Remote Senior Accounting Jobs: Your Guide to a Flexible and Rewarding Career

Introduction:

Are you a seasoned accounting professional yearning for a better work-life balance without sacrificing career advancement? The rise of remote work has opened up incredible opportunities for experienced accountants, offering flexibility, autonomy, and the chance to work from anywhere in the world. This comprehensive guide explores the exciting landscape of remote senior accounting jobs, providing insights into finding the perfect role, navigating the application process, and thriving in a virtual work environment. We'll delve into specific job titles, required skills, salary expectations, and crucial tips for landing your dream remote senior accounting position. Prepare to unlock a new level of career satisfaction and freedom.

I. The Growing Demand for Remote Senior Accounting Professionals:

The demand for remote senior accounting professionals is soaring. Companies across diverse industries are increasingly recognizing the benefits of a distributed workforce, leading to a surge in remote accounting positions. This shift is driven by several factors:

Cost Savings: Companies can reduce overhead costs associated with office space, utilities, and equipment.

Wider Talent Pool: Remote work expands the geographical reach, allowing companies to recruit top talent from anywhere globally.

Increased Productivity: Studies show that remote workers can often be more productive due to reduced distractions and flexible schedules.

Improved Employee Retention: Offering remote work options significantly improves employee satisfaction and retention rates.

Technological Advancements: Secure cloud-based accounting software and robust communication tools have made remote collaboration seamless.

II. Types of Remote Senior Accounting Jobs:

The world of remote senior accounting roles is diverse. Here are some common job titles you might encounter:

Remote Senior Accountant: This role typically involves handling a wide range of accounting tasks, including financial reporting, budgeting, forecasting, and internal controls.

Remote Senior Financial Analyst: These professionals analyze financial data, prepare reports, and provide insights to support strategic decision-making.

Remote Senior Audit Manager: These roles oversee audit teams, ensuring compliance with accounting standards and regulations. This often requires significant experience and certification (e.g., CPA).

Remote Senior Tax Accountant: Specializing in tax preparation and planning for individuals or businesses, often requiring specific tax certifications.

Remote Controller: This high-level position oversees all aspects of a company's financial operations.

Remote Staff Accountant (Senior Level): This role focuses on the day-to-day accounting functions of the company but with a broader scope and higher level of responsibility than a junior role.

III. Essential Skills and Qualifications for Remote Senior Accounting Jobs:

Landing a remote senior accounting position requires a robust skillset and experience. Here's what employers typically look for:

Advanced Accounting Knowledge: A strong understanding of generally accepted accounting principles (GAAP), IFRS, and relevant tax laws is paramount.

Proficiency in Accounting Software: Expertise in ERP systems (e.g., SAP, Oracle, NetSuite), accounting software (e.g., QuickBooks, Xero), and data analytics tools is essential.

Financial Reporting Expertise: The ability to prepare accurate and timely financial reports, including balance sheets, income statements, and cash flow statements, is crucial.

Data Analysis Skills: Analyzing financial data to identify trends, assess risks, and provide insightful recommendations is a key requirement.

Auditing Experience (for relevant roles): Experience in conducting audits, ensuring compliance, and identifying potential issues is essential for senior audit manager roles.

Tax Expertise (for relevant roles): Deep knowledge of tax laws and regulations is crucial for senior tax accountant roles.

Communication and Collaboration Skills: Effective communication (written and verbal) is vital for working remotely and collaborating effectively with colleagues and clients.

Problem-Solving and Analytical Skills: The ability to identify and resolve financial issues, analyze complex data, and make sound judgments is crucial.

Technical Proficiency: Familiarity with various technologies and the ability to adapt to new systems are essential.

Time Management and Organization: Self-discipline and strong organizational skills are critical for success in a remote work environment.

IV. Finding Remote Senior Accounting Jobs: A Strategic Approach:

Your job search strategy needs to be targeted and efficient. Here's how to effectively find remote senior accounting jobs:

Leverage Online Job Boards: Utilize job boards like LinkedIn, Indeed, Glassdoor, and specialized accounting job sites. Use targeted keywords such as "remote senior accountant," "work from home senior financial analyst," etc.

Network Strategically: Connect with professionals in your field on LinkedIn and attend virtual networking events.

Company Websites: Check the career pages of companies known for offering remote work opportunities.

Recruitment Agencies: Partner with recruitment agencies specializing in accounting and finance roles. Many agencies focus specifically on remote placements.

