Positive Wellness Wednesday Quotes: Boost Your Mood and Mindset

Introduction:

Feeling a little down in the dumps? Need a mid-week pick-me-up? Then you've come to the right place! We all need a little boost sometimes, and what better way to do that than with some inspiring and uplifting quotes designed to brighten your Wednesday? This post is brimming with positive wellness Wednesday quotes to help you navigate the hump day blues and cultivate a more positive mindset. Get ready to infuse your week with positivity and discover how the right words can transform your perspective. We'll explore quotes focused on self-care, gratitude, resilience, and overall wellbeing, giving you the perfect ammunition to conquer your week with a smile.

Part 1: Quotes for Self-Care and Mindfulness on Wellness Wednesday

Wednesday can often feel like the longest day of the week. That's why prioritizing self-care is crucial. These positive wellness Wednesday quotes focus on nurturing your mind, body, and soul:

"Take care of your body. It's the only place you have to live." – Jim Rohn This classic quote reminds us that self-care isn't selfish; it's essential for a fulfilling life. Taking time for exercise, healthy eating, and sufficient sleep isn't a luxury; it's a necessity.

"The best way to find yourself is to lose yourself in the service of others." – Mahatma Gandhi Helping others is a powerful form of self-care. Volunteering or simply performing a kind act can boost your mood and sense of purpose.

"Inhale the future, exhale the past." – Unknown This quote encourages mindfulness and letting go of what you cannot control. Focusing on the present moment can reduce stress and anxiety.

"Your body hears everything your mind says. Feed it with positivity." – Unknown This highlights the mind-body connection. Positive affirmations and self-compassion can significantly impact your physical and mental health.

Part 2: Gratitude Quotes for a Positive Wellness Wednesday

Practicing gratitude is a powerful tool for improving wellbeing. These positive wellness Wednesday quotes encourage reflecting on the good things in your life:

"Gratitude unlocks the fullness of life. It turns what we have into enough, and more. It turns denial into acceptance, chaos to order, confusion to clarity." – Melody Beattie This profound quote encapsulates the transformative power of gratitude. It helps shift your

perspective from what's lacking to what you already possess.

"Be thankful for what you have; you'll end up having more. If you concentrate on what you don't have, you will never, ever have enough." – Oprah Winfrey Oprah's wisdom underscores the importance of focusing on abundance rather than scarcity.

"Let us be grateful to people who make us happy; they are the charming gardeners who make our souls blossom." – Marcel Proust This quote reminds us to appreciate the positive influences in our lives. Recognizing the people who bring joy into our world enhances our gratitude practice.

"When you are grateful, fear disappears and abundance appears." – Anthony Robbins This powerful quote highlights the connection between gratitude and abundance, both materially and emotionally.

Part 3: Resilience and Perseverance Quotes for a Stronger Wednesday

Challenges are inevitable. These positive wellness Wednesday quotes emphasize the importance of resilience and perseverance:

"The oak sleeps in the acorn; the bird waits in the egg; and in the highest vision of the soul a waking angel stirs. Dreams are the seedlings of realities." – James Allen This quote inspires hope and reminds us that even in challenging times, our potential for growth is always present.

"What lies behind you and what lies in front of you, pales in comparison to what lies inside of you." – Ralph Waldo Emerson This quote emphasizes inner strength and reminds us that our potential is limitless.

"Challenges are what make life interesting. Overcoming them is what makes life meaningful." – Joshua Marine This quote encourages embracing challenges as opportunities for growth and self-discovery.

"It is not the mountain we conquer, but ourselves." – Sir Edmund Hillary This powerful quote underscores the importance of inner strength and perseverance in overcoming obstacles.

Part 4: General Positive Wellness Wednesday Quotes for Inspiration

These positive wellness Wednesday quotes offer a general boost of positivity and encouragement:

"The only way to do great work is to love what you do." – Steve Jobs Passion and purpose are essential for a fulfilling life.

"Believe you can and you're halfway there." – Theodore Roosevelt Self-belief is a powerful catalyst for success.

"The future belongs to those who believe in the beauty of their dreams." – Eleanor

Roosevelt This quote inspires hope and encourages pursuing your aspirations.

"Keep your face always toward the sunshine, and shadows will fall behind you." – Walt Whitman This classic quote encourages positivity and focusing on the brighter aspects of life.

Conclusion:

We hope these positive wellness Wednesday quotes have provided you with a much-needed dose of inspiration and positivity. Remember, taking care of your wellbeing is not a luxury, but a necessity. By incorporating self-care practices, practicing gratitude, and fostering resilience, you can navigate the challenges of life with grace and strength. Make this Wednesday, and every Wednesday, a day of positive self-reflection and growth.

