RFK Jr. Wellness Farms: A Deep Dive into the Controversial Venture

Are you curious about Robert F. Kennedy Jr.'s foray into the world of wellness farms? This isn't just another celebrity endorsement; it's a complex story interwoven with discussions of sustainable agriculture, holistic health, and significant controversy. This in-depth blog post will explore the multifaceted aspects of RFK Jr.'s wellness farms, examining the promises, the practices, the criticisms, and the potential impact on the landscape of health and wellness. We'll delve into the details, providing you with a comprehensive overview and unbiased perspective on this intriguing and often debated topic. Prepare to uncover the truth behind the headlines and understand the real story of RFK Jr. Wellness Farms.

What are RFK Jr. Wellness Farms? Defining the Concept

The term "RFK Jr. Wellness Farms" isn't a single, officially branded entity. Instead, it refers to a broader movement and several associated initiatives spearheaded (or at least, strongly associated with) Robert F. Kennedy Jr. It encompasses a philosophy centered around regenerative agriculture, holistic health, and community-based wellness. The core idea revolves around creating farming systems that prioritize soil health, biodiversity, and the overall wellbeing of both the environment and the people consuming the produce. This goes beyond simply organic farming; it's about a deeper connection between food, land, and community well-being.

While there isn't a specific, large-scale operation called "RFK Jr. Wellness Farms," his public statements, advocacy, and affiliations with various farms and initiatives have solidified this association in the public consciousness. He frequently champions farms adopting regenerative agricultural practices, often highlighting their benefits for human health and environmental sustainability.

The Core Principles: Regenerative Agriculture and Holistic Health

RFK Jr.'s approach to wellness farms rests on two foundational pillars: regenerative agriculture and holistic health. Regenerative agriculture focuses on rebuilding soil health through practices like cover cropping, crop rotation, and minimizing tillage. This approach aims to sequester carbon, improve water retention, and enhance biodiversity – ultimately creating a more resilient and sustainable farming system.

Holistic health, as it relates to these farms, emphasizes the interconnectedness of physical, mental, and environmental wellbeing. The belief is that consuming food grown through regenerative methods contributes positively to overall health, reducing exposure to harmful chemicals and promoting a more balanced diet. This philosophy often aligns with movements promoting locally sourced food and reduced reliance on industrial agriculture.

The Controversy Surrounding RFK Jr.'s Involvement

Despite the seemingly positive goals, RFK Jr.'s involvement in promoting these farms isn't without controversy. His strong stances on various health-related issues, some bordering on misinformation or pseudoscience, have drawn significant criticism. This has cast a shadow over the farms associated with him, leading to skepticism regarding their authenticity and the validity of their claims. Critics argue that his association can lend undeserved credibility to potentially unsubstantiated claims about the benefits of certain farming practices or dietary approaches.

Furthermore, the lack of a clearly defined, centrally managed "RFK Jr. Wellness Farms" entity makes it difficult to verify the claims made about the farms' practices and the impact they're having. This lack of transparency contributes to the ongoing debate surrounding his involvement.

Examining the Claims: Are These Farms Truly Revolutionary?

Determining whether RFK Jr.-associated wellness farms are truly revolutionary requires careful examination. While regenerative agriculture itself is a scientifically supported approach with documented environmental benefits, the extent to which these farms embody its principles and deliver on the promised health improvements requires further scrutiny. Independent verification of claims regarding soil health, nutrient content, and impact on human health is crucial.

Many of the claims surrounding these farms are anecdotal, based on personal testimonies and less on rigorous scientific research. While anecdotal evidence can be valuable, it should not be considered definitive proof of effectiveness. More robust studies are necessary to solidify the claims made about the health benefits of food grown on these farms.

The Future of RFK Jr. Wellness Farms and the Broader Movement

Despite the controversies, the movement toward regenerative agriculture and community-focused wellness continues to grow. Whether or not RFK Jr. remains a prominent figurehead in this movement remains to be seen. However, the underlying principles of sustainable farming and holistic health are gaining wider acceptance. The future will likely see increased focus on transparency, rigorous research, and stricter standards to ensure that the promises of wellness farms are backed by verifiable evidence.

The key takeaway is that the concept of wellness farms—centered around regenerative agriculture and holistic health—holds significant promise. However, separating valid scientific claims from potentially misleading statements requires careful discernment and a critical eye. Consumers should be informed and empowered to make choices based on robust evidence, rather than celebrity endorsements alone.

Conclusion

RFK Jr.'s association with wellness farms highlights a growing interest in sustainable agriculture and holistic health. While the movement holds significant potential, it's vital to approach the subject with critical analysis, separating credible scientific claims from potentially exaggerated or

unsubstantiated assertions. The future success of this movement hinges on transparency, rigorous research, and a commitment to verifiable results. The conversation surrounding RFK Jr. Wellness Farms is far from over, but it serves as an important catalyst for a broader discussion about the future of food and wellness.

FAQs

1. Is there a single, centralized "RFK Jr. Wellness Farms" organization? No, the term refers to a loosely connected group of farms and initiatives associated with RFK Jr. through advocacy and shared philosophy.
1. What specific agricultural practices are employed by these farms? The farms generally utilize regenerative agriculture methods such as cover cropping, crop rotation, no-till farming, and composting, but specific practices vary depending on the individual farm.
1. What are the alleged health benefits of food grown on these farms? Proponents claim increased nutrient density, reduced exposure to harmful chemicals, and overall improved health outcomes. However, these claims lack substantial scientific backing.
1. How can I find farms that align with the philosophy of RFK Jr. Wellness Farms? Search for farms employing regenerative agriculture practices in your local area or online. Look for certifications and transparency in their farming practices.
1. Is Robert F. Kennedy Jr. directly involved in the daily operations of these farms? There's no evidence suggesting direct day-to-day involvement. His role is primarily one of advocacy and promotion of the broader concept of wellness farms.

rfk jr wellness farms: The Skinny Confidential Lauryn Evarts, 2014-03-04 A comprehensive collection of lifestyle information, including tips on eating, exercising, and fashion.

