Planet Fitness Wellness Pod Locations: Your Guide to Finding Relaxation Near You

Finding a moment of peace and relaxation in today's hectic world can feel impossible. But what if escaping the stress was as easy as stepping into a tranquil pod? Planet Fitness, known for its affordable gym memberships, is expanding its offerings to include Wellness Pods – offering a haven of tranquility and rejuvenation. This comprehensive guide will help you locate Planet Fitness Wellness Pod locations, understand what they offer, and determine if this unique service is right for you. We'll cover everything from searching online to finding the closest pod to your home or workplace.

Understanding Planet Fitness Wellness Pods

Before diving into the location hunt, let's clarify what a Planet Fitness Wellness Pod is. These aren't just any old massage chairs. These pods are designed to provide a holistic wellness experience, often incorporating features like:

Chromotherapy: Using different colored lights to promote relaxation and mood elevation.

Sound Therapy: Soothing soundscapes designed to reduce stress and improve mental clarity.

Heat and Vibration Therapy: Gentle heat and vibrations to relieve muscle tension and promote circulation.

A Private, Enclosed Space: Offering a sanctuary away from the hustle and bustle of the gym.

The exact features may vary slightly depending on the location and the specific pod model, but the core goal remains the same: to provide a quick, effective, and convenient way to de-stress and recharge.

Finding Planet Fitness Wellness Pod Locations: A Step-by-Step Guide

Unfortunately, Planet Fitness doesn't have a centralized, easily searchable map for Wellness Pods. This makes finding them a bit more of a detective game, but fear not! Here's a breakdown of how to successfully locate these relaxing oases:

1. Planet Fitness Website Search: Start by visiting the official Planet Fitness website. While they don't have a dedicated "Wellness Pod Locator," you can use their club finder. Enter your zip code or city and state. Once you get a list of nearby Planet Fitness locations, carefully examine each club's individual page. Many locations will specify additional amenities offered, including the presence of Wellness Pods. Look for phrases like "Wellness Pod," "Massage Pods," "Sensory Pods," or similar wording in the amenities section.

1. **Direct Contact:** If the website doesn't provide clear information, don't hesitate to contact the Planet Fitness locations directly. A quick phone call or email inquiry is the most reliable way to confirm the availability of Wellness Pods at a particular gym.
1. **Google Maps and Search Engine Optimization:** Leverage the power of Google Maps. Search for "Planet Fitness Wellness Pod [your city/state]" or similar variations. Google's search algorithm often indexes information from various sources, including business listings and reviews, which can reveal locations offering this service. Remember to refine your search by adding your city, state, or neighborhood for more precise results. Local SEO tactics employed by Planet Fitness locations may also result in their listings appearing higher in search results when you utilize precise geographic terms.
1. **Social Media:** Check Planet Fitness' social media pages (Facebook, Instagram, etc.). They often announce new amenities and promotions, including the introduction of Wellness Pods at specific locations. You may also find reviews and comments from members who've used the pods at particular clubs.
1. **Online Reviews and Forums:** Websites like Yelp, Google Reviews, and fitness forums can provide valuable user-generated content. Look for reviews mentioning Wellness Pods at specific Planet Fitness locations. This can be a great way to uncover hidden gems and get an insider's perspective on the pod experience.

Tips for Maximizing Your Wellness Pod Experience

Once you've located a Planet Fitness with Wellness Pods, here's how to make the most of your relaxation session:

Check Availability: Many gyms operate on a first-come, first-served basis for Wellness Pods. Calling ahead to reserve your time slot, especially during peak hours, can ensure you get to enjoy the experience without waiting.

Read the Instructions: Each pod may have specific instructions on how to operate the features and maximize the benefits. Take a moment to familiarize yourself with the controls before starting your session.

Dress Comfortably: Wear loose, comfortable clothing appropriate for relaxation.

Leave Your Phone Behind (Or On Silent): Completely disconnect from the outside world and immerse yourself in the peaceful atmosphere.