Freelance Platforms: Platforms like Upwork and Fiverr can offer short-term projects, which can lead to long-term remote opportunities.

V. The Remote Interview Process: Tips for Success:

Interviews for remote positions often differ slightly from traditional in-

person interviews. Here are some key tips:

Test Your Technology: Ensure your internet connection is stable, your webcam and microphone work perfectly, and you have a professional background.

Dress Professionally: Even though you're at home, dress as you would for an in-person interview.

Prepare for Technical Questions: Expect questions related to accounting principles, software proficiency, and your experience with specific tasks.

Highlight Your Remote Work Skills: Emphasize your self-discipline, time management, and communication skills.

Ask Thoughtful Questions: Prepare insightful questions to demonstrate your interest and engagement.

VI. Thriving in a Remote Senior Accounting Role:

Success in a remote senior accounting role requires proactive self-management and a strong work ethic. Here are some tips:

Establish a Dedicated Workspace: Create a professional and distraction-free workspace at home.

Maintain a Consistent Schedule: Stick to a regular work schedule to maintain productivity and balance.

Utilize Communication Tools Effectively: Master communication tools like Slack, Microsoft Teams, or Zoom to stay connected with colleagues.

Prioritize Self-Care: Maintain a healthy work-life balance to avoid burnout.

Continuously Upskill: Stay updated with the latest accounting software, industry trends, and regulations.

VII. Salary Expectations for Remote Senior Accounting Jobs:

Salary for remote senior accounting jobs varies based on experience, location, company size, and specific role. However, you can expect competitive compensation comparable to traditional in-person roles. Research salary data on sites like Glassdoor and Payscale to get a better understanding of salary ranges in your area of expertise.

VIII. Conclusion:

The transition to a remote senior accounting career offers a path to greater flexibility, work-life balance, and potentially higher earning potential. By strategically pursuing job opportunities, developing relevant skills, and mastering remote work best practices, you can unlock a rewarding and fulfilling career. The demand for skilled professionals is high, and with the right approach, you can secure your dream remote senior accounting job.

remote senior accounting jobs: Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison

Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “*Ask a Manager* is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

remote senior accounting jobs: Audit in the Public Sector Roger Buttery, Robert K. Simpson, 1989

remote senior accounting jobs: Revenue Officer United States. Internal Revenue Service, 1972

remote senior accounting jobs: *Pristine Seas* Enric Sala, Leonardo DiCaprio, 2015 National Geographic Explorer-in-Residence Enric Sala takes readers on an unforgettable journey to 10 places where the ocean is virtually untouched by man, offering a fascinating glimpse into our past and an inspiring vision for the future. From the shark-rich waters surrounding Coco Island, Costa Rica, to the iceberg-studded sea off Franz Josef Land, Russia, this incredible photographic collection showcases the thriving marine ecosystems that Sala is working to protect. Offering a rare glimpse into the world's underwater Edens, more than 200 images take you to the frontier of the Pristine Seas expeditions, where Sala's teams explore the breathtaking wildlife and habitats from the depths to the surface--thriving ecosystems with healthy corals and a kaleidoscopic variety of colorful fish and stunning creatures that have been protected from human interference. With this dazzling array of photographs that capture the beauty of the water and the incredible wildlife within it, this book shows us the brilliance of the sea in its natural state.--

remote senior accounting jobs: *Drawdown* Paul Hawken, 2017-04-18 • New York Times bestseller • The 100 most substantive solutions to reverse global warming, based on meticulous research by leading scientists and policymakers around the world “At this point in time, the *Drawdown* book is exactly what is needed; a credible, conservative solution-by-solution narrative that we can do it. Reading it is an effective inoculation against the widespread perception of doom that humanity cannot and will not solve the climate crisis. Reported by-effects include increased determination and a sense of grounded hope.” —Per Espen Stoknes, Author, *What We Think About When We Try Not To Think About Global Warming* “There’s been no real way for ordinary people to get an understanding of what they can do and what impact it can have. There remains no single, comprehensive, reliable compendium of carbon-reduction solutions across sectors. At least until now. . . . The public is hungry for this kind of practical wisdom.” —David Roberts, *Vox* “This is the ideal environmental sciences textbook—only it is too interesting and inspiring to be called a textbook.” —Peter Kareiva, Director of the Institute of the Environment and Sustainability, UCLA In the face of widespread fear and apathy, an international coalition of researchers, professionals, and scientists have come together to offer a set of realistic and bold solutions to climate change. One

hundred techniques and practices are described here—some are well known; some you may have never heard of. They range from clean energy to educating girls in lower-income countries to land use practices that pull carbon out of the air. The solutions exist, are economically viable, and communities throughout the world are currently enacting them with skill and determination. If deployed collectively on a global scale over the next thirty years, they represent a credible path forward, not just to slow the earth's warming but to reach drawdown, that point in time when greenhouse gases in the atmosphere peak and begin to decline. These measures promise cascading benefits to human health, security, prosperity, and well-being—giving us every reason to see this planetary crisis as an opportunity to create a just and livable world.