rfk jr wellness farms: No Dig Charles Dowding, 2022-09-06 Work in partnership with nature to nurture your soil for healthy plants and bumper crops - without back-breaking effort! Have you ever wondered how to transform a weedy plot into a thriving vegetable garden? Well now you can! By following the simple steps set out in No Dig, in just a few short hours you can revolutionize your vegetable patch with plants already in the ground from day one! Charles Dowding is on a mission to teach that there is no need to dig over the soil, but by minimizing intervention you are actively

boosting soil productivity. In fact, The less you dig, the more you preserve soil structure and nurture the fungal mycelium vital to the health of all plants. This is the essence of the No Dig system that Charles Dowding has perfected over a lifetime growing vegetables. So put your gardening gloves on and get ready to discover: - Guides and calendars of when to sow, grow, and harvest. - Inspiring information and first-hand guidance from the author - "Delve deeper" features look in-depth at the No Dig system and the facts and research that back it up. - The essential role of compost and how to make your own at home. - The importance of soil management, soil ecology, and soil health. Now one of the hottest topics in environmental science, this wood-wide web has informed Charles's practice for decades, and he's proven it isn't just trees that benefit - every gardener can harness the power of the wood-wide web. Featuring newly-commissioned step-by-step photography of all stages of growing vegetables and herbs, and all elements of No Dig growing, shot at Charles's beautiful market garden in Somerset, you too will be able to grow more veg with less time and effort, and in harmony with nature - so join the No Dig revolution today! A must-have volume for followers of Charles Dowding who fervently believe in his approach to low input, high yield gardening, as well as gardeners who want to garden more lightly on the earth, with environmentally friendly techniques like organic and No Dig.

rffk jr wellness farms: The Cat's Table Michael Ondaatje, 2012-06-12 From Michael Ondaatje: an electrifying novel, by turns thrilling and deeply moving—one of his most vividly rendered and compelling works of fiction to date. In the early 1950s, an eleven-year-old boy boards a huge liner bound for England. At mealtimes, he is placed at the lowly Cat's Table with an eccentric and unforgettable group of grownups and two other boys. As the ship makes its way across the Indian Ocean, through the Suez Canal, into the Mediterranean, the boys find themselves immersed in the worlds and stories of the adults around them. At night they spy on a shackled prisoner—his crime and fate a galvanizing mystery that will haunt them forever. Looking back from deep within adulthood, and gradually moving back and forth from the decks and holds of the ship to the years that follow the narrator unfolds a spellbinding and layered tale about the magical, often forbidden discoveries of childhood and the burdens of earned understanding, about a life-long journey that began unexpectedly with a sea voyage.

rffk jr wellness farms: Danielle Walker's Against All Grain Celebrations Danielle Walker, 2016-09-27 NEW YORK TIMES BESTSELLER • 125 recipes for grain-free, dairy-free, and gluten-free comfort food dishes for holidays and special occasions NAMED ONE OF THE FIVE BEST GLUTEN-FREE COOKBOOKS OF ALL TIME BY MINDBODYGREEN When people adopt a new diet for health or personal reasons, they worry most about the parties, holidays, and events with strong food traditions, fearing their fond memories will be lost along with the newly eliminated food groups. After suffering for years with a debilitating autoimmune disease and missing many of these special occasions herself, Danielle Walker has revived the joy that cooking for holidays can bring in Danielle Walker's Against All Grain Celebrations, a collection of recipes and menus for twelve special occasions throughout the year. Featuring a variety of birthday cakes, finger foods to serve at a baby or bridal shower, and re-creations of backyard barbecue standards like peach cobbler and corn bread, Danielle includes all of the classics. There's a full Thanksgiving spread—complete with turkey and stuffing, creamy green bean casserole, and pies—and menus for Christmas dinner; a New Year's Eve cocktail party and Easter brunch are covered, along with suggestions for beverages and cocktails and the all-important desserts. Recipes can be mixed and matched among the various occasions, and many of the dishes are simple enough for everyday cooking. Stunning full-color photographs of every dish make browsing the pages as delightful as cooking the recipes, and beautiful party images provide approachable and creative entertaining ideas. Making recipes using unfamiliar ingredients can cause anxiety, and while trying a new menu on a regular weeknight leaves some room for error, the meal simply cannot fail when you have a table full of guests celebrating a special occasion. Danielle has transformed her most cherished family traditions into trustworthy recipes you can feel confident serving, whether you're hosting a special guest with food allergies, or cooking for a crowd of regular grain-eaters.

rfk jr wellness farms: Plant Over Processed Andrea Hannemann, 2020-12-29 A NATIONAL BESTSELLER! Trust in nature. Believe in balance. Eat the rainbow! Andrea Hannemann, aka Earthy Andy, presents a guide to plant-based eating that is simple, delicious, and fun. INCLUDES A 30-DAY PLANT OVER PROCESSED CHALLENGE Andrea Hannemann, known as Earthy Andy to her more than one million Instagram followers, believes that food is the fuel of life, and that consuming a nourishing, plant-based diet is the gateway to ultimate health. Andy's mantra, "plant over processed," embodies the way she eats and feeds her family of five in their home in Oahu, Hawaii. But it wasn't always this way. Andy was once addicted to sugar and convenience foods and suffering from a host of health issues that included IBS, Celiac disease, hypothyroidism, asthma, brain fog, and chronic fatigue. Fed up with spending time and money on specialists, supplements, and fad diets, she quit animal products and processed foods cold turkey, and embarked on a new way of eating that transformed her health and her body. In *Plant Over Processed*, Andy invites readers to join her on a "30-Day Plant Over Processed Challenge" that will detox the body, followed by a long-term plan for going plant-based without giving up your favorite dishes. Packed with gorgeous photography and mouth-watering recipes—from smoothies and bliss bowls to plant-based comfort and decadent desserts—this life-changing guide takes you to the North Shore of Hawaii and back, showing you how easy it is to eat plant-based, wherever you are.

rfk jr wellness farms: JFK and the Unspeakable James W. Douglass, 2010-10-19 THE ACCLAIMED BOOK, NOW IN PAPERBACK, with a reading group guide and a new afterword by the author. At the height of the Cold War, JFK risked committing the greatest crime in human history: starting a nuclear war. Horrified by the specter of nuclear annihilation, Kennedy gradually turned away from his long-held Cold Warrior beliefs and toward a policy of lasting peace. But to the military and intelligence agencies in the United States, who were committed to winning the Cold War at any cost, Kennedy's change of heart was a direct threat to their power and influence. Once these dark Unspeakable forces recognized that Kennedy's interests were in direct opposition to their own, they tagged him as a dangerous traitor, plotted his assassination, and orchestrated the subsequent cover-up. Douglass takes readers into the Oval Office during the tense days of the Cuban Missile Crisis, along on the strange journey of Lee Harvey Oswald and his shadowy handlers, and to the winding road in Dallas where an ambush awaited the President's motorcade. As Douglass convincingly documents, at every step along the way these forces of the Unspeakable were present, moving people like pawns on a chessboard to promote a dangerous and deadly agenda.

