Questions Christians Can't Answer: Exploring Faith's Unknowns

Introduction:

Faith, for many Christians, is a journey of unwavering belief. Yet, even the most devout believer encounters questions that challenge their understanding of God, the Bible, and the world around them. This isn't necessarily a sign of weak faith, but a natural part of grappling with complex theological issues. This post delves into some of the persistent questions that Christians struggle to answer definitively, exploring the nuances and acknowledging the limitations of human understanding when confronted with the mysteries of faith. We'll examine these questions with respect, avoiding simplistic dismissals and instead encouraging a spirit of thoughtful inquiry. Our goal isn't to shake faith, but to strengthen it through honest engagement with difficult topics. Prepare to engage in a thoughtful exploration of faith's inherent paradoxes and enduring questions.

I. The Problem of Evil and Suffering:

This is perhaps the most enduring and challenging question for Christians. If God is all-powerful and all-loving, why does evil exist? Why do innocent people suffer? The traditional theological responses often invoke free will (humans choose evil), divine judgment (suffering as punishment), and the mysterious nature of God's plan. However, these answers often leave many feeling unsatisfied. The sheer scale of suffering in the world, from natural disasters to human cruelty, seems irreconcilable with an all-powerful, benevolent God. The question remains: how can we reconcile the existence of immense suffering with a belief in a loving and powerful God? This requires grappling with the complexities of free will, the nature of divine justice, and the limitations of human understanding of God's plan. It's a question that continues to inspire theological debate and personal reflection.

II. The Incompatibility of Science and Religion:

The apparent conflict between scientific findings and biblical accounts has been a source of tension for centuries. The age of the Earth, the origins of life, and the interpretation of Genesis are just a few examples of areas where science and religious belief seem to clash. While many Christians successfully integrate science and faith, finding harmony between empirical evidence and theological interpretations, others struggle to reconcile seemingly contradictory claims. The challenge lies in navigating the different approaches to knowledge: science's emphasis on empirical observation and testability versus faith's reliance on revelation and divine authority. Finding a balanced perspective often involves a careful examination of both scientific evidence and theological interpretations, acknowledging the limitations of each approach.

III. The Nature of the Trinity:

The concept of the Trinity - God as one being existing in three persons (Father, Son, and Holy Spirit) - is a central doctrine of Christianity but remains notoriously difficult to grasp. How can three distinct persons be one God? The Trinity defies simple explanation and is often described as a

mystery of faith, beyond complete human comprehension. Attempts to explain it through analogies often fall short, leaving believers to grapple with the paradox and accept it as an article of faith. The mystery of the Trinity highlights the limitations of human language and understanding when trying to comprehend the divine nature.

IV. The Exclusivity of Christianity:

The question of whether Christianity is the only path to salvation is a source of much debate. Some Christians hold to a strict exclusivity, believing that only through belief in Jesus Christ can one achieve salvation. Others adopt a more inclusive perspective, suggesting that God may work through other religions and paths. The tension stems from a desire to both be faithful to the scriptures while remaining open to the possibility of God's grace extending beyond the boundaries of one specific religious tradition. This raises questions about God's justice, mercy, and the nature of salvation itself. Finding a balanced perspective requires careful consideration of biblical texts and a willingness to engage in respectful dialogue with individuals of different faiths.

V. The Problem of Unanswered Prayers:

Many Christians experience unanswered prayers, leading to questions about God's power, goodness, and plan. Why doesn't God answer all prayers, even those offered with sincere faith and good intentions? Theological responses often emphasize God's sovereignty, suggesting that God knows what is best, even if it doesn't align with our desires. Other explanations point to the limitations of human understanding, acknowledging that we may not always know what is truly best for us. This issue forces a confrontation with the idea of a God who acts mysteriously and whose ways are beyond our complete grasp. It requires a reevaluation of the meaning of prayer and a deeper understanding of faith's reliance on trust, even in the face of apparent unanswered prayers.

VI. Dealing with Apostasy:

The reality of individuals leaving the Christian faith presents another significant challenge. Why do people who once professed faith turn away? Is it a sign of weak faith, or are there other factors at play? This question often prompts a self-examination of the church's practices, teachings, and the overall experience of faith. It highlights the importance of fostering environments of genuine support, understanding, and a realistic approach to spiritual journeys.

Article Outline:

Title: Questions Christians Can't Answer: Exploring Faith's Unknowns

Introduction: Briefly introduces the topic and the article's purpose.

Chapter 1: The Problem of Evil and Suffering: Explores the classic theological problem and its various interpretations.

Chapter 2: The Incompatibility of Science and Religion: Discusses the apparent conflict and potential resolutions.

