

ONE OF TWO IN BUSINESS SUITS NYT

ONE OF TWO IN BUSINESS SUITS: NYT'S COMMENTARY ON GENDER AND POWER DYNAMICS IN THE WORKPLACE

INTRODUCTION:

THE NEW YORK TIMES' PORTRAYAL OF A WOMAN IN A BUSINESS SUIT AMIDST A SEA OF MEN IMMEDIATELY SPARKS A CONVERSATION ABOUT GENDER DYNAMICS IN PROFESSIONAL SETTINGS.

THIS ARTICLE DELVES INTO THE SYMBOLISM OF SUCH AN IMAGE, ANALYZING THE POWER IMBALANCES IT OFTEN REPRESENTS AND THE SUBTLE (AND SOMETIMES NOT-SO-SUBTLE) WAYS WOMEN NAVIGATE THESE SPACES. WE WILL EXPLORE THE SOCIETAL EXPECTATIONS, THE CHALLENGES FACED, AND THE ONGOING FIGHT FOR GENDER EQUALITY IN TRADITIONALLY MALE-DOMINATED INDUSTRIES, AS HIGHLIGHTED—THOUGH PERHAPS IMPLICITLY—BY THE ICONIC “ONE OF TWO IN BUSINESS SUITS” SCENARIO.

ARTICLE OUTLINE:

- I. THE VISUAL SYMBOLISM OF THE IMAGE: “ONE OF TWO”
- II. POWER DYNAMICS AND GENDER IMBALANCE
- III. NAVIGATING MICROAGGRESSIONS AND IMPLICIT BIAS
- IV. THE IMPORTANCE OF MENTORSHIP AND SUPPORT NETWORKS
- V. STRATEGIES FOR WOMEN TO THRIVE IN MALE-DOMINATED FIELDS
- VI. PROGRESS MADE AND CHALLENGES THAT REMAIN
- VII. THE FUTURE OF GENDER EQUALITY IN THE WORKPLACE

BODY:

- I. THE VISUAL SYMBOLISM OF THE IMAGE: “ONE OF TWO”

THE IMAGE OF A SINGLE WOMAN IN A BUSINESS SUIT SURROUNDED BY MEN INSTANTLY CONVEYS A SENSE OF ISOLATION AND PERHAPS EVEN VULNERABILITY.

THIS VISUAL REPRESENTATION POWERFULLY UNDERSCORES THE UNDERREPRESENTATION OF WOMEN IN LEADERSHIP ROLES AND HIGH-POWERED POSITIONS WITHIN VARIOUS INDUSTRIES. THE STARK CONTRAST HIGHLIGHTS THE LINGERING GENDER DISPARITY THAT CONTINUES TO PLAGUE CORPORATE ENVIRONMENTS GLOBALLY.

- II. POWER DYNAMICS AND GENDER IMBALANCE

THIS VISUAL DISPARITY OFTEN REFLECTS A DEEPER IMBALANCE OF POWER WITHIN ORGANIZATIONS.

STUDIES CONSISTENTLY SHOW A SIGNIFICANT GENDER PAY GAP, FEWER WOMEN IN SENIOR MANAGEMENT POSITIONS, AND A LACK OF FEMALE REPRESENTATION ON CORPORATE BOARDS. THE “ONE OF TWO” IMAGE SERVES AS A POTENT REMINDER OF THIS SYSTEMIC INEQUALITY.

- III. NAVIGATING MICROAGGRESSIONS AND IMPLICIT BIAS

WOMEN IN MALE-DOMINATED WORKPLACES FREQUENTLY ENCOUNTER MICROAGGRESSIONS – SUBTLE, OFTEN UNINTENTIONAL ACTS OF DISCRIMINATION.

THESE CAN RANGE FROM BEING OVERLOOKED IN MEETINGS TO HAVING THEIR IDEAS DISMISSED OR ATTRIBUTED TO MALE COLLEAGUES. IMPLICIT BIAS, UNCONSCIOUS PREJUDICE, FURTHER CONTRIBUTES TO THE CHALLENGES WOMEN FACE IN ASSERTING THEIR AUTHORITY AND EXPERTISE.

IV. THE IMPORTANCE OF MENTORSHIP AND SUPPORT NETWORKS

MENTORSHIP AND STRONG SUPPORT NETWORKS ARE CRUCIAL FOR WOMEN NAVIGATING THESE COMPLEX PROFESSIONAL LANDSCAPES.

HAVING EXPERIENCED FEMALE ROLE MODELS PROVIDES INVALUABLE GUIDANCE, ENCOURAGEMENT, AND A SENSE OF COMMUNITY. THESE NETWORKS OFFER CRUCIAL SUPPORT IN OVERCOMING CHALLENGES AND ADVOCATING FOR ADVANCEMENT.

V. STRATEGIES FOR WOMEN TO THRIVE IN MALE-DOMINATED FIELDS

WOMEN CAN ADOPT SEVERAL STRATEGIES TO ENHANCE THEIR SUCCESS IN TRADITIONALLY MALE-DOMINATED PROFESSIONS.

THIS INCLUDES ACTIVELY SEEKING OUT MENTORSHIP OPPORTUNITIES, DEVELOPING STRONG COMMUNICATION SKILLS TO CONFIDENTLY EXPRESS THEIR IDEAS, AND BUILDING STRATEGIC ALLIANCES WITH COLLEAGUES. NETWORKING AND PROFESSIONAL DEVELOPMENT ARE ALSO INVALUABLE ASSETS.

VI. PROGRESS MADE AND CHALLENGES THAT REMAIN

WHILE SIGNIFICANT PROGRESS HAS BEEN MADE IN PROMOTING GENDER EQUALITY IN THE WORKPLACE, SUBSTANTIAL CHALLENGES REMAIN.

