People Magazine Crossword Answers: Your Ultimate Guide to Solving Those Tricky Clues

Are you a crossword puzzle enthusiast who regularly tackles the brain-teasing challenges presented by People Magazine? Do you find yourself stumped by a particularly elusive clue, leaving you staring blankly at the grid? You're not alone! Many crossword solvers, even experienced ones, occasionally need a little help navigating the tricky wordplay and celebrity-centric clues found in People Magazine's puzzles. This comprehensive guide is designed to be your ultimate resource, providing strategies, tips, and even a directory of solutions to help you conquer those People Magazine crossword answers once and for all. We'll cover everything from understanding clue types to utilizing online resources, ultimately empowering you to become a crossword-solving champion.

Understanding the Unique Challenges of People Magazine Crosswords

People Magazine crosswords often incorporate a unique blend of general knowledge and pop culture references, particularly focusing on celebrities, entertainment news, and current events related to the entertainment industry. This makes them both challenging and rewarding. Unlike some crosswords that rely heavily on obscure vocabulary, People Magazine puzzles tend to utilize more common words, but the clues themselves require a deeper understanding of pop culture trends.

Here are some key characteristics to consider:

Celebrity Focus: Expect a significant number of clues related to actors, singers, musicians, athletes, and other public figures. Knowing current events and the careers of famous people is crucial.

Entertainment-Based Clues: Clues often relate to movies, TV shows, music albums, books, and other entertainment-related topics. Staying up-to-date on popular culture is beneficial.

Wordplay and Puns: People Magazine crosswords frequently utilize wordplay and puns, adding another layer of complexity to solving the puzzle. Learning to identify these techniques is key.

Common Words, Clever Clues: The words themselves are often relatively common, but the clues are cleverly constructed to test your knowledge and reasoning abilities.

Strategies for Tackling People Magazine Crossword Clues

Successfully solving People Magazine crosswords involves a multi-pronged approach. Here are some effective strategies:

Start with the Easy Clues: Begin by tackling the clues you find easiest. This will help you fill in some of the grid, providing a framework for solving the more challenging clues. Short words and common names are usually good starting points.

Pay Close Attention to the Clue Length: The number of spaces allotted for an answer is crucial. This immediately limits the possibilities.

Consider Different Interpretations: Don't be afraid to think outside the box. Crossword clues often have multiple meanings or involve puns.

Use the Cross-References: The intersecting letters provide valuable hints. If you're unsure of one answer, see if the intersecting letters help you deduce the answer to a related clue.

Utilize Online Resources (Responsibly): While we encourage solving independently, there are times when you need a little assistance. Reputable online crossword solvers can offer guidance without spoiling the entire puzzle. Use these sparingly and only when truly stuck.

Learn Common Crossword Abbreviations: Familiarize yourself with common abbreviations used in crossword puzzles, such as "St." for Street, "Ave." for Avenue, and so on. This will help you decipher clues more efficiently.

Utilizing Online Resources for People Magazine Crossword Answers

While independent problem-solving is encouraged, online resources can prove invaluable when you encounter particularly stubborn clues. However, exercise caution: avoid sites that provide complete solutions without any effort on your part. Responsible use involves using hints sparingly and focusing on understanding the why behind the answer, not just the answer itself.

Several websites and forums cater to crossword enthusiasts, offering discussions, hints, and sometimes partial solutions. Remember to search for "People Magazine crossword answers [date]" to find the specific puzzle you are working on. The date is crucial as puzzles change regularly.

Beyond the Answers: Improving Your Crossword Solving Skills

Mastering People Magazine crosswords is not just about finding the answers; it's about enhancing your overall crossword-solving skills. Here are some tips to improve your abilities:

Read Widely: Expand your knowledge base by reading newspapers, magazines, and books.

The more you read, the more familiar you'll become with various subjects and vocabulary.

Practice Regularly: Consistent practice is key to improving your skills. Try solving different types of crosswords to broaden your experience.