Chapter 3: The Nature of the Trinity: Explores the complexities and paradoxes of the Trinity doctrine.

Chapter 4: The Exclusivity of Christianity: Examines different perspectives on salvation and religious pluralism.

Chapter 5: The Problem of Unanswered Prayers: Addresses the issue of unanswered prayers and their theological implications.

Chapter 6: Dealing with Apostasy: Discusses the reasons for people leaving the Christian faith.

Conclusion: Summarizes the key points and encourages further reflection.

(The body of this article above fulfills the outline.)

FAQs:

1. Are these questions meant to undermine faith? No, the goal is to encourage thoughtful engagement with complex issues.
2. Do all Christians struggle with these questions? Many do, but the intensity and nature of these struggles vary greatly.
3. Are there definitive answers to these questions? Not always; some remain mysteries of faith.
4. Why is it important to address these questions? Honest engagement strengthens faith and fosters intellectual growth.
5. Can faith coexist with doubt? Yes, doubt can be a catalyst for deeper understanding.
6. What role does community play in addressing these questions? Sharing struggles and perspectives within a supportive community is crucial.
7. How can I find resources to help me explore these questions? Books, theological studies, and discussions with mentors can be helpful.
8. Is it okay to admit I don't have all the answers? Yes, humility is essential in navigating these complex questions.
9. Does wrestling with these questions mean my faith is weak? Not necessarily; it can indicate a deepening faith and a desire for a more nuanced understanding.

questions christians can t answer: The Questions Christians Hope No One Will Ask Mark Mittelberg, 2010-10-29 2011 Retailers Choice Award winner! "Why are Christians against same-sex people getting married? . . . Why do you believe God exists at all? . . . Why would God allow evil and suffering? . . . Why trust the Bible when it's full of mistakes? . . . How could a loving God send people to hell? . . . What makes you think Jesus was more than just a good teacher? . . . Why are Christians so judgmental?" Some questions can stop a conversation. Today, more than ever, people are raising difficult, penetrating questions about faith, God, and the Bible. Based on an exclusive new Barna survey of 1,000 Christians, *The Questions Christians Hope No One Will Ask* presents compelling, easy-to-grasp answers to ten of the most troubling questions facing Christians today. These include everything from the existence of heaven to the issues of abortion and homosexuality, as well as the question of whether evolution eliminates our need for a God.

questions christians can t answer: Give Me an Answer Cliffe Knechtle, 1986-03-31 Cliffe Knechtle offers clear, reasoned and compassionate responses to the tough questions skeptics ask.

questions christians can t answer: Common Sense Atheism Barry Goldberg, 2017-09-29 For some atheists, it's enough to simply not believe in God. Some people believe, but you don't. And that's OK. Other atheists, however, find themselves constantly being asked to justify why they don't believe in God, to explain how they can possibly have morals without believing in God, to respond to various arguments that supposedly prove the existence of God, to acknowledge that America was founded as a Christian nation, etc. And if you don't have a background in philosophy, formal logic, comparative religions, ancient history, and various scientific fields, it can be a bit daunting to

attempt to respond to questions and assertions like these. Well, fear not! Common Sense Atheism is a collection of original essays that address these issues and many others in clear and easy to understand language, with just a dollop of humor to make it all go down smoothly. These essays will help you understand and explain to others why a lack of belief in God really is the only rational choice. After all, you shouldn't need a PhD to defend your lack of belief.

questions christians can't answer: Hard Questions, Real Answers William Lane Craig, 2003-10-17 Why doesn't God answer my prayers? If God is so powerful, why does evil exist? And if He is so good, why do we suffer? Nonbelievers, and even Christians, are often troubled by questions about suffering, doubt, failure, and unanswered prayer. Yet careful, compassionate answers are hard to find, in part because evangelicals have not taken the life of the mind seriously enough. The intellectual currents of our day are just too strong for simplistic responses. In *Hard Questions, Real Answers*, William Lane Craig doesn't offer trite phrases or pat answers—he offers honest insights gained from a life of study and ministry. Readers in the midst of doubt and confusion will find real answers to these perplexing questions and learn to stand on the only sure foundation for hope—God Himself. This expanded new edition includes chapters on abortion and homosexuality to help readers know how to think about these volatile social issues.

questions christians can't answer: Confronting Christianity Rebecca McLaughlin, 2019-04-17 Although many people suggest that Christianity is declining, research indicates that it continues to be the world's most popular worldview. But even so, the Christian faith includes many controversial beliefs that non-Christians find hard to accept. This book explores 12 issues that might cause someone to dismiss orthodox Christianity—issues such as the existence of suffering, the Bible's teaching on gender and sexuality, the reality of heaven and hell, the authority of the Bible, and more. Showing how the best research from sociology, science, and psychology doesn't disagree with but actually aligns with claims found in the Bible, these chapters help skeptics understand why these issues are signposts, rather than roadblocks, to faith in Christ.