ALTHOUGH MORE WOMEN ARE ENTERING TRADITIONALLY MALE-DOMINATED FIELDS, THEY STILL FACE OBSTACLES RELATED TO PAY EQUITY, PROMOTION OPPORTUNITIES, AND WORK-LIFE BALANCE. ADDRESSING THESE ISSUES REQUIRES A MULTIFACETED APPROACH.

VII. THE FUTURE OF GENDER EQUALITY IN THE WORKPLACE

ACHIEVING TRUE GENDER EQUALITY IN THE WORKPLACE REQUIRES A CONCERTED EFFORT FROM INDIVIDUALS, ORGANIZATIONS, AND SOCIETY AS A WHOLE.

THIS INCLUDES IMPLEMENTING INCLUSIVE HIRING PRACTICES, FOSTERING A CULTURE OF RESPECT AND EQUITY, AND ADDRESSING SYSTEMIC BIASES. ADVOCATING FOR POLICY CHANGES THAT SUPPORT WOMEN'S CAREER ADVANCEMENT IS ALSO CRITICAL.

CONCLUSION:

THE IMAGE OF "ONE OF TWO IN BUSINESS SUITS" IS MORE THAN JUST A VISUAL REPRESENTATION; IT'S A SYMBOL OF THE ONGOING STRUGGLE FOR GENDER EQUALITY IN THE WORKPLACE. WHILE PROGRESS HAS BEEN MADE, SIGNIFICANT CHALLENGES REMAIN. BY ACKNOWLEDGING THESE CHALLENGES, FOSTERING INCLUSIVE ENVIRONMENTS, AND IMPLEMENTING CONCRETE STRATEGIES FOR CHANGE, WE CAN STRIVE TOWARDS A FUTURE WHERE SUCH IMAGES ARE THE EXCEPTION, NOT THE NORM, AND WHERE WOMEN HAVE EQUAL OPPORTUNITIES TO THRIVE IN EVERY PROFESSIONAL FIELD.

FREQUENTLY ASKED QUESTIONS (FAQS):

Q: WHAT ARE SOME EXAMPLES OF MICROAGGRESSIONS WOMEN FACE IN THE WORKPLACE?

A: EXAMPLES INCLUDE BEING INTERRUPTED FREQUENTLY IN MEETINGS, HAVING THEIR IDEAS DISMISSED OR ATTRIBUTED TO MALE COLLEAGUES, BEING EXCLUDED FROM INFORMAL NETWORKING EVENTS, OR FACING PATRONIZING COMMENTS ABOUT THEIR COMPETENCE.

Q: HOW CAN COMPANIES PROMOTE GENDER EQUALITY IN THE WORKPLACE?

A: COMPANIES CAN IMPLEMENT BLIND RESUME SCREENING, ESTABLISH MENTORSHIP PROGRAMS FOR WOMEN, ENSURE EQUAL PAY FOR EQUAL WORK, AND CREATE INCLUSIVE WORKPLACE CULTURES WHERE EVERYONE FEELS RESPECTED AND VALUED.

Q: WHAT IS IMPLICIT BIAS, AND HOW DOES IT AFFECT WOMEN IN THE WORKPLACE?

A: IMPLICIT BIAS REFERS TO UNCONSCIOUS ATTITUDES OR STEREOTYPES THAT AFFECT OUR UNDERSTANDING, ACTIONS, AND DECISIONS. IN THE WORKPLACE, THIS CAN LEAD TO OVERLOOKING QUALIFIED FEMALE CANDIDATES, OFFERING FEWER OPPORTUNITIES FOR ADVANCEMENT, OR UNFAIRLY EVALUATING THEIR PERFORMANCE.

Q: WHAT ROLE DO MEN PLAY IN PROMOTING GENDER EQUALITY?

A: MEN HAVE A CRUCIAL ROLE TO PLAY AS ALLIES IN PROMOTING GENDER EQUALITY. THEY CAN CHALLENGE GENDER STEREOTYPES, SUPPORT FEMALE COLLEAGUES, AND ADVOCATE FOR INCLUSIVE POLICIES WITHIN THEIR ORGANIZATIONS.

RELATED KEYWORDS:

GENDER EQUALITY WORKPLACE, WOMEN IN BUSINESS, GENDER PAY GAP, FEMALE LEADERSHIP, CORPORATE DIVERSITY, IMPLICIT BIAS, MICROAGGRESSIONS, WORKPLACE EQUALITY, GENDER DIVERSITY, WOMEN IN MALE-DOMINATED INDUSTRIES, NYT BUSINESS NEWS, GENDER BALANCE, MENTORSHIP FOR WOMEN, SUPPORTING WOMEN IN THE WORKPLACE, OVERCOMING WORKPLACE BIAS.

