season 5 of the family business: The Family Business Carl Weber, Eric Pete, 2012-02-01 By day, the Duncans are an upstanding family who run a thriving car dealership in Queens. By night, they live a dangerous secret life! Carl Weber and Eric Pete deliver a thrilling underworld drama in *The Family Business*. L.C. Duncan, patriarch of the family, is at the age when he's starting to think about retirement in sunny Florida. But the recession is taking a bite out of the business and, worrying more, he has to decide which of his children should take over. When his workaholic son Orlando gets the nod, Orlando's siblings—including the favorite son Vegas, conniving daughter London, glamorous party girl Paris and flamboyant nightclub owner Rio—are up in arms. But so are the Zunigas, a rival family whose fragile business alliance with the Duncans may explode at any moment. When Vegas suddenly breaks away from the family, London's lawyer husband, Harris, makes a play for the company and all hell breaks loose. Selling cars, it turns out, is only a small part of the Duncans' family business. Each member of the family has a secret expertise to reveal. And now, under siege from the Mafia, Mexican drug cartels and the Zunigas, the Duncans will have to stick together—or die separately!

season 5 of the family business: The Family Business 6 Carl Weber, La Jill Hunt, 2023-01-24 New York Times bestselling author Carl Weber and Essence bestseller La Jill Hunt return with a story of love, money, power, and respect in the next addition of the popular *Family Business* series. Five years ago, Orlando Duncan created the perfect drug in HEAT. It made the Duncans more than two hundred and fifty million dollars and was on its way to making them billionaires. However, they abruptly stopped manufacturing the drug when it was proven to cause cancer in rats. Yes, even as drug distributors, they still had a moral compass, placing lives over profit despite the overwhelming demand. When Orlando is awakened by an alarm in his old lab, he discovers that not only have all his computers, equipment, and notes been stolen, but the robbers have also taken over a million tabs of HEAT that he'd left behind for future experiments—tabs that he had sworn to his family he would destroy. Dr. Brandi Richardson is one of the most brilliant research chemists in the world, but her propensity for cutting corners led to her firing from both Dow Chemicals and Dupont. She's now working at CVS as a clerk, but things are about to change for her in a big way. Billionaire Alexander Cora is known as the Moor by business associates and enemies. His company, Cora International, is a publicly traded EU defense contractor. It is also a front for one of the largest weapons, drugs, and illegal contraband smuggling rings in the world. For some reason, he has set his sights on the Duncan family. That can't be good, because Alexander plays for keeps, and he has not been known to lose. Niles Monroe, the handsome hit man and Paris Duncan's one true love, is back from the dead, and it's only a matter of time before he comes looking for her. These rich and powerful people are on a collision course. When the dust settles, who will still be alive, and who will be on top?

season 5 of the family business: The Family Business 5 Carl Weber, La Jill Hunt, 2020-01-28 New York Times bestselling author Carl Weber and Essence bestseller La Jill Hunt return with a story of love, betrayal and racism in the next addition to the wildly popular *Family Business* series. From the time he was a boy in Georgia, LC Duncan, patriarch and leader of the Duncan clan, has battled racism. Even now that he and his family are truly successful, the racism can still be in-your-face. Maybe it's the political climate or perhaps it's just bad timing, but LC and the rest of the Duncans are being challenged by the ultimate power-hungry racist, Sheriff KD Shrugs. Nevada Duncan is at that age when girls and sex are always on his mind. His handsome face and superior intellect attract Kia, the beautiful "Blasian" call girl who tempts him into running away to a place where the Duncans are definitely not wanted—El Paso, Texas, the home of KD Shrugs. What is the worst thing that can happen to a handsome, rich millennial? Rio Duncan would say it's mistaken identity after being beat down in a nightclub by someone who thinks he's Roman Johnson, a stickup kid who happens to be Rio's doppelganger. What happens next will open up the biggest can of worms the Duncans have ever had to deal with. Get ready for another roller coaster ride with the Duncan family.