questions christians can't answer: The Case for Christianity Answer Book Lee Strobel, 2014-08-12 Answers to the most-asked questions about Christian faith! *The Case for Christianity Answer Book* is a great book for both newer and seasoned Christians alike. The Q&A format lends itself to helping believers know how to effectively defend their faith. Perfect for those ready to consider Jesus, longtime believers, someone seeking the truth, or even a skeptic. This book is great for anyone looking for a handy reference. *The Case for Christianity Answer Book* provides succinct answers to real questions about Christianity. Strobel, a former atheist, uses his investigative journalism skills to dig deep into the Bible to provide compelling and concise answers about Christianity. In this answer book, bestselling author Lee Strobel offers biblically based answers to questions such as: Did God use evolution when He created the world? If God is loving, why is there so much suffering? Do the resurrection accounts in the four Gospels contradict each other? Can you have doubts and still be a Christian?

questions christians can't answer: A Manual for Creating Atheists Peter Boghossian, 2014-07-01 For thousands of years, the faithful have honed proselytizing strategies and talked people into believing the truth of one holy book or another. Indeed, the faithful often view converting others as an obligation of their faith—and are trained from an early age to spread their unique brand of religion. The result is a world broken in large part by unquestioned faith. As an urgently needed counter to this tried-and-true tradition of religious evangelism, *A Manual for Creating Atheists* offers the first-ever guide not for talking people into faith—but for talking them out of it. Peter Boghossian draws on the tools he has developed and used for more than 20 years as a philosopher and educator to teach how to engage the faithful in conversations that will help them value reason and rationality, cast doubt on their religious beliefs, mistrust their faith, abandon superstition and irrationality, and ultimately embrace reason.

questions christians can't answer: 10 Questions Every Christian Must Answer Alex McFarland, Elmer L. Towns, 2011 Respected scholars provide thorough yet accessible answers to the deep spiritual questions that most often challenge one's faith and the ability to share it with

others.

questions christians can t answer: 50 Simple Questions for Every Christian Guy P. Harrison, 2013 A friendly and conversational inquiry from a skeptic about basic Christian belief. Designed to promote constructive dialogue, Christians will find the book useful as a basis for developing their apologetics, while skeptics will welcome Harrison's probing rational analysis of religious claims.

questions christians can t answer: God's Problem Bart D. Ehrman, 2009-10-13 One Bible, Many Answers In *God's Problem*, the New York Times bestselling author of *Misquoting Jesus* challenges the contradictory biblical explanations for why an all-powerful God allows us to suffer.

questions christians can t answer: Reasonable Faith William Lane Craig, 2008 This updated edition by one of the world's leading apologists presents a systematic, positive case for Christianity that reflects the latest work in the contemporary hard sciences and humanities. Brilliant and accessible.

questions christians can t answer: Questions Christians Aren't Supposed to Ask James V. Brownson, 2021-06-18 Why should anyone believe in God in a world with so much pain? Why should I become a Christian when I find the public agenda of many Christians so offensive? I have been hurt by the church in the past. Why should I bother with it now? Most Christians have found themselves in conversations with nonbelieving friends and family where these kinds of questions have come up. In fact, most Christians have probably found themselves asking these questions too. But everyone who has ever wondered about such complicated things knows that this is dangerous territory—after all, what if there's no easy answer? This book welcomes and encourages these questions that Christians "aren't supposed to ask." In each chapter, James Brownson introduces a particular question and then reframes it with a relevant passage from the Bible, bringing to bear his expertise as a biblical scholar. Rather than providing dogmatic (and ultimately unsatisfying) "Sunday school answers," he explores the questions in provocative ways that often challenge the status quo of American Christianity. Fittingly, each chapter closes with discussion questions and suggestions for further reading, so that the conversations begun here can continue among the book's readers in fruitful ways.