FAQs:

1. Can I share these quotes on social media? Absolutely! Please feel free to share these quotes with your friends and followers, but please attribute the source where possible.
1. Where can I find more positive quotes? There are many online resources, including websites and apps, dedicated to positive quotes and affirmations. A simple online search will reveal a wealth of options.
1. How often should I practice gratitude? Aim for daily gratitude practice, even if it's just for a few minutes. Regular practice is key to reaping its benefits.
1. What are some practical self-care activities? Self-care activities can include exercise, meditation, spending time in nature, reading, listening to music, or engaging in hobbies you enjoy. Find activities that genuinely relax and rejuvenate you.
1. How can I build resilience? Building resilience involves identifying your strengths, developing coping mechanisms for stress, seeking support from others, and learning from past challenges. It's a journey, not a destination.

positive wellness wednesday quotes: Happiness Is the Way Dr. Wayne W. Dyer, 2019-08-27

The first book of spiritual teachings in several years from international best-selling author and beloved spiritual teacher Dr. Wayne W. Dyer. This book pulls from audio lectures of Wayne's from the 1990s and 2000s, restructuring them in a cohesive way to offer a fresh take on his teachings. One of Dr. Wayne Dyer's favorite quotes was When you change the way you look at things, the things you look at change. So in this book, which collects some of Wayne's most classic teachings in a new format, you will find a novel solution for most any problem you may be encountering. For, as Wayne was also fond of saying, There is no way to happiness. Happiness is the way.

positive wellness wednesday quotes: The Wellness Sense: A Practical Guide to your Physical and Emotional Health Based on Ayurvedic and Yogic Wisdom Om Swami, 2015-08-10
Why do certain foods harm some people and help others? How come the results of a weight loss programme varies from individual to individual? And why do some people fall sick more often than others? The science of Ayurveda holds answers to these questions and many more. Its scriptures took a holistic approach to health by combining our lifestyle with our natural tendencies (which vary from one person to another). This groundbreaking new work from Om Swami combines the yogic view of food as sattvic, rajasic and tamasic with Ayurvedic perspective, and further relates it to the modern view of foods as acidic and alkaline. This is also the first time that Ayurvedic prakriti (vata, pitta and kapha) has been discussed in the context of yogic prakriti (sattvic, rajasic and tamasic) in a truly cohesive fashion. The Wellness Sense extracts the essence of Ayurveda, yoga and tantra to combine it with modern medicine in this simple, step-by-step handbook on how to take better care of yourself. Accessibly written, deeply researched and distilled from Om Swami's own lived experience, The Wellness Sense puts your health and happiness in your hands.

positive wellness wednesday quotes: 1001 Motivational Quotes & Daily Affirmations Justin Lierman, 2019-08-08
This book contains 501 of the best quotes we could find to help you get that extra jolt of motivation you need every single day. Throughout the day you can also listen and repeat 500 daily affirmations to keep that jolt of motivation going to make sure you have a productive and prosperous day. In all you have 1001 of the best motivational quotes and daily affirmations to tap into to live your best life! I would encourage you to take in the quotes and affirmations slowly, maybe only one a day at first. Don't overwhelm yourself by overloading your mind with all the advice this book has to offer. Understand how the quotes apply to your life, don't just consume all the information at once to change your life as quickly as possible. That's not the purpose of the information given. Stop looking for motivation in all the wrong places when all the motivation you need is really inside of you. Don't just read the book for the words on the page but learn to use this book and the quotes inside to help you relate to your situation and how to have the right mindset to get you through whatever is on your mind. Discover yourself and discover what really motivates you to achieve the goals you have set for yourself. Let some of the greatest minds in the world show you how to look at your life in a way you never thought possible. Don't be surprised if you find out they have gone through many of the same things you are experiencing now and how they overcame them through their words of wisdom. With almost 3 years of daily quotes and affirmations to choose from you should have no problem having something new every day to keep you motivated. I know you will love this book and all it has to offer and I know you will love how your life will look even 1 year from now, it's all in your "mind" so bring it out. There's no excuse to get the motivation you've been searching for. Your new go to guide is filled with everything you need, starting now!

positive wellness wednesday quotes: DAILY DOSE OF POSITIVE QUOTES Sandeep Ravidutt Sharma, 2019-01-06
Welcome to a journey of wellness and positivity. This book offers you a collection of 100 original motivational quotes and thoughts focused on enhancing your wellness quotient. In today's fast-paced world, filled with modern gadgets and innovations, life has indeed become easier in many ways. However, alongside these conveniences, there is also an increase in stress and pressure on the human mind, leading to anxiety and depression for many. This book aims to be a beacon of positivity amidst these challenges. It encourages you to reinforce positivity daily,

training your mind to embrace positive thoughts and discard negativity promptly. Each quote presented here is a small effort to infuse your life with optimism and resilience. Take the daily dose of positivity to live a healthy life. By reading, reflecting upon, and sharing these thoughts and quotes, my hope is that you will find inspiration and gain a deeper understanding of life's various perspectives and realities. I sincerely believe that this book will captivate you with its insights, rejuvenate your spirit, and serve as a constant source of inspiration in your journey towards wellness and happiness. Thank you for joining me on this transformative journey. Here's to embracing positivity and living a fulfilling life. Happy reading!

