quiz on harry potter with answers: The Unauthorized Harry Potter Quiz Book Graeme Davis, 2008-06 This is a Harry Potter quiz book like no other. It won't be asking you questions like what school did Harry Potter go to? (If you are a Harry Potter fan, then of course you know the answer) Rather it asks questions which will develop your literary appreciation of the Harry Potter books and your general knowledge of the Harry Potter phenomenon. Some of these questions are easy, quite a few are fiendishly difficult, and several of them really don't have simple answers, but thinking about possible answers is what it is all about. Work through this quiz book (with an eye on the answers) and come out the other end with a much better understanding of the phenomenon that is Harry Potter. After each question, space is provided in which you may jot down your preliminary answer. In this quiz book there is a focus on the language used by J. K. Rowling. From alchemy to whomping via such gems as hallows and knickerbockers the books use a range of words which are not part of the everyday word stock of most speakers of English, and certainly not of most children. True fans of the Harry Potter series will want to know them There is a mass of information around the world of Harry Potter, some of it trivia (but fun), some key to our appreciation of the books. Also fans have realized that the books have some serious points to make. No book achieves anything approaching the success of the Harry Potter series unless it includes something that makes us all think. This Harry Potter Quiz Book aims to draw your attention to some of these big questions. Knowing the name of Harry Potter's school is not likely to change the life of any one of us, but thinking about the moral issues raised in the books might do just that.

quiz on harry potter with answers: *Lethal White* Robert Galbraith, 2018-09-18 An unsettling cold case investigation ensnares Cormoran Strike and his partner in a web of dangerous secrets in this #1 New York Times bestseller, the inspiration for HBO Max's acclaimed series C.B. Strike. When a troubled young man named Billy asks Cormoran Strike to help him investigate a crime he witnessed as a child, the private eye is left deeply troubled. While Billy is obviously mentally distressed and cannot remember many concrete details, there is something sincere about him and his story. But before Strike can question him further, Billy bolts from his office in a panic. Trying to get to the bottom of Billy's story, Strike and Robin Ellacott -- once his assistant, now a partner in the agency -- set off on a twisting trail that leads them through the backstreets of London, into a secretive inner sanctum within Parliament, and to a beautiful but sinister manor house deep in the countryside. And during this labyrinthine investigation, Strike's own life is far from straightforward. His newfound fame as a private eye means he can no longer operate behind the scenes as he once did. Plus, his relationship with his former assistant is more fraught than it ever has been; Robin is now invaluable to Strike in the business, but their personal relationship is much, much trickier than that. The most epic Robert Galbraith novel yet, *Lethal White* is addictive, murderous fun for British mystery lovers and crime fiction fans alike (Vox).

quiz on harry potter with answers: *Five Days in London, May 1940* John Lukacs, 1999-09-10 A "gripping [and] splendidly readable" portrait of the battle within the British War Cabinet—and Churchill's eventual victory—as Hitler's shadow loomed (The Boston Globe). From May 24 to May 28, 1940, members of Britain's War Cabinet debated whether to negotiate with Hitler or to continue what became known as the Second World War. In this magisterial work, John Lukacs takes us hour by hour into the critical events at 10 Downing Street, where Winston Churchill and his cabinet painfully considered their responsibilities. With the unfolding of the disaster at Dunkirk, and Churchill being in office for just two weeks and treated with derision by many, he did not have an easy time making his case—but the people of Britain were increasingly on his side, and he would prevail. This compelling narrative, a Washington Post bestseller, is the first to convey the drama and world-changing importance of those days. "[A] fascinating work of historical reconstruction."—The Wall Street Journal "Eminent historian Lukacs delivers the crown jewel to his long and distinguished career."—Publishers Weekly (starred review) "A must for every World War II buff."—Cleveland Plain Dealer "Superb...can be compared to such classics as Hugh Trevor-Roper's *The Last Days of Hitler* and Barbara Tuchman's *The Guns of August*."—Harper's Magazine