season 5 of the family business: *The Family Business 3* Carl Weber, Treasure Hernandez, 2017 Vegas Duncan's release from prison is right on time for his older brother Junior's engagement to the voluptuous Sonya Brown. Unfortunately, Junior's attempt at happiness comes to a screeching halt when Sonya's husband, the mysterious Brother X, and his army of Muslim hit men declares war on the Duncan clan. Duncan family patriarch LC Duncan has gone up against many foes in his time and has always come out on top; however, he's never gone up against a religious fanatic like Brother X, who cares little about money and everything about principle. LC does have one card up his sleeve to shut down X. The question is, will he wake up from his gunshot-induced coma before it's too late? What could be worse than fighting a war while your father's in a coma? How about two brothers and a brother-in-law undermining each other in a battle for their father's seat at a multimillion-dollar table?--Back cover.

season 5 of the family business: Son of the Mob Gordon Korman, 2012-12-11 Vince Luca is just like any other high school guy. His best friend, Alex, is trying to score vicariously through him; his brother is a giant pain; and his father keeps bugging him to get motivated. There is just one thing that really sets him apart from other kids--his father happens to be the head of a powerful crime organization. Needless to say, while Vince's family's connections can be handy for certain things (like when teachers are afraid to give him a bad grade), they can put a serious crimp in his dating life. How is he supposed to explain to a girl what his father does for a living? But when Vince meets a girl who finally seems to be worth the trouble, her family turns out to be the biggest problem of all. Because her father is an FBI agent--the one who wants to put his father away for good.

season 5 of the family business: To Paris with Love Carl Weber, Eric Pete, 2013-12-01 Ripped from the pages of the New York Times bestselling series *The Family Business*, Carl Weber and Eric Pete bring you *To Paris with Love*, a solo story about their two most popular characters to date--the bright, sexy, and deadly Paris Duncan and her flamboyant and cunning twin brother, Rio. It's Spring Break, and Paris Duncan is on the verge of graduating at the top of her class from Chi's Finishing School, one of Europe's most exclusive private academies. At Chi's, students not only learn the three Rs, but they also learn the deadly art of assassination. Like most of her classmates, Paris looks forward to going back home. She can't wait to get back to the bright lights of New York City, where she plans on clubbing with her twin brother, Rio, scarfing down her mom's cooking, and wearing out her father's credit cards. A family crisis puts an end to her trip home in favor of a solo trip to the French Riviera. Rio Duncan has been accepted into one of the most prestigious law schools in the country and his father, LC Duncan, couldn't be more proud of him. Unfortunately for LC, Rio has plans of his own, and they don't include law school. If that wasn't surprising enough, Rio's got a few more things to tell his dear old dad, one of which is that he is gay. Now that he's come out of the closet, Rio is in the wind. He's headed to Europe to live life by his own rules and hook up with his sister for some fun in the European sun. Together Rio and Paris will do what they do best--have fun, find trouble, and break men's hearts. Travel with Weber and Pete to Europe, to see how Paris and Rio became the dynamic duo of the Duncan clan.

When Dante is cornered into choosing between Brittany and his family, everyone is surprised at the results...

season 5 of the family business: The Family Firm Emily Oster, 2021-08-12 THE INSTANT NEW YORK TIMES BESTSELLER 'Chart a child's path with less stress and more optimization for healthy habits and future success' Time From age 5 to 12, parenting decisions get more complicated

and have lasting consequences. What's the right kind of school? Should they play a sport? When's the right time for a phone? Making these decisions is less about finding the specific answer and more about taking the right approach. Along with these bigger questions, Oster investigates how to navigate the complexity of day-to-day family logistics. The Family Firm is a smart and winning guide to how to think more clearly - and with less ambient stress - about the key decisions of these early years.