positive wellness wednesday quotes: Social Media Wellness Ana Homayoun, 2017-07-27
Solutions for navigating an ever-changing social media world Today's students face a challenging paradox: the digital tools they need to complete their work are often the source of their biggest distractions. Students can quickly become overwhelmed trying to manage the daily confluence of online interactions with schoolwork, extracurricular activities, and family life. Written by noted author and educator Ana Homayoun, *Social Media Wellness* is the first book to successfully decode the new language of social media for parents and educators and provide pragmatic solutions to help students: Manage distractions Focus and prioritize Improve time-management Become more organized and boost productivity Decrease stress and build empathy With fresh insights and a solutions-oriented perspective, this crucial guide will help parents, educators and students work together to promote healthy socialization, effective self-regulation, and overall safety and wellness. Tips From Teens On Promoting Social Media Wellness Ana Homayoun has written the very book I've yearned for, a must-read for teachers and parents. I have been recommending Ana's work for years, but *Social Media Wellness* is her best yet; a thorough, well-researched and eloquent resource for parents and teachers seeking guidance about how to help children navigate the treacherous, ever-changing waters of social media and the digital world. —Jessica Lahey, Author of *The Gift of Failure* This is the book I've been waiting for. Ana Homayoun gives concrete strategies for parents to talk with their teens without using judgment and fear as tools. This is a guidebook you can pick up at anytime, and which your teen can read, too. I'll be recommending it to everyone I know. —Rachel Simmons, Author of *The Curse of the Good Girl* Read About Ana Homayoun in the news: *NYTimes*, *The Secret Social Media Lives of Teenagers* *NYTimes*, *How to Help Kids Disrupt 'Bro Culture'* *Pacific Standard*, *Holier Than Thou IPO: Snapchat and Effective Parenting* *Parenttoolkit.com*, *Emojis, Streaks, Stories, and Scores: What Parents Need to Know About Snapchat* *Los Angeles Review of Books*, *Life and Death 2.0: When Your Grandmother Dies Online* *Chicago Tribune*, *Social Media Footprints are Nothing New, So What Were those Harvard Students Thinking?* *Today Show*, *9 Tips to Help Teens Manage Their Social Media Footprint* *5 Ways Parents Can Help Kids Balance Social Media with the Real World*

positive wellness wednesday quotes: Ikigai Héctor García, Francesc Miralles, 2017-08-29
INTERNATIONAL BESTSELLER • 2 MILLION+ COPIES SOLD WORLDWIDE "Workers looking for more fulfilling positions should start by identifying their ikigai." —Business Insider "One of the unintended—yet positive—consequences of the [pandemic] is that it is forcing people to reevaluate their jobs, careers, and lives. Use this time wisely, find your personal ikigai, and live your best life." —Forbes Find your ikigai (pronounced ee-key-guy) to live longer and bring more meaning and joy to all your days. "Only staying active will make you want to live a hundred years." —Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world's longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you're good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It's the reason we get up in the morning. It's also the reason many Japanese never really retire (in fact there's no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they've found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world's Blue Zones.

Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn't want to find happiness in every day?

positive wellness wednesday quotes: The Great Big Fitness Quote Book Cameron M. Clark, 2015-01-17 To All Personal Trainers, Training Clients, Crossfitters and more! Here's the perfect gift for a client or yourself! Finally, a book with a motivational fitness quote for every day of the year!!! Getting fit is all about reaching for, achieving, and sustaining a commitment to take care of yourself for the rest of your life. - Dara Torres (Olympic Gold Medalist) Rather than finding reasons why something cannot be done, though you know it needs to be done, get on with doing it. See problems as challenges. - Stuart McRobert (Fitness Writer) I know a lot of people say: 'If I had the money then I'd be able to achieve health, fitness, peace of mind and joy.' I can't say it enough times: your health account and your bank account are synonymous. - Jack LaLanne (Fitness Guru) For most of us, getting in shape is not easy. It involves a certain level of planning, discipline and most importantly motivation! Enter 'The Great Big Fitness Quote Book' compiled by Cameron M. Clark. A book of over 365 inspirational quotes that actually apply to health, fitness, nutrition and well-being. Think about it that's a new motivational quote for EVERY DAY OF THE YEAR! Finally, a book that collects the inspirational words of many of the best and most successful coaches, trainers, athletes, martial artists and other accomplished individuals into one handy volume you can access at any time! Make NO mistake! This is not your 'run-of-the-mill' book of 'inspirational' quotes taken from a few different Internet websites and then collected into one volume. There are a ton of those for sale already. Instead, this is a combination of many previously-Internet-published quotes and some that have never been published online. In fact, when Clark was looking for a resource like 'The Great Big Fitness Quote Book, ' he found one book with 'motivational quotes' on fitness that included a quote from one of the most notorious totalitarian dictators of the 20th Century. This led Clark to realize two things: that these quote books were not well-researched and that there would be a need for a book that actually compiled quotes that were applicable to health, wellness and fitness. With over 365 inspirational quotes, this is a collection that makes it easy for you to use a different quote each day to get yourself into the kind of physical shape you have always wanted to attain. This book takes on all areas of Health and Fitness such as Aging, Exercise, Fat Loss, Goal Setting, Nutrition, Overcoming Obstacles and Stress among so many others with motivational words from Olympic athletes like Dara Torres, Picabo Street and Jesse Owens. You'll also find words of wisdom from popular fitness trainers like Bob Harper, Kim Lyons, Chris Powell and Jillian Michaels. Other fitness gurus quoted include Arnold Schwarzenegger, Jack LaLanne and Stuart McRobert. There are also quotes from martial artists like the legendary Bruce Lee, Georges St. Pierre and the first female UFC Champion, Ronda Rousey. Organized into nearly 50 different categories, these individually-numbered quotations are effective to read within context and easy for you to return to read again and again whenever the need for inspiration arises. Also included as a special bonus at the end of this book, there is a brief biographical information on each man and woman quoted, such as their occupation, their achievements along with the titles of some of the published works they may have written. Clark felt this information is useful in helping the reader to seek out the source of this wisdom and more importantly know they won't be reposting or quoting tyrannical dictators who oppressed their own people. The Great Big Fitness Quote Book is a 'must' for any practitioner of exercise and sports be they an amateur powerlifter, a busy mom looking for a quick workout or the aspiring athlete who just wants to take it to the next level.