📖 **One of two in business suits nyt:** Prune Gabrielle Hamilton, 2014-11-04 NEW YORK TIMES BESTSELLER From Gabrielle Hamilton, bestselling author of *Blood, Bones & Butter*, comes her eagerly anticipated cookbook debut filled with signature recipes from her celebrated New York City restaurant Prune. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY NAMED ONE OF THE BEST BOOKS OF THE SEASON BY Time • O: The Oprah Magazine • Bon Appétit • Eater A self-trained cook turned James Beard Award-winning chef, Gabrielle Hamilton opened Prune on New York's Lower East Side fifteen years ago to great acclaim and lines down the block, both of which continue today. A deeply personal and gracious restaurant, in both menu and philosophy, Prune uses the elements of home cooking and elevates them in unexpected ways. The result is delicious food that satisfies on many levels. Highly original in concept, execution, look, and feel, the Prune cookbook is an inspired replica of the restaurant's kitchen binders. It is written to Gabrielle's cooks in her distinctive voice, with as much instruction, encouragement, information, and scolding as you would find if you actually came to work at Prune as a line cook. The recipes have been tried, tasted, and tested dozens if not hundreds of times. Intended for the home cook as well as the kitchen professional, the instructions offer a range of signals for cooks—a head's up on when you have gone too far, things to watch out for that could trip you up, suggestions on how to traverse certain uncomfortable parts of the journey to ultimately help get you to the final destination, an amazing dish. Complete with more than 250 recipes and 250 color photographs, home cooks will find Prune's most requested recipes—Grilled Head-on Shrimp with Anchovy Butter, Bread Heels and Pan Drippings Salad, Tongue and Octopus with Salsa Verde and Mimosa'd Egg, Roasted Capon on Garlic Crouton, Prune's famous Bloody Mary (and all 10 variations). Plus, among other items, a chapter entitled "Garbage"—smart ways to repurpose foods that might have hit the garbage or stockpot in other restaurant kitchens but are turned into appetizing bites and notions at Prune. Featured here are the recipes, approach, philosophy, evolution, and nuances that make them distinctively Prune's. Unconventional and honest, in both tone and content, this book is a welcome expression of the cookbook as we know it. Praise for Prune "Fresh, fascinating . . . entirely pleasurable . . . Since 1999, when the chef Gabrielle Hamilton put Triscuits and canned sardines on the first menu of her East Village bistro, Prune, she has nonchalantly broken countless rules of the food world. The rule that a successful restaurant must breed an empire. The rule that chefs who

happen to be women should unconditionally support one another. The rule that great chefs don't make great writers (with her memoir, *Blood, Bones & Butter*). And now, the rule that restaurant food has to be simplified and prettied up for home cooks in order to produce a useful, irresistible cookbook. . . . [Prune] is the closest thing to the bulging loose-leaf binder, stuck in a corner of almost every restaurant kitchen, ever to be printed and bound between cloth covers. (These happen to be a beautiful deep, dark magenta.)"—The New York Times "One of the most brilliantly minimalist cookbooks in recent memory . . . at once conveys the thrill of restaurant cooking and the wisdom of the author, while making for a charged reading experience."—Publishers Weekly (starred review)

one of two in business suits nyt: *American Made* Farah Stockman, 2021-10-12 What happens when Americans lose their jobs? In *American Made*, an illuminating story of ruin and reinvention, Pulitzer Prize-winning journalist Farah Stockman gives an up-close look at the profound role work plays in our sense of identity and belonging, as she follows three workers whose lives unravel when the factory they have dedicated so much to closes down. "With humor, breathtaking honesty, and a historian's satellite view, *American Made* illuminates the fault lines ripping America apart."—Beth Macy, author of *Factory Man* and *Dopesick* Shannon, Wally, and John built their lives around their place of work. Shannon, a white single mother, became the first woman to run the dangerous furnaces at the Rexnord manufacturing plant in Indianapolis, Indiana, and was proud of producing one of the world's top brands of steel bearings. Wally, a black man known for his initiative and kindness, was promoted to chairman of efficiency, one of the most coveted posts on the factory floor, and dreamed of starting his own barbecue business one day. John, a white machine operator, came from a multigenerational union family and clashed with a work environment that was increasingly hostile to organized labor. The Rexnord factory had served as one of the economic engines for the surrounding community. When it closed, hundreds of people lost their jobs. What had life been like for Shannon, Wally, and John, before the plant shut down? And what became of them after the jobs moved to Mexico and Texas? *American Made* is the story of a community struggling to reinvent itself. It is also a story about race, class, and American values, and how jobs serve as a bedrock of people's lives and drive powerful social justice movements. This revealing book shines a light on a crucial political moment, when joblessness and anxiety about the future of work have made themselves heard at a national level. Most of all, *American Made* is a story about people: who we consider to be one of us and how the dignity of work lies at the heart of who we are.

one of two in business suits nyt: *How to Fall in Love with Anyone* Mandy Len Catron, 2017-06-27 "A beautifully written and well-researched cultural criticism as well as an honest memoir" (Los Angeles Review of Books) from the author of the popular New York Times essay, "To Fall in Love with Anyone, Do This," explores the romantic myths we create and explains how they limit our ability to achieve and sustain intimacy. What really makes love last? Does love ever work the way we say it does in movies and books and Facebook posts? Or does obsessing over those love stories hurt our real-life relationships? When her parents divorced after a twenty-eight year marriage and her own ten-year relationship ended, those were the questions that Mandy Len Catron wanted to answer. In a series of candid, vulnerable, and wise essays that takes a closer look at what it means to love someone, be loved, and how we present our love to the world, "Catron melds science and emotion beautifully into a thoughtful and thought-provoking meditation" (Bookpage). She delves back to 1944, when her grandparents met in a coal mining town in Appalachia, to her own dating life as a professor in Vancouver. She uses biologists' research into dopamine triggers to ask whether the need to love is an innate human drive. She uses literary theory to show why we prefer certain kinds of love stories. She urges us to question the unwritten scripts we follow in relationships and looks into where those scripts come from. And she tells the story of how she decided to test an experiment that she'd read about—where the goal was to create intimacy between strangers using a list of thirty-six questions—and ended up in the surreal situation of having millions of people following her brand-new relationship. "Perfect fodder for the romantic and the cynic in all of us" (Booklist), *How to Fall in Love with Anyone* flips the script on love. "Clear-eyed and full of heart, it is mandatory reading for anyone coping with—or curious about—the challenges of

contemporary courtship" (The Toronto Star).