season 5 of the family business: Fun Home Alison Bechdel, 2007 A fresh and brilliantly told memoir from a cult favorite comic artist, marked by gothic twists, a family funeral home, sexual angst, and great books. This breakout book by Alison Bechdel is a darkly funny family tale, pitch-perfectly illustrated with Bechdel's sweetly gothic drawings. Like Marjane Satrapi's *Persepolis*, it's a story exhilaratingly suited to graphic memoir form. Meet Alison's father, a historic preservation expert and obsessive restorer of the family's Victorian home, a third-generation funeral home director, a high school English teacher, an icily distant parent, and a closeted homosexual who, as it turns out, is involved with his male students and a family babysitter. Through narrative that is alternately heartbreaking and fiercely funny, we are drawn into a daughter's complex yearning for her father. And yet, apart from assigned stints dusting caskets at the family-owned fun home, as Alison and her brothers call it, the relationship achieves its most intimate expression through the shared code of books. When Alison comes out as homosexual herself in late adolescence, the denouement is swift, graphic -- and redemptive.

season 5 of the family business: To Sir Phillip, With Love Julia Quinn, 2009-10-13 Sir Phillip knew that Eloise Bridgerton was a spinster, and so he'd proposed, figuring that she'd be homely and unassuming, and more than a little desperate for an offer of marriage. Except . . . she wasn't. The beautiful woman on his doorstep was anything but quiet, and when she stopped talking long enough to close her mouth, all he wanted to do was kiss her . . . and more. Did he think she was mad? Eloise Bridgerton couldn't marry a man she had never met! But then she started thinking . . . and wondering . . . and before she knew it, she was in a hired carriage in the middle of the night, on her way to meet the man she hoped might be her perfect match. Except . . . he wasn't. Her perfect husband wouldn't be so moody and ill-mannered, and while Phillip was certainly handsome, he was a large brute of a man, rough and rugged, and totally unlike the London gentlemen vying for her hand. But when he smiled . . . and when he kissed her . . . the rest of the world simply fell away, and she couldn't help but wonder . . . could this imperfect man be perfect for her?

season 5 of the family business: Let the Story Do the Work Esther Choy, 2017-07-30 People forget facts, but they never forget a good story. Let the Story Do the Work shows how the art of storytelling is key for any business to achieve success. For most, there's nothing easy about crafting a memorable story, let alone linking it to professional goals. However, material for stories and anecdotes that can be used for your professional success already surround you. To get people interested in and convinced by what you are saying, you need to tell an interesting story. As the Founder and Chief Story Facilitator at Leadership Story Lab, a company that helps executives unlock the persuasive power of storytelling, Esther Choy teaches you how to mine your experience for simple narratives that will achieve your goals. In Let the Story Do the Work, you can learn to: Capture attention Engage your audience Change minds Inspire action Pitch persuasively When you find the perfect hook, structure your story according to its strengths, and deliver it at the right time in the right way, you'll see firsthand how easy it is to turn everyday communications into opportunities to connect, gain buy-in, and build lasting relationships.

season 5 of the family business: Everybody Matters Bob Chapman, Raj Sisodia, Rajendra Sisodia, 2015-10-06 "Bob Chapman, CEO of the \$1.7 billion manufacturing company Barry-Wehmiller, is on a mission to change the way businesses treat their employees." - Inc. Magazine Starting in 1997, Bob Chapman and Barry-Wehmiller have pioneered a dramatically different approach to leadership that creates off-the-charts morale, loyalty, creativity, and business performance. The company utterly rejects the idea that employees are simply functions, to be moved around, managed with carrots and sticks, or discarded at will. Instead, Barry-Wehmiller manifests

the reality that every single person matters, just like in a family. That's not a cliché on a mission statement; it's the bedrock of the company's success. During tough times a family pulls together, makes sacrifices together, and endures short-term pain together. If a parent loses his or her job, a family doesn't lay off one of the kids. That's the approach Barry-Wehmiller took when the Great Recession caused revenue to plunge for more than a year. Instead of mass layoffs, they found creative and caring ways to cut costs, such as asking team members to take a month of unpaid leave. As a result, Barry-Wehmiller emerged from the downturn with higher employee morale than ever before. It's natural to be skeptical when you first hear about this approach. Every time Barry-Wehmiller acquires a company that relied on traditional management practices, the new team members are skeptical too. But they soon learn what it's like to work at an exceptional workplace where the goal is for everyone to feel trusted and cared for—and where it's expected that they will justify that trust by caring for each other and putting the common good first. Chapman and coauthor Raj Sisodia show how any organization can reject the traumatic consequences of rolling layoffs, dehumanizing rules, and hypercompetitive cultures. Once you stop treating people like functions or costs, disengaged workers begin to share their gifts and talents toward a shared future. Uninspired workers stop feeling that their jobs have no meaning. Frustrated workers stop taking their bad days out on their spouses and kids. And everyone stops counting the minutes until it's time to go home. This book chronicles Chapman's journey to find his true calling, going behind the scenes as his team tackles real-world challenges with caring, empathy, and inspiration. It also provides clear steps to transform your own workplace, whether you lead two people or two hundred thousand. While the Barry-Wehmiller way isn't easy, it is simple. As the authors put it: Everyone wants to do better. Trust them. Leaders are everywhere. Find them. People achieve good things, big and small, every day. Celebrate them. Some people wish things were different. Listen to them. Everybody matters. Show them.