positive wellness wednesday quotes: **"The Power of Positive Thinking "** Norman Vincent Peale, 1956 This book is written with the sole objective of helping the reader achieve a happy, satisfying, and worthwhile life. -- Norman Vincent Peale The precursor to The Secret, The Power of Positive Thinking has helped millions of men and women to achieve fulfillment in their lives. positive wellness wednesday quotes: Vibrate Higher Daily Lalah Delia, 2019-12-10 Tap into your inner power with this mind-opening guide to vibrational-based living from Instagram star and self-help pioneer behind the internet community Vibrate Higher Daily. "There is another way of being in the world. There is a better way to exist, rise, move beyond, and take our power back." Too often we feel pulled down by circumstances or the negativity of others. We think we have no control over the things that are hurting us and holding us back from realizing our truest selves. But according to Lalah Delia, we have more power within us than we know: listen to your unique inner voice and trust your instincts. By doing so, you're already experiencing the transformative power of vibrational-based living. Vibrating higher daily is about making intentional day-to-day choices that lift us out of mindsets, habits, and lifestyles that don't serve us and into ones that do. This book is an invitation to engage with everything that feeds our soul and raises our vibration, and to simultaneously let go of the things bringing our energy down. Through poetry, mantras, and affirmations, Lalah Delia empowers us to live with higher potential and quality of being. Vibrate Higher Daily is a manifesto unlike any other for stepping into our power.

positive wellness wednesday quotes: Why We Sleep Matthew Walker, 2017-10-03 Sleep is one of the most important but least understood aspects of our life, wellness, and longevity ... An explosion of scientific discoveries in the last twenty years has shed new light on this fundamental aspect of our lives. Now ... neuroscientist and sleep expert Matthew Walker gives us a new understanding of the vital importance of sleep and dreaming--Amazon.com.

positive wellness wednesday quotes: Positive Mind, Healthy Heart Joseph C. Piscatella, 2010-01-01 One of the longest surviving bypass patients in the U.S. offers a year-long selection of motivational stories, inspirations, quotes, wisdom, meditations, tips and more, many of which have inspired him during his recovery and the maintenance of his health.

positive wellness wednesday quotes: Serene Wellness Healer Naseem Mariam, 2018-09-11 As Mankind moved from Industrial Age to Information Age, a host of gadgets became essential to our daily life. We worked longer hours to make more money. Our focus was on financial wealth above all else. In recent years, we have started to realize that we have lost many important items like health, leisure, relationships and spiritual connectivity. Now as we enter the Health & Wellness Age we feel "something" is missing: what is it and where are the missing pieces? How do we get THAT balance back in our lives which is crucial to our current well-being, our serenity and our long-term wellness? Naseem Mariam, with over three decades of working, counseling and healing, shares with You 7 Areas you could work on, a quick quiz, and tools to move towards beautiful symphony and balance in

the 7 areas. Everyone's priorities, economic and life situation is unique so take the Serene Wellness Quotient (SWQ) Quiz to evaluate your current status with respect to the 7 Areas. Allow this book to guide YOU (and your near & dear ones) with logical, scientific reasons and excellent tools so that together we can trigger your thoughts, fire your mind and touch your heart. You will then find it easy to create the Serenity and Wellness, the Prosperity and Peace you, your family and the society deserves. Come let us move beyond mere wealth accumulation to Serene Wellness by setting our individual priorities and balancing ALL 7 Areas.

positive wellness wednesday quotes: *Everything You'll Ever Need You Can Find Within Yourself* Charlotte Freeman, 2020-09-07

positive wellness wednesday quotes: Master Your Metabolism Jillian Michaels, Mariska van Aalst, Christine Darwin, 2009-04-07 Does it feel as if you're fighting your body to lose even one pound—or just to maintain your current weight? Respected health and wellness expert and bestselling author Jillian Michaels has been there, too. So she consulted top experts in the field of metabolism and discovered that she'd inadvertently been abusing her endocrine system for years. After "fixing" her own metabolism, she decided to share what she learned by devising this simple, 3-phase plan that engages all the weight-loss hormones (including the friendly HGH, testosterone, DHEA; and the not-so-friendly: insulin, cortisol, and excess estrogen). In Master Your Metabolism, discover how to: • REMOVE "anti-nutrients" from your diet • RESTORE foods that speak directly to fat-burning genes • REBALANCE energy and your hormones for effortless weight loss Michaels offers a wealth of information throughout, including: shopping lists and online shopping resources, hormone-trigger food charts, how to eat "power nutrient" foods on a budget, smart strategies for eating out, quick and easy recipes, as well as mini-programs for addressing PMS, andropause, metabolic syndrome, PCOS, and menopause.