questions christians can t answer: The God Questions, Exploring Life's Great Questions About God Hal Seed, Dan Grider, 2007-10 How do I know that God is real? Is the Bible really the Word of God, or is it just an ancient book? Why are Christians so exclusive? Is there really only one way to heaven? All of these are tough questions, but in *The God Questions*, they are addressed head on with hard-hitting facts that tell the truth. *The God Questions* gives brief, simple, and easy to understand answers to the eight key questions everyone asks about Christianity. Divided in 40 short, readable chapters, this book will help you understand God and the universe He created.'--Book cover

questions christians can t answer: Questioning the Bible Jonathan Morrow, 2014-07-15 The Bible is the most influential book in human history. But what are we supposed to do with it in the 21st century? And even more importantly, can it still be trusted as the Word of God? Confusion and doubt about the Bible are becoming as common inside the church as they are outside. Questions come from all sides: Is the Bible anti-intellectual? Has the biblical text been corrupted over the centuries? Who really chose the books of the Bible and why? Which interpretation of the Bible is correct? Are the gospels full of contradictions? There are an unprecedented number of sophisticated attacks on the origin, credibility, and reliability of the Bible today. Secularism has tried to undercut even the possibility of spiritual or moral knowledge. Skepticism toward institutional religion is at an all-time high. Yet, the Bible claims that truth is knowable and God is actively involved in our world. What are we to do? Pray for wisdom. Think clearly. Pick up your Bible. Read through the 11 major challenges presented in these pages. And be ready.

questions christians can t answer: Plugged In Dan Strange, 2019-05 Enjoy culture in a way that feeds your faith and helps you share it with others

questions christians can t answer: Think Christianly Jonathan Morrow, 2011-11-01 Think Christianly is about seizing the opportunities we have every day to speak the life Jesus offers into

our culture. Tragically, many such opportunities pass us by unclaimed—either because we don't notice them or we have not prepared ourselves to enter into them. And those around us seem to grow increasingly unwilling to hear anything the church has to say. Jonathan Morrow helps church leaders envision and implement ways for their congregations to "think Christianly" about contemporary questions and to speak in informed, engaging ways. Morrow explores many of the important issues that Christians often hear raised with regard to faith—questions about who Jesus was, the good and bad of religion, pain and evil in the world, the reliability of the Bible, sexuality and intimate relationships, and hope for change, among others. The life and faith issues that Think Christianly addresses lead to cultural moments where Christianity and contemporary culture intersect. This book will help churches take vital steps toward cultivating compassion and competence in speaking faithfully to a questioning world.

questions christians can t answer: 10 Questions Every Teen Should Ask (and Answer) about Christianity Rebecca McLaughlin, 2021-03-09 Written by Rebecca McLaughlin, Author of *Confronting Christianity* In a world of increasing ideological diversity, kids are being challenged to think through their own beliefs at an early age. Questions like How can you believe the Bible is true?; Why can't we just agree that love is love?; and Isn't Christianity against diversity? can seem like roadblocks for kids who are following Jesus, as well as for those who might otherwise consider faith in Christ. In this helpful book—written both for Christian kids and for those who think Jesus is just a fairy tale character—Rebecca McLaughlin invites readers ages 12-15 to dig deep into hard questions for themselves and perhaps discover that the things that once looked like roadblocks to faith might actually be signposts.

questions christians can t answer: *The Unsaved Christian* Dean Inerra, 2019-03-05 What to do when they say they're Christian but don't know Jesus Whether it's the Christmas and Easter Christians or the faithful church attenders whose hearts are cold toward the Lord, we've all encountered cultural Christians. They'd check the Christian box on a survey, they're fine with church, but the truth is, they're far from God. So how do we bring Jesus to this overlooked mission field? The Unsaved Christian equips you to confront cultural Christianity with honesty, compassion, and grace, whether you're doing it from the pulpit or the pews. This practical guide will: show you how to recognize cultural Christianity teach you how to overcome the barriers that get in the way give you easy-to-understand advice about VBS, holiday services, reaching "good people," and more! If you've ever felt stuck or unsure how to minister to someone who identifies as Christian but still needs Jesus, this book is for you.

questions christians can t answer: *Finding God in the Waves* Mike McHargue, 2016 'Science Mike' draws on his personal experience to tell the unlikely story of how science led him back to faith. Among other revelations, we learn what brain scans reveal about what happens when we pray, how fundamentalism affects the psyche, and how God is revealed not only in scripture, but in the night sky, in subatomic particles, and in us--Dust jacket flap.

questions christians can t answer: *Christianity for People Who Aren't Christians* James Emery White, 2019-11-05 I wish this book had been around when I was an atheist and started to seek God. It's a no-nonsense, practical, and insightful guide that will help all those on a quest for spiritual truth. If you're investigating whether there's any substance to the Christian faith, you must read this important book.--Lee Strobel, former award-winning legal editor of the Chicago Tribune and bestselling author of more than twenty books *** In our post-Christian age, the old answers for skeptics are no longer cutting it. Why? Because they largely seek to answer the wrong questions. Our world is changing, and while the gospel never changes, the way we talk about it and learn about it must. *Christianity for People Who Aren't Christians* answers both classic and bleeding-edge questions that skeptics have about the faith, such as - Is there a God? - Why do the life, death, and resurrection of Jesus matter? - Why is there so much suffering in the world? - Why do Christians think there is only one way to know God? - How do I reconcile the Bible's picture of Christ's followers with the actual Christians I know who have disappointed me? Covering such topics as astrophysics, social justice, and acceptance of the LGBTQ community, this one-of-a-kind book is

perfect for those skeptical of Christianity and for those who love them and want to keep the line of communication open.