season 5 of the family business: A New Season Al Robertson, Lisa Robertson, 2015-01-06 Alan and Lisa Robertson, members of America's favorite back woods family and the Duck Commander Clan, take on the topic of relationships as they share the secrets that saved their marriage. Infidelity, deceit, distrust, and shame. Unfortunately, these are recurring themes in many of today's marriages in America—even in the family-values-promoting, Christian-based Robertson family. With a romance that began in junior high, the couple got off to a rocky start but soon settled into married life and had two baby girls. Alan became a pastor in the church where his family had been members for years. Then, when Lisa had an affair, the heartache and the tension was very public. But this is not a book about a marriage gone wrong. It is a candid story of rescued love and renewed commitment. After nearly getting divorced, Alan and Lisa came to terms with what went wrong in their marriage and both began the hard work of making it right. Now married for twenty-nine years, Alan and Lisa counsel couples in trouble and speak across the country—openly sharing their hardships, their journey to renewed commitment, and a thriving marriage.

season 5 of the family business: Educated Tara Westover, 2018-02-20 #1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed

books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University “Extraordinary . . . an act of courage and self-invention.”—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA’S FAVORITE BOOKS OF THE YEAR • BILL GATES’S HOLIDAY READING LIST • FINALIST: National Book Critics Circle’s Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara’s older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she’d traveled too far, if there was still a way home. “Beautiful and propulsive . . . Despite the singularity of [Westover’s] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?”—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public Library

season 5 of the family business: *Here Comes the Flood* Marcy L. Tanter, Moisés Park,

2022-03-15 This collection breaks down the stereotypes often expected of Korean popular culture, specifically examining issues of gender, sexuality, and stereotype in a variety of cultural products including K-pop, K-drama, and cover dancing through the lens of how “Koreanness” can be defined. A diverse range of contributors showcase how Hallyu, or the Korean Wave, began as a wave rolling across Asia and morphed into a tsunami that has impacted every continent, making Korean popular culture an industry that draws in fans on a global scale. The stereotypes and issues being explored in this collection, contributors argue, are intertwined with how Koreans both at home and in the diaspora portray themselves publicly and consider themselves privately. In tandem with this, international fans of Hallyu take part in the conversation through performance and imitation, either reinforcing or breaking away from these stereotypes. Contributors examine a wide variety of settings to connect the concepts of traditional Korean values to modern Korean society in a symbiotic relationship between these values and cultural content creators. Scholars of media studies, pop culture, gender studies, Asian studies, sociology, and cultural studies will find this book particularly useful.

season 5 of the family business: Understanding Family Businesses ALAN CARSRUD, Malin Brännback, 2011-10-29 Businesses owned and operated by families constitute the vast majority of firms around the world. These firms are found in all industrial segments, from retail and service establishments to heavy manufacturers. Their sizes and revenues range from the smallest venture of a husband and wife roadside food stall in rural India to the largest multinational, highly diversified corporations in the United States and Europe. Many challenges, such as competition, regulation, environmental concerns, access to capital, and macroeconomic factors confront family and nonfamily firms alike. In addition, family and closely-held firms grapple with such issues of succession, continuity, conflict resolution, identity and organizational roles, estate and financial planning that are idiosyncratic to them; when psychological, social, and emotional factors are in play, constantly changing familial relationships influence the strategic and financial choices they make. Yet, there has been comparatively little theoretical or empirical research undertaken on family firms, relative to entrepreneurship and strategic management. This book addresses gaps in the literature by presenting a holistic, multi-disciplinary approach to the study and practice of family business that draws from such fields as psychology, anthropology, sociology, strategy, family therapy, family studies, wealth management, and international business. An international array of experts addresses both macro issues (including the role of family businesses in new business creation and economic development, influences of culture on family business, public policies that can encourage or threaten family business) and firm management (strategic and financial decision making, governance, entering and exiting). Featuring case studies from firms in a variety of industries, Understanding Family Businesses not only offers provocative new insights on family business dynamics, but outlines an agenda for future research.