remote senior accounting jobs: Principal Account Clerk National Learning Corporation, 2018 The Principal Account Clerk Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. remote senior accounting jobs: Brave Thinking Mary Morrissey, 2023-05-23 Upgrade your mind to upgrade your life. What if you could accomplish your five-year plan in a matter of months? If that sounds impossible, you're not thinking bravely. Yet. In this transformational guide to changing your life for good, personal development expert and best-selling author Mary Morrissey shows you how to move from stasis to action--by changing the stories you tell yourself. Drawing from advancements in science, timeless principles from wisdom traditions, and her personal stories and insights, Morrissey gives you the tools to overcome common-hour thinking--the fact-based, linear way of processing reality that measures what is possible by what resources you believe are available to you--and replace it with the powerful alternative that is brave thinking. Where common-hour thinking is limiting and uncreative, brave thinking is expansive and imaginative, not limited by time or circumstance or even the past. Brave thinkers know that before something can exist in the real world, it must first exist in your mind. Then, it must be grounded in decisive action. If you want results in life that are different from the ones you currently have, you need a different operating system for your mind. It's time to install brave thinking, and start living the life you want.

remote senior accounting jobs: Fiscal Director National Learning Corporation, 2014 The Fiscal Director Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: administrative supervision; budgeting; general accounting and auditing; understanding and interpreting written and tabular material; and more.

remote senior accounting jobs: Remote Jason Fried, David Heinemeier Hansson, 2013-10-29 The classic guide to working from home and why we should embrace a virtual office, from the bestselling authors of Rework "A paradigm-smashing, compulsively readable case for a radically remote workplace."—Susan Cain, New York Times bestselling author of Quiet Does working from home—or anywhere else but the office—make sense? In Remote, Jason Fried and David Heinemeier Hansson, the founders of Basecamp, bring new insight to the hotly debated argument. While providing a complete overview of remote work's challenges, Jason and David persuasively argue that, often, the advantages of working "off-site" far outweigh the drawbacks. In the past decade, the "under one roof" model of conducting work has been steadily declining, owing to technology that is rapidly creating virtual workspaces. Today the new paradigm is "move work to the workers, rather

than workers to the workplace.” Companies see advantages in the way remote work increases their talent pool, reduces turnover, lessens their real estate footprint, and improves their ability to conduct business across multiple time zones. But what about the workers? Jason and David point out that remote work means working at the best job (not just one that is nearby) and achieving a harmonious work-life balance while increasing productivity. And those are just some of the perks to be gained from leaving the office behind. Remote reveals a multitude of other benefits, along with in-the-trenches tips for easing your way out of the office door where you control how your workday will unfold. Whether you’re a manager fretting over how to manage workers who “want out” or a worker who wants to achieve a lifestyle upgrade while still being a top performer professionally, this book is your indispensable guide.

remote senior accounting jobs: Principal Bookkeeper National Learning Corporation, 2012 The Principal Bookkeeper Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study.

remote senior accounting jobs: Accounting Best Practices Steven M. Bragg, 2016-03-22 ACCOUNTING BEST PRACTICES Seventh Edition Today's accounting staffs are called on to work magic: process transactions, write reports, improve efficiency, create new processes—all at the lowest possible cost, using an ever-shrinking proportion of total corporate expenses. Sound impossible? Not if your staff is using the best practices for accounting. Fully updated in a new edition, Accounting Best Practices, Seventh Edition draws from renowned accounting leader Steven Bragg's extensive experience in successfully developing, operating, and consulting various accounting departments. This invaluable resource has the at-your-fingertips information you need, whether you've been searching for ways to cut costs in your accounting department, or just want to offer more services without the added expense. The best practices featured in this excellent step-by-step manual constitute need-to-know information concerning the most advanced techniques and strategies for increasing productivity, reducing costs, and monitoring existing accounting systems. This new edition boasts over 400 best practices, with fifty new to this edition in the areas of taxation, finance, collections, general ledger, accounts payable, and billing. Now featuring a corresponding seven-minute podcast for each chapter found on the book's companion website, Accounting Best Practices is the perfect, do-it-yourself book for the manager who wants to significantly boost their accounting department.

