Understanding the Core Principles of Discerning God's Voice

Shirer's study emphasizes a holistic approach to discerning God's voice, moving beyond simple feelings and delving into the deeper truths of Scripture. This isn't about magically hearing an audible voice; instead, it's about developing a relationship with God that allows you to recognize His subtle yet powerful guidance.

1. The Importance of Knowing Scripture: A foundational element of discerning God's voice is a deep familiarity with the Bible. Shirer stresses the importance of immersing yourself in God's Word, allowing its truths to shape your understanding of His character and His methods of communication. This isn't passive reading; it involves active meditation, prayerful reflection, and seeking to understand the context and application of Scripture to your life.
1. The Role of Prayer and Fasting: Prayer isn't just a request list; it's a conversation with God. Shirer emphasizes the importance of consistent prayer and, at times, the discipline of fasting, to quiet the noise within and create space to hear God's still, small voice. Fasting, both from food and other distractions, can enhance spiritual sensitivity and allow for a clearer connection with the Divine.

1. Recognizing God's Character: A crucial aspect of discerning God's voice is understanding His character as revealed in Scripture. God is consistent, loving, merciful, just, and faithful. Therefore, any guidance that contradicts His established character should be approached with caution. This requires diligent study and a willingness to align your expectations with His revealed nature.

1. The Power of Community: Shirer encourages the importance of accountability and spiritual mentorship. Surrounding yourself with mature believers who can offer wise counsel and prayer support is vital in navigating life's decisions. Their discernment can help you evaluate potential guidance and ensure that your decisions align with God's will.

1. Discerning Truth from Deception: The enemy uses deception to mimic God's voice. Shirer equips viewers with tools to recognize the difference. This includes identifying promptings that contradict Scripture, cause fear and anxiety, or lead to self-centered actions. Trusting in the Holy Spirit's guidance and seeking wise counsel are essential to navigating these deceptive voices.

Applying the Principles: Practical Steps to Discerning God's Voice

Shirer's study isn't just theoretical; it provides practical steps for applying these principles.

1. Cultivating Spiritual Disciplines: This includes consistent Bible study, prayer, fasting, and fellowship with other believers. These disciplines cultivate a deeper intimacy with God, creating fertile ground for hearing His voice.

1. Seeking Confirmation: God often confirms His direction through multiple avenues. This could involve receiving similar guidance from trusted mentors, experiencing a sense of inner peace, or seeing events unfold in a way that confirms His leading. Rushing into decisions without confirmation is risky.

1. Learning to Identify Your Own Thoughts and Emotions: It's crucial to distinguish between your own desires and God's leading. Self-awareness and honest self-reflection are essential to this process. Journaling, introspection, and prayerful consideration can help in differentiating these.
1. The Importance of Obedience: Discerning God's voice is not just about hearing; it's about obeying. God's voice often leads to action. Obedience, even when it's challenging, is a crucial step in deepening your relationship with God and confirming His guidance.
1. Dealing with Uncertainties: Life isn't always clear-cut. Shirer acknowledges the existence of uncertainty and teaches how to navigate ambiguity while trusting in God's sovereignty and faithfulness. This includes practicing patience, seeking wisdom, and relying on faith during times of doubt.

priscilla shirer discerning the voice of god viewer guide answers: Breathe Priscilla Shirer, 2014-09 The *Breathe Study Journal* includes 5 sessions of teaching by Priscilla Shirer with 4 weeks of homework in a reflective, journaling format. One of the greatest challenges among women

in our culture is taking time to stop and cease from all the activities and busyness and just breathe. We are in bondage to busyness. We constantly strive to complete the limitless to-do lists that hinder us from experiencing all that God has for us. We miss the moments because we rush ahead to the next thing. By neglecting time for tranquility, serenity, and repose, we limit our Christlikeness and miss out on some of God's greatest gifts. It is time for us to breathe and build margin into our lives for God. In the Old Testament, God instituted principles and laws that would transform the Israelites' mindset. He didn't just want them legally free; He wanted them to be able to walk in the freedom and enjoy it. So God gave them many gifts, including boundaries in which to enjoy those gifts. Sabbath was intended as a gift, and it is still a gift to us today. If you are weary, worn out, and exhausted the concept of Sabbath will change your life. Week 1 - The Freedom of Sabbath Week 2 - Stops Along the Sabbath Journey Week 3 - Double-Portion Friday Week 4 - Coming Into Focus Week 5 - Sabbath Margin Features: Biblically-rooted and gospel-centered teaching Leader material (guides to questions and discussion with small group) 5-session Study Journal with group components, personal components, and leader helps Personal study segments include 4 weeks of homework in a study journal for reflection and to help the learner spend time alone with God and Scripture Benefits: Biblical truth that's reliable Can be used in a variety of ways and has a lot of flexibility. It can be used by a group of any size in a church or another setting, small group in a home, or a weekend away as an individual or with a small group of women. An opportunity to explore the concept of Sabbath in both the Old and New Testaments Great study for personal growth and reflection on an individual basis For the weary, worn out, and exhausted this study could be life-changing as they acknowledge their bondage to busyness and learn that Sabbath was created by God before the fall Sets boundaries for those who believe they must always be doing something for God

priscilla shirer discerning the voice of god viewer guide answers: Life Interrupted Priscilla Shirer, 2011-03-01 From telemarketers to traffic jams to twenty-item shoppers in the ten-item line, our lives are full of interruptions. They're often aggravating, sometimes infuriating, and can make us want to tell people what we really think about them. But they also tell us something quite important about ourselves. The prophet Jonah's life was interrupted by a clear call of God that made him mad enough and scared enough to run in the completely opposite direction. Yet it wasn't really an interruption. It was an opportunity for Jonah to be involved in something the likes of which the Old Testament world had never seen: national revival in a Gentile country. What if Jonah had seen God's interruption for what it truly was—a divine intervention that held more adventure and possibility than any other thing he could have been doing at the time? What could have felt any better than being directly in the center of God's will? Yet we play it that same way—always running from major pains and minor problems that just don't seem to suit us at the time. Who knows what we're missing by being so interruption avoidant? In this very personal account of opportunities lost and lessons learned, popular conference speaker and author Priscilla Shirer shows how to embrace the amazing freedom and fulfillment that comes from going with God, even when He's going against your grain. .