Learn from Your Mistakes: When you get a clue wrong, analyze why. This will help you avoid making the same mistake again.

Join a Crossword Community: Connecting with other crossword enthusiasts can provide valuable insights, strategies, and support.

Example of a Structured Approach to Solving a People Magazine Crossword:

Let's say you encounter the clue: "Singer of 'Shake It Off'" (5 letters).

1. Clue Analysis: You immediately recognize this is about a singer and a popular song.
2. Initial Guess: You might guess "Taylor," based on your knowledge of popular music.
3. Cross-Checking: If the intersecting letters don't match, you reconsider.
4. Alternative Approaches: If "Taylor" doesn't fit, you might brainstorm other popular singers known for upbeat songs.
5. Utilizing Resources (if needed): If you are truly stumped, you could subtly search for "singer shake it off crossword clue" to get a hint without seeing the full answer.

Conclusion: Embrace the Challenge, Enjoy the Victory

Solving People Magazine crosswords is a rewarding intellectual exercise. By using the strategies and resources outlined in this guide, you'll be better equipped to tackle even the most challenging clues. Remember, persistence and a willingness to learn are crucial to success. Enjoy the process of discovery, and celebrate each correctly solved puzzle!

Article Outline: People Magazine Crossword Answers

By: Alex Johnson

Introduction: Hooking the reader with a relatable scenario and outlining the guide's contents.

Chapter 1: Understanding the Unique Challenges: Exploring the specific characteristics of People Magazine crosswords, such as their celebrity focus and clever wordplay.

Chapter 4: Improving Your Crossword Solving Skills: Providing tips for developing broader crossword-solving skills.

Chapter 5: Example Solution: Walking through a specific example to illustrate the problem-solving process.

Conclusion: Encouraging readers to embrace the challenge and enjoy the rewards of solving crosswords.

FAQs: Addressing common questions related to People Magazine crosswords.

Related Articles: Listing related articles with brief descriptions.

(Each chapter would then be elaborated upon, as detailed above in the article itself.)

FAQs

1. Where can I find People Magazine crosswords online? People Magazine's website and various online puzzle platforms may offer their crosswords. Check their websites or app stores.
1. What if I'm completely stuck on a clue? Use online resources sparingly, focusing on hints rather than full answers. Try to deduce the answer based on the intersecting letters.
1. Are there any apps to help solve People Magazine crosswords? Some crossword-solving apps may offer assistance, though complete solutions might require a subscription.
1. How often do the People Magazine crosswords change? Typically, new puzzles appear weekly or on a regular schedule, so the date of the puzzle is key.
1. Are there different difficulty levels? While not explicitly labeled, some People Magazine crosswords might be more challenging than others depending on the theme or current events referenced.
1. Can I submit corrections if I find an error in a clue or answer? Contact People Magazine directly through their website or customer service channels.
1. Are there any communities dedicated to solving People Magazine crosswords? You may find discussions and help on various online forums dedicated to crosswords.
1. What are some common abbreviations used in People Magazine crosswords? Standard crossword abbreviations such as "St.", "Ave.", "Mr.", "Mrs." etc. are common.

1. How can I improve my vocabulary for crossword puzzles? Read widely, use vocabulary-building apps, and learn root words and prefixes/suffixes.

people magazine crossword answers: Thinking Inside the Box Adrienne Raphel, 2020-03-17 'Beautifully researched account, full of humour and personal insight' David Crystal, author of Making Sense: The Glamorous Story of English Grammar 'A witty, wise, and wonderfully weird journey that will change the way you think . . . This book is a delight' Bianca Bosker, author of

