My Pets Wellness Lake Highlands: Your Neighborhood Hub for Pet Health

Are you a Lake Highlands resident searching for exceptional veterinary care for your beloved furry, feathered, or scaled friend? Finding the right veterinarian can feel like searching for a needle in a haystack, but your search ends here. This comprehensive guide dives deep into My Pets Wellness Lake Highlands, exploring their services, philosophy, and why they're a top choice for pet owners in the area. We'll cover everything from their convenient location and welcoming atmosphere to their commitment to advanced veterinary medicine and compassionate care. Get ready to discover why My Pets Wellness is more than just a veterinary clinic; it's a trusted partner in your pet's journey to a long and healthy life.

A Welcoming Environment for Your Pet Family

My Pets Wellness Lake Highlands understands that a veterinary visit can be stressful for both pets and their owners. That's why they've created a calm and comforting environment designed to minimize anxiety. From the moment you walk through the door, you'll be greeted by a friendly and knowledgeable team dedicated to making your pet feel safe and at ease. Their spacious waiting area offers plenty of room for comfortable seating, and the exam rooms are designed for both small and large animals, ensuring a comfortable experience for all. This focus on creating a positive experience extends to their communication, ensuring you're always informed and involved in your pet's care.

Comprehensive Veterinary Services: From Preventative Care to Advanced Treatments

My Pets Wellness Lake Highlands offers a comprehensive range of veterinary services tailored to meet the diverse needs of pets in the Lake Highlands community. Their services encompass:

Preventative Care: This is the cornerstone of a long and healthy life for your pet. Regular check-ups, vaccinations, parasite prevention, and dental care are all crucial for early disease detection and prevention. My Pets Wellness provides tailored preventative care plans based on your pet's breed, age, and lifestyle.

Diagnostic Testing: Accurate diagnosis is key to effective treatment. My Pets Wellness utilizes state-of-the-art diagnostic equipment, including in-house blood work analysis, digital X-rays, and ultrasound, allowing for quick and accurate diagnoses.

Medical and Surgical Services: Whether your pet needs treatment for a minor illness or a more complex surgical procedure, My Pets Wellness has the expertise and facilities to provide exceptional care. They handle a wide range of medical and surgical conditions, ensuring your pet receives the best possible outcome.

Emergency and Urgent Care: Unexpected illnesses and injuries can happen at any time. While My Pets Wellness may not be a 24/7 emergency facility, they offer prompt attention to urgent cases and can provide guidance on where to seek emergency care if needed. Their prompt responses and clear communication help you navigate challenging situations calmly.

Specialized Services: Beyond core services, they often offer specialized services such as dermatology, senior pet care, and weight management programs. These specialized services ensure your pet receives the precise care they need, regardless of their unique needs.

A Team of Dedicated and Experienced Veterinarians

The heart of My Pets Wellness Lake Highlands lies in its team of compassionate and highly skilled veterinarians and veterinary technicians. They are dedicated not only to providing exceptional veterinary care but also to building strong relationships with their clients. Their commitment to ongoing professional development ensures they remain at the forefront of advancements in veterinary medicine. This commitment reflects in their ability to handle complex cases and provide the most up-to-date treatment options.

Convenient Location and Accessibility

Located in the heart of Lake Highlands, My Pets Wellness offers unparalleled convenience for pet owners in the area. Their easily accessible location, ample parking, and convenient hours make it easy to schedule appointments that fit seamlessly into your busy lifestyle. This accessibility is crucial, particularly during emergencies or when navigating busy schedules.

Commitment to Client Education and Communication

My Pets Wellness believes in the power of partnership between pet owners and veterinarians. They prioritize clear and open communication, ensuring that pet owners are fully informed about their pet's health, treatment plans, and any potential concerns. They actively encourage questions and provide detailed explanations, empowering owners to make informed decisions about their pet's care. This commitment to education extends beyond individual appointments; they often share valuable information through their website and social media channels.