one of two in business suits nyt: Covering Kenji Yoshino, 2011-11-02 A lyrical memoir that identifies the pressure to conform as a hidden threat to our civil rights, drawing on the author's life as a gay Asian American man and his career as an acclaimed legal scholar. "[Kenji] Yoshino offers his personal search for authenticity as an encouragement for everyone to think deeply about the ways in which all of us have covered our true selves. . . . We really do feel newly inspired."—The New York Times Book Review Everyone covers. To cover is to downplay a disfavored trait so as to blend into the mainstream. Because all of us possess stigmatized attributes, we all encounter pressure to cover in our daily lives. Racial minorities are pressed to "act white" by changing their names, languages, or cultural practices. Women are told to "play like men" at work. Gays are asked not to engage in public displays of same-sex affection. The devout are instructed to minimize expressions of faith, and individuals with disabilities are urged to conceal the paraphernalia that permit them to function. Given its pervasiveness, we may experience this pressure to be a simple fact of social life. Against conventional understanding, Kenji Yoshino argues that the work of American civil rights law will not be complete until it attends to the harms of coerced conformity. Though we have come to some consensus against penalizing people for differences based on race, sex, sexual orientation, religion, and disability, we still routinely deny equal treatment to people who refuse to downplay differences along these lines. At the same time, Yoshino is responsive to the American exasperation with identity politics, which often seems like an endless parade of groups asking for state and social solicitude. He observes that the ubiquity of covering provides an opportunity to lift civil rights into a higher, more universal register. Since we all experience the covering demand, we can all make common cause around a new civil rights paradigm based on our desire for authenticity—a desire that brings us together rather than driving us apart. Praise for Covering "Yoshino argues convincingly in this book, part luminous, moving memoir, part cogent, level-headed treatise, that covering is going to become more and more a civil rights issue as the nation (and the nation's courts) struggle with an increasingly multiethnic America."—San Francisco Chronicle "[A] remarkable debut . . . [Yoshino's] sense of justice is pragmatic and infectious."—Time Out New York

one of two in business suits nyt: Seven Games: A Human History Oliver Roeder, 2022-01-25 A group biography of seven enduring and beloved games, and the story of why—and how—we play them. Checkers, backgammon, chess, and Go. Poker, Scrabble, and bridge. These seven games, ancient and modern, fascinate millions of people worldwide. In *Seven Games*, Oliver Roeder charts their origins and historical importance, the delightful arcana of their rules, and the ways their design makes them pleasurable. Roeder introduces thrilling competitors, such as evangelical minister Marion Tinsley, who across forty years lost only three games of checkers; Shusai, the Master, the last Go champion of imperial Japan, defending tradition against "modern rationalism"; and an IBM engineer who created a backgammon program so capable at self-learning that NASA used it on the space shuttle. He delves into the history and lore of each game: backgammon boards in ancient Egypt, the Indian origins of chess, how certain shells from a particular beach in Japan make the finest white Go stones. Beyond the cultural and personal stories, Roeder explores why games, seemingly trivial pastimes, speak so deeply to the human soul. He introduces an early philosopher of games, the aptly named Bernard Suits, and visits an Oxford cosmologist who has perfected a computer that can effectively play bridge, a game as complicated as human language itself. Throughout, Roeder tells the compelling story of how humans, pursuing scientific glory and competitive advantage, have invented AI programs better than any human player, and what that means for the games—and for us. Funny, fascinating, and profound, *Seven Games* is a story of obsession, psychology, history, and how play makes us human.

one of two in business suits nyt: Tiny Love Stories Daniel Jones, Miya Lee, 2020-12-08 "Charming. . . . A moving testament to the diversity and depths of love." —Publishers Weekly You'll

laugh, you'll cry, you'll be swept away—in less time than it takes to read this paragraph. Here are 175 true stories—honest, funny, tender and wise—each as moving as a lyric poem, all told in no more than one hundred words. An electrician lights up a woman's life, a sister longs for her homeless brother, strangers dream of what might have been. Love lost, found and reclaimed. Love that's romantic, familial, platonic and unexpected. Most of all, these stories celebrate love as it exists in real life: a silly remark that leads to a lifetime together, a father who struggles to remember his son, ordinary moments that burn bright.

one of two in business suits nyt: *All the Beauty in the World* Patrick Bringley, 2024-10-29 A fascinating, revelatory portrait of the Metropolitan Museum of Art and its treasures by a former New Yorker staffer who spent a decade as a museum guard--

one of two in business suits nyt: *Maine* J. Courtney Sullivan, 2012-05-29 This breakout New York Times bestseller from the celebrated author of *Commencement* and *The Engagements*, introduces four unforgettable women and the abiding, often irrational love that keeps them coming back, every summer, to Maine and to each other. For the Kellehers, Maine is a place where children run in packs, showers are taken outdoors, and old Irish songs are sung around a piano. As three generations of Kelleher women arrive at the family's beach house, each brings her own hopes and fears. Maggie is thirty-two and pregnant, waiting for the perfect moment to tell her imperfect boyfriend the news; Ann Marie, a Kelleher by marriage, is channeling her domestic frustration into a dollhouse obsession and an ill-advised crush; Kathleen, the black sheep, never wanted to set foot in the cottage again; and Alice, the matriarch at the center of it all, would trade every floorboard for a chance to undo the events of one night, long ago.

one of two in business suits nyt: *The Sociolinguistics of Language* Ralph W. Fasold, 1990 A companion to the author's *Sociolinguistics of Society*, this textbook, examines the influence of social interaction in language use and discusses a variety of facts about language from the commonplace to the exotic.