season 5 of the family business: American Oligarchs: The Kushners, the Trumps, and the Marriage of Money and Power Andrea Bernstein, 2020-01-14 An absorbing, novelistic, and powerfully affecting work of history and investigative journalism that tracks the unraveling of

American democracy. In *American Oligarchs*, award-winning investigative journalist Andrea Bernstein tells the story of the Trump and Kushner families like never before. Building on her landmark reporting for the acclaimed podcast *Trump, Inc.* and *The New Yorker*, Bernstein brings to light new information about the families' arrival as immigrants to America, their paths to success, and the business and personal lives of the president and his closest family members. Drawing on hundreds of interviews and more than one hundred thousand pages of documents, *American Oligarchs* details how the Trump and Kushner dynasties encouraged and profited from a system of corruption, dark money, and influence trading, and reveals the historical turning points and decisions on taxation, regulation, white-collar crime, and campaign finance laws that have brought us to where we are today. A new afterword examines how the two families' transactional politics left America particularly vulnerable to the crises of 2020.

season 5 of the family business: Not All Diamonds and Rosé Dave Quinn, 2021-10-19 THE INSTANT #1 NEW YORK TIMES BESTSELLER! "I like to think of *Not All Diamonds and Rosé* as the ultimate reunion. I know readers will be surprised, entertained, and even shocked at what's in store. —Andy Cohen *Dave Quinn's Not All Diamonds and Rosé* is the definitive oral history of the hit television franchise, from its unlikely start in the gated communities of Orange County to the pop culture behemoth it has become—spanning nine cities, hundreds of cast members, and millions of fans. What is it really like to be a housewife? We all want to know, but only the women we love to watch and the people who make the show have the whole story. Well, listen in close, because they're about to tell all. Nearly all the wives, producers, and network executives, as well as Andy Cohen himself, are on the record, unfiltered and unvarnished about what it really takes to have a tagline. This is your VIP pass to the lives behind the glam squads, testimonials, and tabloid feuds. Life's not all diamonds and rosé, but the truth is so much better, isn't it? "This exhaustive oral history features dishy interviews with 185 cast and crew members behind the Bravo phenomenon. Fans will delight to read about how it all got started." —New York Post Includes Color Photographs

season 5 of the family business: High in the Clouds Paul McCartney, Geoff Dunbar, Philip Ardagh, 2006 Imagine a land where all the animals are free . . . To the creatures of the woodland, the land of Animalia sounds like a dream - a tropical island where all the animals live in harmony. They are over-shadowed by a much more evil community; the polluted Megatropolis, whose dirty skyscrapers block the horizon. And then one day, Wirral the Squirrel's woodland is destroyed by developers and he is thrown into the nightmare world of Megatropolis. But Wirral believes in Animalia and he joins with Froggo, a world-class amphibian balloonist, and Wilhamina, a girl squirrel, to lead the enslaved animals of the city to a new life. So begins an exciting adventure through the mean streets of Megatropolis, over the sea and through the sky. Developed out of an exceptional fusion of creative talents, this story explodes onto every page. The plot is fast, furious and funny; the illustrations are full of rich depth and colour; and the characters live on long after you have turned the final page. It will delight children of all ages and is sure to become an enduring classic. 'Young audiences will delight in the clever wordplay and smartly-drawn comic characters.' Independent