Conclusion

My Pets Wellness Lake Highlands is more than just a veterinary clinic; it's a cornerstone of the Lake Highlands community, dedicated to providing exceptional veterinary care with a compassionate and client-focused approach. From their welcoming atmosphere to their comprehensive services and dedicated team, they provide a truly exceptional experience for both pets and their owners. If you're searching for a reliable, trustworthy, and highly skilled veterinary practice in Lake Highlands, look no further. My Pets Wellness is your partner in ensuring your pet lives a long, happy, and healthy life.

FAQs

1. Does My Pets Wellness Lake Highlands accept walk-ins? While appointments are recommended, they often accommodate urgent cases on a walk-in basis. It's always best to call ahead to check availability.
1. What payment methods does My Pets Wellness Lake Highlands accept? They typically accept all major credit cards, debit cards, and often offer payment plans for larger procedures. It's advisable to inquire about specific payment options during your appointment scheduling.
1. Do they offer grooming services? Their focus is primarily on veterinary care. However, they often have information and recommendations for reputable groomers in the Lake Highlands area.
1. What are their hours of operation? Their hours of operation are typically posted on their website and can vary seasonally. Checking their website is the best way to get the most up-to-date information.
1. How can I schedule an appointment? You can schedule an appointment via phone, or often through their website's online scheduling system. Check their website for details on how to schedule your appointment.

my pets wellness lake highlands: Cesar's Way Cesar Millan, Melissa Jo Peltier, 2006-08-08
Cesar Millan—nationally recognized dog expert—helps you see the world through the eyes of your dog so you can finally eliminate problem behaviors. From his appearances on The Oprah Winfrey Show to his roster of celebrity clients to his reality television series, Cesar Millan is America's most sought-after dog-behavior expert. But Cesar is not a trainer in the traditional sense—his expertise lies in his unique ability to comprehend dog psychology. Tracing his own amazing journey from a clay-walled farm in Mexico to the celebrity palaces of Los Angeles, Cesar recounts how he learned what makes dogs tick. In *Cesar's Way*, he shares this wisdom, laying the groundwork for you to have stronger, more satisfying relationships with your canine companions. Cesar's formula for a contented and balanced dog seems impossibly simple: exercise, discipline, and affection, in that order. Taking readers through the basics of dog psychology and behavior, Cesar shares the inside details of some of his most fascinating cases, using them to illustrate how common behavior issues develop and, more important, how they can be corrected. You'll learn: • What your dog really needs may not be what you're giving him • Why a dog's natural pack instincts are the key to your happy relationship • How to relate to your dog on a canine level • There are no "problem breeds," just problem owners • How to choose a dog who's right for you and your family • The difference between discipline and punishment • And much more! Filled with fascinating anecdotes about Cesar's

longtime clients, and including forewords by the president of the International Association of Canine Professionals and Jada Pinkett Smith, this is the only book you'll need to forge a stronger, more rewarding connection with your four-legged companion.

my pets wellness lake highlands: Out of the Cave Chris Hodges, 2021-05-25 Do you feel guilt and shame about negative thoughts and emotions and your inability to overcome them? Bestselling author and pastor Chris Hodges helps those struggling with depression find liberating solutions by drawing from the life of the prophet Elijah. You might be asking, Should a Christian even be having these struggles? Depression is the number one health issue in the world today, yet those who suffer are still sometimes stigmatized--especially followers of Jesus. Many assume God's peace, power, and protection should prevent us from ever feeling anxious, depressed, and afraid. But the Bible teaches otherwise, particularly in its depiction of the life of the Old Testament prophet Elijah. In *Out of the Cave*, Chris Hodges uses Elijah's life to show us that everyone is susceptible to depression. Even when we're walking closely with God, we can still stumble and get lost in the wilderness of tangled emotions. But we don't have to stay there, because we serve a God who meets us in the darkness. *Out of the Cave* helps us remove the stigma of depression and realize we're not alone; understand the ways our temperament and view of God affect the way we handle depression; and learn a comprehensive approach to wellness—mind, body, and soul—from Elijah's journey. With his trademark blend of Bible-based wisdom, practical application, and vulnerability in sharing his personal struggles, Hodges explores the causes of depression we can't change, the contributors we can conquer, and offers transformative hope and spiritual power to help us win the battle.