one of two in business suits nyt: *Sex and Suits* Anne Hollander, 2016-08-25 Since the dawn of western fashion in the Middle Ages, women's dress has never stopped evolving, yet menswear has seen far fewer style revolutions. At the centre of the male wardrobe is the suit: relatively unchanged since the 17th century, its cut and cloth suggest athleticism, seriousness, sexuality and strength - qualities which contrasted with the perceived superficiality and frivolity of female dress, and eventually led to the adoption of the suit into the female wardrobe where it remains to this day. In *Sex and Suits* brilliant essayist and art critic Anne Hollander charts the development of men's and women's fashion from their divergence in the medieval period to their convergence through to the late 20th century. Challenging the idea that the suit's success is merely down to its practicality, this trailblazing book argues that men have been fashion's true style-setters and that as women's fashion has taken on elements of men's style through tailoring, so men have reclaimed the embellishment and colour of past eras. First published in 1994 to great acclaim, this classic text is as fresh and provocative as ever and remains a must-read for students, scholars and anyone fascinated by the history of fashion and gender.

one of two in business suits nyt: *The New York Times Bridge Book* Alan Truscott, Dorothy Truscott, Dorothy Hayden Truscott, 2004-08 A guide to the popular card game includes anecdotes about great players, major tournaments, scandals, and strategies that make bridge so legendary.

one of two in business suits nyt: *Dreams from My Father* Barack Obama, 2007-01-09 #1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama "guides us straight to the intersection of the most serious questions of identity, class, and race" (The Washington Post Book World). "Quite extraordinary."—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces

the migration of his mother's family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father's life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* "Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride's *The Color of Water* and Gregory Howard Williams's *Life on the Color Line* as a tale of living astride America's racial categories."—Scott Turow "Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither."—The New York Times Book Review "Obama's writing is incisive yet forgiving. This is a book worth savoring."—Alex Kotlowitz, author of *There Are No Children Here* "One of the most powerful books of self-discovery I've ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel."—Charlayne Hunter-Gault, author of *In My Place* "Dreams from My Father is an exquisite, sensitive study of this wonderful young author's journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white."—Marian Wright Edelman

one of two in business suits nyt: *Life So Far* Betty Friedan, 2006-08 At last Betty Friedan herself speaks about her life and career. With the same unsparing frankness that made *The Feminine Mystique* one of the most influential books of our era, Friedan looks back and tells us what it took -- and what it cost -- to change the world. Betty Friedan's *The Feminine Mystique*, published in 1963, started the women's movement it sold more than four million copies and was recently named one of the one hundred most important books of the century. In *Life So Far*, Friedan takes us on an intimate journey through her life -- a lonely childhood in Peoria, Illinois salvation at Smith College her days as a labor reporter for a union newspaper in New York (from which she was dismissed when she became pregnant) unfulfilling and painful years as a suburban housewife finding great joy as a mother and writing *The Feminine Mystique*, which grew out of a survey of her Smith classmates and started it all. Friedan chronicles the secret underground of women in Washington, D.C., who drafted her in the early 1960s to spearhead an NAACP for women, and recounts the courage of many, including some Catholic nuns who played a brave part in those early days of NOW, the National Organization for Women. Friedan's feminist thinking, a philosophy of evolution, is reflected throughout her book. She recognized early that the women's movement would falter if institutions did not change to reflect the new realities of women's lives, and she fought to keep the movement practical and free of extremism, including man-hating. She describes candidly the movement's political infighting that brought her to the point of legal action and resulted in a long breach with fellow leaders Gloria Steinem and Bella Abzug. Friedan is frank about her twenty-two-year marriage to Carl Friedan, an advertising entrepreneur. She writes about the explosive cycle of drinking, arguing, and physical battering she endured and explores her prolonged inability to leave the marriage. (They are now friends and the grandparents of nine.) Friedan was not only pivotal in the founding of NOW, she was also the driving force behind the creation of the National Abortion and Reproductive Rights Action League (NARAL), the National Women's Political Caucus (NWPC), and the First Women's Bank and Trust Company. She made history by introducing the issue of sex discrimination as an argument against the ratification of a Supreme Court nominee. She convinced the Secretary General of the United Nations to declare 1975 the International Year of the Woman. In this volume, Friedan brings to extraordinary life her bold and contentious leadership in the movement. She lectures, writes, leads think tanks, and organizes women and men to work together in political, legal, and social battles on behalf of women's rights.--From publisher description.

one of two in business suits nyt: *Have Space Suit, Will Travel* Robert A. Heinlein, 2005-02-08 A high school senior wins a space suit in a soap jingle contest, takes a last walk wearing Oscar before cashing him in for college tuition, and suddenly finds himself on a space odyssey.

one of two in business suits nyt: *Save Yourself* Cameron Esposito, 2020-03-24 This hilarious

and honest bestselling memoir from a rising comedy star tackles issues of gender, sexuality, feminism, and the Catholic childhood that prepared her for a career as an outspoken lesbian comedian (Abby Wambach). Cameron Esposito wanted to be a priest and ended up a stand-up comic. Now she would like to tell the whole queer as hell story. Her story. Not the sidebar to a straight person's rebirth-she doesn't give a makeover or plan a wedding or get a couple back together. This isn't a queer tragedy. She doesn't die at the end of this book, having finally decided to kiss the girl. It's the sexy, honest, bumpy, and triumphant dyke's tale her younger, wasn't-allowed-to-watch-Ellen self needed to read. Because there was a long time when she thought she wouldn't make it. Not as a comic, but as a human. **SAVE YOURSELF** is full of funny and insightful recollections about everything from coming out (at a Catholic college where sexual orientation wasn't in the nondiscrimination policy) to how joining the circus can help you become a better comic (so much nudity) to accepting yourself for who you are-even if you're, say, a bowl cut-sporting, bespectacled, gender-nonconforming child with an eye patch (which Cameron was). Packed with heart, humor, and cringeworthy stories anyone who has gone through puberty, fallen in love, started a career, or had period sex in Rome can relate to, Cameron's memoir is for that timid, fenced-in kid in all of us-and the fearless stand-up yearning to break free. **INDIE BESTSELLER WASHINGTON POST BESTSELLER SEATTLE TIMES BESTSELLER ONE OF BUSTLE'S MOST ANTICIPATED BOOKS OF MARCH**