questions christians can t answer: Why Do Christians Shoot Their Wounded? Dwight L. Carlson, 2009-09-20 It's no sin to hurt. Thousands of Christians suffer real emotional pain--such as depression, anxiety, obsessiveness. Many other Christians, including prominent leaders, believe emotional problems are the result of sin or bad choices. These attitudes often only add to the suffering of those who hurt. In this book Dwight Carlson marshals recent scientific evidence that demonstrates many emotional problems are just as physical or biological as diabetes, cancer and heart disease. While he never discounts personal responsibility, Carlson shows from both the Bible and up-to-date medicine why it really is no sin to hurt. Understandably and compellingly, Why Do Christians Shoot Their Wounded? brings profound help for those who hurt and those who counsel. For those who suffer, here is a powerful liberation from guilt. For those who care for the suffering, here is vivid proof that those in emotional pain deserve compassion, not condemnation.

questions christians can t answer: Talking with Your Kids about God Natasha Crain, 2017-10-17 Christian parenting is hard work--and it's getting harder. Parents have a deep desire to pass on their faith, but fear that today's increasingly skeptical and hostile world will eventually lead their kids to reject the truth of Christianity. That leaves many parents feeling overwhelmed--uncertain of what they can do to help their children, given the difficulty and extent of the faith challenges they will face. This practical and timely resource gives parents the confidence of knowing what to discuss with their children and how to discuss it in order to facilitate impactful conversations that will form the basis of a lifelong faith. In a friendly, parent-to-parent voice, Natasha Crain identifies 30 specific conversations about God that parents must have with their children, organizing them under the categories of - the existence of God - science and God - the nature of God - believing in God - the difference God makes Chapters are sequenced in a curriculum-oriented way to provide a cumulative learning experience, making this book a flexible resource for use in multiple settings: homes, church classes, youth groups, small groups, private Christian schools, and homeschools. Every chapter has a step-by-step conversation guide with discussion questions and tips, and content is readily adaptable for use with kids of any age (elementary through high school). Endorsements: My prayer is that God will use this book to both motivate and equip you to help your kids develop convictions about their faith.--From the foreword by Sean McDowell, PhD, Biola University professor, speaker, and author of more than eighteen books, including A New Kind of Apologist I can't think of a more relevant or more needed book for parents raising kids in today's culture. This book on apologetics will lead parents in critical conversations that will help grow and guide kids to be lifelong followers of Christ.--Kristen Welch, author of Raising Grateful Kids in an Entitled World Hey parents: Do you want to reduce the chances that your child will follow the crowd to the point of rejecting Christ and the values and truths you hold so dearly? Then you need to have the conversations that Natasha Crain so brilliantly describes in this book. Prevent heartbreak later by reading and heeding this book now!--Frank Turek, PhD, president of CrossExamined Ministries and author of I Don't Have Enough Faith to Be an Atheist and Stealing from God May this book lead to thousands more Moms and Dads engaging with their kids through an intelligent faith. And may there be tens of thousands more kids who feel loved because the adults in their lives take their questions seriously.--Jeff Myers, PhD, president, Summit Ministries

questions christians can t answer: When God Says "Wait" Elizabeth Laing Thompson, 2017-03-01 A job, a true love, a baby, a cure. . . We're all waiting for something from God. And the place between His answers can feel like a wasteland where dreams—and faith—go to die. When we're waiting, we wonder, "Why?", "Why me?", and "How long?" But the truth? . . . When God says, "Wait," He doesn't tell us for how long. When God says, "Wait," we face one of life's greatest tests. When God says, "Wait," we have decisions to make. When God says, "Wait," we can control only two things: how we wait, and who we become along the way. Author Elizabeth Laing Thompson invites you to walk alongside people of the Bible who had to wait on God. . .imperfect heroes like David, Miriam, Naomi, Sarah, Joseph, and others. Their stories will provide a roadmap for your own story,

helping you navigate the painful, lonely territory of waiting, coming out on the other side with your faith, relationships, and sense of humor intact. They might even help you learn to enjoy the ride. This book is about the journey of waiting, the space between answers, and the people we become while we live there.

