its points-based system. You earn points by completing various health-related activities, such as:

Completing health assessments: These questionnaires provide valuable insights into your health status and allow Molina to tailor programs to your specific needs.

Participating in wellness programs: This may involve attending health workshops, completing online courses, or engaging with mobile health applications.

Meeting health goals: Setting and achieving personalized health goals, such as increasing physical

activity or improving diet, can significantly contribute to your points total.

Preventive care: Regular check-ups, screenings, and vaccinations also earn you valuable points.

The points you accumulate can be redeemed for various rewards, which may include gift cards, discounts on health-related products or services, or even contributions to your health savings account (HSA). The specific rewards and their point values will vary depending on your plan and location. Make sure to check your personalized dashboard frequently to see the available options.

Maximizing Your Molina Wellness Rewards

To get the most out of the `molina wellness rewards.novu/intake` program, consider these strategies:

Set realistic goals: Don't try to do too much too soon. Start with small, achievable goals and gradually increase the intensity and frequency of your activities.