positive wellness wednesday quotes: Happiness Swings Sandeep Ravidutt Sharma, 2019-09-14 This book provides you with a list of 100 motivational quotes and thoughts focussing mainly on improving your wellness quotient. The positive thoughts bring inner peace and calm. Amazing thoughts are vital to achieving success and happiness in your life. Happiness swings up and down with you. This book is just a small attempt to swing happiness in your favour through positive and motivational quotes written with the grace and blessings of Maa Bhairavi. I'm sure if you keep reading, referring, sharing these thoughts and quotes, you may derive inspiration and develop a good understanding of various perspectives and facts about life. I sincerely hope, you will find this book amazing, interesting, rejuvenating, unique and constant source of inspiration. Thank You and Happy Reading.

positive wellness wednesday quotes: The Real Food Grocery Guide Maria Marlowe, 2017-06 The Real Food Grocery Guide provides actionable answers to the multitude of nutrition questions that arise during your trips to the grocery store and puts you on a path to a healthy diet and lifestyle.

positive wellness wednesday quotes: What Can I Take Off Your Plate? Jill Handley, Lara Donnelly, 2024-08-28 Teacher burnout demands systemic solutions, not self-care. Learn what leaders can do to actively reduce frustration and provide real, sustaining support for all staff. With teachers across the board assuming additional responsibilities, stress and job dissatisfaction are more prevalent than ever. Widespread staff shortages, which further increase workloads, and budget directives that require everyone to do more with less continue to demotivate and erode morale. It's no wonder so many teachers choose to leave the profession—or that many who remain feel overworked and unappreciated. The proper response from principals and other school leaders is not to encourage so-called self-care but rather to take a systemic approach that focuses on the factors they can control: time, effort, and resources. To increase teacher retention and alleviate the compounded effects of teacher burnout, leaders need to ask less of their staff and offer them more. In What Can I Take Off Your Plate?, veteran educators Jill Handley and Lara Donnelly detail both the immediate steps you can take to triage your staff's emotional exhaustion and the big-picture

structural changes you can make to reduce frustration, increase motivation, and support the whole teacher. You'll learn useful ways to * Reduce initiative fatigue. * Give the gift of time. * Support from within the classroom. * Foster and support a healthy work-life balance. * Demonstrate appreciation. * Infuse fun in the workplace. This book is for school leaders who are ready to treat burnout like the complicated challenge it is—and meet it with both focused action and the lasting, sustainable solutions it demands.

positive wellness wednesday quotes: The Wellbeing Journal MIND, 2017-05-04 Developed in partnership with Mind, the mental health charity, each page of this gorgeous journal has been thoughtfully crafted and includes activities, colouring, drawing prompts, contemplative quotes and lots of space for you to write about your own thoughts, feelings and experiences.

positive wellness wednesday quotes: Embrace Your Body Taryn Brumfitt, 2021-03 A celebratory picture book about appreciating the wonderful body you have and looking for the beauty inside. Based on the children's song written by Taryn Brumfitt and paired with joyous illustrations by Sinead Hanley, this book will have every body loving who they are!

positive wellness wednesday quotes: Live with Intention Mary Anne Radmacher, 2010-12-01 More than two decades ago, noted author, artist and teacher Mary Anne Radmacher, was beginning her chosen path--to live with purpose, to make a difference. She lost a dear friend and she wrote these words, which have appeared wrapped around mugs, on carry bags and journals, day planners, refrigerator magnets, and posters. In her new book she expands these words to invite readers to explore what it might mean to live each day with intention--to figure out what counts for them, what will make their lives richer, allow them to make a difference, and bring verve to each and every day. Radmacher shares the ten qualities she considers essential to intentional living and offers readers exercises, inspirations, and promises to help them find what's important in their lives.

positive wellness wednesday quotes: Stay Positive Jon Gordon, Daniel Decker, 2019-12-05 Fuel yourself and others with positive energy—inspirational quotes and encouraging messages to live by from bestselling author, Jon Gordon. Ever since he wrote the mega bestseller *The Energy Bus*, Jon Gordon has been sharing inspirational messages and encouragement via his talks, books, and social media posts. After many requests to create a collection of his quotes, Jon teamed up with his long-time friend, Daniel Decker, to create *Stay Positive*. *Stay Positive* is more than a book of positive quotes. This book is a resource you can turn to each day for encouragement to help you take on your daily challenges, pursue your goals and dreams, and create positive momentum in your life. The power of positive thoughts is not about being Pollyanna Positive; it's the real stuff that makes a proven difference in your perspective and life. After all, we don't give up because it's hard; we give up because we get discouraged. By fueling yourself with encouragement and positive energy, you'll have greater power to overcome negativity, neutralize the naysayers, and conquer adversity. *Stay Positive* is more than a phrase. It's an approach to life that says when you get knocked down, you'll get back up and find a way forward one faithful step and optimistic day at a time. Start your day with a message from the book, or pick it up anytime you need a mental boost. You can start from the beginning, or open the book to any page and find a message that speaks to you. However you decide to use *Stay Positive*, it's a go-to resource for anyone wanting to inject a healthy dose of positivity into their life.