season 5 of the family business: The Family Business: to Paris with Love Carl Weber, Eric Pete, 2023-10-24 Ripped from the pages of the New York Times bestselling series *The Family Business*, Carl Weber and Eric Pete bring you *To Paris with Love*, a solo story about their two most popular characters to date--the bright, sexy, and deadly Paris Duncan and her flamboyant and

cunning twin brother, Rio. It's Spring Break, and Paris Duncan is on the verge of graduating at the top of her class from Chi's Finishing School, one of Europe's most exclusive private academies. At Chi's, students not only learn the three Rs, but they also learn the deadly art of assassination. Like most of her classmates, Paris looks forward to going back home. She can't wait to get back to the bright lights of New York City, where she plans on clubbing with her twin brother, Rio, scarfing down her mom's cooking, and wearing out her father's credit cards. A family crisis puts an end to her trip home in favor of a solo trip to the French Riviera. Rio Duncan has been accepted into one of the most prestigious law schools in the country and his father, LC Duncan, couldn't be more proud of him. Unfortunately for LC, Rio has plans of his own, and they don't include law school. If that wasn't surprising enough, Rio's got a few more things to tell his dear old dad, one of which is that he is gay. Now that he's come out of the closet, Rio is in the wind. He's headed to Europe to live life by his own rules and hook up with his sister for some fun in the European sun. Together Rio and Paris will do what they do best--have fun, find trouble, and break men's hearts. Travel with Weber and Pete to Europe, to see how Paris and Rio became the dynamic duo of the Duncan clan.

season 5 of the family business: Family Business on the Couch Manfred F. R. Kets de Vries, Randel S. Carlock, 2010-03-02 The challenge faced by family businesses and their stakeholders, is to recognise the issues that they face, understand how to develop strategies to address them and more importantly, to create narratives, or family stories that explain the emotional dimension of the issues to the family. The most intractable family business issues are not the business problems the organisation faces, but the emotional issues that compound them. Applying psychodynamic concepts will help to explain behaviour and will enable the family to prepare for life cycle transitions and other issues that may arise. Here is a new understanding and a broader perspective on the human dynamics of family firms with two complementary frameworks, psychodynamic and family systematic, to help make sense of family-run organisations. Although this book includes a conceptual section, it is first and foremost a practical book about the real world issues faced by business families. The book begins by demonstrating that many years of achievement through generations can be destroyed by the next, if the family fails to address the psychological issues they face. By exploring cases from famous and less well known family businesses across the world, the authors discuss entrepreneurs, the entrepreneurial family and the lifecycles of the individual and the organisation. They go on to show how companies going through change and transition can avoid the pitfalls that endanger both family and company. The authors then apply tools that will help family businesses in transition and offer their analyses and conclusions. Readers should draw their own conclusions from careful examination of the cases, identifying the problems or dilemmas faced and the options for improved business performance and family relationships. They should ask what they might have done in the given situation and what new insight into individual or family behaviour each case offers. The goal is to avoid a bitter ending.

season 5 of the family business: A Different Trek David K. Seitz, 2023-07 A different kind of Star Trek television series debuted in 1993. Deep Space Nine was set not on a starship but a space station near a postcolonial planet still reeling from a genocidal occupation. The crew was led by a reluctant Black American commander and an extraterrestrial first officer who had until recently been an anticolonial revolutionary. DS9 extended Star Trek's tradition of critical social commentary but did so by transgressing many of Star Trek's previous taboos, including religion, money, eugenics, and interpersonal conflict. DS9 imagined a twenty-fourth century that was less a glitzy utopia than a critical mirror of contemporary U.S. racism, capitalism, imperialism, and heteropatriarchy. Thirty years after its premiere, DS9 is beloved by critics and fans but remains marginalized in scholarly studies of science fiction. Drawing on cultural geography, Black studies, and feminist and queer studies, A Different "Trek" is the first scholarly monograph dedicated to a critical interpretation of DS9's allegorical world-building. If DS9 has been vindicated aesthetically, this book argues that its prophetic, place-based critiques of 1990s U.S. politics, which deepened the foundations of many of our current crises, have been vindicated politically, to a degree most scholars and even many fans have yet to fully appreciate.
