Select Wellness Westwood NJ: Your Gateway to Holistic Well-being

Are you searching for a haven of tranquility and rejuvenation in the bustling heart of Westwood, NJ? Feeling overwhelmed by stress, seeking pain relief, or simply yearning for a deeper connection to your well-being? Then look no further. This comprehensive guide dives deep into Select Wellness Westwood NJ, exploring its unique offerings, benefits, and why it's becoming a leading destination for holistic health in the area. We'll uncover what makes them stand out, address common questions, and ultimately help you decide if Select Wellness is the right fit for your wellness journey.

Understanding Select Wellness Westwood NJ: More Than Just a Spa

Select Wellness Westwood NJ isn't your typical spa experience. While relaxation is certainly a key component, they go far beyond pampering, offering a holistic approach to well-being that integrates various therapeutic modalities. They understand that true wellness encompasses physical, mental, and emotional health, and their services are designed to address each aspect comprehensively. Forget superficial treatments; this is about achieving lasting, positive changes in your life.

A Deep Dive into Select Wellness Services: Tailored to Your Needs

Select Wellness boasts a diverse menu of services meticulously curated to cater to a wide range of needs. Let's explore some of their key offerings:

1. Massage Therapy: Unwinding Tension and Relieving Pain

From Swedish massage to deep tissue techniques, Select Wellness offers a variety of massage therapies designed to alleviate muscle tension, reduce pain, and promote relaxation. Their skilled therapists are expertly trained to identify problem areas and tailor their approach to meet your individual needs. Whether you're recovering from an injury or simply seeking stress relief, their massage services provide a path to physical restoration.

2. Acupuncture: Restoring Balance and Harmony

Acupuncture, a cornerstone of Traditional Chinese Medicine, focuses on restoring the body's natural energy flow. At Select Wellness, experienced acupuncturists utilize this ancient technique to address a variety of health concerns, including pain management, stress reduction, and improved overall well-being. They take a personalized approach, carefully assessing your condition to develop a treatment plan specifically designed for you.

3. Chiropractic Care: Aligning Your Body for Optimal Health

Chiropractic care plays a vital role in maintaining proper spinal alignment and overall musculoskeletal health. Select Wellness's chiropractors use gentle, effective techniques to address spinal misalignments, reducing pain and improving mobility. Their focus is on restoring the body's natural healing capabilities, allowing you to experience greater comfort and improved function.

4. Other Holistic Therapies: A Comprehensive Approach

Beyond the core services mentioned above, Select Wellness Westwood NJ often integrates other holistic therapies into their treatment plans. These may include aromatherapy, nutritional counseling, or other complementary techniques. This comprehensive approach ensures that you receive a holistic treatment tailored to your unique needs and health goals.

The Select Wellness Experience: Why Choose Them?

What truly sets Select Wellness apart is their commitment to personalized care and a holistic approach. It's not just about the services offered; it's about the overall experience. Here's what makes them stand out:

Experienced and highly trained professionals: Select Wellness employs only highly skilled and licensed practitioners who are passionate about helping their clients achieve their wellness goals.
Personalized treatment plans: They don't believe in a one-size-fits-all approach. Instead, they tailor their treatments to your individual needs and health history.
Relaxing and tranquil atmosphere: The spa's serene environment is designed to promote relaxation and foster a sense of calm.
Commitment to client satisfaction: Their ultimate goal is to help you feel your best, both physically and mentally.

Finding Select Wellness Westwood NJ: Convenient Location and Accessibility

Select Wellness enjoys a convenient location in Westwood, NJ, making it easily accessible for residents of the surrounding areas. Their website typically provides detailed contact information, including address, phone number, and online booking options, making scheduling your appointment a breeze.

Conclusion: Investing in Your Well-being at Select Wellness

Select Wellness Westwood NJ offers a unique and comprehensive approach to holistic wellness. By combining various therapeutic modalities and prioritizing personalized care, they empower individuals to achieve their optimal health and well-being. If you're ready to invest in yourself and embark on a journey towards a healthier, happier you, Select Wellness is a fantastic starting point. Take the first step today and experience the transformative power of holistic wellness.

