serene tanning and wellness yulee: The Lady from the Black Lagoon Mallory O'Meara, 2019-03-05 This acclaimed biography shines a light on a trailblazing woman who created a classic movie monster—and the author's quest to rescue her from obscurity. As a teenager, Mallory O'Meara was thrilled to discover that one of her favorite movies, Creature from the Black Lagoon,

featured a monster designed by a woman, Milicent Patrick. But while Patrick should have been hailed as a pioneer in the genre, there was little information available about her. As O'Meara discovered, Patrick's contribution had been claimed by a jealous male colleague and her career had been cut short. No one even knew if she was still alive. As a young woman working in the horror film industry, O'Meara set out to right the wrong, and in the process discovered the full, fascinating story of an ambitious, artistic woman ahead of her time. Patrick's contribution to special effects proved to be just the latest chapter in a remarkable, unconventional life, from her youth growing up in the shadow of Hearst Castle, to her career as one of Disney's first female animators. And at last, O'Meara discovered what really had happened to Patrick after *The Creature's* success, and where she went. A true-life detective story and a celebration of a forgotten feminist trailblazer, Mallory O'Meara's *The Lady from the Black Lagoon* establishes Patrick in her rightful place in film history while calling out a Hollywood culture where little has changed since. As a child, Madden lived a life of extravagance, from her exclusive private school to her equestrian trophies and designer shoe-brand name. But under the surface was a wild instability. The only child of parents continually battling drug and alcohol addictions, Madden confronted her environment alone. Facing a culture of assault and objectification, she found lifelines in the desperately loving friendships of fatherless girls. With unflinching honesty and lyrical prose, spanning from 1960s Hawai'i to the present-day struggle of a young woman mourning the loss of a father while unearthing truths that reframe her reality, *Long Live the Tribe of Fatherless Girls* is equal parts eulogy and love letter. It's a story about trauma and forgiveness, about families of blood and affinity, both lost and found, unmade and

rebuilt, crooked and beautiful. One of the Most Anticipated Books of the Year: Entertainment Weekly, Huffington Post, BuzzFeed, The Millions, Nylon, The Rumpus, Electric Literature, Lit Hub, Refinery29, and many more

serene tanning and wellness yulee: *America Was Hard to Find* Kathleen Alcott, 2019-05-14 In the wake of an affair, the lives of an astronaut and a radical are forever altered by the political fault lines of the 1960s, setting off a series of events ricocheting from anti-Vietnam activism to the Apollo program to the AIDS crisis, in this sprawling multigenerational novel *Ecuador, 1969: An American expatriate*, Fay Fern, sits in the corner of a restaurant, she and her young son Wright turned away from the television where Vincent Kahn becomes the first man to walk on the moon. Years earlier, Fay and Vincent meet at a pilots' bar in the Mojave Desert. Both seemed poised for reinvention—the married test pilot, Vincent, as an astronaut; the spurned child of privilege, Fay, as an activist. Their casual affair ends quickly, but its consequences linger. Though their lives split, their senses of purpose deepen in tandem, each becoming heroes to different sides of the political spectrum of the 1960s and 70s: Vincent an icon with no plan beyond the mission for which he has single-mindedly trained, Fay a leader of a violent leftist group whose anti-Vietnam actions make her one of the FBI's most wanted. With her last public appearance, a demonstration that frames the Apollo program as a vehicle for distracting the American public from its country's atrocities, Fay leaves Wright to contend with her legacy, his own growing apathy, and the misdeeds of both his mother and his country. An immense, vivid reimagining of the Cold War era, *America Was Hard to Find* traces the fallout of the cultural revolution that divided the country and explores the meaning of individual lives in times of upheaval. It also confirms Kathleen Alcott's reputation as a fearless and vital voice in fiction.

serene tanning and wellness yulee: *Correspondents* Tim Murphy, 2019-05-15 "A sprawling tale of love, family, duty, war, and displacement. It is above all a stinging indictment of the ill-fated war in Iraq." —Khaled Hosseini, #1 New York Times–bestselling author The bright and driven daughter of a Boston-area Irish-Arab family, Rita Khoury charts herself an ambitious path through Harvard to one of the best newspapers in the country. She is posted in cosmopolitan Beirut and dates a handsome Palestinian would-be activist. But when she is assigned to cover the America-led invasion of Baghdad in 2003, she finds herself unprepared for the warzone. Her lifeline is her interpreter and fixer Nabil al-Jumaili, an equally restless young man whose dreams have been restricted by life in a deteriorating dictatorship, not to mention his own seemingly impossible desires. As the war tears Iraq apart, personal betrayal and the horrors of conflict force Rita and Nabil out of the country and into twisting, uncertain fates. What lies in wait will upend their lives forever, shattering their own notions of what they're entitled to in a grossly unjust world. Epic in scope, by turns satirical and heartbreaking, and speaking sharply to America's current moment,