my pets wellness lake highlands: The Little Golden Book of Hymns Jane Werner Watson, 1947 Collection of hymns for children.

my pets wellness lake highlands: Star Wars Workbook: 3rd Grade Math Workman Publishing, Claire Piddock, 2017-11-28 Make learning an intergalactic adventure!

my pets wellness lake highlands: The Social Dog Juliane Kaminski, Sarah Marshall-Pescini, 2014-05-20 Dogs have become the subject of increasing scientific study over the past two decades, chiefly due to their development of specialized social skills, seemingly a result of selection pressures during domestication to help them adapt to the human environment. *The Social Dog: Behaviour and Cognition* includes chapters from leading researchers in the fields of social cognition and behavior, vocalization, evolution, and more, focusing on topics including dog-dog and dog-human interaction, bonding with humans, social behavior and learning, and more. Dogs are being studied in comparative cognitive sciences as well as genetics, ethology, and many more areas. As the number of published studies increases, this book aims to give the reader an overview of the state of the art on dog research, with an emphasis on social behavior and socio-cognitive skills. It represents a valuable resource for students, veterinarians, dog specialists, or anyone who wants deeper knowledge of his or her canine companion. - Reviews the state of the art of research on dog social interactions and cognition - Includes topics on dog-dog as well as dog-human interactions - Features contributions from leading experts in the field, which examine current studies while highlighting the potential for future research

my pets wellness lake highlands: A Fairy on My Sleeve Mari Sherkin, 2021-12-07 If you look closely through the green, there are wonders to be seen! Join author, poet, and actress Mari Sherkin as she glimpses a magical world where things are as real as they seem.

my pets wellness lake highlands: National Geographic Desk Reference to Nature's Medicine Steven Foster, Rebecca L. Johnson, 2008 An illustrated compendium of information on plants and their diverse therapeutic properties and benefits brings together folklore, scientific research, and medical theory to describe hundreds of plants and their origins.--

my pets wellness lake highlands: The Nature Fix: Why Nature Makes Us Happier, Healthier, and More Creative Florence Williams, 2017-02-07 Highly informative and remarkably entertaining. —Elle From forest trails in Korea, to islands in Finland, to eucalyptus groves in California, Florence Williams investigates the science behind nature's positive effects on the brain. Delving into brand-new research, she uncovers the powers of the natural world to improve health, promote

reflection and innovation, and strengthen our relationships. As our modern lives shift dramatically indoors, these ideas—and the answers they yield—are more urgent than ever.

my pets wellness lake highlands: Birds and People Mark Cocker, 2014-03-17 There are 10,500 species of bird worldwide and wherever they occur people marvel at their glorious colours and their beautiful songs. We also trap and consume birds of every kind. Yet birds have not just been good to eat. Their feathers, which keep us warm or adorn our costumes, give birds unique mastery over the heavens. Throughout history their flight has inspired the human imagination so that birds are embedded in our religions, folklore, music and arts. Vast in both scope and scale, *Birds and People* explores and celebrates this relationship and draws upon Mark Cocker's 40 years of observing and thinking about birds. Part natural history and part cultural study, it describes and maps the entire spectrum of our engagements with birds, drawing in themes of history, literature, art, cuisine, language, lore, politics and the environment. In the end, this is a book as much about us as it is about birds. *Birds and People* has been stunningly illustrated by one of Europe's best wildlife photographers, David Tipling, who has travelled in 39 countries on seven continents to produce a breathtaking and unique collection of photographs. The book is as important for its visual riches as it is for its groundbreaking content. *Birds and People* is also exceptional in that the author has solicited contributions from people worldwide. Personal anecdotes and stories have come from more than 650 individuals in 81 different countries. They range from university academics to Mongolian eagle hunters, and from Amerindian shamans to some of the most celebrated writers of our age. The sheer multitude of voices in this global chorus means that *Birds and People* is both a source book on why we cherish birds and a powerful testament to their importance for all humanity.