FAQs

1. Does Select Wellness Westwood NJ accept insurance? This varies; it's best to contact Select Wellness directly to inquire about their insurance policies and accepted providers.
1. What are the typical costs of services at Select Wellness? Pricing varies depending on the specific service and duration. Check their website or contact them for a detailed price list.
1. Do I need a referral to book an appointment? Generally, no referral is needed. However, it's always a good idea to check their specific requirements when booking.
1. What are their hours of operation? Their hours are typically posted on their website. It's advisable to check their site or call for the most up-to-date information.
1. What should I wear to my appointment? Comfortable clothing is generally recommended for most services. Specific instructions might be provided depending on the treatment you choose; it's best to inquire beforehand.

select wellness westwood nj: *Medical Parenting* Jacqueline Jones, 2019-07-09 Medical Parenting is the essential guide for parents to take control of their child's health, from choosing a pediatrician to helping children transition into adulthood. As one of America's Top Doctors™, a mother of two grown children, and a physician and surgeon with over 25 years' experience, Dr. Jones understands that there is no greater responsibility as a parent than ensuring your child's optimum health. With so much information out there, it can be hard to navigate the medical system. Medical Parenting walks parents through a myriad of scenarios involving children's health, from choosing that first pediatrician to chronic illness and surgery to nutrition and binge drinking in teenagers, so parents feel confident in their decisions and learn self-care along the way. More than just a medical system how-to, Medical Parenting is told from a physician and mother's perspective to include heartfelt stories from Dr. Jones' own journey of self-discovery. Dr. Jones helps parents connect with their children on a personal level as they grow towards adulthood and find their way through the maze of the medical system today.

select wellness westwood nj: *Building a Business with a Beat: Leadership Lessons from Jazzercise—An Empire Built on Passion, Purpose, and Heart* Judi Sheppard Missett, 2019-06-25 Transform your passion into a profitable business—with the help of the legendary entrepreneur who turned an innovative idea into a \$100 million global powerhouse. Judi Sheppard Missett is a fitness

icon who, at just three years old, discovered a passion for dance that would eventually fuel a global dance fitness empire. After an early life spent honing her dancing skills and a career as a professional jazz dancer, Judi had an epiphany: why not combine the art of jazz dancing with the science of exercise to help others achieve a healthier, happier self-image and life? The wildly enthusiastic response from her first 15 students inspired her to launch Jazzercise, Inc., the world's leading dance fitness program with a cumulative \$2 billion in global sales. In *Building a Business with Beat*, Judi reveals for the first time the secrets behind the company's five decades of enormous success. In addition to helping millions of men and women improve their health and well-being through the fun and fitness of dance, Judi has inspired 8,500 franchisees to achieve their dream of owning and running their own business. Now, through powerful personal stories, practical proven-successful advice and insights, Judi shares how you, too, can transform your passion into a profitable business. This inspirational guide will teach you how to:

- Create a successful business by discovering and defining your larger purpose
- Use your unique perspectives and abilities to enhance the lives of others
- Deftly handle everyday obstacles and unplanned events
- Develop an open mindset and embrace innovation and new possibilities
- Inspire your staff to connect to a purpose greater than day-to-day work, and more

Filled with helpful tips, smart strategies, and no-nonsense advice, this book is essential reading for anyone who has ever dreamed of creating a thriving, purpose-driven business. The author is living proof that when you're doing what you love, it may not seem like work at all.

select wellness westwood nj: *The Brooklyn Navy Yard* , 2009-12-08 New York City's largest and oldest industrial facility, the historic Brooklyn Navy Yard occupies 250-acres on the East River between the Williamsburg and Manhattan Bridges, and is presently one of New York City's major industrial sites. One of the last remnants of Brooklyn's industrial supremacy, the Yard has experienced tremendous change: functioning from the age of wind to that of diesel. As a cradle of naval evolution, the Yard has had to reinvent itself constantly, and this is made evident by the presence of buildings and structures spanning from the 1830s to the 1950s. The Navy Yard was shut down in 1966 and reopened again in 1971 when the City of New York bought it with the intention of redevelopment. Great ships are still repaired there, and the Yard, now an industrial park with a variety of manufacturers and light industries, functions as a refuge from a city that has mostly forgotten that a mixed economy is a key to its survival. The Brooklyn Navy Yard, the first monograph by John Bartelstone, offers a quiet and striking look at the Yard as a time capsule of industrial New York. The Yard today is a fusion of the sublime and the practical, with eerie abandoned elements existing side by side with vibrant businesses. Bartelstone's camera is partial to the former. The images show a place out of time, where World War II New York is still palpable. Bartelstone has been photographing the buildings and structures of the Yard since 1994. His photographs are neither a history of the Navy Yard nor a depiction of its role as a modern industrial park; the book instead offers a structured impression of a dreamscape.