remote senior accounting jobs: Disrupt Yourself Whitney Johnson, 2016-11-03 Thinkers50 Management Thinker of 2015 Whitney Johnson wants you to consider this simple, yet powerful, idea: disruptive companies and ideas upend markets by doing something truly different--they see a need, an empty space waiting to be filled, and they dare to create something for which a market may not yet exist. As president and cofounder of Rose Park Advisors' Disruptive Innovation Fund with Clayton Christensen, Johnson used the theory of disruptive innovation to invest in publicly traded stocks and private early-stage companies. In Disrupt Yourself, she helps you understand how the frameworks of disruptive innovation can apply to your particular path, whether you are: a self-starter ready to make a disruptive pivot in your business a high-potential individual charting your career trajectory a manager looking to instill innovative thinking amongst your team a leader facing industry changes that make for an uncertain future We are living in an era of accelerating disruption; no one is immune. Johnson makes the compelling case that managing the S-curve waves of learning and mastery is a requisite skill for the future. If you want to be successful in unexpected ways, follow your own disruptive path. Dare to innovate. Do something astonishing. Disrupt yourself.

remote senior accounting jobs: Fiscal Clerk National Learning Corporation, 2012 The Fiscal Clerk Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam.

remote senior accounting jobs: Career as an Accountant Institute for Career Research, 2014-06 Accounting is one of the most in-demand careers today, with more new jobs opening up every day. The opportunities available to accountants, auditors and similar professionals in the field

are expected to continue expanding as international business increases and more government regulations take effect. Accounting is rated among the top five careers by such publications as Forbes and CNN/Money, with new graduates earning an average of \$55,000 in their first year on the job. Accountants work with businesses, governments and other organizations to analyze and manage their finances. Accountants use spreadsheets and other computer applications to record, communicate and interpret financial results. They track transactions, recommend cost-cutting measures, and ensure that taxes are paid promptly and correctly. Accountants also help individuals and families file their taxes and manage their personal finances. Opportunities for accountants can be found in cities of all sizes across the country. Some accountants are employed directly by businesses, government agencies, not-for-profits, colleges and similar organizations. Others work for public accounting firms that are retained by organizations to provide financial services. Accountants may also be self-employed, such as those who specialize in providing tax services for families. A four-year degree from an accredited college or university is typically the minimum requirement to land your first job as an accountant. A graduate degree can be helpful, particularly for management positions or highly technical financial analysis work. Many accountants obtain professional licenses, most notable the Certified Public Accountant (CPA). State licensing requirements vary, but CPAs generally must obtain additional college credit hours, have experience working in the field, and pass a rigorous examination. Employment experts predict that the number of accounting and auditing jobs will grow by over 15 percent within the coming decade, as economic expansion drives the need for financial expertise. Accountants and auditors are paid on average \$65,000 a year, a significant increase from just \$60,000 only a few years ago, and earnings are expected to continue to track upward.

remote senior accounting jobs: Government Auditing Standards - 2018 Revision United States Government Accountability Office, 2019-03-24 Audits provide essential accountability and transparency over government programs. Given the current challenges facing governments and their programs, the oversight provided through auditing is more critical than ever. Government auditing provides the objective analysis and information needed to make the decisions necessary to help create a better future. The professional standards presented in this 2018 revision of Government Auditing Standards (known as the Yellow Book) provide a framework for performing high-quality audit work with competence, integrity, objectivity, and independence to provide accountability and to help improve government operations and services. These standards, commonly referred to as generally accepted government auditing standards (GAGAS), provide the foundation for government auditors to lead by example in the areas of independence, transparency, accountability, and quality through the audit process. This revision contains major changes from, and supersedes, the 2011 revision.