Cork Dork: A Wine-Fueled Adventure Among the Obsessive Sommeliers, Big Bottle Hunters, and Rogue Scientists Who Taught Me to Live for Taste 'Delightfully engrossing, charmingly and enthusiastically well-written history of the crossword puzzle' Benjamin Dreyer, author of Dreyer's English: An Utterly Correct Guide to Clarity and Style 'Full of treasures, surprises and fun . . . richly bringing to life the quirky, obsessive, fascinating characters in the crossword world' Mary Pilon, author of The Monopolists: Obsession, Fury, and the Scandal Behind the World's Favorite Board Game 'A gold mine of revelations. If there is a pantheon of cruciverbalist scholars, Adrienne Raphel has established herself squarely within it' Mary Norris, author of Between You & Me: Confessions of a Comma Queen Equal parts ingenious and fun, Thinking Inside the Box is a love letter to the infinite joys and playful possibilities of language, a treat for die-hard cruciverbalists and first-time crossword solvers alike. The crossword is a feature of the modern world, inspiring daily devotion and obsession from millions. It was invented in 1913, almost by accident, when an editor at the New York World was casting around for something to fill some empty column space for that year's Christmas edition. Almost overnight, crosswords became a phenomenal commercial success, and have been an essential ingredient of any newspaper worth its salt since then. Indeed, paradoxically, the popularity of crosswords has never been greater, even as the world of media and newspapers, the crossword's natural habitat, has undergone a dramatic digital transformation. But why, exactly, are the satisfactions of a crossword so sweet that over the decades they have become a fixture of breakfast tables, bedside tables and commutes, and even given rise to competitive crossword tournaments? Blending first-person reporting from the world of crosswords with a delightful telling of the crossword's rich literary history, Adrienne Raphel dives into the secrets of this classic pastime. At the annual American Crossword Puzzle Tournament, she rubs shoulders with elite solvers from all over the world, doing her level best to hold her own; aboard a crossword-themed cruise she picks the brains of the enthusiasts whose idea of a good time is a week on the high seas with nothing to do but crosswords; and, visiting the home and office of Will Shortz, New York Times crossword puzzle editor and US National Public Radio's official Puzzlemaster, she goes behind the scenes to see for herself how the world's gold standard of puzzles is made.

people magazine crossword answers: Between the World and Me Ta-Nehisi Coates, 2015-07-14 #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of

“race,” a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates’s attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children’s lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

people magazine crossword answers: The New York Times Pop Culture Crosswords The New York Times, Will Shortz, 2011-07-19 75 hip, happening crosswords! people magazine crossword answers: The Puzzler A.J. Jacobs, 2022-04-26 The New York Times bestselling author of *The Year of Living Biblically* goes on a rollicking journey to understand the enduring power of puzzles: why we love them, what they do to our brains, and how they can improve our world. “Even though I’ve never attempted the New York Times crossword puzzle or solved the Rubik’s Cube, I couldn’t put down *The Puzzler*.”—Gretchen Rubin, author of *The Happiness Project* and *Better Than Before* Look for the author’s new podcast, *The Puzzler*, based on this book! What makes puzzles—jigsaws, mazes, riddles, sudokus—so satisfying? Be it the formation of new cerebral pathways, their close link to insight and humor, or their community-building properties, they’re among the fundamental elements that make us human. Convinced that puzzles have made him a better person, A.J. Jacobs—four-time New York Times bestselling author, master of immersion journalism, and nightly crossword—set out to determine their myriad benefits. And maybe, in the process, solve the puzzle of our very existence. Well, almost. In *The Puzzler*, Jacobs meets the most zealous devotees, enters (sometimes with his family in tow) any puzzle competition that will have him, unpacks the history of the most popular puzzles, and aims to solve the most impossible head-scratchers, from a mutant Rubik’s Cube, to the hardest corn maze in America, to the most sadistic jigsaw. Chock-full of unforgettable adventures and original examples from around the world—including new work by Greg Pliska, one of America’s top puzzle-makers, and a hidden, super-challenging but solvable puzzle—*The Puzzler* will open readers’ eyes to the power of flexible thinking and concentration. Whether you’re puzzle obsessed or puzzle hesitant, you’ll walk away with real problem-solving strategies and pathways toward becoming a better thinker and decision maker—for these are certainly puzzling times.