my pets wellness lake highlands: Kilted Yoga Finlay Wilson, 2017-10-19 FROM THE VIRAL YOGA STAR - 43 MILLION VIEWS IN JUST FIVE DAYS Yoga as it's never been seen before! 'Yoga can feel elitist but the book does not alienate. Partly because of its gentle humour, and partly because the language does not assume any knowledge of terms or sequences. It's straightforward and to the point. And the scenery beats a sterile yoga studio.' - Evening Standard 'Apparently there is something about the recipe of beards, kilts, butts and the Scottish highlands that just works.' - Finlay Wilson 'Yoga and kilts in a Perthshire forest has proved to be just what the world was waiting for.' - BBC Get ready to lose yourself in the wilds of Scotland and reconnect with the natural world in this gorgeous little book that will make you look at yoga in a whole new way - kilt optional! After recovering from an accident, Finlay Wilson found yoga was the best way to rebuild his strength. Now a qualified yoga instructor himself, he's decided to bring a modern take to this ancient practice. Feast your eyes on his yoga moves and discover why his *Kilted Yoga* video became an instant global sensation. This beautiful book is both dramatic and inspirational, but also tongue in cheek, quirky and funny. Finlay introduces you to the fundamentals of yoga through four progressive sequences to help you develop your practice. Combining stunning photography of the Scottish highlands with practical advice, *Kilted Yoga* is the inspiration you've been waiting for - join the movement here. Check out the video that went viral: www.facebook.com/BBCScotland/videos/1085403278236761

my pets wellness lake highlands: Veterinary Cytology Leslie C. Sharkey, M. Judith Radin, Davis M. Seelig, 2020-08-04 This book offers a state-of-the-art, evidence-based reference to all aspects of veterinary cytology. Truly multidisciplinary in its approach, chapters are written by experts in fields ranging from clinical pathology to internal medicine, surgery, ophthalmology, and dermatology, drawing the various specialties together to create a comprehensive picture of cytology's role in diagnosis and treatment of animal disease. Firmly grounded in the primary literature, the book focuses on companion animals, with special chapters for species with fewer publications. Chapters are logically organized by body system, with additional chapters on tumors of particular import and diagnostic decision making. The first two sections of *Veterinary Cytology* focus on cytology techniques, quality control, and special laboratory techniques. Subsequent sections are organ/tissue-based and reflect what is known about the canine, feline, and equine species. This is followed by chapters on non-traditional species, including exotic companion mammals, rabbits, cattle, camelids, non-human primates, reptiles and birds, amphibians, fish, invertebrates, and sheep

and goats. The last section highlights some unique features of the applications of cytology in industry settings. Provides a gold-standard reference to data-driven information about cytologic analysis in companion animal species Brings together authors from a wide range of specialties to present a thorough survey of cytology's use in veterinary medicine Offers broader species coverage and greater depth than any cytology reference currently available Veterinary Cytology is an essential resource for clinical and anatomic pathologists and any specialist in areas using cytology, including veterinary oncologists, criticalists, surgeons, ophthalmologists, dermatologists, and internists.

my pets wellness lake highlands: Caring for Our Pets Margie Burton, Cathy French, Tammy Jones, 2011 This book is about all of the things that pets need.

my pets wellness lake highlands: Texas Hill Country Eric Pohl, 2017-09-28 Experience the grandeur of the Texas Hill Country through stunning photography and narrative highlighting the natural beauty, scenic wonders, charming historic towns, and cultural heritage of Texas's most celebrated region. Cradled by Austin to the east and San Antonio to the south, the Texas Hill Country is famous for its undulating landscape, where spring-fed streams carve wooded canyons, rugged limestone peaks rise to more than 2,500 feet, and country roads wind through rolling grasslands and wildflower meadows. Captured beautifully in 153 color photos, view this beautiful region through the eyes of Texas-native photographer and author Eric W. Pohl. Join him on an intimate visual journey, leaving behind the freeways and big cities to reveal out-of-the-way places and explore the true heart of Texas.

my pets wellness lake highlands: The Spirit Catches You and You Fall Down Anne Fadiman, 2012-04-24 Winner of the National Book Critics Circle Award for Nonfiction, this brilliantly reported and beautifully crafted book explores the clash between a medical center in California and a Laotian refugee family over their care of a child.