remote senior accounting jobs: *The New Rules of Work* Alexandra Cavoulacos, Kathryn Minshew, 2017 In this definitive guide to the ever-changing modern workplace, Kathryn Minshew and Alexandra Cavoulacos, the co-founders of popular career website TheMuse.com, show how to play the game by the New Rules. The Muse is known for sharp, relevant, and get-to-the-point advice on how to figure out exactly what your values and your skills are and how they best play out in the marketplace. Now Kathryn and Alex have gathered all of that advice and more in *The New Rules of Work*. Through quick exercises and structured tips, the authors will guide you as you sort through your countless options; communicate who you are and why you are valuable; and stand out from the crowd. *The New Rules of Work* shows how to choose a perfect career path, land the best job, and wake up feeling excited to go to work every day-- whether you are starting out in your career, looking to move ahead, navigating a mid-career shift, or anywhere in between--

remote senior accounting jobs: *The Accounting Game* Darrell Mullis, Judith Orloff, 2008-03-01 A clear, easy-to-understand explanation of key financial accounting basics. The world of accounting can be intimidating. Whether you're a manager, business owner, aspiring entrepreneur, or taking a college course in accounting, you'll find yourself need to know the basics...but baffled by complicated accounting books. What if learning accounting could be as simple and fun as running a

child's lemonade stand? It can. The Accounting Game presents financial information in a format so simple and so unlike a common accounting textbook, you may forget you're learning skills that will help you get ahead! Using the world of a child's lemonade stand to teach the basics of managing your finances, this book makes a dry subject fun and understandable. As you run your stand, you'll begin to understand and apply financial terms and concepts like assets, liabilities, earnings, inventory and notes payable, plus: Interactive format gives you hands-on experience Color-coded charts and worksheets help you remember key terms Step-by-step process takes you from novice to expert with ease Fun story format speeds retention of essential concepts Designed to apply what you learn to the real world The revolutionary approach of The Accounting Game takes the difficult subjects of accounting and business finance and makes them something you can easily learn, understand, remember and use! Praise for The Accounting Game: The game approach makes the subject matter most understandable. I highly recommend it to anyone frightened by either numbers or accountants. —John Hernandis, Director of Corporate Communications, American Greetings

Fantastic Learning Tool...Don't let this book title fool you. It is not an oversimplification of accounting and financial principles. It is, however, a serious and very effective examination of a very small but progressively complex business. There are not many books available on the market that make a complex and dry subject understandable and even fun. This book successfully does just that. —Amazon Reviewer

remote senior accounting jobs: Who Says Elephants Can't Dance? Louis V. Gerstner, 2003-12-16 Who Says Elephants Can't Dance? sums up Lou Gerstner's historic business achievement, bringing IBM back from the brink of insolvency to lead the computer business once again. Offering a unique case study drawn from decades of experience at some of America's top companies -- McKinsey, American Express, RJR Nabisco -- Gerstner's insights into management and leadership are applicable to any business, at any level. Ranging from strategy to public relations, from finance to organization, Gerstner reveals the lessons of a lifetime running highly successful companies.

remote senior accounting jobs: *Great Pajama Jobs* Kerry E. Hannon, 2020-08-25 Find out how to secure and thrive in a work-from-home or remote-access job. Get out of your work clothes and into pajamas for good! Did you fall in love with working from home during the months of coronavirus restrictions? Is working in your pajamas appealing? Do you want to earn some income on the side? In 2020, the workplace has been transformed and working from home has exploded. It may, in fact, be the new reality of working for many of us, some full-time, some as a hybrid work scenario. With some information and expert guidance, you can transform your workday, take control of your time, and explore exciting new opportunities. *Great Pajama Jobs: Your Complete Guide to Working from Home* is your playbook. Until recently, you may have gone to an office that was uninspiring or chaotic, or spent a large part of your busy day responding to emails and working on computer-tasks that could easily be accomplished from home. You may have spent hours commuting each day. Then too, you may be a military spouse in search of an ideal remote job to take with you to a new base, or you may need to manage your personal health issues or caregiving duties. Or you may simply want to inch a little closer to a more favorable work-life balance. The truth is you may need the autonomy and flexibility of working remotely for a myriad of reasons. *Great Pajama Jobs* is your ultimate guide to finding a job where you can work remotely and advance your career while working in pajamas (or certainly something more comfortable than traditional work garb). Learn the nuts and bolts of how to land a remote-access job you love that will allow you to thrive in your career or bring in extra income in retirement Discover up-to-date resources for finding a solid work from home job for professionals Read insightful interviews with professionals who have already made the move successfully Learn more about leading companies recognized for providing remote employment opportunities Explore great remote jobs in a variety of fields There's something here for everyone, a job-hunter's smorgasbord. No, this is not the master list of every job under the sun, but you'll discover plenty of ideas to spur your imagination about how you can make the most of your talents to create work that, well, works for you. Each job description follows this format: the nitty-gritty, pay range, and qualifications needed, with a smattering of job-hunting tips tossed in. In "Kerry's Great Pajama Jobs Workshop," you'll reap the benefits of professional advice and strategies with information to help you land that work-from-home job, including a resume revamp, the best online job boards for home-based positions, tips on time management and organizing a productive home office, tax advice, and help with saving for retirement when you're on your own. Working from home is here, and it's real. This year's work-from-home mandates for many workers around the world, due to the coronavirus, has pushed many employers to embrace and trust remote work. Technology has already boosted the phenomenal growth of home-based employment in recent years and continues to do so. Remote jobs are popular for a good reason. They save you commute time and allow you to focus on completing your work productively and successfully, and they typically provide employers significant cost savings as well. You have the flexibility to choose career opportunities that do not require you to commit long hours inside an office environment. Experience all that a more flexible position can offer when you look to the guidance found in this remote employment roadmap. If you land home office work, comfortable work clothing or even PJs may be your wardrobe of the future. *Great Pajama Jobs* will help you get on track to finding the best remote job for you.