Beyond Planet Fitness: Other Wellness Pod Options

While Planet Fitness is expanding its wellness offerings, other fitness centers and even standalone wellness studios may offer similar services. If you're having trouble finding a Planet Fitness location with Wellness Pods, broaden your search to include other fitness facilities or wellness spas in your area.

Conclusion

Finding a Planet Fitness location with Wellness Pods requires a little legwork, but the potential relaxation and rejuvenation make it worthwhile. By following the steps outlined above, you'll significantly increase your chances of discovering a tranquil escape near you. Remember to be persistent, utilize multiple search methods, and don't hesitate to reach out directly to Planet Fitness locations for the most accurate information. Your journey to a calmer, more centered you starts with a simple search!

planet fitness wellness pod locations: Healthier Together Liz Moody, 2019-04-09 A healthy cookbook to share with a partner, featuring more than 100 recipes designed to nourish your bodies and souls. An Epicurious Best Cookbook for Spring • “Healthier Together focuses on real whole foods and bringing community together.”—Kelly LeVeque, celebrity nutritionist and bestselling author of *Body Love Food* writer and health blogger Liz Moody once followed trendy diets and ate solely for fuel, not for flavor. That changed when she met her soon-to-be-boyfriend and they started cooking nutrient- and vegetable-rich meals. She not only fell in love with food again, but she also discovered that setting goals and sticking to them is easier and more gratifying when paired with someone else. Mincing garlic and sautéing onions together eventually led the couple to marriage—proving that good food really is the universal connector! These 100+ flavor-packed recipes are designed to be cooked and enjoyed by two people, plus they’re all gluten-free, dairy-free, and plant-centered. They include homemade alternatives for all the foods you love to share, such as brunch, takeout, and sweet treats. Indulge in Cardamom Banana Bread Pancakes with Candied Coffee Walnuts, Cornflake “Fried” Chicken, General Tso’s Cauliflower, and Chocolate Tahini Brownie Bites. Pick your partner—near or far—and get ready to get healthy. Praise for *Healthier Together* “This cookbook is one you’ll be reaching for time and time again when you need healthy food that is satisfying and delicious.”—Tieghan Gerard “Liz Moody offers heaps of tasty recipes packed with great ingredients.”—Real Simple “Healthier Together is a brilliant concept! Cooking with a friend/partner/mom is so much better than cooking alone, plus having a partner will keep you both accountable on your healthy eating journey.”—Gina Homolka “Liz does an amazing job helping you make delicious food in a way that is both feasible and fun.”—Rachel Mansfield “Liz’s book overflows with food made to share, healthy but with all the comfort and flavor that brings happy people around the table.”—Daphne Oz “Liz’s message is profound, yet so simple . . . you need to have both whole foods and whole, real relationships to truly be healthy and happy. This book makes eating healthy a celebration, not a sacrifice, and it brings an arsenal of fresh and flavorful recipes that are fun to make and eat!”—Jeanine Donofrio

planet fitness wellness pod locations: Beauty Sick Renee Engeln, PhD, 2017-04-18 “[*Beauty Sick*] will blow the top off the body image movement...provocative and necessary.” — *Rebellious Magazine* An award-winning psychology professor reveals how the cultural obsession with women's appearance is an epidemic that harms women's ability to get ahead and to live happy, meaningful lives, in this powerful, eye-opening work in the vein of Peggy Orenstein and Sheryl Sandberg. Today’s young women face a bewildering set of contradictions when it comes to beauty. They don’t want to be Barbie dolls but, like generations of women before them, are told they must look like them. They’re angry about the media’s treatment of women but hungrily consume the outlets that belittle them. They mock modern culture’s absurd beauty ideal and make videos exposing Photoshopping tricks, but feel pressured to emulate the same images they criticize by posing with a skinny arm. They understand that what they see isn’t real but still download apps to airbrush their