Behavioral study of obedience.

my pets wellness lake highlands: The Everything Store Brad Stone, 2013-10-15 The authoritative account of the rise of Amazon and its intensely driven founder, Jeff Bezos, praised by the Seattle Times as the definitive account of how a tech icon came to life. Amazon.com started off delivering books through the mail. But its visionary founder, Jeff Bezos, wasn't content with being a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive convenience at disruptively low prices. To do so, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now. Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members, giving readers the first in-depth, fly-on-the-wall account of life at Amazon. Compared to tech's other elite innovators -- Jobs, Gates, Zuckerberg -- Bezos is a private man. But he stands out for his restless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way Henry Ford revolutionized manufacturing. The Everything Store is the revealing, definitive biography of the company that placed one of the first and largest bets on the Internet and forever changed the way we shop and read.

my pets wellness lake highlands: Lonely Planet's Best in Travel 2019 Lonely Planet, 2018-10-01 This annual bestseller ranks the hottest, must-visit countries, regions, cities and best-value destinations for 2019. community of travellers. You'll also find our content online, on mobile, video and in 14 languages, 12 international magazines, armchair and lifestyle books, ebooks, and more. Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

my pets wellness lake highlands: *Garden Revolution* Larry Weaner, Thomas Christopher, 2016-05-18 AHS Book Award winner This lushly-photographed reference is an important moment in horticulture that will be embraced by anyone looking for a better, smarter way to garden. Larry Weaner is an icon in the world of ecological landscape design, and now his revolutionary approach is available to all gardeners. *Garden Revolution* shows how an ecological approach to planting can lead to beautiful gardens that buck much of conventional gardening's counter-productive, time-consuming practices. Instead of picking the wrong plant and then constantly tilling, weeding, irrigating, and fertilizing, Weaner advocates for choosing plants that are adapted to the soil and climate of a specific site and letting them naturally evolve over time. Allowing the plants to find their own niches, to spread their seed around until they find the microclimate and spot that suits them best, creates a landscape that is vibrant, dynamic, and gorgeous year after year.

my pets wellness lake highlands: *Black Food* Bryant Terry, 2021-10-19 A beautiful, rich, and groundbreaking book exploring Black foodways within America and around the world, curated by food activist and author of *Vegetable Kingdom* Bryant Terry. WINNER OF THE ART OF EATING PRIZE • JAMES BEARD AWARD NOMINEE • ONE OF THE TEN BEST COOKBOOKS OF THE YEAR: The New Yorker, San Francisco Chronicle, Boston Globe • ONE OF THE BEST COOKBOOKS OF THE YEAR: The Washington Post, Time Out, NPR, Los Angeles Times, Food52, Glamour, New York Post, Minneapolis Star Tribune, Vice, Epicurious, Shelf Awareness, Publishers Weekly, Library Journal "Mouthwatering, visually stunning, and intoxicating, *Black Food* tells a global story of creativity, endurance, and imagination that was sustained in the face of dispersal, displacement, and oppression."—Imani Perry, Professor of African American Studies at Princeton University In this stunning and deeply heartfelt tribute to Black culinary ingenuity, Bryant Terry captures the broad and divergent voices of the African Diaspora through the prism of food. With contributions from more than 100 Black cultural luminaires from around the globe, the book moves through chapters exploring parts of the Black experience, from Homeland to Migration, Spirituality to Black Future, offering delicious recipes, moving essays, and arresting artwork. As much a joyful celebration of Black culture as a cookbook, *Black Food* explores the interweaving of food, experience, and community through original poetry and essays, including Jollofing with Toni Morrison by Sarah Ladipo Manyika, *Queer Intelligence* by Zoe Adjonyoh, *The Spiritual Ecology of Black Food* by Leah Penniman, and *Foodsteps in Motion* by Michael W. Twitty. The recipes are similarly expansive and generous, including sentimental favorites and fresh takes such as Crispy Cassava Skillet Cakes from Yewande Komolafe, Okra & Shrimp Purloo from BJ Dennis, Jerk Chicken Ramen from Suzanne Barr, Avocado and Mango Salad with Spicy Pickled Carrot and Roasted Dressing from Pierre Thiam, and Sweet Potato Pie from Jenné Claiborne. Visually stunning artwork from such notables as Black Panther Party creative director Emory Douglas and artist Sarina Mantle are woven throughout, and the book includes a signature musical playlist curated by Bryant. With arresting artwork and innovative design, *Black Food* is a visual and spiritual feast that will satisfy any soul.