rfk jr wellness farms: Ladyparts Deborah Copaken, 2023-10-24 A frank, witty, and dazzlingly written memoir of one woman trying to keep it together while her body falls apart—from the "brilliant mind" (Michaela Coel, creator of *I May Destroy You*) behind Shutterbabe "The most laugh-out-loud story of resilience you'll ever read and an essential road map for the importance of narrative as a tool of healing."—Lori Gottlieb, bestselling author of *Maybe You Should Talk to Someone* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE I'm crawling around on the bathroom floor, picking up pieces of myself. These pieces are not a metaphor. They are actual pieces. Twenty years after her iconic memoir *Shutterbabe*, Deborah Copaken is at her darkly comedic nadir: battered, broke, divorcing, dissected, and dying—literally—on sexism's battlefield as she scoops up what she believes to be her internal organs into a glass container before heading off to the hospital . . . in an UberPool. *Ladyparts* is Copaken's irreverent inventory of both the female body and the body politic of womanhood in America, the story of one woman brought to her knees by the one-two-twelve punch of divorce, solo motherhood, healthcare Frogger, unaffordable childcare, shady landlords, her father's death, college tuitions, sexual harassment, corporate indifference, ageism, sexism, and plain old bad luck. Plus seven serious illnesses, one atop the other, which provide the book's narrative skeleton: vagina, uterus, breast, heart, cervix, brain, and lungs. Copaken bounces back from each bum body part, finds workarounds for every setback—she transforms her home into a commune to pay rent, sells her soul for health insurance, turns FBI informant when her sexual harasser gets a presidential appointment—but in her slippery struggle to survive a steep plunge off the middle-class ladder, she is suddenly awoken to what it means to have

no safety net. Side-splittingly funny one minute, a freak horror show the next, quintessentially American throughout, *Ladyparts* is an era-defining memoir.

rfk jr wellness farms: *Kid Food* Bettina Elias Siegel, 2019 In *Kid Food*, nationally recognized food writer Bettina Elias Siegel (New York Times, The Lunch Tray) explores the cultural delusions and industry deceptions that have made it all but impossible to raise a healthy eater in America. Combining first-person reporting with the hard-won understanding of a food advocate and parent, it presents a startling portrayal of the current food landscape for children -- and the role of individual parents in navigating it.

rfk jr wellness farms: *Underestimated* J. B. Handley, Jamison Handley, 2021-03-23 The incredibly moving and inspiring story about a quest to finally be heard. In *Underestimated: An Autism Miracle*, Generation Rescue's cofounder J.B. Handley and his teenage son Jamison tell the remarkable story of Jamison's journey to find a method of communication that allowed him to show the world that he was a brilliant, wise, generous, and complex individual who had been misunderstood and underestimated by everyone in his life. Jamison's emergence at the age of seventeen from his self-described "prison of silence" took place over a profoundly emotional and dramatic twelve-month period that is retold from his father's perspective. The book reads like a spy thriller while allowing the reader to share in the complex emotions of both exhilaration and anguish that accompany Jamison's journey for him and his family. Once Jamison's extraordinary story has been told, Jamison takes over the narrative to share the story from his perspective, allowing the world to hear from someone who many had dismissed and cast aside as incapable. Jamison's remarkable transformation challenges the conventional wisdom surrounding autism, a disability impacting 1 in 36 Americans. Many scientists still consider nonspeakers with autism—a full 40 percent of those on the autism spectrum—to be "mentally retarded." Is it possible that the experts are wrong about several million people? Are all the nonspeakers like Jamison? *Underestimated: An Autism Miracle* will touch your heart, inspire you, remind you of the power of love, and ultimately leave you asking tough questions about how many more Jamisons might be waiting for their chance to be freed from their prison of silence, too. And, for the millions of parents of children with autism, the book offers a detailed description of a communication method that may give millions of people with autism back their voice.

rfk jr wellness farms: *Jackie's Girl* Kathy McKeon, 2017-05-09 A coming-of-age memoir by a young woman who spent thirteen years as Jackie Kennedy's personal assistant and occasional nanny--and the lessons about life and love she learned from the glamorous [former] first lady--Amazon.com.

rfk jr wellness farms: *Bobby Kennedy* Chris Matthews, 2017-10-31 In Chris Matthews's New York Times bestselling portrait of Robert F. Kennedy, "Readers witness the evolution of Kennedy's soul. Through tragedy after tragedy we find the man humanized" (Associated Press). With his bestselling biography *Jack Kennedy*, Chris Matthews profiled one of America's most beloved Presidents and the patriotic spirit that defined him. Now, with *Bobby Kennedy*, Matthews provides "insight into [Bobby's] spirit and what drove him to greatness" (New York Journal of Books) in his gripping, in-depth, behind-the-scenes look at one of the great figures of the American twentieth century. Overlooked by his father, and overshadowed by his war-hero brother, Bobby Kennedy was a perpetual underdog. When he had the chance to become a naval officer like his older brother, Bobby turned it down, choosing instead to join the Navy as a common sailor. It was a life-changing experience that led him to connect with voters from all walks of life: young and old, black and white, rich and poor. They were the people who turned out for him in his 1968 campaign. RFK would prove himself to be the rarest of politicians—both a pragmatist who knew how to get the job done and an unwavering idealist who could inspire millions. Drawing on extensive research and interviews, Matthews pulls back the curtain on the private world of Robert Francis Kennedy. Matthew illuminates the important moments of his life: from his early years and his start in politics, to his crucial role as attorney general in his brother's administration and, finally, his tragic run for president. This definitive book brings Bobby Kennedy to life like never before.