questions christians can t answer: The 21 Toughest Questions Your Kids Will Ask about Christianity Alex McFarland, 2013-08-01 University apologist, director, and popular speaker Alex McFarland has spent the last two decades answering questions about Christian worldview and the Bible from children, teens, and parents. In *The 21 Toughest Questions Your Kids Will Ask about Christianity*, he summarizes questions today's children and teens are asking about God, the Bible, and the problem of evil. Alex's experiences have taught him that how adults answer questions about God is as important as, if not more important than, what kids ask. He provides parents with teaching strategies that will help them reach their children intellectually and spiritually. Today's kids and teens are looking for authenticity, integrity, and straightforward truth. Alex comes alongside parents and gives them tools to effectively answer not only their children's toughest academic questions but also the questions that plague their hearts.

questions christians can t answer: Letters from a Skeptic Dr. Gregory A. Boyd, Edward Boyd, 2010-01-01 Explore the profound dynamics between a Christian son and his skeptical father in this powerful book, as it delves into the big questions of Christianity with a compelling blend of intelligent answers and heartfelt faith. Greg Boyd and his father, Ed, were on opposite sides of a great divide. Greg was a newfound Christian, while his father was a longtime agnostic. So Greg offered his father an invitation: Ed could write with any questions on Christianity, and his son would offer a response. *Letters from a Skeptic* contains this special correspondence. The letters tackle some of today's toughest challenges facing Christianity, including: Do all non-Christians go to hell? How can we believe a man rose from the dead? Why is the world so full of suffering? How do we know the Bible was divinely inspired? Does God know the future? Each response offers insights into these difficult questions, while delivering intelligent answers that connect with both the heart and mind. Whether you're a skeptic, a believer, or just unsure, these letters can provide a practical, common-sense guide to the Christian faith.

questions christians can t answer: *All the Feels for Teens* Elizabeth Laing Thompson, 2021-10-05 "Part workbook, part self-help guide, part Bible study, this handbook is geared toward those who experience big feelings and could use some support navigating the challenges that come with this territory. . . . Overwhelmed teens can find validation in this faith-based guide." —Kirkus Reviews No one knows about having all the feels quite like teenage girls—but few girls know what to do with all those feelings. They can flit from giddy to anxious to insecure to in love—oops, wait, just kidding, out of love—to chill to stressed to ecstatic to despairing to rebellious to penitent to cynical to naïve to independent to clingy to selfish to selfless, all with a heaping side order of angst and adorkability, all in a span of hours . . . sometimes minutes. In other words: all the feels all the time. Christian teens need Bible-based help to show them that it's okay to feel deeply (after all, God himself is the Author of all feelings), but each of us must learn to train our emotions in the ways of Christ. As they learn how to deal with all the feels, girls need scriptural foundations, practical strategies, and the assurance that they are not weird—and never alone. Includes: Quizzes and interactive charts Journal questions Prayer prompts Scripture lists for different needs Discussion starters for mothers and daughters or mentors and mentees looking to learn together *All the Feels for Teens* pairs great with *All the Feels*, a book designed for adult women.

questions christians can t answer: *Revelation* , 1999-01-01 The final book of the Bible, *Revelation* prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the Beast will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

questions christians can t answer: The Christian and Government John MacArthur, 1986

questions christians can t answer: *What Did Jesus Look Like?* Joan E. Taylor, 2018-02-08 Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches,

icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

questions christians can t answer: Introduction to World Christian History Derek Cooper, 2016-06-03 In this brief history of the church from a global perspective, Derek Cooper explores the development of Christianity across time and the continents. Guiding readers to places like Iraq, Ethiopia and India, Scandanavia, Brazil and Oceania, he reveals the fascinating—and often surprising—history of the church.

questions christians can t answer: The Case Against Miracles John W. Loftus, 2019-11-22 For as long as the idea of miracles has been in the public sphere, the conversation about them has been shaped exclusively by religious apologists and Christian leaders. The definitions for what a miracles are have been forged by the same men who fought hard to promote their own beliefs as fitting under that umbrella. It's time for a change. Enter John W. Loftus, an atheist author who has earned three master's degrees from Lincoln Christian Seminary and Trinity Evangelical Divinity School. Loftus, a former student of noted Christian apologist William Lane Craig, got some of the biggest names in the field to contribute to this book, which represents a critical analysis of the very idea of miracles. Incorporating his own thoughts along with those of noted academics, philosophers, and theologians, Loftus is able to properly define miracle and then show why there's no reason to believe such a thing even exists. Addressing every single issue that touches on miracles in a thorough and academic manner, this compilation represents the most extensive look at the phenomenon ever displayed through the lens of an ardent nonbeliever. If you've ever wondered exactly what a miracle is, or doubted whether they exist, then this book is for you.