Correspondents is a whirlwind story about displacement from one's own roots, the violence America promotes both abroad and at home, and the resilience that allows families to remake themselves and endure even the most shocking upheavals. "[An] emotionally resonant, time-hopping page turner . . . Explores immigration, the effects of U.S. intervention, and the long arc of war." —Huffington Post "An exploration of family, identity, and the price of war." —Newsday "A surprisingly moving war novel alert to global violence and politics but thriving on the character level." —Kirkus Reviews (starred review)

Since their parents drowned fleeing to America, Miri and Vanya have been raised by their babushka, a famous matchmaker who has taught them to protect themselves at all costs: to fight, to kill if necessary, and always to have an escape plan. But now, with fierce, headstrong Miri on the verge of becoming one of Russia's only female surgeons, and Vanya hoping to solve the final puzzles of Einstein's elusive theory of relativity, can they bear to leave the homeland that has given them so much? Before they have time to make their choice, war is declared and Vanya goes missing, along with Miri's fiancé. Miri braves the firing squad to go looking for them both. serene tanning and wellness yulee: Dream Sequence Adam Foulds, 2019-06-11 Adam Foulds, the award-winning author of *The Quickening Maze*, pens a stunning and terrifying vision of the damage done between a fan and a celebrity in *Dream Sequence*—where the borders between inner and outer life have been made porous in a world full of flickering screens large and small. Henry became famous starring in *The Grange*, a television drama beloved by mothers and wives, and whose fans speak about the characters as though they were real people . . . yet Henry dreams of escaping the small screen. An audition for a movie directed by a highly respected Spanish auteur holds the promise of a way forward. Whether holed up in his apartment eating monkish meals of rice and steamed vegetables or snorting cocaine at desert parties in Doha, Henry's awareness of his own image, of his relative place in the world, is acute and constant. But Henry has also—unwittingly—become an important part of the life of recently divorced Kristin. He appears repeatedly on the television in her beautiful, empty Philadelphia house, and her social media feeds

bring news of his London home, his family. What Kristin wants is simply to get as close to him in real life as she has in her fandom.

serene tanning and wellness yulee: Against Citizenship Amy L Brandzel, 2016-04-15

Numerous activists and scholars have appealed for rights, inclusion, and justice in the name of citizenship. *Against Citizenship* provocatively shows that there is nothing redeemable about citizenship, nothing worth salvaging or sustaining in the name of community, practice, or belonging. According to Brandzel, citizenship is a violent dehumanizing mechanism that makes the comparative devaluing of human lives seem commonsensical, logical, and even necessary. *Against Citizenship* argues that whenever we work on behalf of citizenship, whenever we work toward including more types of peoples under its reign, we inevitably reify the violence of citizenship against nonnormative others. Brandzel's focus on three legal case studies--same-sex marriage law, hate crime legislation, and Native Hawaiian sovereignty and racialization--exposes how citizenship confounds and obscures the mutual processes of settler colonialism, racism, sexism, and heterosexism. In this way, Brandzel argues that citizenship requires anti-intersectionality, that is, strategies that deny the mutuality and contingency of race, class, gender, sexuality, and nation--and how, oftentimes, progressive left activists and scholars follow suit. *Against Citizenship* is an impassioned plea for a queer, decolonial, anti-racist coalitional stance against the systemized human de/valuing and anti-intersectionalities of citizenship.

serene tanning and wellness yulee: *That Time I Loved You* Carrienne Leung, 2018-03-27 Life is never as perfect as it seems. But in a Scarborough subdivision populated by newcomers from all over the world, a series of sudden catastrophic events reveals that not everyone's dreams come true. Moving from house to house, Carrienne Leung explores the inner lives behind the tidy front gardens and picture-perfect windows, always returning to June, an irrepressible adolescent Chinese-Canadian coming of age in this shifting world. serene tanning and wellness yulee: *China Dream* Ma Jian, 2019-05-07 Blending fact and fiction, this darkly comic fable “may be the purest distillation yet of Mr. Ma’s talent for probing the country’s darkest corners and exposing what he regards as the Communist Party’s moral failings” (Mike Ives, *The New York Times*). Called “Red Guards meet Kurt Vonnegut . . . powerful!” by Margaret Atwood on Twitter, *China Dream* is an unflinching satire of totalitarianism. Ma Daode, a corrupt and lecherous party official, is feeling pleased with himself. He has an impressive office, three properties, and multiple mistresses who text him day and night. After decades of loyal service, he has been appointed director of the China Dream Bureau, charged with replacing people's private dreams with President Xi Jinping's great China Dream of national rejuvenation. But just as he is about to present his plan for a mass golden wedding anniversary celebration, his sanity begins to unravel. Suddenly plagued by flashbacks of the Cultural Revolution, Ma Daode's nightmare visions from the past threaten to destroy his dream of a glorious future. Exposing the damage inflicted on a nation's soul when authoritarian regimes, driven by an insatiable hunger for power, seek to erase memory, rewrite history, and falsify the truth, *China Dream* is a dystopian vision of repression, violence, and state-imposed amnesia that is set not in the future, but in China today.

