monkey business ice cream: *Monkey Business* Simon Louvish, 2000-06-08 Strange but true: this is the first authentic account of the Marx Brothers, their origins and of the roots of their comedy. First and foremost, this is the saga of a family whose theatrical roots stretch back to mid-19th century Germany. From Groucho Marx's first warblings with the singing Leroy Trio, this book brings to life the vanished world of America's wild and boisterous variety circuits, leading to the Marx Brothers' Broadway successes, and their alliance with New York's theatrical lions, George S. Kaufman and the 'Algonquin Round Table'. Never-before-published scripts, well-minted Marxian dialogue, and much madness and mayhem feature in this tale of the Brothers' battles with Hollywood, their films, their loves and marriages, and the story of the forgotten brother Gummo.

monkey business ice cream: *Ice Cream Social* Brad Edmondson, 2014-01-06 The story of Ben & Jerry's and its controversial acquisition by Unilever, based on interviews with insiders and "rich in details" (Kirkus Reviews). Ben & Jerry's has always been committed to an insanely ambitious three-part mission: making the world's best ice cream, supporting progressive causes, and sharing the company's success with all stakeholders: employees, suppliers, distributors, customers, cows, everybody. But it hasn't been easy. This is the first book to tell the full, inside story of the inspiring rise, tragic mistakes, devastating fall, determined recovery, and ongoing renewal of one of the most iconic mission-driven companies in the world. No previous book has focused so intently on the challenges presented by staying true to that mission. No other book has explained how the company came to be sold to corporate giant Unilever or how that relationship evolved to allow Ben & Jerry's to pursue its mission on a much larger stage. Journalist Brad Edmondson tells the story with an eye for details, dramatic moments, and memorable characters. He interviewed dozens of key figures, particularly Jeff Furman, who helped Ben and Jerry write their first business plan in 1978 and became chairman of the board in 2010. It's a funny, sad, surprising, and ultimately hopeful story.

monkey business ice cream: This Boy We Made Taylor Harris, 2023-01-17 A Black mother bumps up against the limits of everything she thought she believed—about science and medicine, about motherhood, and about her faith—in search of the truth about her son. The memoir dedicates important space to the numbing bureaucracy that often accompanies medical visits, particularly as seen through the eyes of a Black woman in the South. Having moved often within White neighborhoods and educational institutions around her home in Charlottesville, Harris is unflinching about her periodic unease in those quarters. . . Harris also brings humor to bear in moments of great adversity.—Karen Iris Tucker, *Washington Post* One morning, Tophs, Taylor Harris's round-cheeked, lively twenty-two-month-old, wakes up listless, only lifting his head to gulp down water. She rushes

Tophs to the doctor, ignoring the part of herself, trained by years of therapy for generalized anxiety disorder, that tries to whisper that she's overreacting. But at the hospital, her maternal instincts are confirmed: something is wrong with her boy, and Taylor's life will never be the same. With every question the doctors answer about Tophs's increasingly troubling symptoms, more arise, and Taylor dives into the search for a diagnosis. She spends countless hours trying to navigate health and education systems that can be hostile to Black mothers and children; at night she googles, prays, and interrogates her every action. Some days, her sweet, charismatic boy seems just fine; others, he struggles to answer simple questions. A long-awaited appointment with a geneticist ultimately reveals nothing about what's causing Tophs's drops in blood sugar, his processing delays—but it does reveal something unexpected about Taylor's own health. What if her son's challenges have saved her life? *This Boy We Made* is a stirring and radiantly written examination of the bond between mother and child, full of hard-won insights about fighting for and finding meaning when nothing goes as expected.

monkey business ice cream: *The Ice Cream Queen of Orchard Street* Susan Jane Gilman, 2014-06-10 A clever and complex woman builds an ice cream empire after immigrating from Russia in this stunning novel of power, Prohibition, and performance set against the backdrop of early 20th-century America. In 1913, little Malka Treynovsky flees Russia with her family. Bedazzled by tales of gold and movie stardom, she tricks them into buying tickets for America. Yet no sooner do they land on the squalid Lower East Side of Manhattan, than Malka is crippled and abandoned in the street. Taken in by a tough-loving Italian ices peddler, she manages to survive through cunning and inventiveness. As she learns the secrets of his trade, she begins to shape her own destiny. She falls in love with a gorgeous, illiterate radical named Albert, and they set off across America in an ice cream truck. Slowly, she transforms herself into Lillian Dunkle, The Ice Cream Queen -- doyenne of an empire of ice cream franchises and a celebrated television personality. Lillian's rise to fame and fortune spans seventy years and is inextricably linked to the course of American history itself, from Prohibition to the disco days of Studio 54. Yet Lillian Dunkle is nothing like the whimsical motherly persona she crafts for herself in the media. Conniving, profane, and irreverent, she is a supremely complex woman who prefers a good stiff drink to an ice cream cone. And when her past begins to catch up with her, everything she has spent her life building is at stake.

monkey business ice cream: Music Business and Monkey Business Doug McGuire, 2010 This is how simple the complicated music business can be! I was sitting shooting the bull with the A&R man at Epic Records one day. He said, You know what I would really like to find is a white kid that sings the blues like a black guy. I said, I know a kid like that, or words to that effect. I then told him what I knew about Tim Williams. Tim was starving to death trying to run a Coffee House in Santa Barbara. He was only nineteen-years old, but very good. The problem was that I had no idea what to do with a Blues singer. Suddenly there was an answer to the question. The A&R man said, Bring him down! which meant to his office in Hollywood. When the day came to go to Hollywood we went in my car. I didn't think he had one that would make it down and back. He showed up in a pair of dark brown corduroy pants and a dark polo-type shirt, both clean, but covered with white lint. I was embarrassed to showcase him that way, but it could have been a sensitive subject so away we went. I didn't have a clue what to expect when we arrived at the office. In the now familiar get-to-the-point fashion the man said, Let's hear something after a few minutes of visiting. Tim opened his guitar case, took out his twelve string guitar and began playing as if the outcome didn't make a damn bit of difference to him. Mr. A&R man asked him to do some old standard, then something original that Tim had written. Then suddenly he said, Sounds good, let's do a thing, make a record! Just like that!