select wellness westwood nj: *Integrative Pain Management* Robert Alan Bonakdar, Andrew W. Sukiennik, 2016 *Integrative Pain Management* is a comprehensive guide written by experts in the field that provides case examples of pain conditions, reviews common integrative treatments including physical therapy, behavioral strategies, and advanced procedures to maximize function

select wellness westwood nj: Brain on Fire Susannah Cahalan, 2012-11-13 NOW A MAJOR MOTION PICTURE STARRING CHLOË GRACE MORETZ A “captivating” (The New York Times Book Review), award-winning memoir and instant New York Times bestseller that goes far beyond its riveting medical mystery, Brain on Fire is a powerful account of one woman’s struggle to recapture her identity. When twenty-four-year-old Susannah Cahalan woke up alone in a hospital room, strapped to her bed and unable to move or speak, she had no memory of how she’d gotten there. Days earlier, she had been on the threshold of a new, adult life: at the beginning of her first serious relationship and a promising career at a major New York newspaper. Now she was labeled as violent, psychotic, a flight risk. What happened? In an “unforgettable” (Elle), “stunningly brave” (NPR), and breathtaking narrative, Susannah tells the astonishing true story of her descent into madness, her family’s inspiring faith in her, and the lifesaving diagnosis that almost didn’t happen. “A fascinating look at the disease that...could have cost this vibrant, vital young woman her life” (People), Brain on Fire is an unforgettable exploration of memory and identity, faith and love, and a profoundly compelling tale of survival and perseverance.

select wellness westwood nj: Fox Populism Reece Peck, 2019-01-03 Fox Populism offers

fresh insights into why the Fox News Channel has been both commercially successful and politically effective. Where existing explanations of Fox's appeal have stressed the network's conservative editorial slant, Reece Peck sheds light on the importance of style as a generative mode of ideology. The book traces the historical development of Fox's counter-elite news brand and reveals how its iconoclastic news style was crafted by fusing two class-based traditions of American public culture: one native to the politics in populism and one native to the news field in tabloid journalism. Using the network's coverage of the late-2000s economic crisis as the book's principal case study, Peck then shows how style is deployed as a political tool to frame news events. A close analysis of top-rated programs reveals how Fox hails its audience as 'the real Americans' and successfully represents narrow, conservative political demands as popular and universal.

select wellness westwood nj: Mexico Jessica Rudolph, 2015-08-01 Warm. Colorful. Huge. Welcome to Mexico! In this bright, exciting book, young readers will travel to this amazing country without ever leaving their homes or classrooms. During their journey, they will learn all about Mexico's cities, food, holidays, music, and wildlife. They even learn how to speak a few words in Spanish! This 32-page book features controlled text with age-appropriate vocabulary and simple sentence construction. The engaging text, bold design, and stunning photos are sure to capture children's interest.

select wellness westwood nj: East Harlem Leo Goldstein, A.D. Coleman, Juan González, 2019-10-15 For some 70 years, Leo Goldstein's East Harlembodyof work remained mostly untouched and unseen. The silver gelatin prints were catalogued in 2016, and a selection is gathered here for the first time. The photographs were taken over a number of years, beginning in 1949 when Goldstein was a member of the Photo League. The East Harlem corpus, edited by Regina Monfort, represents an important and unique addition to the photographic history of New York City. Because there are no negatives in existence, it was of particular importance to preserve the images in book form and make them available to the public. The selected images reflect the postwar years in the East Harlem community, which would grow into a center of Puerto Rican culture and life in the U.S. From the families portrayed gathering on stoops, to the kids at their shoeshine stations, to youths playing ball in the streets, to posters on neighborhood walls, Goldstein's images of East Harlem provide a window into the socio-economic, cultural, and political landscape of the time.

select wellness westwood nj: Little Humans Brandon Stanton, 2014-10-07 An instant New York Times Bestseller! Street photographer and storyteller extraordinaire Brandon Stanton is the creator of the wildly popular blog Humans of New York. He is also the author of the #1 New York Times bestseller Humans of New York. To create Little Humans, a 40-page photographic picture book for young children, he's combined an original narrative with some of his favorite children's photos from the blog, in addition to all-new exclusive portraits. The result is a hip, heartwarming ode to little humans everywhere.