In this dazzling work of historical fiction—one that illuminates previously unexplored elements of Fry's story, and has, since its publication, brought us new insight into his life.

serene tanning and wellness yulee: *Rhetorical Healing* Tamika L. Carey, 2016-10-04 Reveals the rhetorical strategies African American writers have used to promote Black women's recovery and wellness through educational and entertainment genres and the conservative gender politics that are distributed when these efforts are sold for public consumption. Since the Black women's literary renaissance ended nearly three decades ago, a profitable and expansive market of self-help books, inspirational literature, family-friendly plays, and films marketed to Black women has emerged. Through messages of hope and responsibility, the writers of these texts develop templates that tap into legacies of literacy as activism, preaching techniques, and narrative formulas to teach strategies for overcoming personal traumas or dilemmas and resuming one's quality of life. Drawing upon Black vernacular culture as well as scholarship in rhetorical theory, literacy studies, Black feminism, literary theory, and cultural studies, Tamika L. Carey deftly traces discourses on healing within the writings and teachings of such figures as Oprah Winfrey, Iyanla Vanzant, T. D. Jakes, and Tyler Perry, revealing the arguments and curricula they rely on to engage Black women and guide them to an idealized conception of wellness. As Carey demonstrates, Black women's wellness campaigns indicate how African Americans use rhetorical education to solve social problems within their communities and the complex gender politics that are mass-produced when these efforts are commercialized.

serene tanning and wellness yulee: FINDING KATARINA M. Elisabeth Elo, 2019-03-05 Natalie March is a respected surgeon enjoying a busy, productive life in Washington DC. As her demanding career has left little time for friends or romance, her deepest relationship is with her mother, Vera March, a Russian immigrant and MS patient confined to a rehabilitation center. Vera is still haunted by the fact that her Ukrainian parents, innocent of any wrongdoing, were sent to the gulag, Stalin's notorious network of labor camps, when she was just a baby. All her life she has presumed that they perished there along with millions of other Russian citizens. Natalie would do anything to heal her mother's psychic pain: it's the one wound that she, a doctor, cannot mend. When a young Russian dancer named Saldana Tarasova comes to Natalie's office claiming to be her cousin, and providing details about her grandmother that no stranger could know, Natalie must face a surprising truth: her grandmother, Katarina Melnikova, is still very much alive. She escaped from the labor camp, married a native Siberian, and had another child, Saldana's mother. Natalie is thrilled to think that her Russian family is reaching out and that Vera may be able to reunite with her mother after so many years. In fact, Saldana has a darker motive for making contact. Suggesting that her family is in grave danger from Putin's government, she pleads for Natalie's help to defect. Unwilling to break the law, Natalie puts her off. Then the unthinkable happens, and Natalie is drawn step by step into a web of family secrets that will ultimately pit her against Russian security forces and even her own government. How far will Natalie go to find Katerina M. and satisfy her mother's deepest wish? How much will she risk to protect her Russian family—and her own country—from a dangerous international threat? Masterfully plotted and beautifully written, FINDING KATARINA M. takes the reader on an extraordinary journey across Siberia—to reindeer herding camps, Russian prisons, Sakha villages, and parties with endless vodka toasts—while it explores what it means to be loyal to one's family, one's country, and ultimately to oneself.

serene tanning and wellness yulee: *A Job You Mostly Won't Know How to Do* Pete Fromm, 2019-05-07 A big-hearted novel "about the grace of friends and family, the true depth and patience of love, and the impossible privilege of what it means to be a father" (Caroline Leavitt, New York Times bestselling author of *Pictures of You*). For young couple Taz and Marnie, their fixer-upper is the symbol of their new life together: a work in progress, the beginning of something grand, all the more so when they learn a baby is on her way. But the blueprint for the perfect life eludes Taz when Marnie dies in childbirth, plummeting the taciturn carpenter headfirst into the

new, strange world of fatherhood alone, a landscape of contradictions, of great joy and sorrow. With a supporting cast as rich and compelling as the wild Montana landscape, the novel follows Taz's first two years as a father—a job no one can be fully prepared for. The five-time winner of the Pacific Northwest Bookseller Award with more than eleven books in over twenty years, Pete Fromm has become one of the West's best literary legends. *A Job You Mostly Won't Know How To Do* beautifully captures people who end up building a life that is both unexpected and brave.