positive wellness wednesday quotes: Positive Psychology in Health Management Anni Wang, Fei Fei Huang, Yufang Guo, Fang Lei, Yuting Song, 2023-12-13 Positive psychology aims to understand how people can better their lives, and ultimately, flourish. Since Martin Seligman spearheaded this movement of looking for the positives in life rather than focusing on the negatives, substantial research has been conducted. This research indicates that positive psychological resources, such as resilience, self-efficacy, optimism, hope, and self-esteem can help individuals build their personal capabilities, which are associated with higher levels of physical, psychological, social and behavioral health. Health management is also a broad topic, containing management of all health-related issues, involving policy-making, legal regulation, workforce management, healthcare quality, specific disease management, etc. There has been a drastic increase in research

on applying positive psychology to health management. The increasing theoretical and empirical studies have revealed that positive psychological theories have positive effects on the patients' physical and mental health, quality of life and on healthcare workers' job satisfaction, burnout, and quality of work life. Disease management and health workforce management are two major subjects that involve positive psychology, that have been widely investigated in the past few years. Therefore, by combining positive psychology and health management, this topic aims to facilitate cutting edge ideas and research to explore multidisciplinary approaches of positive psychology in disease management and health workforce management. Our specific aim is to explore how the construct of positive psychology mitigates the negative consequences on patients or family with disease burden, and healthcare workers under job-related stress. Furthermore, we hope to recognize the distinct adaptive trajectories of these areas, on which positive psychological resources may have an effect. Based on these, we want to highlight the efficacy, effectiveness and implementation of positive psychology-based intervention for patients or healthcare workers to promote resiliency. Through the achievement of these aims, we also hope to develop new theories and instruments which are culturally sensitive and contextually innovative.

positive wellness wednesday quotes: 127 More Amazing Tips and Tools for the Therapeutic Toolbox Judy Belmont, MS, 2013-09-01 127 More Amazing Tips and Tools for the Therapeutic Toolbox is Judy Belmont's third Tips and Tools book in PESI's bestselling series that has offered thousands of clinicians practical hands on strategies to help clients reach therapeutic goals. Filled with psychoeducation, handouts, and worksheets for clients, active therapists will find TIPS to be a frequent and effective resource. ~ Lane Pederson, Psy.D., LP, DBTC, author of The Expanded Dialectical Behavior Therapy Skills Training Manual and DBT Skills Training for Integrated Dual Disorder Treatment Settings

positive wellness wednesday quotes: Christian Paths to Health and Wellness Peter Walters, John Byl, 2020-06-09 God created people to be well in body, mind, and spirit—a unified and healthy whole. Christian Paths to Health and Wellness, Third Edition, helps undergraduate students explore key topics that affect their health and well-being and apply what they learn to their daily lives. This updated text examines wellness from a holistic perspective, delving into how students can thrive in body, mind, and spirit. Students will learn how to more fully understand God, themselves, and their purpose in life; have strong and healthy relationships with others; develop cardiorespiratory fitness, muscular fitness, and flexibility and mobility; have a healthy attitude toward their bodies, eat well, and manage weight properly; understand and apply good sleep hygiene to maximize alertness; and adopt emotionally healthy habits and deal with stress in a constructive way. All of this material is based on current research and is delivered through a faith-based perspective that will help students apply aspects of behavior modification as they learn how to take charge of the health of their bodies, minds, and spirits. Written by highly respected Christian academics, the text includes chapter objectives, a glossary that defines key terms from each chapter, and easy-to-read charts that highlight specific information. This latest edition also features a new web study guide that makes Christian Paths to Health and Wellness a particularly valuable and unique resource. For each chapter in the text, the web study guide supplies readers with an introductory self-assessment activity on the chapter's topic; application and learning activities; self-reflection writing prompts to help students process the chapter's content; suggested websites and readings for further exploration of the topic; and an interactive key terms quiz. (The web study guide is included with all new print books and some ebooks. For ebook formats that don't

provide access, the web study guide is available separately.) Christian Paths to Health and Wellness offers instructors free access to online ancillaries, including an instructor guide, a presentation package, and a test package. "This text," says coauthor Peter Walters, "is a book about accepting our God-given roles and capacities. Then empowered by the Spirit of God, we can make healthy choices regarding our mind, body, and soul. The end result is what ancients called 'the good life,' current academics call 'human flourishing,' and what scriptures call 'shalom'." "Personal wellness is often achieved through mental and physical discipline," adds coauthor John Byl. "However, it is also important to open yourself to the power of God through the Holy Spirit. It is written in Bible that 'the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control' (Galatians 5:22-23). Ideas related to the fruit of the Spirit have been woven through the text, and a couple of chapters offer brief vignettes on a particular fruit of the Spirit, which demonstrates how the Spirit heals and makes one well." Christian Paths to Health and Wellness, Third Edition, will equip students with the knowledge and tools they need to adopt healthy lifestyles in all aspects of their lives. And that lifestyle will be pleasing to God and help them live out their purpose.

positive wellness wednesday quotes: Resilience Eric Greitens, 2015 A masterpiece of warrior wisdom: how to be resilient, how to overcome obstacles not by positive thinking or self-esteem, but by positive action. The bestselling author, Navy SEAL, and humanitarian Eric Greitens offers a self-help book unlike any other.

