pavilion on pico healthcare wellness centre: Patients Beyond Borders Focus On:

Cleveland Clinic Josef Woodman, 2011-09-13 Patients Beyond Borders,® the best-selling consumer reference guide for medical tourism, is pleased to announce the release of FOCUS ON: Cleveland Clinic, profiling one of the top international healthcare centers in the world. Patients Beyond Borders FOCUS ON: Cleveland Clinic will provide global healthcare consumers with in-depth information on the hospital's top specialties and doctors, achievements, accreditation, international concierge services, and patient case studies, as well as regional travel information. Founded in 1921 by four renowned physicians and built on principles of "cooperation, compassion, and innovation," Cleveland Clinic has earned a standing as one of the world's most revered hospitals. With more than 2,000 salaried physicians and researchers, 120 medical specialties, and a network of medical facilities throughout northeast Ohio, Florida, Las Vegas (Nevada), Canada, and Abu Dhabi (UAE), the Clinic welcomes more than 3.7 million patients annually from the US and 103 other countries. "Cleveland Clinic has served the international patient long before 'medical tourism' became a buzzword," says Josef Woodman, CEO of Healthy Travel Media. "With a strong reputation for outstanding customer service, cost-effective care, and a commitment to excellence, Cleveland Clinic's community of hospitals and specialty centers has much to offer the discerning global medical traveler." Cleveland Clinic caters to international clientele through its Global Patients Services department. The hospital's "patients first" principle, coupled with special care from the International Center's staff, make for a seamless medical travel experience. Services for international patients range from coordinating travel arrangements and arranging leisure activities for travel companions to providing translation services and catering to special cultural and dietary needs. Today, Cleveland Clinic is home to some of the top-ranked specialty institutes in the world: the Sydell and Arnold Miller Family Heart and Vascular Institute, the Digestive Disease Institute, the Glickman Urological and Kidney Institute, the multidisciplinary Neurological Institute, and the Orthopedic and Rheumatologic Institute, which have helped to consistently earn Cleveland Clinic the coveted U.S. News & World Report's America's Best Hospitals Award¹ and, in 2009/2010, the National Research Corporation's Consumer Choice Award. "We are pleased to be collaborating with Patients Beyond Borders to produce FOCUS ON: Cleveland Clinic," says Dr. William Ruschhaupt, MD, chairman of Global Patient Services and staff physician at the Cleveland Clinic Department of Cardiovascular Medicine. "We hope the accessibility of this publication will allow us to reach an even greater number of international patients and provide them with reference data to make more informed healthcare choices." FOCUS ON: Cleveland Clinic will be accessible from a variety of sources, including the Patients Beyond Borders website, Cleveland Clinic's website, Kindle, GoogleBooks, Apple iBooks and other eBook readers, iPhone and other mobile devices, medical, business, and reference libraries worldwide, and all popular social networks.

pavilion on pico healthcare wellness centre: *The Encyclopedia of Louisville* John E. Kleber, 2014-07-11 With more than 1,800 entries, The Encyclopedia of Louisville is the ultimate reference for Kentucky's largest city. For more than 125 years, the world's attention has turned to Louisville for the annual running of the Kentucky Derby on the first Saturday in May. Louisville Slugger bats still reign supreme in major league baseball. The city was also the birthplace of the famed Hot

Brown and Benedictine spread, and the cheeseburger made its debut at Kaelin's Restaurant on Newburg Road in 1934. The Happy Birthday had its origins in the Louisville kindergarten class of sisters Mildred Jane Hill and Patty Smith Hill. Named for King Louis XVI of France in appreciation for his assistance during the Revolutionary War, Louisville was founded by George Rogers Clark in 1778. The city has been home to a number of men and women who changed the face of American history. President Zachary Taylor was reared in surrounding Jefferson County, and two U.S. Supreme Court Justices were from the city proper. Second Lt. F. Scott Fitzgerald, stationed at Camp Zachary Taylor during World War I, frequented the bar in the famous Seelbach Hotel, immortalized in *The Great Gatsby*. Muhammad Ali was born in Louisville and won six Golden Gloves tournaments in Kentucky.

Purtilo, 2023-03-08 Learn how to navigate the complicated and challenging world of health care with Health Professional and Patient Interaction, 10th Edition. Covering strategies for effective communication and collaboration, this time-tested guide offers the tools needed to establish positive patient and interprofessional relationships that are built on respect. It not only covers respectful actions, communication standards, and good decision-making, but also demonstrates how those decisions directly shape

successful patient outcomes. Practical examples and authentic scenarios highlight how to apply respect and professionalism to coworkers and patients of various ages and backgrounds across a wide spectrum of healthcare environments. It's the strong foundation you need to communicate effectively for positive, collaborative, and compassionate patient-centered care. - UNIQUE! Integration of respect throughout the text underscores its necessity across the many different types of interactions between the health professional and patient and establishes the foundation for positive relationships with patients and interprofessional care teams. - UNIQUE! Focus on interprofessional and intraprofessional collaboration addresses issues that apply to many different healthcare disciplines to help you identify with your specific field, as well as recognize themes that apply across a variety of healthcare delivery settings. - UNIQUE! Information on developmental and lifespan changes offers insight on the challenges experienced by patients, families, and caregivers and strategies for effective age-appropriate interactions. - UPDATED! Comprehensive, evidence-based content provides the most current information and strategies for being an effective and compassionate health professional. - Authentic patient cases and scenarios drawn from contemporary practice demonstrate strategies and tools for effective communication and collaboration with patients and colleagues in a wide range of healthcare settings. - Reflections Questions throughout the text challenge you to apply critical thinking skills and personal experience to different scenarios. - Questions for Thought and Discussion at the end of the book help you apply your knowledge to a variety of situations. - Extensive, updated references ensure content is current and applicable to today's clinical practice.