selfies. Yet these same young women are fierce fighters for the issues they care about. They are ready to fight back against their beauty-sick culture and create a different world for themselves, but they need a way forward. In *Beauty Sick*, Dr. Renee Engeln, whose TEDx talk on beauty sickness has received more than 250,000 views, reveals the shocking consequences of our obsession with girls' appearance on their emotional and physical health and their wallets and ambitions, including depression, eating disorders, disruptions in cognitive processing, and lost money and time. Combining scientific studies with the voices of real women of all ages, she makes clear that to truly fulfill their potential, we must break free from cultural forces that feed destructive desires, attitudes, and words—from fat-shaming to denigrating commentary about other women. She provides inspiration and workable solutions to help girls and women overcome negative attitudes and embrace their whole selves, to transform their lives, claim the futures they deserve, and, ultimately, change their world.

planet fitness wellness pod locations: The Body Is Not an Apology Sonya Renee Taylor, 2018-02-13 *The Body Is Not an Apology* The Power of Radical Self-Love Against a global backdrop of war, social upheaval, and personal despair, there is a growing sense of urgency to challenge the systems of oppression that dehumanize bodies and strip us of our shared humanity. Rather than feel helpless in the face of oppression, world-renowned activist, performance poet, and author Sonya Renee Taylor teaches us how to turn to the power of radical self-love in her new book, *The Body Is Not an Apology*. Radical self-love is the guiding framework that transforms the learned self-hatred of our bodies and the prejudices we have about other people's bodies into a vision of compassion, equity, and justice. In a revolutionary departure from the corporate self-help and body-positivity movement, Taylor forges the inextricable bond between radical self-love and social justice. The first step is recognizing that we have all been indoctrinated into a system of body shame that profits off of our self-hatred. When we ask ourselves, Who benefits from our collective shame? we can begin to make the distinction between the messages we are receiving about our bodies or other bodies and the truth. This book moves us beyond our all-too-often hidden lives, where we are easily encouraged to forget that we are whole humans having whole human experiences in our bodies alongside others. Radical self-love encourages us to embark on a personal journey of transformation with thoughtful reflection on the origins of our minds and bodies as a source of strength. In doing this, we not only learn to reject negative messages about ourselves but begin to thwart the very power structures that uphold them. Systems of oppression thrive off of our inability to make peace with bodies and difference. Radical self-love not only dismantles shame and self-loathing in us but has the power to dismantle global systems of injustice—because when we make peace with our bodies, only then do we have the capacity to truly make peace with the bodies of others

planet fitness wellness pod locations: The Circle Dave Eggers, 2013-10-08 INTERNATIONAL BESTSELLER • A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world's most powerful internet company, she feels she's been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users' personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company's modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can't believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman's ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

planet fitness wellness pod locations: Pure Rose Bret  cher, 2016-04-07 Now a major Channel 4 series Rose Cartwright has OCD, but not as you know it. Pure is the true story of her ten-year struggle with 'Pure O', a little-known form of the condition, which causes her to experience intrusive sexual thoughts of shocking intensity. It is a brave and frequently hilarious account of a woman who refused to give up, despite being undermined at every turn by her obsessions and enduring years of misdiagnosis and failed therapies. Eventually, the love of family and friends, and Rose's own courage and sense of humour prevailed, inspiring this deeply felt and beautifully written memoir. At its core is a lesson for all of us: when it comes to being happy with who we are, there are no neat conclusions.

Fall in love with the out-of-this-world romance between Georgie Carruthers, a human woman, and Vektal, an alien from another planet, in this expanded edition with bonus materials and an exclusive epilogue—in print only! You'd think being abducted by aliens would be the worst thing that could happen to me. And you'd be wrong. Because now the aliens are having ship trouble, and they've left their cargo of human women—including me—on an ice planet. We're not equipped for life in this desolate winter wasteland. Since I'm the unofficial leader, I head out into the snow to look for help. I

find help all right. A big blue horned alien introduces himself in a rather . . . startling way. Vektal says that I'm his mate, his chosen female—and that the reason his chest is purring is because of my presence. He'll help me and my people survive, but this poses a new problem. If Vektal helps us survive, I'm not sure he's going to want to let me go.