questions christians can t answer: Grill a Christian Roger Carswell, 2011-01-01

questions christians can t answer: Already Compromised Ken Ham, Greg Hall, Britt Beemer, 2011 arents and students sacrifice large sums of money for a Christian college education. Why? They are purchasing a guarantee their child's faith in God and the Bible will be guarded and developed. But is the Bible being taught? Will they graduate believing in the inerrancy of Scripture, the Flood of Noah's Day, and a literal six day creation?Apologetics powerhouse Ken Ham and Dr. Greg Hall reveal an eye opening assessment of 200 Christian colleges and universities. In an unprecedented 2010 study by America Research Group, college presidents, religion and science department heads were polled on critical areas of Scripture and core faith questions.

questions christians can t answer: The Christian Atheist Craig Groeschel, 2010-04-06 Are you putting your whole faith in God but still living as if everything is up to you? You may believe in God, attend church, and generally treat people with kindness...but are you living as if God doesn't exist? Have you surrendered to God completely, living every day depending upon the Holy Spirit? Pastor and bestselling author Craig Groeschel will lead you on a personal journey toward an authentic, God-honoring life. This honest, hard-hitting, and eye-opening look into the ways people believe in God but live as if he doesn't exist is a classic of discipleship training. Groeschel's personal journey will help you break down your own barriers between simple belief and a more intentional faith. This book will help you: Let go of the shame of your past and know that you're forgiven. Embrace Christ's profound love for you. Believe in the power of prayer. Give up control when life doesn't seem fair. Trust God with all your anxious thoughts, heartache, struggles, and pain. From the author of *Winning the War in Your Mind*, *The Christian Atheist* is a rallying cry to get honest with God, shed the self-sufficiency and the hypocrisy, and live a life that truly brings glory to Christ.

questions christians can t answer: Tough Topics Sam Storms, 2013-04-30 Will there be sex in heaven? Are miraculous gifts for today? Does God ever change His mind? Such difficult questions often intrigue us, readily confuse us, and sometimes disturb us. Drawing on nearly 40 years of

teaching and ministry experience, pastor-scholar Sam Storms answers 25 challenging questions Christians are often too afraid to ask, addressing thorny issues ranging from the eternal destiny of infants to the roles of demons and angels. The robust, thoughtful answers provided in this book offer a helpful alternative to relying on simplistic explanations, and will encourage you in the search for truth and clarity on such tough topics.

questions christians can't answer: God Can't Thomas Jay Oord, 2019-01-05 Hurting people ask heart-felt questions about God and suffering. Some answers they receive appeal to mystery: "God's ways are not our ways". Some answers say God allows evil for a greater purpose. Some say evil is God's punishment. The usual answers fail. They don't support the truth that God loves everyone all the time. God Can't gives a believable answer to why a good and powerful God doesn't prevent evil. Author Thomas Jay Oord says God's love is inherently uncontrolling. God loves everyone and everything, so God can't control anyone or anything. This means God cannot prevent evil singlehandedly. God can't stop evildoers, whether human, animal, organism, or inanimate objects and forces. In God Can't, Oord gives a plausible reason why some are healed, but many others are not. God always works to heal everyone, but sometimes our bodies, organisms, or other creatures do not cooperate with God's healing work. Or the conditions of creation are not right for the healing God wants to do. Some people think God causes or allows suffering to teach us lessons or build our character. God Can't disagrees. Oord says God squeezes good from the evil God didn't want in the first place. God uses pain and suffering without willing or even allowing it. Most people think God can overcome evil singlehandedly. In God Can't, Oord says God needs cooperation for love to reign now and later. This leads to a better view of the afterlife called "relentless love." It rejects traditional ideas of heaven, hell, and annihilation. Relentless love holds to the possibility all creatures and all creation will respond to God's love. God Can't is written in understandable language. As a world-renown theologian, Thomas Jay Oord brings credibility to the book's radical ideas. He explains these ideas through true stories, illustrations, and scripture. God Can't is for those who want answers to tragedy, abuse, and other evils that make sense! What They're Saying... "If conventional notions of God make less and less sense to you, you'll find Thomas Jay Oord's new book a breath of fresh air. Simply put, "God Can't" presents an understanding of God that thoughtful, ethical people can believe in." -- Brian D. McLaren, author of The Great Spiritual Migration I did not want this book to end. I wish Dr. Oord had written it 100 years ago, or 1000 years ago... To find your understanding of life and your love for God renewed, read this book. -- Dr. Karen Strand Winslow, Ph.D., Biblical and Jewish Studies Professor of Bible, Azusa Pacific University As a clinical psychologist working with people in trauma, I owe Thomas Jay Oord an enormous debt of gratitude for recasting the so-called problem of evil in terms that are conceptually satisfying, theologically consistent, and pastorally liberating." -- Dr Roger Bretherton- Principal Lecturer at the University of Lincoln (UK), Chair of the British Association of Christians in Psychology "Victims of trauma sometimes hear theological responses that imply their suffering is somehow "God's will. A more careful theological reflection on the nature of the power of a God who is love can help. Oord gives us a clear and compelling alternative in this profoundly insightful and admirably concrete and accessible book." -- Dr. Anna Case-Winters, Professor of Theology at McCormick Theological Seminary "I know of no book that speaks to suffering with the depth of theological sophistication and psychological sensitivity as God Can't. This book is a rare combination of depth and accessibility, truly written for the wounded. I recommend it to my students, parishioners, and therapy clients." -- Dr. Brad D. Strawn, Professor of the Integration of Psychology and Theology, Fuller Theological Seminary