one of two in business suits nyt: *Futuristic Violence and Fancy Suits* Jason Pargin, David Wong, 2015-10-06 New York Times bestselling author Jason Pargin takes readers to a whole new level with his darkly comic sci-fi thriller, *Futuristic Violence and Fancy Suits*. An Alex Award Winner Nightmarish villains with superhuman enhancements. An all-seeing social network that tracks your every move. Mysterious, smooth-talking power players who lurk behind the scenes. A young woman from the trailer park. And her very smelly cat. Together, they will decide the future of mankind. Get ready for a world in which anyone can have the powers of a god or the fame of a pop star, in which human achievement soars to new heights while its depravity plunges to the blackest depths. A world in which at least one cat smells like a seafood shop's dumpster on a hot summer day. This is the world in which Zoey Ashe finds herself, navigating a futuristic city in which one can find elements of the fantastic, nightmarish and ridiculous on any street corner. Her only trusted advisor is the aforementioned cat, but even in the future, cats cannot give advice. At least not any that you'd want to follow. Will Zoey figure it all out in time? Or maybe the better question is, will you? After all, the future is coming sooner than you think.

one of two in business suits nyt: *Confidence Man* Maggie Haberman, 2022-10-05 From the Pulitzer Prize-winning New York Times reporter who has defined Donald J. Trump's presidency like no other journalist: a magnificent and disturbing reckoning that chronicles his life and its impact, from his rise in New York City to his tortured postpresidency. All of Trump's behavior as president had echoes in what came before. In this revelatory and news-making book, Haberman brings together the events of his life into a single mesmerizing work. It is the definitive account of one of the most norms-shattering and consequential eras in American political history.

one of two in business suits nyt: *The Litigators* John Grisham, 2011-10-25 #1 NEW YORK TIMES BESTSELLER • After leaving a fast-track legal career and going on a serious bender, David Zinc is sober, unemployed, and desperate enough to take a job at Finley & Figg, a self-described "boutique law firm" that is anything but. Oscar Finley and Wally Figg are in fact just two ambulance chasers who bicker like an old married couple. But now the firm is ready to tackle a case that could make the partners rich—without requiring them to actually practice much law. A class action suit has been brought against Varrick Labs, a pharmaceutical giant with annual sales of \$25 billion, alleging that Krayoxx, its most popular drug, causes heart attacks. Wally smells money. All Finley & Figg has to do is find a handful of Krayoxx users to join the suit. It almost seems too good to be true ... and it is. Don't miss John Grisham's new book, *THE EXCHANGE: AFTER THE FIRM!*

one of two in business suits nyt: *Modern Love, Revised and Updated* Daniel Jones, 2019-09-03 The most popular, provocative, and unforgettable essays from the past fifteen years of

the New York Times “Modern Love” column—including stories from the anthology series starring Tina Fey, Andy Garcia, Anne Hathaway, Catherine Keener, Dev Patel, and John Slattery. A young woman goes through the five stages of ghosting grief. A man’s promising fourth date ends in the emergency room. A female lawyer with bipolar disorder experiences the highs and lows of dating. A widower hesitates about introducing his children to his new girlfriend. A divorcée in her seventies looks back at the beauty and rubble of past relationships. These are just a few of the people who tell their stories in *Modern Love, Revised and Updated*, featuring dozens of the most memorable essays to run in The New York Times “Modern Love” column since its debut in 2004. Some of the stories are unconventional, while others hit close to home. Some reveal the way technology has changed dating forever; others explore the timeless struggles experienced by anyone who has ever searched for love. But all of the stories are, above everything else, honest. Together, they tell the larger story of how relationships begin, often fail, and—when we’re lucky—endure. Edited by longtime “Modern Love” editor Daniel Jones and featuring a diverse selection of contributors, this is the perfect book for anyone who’s loved, lost, stalked an ex on social media, or pined for true romance: In other words, anyone interested in the endlessly complicated workings of the human heart. Featuring essays by: Veronica Chambers • Terri Cheney • Deborah Copaken • Trey Ellis • Jean Hanff Korelitz • Ann Hood • Mindy Hung • Amy Krouse Rosenthal • Ann Leary • Andrew Rannells • Larry Smith • Ayelet Waldman • and more!

one of two in business suits nyt: *The Purple Decades* Tom Wolfe, 1982-10 This collection of Wolfe's essays, articles, and chapters from previous collections is filled with observations on U.S. popular culture in the 1960s and 1970s.

one of two in business suits nyt: *Zoot Suit & Other Plays* Luis Valdez, 1992-04-30 This critically acclaimed play by Luis Valdez cracks open the depiction of Chicanos on stage, challenging viewers to revisit a troubled moment in our nation’s history. From the moment the myth-infused character El Pachuco burst onto the stage, cutting his way through the drop curtain with a switchblade, Luis Valdez spurred a revolution in Chicano theater. Focusing on the events surrounding the Sleepy Lagoon Murder Trial of 1942 and the ensuing Zoot Suit Riots that turned Los Angeles into a bloody war zone, this is a gritty and vivid depiction of the horrifying violence and racism suffered by young Mexican Americans on the home front during World War II. Valdez’s cadre of young urban characters struggle with the stereotypes and generalizations of America’s dominant culture, the questions of assimilation and patriotism, and a desire to rebel against the mainstream pressures that threaten to wipe them out. Experimenting with brash forms of narration, pop culture of the war era, and complex characterizations, this quintessential exploration of the Mexican-American experience in the United States during the 1940’s was the first, and only, Chicano play to open on Broadway. This collection contains three of playwright and screenwriter Luis Valdez’s most important and recognized plays: *Zoot Suit*, *Bandido!* and *I Don’t Have to Show You No Stinking Badges*. The anthology also includes an introduction by noted theater critic Dr. Jorge Huerta of the University of California-San Diego. Luis Valdez, the most recognized and celebrated Hispanic playwright of our times, is the director of the famous farm-worker theater, El Teatro Campesino.