people magazine crossword answers: *The Day That Shook America* J. Samuel Walker, 2023-06-16 On September 11, 2001, author J. Samuel Walker was far from home when he learned of the terrorist attacks on the World Trade Center and the Pentagon. Stricken by incredulity and anxiety, he found the phone lines jammed when he tried to call his wife, who worked in downtown Washington, DC. At the time and ever since, Walker, like many of his fellow Americans, was and remains troubled by questions about the disaster that occurred on 9/11. What were the purposes of the attacks? Why did US intelligence agencies and the Defense Department, with annual budgets in the hundreds of billions of dollars, fail to protect the country from a small band of terrorists who managed to hijack four airliners and take the lives of nearly three thousand American citizens? What did responsible government agencies and officials know about Al-Qaeda and why did they not do more to head off the threat it posed? What were American policies toward terrorism, especially under Presidents Bill Clinton and George W. Bush, and why did they fall so far short of defending against a series of attacks? Finally, was the tragedy of 9/11 preventable? These are the most important questions that *The Day That Shook America: A Concise History of 9/11* tries to answer. *The Day That Shook America* offers a long perspective and draws on recently opened records to provide an in-depth analysis of the approaches taken by the Clinton and Bush administrations toward terrorism in general and Al-Qaeda in particular. It also delivers arresting new details on the four hijackings and the collapse of the twin towers. J. Samuel Walker covers both the human drama and the public policy dimensions of one of the most important events in all of US history, and he does so in a way that is both comprehensive and concise.

people magazine crossword answers: *Losing It* Valerie Bertinelli, 2008-02-25 Valerie Bertinelli, then: bubbly sitcom star and America's Sweetheart turned tabloid headline and rock star wife. Now: actress, single working mother of teenage rock star, and weight-loss inspiration to millions. We all knew and loved Valerie Bertinelli years ago when she played girl-next-door cutie Barbara Cooper in the hit TV show *One Day at a Time*, and then starred in numerous TV movies. From wholesome primetime in America's living rooms, Valerie moved to late nights with the hardest-partying band of the decadent eighties when she became, at twenty, wife to rock guitarist Eddie Van Halen. *Losing It* is Valerie's frank account of her life backstage and in the spotlight. Here are the ups and downs of teen stardom, of her complicated marriage to a brilliant, tormented musical genius, and of her very public struggle with her weight. Surprising, uplifting, and empowering, *Losing It* takes you behind the scenes of Valerie's acting career and marriage, recalling the comforts, friendships, and problems of her television family, her close relationships with her parents and brothers, the stress and worries of being the wife of a rock star, and the joys of motherhood. Like many women, Valerie often remembers the state of her life by the food she ate and the numbers on her scale. So despite her celebrity, Valerie's voice is so down-to-earth, honest, and appealing that you'll feel as if you're talking with a girlfriend over coffee. Funny and candid, Valerie recounts her attempts to maintain a healthy self-image while dealing with social pressures to look and act a certain way, and to overcome career insecurities and relationship problems, all of which will be familiar to the hundreds of thousands of women who struggle every day with these same issues. From marital turmoil to the joys of a new career, from being named among Penthouse's ten sexiest women in the world to overhearing whispers about her weight gain in the grocery store, this is Valerie's inspiring journey as she finds new love, raises a terrific kid, and motivates other women as a spokesperson for Jenny Craig.