questions christians can't answer: Truth for Life Alistair Begg, 2021-11-01 A year of gospel-saturated daily devotions from renowned Bible teacher Alistair Begg. Start with the gospel each and every day with this one-year devotional by renowned Bible teacher Alistair Begg. We all need to be reminded of the truth that anchors our life and excites and equips us to live for Christ. Reflecting on a short passage each day, Alistair spans the Scriptures to show us the greatness and grace of God, and to thrill our hearts to live as His children. His clear, faithful exposition and

thoughtful application mean that this resource will both engage your mind and stir your heart. Each day includes prompts to apply what you've read, a related Bible text to enjoy, and a plan for reading through the whole of the Scriptures in a year. The hardback cover and ribbon marker make this a wonderful gift.

questions christians can t answer: Why Evolution is True Jerry A. Coyne, 2010-01-14 For all the discussion in the media about creationism and 'Intelligent Design', virtually nothing has been said about the evidence in question - the evidence for evolution by natural selection. Yet, as this succinct and important book shows, that evidence is vast, varied, and magnificent, and drawn from many disparate fields of science. The very latest research is uncovering a stream of evidence revealing evolution in action - from the actual observation of a species splitting into two, to new fossil discoveries, to the deciphering of the evidence stored in our genome. Why Evolution is True weaves together the many threads of modern work in genetics, palaeontology, geology, molecular biology, anatomy, and development to demonstrate the 'indelible stamp' of the processes first proposed by Darwin. It is a crisp, lucid, and accessible statement that will leave no one with an open mind in any doubt about the truth of evolution.

questions christians can t answer: Letter from Birmingham Jail Martin Luther King, 2025-01-14 A beautiful commemorative edition of Dr. Martin Luther King's essay Letter from Birmingham Jail, part of Dr. King's archives published exclusively by HarperCollins. With an afterword by Reginald Dwayne Betts On April 16, 1923, Dr. Martin Luther King Jr., responded to an open letter written and published by eight white clergymen admonishing the civil rights demonstrations happening in Birmingham, Alabama. Dr. King drafted his seminal response on scraps of paper smuggled into jail. King criticizes his detractors for caring more about order than justice, defends nonviolent protests, and argues for the moral responsibility to obey just laws while disobeying unjust ones. Letter from Birmingham Jail proclaims a message - confronting any injustice is an acceptable and righteous reason for civil disobedience. This beautifully designed edition presents Dr. King's speech in its entirety, paying tribute to this extraordinary leader and his immeasurable contribution, and inspiring a new generation of activists dedicated to carrying on the fight for justice and equality.

questions christians can t answer: Questioning Christianity Dan Paterson, Rian Roux, 2021-06-02 Have you ever seriously questioned Christianity? If so, you're not alone. A lot of people have wondered if this faith is outdated . . . irrelevant . . . maybe even harmful. But what if everything is not as it seems? What if there's more to the story? Questioning Christianity explores the nature and relevance of the Christian story in an accessible and compelling way. No slogans. No politics. No simple solutions to complex problems. After many years of exploring issues of faith with skeptics, seekers, and new believers, Dan Paterson and Rian Roux serve as guides to help you navigate what can be a disorienting and confusing journey. Perhaps you're feeling lost, unable to find your bearings, and you need some help to map out the terrain around you. Or maybe you've encountered obstacles and have hard questions that need to be addressed before you can move ahead. Whatever it is that has made you curious about this faith, there are good answers waiting to be discovered. So go ahead. Question Christianity. Just give Christianity the chance to answer back.