rfk jr wellness farms: The Cake Book Rebecca Firth, 2021-12-07 Every Occasion is Better with Cake Rebecca Firth, best-selling author of *The Cookie Book*, is back with the cake party you've been looking for! Fulfill all of your cake needs for any occasion with breakfast cakes, petite cakes, Bundt cakes, snacking cakes and stunning layered cakes. rfk jr wellness farms: *The Psychology of Totalitarianism* Mattias Desmet, 2022-06-23 The world is in the grips of mass formation—a dangerous, collective type of hypnosis—as we bear witness to loneliness, free-floating anxiety, and fear giving way to censorship, loss of privacy, and surrendered freedoms. It is all spurred by a singular, focused crisis narrative that forbids dissident views and relies on destructive groupthink. Desmet's work on mass formation theory was brought to the world's attention on *The Joe Rogan Experience* and in major alternative news outlets around the globe. Read this book to get beyond the sound bites! Totalitarianism is not a coincidence and does not form in a vacuum. It arises from a collective psychosis that has followed a predictable script throughout history, its formation gaining strength and speed with each generation—from the Jacobins to the Nazis and Stalinists—as technology advances. Governments, mass media, and other mechanized forces use fear, loneliness, and isolation to demoralize populations and exert control, persuading large groups of people to act against their own interests, always with destructive results. In *The Psychology of Totalitarianism*, world-renowned Professor of Clinical Psychology Mattias Desmet deconstructs the societal conditions that allow this collective psychosis to take hold. By looking at our current situation and identifying the phenomenon of “mass formation”—a type of collective hypnosis—he clearly illustrates how close we are to surrendering to totalitarian regimes. With detailed analyses, examples, and results from years of research, Desmet lays out the steps that lead toward mass formation, including: An overall sense of loneliness and lack of social connections and bonds A lack of meaning—unsatisfying “bullsh*t jobs” that don't offer purpose Free-floating anxiety and discontent that arise from loneliness and lack of meaning Manifestation of frustration and aggression from anxiety Emergence of a consistent narrative from government officials, mass media, etc., that exploits and channels frustration and anxiety In addition to clear psychological analysis—and building on Hannah Arendt's essential work on totalitarianism, *The Origins of Totalitarianism*—Desmet offers a sharp critique of the cultural “groupthink” that existed prior to the pandemic and advanced during the COVID crisis. He cautions against the dangers of our current societal landscape, media consumption, and reliance on manipulative technologies and then offers simple solutions—both individual and collective—to prevent the willing sacrifice of our freedoms. “We can honor the right to freedom of expression and the right to self-determination without feeling threatened by each other,” Desmet writes. “But there is a point where we must stop losing ourselves in the crowd to experience meaning and connection. That is the point where the winter of totalitarianism gives way to a spring of life.” Desmet has an . . . important take on everything that's happening in the world right now.—Aubrey Marcus, podcast host [Desmet] is waking a lot of people up to the dangerous place we are now with a brilliant distillation of how we ended up here.—Robert F. Kennedy, Jr. One of the most important books I've ever read.—Ivor Cummins, *The Fat Emperor* Podcast This is an amazing book . . . [Desmet is] one of the true geniuses I've spoken to . . . This book has really changed my view on a lot.—Tucker Carlson, speaking on *The Will Cain Podcast*

rfk jr wellness farms: *L.A. Weather* María Amparo Escandón, 2021-09-07 AN INSTANT NEW YORK TIMES BESTSELLER • REESE'S BOOK CLUB PICK • 2022 INTERNATIONAL LATINO BOOK AWARD WINNER FOR FICTION FORECAST: Storm clouds are on the horizon in *L.A. Weather*, a fun, fast-paced novel of a Mexican American family from the author of the #1 *Los Angeles Times*

bestseller *Esperanza's Box of Saints*. "There's a 100% chance you'll be paging through this book to uncover the secrets and deception that could potentially burn everything down!"—Reese Witherspoon "This is by far one of the most endearing L.A. novels in recent memory." —Publishers Weekly (starred review) A lively and ambitious family novel.—New York Times Book Review Oscar, the weather-obsessed patriarch of the Alvarado family, desperately wants a little rain. L.A. is parched, dry as a bone, and he's harboring a costly secret that distracts him from everything else. His wife, Keila, desperate for a life with a little more intimacy and a little less Weather Channel, feels she has no choice but to end their marriage. Their three daughters—Claudia, a television chef with a hard-hearted attitude; Olivia, a successful architect who suffers from gentrification guilt; and Patricia, a social media wizard who has an uncanny knack for connecting with audiences but not with her lovers—are left questioning everything they know. Each will have to take a critical look at her own relationships and make some tough decisions along the way. With quick wit and humor, María Amparo Escandón follows the Alvarado family as they wrestle with impending evacuations, secrets, deception, and betrayal, and their toughest decision yet: whether to stick together or burn it all down.

rfk jr wellness farms: Lyndon B. Johnson Charles Peters, 2010-06-08 The towering figure who sought to transform America into a Great Society but whose ambitions and presidency collapsed in the tragedy of the Vietnam War Few figures in American history are as compelling and complex as Lyndon Baines Johnson, who established himself as the master of the U.S. Senate in the 1950s and succeeded John F. Kennedy in the White House after Kennedy's assassination on November 22, 1963. Charles Peters, a keen observer of Washington politics for more than five decades, tells the story of Johnson's presidency as the tale of an immensely talented politician driven by ambition and desire. As part of the Kennedy-Johnson administration from 1961 to 1968, Peters knew key players, including Johnson's aides, giving him inside knowledge of the legislative wizardry that led to historic triumphs like the Voting Rights Act and the personal insecurities that led to the tragedy of Vietnam. Peters's experiences have given him unique insight into the poisonous rivalry between Johnson and Robert F. Kennedy, showing how their misunderstanding of each other exacerbated Johnson's self-doubt and led him into the morass of Vietnam, which crippled his presidency and finally drove this larger-than-life man from the office that was his lifelong ambition.

rfk jr wellness farms: The Flirtation Experiment Lisa Jacobson, Phylcia Masonheimer, 2021-12-07 From popular Christian voices Lisa Jacobson and Phylcia Masonheimer, *The Flirtation Experiment* inspires you to strengthen your marriage with a fun, unexpected approach that leads to the depth, richness, and closeness you desire. Romance novels, Hallmark movies . . . the immense demand for romantic stories reveals a deep, unsatisfied longing that can be found in many marriages, but does it have to be that way? Is it possible that the best marriage has to offer can grow, rather than fade after you say "I do"? Lisa and Phylcia say, "Absolutely yes!" So what is the secret to a happy, thriving, loving marriage, where the fire of romance and close friendship do not fade? While *The Flirtation Experiment* includes the frisky side of marriage, it's far more than a good romp. By degrees, each chapter takes you to a deeper place, covering themes every beautiful marriage has in common, such as covenant, healing, and hope. After reading *The Flirtation Experiment*, wives will be filled with hope and encouragement for how they can make a powerful, positive change in their marriages, become empowered to pursue their husbands romantically, understand the Bible invites women to be proactive in their marriages, be motivated to consistently love in creative ways, and forge closeness and intimacy in their marriages. "Intentional flirting keeps a positive lightness in the atmosphere and improves our overall communication," says Jacobson. "My light flirtations bring us closer in meaningful ways and lead to connection on a deeper level. It helps us discover true romance waiting for us in everyday situations." Perfect for the wife who wants romance, passion, and the closeness that only comes from a deep heart connection but isn't sure where to start, *The Flirtation Experiment* is a candid, real-life record of two Christian women from different seasons of life who discovered they could make a significant impact on their marriage relationships, one small flirtatious experiment at a time. Readers can go deeper by using *The*