remote senior accounting jobs: *Intimacy* A. Kakabadse, 2004-09-21 Sixty per cent of people at work admit to one or more intimate relationship. A recently completed international workplace survey highlights that many people intermingle their private and work lives. Time spent on tasks, the

intensity of team relationships and the sharing of common interests make work a multi-purpose site, satisfying personal needs as well as ambitions and career drives. Are managers prepared to face such challenges? No. However, through understanding workplace intimacy practices, firm guidance for managers is provided to better prepare them to address such sensitive encounters.

remote senior accounting jobs: *Over Work* Brigid Schulte, 2024-09-17 "Brigid Schulte is a vital voice on the future of work, and her carefully researched book lights the way to fewer hours, less stress, and more meaning." —Adam Grant, #1 New York Times bestselling author of *Think Again* and *Hidden Potential*, and host of the podcast *WorkLife* From the New York Times bestselling author of *Overwhelmed*, a deeply reported exploration of why American work isn't working and how our lives can be made more meaningful Following *Overwhelmed*, Brigid Schulte's groundbreaking examination of time management and stress, the prizewinning journalist now turns her attention to the greatest culprit in America's quality-of-life crisis: the way our economy and culture conceive of work. Americans across all demographics, industries, and socioeconomic levels report exhaustion, burnout, and the wish for more meaningful lives. This full-system failure in our structure of work affects everything from gender inequality to domestic stability, and it even shortens our lifespans. Drawing on years of research, Schulte traces the arc of our discontent from a time before the 1980s, when work was compatible with well-being and allowed a single earner to support a family, until today, with millions of people working multiple hourly jobs or in white-collar positions where no hours are ever off duty. She casts a wide net in search of solutions, exploring the movement to institute a four-day workweek, introducing Japan's Housewives Brigade—which demands legal protection for family time—and embedding with CEOs who are making the business case for humane conditions. And she demonstrates the power of a collective and creative demand for change, showing that work can be organized in an infinite number of ways that are good for humans and for business. Fiercely argued and vividly told, rich with stories and informed by deep investigation, *Over Work* lays out a clear vision for ending our punishing grind and reclaiming leisure, joy, and meaning.

remote senior accounting jobs: *The Routledge Handbook of Public Sector Accounting* Tarek Rana, Lee Parker, 2023-11-03 The Routledge Handbook of Public Sector Accounting explores new developments and transformations in auditing, management control, performance measurement, risk management and sustainability work in the contemporary world of the public sector and the functioning of accounting and management in that realm. It focuses on critical analysis and reflection with respect to changing risk and crisis management patterns in the public sector in the current Covid- 19 and post- Covid- 19 era, across diverse social, political and institutional settings globally. This research-based edited book, targeted at scholars, professionals, teachers and consultants in the fields of public sector accounting, auditing, accountability and management, offers high-level insights into the new architecture and execution of such activities in the emerging post-pandemic world. The chapters are written by leading scholars in the accounting and public administration disciplines internationally and provide important assessments, frameworks and recommendations concerning a wide variety of institutions, practices and policies with a view to addressing the many emerging societal, governmental and professional issues. Spanning theoretical, empirical and policy discussion contributions, the book's chapters will be readily accessible to accounting, auditing and management audiences alike.