planet fitness wellness pod locations: Wellbeing, Recovery and Mental Health Mike Slade, Lindsay Oades, Aaron Jarden, 2017-02-01 This book brings together two bodies of knowledge - wellbeing and recovery. Wellbeing and 'positive' approaches are increasingly influencing many areas of society. Recovery in mental illness has a growing empirical evidence base. For the first time, overlaps and cross-fertilisation opportunities between the two bodies of knowledge are identified. International experts present innovations taking place within the mental health system, which include wellbeing-informed new therapies, e-health approaches and peer-led recovery communities. State-of-the-art applications of wellbeing to the wider community are also described, across education, employment, parenting and city planning. This book will be of interest to anyone connected with the mental health system, especially people using and working in services, and clinical and administrators leaders, and those interested in using research from the mental health system in the wider community.

planet fitness wellness pod locations: Lifespan David A. Sinclair, Matthew D. LaPlante, 2019-09-10 A NEW YORK TIMES BESTSELLER "Brilliant and enthralling." —The Wall Street Journal A paradigm-shifting book from an acclaimed Harvard Medical School scientist and one of Time's most influential people. It's a seemingly undeniable truth that aging is inevitable. But what if everything we've been taught to believe about aging is wrong? What if we could choose our lifespan? In this groundbreaking book, Dr. David Sinclair, leading world authority on genetics and longevity, reveals a bold new theory for why we age. As he writes: "Aging is a disease, and that disease is treatable." This eye-opening and provocative work takes us to the frontlines of research that is pushing the boundaries on our perceived scientific limitations, revealing incredible breakthroughs—many from Dr. David Sinclair's own lab at Harvard—that demonstrate how we can slow down, or even reverse, aging. The key is activating newly discovered vitality genes, the descendants of an ancient genetic survival circuit that is both the cause of aging and the key to

reversing it. Recent experiments in genetic reprogramming suggest that in the near future we may not just be able to feel younger, but actually become younger. Through a page-turning narrative, Dr. Sinclair invites you into the process of scientific discovery and reveals the emerging technologies and simple lifestyle changes—such as intermittent fasting, cold exposure, exercising with the right intensity, and eating less meat—that have been shown to help us live younger and healthier for longer. At once a roadmap for taking charge of our own health destiny and a bold new vision for the future of humankind, *Lifespan* will forever change the way we think about why we age and what we can do about it.

planet fitness wellness pod locations: Primal Endurance Mark Sisson, Brad Kearns, 2016-01-04 Primal Endurance shakes up the status quo and challenges the overly stressful, ineffective conventional approach to endurance training. While marathons and triathlons are wildly popular and bring much gratification and camaraderie to the participants, the majority of athletes are too slow, continually tired, and carry too much body fat relative to the time they devote to training. The prevailing chronic cardio approach promotes carbohydrate dependency, overly stressful lifestyle patterns, and ultimately burnout. Mark Sisson, author of the 2009 bestseller, *The Primal Blueprint*, and de-facto leader of the primal/paleo lifestyle movement, expertly applies primal lifestyle principles to the unique challenge of endurance training and racing. Unlike the many instant and self-anointed experts who have descended upon the endurance scene in recent years, Sisson and his co-author/business partner Brad Kearns boast a rich history in endurance sports. Sisson has a 2:18 marathon and 4th place Hawaii Ironman finish to his credit, has spearheaded triathlon's global anti-doping program for the International Triathlon Union, and has coached/advised leading professional athletes, including Olympic triathlon gold and silver medalist Simon Whitfield and Tour de France cyclist Dave Zabriskie. Under Sisson's guidance, Kearns won multiple national championships in duathlon and triathlon, and rose to a #3 world triathlon ranking in 1991. Primal Endurance applies an all-encompassing approach to endurance training that includes primal-aligned eating to escape carbohydrate dependency and enhance fat metabolism, building an aerobic base with comfortably paced workouts, strategically introducing high intensity strength and sprint workouts, emphasizing rest, recovery, and an annual periodization, and finally cultivating an intuitive approach to training instead of the usual robotic approach of fixed weekly workout schedules. When you go Primal as an endurance athlete, you can expect to enjoy these and other benefits in short order: Easily reduce excess body fat and keep it off permanently, even during periods of reduced training Perform better by reprogramming your genes to burn fat and spare glycogen during sustained endurance efforts Avoid overtraining, burnout, illness, and injury by improving your balance of stress and rest, both in training and everyday life Spend fewer total hours training and get more return on investment with periodized and purposeful workout patterns Have more fun, be more spontaneous, and break free from the pull of the obsessive/compulsive mindset that is common among highly motivated, goal-oriented endurance athletes Have more energy and better focus during daily life instead of suffering from the active couch potato syndrome, with cumulative fatigue from incessant heavy training makes you lazy and sluggish Primal Endurance is about slowing down, balancing out, chilling out, and having more fun with your endurance pursuits. It's about building your health through sensible training patterns, instead of destroying your health through chronic training patterns. While it might be hard to believe at first glance, you can actually get faster by backing off from the overly aggressive and overly regimented Type-A training approach that prevails in today's endurance community. Primal Endurance will show you how, every step of the way.