Flirtation Experiment Workbook.

rfk jr wellness farms: *In the Country of Others* Leila Slimani, 2021-08-10 The award-winning, #1 internationally bestselling new novel by the author of *The Perfect Nanny* that “lays bare women’s intimate, lacerating experience of war” (The New York Times Book Review) After World War II, Mathilde leaves France for Morocco to be with her husband, whom she met while he was fighting for the French army. A spirited young woman, she now finds herself a farmer’s wife, her vitality sapped by the isolation, the harsh climate, and the mistrust she inspires as a foreigner. But she refuses to be subjugated or confined to her role as mother of a growing family. As tensions mount between the Moroccans and the French colonists, Mathilde’s fierce desire for autonomy parallels her adopted country’s fight for independence in this lush and transporting novel about race, resilience, and women’s empowerment.

rfk jr wellness farms: *The Famished Road* Ben Okri, 2021-11-30 WINNER OF THE BOOKER PRIZE ‘So long as we are alive, so long as we feel, so long as we love, everything in us is an energy we can use’ The narrator, Azaro, is an abiku, a spirit child, who in the Yoruba tradition of Nigeria exists between life and death. He is born into a world of poverty, ignorance and injustice, but Azaro awakens with a smile on his face. Nearly called back to the land of the dead, he is resurrected. But in their efforts to save their child, Azaro’s loving parents are made destitute. The tension between the land of the living, with its violence and political struggles, and the temptations of the carefree kingdom of the spirits propels this latter-day Lazarus’s story. Despite belonging to a spirit world made of enchantment, where there is no suffering, Azaro chooses to stay in the land of the Living: to feel it, endure it, know it and love it. This is his story. ‘In a magnificent feat of sustained imaginative writing, Okri spins a tale that is epic and intimate at the same time. The Famished Road rekindled my sense of wonder. It made me, at age 50, look at the world through the wide eyes of a child’ Michael Palin

rfk jr wellness farms: *Modern Nature* Derek Jarman, 1992 Originally published: Woodstock, N.Y.: Overlook Press, 1994.

rfk jr wellness farms: *Get Up and Grow* Lucy Hutchings, 2021-04-29 Clear, modern and inspiring - Alan Titchmarsh, gardener and broadcaster In this truly innovative book Lucy Hutchings - aka She Grows Veg - proves that vegetable gardening doesn't always require outdoor space. Through clever uses of space and containers, understanding of growing conditions and a unique, design-led approach, Lucy showcases how anyone can grow pretty much anything in their back garden, courtyard, balcony or kitchen. Lucy creates 19 projects, from living vegetable walls and hydroponics basics, to indoor greenhouses and hanging herb racks that have all the decorative style and visual interest of ornamental house plants. With step-by-step illustrations and stunning photography, with *Get Up and Grow*, you can go from gardening novice to growing pro in a matter of weeks. Lucy is blazing a trail for new-wave gardening with a mantra of anything is possible, for anyone.

rfk jr wellness farms: *The Compton Cowboys* Walter Thompson-Hernandez, 2020-04-28 “Thompson-Hernández’s portrayal of Compton’s black cowboys broadens our perception of Compton’s young black residents, and connects the Compton Cowboys to the historical legacy of African Americans in the west. An eye-opening, moving book.”—Margot Lee Shetterly, New York Times bestselling author of *Hidden Figures* “Walter Thompson-Hernández has written a book for the ages: a profound and moving account of what it means to be black in America that is awe inspiring in its truth-telling and limitless in its empathy. Here is an American epic of black survival and creativity, of terrible misfortune and everyday resilience, of grace, redemption and, yes, cowboys.”—Junot Díaz, Pulitzer prize-winning author of *This is How You Lose Her* A rising New York Times reporter tells the compelling story of The Compton Cowboys, a group of African-American men and women who defy stereotypes and continue the proud, centuries-old tradition of black cowboys in the heart of one of America’s most notorious cities. In Compton, California, ten black riders on horseback cut an unusual profile, their cowboy hats tilted against the hot Los Angeles sun. They are the Compton Cowboys, their small ranch one of the very last in a formerly semirural area of the city

that has been home to African-American horse riders for decades. To most people, Compton is known only as the home of rap greats NWA and Kendrick Lamar, hyped in the media for its seemingly intractable gang violence. But in 1988 Mayisha Akbar founded The Compton Jr. Posse to provide local youth with a safe alternative to the streets, one that connected them with the rich legacy of black cowboys in American culture. From Mayisha's youth organization came the Cowboys of today: black men and women from Compton for whom the ranch and the horses provide camaraderie, respite from violence, healing from trauma, and recovery from incarceration. The Cowboys include Randy, Mayisha's nephew, faced with the daunting task of remaking the Cowboys for a new generation; Anthony, former drug dealer and inmate, now a family man and mentor, Keiara, a single mother pursuing her dream of winning a national rodeo championship, and a tight clan of twentysomethings--Kenneth, Keenan, Charles, and Tre--for whom horses bring the freedom, protection, and status that often elude the young black men of Compton. The Compton Cowboys is a story about trauma and transformation, race and identity, compassion, and ultimately, belonging. Walter Thompson-Hernández paints a unique and unexpected portrait of this city, pushing back against stereotypes to reveal an urban community in all its complexity, tragedy, and triumph. The Compton Cowboys is illustrated with 10-15 photographs.