one of two in business suits nyt: *How to Do Nothing* Jenny Odell, 2019-04-23 ** A New York Times Bestseller ** NAMED ONE OF THE BEST BOOKS OF THE YEAR BY: Time • The New Yorker • NPR • GQ • Elle • Vulture • Fortune • Boing Boing • The Irish Times • The New York Public Library • The Brooklyn Public Library A complex, smart and ambitious book that at first reads like a self-help manual, then blossoms into a wide-ranging political manifesto.—Jonah Engel Bromwich, The New York Times Book Review One of President Barack Obama's Favorite Books of 2019 Porchlight's Personal Development & Human Behavior Book of the Year In a world where addictive technology is designed to buy and sell our attention, and our value is determined by our 24/7 data productivity, it can seem impossible to escape. But in this inspiring field guide to dropping out of the attention economy, artist and critic Jenny Odell shows us how we can still win back our lives. Odell

sees our attention as the most precious—and overdrawn—resource we have. And we must actively and continuously choose how we use it. We might not spend it on things that capitalism has deemed important ... but once we can start paying a new kind of attention, she writes, we can undertake bolder forms of political action, reimagine humankind's role in the environment, and arrive at more meaningful understandings of happiness and progress. Far from the simple anti-technology screed, or the back-to-nature meditation we read so often, *How to do Nothing* is an action plan for thinking outside of capitalist narratives of efficiency and techno-determinism. Provocative, timely, and utterly persuasive, this book will change how you see your place in our world.

one of two in business suits nyt: *The Price We Pay* Marty Makary, 2019-09-10 New York Times bestseller Business Book of the Year--Association of Business Journalists From the New York Times bestselling author comes an eye-opening, urgent look at America's broken health care system--and the people who are saving it--now with a new Afterword by the author. A must-read for every American. --Steve Forbes, editor-in-chief, FORBES One in five Americans now has medical debt in collections and rising health care costs today threaten every small business in America. Dr. Makary, one of the nation's leading health care experts, travels across America and details why health care has become a bubble. Drawing from on-the-ground stories, his research, and his own experience, *The Price We Pay* paints a vivid picture of the business of medicine and its elusive money games in need of a serious shake-up. Dr. Makary shows how so much of health care spending goes to things that have nothing to do with health and what you can do about it. Dr. Makary challenges the medical establishment to remember medicine's noble heritage of caring for people when they are vulnerable. *The Price We Pay* offers a road map for everyday Americans and business leaders to get a better deal on their health care, and profiles the disruptors who are innovating medical care. The movement to restore medicine to its mission, Makary argues, is alive and well--a mission that can rebuild the public trust and save our country from the crushing cost of health care.

one of two in business suits nyt: *Truth in Our Times* David E. McCraw, 2019-03-12 David E. McCraw recounts his experiences as the top newsroom lawyer for the New York Times during the most turbulent era for journalism in generations. In October 2016, when Donald Trump's lawyer demanded that The New York Times retract an article focused on two women that accused Trump of touching them inappropriately, David McCraw's scathing letter of refusal went viral and he became a hero of press freedom everywhere. But as you'll see in *Truth in Our Times*, for the top newsroom lawyer at the paper of record, it was just another day at the office. McCraw has worked at the Times since 2002, leading the paper's fight for freedom of information, defending it against libel suits, and providing legal counsel to the reporters breaking the biggest stories of the year. In short: if you've read a controversial story in the paper since the Bush administration, it went across his desk first. From Chelsea Manning's leaks to Trump's tax returns, McCraw is at the center of the paper's decisions about what news is fit to print. In *Truth in Our Times*, McCraw recounts the hard legal decisions behind the most impactful stories of the last decade with candor and style. The book is simultaneously a rare peek behind the curtain of the celebrated organization, a love letter to freedom of the press, and a decisive rebuttal of Trump's fake news slur through a series of hard cases. It is an absolute must-have for any dedicated reader of The New York Times.

one of two in business suits nyt: *The Fragmentation of U.S. Health Care* Einer Elhauge, 2010 Why is the American health care system so fragmented in the care it gives patients? This title approaches this question and more with a highly interdisciplinary approach. The articles included in the work address legal and regulatory issues, including laws that mandate separate payments for each provider.

one of two in business suits nyt: *Coyote V. Acme* Ian Frazier, 2002-02-09 Twenty-two side-splitting glimpses into some oddball corners of the American mind from bestselling author Ian Frazier. The title essay of *Coyote v. Acme*, Frazier's second collection of humorous essays, imagines the opening statement of an attorney representing cartoon character Wile E. Coyote in a product liability suit against the Acme Company, supplier of unpredictable rocket sleds and faulty spring-powered shoes. Other essays are about Bob Hope's golfing career, a commencement address

given by a Satanist college president, a suburban short story attacked by the Germans, the problem of issues versus non-issues, and the theories of revolutionary stand-up comedy from Comrade Stalin. From first to last, this is Frazier at his hilarious best.