my pets wellness lake highlands: *Art of Murder* Joe DiPietro, 2007 THE STORY: In a remote estate in the countryside of Connecticut, Jack Brooks, one of the most accomplished and eccentric painters of his generation, awaits the imminent arrival of his art dealer. But the visit is not a standard one, for Jack feels

my pets wellness lake highlands: *The Bearded Collie* Gwendoline Olive Willison, 1977

my pets wellness lake highlands: *The Compassionate Equestrian* Allen Schoen, Susan Gordon, 2015-08-17 This marvelous book, borne of a unique collaboration between Dr. Allen Schoen—a world-renowned veterinarian and author—and trainer and competitor of many years Susan Gordon, introduces the 25 Principles of Compassionate Equitation. These Principles, conceived by Dr. Schoen and Gordon, are a set of developmental guidelines, encouraging a level of personal awareness that may be enacted not only through the reader's engagement with horses, but

can be extended to all humans and sentient beings he or she encounters. The 25 Principles share stories and outline current, peer-reviewed studies that identify and support methods of training, handling, and caring for horses that constitute a safe, healthy, non-stressful, and pain-free environment. Through their Compassionate Equestrian program, the authors encourage all involved in the horse industry to approach training and handling with compassion and a willingness to alleviate suffering. By developing deeper compassion for their own horses, and subsequently, all equines, equestrians transcend their differences in breed preferences, riding disciplines, and training methodologies. This leads to the ability to empathize and connect more closely with the “global collective” of horses and horse people. In doing so, a worldwide community of compassionate equine practitioners and horse owners will emerge, which will not only benefit the horses: People involved with horses are found in many influential segments of society and have the potential to affect wide circles of friends, acquaintances, and co-workers from every walk of life. These are simple changes any horse person can make that can have a vast impact on the horse industry and society as a whole.

my pets wellness lake highlands: *Flow and the Foundations of Positive Psychology* Mihaly Csikszentmihalyi, 2014-08-08 The second volume in the collected works of Mihaly Csikszentmihalyi covers about thirty years of Csikszentmihalyi's work on three main and interconnected areas of study: attention, flow and positive psychology. Describing attention as psychic energy and in the footsteps of William James, Csikszentmihalyi explores the allocation of attention, the when and where and the amount of attention humans pay to tasks and the role of attention in creating ‘experiences’, or ordered patterns of information. Taking into account information processing theories and attempts at quantifying people's investment, the chapters deal with such topics as time budgets and the development and use of the Experience Sampling Method of collecting data on attention in everyday life. Following the chapters on attention and reflecting Csikszentmihalyi's branching out into sociology and anthropology, there are chapters on the topic of adult play and leisure and connected to that, on flow, a concept formulated and developed by Csikszentmihalyi. Flow has become a popular concept in business and management around the world and research on the concept continues to flourish. Finally, this volume contains articles that stem from Csikszentmihalyi's connection with Martin Seligman; they deal with concepts and theories, as well as with the development and short history, of the field and the “movement” of positive psychology.