select wellness westwood nj: Weight Gain During Pregnancy National Research Council, Institute of Medicine, Board on Children, Youth, and Families, Food and Nutrition Board, Committee to Reexamine IOM Pregnancy Weight Guidelines, 2010-01-14 As women of childbearing age have become heavier, the trade-off between maternal and child health created by variation in gestational weight gain has become more difficult to reconcile. Weight Gain During Pregnancy responds to the need for a reexamination of the 1990 Institute of Medicine guidelines for weight gain during pregnancy. It builds on the conceptual framework that underscored the 1990 weight gain guidelines and addresses the need to update them through a comprehensive review of the literature and independent analyses of existing databases. The book explores relationships between weight gain during pregnancy and a variety of factors (e.g., the mother's weight and height before pregnancy) and places this in the context of the health of the infant and the mother, presenting specific, updated target ranges for weight gain during pregnancy and guidelines for proper measurement. New features of this book include a specific range of recommended gain for obese women. Weight Gain During Pregnancy is intended to assist practitioners who care for women of childbearing age, policy

makers, educators, researchers, and the pregnant women themselves to understand the role of gestational weight gain and to provide them with the tools needed to promote optimal pregnancy outcomes.

select wellness westwood nj: Cosmetic Dermatology Murad Alam, Hayes B. Gladstone, Rebecca C. select wellness westwood nj: Best's Key Rating Guide , 2002

select wellness westwood nj: Leading Through a Pandemic Michael J. Dowling, Charles Kenney, 2020-08-25 A clarifying must-read in these uncertain times." —GOVERNOR ANDREW CUOMO Journey behind the front lines of the coronavirus pandemic with Northwell Health, New York's largest health system. What was it like at the epicenter, inside the health system that cared for more COVID-19 patients than any other in the United States? Leading Through a Pandemic: The Inside Story of Lessons Learned about Innovation, Leadership, and Humanity During the COVID-19 Crisis takes readers inside Northwell Health, New York's largest health system. From the C-suite to the front lines, the book reports on groundwork that positioned Northwell as uniquely prepared for the pandemic. Two decades ago, Northwell leaders began preparing for disasters—floods, hurricanes, blackouts, viruses, and more based on the belief that bad things will happen and we have to be ready. Following a course highly unusual for an American health system, Northwell developed one of the most advanced non-government emergency response systems in the country. Northwell reached a point where leaders could confidently say we are comfortable being uncomfortable in a crisis. But even with sustained preparation, the pandemic stands as a singularly humbling experience. Leading Through a Pandemic offers guidance on how hospitals and health systems throughout the country can prepare more effectively for the next viral threat. The book includes dramatic stories from the front lines at the peak of the viral assault and lessons of what went well, and what did not. The authors draw upon the Northwell experience to prescribe changes in the health care system for next time. Beyond the obvious need for increased stockpiles of supplies and equipment is the far more challenging task of fundamentally changing the culture of American health care to embrace a more robust emergency response capability in hospitals and systems of all sizes across the nation. The book is a must read for health care professionals, policy-makers, journalists, and readers whose curiosity demands a deeper dive into the surreal realm of the coronavirus pandemic.

select wellness westwood nj: The Leadership Challenge James M. Kouzes, Barry Z. Posner, 2017-03-30 The most trusted source of leadership wisdom, updated to address today's realities The Leadership Challenge is the gold-standard manual for effective leadership, grounded in research and written by the premier authorities in the field. With deep insight into the complex interpersonal dynamics of the workplace, this book positions leadership both as a skill to be learned, and as a relationship that must be nurtured to reach its full potential. This new seventh edition has been revised to address current challenges, and includes more international examples and a laser focus on business issues; you'll learn how extraordinary leaders accomplish extraordinary things, and how to develop your leadership skills and style to deliver quality results every time. Engaging stories delve into the fundamental roles that great leaders fulfill, and simple frameworks provide a primer for those who seek continuous improvement; by internalizing key insights and putting concepts into action, you'll become a more effective, more impactful leader. A good leader gets things done; a great leader aspires, inspires, and achieves more. This book highlights the differences between good and great, and shows you how to bridge the chasm between getting things done and making things happen. Gain deep insight into leadership's critical role in organizational health Navigate the shift

toward team-oriented work relationships Motivate and inspire to break through the pervasive new cynicism Leverage the electronic global village to deliver better results Business is evolving at an increasingly rapid rate, and leaders must keep pace with the changes or risk stagnation. People work differently, are motivated differently, and have different expectations today—business as usual is quickly losing its effectiveness. The Leadership Challenge helps you stay current, relevant, and effective in the modern workplace.