serene tanning and wellness yulee: *The Glass Eye* Yolanda Gallardo, 2019 Doña Amada can see more through one eye than most people can see with two. She can see the past and the future, in spite of the shiny marble serving as her second eye, which was ripped out by her husband's jealous lover. Gossip and speculation about the mysterious disappearance of Amada's rival swirl around the neighborhood. Rumor has it her remains are buried, scattered in parts of Westchester County. Others swear they have seen her ghost—having collected all her essential parts—swimming in the river, trying to make her way back to the Bronx. Gallardo's comic novel about a Puerto Rican community in New York introduces a cast of quirky characters, including Amada's husband, Alberto, or Albertico as the adoring women call him, and her mother Esperanza, who everyone knows is a witch. Family feuds, births and deaths, christenings and funerals—and even a lost, wandering spirit—are hilariously sketched in this short novel about an eccentric Cuban/Nuyorican family and the neighbors who delight in their shenanigans and missteps.

serene tanning and wellness yulee: **Richard John Neuhaus** Randy Boyagoda, 2015-02-10 A brilliant biography of one of the intellectual mavericks of 20th Century Catholicism. Richard John Neuhaus (1936-2009) was one of the most influential figures in American public life from the Civil Rights era to the War on Terror. His writing, activism, and connections to people of power in religion, politics, and culture secured a place for himself and his ideas at the center of recent American history. William F. Buckley, Jr. and John Kenneth Galbraith are comparable -- willing controversialists and prodigious writers adept at cultivating or castigating the powerful, while advancing lively arguments for the virtues and vices of the ongoing American experiment. But unlike Buckley and Galbraith, who have always been identified with singular political positions on the right and left, respectively, Neuhaus' life and ideas placed him at the vanguard of events and debates across the political and cultural spectrum. For instance, alongside Abraham Heschel and Daniel Berrigan, Neuhaus co-founded Clergy Concerned About Vietnam, in 1965. Forty years later, Neuhaus was the subject of a New York Review of Books article by Garry Wills, which cast him as a Rasputin of the far right, exerting dangerous influence in both the Vatican and the Bush White House. This book looks to examine Neuhaus's multi-faceted life and reveal to the public what made him tick and why.

serene tanning and wellness yulee: **Rethinking Sexual Citizenship** Jyl J. Josephson, 2016-05-01 Offers a more democratic way to think about families, politics, and public life. Public policy often assumes there is one correct way to be a family. *Rethinking Sexual Citizenship* argues that policies that enforce this idea hurt all of us and harm our democracy. Jyl J. Josephson uses the concept of "sexual citizenship" (a criticism of the assumption that all families have a heterosexual at their center) to show how government policies are made to punish or reward particular groups of people. This analysis applies sexual citizenship not only to policies that impact LGBTQ families, but also to other groups, including young people affected by abstinence-only public policies and single-parent families affected by welfare policy. The book also addresses the idea that the "normal" family in the United States is white. It concludes with a discussion of how scholars and activists can help create a more inclusive democracy by challenging this narrow view of public life.

serene tanning and wellness yulee: **Excluded** Julia Serano, 2013-10-01 A transformational approach to overcoming the divisions between feminist communities While many feminist and queer movements are designed to challenge sexism, they often simultaneously police gender and sexuality -- sometimes just as fiercely as the straight, male-centric mainstream does. Some feminists vocally condemn other feminists because of how they dress, for their sexual partners or practices, or because they are seen as different and therefore less valued. Among LGBTQ activists, there is a long

history of lesbians and gay men dismissing bisexuals, transgender people, and other gender and sexual minorities. In each case, exclusion is based on the premise that certain ways of being gendered or sexual are more legitimate, natural, or righteous than others. As a trans woman, bisexual, and femme activist, Julia Serano has spent much of the last ten years challenging various forms of exclusion within feminist and queer/LGBTQ movements. In *Excluded*, she chronicles many of these instances of exclusion and argues that marginalizing others often stems from a handful of assumptions that are routinely made about gender and sexuality. These false assumptions infect theories, activism, organizations, and communities -- and worse, they enable people to vigorously protest certain forms of sexism while simultaneously ignoring and even perpetuating others. Serano advocates for a new approach to fighting sexism that avoids these pitfalls and offers new ways of thinking about gender, sexuality, and sexism that foster inclusivity.