rfk jr wellness farms: *I'm So Effing Tired* Amy Shah, 2021-03-02 Exhaustion doesn't have to be your new normal Are you feeling overwhelmed, overstressed, and overtired? If so, you're not alone - and you don't have to settle for feeling this way. Inspired by her personal wellness journey, Dr. Amy Shah has created this program so that you can regain your energy and reclaim your life. The key is tapping into the powerful energy trifecta: the complex, interconnected relationship between your gut, your immune system, and your hormones. Drawing on the latest science and her work helping thousands of clients, Dr. Shah explains how to transform your life by changing: What You Eat: increase your fiber-rich, prebiotic vegetables, without giving up your wine and chocolate!? When You Eat: intermittent fasting - the right way - can revamp your energy Why You're Stressed: discover simple exercises and herbs that ease anxiety In just two weeks, you'll feel your energy surge. In three months, you'll feel like a whole new person. It's time to regain the energy you've lost, so you can get back to the life you want to live.

rfk jr wellness farms: *The Monsanto Papers* Carey Gillam, 2021-03-02 Lee Johnson was a man with simple dreams. All he wanted was a steady job and a nice home for his wife and children, something better than the hard life he knew growing up. He never imagined that he would become the face of a David-and-Goliath showdown against one of the world's most powerful corporate giants. But a workplace accident left Lee doused in a toxic chemical and facing a deadly cancer that turned his life upside down. In 2018, the world watched as Lee was thrust to the forefront of one the most dramatic legal battles in recent history. The Monsanto Papers is the inside story of Lee Johnson's landmark lawsuit against Monsanto. For Lee, the case was a race against the clock, with doctors predicting he wouldn't survive long enough to take the witness stand. For the eclectic band of young, ambitious lawyers representing him, it was a matter of professional pride and personal risk, with millions of dollars and hard-earned reputations on the line. For the public at large, the lawsuit presented a question of corporate accountability. With enough money and influence, could a company endanger its customers, hide evidence, manipulate regulators, and get away with it all—for decades? Readers will be astounded by the depth of corruption uncovered, captivated by the shocking twists, and moved by Lee's quiet determination to see justice served. With gripping narrative force that reads like fiction, The Monsanto Papers takes readers behind the scenes of a grueling legal battle, pulling back the curtain on the frailties of the American court system and the lengths to which lawyers will go to fight corporate wrongdoing.

rfk jr wellness farms: *The More Beautiful World Our Hearts Know Is Possible* Charles Eisenstein, 2013-11-05 As seen on Oprah's Super Soul Sunday A beacon of hope in the face of our current world crises, this uplifting book demonstrates how embracing our interconnectedness is key to world transformation In a time of social and ecological crisis, what can we as individuals do to make the world a better place? This inspirational and thought-provoking book serves as an

empowering antidote to the cynicism, frustration, paralysis, and overwhelm so many of us are feeling, replacing it with a grounding reminder of what's true: we are all connected, and our small, personal choices bear unsuspected transformational power. By fully embracing and practicing this principle of interconnectedness—called interbeing—we become more effective agents of change and have a stronger positive influence on the world. Throughout the book, Eisenstein relates real-life stories showing how small, individual acts of courage, kindness, and self-trust can change our culture's guiding narrative of separation, which, he shows, has generated the present planetary crisis. He brings to conscious awareness a deep wisdom we all innately know: until we get ourselves in order, any action we take—no matter how good our intentions—will ultimately be wrong-headed and wrong-hearted. Above all, Eisenstein invites us to embrace a radically different understanding of cause and effect, sounding a clarion call to surrender our old worldview of separation, so that we can finally create the more beautiful world our hearts know is possible. With chapters covering separation, interbeing, despair, hope, pain, pleasure, consciousness, and many more, the book invites us to let the old Story of Separation fall away so that we can stand firmly in a Story of Interbeing.

rfl jr wellness farms: *Pandemia* Alex Berenson, 2021-11-30 The most important fact about the coronavirus pandemic that turned the world upside down in 2020 is that our response to it has been an epic overreaction driven by a disastrous confluence of public and private interests—all of them purporting to “follow the science.” Since the lockdowns began, millions of Americans have relied on the reporting of Alex Berenson. Exposing the hysteria and manipulation behind the worst failure of public policy since World War I, this clear-eyed journalist has been a critical source of reason and truth. The product of relentless investigation and research, *Pandemia* explains how an illness that many people will never even know they had became the occasion for economically ruinous lockdowns and the suppression of personal freedom on a previously unimaginable scale. Dispassionate, factual, and untainted by any agenda other than telling the truth, this is the account that pandemic-weary Americans desperately need.

rfl jr wellness farms: **The Uninhabitable Earth** David Wallace-Wells, 2019-02-19 #1 NEW YORK TIMES BESTSELLER • “The Uninhabitable Earth hits you like a comet, with an overflow of insanely lyrical prose about our pending Armageddon.”—Andrew Solomon, author of *The Noonday Demon* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *The New Yorker* • *The New York Times* Book Review • *Time* • NPR • *The Economist* • *The Paris Review* • *Toronto Star* • *GQ* • *The Times Literary Supplement* • *The New York Public Library* • *Kirkus Reviews* It is worse, much worse, than you think. If your anxiety about global warming is dominated by fears of sea-level rise, you are barely scratching the surface of what terrors are possible—food shortages, refugee emergencies, climate wars and economic devastation. An “epoch-defining book” (*The Guardian*) and “this generation’s *Silent Spring*” (*The Washington Post*), *The Uninhabitable Earth* is both a travelogue of the near future and a meditation on how that future will look to those living through it—the ways that warming promises to transform global politics, the meaning of technology and nature in the modern world, the sustainability of capitalism and the trajectory of human progress. *The Uninhabitable Earth* is also an impassioned call to action. For just as the world was brought to the brink of catastrophe within the span of a lifetime, the responsibility to avoid it now belongs to a single generation—today’s. **LOGLISTED FOR THE PEN/E.O. WILSON LITERARY SCIENCE WRITING AWARD** “The Uninhabitable Earth is the most terrifying book I have ever read. Its subject is climate change, and its method is scientific, but its mode is Old Testament. The book is a meticulously documented, white-knuckled tour through the cascading catastrophes that will soon engulf our warming planet.”—Farhad Manjoo, *The New York Times* “Riveting. . . . Some readers will find Mr. Wallace-Wells’s outline of possible futures alarmist. He is indeed alarmed. You should be, too.”—*The Economist* “Potent and evocative. . . . Wallace-Wells has resolved to offer something other than the standard narrative of climate change. . . . He avoids the ‘eerily banal language of

climatology' in favor of lush, rolling prose."—Jennifer Szalai, *The New York Times* "The book has potential to be this generation's *Silent Spring*."—*The Washington Post* "The *Uninhabitable Earth*, which has become a best seller, taps into the underlying emotion of the day: fear. . . . I encourage people to read this book."—Alan Weisman, *The New York Review of Books*

rfk jr wellness farms: *Five Presidents* Clint Hill, Lisa McCubbin, 2016-05-03 Secret Service agent Clint Hill ... reflects on his seventeen years protecting the most powerful office in the nation. Hill walked alongside Presidents Dwight D. Eisenhower, John F. Kennedy, Lyndon B. Johnson, Richard M. Nixon, and Gerald R. Ford, seeing them through a long, tumultuous era—the Cold War; the Cuban Missile Crisis; the assassinations of John F. Kennedy, Martin Luther King, Jr., and Robert F. Kennedy; the Vietnam War; Watergate; and the resignations of Spiro Agnew and Richard M. Nixon--Provided by publisher.