select wellness westwood nj: Nursing Student Retention Marianne R. Jeffreys, 2004 In the current nursing shortage, student retention is a priority concern for nurse educators, health care institutions, and the patients they serve. This book presents an organizing framework for understanding student retention, identifying at-risk students, and developing both diagnostic-prescriptive strategies to facilitate success and innovations in teaching and educational research. The author's conceptual model for student retention, Nursing Undergraduate Retention and Success, is interwoven throughout, along with essential information for developing, implementing, and evaluating retention strategies. An entire chapter is devoted to how to set up a Student Resource Center. Most chapters conclude with Educator-in-Action vignettes, which help illustrate practical application of strategies discussed. Nurse educators at all levels will find this an important resource.

select wellness westwood nj: Making Babies Jill Blakeway, Sami S. David, 2009-08-12 Making Babies offers a proven 3-month program designed to help any woman get pregnant. Fertility medicine today is all about aggressive surgical, chemical, and technological intervention, but Dr. David and Blakeway know a better way. Starting by identifying fertility types, they cover everything from recognizing the causes of fertility problems to making lifestyle choices that enhance fertility to trying surprising strategies such as taking cough medicine, decreasing doses of fertility drugs, or getting acupuncture along with IVF. Making Babies is a must-have for every woman trying to conceive, whether naturally or through medical intervention. Dr. David and Blakeway are revolutionizing the fertility field, one baby at a time.

select wellness westwood nj: Last Night at the Telegraph Club Malinda Lo, 2021-01-19 Winner of the National Book Award A New York Times Bestseller The queer romance we've been waiting for."—Ms. Magazine Seventeen-year-old Lily Hu can't remember exactly when the feeling took root—that desire to look, to move closer, to touch. Whenever it started growing, it definitely bloomed the moment she and Kathleen Miller walked under the flashing neon sign of a lesbian bar called the Telegraph Club. Suddenly everything seemed possible. But America in 1954 is not a safe place for two girls to fall in love, especially not in Chinatown. Red-Scare paranoia threatens everyone, including Chinese Americans like Lily. With deportation looming over her father—despite his hard-won citizenship—Lily and Kath risk everything to let their love see the light of day. (Cover image may vary.)

select wellness westwood nj: Roar Michael Clinton, 2022-09-13 ROAR is for everyone who is thinking about where they are in life-and those who want more out of life. From author Michael Clinton, former president and publishing director of Hearst Magazines, ROAR helps both those considering retirement and those who have no wish to retire get on with fulfilling their dreams-before it's too late. We are living in a time when everyone is constantly reassessing what is next for them. In the mid-career group, people who have spent years working in a business are now seeing their industry changing dramatically and are facing the question: What does that mean for me in the next twenty years? At the same time, the post-career group is also going through massive change. Many in this group are still not prepared financially, logistically, or emotionally to make the decisions necessary to face the next phase of their lives. While they may be thinking about retiring, they don't necessarily want to do nothing. ROAR will help both groups think about what is really important to them, and how to plan and take meaningful action so that the second half of their lives can be happy and productive. The book offers a unique and dynamic 4-part process called ROAR: Reimagine yourself, Own who you are, Act on what's next, and Reassess your relationships. This is the method Michael uses himself to pursue a purposeful life-and now he shares his technique and

approach so you can expand your own life too. Prescriptive and inspiring, with personal anecdotes from his life as well as from others he interviewed for the book, ROAR is highly accessible, entertaining, and transformative--

select wellness westwood nj: The Stress Solution Arthur P. Ciaramicoli, EdD, PhD, 2016-05-15 Therapeutic tools for fighting the anxiety, fear, and depression caused by stress "We work too much, sleep too little, love with half a heart, and wonder why we are unhappy and unhealthy," writes clinical psychologist Arthur Ciaramicoli. In *The Stress Solution*, Ciaramicoli provides readers with simple, realistic, powerful techniques for using empathy and cognitive behavioral therapy to perceive situations accurately, correct distorted thinking, and trigger our own neurochemistry to produce calm, focused energy. He developed this approach over thirty-five years of working with clients struggling with depression, anxiety, and addictions. Over and over again, he has helped sufferers overcome old hurts and combat performance anxiety, fears, and excessive worry. Ciaramicoli's pioneering approach offers new promise to readers facing a variety of stress-based concerns.