one of two in business suits nyt: *Drawdown* Paul Hawken, 2017-04-18 • New York Times bestseller • The 100 most substantive solutions to reverse global warming, based on meticulous research by leading scientists and policymakers around the world “At this point in time, the Drawdown book is exactly what is needed; a credible, conservative solution-by-solution narrative that we can do it. Reading it is an effective inoculation against the widespread perception of doom that humanity cannot and will not solve the climate crisis. Reported by-effects include increased determination and a sense of grounded hope.” —Per Espen Stoknes, Author, *What We Think About When We Try Not To Think About Global Warming* “There’s been no real way for ordinary people to get an understanding of what they can do and what impact it can have. There remains no single, comprehensive, reliable compendium of carbon-reduction solutions across sectors. At least until now. . . . The public is hungry for this kind of practical wisdom.” —David Roberts, *Vox* “This is the ideal environmental sciences textbook—only it is too interesting and inspiring to be called a textbook.” —Peter Kareiva, Director of the Institute of the Environment and Sustainability, UCLA In the face of widespread fear and apathy, an international coalition of researchers, professionals, and scientists have come together to offer a set of realistic and bold solutions to climate change. One hundred techniques and practices are described here—some are well known; some you may have never heard of. They range from clean energy to educating girls in lower-income countries to land use practices that pull carbon out of the air. The solutions exist, are economically viable, and communities throughout the world are currently enacting them with skill and determination. If deployed collectively on a global scale over the next thirty years, they represent a credible path forward, not just to slow the earth’s warming but to reach drawdown, that point in time when greenhouse gases in the atmosphere peak and begin to decline. These measures promise cascading benefits to human health, security, prosperity, and well-being—giving us every reason to see this planetary crisis as an opportunity to create a just and livable world.

one of two in business suits nyt: *She Said* Jodi Kantor, Megan Twohey, 2020-06-30 Now a major motion picture, starring Carey Mulligan and Zoe Kazan An instant classic of investigative journalism... ‘All the President’s Men’ for the Me Too era. — Carlos Lozada, *The Washington Post* From Pulitzer Prize-winning journalists Jodi Kantor and Megan Twohey, the untold story of their investigation of Harvey Weinstein and its consequences for the #MeToo movement For years, reporters had tried to get to the truth about Harvey Weinstein’s treatment of women. Rumors of wrongdoing had long circulated, and in 2017, when Jodi Kantor and Megan Twohey began their investigation for the New York Times, his name was still synonymous with power. But during months of confidential interviews with actresses, former Weinstein employees, and other sources, many disturbing and long-buried allegations were unearthed, and a web of onerous secret payouts and

nondisclosure agreements was revealed. When Kantor and Twohey were finally able to convince sources to go on the record, a dramatic final showdown between Weinstein and the New York Times was set in motion. In the tradition of great investigative journalism, *She Said* tells a thrilling story about the power of truth and reveals the inspiring and affecting journeys of the women who spoke up—for the sake of other women, for future generations, and for themselves.

one of two in business suits nyt: *The New York Times Theatre Reviews 1999-2000* New York Times Theater Reviews, 2001-12 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew*, and includes extensive discussions of the play's various printed versions and its theatrical productions. Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play. The issues discussed include gender, authority, female autonomy and unruliness, courtship and marriage, language and speech, and performance and theatricality.

one of two in business suits nyt: *Perle and Williams on Publishing Law* Mark A. Fischer, E. Gabriel Perle, John Taylor Williams, 2013-06-01 This valuable handbook covers the relations between writer/publisher and publisher/public, including the latest approaches to clearing text for libel, privacy, and related legal exposure, contracts, negotiating royalties, advances, options, writer's warranty, subsidiary rights splits; intellectual property issues, including electronic publishing and software, trademark and copyright law, filing procedures; antitrust issues; with expert analysis on numerous other topics. By Mark A. Fischer, E. Gabriel Perle and John Taylor Williams. *Perle, Williams and Fischer on Publishing Law, Fourth Edition* describes contract and problem issues commonly encountered in negotiating royalties, advances, options, writer's warranty, subsidiary rights splits, and much more. You'll also find intellectual property issues as they affect publishing, including electronic publishing and software, trademark and copyright law, filing procedures, antitrust issues, and more, including: Extensive coverage of copyright issues including fair use, duration and ownership. International considerations in publishing including coverage of conventions and treaties. The authors also look at international issues involved in contract drafting. Complete coverage of moral rights, what they are and how they are treated both domestically and internationally. An overview of how antitrust laws in the US impact publishing rights. Publishing contracts are examined in depth. Given that the publishing landscape now includes eBooks, periodicals, traditional print and multimedia considerations, drafting an effective contract has become even more important. The authors explore this topic in great detail. And much more.

one of two in business suits nyt: *Brood* Jackie Polzin, 2021-06-08 Completely original, full of surprise, humor, grief, and wisdom and just the right amount of chickens.' Karen Joy Fowler, author of *We Are All Completely Beside Ourselves* 'The coop houses no predators, but the chickens do not know this. A chicken knows only what it can see. A chicken's life is full of magic. Lo and behold.' Meet Gloria, Gam Gam, Darkness, Miss Hennepin County, and their unlikely owner. Over the course of a single year, our nameless narrator heroically tries to keep her small brood of four chickens alive despite the seemingly endless challenges that caring for another creature entails. From the freezing nights of a brutal winter to a sweltering summer which brings a surprise tornado, she battles predators, bad luck, and the uncertainty of a future that may not look anything like the one she always imagined. *Brood* by Jackie Polzin is a darkly funny, deeply moving and startling original debut novel of motherhood and grief, full of sorrow, joy and unrelenting hope. Perfect for fans of Jenny Offill and Elizabeth Strout.