Her award-winning app, *The Whole Pantry*, is a phenomenal resource of recipes, wellness guides and personal support, and has inspired hundreds of thousands of people to change their diet and lifestyle.

rfk jr wellness farms: *The Kelloggs* Howard Markel, 2017-08-08 ***2017 National Book Critics Circle Award Finalist for Nonfiction*** What's more American than Corn Flakes? —Bing Crosby From the much admired medical historian ("Markel shows just how compelling the medical history can be"—Andrea Barrett) and author of *An Anatomy of Addiction* ("Absorbing, vivid"—Sherwin Nuland, *The New York Times Book Review*, front page)—the story of America's empire builders: John and Will Kellogg. John Harvey Kellogg was one of America's most beloved physicians; a best-selling author, lecturer, and health-magazine publisher; founder of the Battle Creek Sanitarium; and patron saint of the pursuit of wellness. His youngest brother, Will, was the founder of the Battle Creek Toasted Corn Flake Company, which revolutionized the mass production of food and what we eat for breakfast. In *The Kelloggs*, Howard Markel tells the sweeping saga of these two extraordinary men, whose lifelong competition and enmity toward one another changed America's notion of health and wellness from the mid-nineteenth to the mid-twentieth centuries, and who helped change the course of American medicine, nutrition, wellness, and diet. The Kelloggs were of Puritan stock, a family that came to the shores of New England in the mid-seventeenth century, that became one of the biggest in the county, and then renounced it all for the religious calling of Ellen Harmon White, a self-proclaimed prophetess, and James White, whose new Seventh-day Adventist theology was based

on Christian principles and sound body, mind, and hygiene rules—Ellen called it “health reform.” The Whites groomed the young John Kellogg for a central role in the Seventh-day Adventist Church and sent him to America’s finest Medical College. Kellogg’s main medical focus—and America’s number one malady: indigestion (Walt Whitman described it as “the great American evil”). Markel gives us the life and times of the Kellogg brothers of Battle Creek: Dr. John Harvey Kellogg and his world-famous Battle Creek Sanitarium medical center, spa, and grand hotel attracted thousands actively pursuing health and well-being. Among the guests: Mary Todd Lincoln, Amelia Earhart, Booker T. Washington, Johnny Weissmuller, Dale Carnegie, Sojourner Truth, Henry Ford, John D. Rockefeller, Jr., and George Bernard Shaw. And the presidents he advised: Taft, Harding, Hoover, and Roosevelt, with first lady Eleanor. The brothers Kellogg experimented on malt, wheat, and corn meal, and, tinkering with special ovens and toasting devices, came up with a ready-to-eat, easily digested cereal they called Corn Flakes. As Markel chronicles the Kelloggs’ fascinating, Magnificent Ambersons-like ascent into the pantheon of American industrialists, we see the vast changes in American social mores that took shape in diet, health, medicine, philanthropy, and food manufacturing during seven decades—changing the lives of millions and helping to shape our industrial age.

rfk jr wellness farms: One Gun Ranch, Malibu Alice Bamford, Ann Eysenring, 2017-04-04 Inspired by one of Malibu’s most beautiful and innovative farms, One Gun Ranch, this book will help empower readers to grow their own food, think differently about what they eat, and rejuvenate their minds and bodies. This book will change your life forever. With easy, approachable steps, One Gun Ranch will have you eating better, exercising with more pleasure, and feeling healthier in just weeks. Inspired by the beautiful setting and seasons of Malibu, this is a diet that will give you actionable steps for choosing the healthiest foods for you—and the planet—growing your own vegetables (even if you live in an apartment), establishing a fun, energizing exercise routine, and embracing a holistic approach to improving your mind and body. Authors Alice Bamford and Ann Eysenring, have perfected the biodynamic lifestyle at their farm One Gun Ranch, a paradise of verdant green vegetables, running dogs and horses, perched high above the Pacific Ocean. With thoughtful, careful growing, they have created a dreamland of delicious, healthy food with an approach that goes beyond just organic, to grow, plant, and harvest one’s food based on the cycles of the moon and the natural elements, resulting in the healthiest and tastiest food possible. For many generations leading farmers around the world have been practicing these same principles, but they have never quite reached the mainstream. Now, thanks to the easy-to-use and approachable style of this book, anyone will be able to take these same ideas and apply it to their own garden and diet. They will also learn about how to exercise, meditate, and shape their diet along the principles of a biodynamic life. This book will bring the biodynamic lifestyle into the mainstream.

rfk jr wellness farms: The Food Babe Way Vani Hari, 2015-02-10 Eliminate toxins from your diet and transform the way you feel in just 21 days with this national bestseller full of shopping lists, meal plans, and mouth-watering recipes. Did you know that your fast food fries contain a chemical used in Silly Putty? Or that a juicy peach sprayed heavily with pesticides could be triggering your body to store fat? When we go to the supermarket, we trust that all our groceries are safe to eat. But much of what we’re putting into our bodies is either tainted with chemicals or processed in a way that makes us gain weight, feel sick, and age before our time. Luckily, Vani Hari -- aka the Food Babe -- has got your back. A food activist who has courageously put the heat on big food companies to disclose ingredients and remove toxic additives from their products, Hari has made it her life’s mission to educate the world about how to live a clean, organic, healthy lifestyle in an overprocessed, contaminated-food world, and how to look and feel fabulous while doing it. In The Food Babe Way, Hari invites you to follow an easy and accessible plan that will transform the way

you feel in three weeks. Learn how to: Remove unnatural chemicals from your diet Rid your body of toxins Lose weight without counting calories Restore your natural glow Including anecdotes of her own transformation along with easy-to-follow shopping lists, meal plans, and tantalizing recipes, *The Food Babe Way* will empower you to change your food, change your body, and change the world.