select wellness westwood nj: A Booklover's Guide to New York Cleo Le-Tan, 2019-10-01 An

illustrated guide to New York City tailored for the book-obsessed explorer showcasing the city's best bookshops; libraries; homes and haunts of world-famous writers; and scenes from literary classics with charming drawings by the famed New Yorker cover artist Pierre Le-Tan. *A Booklover's Guide to New York* is a love letter to everything literary in New York City. It is a book all about books. The book is an object in itself, designed as the ultimate little tome any book collector would love to acquire, layered with witty Pierre Le-Tan drawings, as well as photographs of some of the most precious bookish locations. Rediscover New York in the most fashionably literate way: whether you are in need of an exceptionally rare edition of your favorite novel (perhaps to be found in the dark and musty backroom of The Center for Fiction), or the most tranquil place to devour a short story on a wintry day (an empty underground food court in a Midtown skyscraper), or if you are looking to follow in the footsteps of a beloved author or novella character (like Capote's Grady and Clyde in Central Park Zoo), this will be your ultimate companion. Part guide, part sophisticated scrapbook and part desirable object, *A Booklover's Guide to New York* is an absolute must for any book-savvy person--the young bookworm or old scholar, the visiting tourist or homegrown New Yorker, the aspiring writer or doting parent.

select wellness westwood nj: Contraception for the Medically Challenging Patient Rebecca H. Allen, Carrie Cwiak, 2014-10-14 Women with chronic medical problems are at higher risk for complications during pregnancy and therefore, they are especially in need of appropriate preconception and contraception care. Furthermore, many women with chronic medical problems do not obtain adequate preconception and contraception care. Despite published guidelines by the Centers for Disease Control and Prevention, there is a substantial gap in medical practice regarding the use of contraception in women with co-existing medical problems. *Contraception for the Medically Challenging Patient* fills the gap that currently exists in the knowledge of correct contraceptive prescribing practice and shows that inappropriate contraindications can easily become a barrier to effective contraception use among women. Chapters highlight obsolete views about appropriate candidates for contraception and address the complex contraceptive needs of today's medically challenging patients with HIV/AIDS, uterine fibroids or cardiac, neurologic or thyroid disease. The book gives attention to recommendations on the use of contraception in women with medical problems such as diabetes, obesity, epilepsy, and lupus, among others and provides comprehensive information regarding the effects that certain drugs may have on contraceptive hormone levels. While national guidelines do exist for contraceptive eligibility, this book discusses in more detail the evidence behind the guideline recommendations and the nuances that clinicians confront in daily practice.

select wellness westwood nj: The Detox Prescription Woodson Merrell, Mary Beth Augustine, Hillari Dowdle, 2013-12-24 The human body has an extraordinary ability to detoxify itself. We rely on this system when we wait for a hangover to lift or recover from a bout of food poisoning. However, cutting-edge science is revealing how toxic exposures can actually affect our genes and lead to conditions such as obesity, diabetes, arthritis, mood disorders, energy, allergies, fertility, and heart disease—all of which are on the rise. The good news is that each of us can optimize this natural cleansing system for better health, greater energy, and efficient weight loss. In *The Detox Prescription*, Dr. Merrell draws on new research to help readers assess their own toxic risk factors and health deficiencies. Next, he and Mary Beth Augustine, RD, offer more than 75 delicious and nutrient-rich recipes incorporating juices and whole foods, broken into 3-, 7-, and 21-day cleanses. Dr. Merrell's holistic approach also relies on light yoga practices, basic self-care, beginning meditation, and sleep hygiene to reset body, mind, and spirit and take control of our genetic destiny.

