restore wellness pain management dr davida rixter: Stop the Insanity Susan Powter, 2010-06-01
You've seen Susan Powter on her phenomenally successful "Stop the Insanity" infomercial, on the Home show, and on The Susan Powter Show, bringing her message of health, hope and wellness to millions. Now in this runaway bestseller she gives women everywhere the step-by-step motivation to take control of their lives. What is insanity? ·A multimillion-dollar diet industry that fails to help women lose weight permanently ·A fitness industry that excludes the unfit ·Women hating the way they look and feel After her divorce, Susan Powter fell into a "fat come" that left her fat, unfit, and depressed. At more than 240 pounds, she courageously turned to the "experts"—the diet and fitness industries—for help. But she found, as millions of other have, that starvation and deprivation don't work, and that the diet and fitness industries work against women, setting them up for failure, ruining their health, taking their money, and giving them temporary, short-term answers. Then on her own Susan Powter discovered how to eat, breath, and move, to lose weight permanently and regain her health, strength, and sanity.

restore wellness pain management dr davida rixter: Conquer Your Chronic Pain Peter Abaci, 2016-05-23
An "empowering guide on how to win the battle against chronic pain and put an end to America's epidemic of pain killer addiction."—Vijay B. Vad, MD, author of Back Rx
Conquer Your Chronic Pain offers the millions of chronic-pain sufferers throughout the world a transformative model for pain management. Dr. Abaci is a pioneer in understanding the biopsychosocial aspect of chronic pain and patients' demands for a more holistic and personal approach to pain management. Dr. Abaci details his own struggle with injury, surgery, and conventional recovery and pain management, then offers a wide variety of case studies and clear explanations of the latest scientific research to reveal how chronic pain creates a brain-based disease that will only respond to integrated therapies. For two decades, Dr. Abaci's approach has helped transform the lives of thousands of people devastated by pain. If you are suffering from chronic pain and are tired of failed treatments and too many pills, relief starts here! "A must-read for anyone living with pain. Following Dr. Abaci's simple steps, you will learn important tools to not only manage (and heal) pain, but also reclaim happiness, purpose, and overall wellness in life."—Paul Gileno, founder & president, U.S. Pain Foundation "A powerful tool for pain patients who don't understand why the pain management system needs changes."—Barby Ingle, president, Power of Pain Foundation "The book will show people in pain how to change their lives for the better, and gives physicians, practitioners of complementary therapies, and caregivers insight into how to more fully help those in their care."—Foreword

restore wellness pain management dr davida rixter: Healing Power of You Dr. Keith Poorbaugh, 2020-06-24 When you hurt, you want answers. What caused the pain, and what can you do to recover? For people struggling with persistent or recurrent pain, however, those answers are difficult or impossible to obtain. Even so, it is possible to live a life with less pain—to heal and be well. In *Healing Power of You*, Dr. Keith Poorbaugh shares insights from his personal and clinical experience to help explain the cause of musculoskeletal pain. He then offers a rationale based upon recent scientific evidence demonstrating the danger of choosing a medical fix rather than the path toward wellness and healing. Every well human moves to heal, and you can rediscover the true nature of tissue healing to foster natural pain relief from musculoskeletal conditions. Take the opportunity to explore current knowledge on the mystery of healing from pain. Science is always changing, but one thing remains true and constant: the musculoskeletal system is designed to heal. Designed for those suffering from chronic pain, this guide presents a solution-based approach to pain relief that encourages healing and lifestyle changes for improved wellness.