my pets wellness lake highlands: *Clanlands* Sam Heughan, Graham McTavish, 2020-11-03 THE SUNDAY TIMES BESTSELLER With a foreword by Diana Gabaldon. Two men. One country. And a lot of whisky. As stars of *Outlander*, Sam and Graham eat, sleep and breathe the Highlands on this epic road trip around their homeland. They discover that the real thing is even greater than fiction. *Clanlands* is the story of their journey. Armed with their trusty campervan and a sturdy friendship, these two Scotsmen are on the adventure of a lifetime to explore the majesty of Scotland. A wild ride by boat, kayak, bicycle and motorbike, they travel from coast to loch and peak to valley and delve into Scotland's history and culture, from timeless poetry to bloody warfare. With near-death experiences, many weeks in a confined space together, and a cast of unforgettable characters, Graham and Sam's friendship matures like a fine Scotch. They reflect on their acting careers in film and theatre, find a new awestruck respect for their native country and, as with any good road trip, they even find themselves. Hold onto your kilts... this is Scotland as you've never seen it before.

my pets wellness lake highlands: The Christmas Lights Karen Swan, 2018-11-01 Indulge in the perfect winter's day treat and escape to the snow-fringed fjords of Norway with The Christmas Lights, a delicious tale full of drama and mystery, heartache and hope by Sunday Times bestseller Karen Swan. Bo lives a life most people can only dream of. She and her boyfriend Zac are paid to travel the globe, sharing their adventures with their online followers. And when Zac proposes, Bo's happiness is complete. With Christmas coming up, Bo can't wait to head to the snow-fringed fjords of Norway. Arriving at the picturesque and remote hillside farmhouse that will be their home for the next few weeks, Bo's determined to enjoy a romantic Christmas under the Northern Lights. Everything should be perfect But the mountains hold secrets from the past and as temperatures plunge and tensions rise, Bo must face up to the fact that a life which looks perfect to the outside world may not be the life she should be living... What readers are saying: 'This is a perfect winter's day read, that will have you utterly absorbed...' 'Full of intrigue, secrets, heartbreak, love' 'If you're after a book with a truly Christmas feel, full of drama, mystery, heart and hope then The Christmas Lights is a book for you' 'Crammed with love, heartbreak and powerful secrets this Christmas story with substance is not to be missed!' 'The Christmas Lights is the perfect Christmas read . . . The festive season can now commence!'

my pets wellness lake highlands: *Antimicrobial Resistance* Mihai Mares, Swee Hua Erin Lim, Kok-Song Lai, Romeo-Teodor Cristina, 2021-03-03 Tackling the realities of the antimicrobial resistance (AMR) situation today is no longer uncommon. Many battles have been fought in the past since the discovery of antibiotics between man and microbes. In the tussle of new antibiotic modifications, the transmission of resistant genes, both vertically and horizontally unveils yet another resistant attribute for the microbe, for it only to be faced with a more powerful, wide spectrum antibiotic; the cycle continues-and the winner is yet to be known. This book aims to provide some insight into various molecular mechanisms, agricultural mitigation methods, and the One Health applications to maybe, just maybe, tip the scales towards us.

my pets wellness lake highlands: **Technical Large Animal Emergency Rescue** Rebecca Gimenez, Tomas Gimenez, Kimberly A. May, 2009-03-16 The recognition of the importance of safe large animal rescue is quickly growing. The prevailing attitude of large animal owners, whose animals are often pets or a large financial investment, is to demand the safe rescue and treatment of their large animals in emergency situations. Technical Large Animal Emergency Rescue is a guide for equine, large animal, and mixed animal veterinarians, zoo and wildlife veterinarians, vet techs, and emergency responders on how to rescue and treat large animals in critical situations while maintaining the safety of both the animal and the rescuer. This book is a must have reference for any individual who deals with large animals in emergency situations.

my pets wellness lake highlands: Teddy's Surprise Adventure Katie Oliver, 2021-04-20 Early one morning, James and his mischievous dog, Teddy, wake up to a surprise...Mom planned an adventure for them! James and Teddy's anticipation builds as they wonder about the possibilities. But where are they going? Teddy learns the unknown can be better than what he could imagine, especially with James by his side.