positive wellness wednesday quotes: *The Day My Soul Cried* Ann K. Fisher, 2010-06-20 Yvonne Pierre's journey from the depths of despair to an awakening of soul and spirit, has been a long and difficult one. From sexual abuse, excessive drinking, failing in school, having a child while still a teenager, unable to get a job, having a second child with Down syndrome, gaining excessive weight and allowing herself to no longer care about how she looked ? the painful pattern of all types of abuse seemed endless. Until one day, when Yvonne's soul cried. She began to see that how she perceived her life and the attitudes she had, were crippling her as much as all her bad habits and the ugly things that happened to her. The realization that through forgiveness of others and most importantly, herself, would prove to be her path to new confidence, new attitude, a joy and love of life and God, and a profound hope that by sharing her story, others may find the courage and strength to do what Yvonne has done.

positive wellness wednesday quotes: *Smart People Don't Diet* Charlotte N. Markey, 2015-02-11 Being on a diet is a miserable experience for most people, and it rarely leads to the desired goal of shedding fat. In fact, studies show that dieters often gain weight rather than lose it, because the intensity, restrictions, and short duration of most diets means they are ill - equipped to produce long - term effects. In *Smart People Don't Diet*, Dr Charlotte N. Markey presents a refreshingly different perspective, addressing the underlying causes of weight gain and offering proven strategies for lasting weight management. This book will show you how to eat well, lose weight, and keep it off - without dieting. The gimmicks don't work, but Dr Markey's reasonable, accessible advice will help you get - and stay - healthy.

positive wellness wednesday quotes: Identifying and addressing the impact of exposure to maltreatment and experience in children and child serving systems of care Melissa Kimber, Wynne Morgan, Jeanette Scheid, 2024-04-29

positive wellness wednesday quotes: *Health and Physical Education for Elementary Classroom Teachers* Retta R. Evans, Sandra K. Sims, 2021-02-23 In elementary schools across the United States, many teachers tasked with teaching health education or physical education have not had training in these areas. *Health and Physical Education for Elementary Classroom Teachers: An Integrated Approach*, Second Edition, is the perfect resource for these educators. It covers both health and physical education while giving current and preservice teachers the skills to deliver appropriate lessons to their young students. In this second edition, Retta Evans and Sandra Sims, respected educators and physical education advocates, provide everything teachers need in order to seamlessly incorporate health education and physical education into an integrated curriculum.

Based on national health education, physical education, and state-specific academic standards, this is a guide that will help teachers empower elementary students to become healthy and active. A new chapter dedicated to contextual considerations of the learner will guide teachers to better understand factors that may affect learning and give them ideas for changing students' health behaviors. The new edition's ancillary products, offered through HKPropel, allow teachers to put concepts from the text into use with their students. Instructor ancillaries include the following: Sample syllabus Chapter resources, including an overview, outline, and review questions with answers Approximately 25 chapter questions, using various levels of Webb's depth of knowledge framework, to help in creating quick assessments of student learning or in building custom tests Approximately 200 slides to reinforce key points Also new to this edition are related student resources delivered through HKPropel, which include lab exercises that allow education students to practice the material they are learning and design their own standards-based lesson plans that integrate health and physical education. Learning activities and key terms with definitions align with each chapter in the text. The resources also include sample integrated activity plans for each of the five physical education standards and each of the eight health education standards. Health and Physical Education for Elementary Classroom Teachers is organized into two parts. Part I focuses on the foundational knowledge needed for teaching health and physical education. It addresses risky behaviors relevant to today's generation of students, the impact of children's physical growth on learning and decision making, and the characteristics and benefits of a high-quality physical education program. It also includes the Whole School, Whole Community, Whole Child model as a way to facilitate school-wide collaboration that connects education to wellness. Part II emphasizes the strategies necessary for incorporating health, physical education, and physical activity into the curriculum and school day. It discusses how teachers can become advocates of healthy and active schools, identify habits that promote everyday health in the classroom, and incorporate physical activity and the national standards into each school day. It also presents teaching methods, assessment tools, and evaluation strategies to ensure teaching success. Note: A code for accessing HKPropel is not included with this ebook but may be purchased separately.

positive wellness wednesday quotes: The Set Boundaries Workbook Nedra Glover Tawwab, 2021-12-14 An accessible, step-by-step resource for setting, communicating, and enforcing healthy boundaries at home, at work, and in life We all want to have healthy boundaries. But what does that really mean - and what steps are needed to implement them in our daily lives? Sought-after therapist and relationship expert Nedra Glover Tawwab presents clear explanations and interactive exercises to help you gain insight and then put it into action. Filled with thought-provoking checklists, questions, writing prompts, and more, The Set Boundaries Workbook is a valuable tool for everyone who wants to speak up for what they want and need, and show up more authentically in the world.

positive wellness wednesday quotes: MindJournal Ollie Aplin, 2017-05-04 The simple aim of this book is to help and support you through life. It is a tool to help you be a stronger version of the man you already are. Back in the day, keeping a journal was the manly thing to do. All the great thinkers, writers and explorers of the past kept a journal on a regular basis - from Ernest Hemmingway to Bruce Lee. It was a simple habitual practice; a clever therapeutic outlet, particularly for men, that has been lost. This book aims to bring it back. While the gym strengthens your body, think about this book as a workout for your mind. This is brain training to build a positive mental attitude and, ultimately, a better and more resilient you. Contains three interactive sections: Warm Up, Hurdles and Strength, each with prompts, challenges and motivators to help get you started. Plus the MindManual, which offers further support, checks and advice to keep your brain training on track.