planet fitness wellness pod locations: *Client Earth* James Thornton, Martin Goodman, 2017-05-11 Environmentally, our planet lacks the laws to keep it safe and those laws we do have are feebly enforced. Every new year is the hottest in human history, while forest, reef, ice, tundra, and species are disappearing forever. It is easy to lose all hope. Who will stop the planet from committing ecological suicide? The UN? Governments? Activists? Corporations? Engineers? Scientists? Whoever, environmental laws need to be enforceable and enforced. Step forward a fresh breed of passionately purposeful environmental lawyers. They provide new rules to legislatures, see that they are enforced, and keep us informed. They tackle big business to ensure money flows into cultural change, because money is the grammar of business just as science is the grammar of nature. At the head of this new legal army stands James Thornton, who takes governments to court, and wins. And his client is the Earth. With *Client Earth*, we travel from Poland to Ghana, from Alaska to China, to see how citizens can use public interest law to protect their planet. Foundations and

philanthropists support the law group ClientEarth because they see, plainly and brightly, that the law is a force all parties recognize. Lawyers who take the Earth as their client are exceptional and inspirational. They give us back our hope. PRAISE FOR JAMES THORNTON AND MARTIN GOODMAN 'Humanity's grace and dignity are restored each time a case is successfully brought and won ... by these exceptional environmental lawyers.' Sculpture

planet fitness wellness pod locations: Notes on Shapeshifting Gabi Abrão, 2022-09-13
Abrão's work has been described by The Outline as an existential funhouse of familiar thoughts that publicly grapples with pillars of its own existence within the influencer economy. Alongside The Outline, her work has been featured in publications such as The Atlantic, Dazed, The Harvard Crimson, and The Face, among others. In response to Abrão's work, Dazed Magazine wrote, Gabi debunks the myth that wellness is the preserve of the privileged, and in doing so hands it back to the masses, and Notes on Shapeshifting is a reminder that we are agents of the change that we seek. Gabi Abrão's Notes on Shapeshifting is an ode to existing in physical form, fully aware of the changing energy that flows through every aspect of it. As Abrão writes, tapping into the ether body to take a break from the demands of the earth body, / making peace with ephemerality, / lightness, / shapeshifting. Throughout this collection, you are invited to travel through various states; pure infatuation to heartbreak, confidence to defeat, from a skepticism for living to a full-on trust in it. And Notes on Shapeshifting yearns to soothe and arouse along the way.