people magazine crossword answers: The WEIRDest People in the World Joseph Henrich, 2020-09-08 A New York Times Notable Book of 2020 A Bloomberg Best Non-Fiction Book of 2020 A Behavioral Scientist Notable Book of 2020 A Human Behavior & Evolution Society Must-Read Popular Evolution Book of 2020 A bold, epic account of how the co-evolution of psychology and culture created the peculiar Western mind that has profoundly shaped the modern world. Perhaps you are WEIRD: raised in a society that is Western, Educated, Industrialized, Rich, and Democratic. If so, you're rather psychologically peculiar. Unlike much of the world today, and most people who have ever lived, WEIRD people are highly individualistic, self-obsessed, control-oriented, nonconformist, and analytical. They focus on themselves—their attributes, accomplishments, and aspirations—over their relationships and social roles. How did WEIRD populations become so psychologically distinct? What role did these psychological differences play in the industrial revolution and the global expansion of Europe during the last few centuries? In *The WEIRDest People in the World*, Joseph Henrich draws on cutting-edge research in anthropology, psychology, economics, and evolutionary biology to explore these questions and more. He illuminates the origins and evolution of family structures, marriage, and religion, and the profound impact these cultural transformations had on human psychology. Mapping these shifts through ancient history and late antiquity, Henrich reveals that the most fundamental institutions of kinship and marriage changed dramatically under pressure from the Roman Catholic Church. It was these changes that gave rise to the WEIRD psychology that would coevolve with impersonal markets, occupational specialization, and free competition—laying the foundation for the modern world. Provocative and engaging in both its broad scope and its surprising details, *The WEIRDest People in the World* explores how culture, institutions, and psychology shape one another, and explains what this means for both our most personal sense of who we are as individuals and also the large-scale social, political, and economic forces that drive human history. Includes black-and-white illustrations.

people magazine crossword answers: The Psychopath Test Jon Ronson, 2011-06-03 What if society wasn't fundamentally rational, but was motivated by insanity? This thought sets Jon Ronson on an utterly compelling adventure into the world of madness. Along the way, Jon meets psychopaths, those whose lives have been touched by madness and those whose job it is to diagnose it, including the influential psychologist who developed the Psychopath Test, from whom Jon learns the art of psychopath-spotting. A skill which seemingly reveals that madness could indeed be at the heart of everything . . . Combining Jon Ronson's trademark humour, charm and investigative incision, *The Psychopath Test* is both entertaining and honest, unearthing dangerous truths and asking serious questions about how we define normality in a world where we are increasingly judged by our maddest edges. 'The belly laughs come thick and fast - my God, he is funny . . . provocative and interesting' - Observer

people magazine crossword answers: Forest Bathing Dr. Qing Li, 2018-04-17 The definitive--and by far the most popular--guide to the therapeutic Japanese practice of shinrin-yoku, or the art and science of how trees can promote health and happiness Notice how a tree sways in the wind. Run your hands over its bark. Take in its citrusy scent. As a society we suffer from nature deficit disorder, but studies have shown that spending mindful, intentional time around trees--what the Japanese call shinrin-yoku, or forest bathing--can promote health and happiness. In this beautiful book--featuring more than 100 color photographs from forests around the world, including the forest therapy trails that criss-cross Japan--Dr. Qing Li, the world's foremost expert in forest medicine, shows how forest bathing can reduce your stress levels and blood pressure, strengthen your immune

and cardiovascular systems, boost your energy, mood, creativity, and concentration, and even help you lose weight and live longer. Once you've discovered the healing power of trees, you can lose yourself in the beauty of your surroundings, leave everyday stress behind, and reach a place of greater calm and wellness.

people magazine crossword answers: The New Jim Crow Michelle Alexander, 2020-01-07 One of the New York Times's Best Books of the 21st Century Named one of the most important nonfiction books of the 21st century by Entertainment Weekly, Slate, Chronicle of Higher Education, Literary Hub, Book Riot, and Zora A tenth-anniversary edition of the iconic bestseller—one of the most influential books of the past 20 years, according to the Chronicle of Higher Education—with a new preface by the author It is in no small part thanks to Alexander's account that civil rights organizations such as Black Lives Matter have focused so much of their energy on the criminal justice system. —Adam Shatz, London Review of Books Seldom does a book have the impact of Michelle Alexander's *The New Jim Crow*. Since it was first published in 2010, it has been cited in judicial decisions and has been adopted in campus-wide and community-wide reads; it helped inspire the creation of the Marshall Project and the new \$100 million Art for Justice Fund; it has been the winner of numerous prizes, including the prestigious NAACP Image Award; and it has spent nearly 250 weeks on the New York Times bestseller list. Most important of all, it has spawned a whole generation of criminal justice reform activists and organizations motivated by Michelle Alexander's unforgettable argument that we have not ended racial caste in America; we have merely redesigned it. As the Birmingham News proclaimed, it is undoubtedly the most important book published in this century about the U.S. Now, ten years after it was first published, The New Press is proud to issue a tenth-anniversary edition with a new preface by Michelle Alexander that discusses the impact the book has had and the state of the criminal justice reform movement today.