monkey business ice cream: Who's Going to Look at You? Mark Eden, 2010-11-01 As the evil Alan Bradley in ITV's long-running soap *Coronation Street*, Mark Eden was the most hated man in Britain. Almost 27 million viewers switched on to watch him get his just deserts under the wheels of a Blackpool tram; making it the third highest viewing figure ever recorded in the UK. Now, as our senior soap opera celebrates its remarkable 50th anniversary, three-times married actor Mark Eden is publishing his enthralling autobiography. And although Alan Bradley was voted 'Britain's Biggest Rat' by The Sun newspaper, Mark's book is about much more than just his memorable time in *Coronation Street*. Born in 1928 – the same year as Mickey Mouse! – Mark's extraordinary life tells of the trauma of evacuation from London at the beginning of the war, the terror of the Blitz, and his early career as a seaside fairground photographer (complete with a monkey!) before becoming an actor. He reveals how he lost his virginity at the age of 19 with an amorous night nurse while recovering from TB in hospital; and how his good looks brought success with women and early stardom on stage and screen. He worked at the Royal Court with the English Stage Company, and with the Royal Shakespeare Company and appeared in many fine films including: *Seance on a wet Afternoon*, *Heavens Above*, *Attack on the Iron Coast* and *The L-shaped Room*; and in classic TV series such as *Dr Who*, *The Prisoner* and *The Saint*. Mark is frank and funny about every detail of his fascinating life: his tempestuous affair with Dorothy Squires, his failed attempts to seduce Judi Dench, and being carried upstairs, dead drunk, by Peter O'Toole. Still on good terms with his two ex wives, Mark is now very happily married to the popular *Coronation Street* star Sue Nicholls. "She is the best thing that ever happened to me," says Mark. "I'm a very fortunate man. At the age of 56, with two failed marriages behind me, I meet the love of my life. How lucky is that?" 'Who's Going To Look At You?' was Mark's mother's reaction when he told her he was going to become an actor. She lived to be 100 years old; long enough to learn that the answer to her question was perhaps, world wide, a billion people! Enjoy.

monkey business ice cream: Marilyn Monroe & Joe DiMaggio - Love In Japan, Korea & Beyond Jennifer Jean Miller, 2014-02-14 The story of Marilyn Monroe and Joe DiMaggio is a timeless tale. Both of these legends had extraordinary careers in their individual fields, as well as remarkable existences. This book chronicles each of their lives, from the days before they met, until that magical night in 1952 when their paths finally crossed. Their lives would never be the same after that. Though their marriage lasted for nine months, their love endured beyond those years and Joe's heart yearned for no one else, even at his deathbed thirty-seven years after her untimely passing. This account shares of their love and focuses on their marriage in 1954, and their trip to Japan and her trip to Korea, during the nearly one month time span that the couple was in the Far East together. A segment of the author's collection of rare and unpublished photographs of both stars are featured within this Google edition, some never before seen since they were taken approximately sixty years ago in Japan and Korea. Due to file size constraints with file delivery via Google that inhibits image quality, the print version of the book has the expanded selection of photos from the author's collection, as well as memorabilia from both of the stars. This book weaves in elements about baseball, entertainment, the military, the tragedies of stardom, and above all, the love Marilyn and Joe shared. The story told here unveils other characters in the casts of both of their lives, including interviews with family members of Marilyn Monroe, headed by Marilyn's second cousin, Jason Edward Kennedy. This book begins to also debunk the myths and propaganda about the life and death of Marilyn Monroe. Additionally, controversy within Joe's final days is also explored. Marilyn Monroe & Joe DiMaggio - Love In Japan, Korea & Beyond, is the first book in the series endorsed by MarilynMonroeFamily.com, the website run by the relatives of William Marion Hogan, Marilyn Monroe's great-uncle.

monkey business ice cream: The Man in the Net Patrick Quentin, 2022-01-25 A “drastic domestic mystery story verging on nightmare” from the Edgar Award-winning author of the Peter Duluth series (Tatler). Struggling artist John Hamilton is a man living a lie. Since moving to the small New England town of Stoneville to pursue painting, he's been desperately trying to cope with his wife's alcoholism. Linda has become an expert at hiding it from her wealthy circle of friends—and at keeping John from exposing her. Though, their marriage has devolved into a never-ending cycle of deception and denial. But when John is offered his old job back in New York City at twice the pay, things come to a head. Linda wants nothing more than to be back in the city among her old friends, living the high life—only John and his artistic ambitions stand her way. When John comes back from Manhattan, turning down the job, he finds his house in utter disarray—and Linda nowhere to be found. In her wake, she has made sure that suspicions immediately fall on John. And as the villagers turn against him and evidence points to murder, John must delve into the darkness of his own wife's twisted mind to uncover the truth. After all, no one knows her better than him . . . “For lovers of anxiety crime fiction, *The Man in the Net* certainly fills the bill. At the same time, there is a neat central crime puzzle to solve and some excellent acerbic writing and character portraits.” —The Passing Tramp The basis for the 1959 movie starring Alan Ladd