positive wellness wednesday quotes: Leading Schools With Social, Emotional, and Academic Development (SEAD) Madden-Dent, Tara, Oliver, Deborah, 2021-04-09 There is a growing need for social, emotional, and academic development (SEAD) in classrooms, schools, districts, and state offices of public education, but educators struggle to find a resource that guides

them on these specific challenges. Educators need valid resources as a means to better prepare themselves to use SEAD within their work and support student success. Tangible evidence-based practices on SEAD implementation and how it mitigates leading challenges in education is a current need in the research community. Challenges such as school safety, discipline and restorative practices, and workforce readiness are a few challenges that are currently in need of being addressed. SEAD in school systems may be a solution for some of these areas of concern as well as providing additional benefits for students, educators, and school systems. Leading Schools With Social, Emotional, and Academic Development (SEAD) provides theoretical and applied frameworks for evidence-based strategies to embed SEAD practices into sustainable and measurable high-impact systems. SEAD advancements and successful applications in increasing student academic achievement, campus safety and school climate, adult SEAD skills, and family/parent and community engagement are discussed. This book is ideal for in-service and preservice teachers, administrators, teacher educators, practitioners, researchers, academicians, and students interested in the applications and successful models of SEAD implementation in schools.

positive wellness wednesday quotes: *Mending Education* Karen Gross, Edward K. S. Wang, 2024 The authors focus on how sudden and forced changes to teaching and learning created Pandemic Positives which can be captured and brought to scale across pre-K-adult settings--

positive wellness wednesday quotes: *GET REAL* Kelly Lynn Irons MSED CPBA CPDFA, 2022-08-23 Full of stories and applicable to parents, spouses and corporate leaders, GET REAL outlines the four pillars of high-performing relationships. With a primary focus on self, but also addressing how these pillars impact others and the teams you lead, this book walks you through a discovery of what it takes to build the kind of relationships that not only stand the test of time, and allow others to be completely themselves with you, all leading to amazing personal and professional results. One thing consistently becomes self-evident to leaders; so crystal clear that most now acknowledge it as a universal truth - relationships matter. Evidence that supports this truth is everywhere. Massive bodies of research telling us that relationships matter coupled with personal experience leads everyone to agree that relationships can make or break performance, engagement, careers, and even your health.

positive wellness wednesday quotes: *Humane Alternatives to the Psychiatric Model* Eric Maisel, Chuck Ruby, 2023-11-25 *Humane Alternatives to the Psychiatric Model* is the second Volume of the Ethics International Press Critical Psychology and Critical Psychiatry Series. Understanding the current systems of psychology and psychiatry is profoundly important. So is exploring alternatives. The Critical Psychology Critical Psychology and Critical Psychiatry Series presents solicited chapters from international experts on a wide variety of underexplored subjects. This is a series for mental health researchers, teachers, and practitioners, for parents and interested lay readers, and for anyone trying to make sense of anxiety, depression, and other emotional difficulties. *Humane Alternatives to the Psychiatric Model* presents a variety of alternative models and approaches that are available in addition to, or instead of, the current predominant psychiatric "mental disorder" model. *Humane Alternatives to the Psychiatric Model* provides more than twenty solicited chapters from experts worldwide, among them Peter Kinderman, former president of the British Psychological Society, and other respected cultural commentators and mental health experts.

positive wellness wednesday quotes: The COVID-19 Pandemic and Older Adults Edward Alan Miller, 2022-04-19 The COVID-19 pandemic has disrupted life globally through virus-related mortality and morbidity and the social and economic impacts of actions taken to stop the virus' spread. It became evident early on during the pandemic that older adults are especially vulnerable to morbidity and mortality from COVID-19, and the adverse consequences of strategies taken to mitigate its effects. While no more likely to become infected than younger populations, the risk for hospitalization and death rises considerably with age. Residents of long-term care facilities have been among the hardest hit. The pandemic has brought many facets of ageism to the fore. Community stay-at-home messages, lockdowns, social distancing requirements, and visitation restrictions contributed to a concomitant epidemic in social isolation and loneliness. Economic and social impacts have been dramatic; so too has been the disproportionate hardship experienced by members of racial and ethnic minority communities. This book reports original empirical research and perspectives on the ramifications of the COVID-19 pandemic for the older adult population, and draws lessons for policy, research, and practice. Key issues pertaining to the impact of COVID-19 on older adults and their families, caregivers, and communities are highlighted. Four main areas are examined: personal experiences with COVID-19; long-term care system impacts; end-of-life care; and technology and innovation. The chapters in this book were originally published as a special issue of the Journal of Aging & Social Policy.

positive wellness wednesday quotes: Psychological Recovery Retta Andresen, Lindsay G. Oades, Peter Caputi, 2011-07-13 This book offers a succinct model of recovery from serious mental illness, synthesizing stories of lived experience to provide a framework for clinical work and research in the field of recovery. • Places the process of recovery within the context of normal human growth and development • Compares and contrasts concepts of recovery from mental illness with the literature on grief, loss and trauma • Situates recovery within the growing field of positive psychology - focusing on the active, hopeful process • Describes a consumer-oriented, stage-based model of psychological recovery which is unique in its focus on intrapersonal processes