rfk jr wellness farms: The Hand on the Mirror Janis Heaphy Durham, 2015-04-28 An unbelievably believable story about the afterlife, with documenting photographs from the former publisher of a major metropolitan newspaper. An unbelievably believable story about the afterlife, with documenting photographs from the former publisher of a major metropolitan newspaper. In 2004, Janis Heaphy Durham's husband, Max Besler, died of cancer at age 56. The daughter of a Presbyterian minister, she practiced her faith as she struggled with her loss. Soon she began encountering phenomena unlike anything she'd ever experienced: lights flickering, doors opening and closing, clocks stopping at 12:44, the exact time of Max's death. But then something startling happened that changed Heaphy Durham's life forever. A powdery handprint appeared on her bathroom mirror on the first anniversary of Max's death. This launched Heaphy Durham on a journey that transformed her spiritually and altered her view of reality forever. She interviewed scientists and spiritual practitioners along the way, as she discovered that the veil between this world and the next is thin and it's love that bridges the two worlds.

rfk jr wellness farms: PlantYou Carleigh Bodrug, 2022 Tacos, pizza, wings, pasta, hearty soups, and crave-worthy greens-for some folks looking for a healthier way of eating, these dishes might all seem, well, off the table. Carleigh Bodrug has shown hundreds of thousands of people that that just isn't true. Like so many of us, Carleigh thought that eating healthy meant preparing the same chicken breast and broccoli dinner every night. Her skin and belly never felt great, but she thought she was eating well--until a family health scare forced her to take a hard look at her diet and start cooking and sharing recipes. Fast forward, and her @plantyou brand continues to grow and grow, reaching +470k followers in just a few short years. Her secret? Easy, accessible recipes that don't require any special ingredients, tools, or know-how; what really makes her recipes stand out are the helpful infographics that accompany them, which made it easy for readers to measure ingredients, determine portion size, and become comfortable enough to personalize recipes to their tastes. Now in her debut cookbook, Carleigh redefines what it means to enjoy a plant-based lifestyle with delicious, everyday recipes that anyone can make and enjoy. With mouthwatering dishes like Bewitchin' Breakfast Cookies, Rainbow Summer Rolls, Irish Stew, and Tahini Chocolate Chip Cookies, this cookbook fits all tastes and budgets. PlantYou is perfect for beginner cooks, those wishing to experiment with a plant-based lifestyle, and the legions of flexitarians who just want to be healthy and enjoy their meals--

rfk jr wellness farms: Righteous Porkchop Nicolette Hahn Niman, 2010-10-19 Asked to head up Robert F. Kennedy Jr.'s environmental organization's hog campaign, Nicolette Hahn Niman embarked upon a fascinating odyssey through the inner workings of the "factory farm" industry. What she discovered transformed her into an intrepid environmental lawyer determined to lock horns with the big business farming establishment. She even, unexpectedly, found love along the way. A searing account of an industry gone awry and one woman's passionate fight to remedy it, *Righteous Porkchop* chronicles Niman's investigation and her determination to organize a national reform movement to fight the shocking practices of industrial animal operations. She offers necessary alternatives, showing how livestock farming can be done in a better way--and she details both why and how to choose meat, poultry, dairy, eggs, and fish from traditionally farmed sources.

rfk jr wellness farms: The Farm Joanne Ramos, 2019-05-07 Life is a lucrative business, as long as you play by the rules. [Joanne] Ramos's debut novel couldn't be more relevant or timely. --O: The Oprah Magazine (25 Books We Can't Wait to Read in 2019) Nestled in New York's Hudson Valley is a luxury retreat boasting every amenity: organic meals, personal fitness trainers, daily massages--and all of it for free. In fact, you're paid big money to stay here--more than you've ever dreamed of. The catch? For nine months, you cannot leave the grounds, your movements are monitored, and you are cut off from your former life while you dedicate yourself to the task of producing the perfect baby.

For someone else. Jane, an immigrant from the Philippines, is in desperate search of a better future when she commits to being a Host at Golden Oaks--or the Farm, as residents call it. But now pregnant, fragile, consumed with worry for her family, Jane is determined to reconnect with her life outside. Yet she cannot leave the Farm or she will lose the life-changing fee she'll receive on the delivery of her child. Gripping, provocative, heartbreaking, *The Farm* pushes to the extremes our thinking on motherhood, money, and merit and raises crucial questions about the trade-offs women will make to fortify their futures and the futures of those they love. Advance praise for *The Farm* This topical, provocative debut anatomizes class, race and the American dream. --The Guardian, What You'll Be Reading This Year Wow, Joanne Ramos has written the page-turner about immigrants chasing what's left of the American dream. . . . Truly unforgettable. --Gary Shteyngart, New York Times bestselling author of *Super Sad True Love Story* and *Lake Success* A highly original and provocative story about the impossible choices in so many women's lives. These characters will stay with me for a long time. --Karen Thompson Walker, New York Times bestselling author of *The Age of Miracles* and *The Dreamers* Ramos has written a firecracker of a novel, at once caustic and tender, page-turning and thought-provoking. This is a fierce indictment of the vampiric nature of modern capitalism, which never loses sight of the very human stories at its center. . . . Highly recommended. --Madeline Miller, #1 New York Times bestselling author of *Circe*

rfk jr wellness farms: Running the Light Sam Tallent, 2025-03-25 A bona fide "instant classic" (Doug Stanhope) novel that tells the story of a road comic crashing and burning by acclaimed comedian Sam Tallent Billy Ray Schafer stepped off the plane in Amarillo, Texas, with twenty-six hundred dollars tucked down the leg of his black ostrich-skin cowboy boot. He walked to baggage claim slowly, jelly-legged and nearing lucidity, coming out from under the Xanax he snorted before the flight. Debauched, divorced, and courting death, Billy Ray Schafer is a comedian who has forgotten how to laugh. Over the course of seven spun-out days across the American Southwest, he travels from hell gig to hell gig in search of a reason to keep living in this bleak and violent glimpse into the psyche of a thoroughly ruined man. Ex-inmate, ex-husband, ex-father—comedian is the only title Schafer has left. Trapped in the wreckage of his wasted career, Billy Ray knows the answer to the question: What happens when opportunity doesn't come—or worse—it comes and goes? "In vivid, electric sentences that read like cinematic tracking shots," (Denver Post) Tallent hurls you into an absolute mess of a man's life as we search for the mercy he does not want.