select wellness westwood nj: Palliative Care in Nephrology Alvin H. Moss MD, FACP, FAAHPM, Dale E. Lupu MPH, PhD, Nancy C. Armistead MPA, Louis Diamond, 2020-07-14 Palliative care has become increasingly important across the spectrum of healthcare, and with it, the need for education and training of a broad range of medical practitioners not previously associated with this field of care. As part of the Integrating Palliative Care series, this volume on palliative care in nephrology guides readers through the core palliative knowledge and skills needed to deliver high

value, high quality care for seriously ill patients with chronic and end-stage kidney disease. Chapters are written by a team of international leaders in kidney palliative care and are organized into sections exploring unmet supportive care needs, palliative care capacity, patient-centered care, enhanced support at the end of life, and more. Chapter topics are based on the Coalition for Supportive Care of Kidney Patients Pathways Project change package of 14 evidence-based best practices to improve the delivery of palliative care to patients with kidney disease. An overview of the future of palliative care nephrology with attention to needed policy changes rounds out the text. Palliative Care in Nephrology is an ideal resource for nephrologists, nurses, nurse practitioners, physician assistants, social workers, primary care clinicians, and other practitioners who wish to learn more about integrating individualized, patient-centered palliative care into treatment of their patients with kidney disease.

select wellness westwood nj: Foraging New York Steve Brill, 2017 From beach peas to serviceberries, cattails to burdock root, and ostrich ferns to sea rocket, Foraging New York uncovers the edible wild foods and healthful herbs of the Empire State. select wellness westwood nj: *Self-Care in the City: 100 Ways to Optimize Your Nutrition, Fitness & Wellness in an Urban Environment* Michelle Cady, 2018-04-12 If there's one thing Carrie Bradshaw didn't master in her beautiful Manhattan life it's self-care. Like most of us, she rushed around from thing to thing, drank a few too many cocktails, smoked cigarettes, and dealt with the stress that came along with a career she loved and social calendar she loved more. Little did she know that a few simple changes to her daily habits could drastically improve everything from her mood to her sleep to her ability to manage ups and downs of life - from lost jobs to lost relationships. Thanks to *Self-Care in the City*, the busiest of urban people now have their very own handbook for learning how to bring a healthy dose of self-care into their busy, fast-paced lives. No longer will you need to play the guessing-game of . . . how to squeeze a workout into a busy week or what dish to choose at a business dinner or how to relieve stress without reaching for a glass of wine. Instead you have over 100 ways to address the common dilemmas of their everyday life, including: - Way #1 Rethink Brunch: How to approach a fabulous weekend meal without overdoing it. - Way #7 Tier Your Seamless: Method for making healthy-ish options your go-to when you're exhausted. - Way #16 Drinking on Dates: Tips to navigate every blind date without drowning yourself in cocktails. - Way #66 Quick Workouts for Biz Trips: How to keep up your workout routine no matter where you travel. - Way #81 Noise at Night: Solutions for reducing stimulation and getting a great night's sleep. - Way #82 Surviving the Subway: Insider secrets to stress-less on your daily commute. No matter what you need help navigating, there's a tip or resource within immediate reach. As you begin embracing these practices, you'll find that you have the power rise above the routines that diminish your beauty and focus, and fall in love with the wellness strategies that will not only make you feel unstoppable, but will also give you an edge. NUTRITION Efficient ways to upgrade your grocery shopping, order healthier takeout, sneak in more veggies, navigate social functions, order like a boss and fuel your continued success at home, at work and when you're on-the-go. FITNESS Smart strategies to optimize your workouts, join the right gym, pick boutique fitness studios, exercise on business trips, fit in more activity, lose body fat and elevate your body to the next level. WELLNESS You're doing it all right - eating well and working out - and you're still not seeing results. This book empowers you to improve your sleep, manage your stress, create your own silence, and personalize your self-care, while still having a fabulous social life! Why I Wrote It: *Self-Care in the City* is a reflection of the

health and wellness tricks I was able to discover during my experience living in New York City as a finance executive. That blended together with my professional expertise, work with countless clients and education in nutrition and exercise science and stress management makes this a book that every busy urban person needs on their night stand or nestled into their work bag. About the Author: Michelle Cady is a former finance executive turned wellness author and highly sought after integrative nutrition health coach. Michelle's personal experience of recovering from adrenal fatigue and burnout influences her coaching and focus on nutrition, fitness, and stress management. Michelle's writing has been featured in mindbodygreen, Well+Good, Elite Daily, Women's Health, Redbook and Thrive Global, among others. She is the Founder of the wellness platform, FitVista, and Self-Care in the City is Michelle's first book. Michelle graduated from Middlebury College in 2008 with a BA in English and currently lives in New York City. You can find more about Michelle's story, blog and resources over at www.FitVista.com.