people magazine crossword answers: Crossworld Marc Romano, 2005-06-14 Sixty-four million people do it at least once a week. Nabokov wrote about it. Bill Clinton even did it in the White House. The crossword puzzle has arguably been our national obsession since its birth almost a century ago. Now, in *Crossworld*, writer, translator, and lifelong puzzler Marc Romano goes where no Number 2 pencil has gone before, as he delves into the minds of the world's cleverest crossword creators and puzzlers, and sets out on his own quest to join their ranks. While covering the American Crossword Puzzle Tournament for the Boston Globe, Romano was amazed by the skill of the competitors and astonished by the cast of characters he came across—like Will Shortz, beloved editor of the New York Times puzzle and the only academically accredited “enigmatologist” (puzzle scholar); Stanley Newman, Newsday's puzzle editor and the fastest solver in the world; and Brendan Emmett Quigley, the wickedly gifted puzzle constructor and the Virgil to Marc's Dante in his travels through the crossword inferno. Chronicling his own journey into the world of puzzling—even providing tips on how to improve crosswording skills—Romano tells the story of crosswords and word puzzles themselves, and of the colorful people who make them, solve them, and occasionally

become consumed by them. But saying this is a book about puzzles is to tell only half the story. It is also an explanation into what crosswords tell us about ourselves—about the world we live in, the cultures that nurture us, and the different ways we think and learn. If you're a puzzler, *Crossworld* will enthrall you. If you have no idea why your spouse send so much time filling letters into little white squares, *Crossworld* will tell you – and with luck, save your marriage. **CROSSWORLD |** by Marc Romano **ACROSS** 1. I am hopelessly addicted to the New York Times crossword puzzle. 2. Like many addicts, I was reluctant to admit I have a problem. 3. The hints I was heading for trouble came, at first, only occasionally. 4. The moments of panic when I realized that I might not get my fix on a given day. 5. The toll on relationships. 6. The strained friendships. 7. The lost hours I could have used to do something more productive. 8. It gets worse, too. **DOWN** 1. You're not just playing a game. 2. You're constantly broadening your intellectual horizons. 3. You spend a lot of time looking at and learning about the world around you. 4. You have to if you want to develop the accumulated store of factual information you'll need to get through a crossword puzzle. 5. Puzzle people are nice because they have to be. 6. The more you know about the world, the more you tend to give all things in it the benefit of the doubt before deciding if you like them or not. 7. I'm not saying that all crossword lovers are honest folk dripping with goodness. 8. I would say, though, that if I had to toss my keys and wallet to someone before jumping off a pier to save a drowning girl, I'd look for the fellow in the crowd with the daily crossword in his hand.

people magazine crossword answers: Roll with It Jamie Sumner, 2020-09 Twelve-year-old Ellie, who has cerebral palsy, finds her life transformed when she moves with her mother to small-town Oklahoma to help care for her grandfather, who has Alzheimer's Disease.

people magazine crossword answers: New York Crosswords Cathy Allis, The Editors of New York Magazine, 2019-06-04 From New York magazine, a spiral-bound collection of fifty recently published crosswords—plus a bonus one created by beloved American composer Stephen Sondheim, the magazine's original puzzle constructor, for its first issue in 1968. Every year, millions of people attempt to complete a crossword puzzle, whether in print or online. Recent studies have even shown that the actual number is growing, owing to a rising public desire for less screen time and more activities that keep brains active. A number of research trials have found that regular crossword activity is among the most effective ways to preserve memory and cognitive function, and a recent trial from the NIH found that these benefits can last as long as ten years. For fifty years, New York magazine has published some of the most entertaining, addictive crossword puzzles in America. This spiral-bound book collects fifty New York puzzles by master puzzle creator Cathy Allis; adds a classic from the New York archives, created by Stephen Sondheim in 1968; and puts them together with a covered spiral binding for easy, stay-flat solving and portability.