planet fitness wellness pod locations: Woman Evolve Sarah Jakes Roberts, 2021-04-06 A New York Times bestseller! With life lessons she's learned and new insights from the story of Eve, Sarah Jakes Roberts shows you how past disappointments, struggles, and even mistakes can be used today to help you become the woman God intended. Who would imagine being friends with Eve—the woman who's been held responsible for the fall of humanity (and cramps) for thousands of years? Certainly not Sarah Jakes Roberts. That is, not until Sarah discovered she is more like Eve than she cares to admit. Everyone faces trials, and everyone will mess up. But failure should not be the focus. Your focus should not be on who you were but rather the pursuit of who you can become. In Woman Evolve, Sarah helps you understand that your purpose in life does not change; it evolves. Making her mistake in the Garden of Eden, Eve became the first woman to deal with rebuilding her life in the aftermath of her past. Eve knew better, but she didn't do better. With scriptural lessons, Eve as the framework, and Sarah as your guide you will discover and work through: Past issues and insecurities that haunt you Seeing yourself as God sees you and trusting Him with who you really are How to come out of darkness and pursue a real relationship with God Why it's important to truly care for yourself Setting in motion the beautiful seed that God planted in you Your fears and insecurities may have changed how you viewed God, others, and yourself, but in Woman Evolve, you can break through and use past mistakes to revolutionize your life. Like Eve, you don't have to live your future defined by your past.

planet fitness wellness pod locations: The Diaries of Adam and Eve Mark Twain, 2015-09-28
What if Adam and Eve Had a Diary? "He talks very little. Perhaps it is because he is not bright and is sensitive about it and wishes to conceal it. It is such a pity that he should feel so, for brightness is

nothing. It is in the heart that the values lie. I wish I could make him understand that a loving good heart is riches, and riches is enough, and that without it intellect is poverty." - Mark Twain, Eve's Diary Mark Twain's short stories aren't about his religious beliefs. In fact, the Diaries of Adam and Eve should be taken with a grain of salt as they are humorous and witty and describe in a unique way the relationship between two human beings, man and woman who eventually end up falling in love with each other. planet fitness wellness pod locations: **The Pegan Diet** Dr. Mark Hyman, 2021-02-23 Twelve-time New York Times bestselling author Mark Hyman, MD, presents his unique Pegan diet—including meal plans, recipes, and shopping lists. For decades, the diet wars have pitted advocates for the low-carb, high-fat paleo diet against advocates of the exclusively plant-based vegan diet and dozens of other diets leaving most of us bewildered and confused. For those of us on the sidelines, trying to figure out which approach is best has been nearly impossible—both extreme diets have unique benefits and drawbacks. But how can it be, we've asked desperately, that our only options are bacon and butter three times a day or endless kale salads? How do we eat to reverse disease, optimal health, longevity and performance. How do we eat to reverse climate change? There must be a better way! Fortunately, there is. With The Pegan Diet's food-is-medicine approach, Mark Hyman explains how to take the best aspects of the paleo diet (good fats, limited refined carbs, limited sugar) and combine them with the vegan diet (lots and lots of fresh, healthy veggies) to create a delicious diet that is not only good for your brain and your body, but also good for the planet. Featuring thirty recipes and plenty of infographics illustrating the concepts, The Pegan Diet offers a balanced and easy-to-follow approach to eating that will help you get, and stay, fit, healthy, focused, and happy—for life.

planet fitness wellness pod locations: **The Art of Badassery** Jennifer Cassetta, 2022-08-23 For any woman who's ever felt burned out, beaten down, or needs a reminder of how powerful she is, third-degree black belt and motivational coach of ABC's *My Diet Is Better Than Yours* teaches a unique brand of badassery--how to get back up no matter what life throws at you; how to level up your mind, body and spirit; and how to turn your setbacks into secret weapons. Jennifer Cassetta is a nationally recognized keynote speaker, health and empowerment coach, and a 3rd-degree black belt in Hapkido. After a brush with death on September 11th, 2001, three blocks south of the World Trade Center and then fending off an attacker late one night months later, Jenn took a deep dive into martial arts training where she learned how to harness the power of mind, body, and spirit. Now she teaches women from colleges to corporations how to unleash their inner badass by using dojo wisdom as a metaphor for life. Whether the opponent is a financial hardship, a difficult boss, or being in a manipulative relationship, Cassetta teaches readers how to flex their mental muscle, how to rise above fears, and how to turn setbacks into superpowers. Through thought-provoking exercises and no-holds-barred humor, she shows women how to close the door on blame and shame; how to grow from their Greatest (S)Hits List of life disappointments; and how to disarm and defend against the blocks that hold them back. In life--just like in martial arts--we get pushed and pulled and kicked down. We get banged up and bruised and stretched to our limits. Cassetta champions women that while they may bend, they will not break, and that they have the power within them to rise up and stand tall. Chapter 1: WHITE BELT: Embrace the Suck Chapter 2: YELLOW BELT: Bounce Back Chapter 3: ORANGE BELT: Block the Bullshit Chapter 4: GREEN BELT: Find Your Roar Chapter 5:

BLUE BELT: Elevate Your Energy Chapter 6: RED BELT: Connect with Your Warrior Within Chapter 7: BLACK BELT: Take the Lead

planet fitness wellness pod locations: Food Dr. Mark Hyman, 2018-02-27 #1 New York Times bestselling author Dr. Mark Hyman sorts through the conflicting research on food to give us the skinny on what to eat. Did you know that eating oatmeal actually isn't a healthy way to start the day? That milk doesn't build bones, and eggs aren't the devil? Even the most health conscious among us have a hard time figuring out what to eat in order to lose weight, stay fit, and improve our health. And who can blame us? When it comes to diet, there's so much changing and conflicting information flying around that it's impossible to know where to look for sound advice. And decades of misguided common sense, food-industry lobbying, bad science, and corrupt food policies and guidelines have only deepened our crisis of nutritional confusion, leaving us overwhelmed and anxious when we head to the grocery store. Thankfully, bestselling author Dr. Mark Hyman is here to set the record straight. In *Food: What the Heck Should I Eat?* -- his most comprehensive book yet -- he takes a close look at every food group and explains what we've gotten wrong, revealing which foods nurture our health and which pose a threat. From grains to legumes, meat to dairy, fats to artificial sweeteners, and beyond, Dr. Hyman debunks misconceptions and breaks down the fascinating science in his signature accessible style. He also explains food's role as powerful medicine capable of reversing chronic disease and shows how our food system and policies impact the environment, the economy, social justice, and personal health, painting a holistic picture of growing, cooking, and eating food in ways that nourish our bodies and the earth while creating a healthy society. With myth-busting insights, easy-to-understand science, and delicious, wholesome recipes, *Food: What the Heck Should I Eat?* is a no-nonsense guide to achieving optimal weight and lifelong health.

planet fitness wellness pod locations: The Proof is in the Plants Simon Hill, 2021-05-04 What if there was a way of eating that may help us live healthier for longer and protect the future of our planet, too? The good news is that evidence now shows a plant-based diet may offer us exactly that - and straight-talking nutritionist Simon Hill has done the hard work translating the science into actionable advice for everyday life. Before transitioning to a plant-based diet Simon held many of the common misconceptions. But instead he experienced incredible improvements in his energy levels, digestion, mental clarity and post-workout recovery after making the shift. He'd finally understood the power of food and was determined to find out - and share - the agenda-free truth about the optimum diet for human health. By undertaking a master's degree in nutrition, poring over the latest scientific papers and books, and producing hundreds of hours of his internationally successful Plant Proof podcast, Simon has pursued the answers to all the questions he had about fuelling our bodies with more plants. Now, in his first book, he brings it all together into one inspiring and practical guide. It covers: - The reasons why we're all so confused about what to eat - The evidence showing how a plant-based diet might reduce risks of heart attacks and strokes, type 2 diabetes, cancer and dementia - The positive impact of plant-based living for the climate and animal welfare - Common myths about a plant-based diet - and what the real facts are - How to build a healthy, satisfying plant-based plate, from macronutrients to micronutrients - Practical tips for making the shift, and much more. If you want to understand and unlock the many benefits of putting more plants on your plate, this book is for you.