people magazine crossword answers: The Big Book of TV Guide Crosswords, #1 TV Guide Editors, 1993-01-27 All in one volume - -a colossal collection of favorite TV Guide crossword puzzles from the last four decades.

people magazine crossword answers: iGen Jean M. Twenge, 2017-08-22 As seen in Time, USA TODAY, The Atlantic, The Wall Street Journal, and on CBS This Morning, BBC, PBS, CNN, and NPR, iGen is crucial reading to understand how the children, teens, and young adults born in the mid-1990s and later are vastly different from their Millennial predecessors, and from any other

generation. With generational divides wider than ever, parents, educators, and employers have an urgent need to understand today's rising generation of teens and young adults. Born in the mid-1990s up to the mid-2000s, iGen is the first generation to spend their entire adolescence in the age of the smartphone. With social media and texting replacing other activities, iGen spends less time with their friends in person—perhaps contributing to their unprecedented levels of anxiety, depression, and loneliness. But technology is not the only thing that makes iGen distinct from every generation before them; they are also different in how they spend their time, how they behave, and in their attitudes toward religion, sexuality, and politics. They socialize in completely new ways, reject once sacred social taboos, and want different things from their lives and careers. More than previous generations, they are obsessed with safety, focused on tolerance, and have no patience for inequality. With the first members of iGen just graduating from college, we all need to understand them: friends and family need to look out for them; businesses must figure out how to recruit them and sell to them; colleges and universities must know how to educate and guide them. And members of iGen also need to understand themselves as they communicate with their elders and explain their views to their older peers. Because where iGen goes, so goes our nation—and the world.

people magazine crossword answers: The Beautiful Ones Prince, 2019-10-29 #1 NEW YORK TIMES BESTSELLER • The brilliant coming-of-age-and-into-superstardom story of one of the greatest artists of all time, in his own words—featuring never-before-seen photos, original scrapbooks and lyric sheets, and the exquisite memoir he began writing before his tragic death NAMED ONE OF THE BEST MUSIC BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND THE GUARDIAN • NOMINATED FOR THE NAACP IMAGE AWARD Prince was a musical genius, one of the most beloved, accomplished, and acclaimed musicians of our time. He was a startlingly original visionary with an imagination deep enough to whip up whole worlds, from the sexy, gritty funk paradise of “Uptown” to the mythical landscape of Purple Rain to the psychedelia of “Paisley Park.” But his most ambitious creative act was turning Prince Rogers Nelson, born in Minnesota, into Prince, one of the greatest pop stars of any era. The Beautiful Ones is the story of how Prince became Prince—a first-person account of a kid absorbing the world around him and then creating a persona, an artistic vision, and a life, before the hits and fame that would come to define him. The book is told in four parts. The first is the memoir Prince was writing before his tragic death, pages that bring us into his childhood world through his own lyrical prose. The second part takes us through Prince's early years as a musician, before his first album was released, via an evocative scrapbook of writing and photos. The third section shows us Prince's evolution through candid images that go up to the cusp of his greatest achievement, which we see in the book's fourth section: his original handwritten treatment for Purple Rain—the final stage in Prince's self-creation, where he retells the autobiography of the first three parts as a heroic journey. The book is framed by editor Dan Piepenbring's riveting and moving introduction about his profound collaboration with Prince in his final months—a time when Prince was thinking deeply about how to reveal more of himself and his ideas to the world, while retaining the mystery and mystique he'd so carefully cultivated—and annotations that provide context to the book's images. This work is not just a tribute to an icon, but an original and energizing literary work in its own right, full of Prince's ideas and vision, his voice and image—his undying gift to the world.
